Pasco County Commission Agenda
Tuesday, June 16, 2026
10:00 AM

PASCO COUNTY FLORIDA
OPEN SPACES. VIBRANT PLACES.

West Pasco Government Center, Board Room, 1st Floor
8731 Citizens Drive, New Port Richey, Florida 34654

This meeting will be broadcast live on the County's website, YouTube channel, and Frontier Channel 42 and Spectrum Channel 643 (only for residents living in Pasco County).

Please silence all electronic devices.

10:00 a.m.	-	**Public Comment.** All resolutions will be presented after Public Comment.
	-	**Consent** and **Regular**
12:00 p.m.	-	Recess
1:30 p.m.	-	**Public Hearings**. Following the Public Hearings, the County Commission will complete any unfinished items from the 10:00 a.m. session.

The County Commission Agenda comprises four sections:
Public Comment is the section when individuals can comment on matters that the Board has before it for consideration. Everyone is limited to three minutes for such comments. A

yellow light will appear on the timer at the top of the podium when you have one minute remaining, then three beeps will sound when your time is up. The **Consent** section contains numerous routine matters that require the approval of the County Commission but do not require discussion. Prior to voting on the Consent portion of the agenda a County Commissioner, the County Administrator, or the County Attorney may request an item be removed from the Consent portion for discussion, correction, or withdrawal. All remaining items on Consent are approved by the County Commission with a single motion and vote. The **Regular** section consists of items for approval by the County Commission that require discussion, motions, and votes on an item-by-item basis. Beginning at 1:30 p.m., the final section of the agenda is **Public Hearings**, which are advertised items, including rezonings, land use amendments, ordinance adoptions and revisions. Comments by the public are allowed on each item.

Any person desiring to appeal any decision made by the Planning Commission or Board of County Commissioners with respect to any matter considered at any meeting or hearing will need a record of the proceedings and may need to ensure that a verbatim record of the proceedings is made which includes the testimony and evidence upon which the appeal is to be based. For this meeting, persons may obtain a verbatim record of the proceeding by contacting the Clerk and Comptroller's office, East Pasco Government Center, 14326 6th Street, Suite 201, Dade City, Florida 33523-3414; or at (352)521-4345.

If you are a person with a disability who needs any accommodation in order to participate in this proceeding, you are entitled, at no cost to you, to the provision of certain assistance. Please contact the County's Human Resources Department, Internal Services Building, 7536 State Street, New Port Richey, FL 34654; (727) 847-8030 (V) at least 7 days before the public hearing, or immediately upon receiving this notification if the time before the public hearing is less than 7 days; if you are hearing or voice impaired, call 711.

Call To Order

Invocation

Pledge of Allegiance

Roll Call

Public Comment

Citizens are given an opportunity to comment on items listed on the Agenda by participating via Microsoft Teams during the meeting or attending in person. A Microsoft Teams pre-registration process can be found on the Public Comment Options page and must be completed to participate. Citizens may also comment on items listed on the Agenda in person inside the Board Room. The Board will take Public Comment on items on this agenda. It is requested that when you address the Board, that comments are not directed personally against a commissioner or team member, but rather directed at the issues. This provides

mutual respect between the board members and the public.

ATTACHMENT(S):
1. CAO26-5158 17th Annual Water Awareness Poster Contest Resolution

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. 26-260**

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, RECOGNIZING AND COMMENDING PASCO COUNTY ELEMENTARY STUDENTS RECEIVING FIRST PLACE FOR THEIR RESPECTIVE GRADE LEVELS IN THE 17TH ANNUAL WATER AWARENESS POSTER CONTEST

WHEREAS, clean, safe, and sustainable water resources are vital to Pasco County's economy, environment, and its citizens; and

WHEREAS, the steps we can take to protect and preserve our water through educational partnerships and positive actions are encouraged throughout Pasco County; and

WHEREAS, the Water Awareness Poster Contest was developed jointly by Pasco County Utilities and the Florida Governmental Utility Authority (FGUA) with the guidance of the Pasco County School Board to champion water conservation education; and

WHEREAS, students are given the opportunity, with the assistance of dedicated Pasco County School teachers, to explore "STEAM" (Science, Technology, Engineering, Art and Mathematics) based teaching materials that expand their knowledge of water related topics through artistic expression; and

WHEREAS, this year, 1,003 posters were submitted, with 23,343 entries submitted from Pasco County elementary schools since the program's inception in 2010; and

WHEREAS, winning posters were selected by a judging panel that included representatives from Pasco County Utilities, the FGUA, and community sponsors; and

WHEREAS, the posters chosen displayed exceptional artistic merit, creativity, and clarity of message, and is representative of students at various levels of learning from kindergarten to fifth grade.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, that said Board hereby thanks each participating student and teacher for their dedication in promoting water awareness through Pasco County, and congratulates first place recipients Harper Mattews, Hunter Hipps, Emma Chirinos, Patricia Grace Wells, Ezaan Rabbi, and Aadrika Subudhi for their outstanding achievement.

DONE AND RESOLVED in regular session with a quorum present and voting this 16th day of June 2026.

SUBJECT: (10:15 A.M Time Certain) A Resolution By The Board Of County Commissioners Of Pasco County, Florida, Recognizing Dr. Kiran Musunuru For Being Chosen As A Member Of The TIME100

AGENDA SECTION: Resolutions

RECOMMENDED BOARD ACTION:
Approve

ATTACHMENT(S):
1. CAO26-5162 Dr. Kiran Musunuru Time100 Resolution

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. 26-263**

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, RECOGNIZING DR. KIRAN MUSUNURU FOR BEING CHOSEN AS A MEMBER OF THE TIME100

WHEREAS, Dr. Kiran Musunuru was born in New York City in 1976 and grew up in Pasco County since he was six years old, with his father opening a cardiology practice in 1981 in West Pasco; and

WHEREAS, Dr. Kiran Musunuru graduated in Biochemical Sciences from Harvard University in 1997, completed a PhD in Biomedical Sciences at Rockefeller University in 2003, and earned a medical degree from Weill Cornell Medical College in 2004. In 2009, he earned a Master in Public Health (MPH) in Epidemiology from the John Hopkins Bloomberg School of Public Health, followed by a Master in Law (ML) from the University of Pennsylvania Law School in 2019, and a Masters in Regulatory Affairs (MRA) from the Perelman School of Medicine at the University of Pennsylvania in 2024; and

WHEREAS, Dr. Kiran Musunuru is an actively practicing cardiologist as well as a Barry J. Gertz Professor for Translational Research at the University of Pennsylvania's Perelman School of Medicine and a Professor for Cardiology, Genetics, and Pediatrics; and

WHEREAS, Dr. Kiran Musunuru has made groundbreaking contributions to cardiovascular science, particularly his pioneering use of advanced gene-editing technologies to prevent heart disease. Through his research, he has explored how genome editing can target genes involved in lipid metabolism, a breakthrough with far-reaching implications for global health; and

WHEREAS, in 2025, Dr. Musunuru led a remarkable multi-institutional team that designed, tested, and administered a personalized gene-editing therapy that saved a baby's life who was born with a rare metabolic disease that gave him a fifty percent chance of dying in infancy. Musunuru brought together innovations from across biomedical science to prove that on-demand CRISPR therapies can be developed safely and quickly enough to help patients who don't have years to wait; and

WHEREAS, Dr. Musunuru is a recipient of the Presidential Early Career Award for Scientists and Engineers from President Barack Obama, the American Heart Association's Award of Meritorious Achievement, the American Philosophical Society's Judson Daland Prize for Outstanding Achievement in Clinical Investigation, the American Federation for Medical Research's Outstanding Investigator Award, and Harvard University's Fannie Cox Prize for Excellence in Science Teaching, among many others; and

WHEREAS, Dr. Kiran Musunuru's inclusion into the TIME100 list marks a major milestone in recognizing the impact of genetic research on cardiovascular health. Building on his father's legacy, Dr. Musunuru has focused on translating cutting-edge science into real-world solutions; and

WHEREAS, Dr. Kiran Musunuru was selected for the 2026 TIME100 on behalf of Sam Jacobs and the editors of TIME, an annual list of the hundred most influential people in the world, an immense achievement and honor.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, that said Board hereby congratulates Dr. Kiran Musunuru for his admittance into the TIME100 and honors him for all his achievements.

DONE AND RESOLVED in regular session with a quorum present and voting this 16th day of June 2026.

1. CAO26-5161 Faith and Family Month Resolution

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. 26-262**

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, DECLARING JUNE 2026 AS FAITH AND FAMILY MONTH IN PASCO COUNTY

WHEREAS, faith is not just a cornerstone, but the very foundation of the Pasco County community, providing the moral compass of strength, hope, and guidance for most of its residents; and

WHEREAS, the Christian faith and Christian ethics played a vital role in defining and shaping the constitutional values of unconditional love, service, and unity that contribute to the well-being of Pasco County; and

WHEREAS, the family unit became the initial God-ordained earthly institution providing the foundational model for a thriving society fostering strong moral character, compassion, and responsibility now and in future generations; and

WHEREAS, the month of June is also a time our nation honors fathers through the observance of Father's Day, which acknowledges the fathers' role as pillars, and the bedrock of strength, wisdom, and leadership for their family, and to serve a much-needed societal influence throughout communities; and

WHEREAS, as the United States approaches the 250th anniversary of American Independence, it is fitting to remember and celebrate the enduring foundations that helped shape our Nation, including faith, families, and responsible fathers in cultivating the character, stability, and future strength of our communities; and

WHEREAS, by honoring these virtues, we strengthen families, honor fathers and mothers, and embrace the faith that calls us to serve one another with love and compassion.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, that said Board hereby declares June 2026 as Faith, Family, and Responsible Fatherhood Month in Pasco County.

DONE AND RESOLVED in regular session with a quorum present and voting this 16th day of June 2026.

County Attorney	Jeffrey N. Steinsnyder, Esq.

Call To Order

Vice-Chairman Mariano called the meeting to order at 10:01 a.m.

Invocation
Pledge of Allegiance

A Chaplain gave the Invocation.

Ms. Thompson led the Pledge of Allegiance to the Flag.

Roll Call

Chairman Starkey arrived to the meeting at 10:02 a.m.

Ms. Thompson called the roll. All Commissioners were present.

Public Comment

Citizens are given an opportunity to comment on items listed on the Agenda by participating via WebEx during the meeting or attending in person. A WebEx pre-registration process can be found on the Public Comment Options page and must be completed to participate. Citizens may also comment on items listed on the Agenda in person inside the Board Room. The Board will take Public Comment on items on this agenda. It is requested that when you address the Board, that comments are not directed personally against a commissioner or team member, but rather directed at the issues. This provides mutual respect between the board members and the public.

Chairman Starkey reviewed the procedures to be followed and called for public comment.

Ms. Carie Crowley, Mr. Harvey Rhinehart, Treasurer/Secretary of the West Pasco Seratoma, Ms. Marilyn Matyus, CEO of Steps to Recovery, Mr. Peter Creciun, Mr. Anthony Wohlford, and Mr. Cory Conley spoke regarding personal histories; addiction; potential futures; the Hope Shot; what they were currently working on; an example of their day; the West Pasco Seratoma; the Scallop Music Fest; appreciation to everyone for making it happen; checks to be presented to different organizations; Steps to Recovery; appreciation to Staff for their efforts; growth of their organization; support they had received; the new building on Trouble Creek; education; local transitional living organizations; rehabilitation; personal stories; sober living; case workers; BayCare Northside Tampa; red light cameras in the community; court examples; cameras operating without permits; and safety concerns.

Discussion was held regarding Steps to Recovery; Scallop Fest; resources that were coming; and that red light programs were through municipalities and not the County.

COMMISSIONER MARIANO MOVED approval to receive and file a check in the amount of $7,000.00 submitted by Mr. Harvey Rhinehart; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Starkey called on the motion; the vote was unanimous, and the motion carried.

Resolutions

Commissioners Items - Commissioner Oakley

Public Services - Support Services

R61 (11:15 A.M. Time Certain) Approval of the Opioid Treatment, Prevention, and Recovery Fund Awardees – Pasco County Opioid Task Force – Year 3 Project Funding Recommendations – $5,786,676.21
File Number SPS26-0004
Comm. Dist. All
Recommendation Approve

Ms. Paula Baracaldo, Director of Support Services and Chair of the Opioid Task Force, used a PowerPoint presentation to review the item and spoke regarding her appreciation to the Opioid Task Force and Staff for their efforts and the letter that had been distributed.

Discussion was held regarding AmSkills; federal funds and their requirements; reimbursement requirements; Steps for Recovery; expenditures; contingencies; what their motion could contain; the settlement; saving taxpayer money; the process; the percentage breakdown; a strategy to be brought forward later; the different projects being funded; whether the funds could be used for other things; money that could be held; courthouse renovations; guardrails that had been set up; court impacts; other funds; and information that could be brought back.

COMMISSIONER MARIANO MOVED approval of Staff's recommendation including the direction to Staff to take a look at the Steps to Recovery request on the capital contingency part of it; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Starkey called on the motion; the vote was unanimous, and the motion carried.

Public Safety - Public Safety Administration

R62 Exempt Purchase - Mental Health Screenings with Ongoing Treatment for Pasco County First Responders – Tampa Bay Psychology Associates, LLC - $500,000.00
File Number PSA26-1000
Comm. Dist. All
Recommendation Approve

Discussion was held regarding whether they would see the presentation or just vote on the item.

COMMISSIONER WEIGHTMAN MOVED approval of Staff's recommendation; **COMMISSIONER OAKLEY SECONDED.**

Chairman Starkey called on the motion; the vote was unanimous, and the motion carried.

Updates from Chairman-Appointed Boards and Committees

The updates were provided under Miscellaneous Business.

Miscellaneous Business - District One - Commissioner Oakley

- Commissioner Oakley displayed pictures and spoke regarding his jail expansion tour.

- He displayed pictures and spoke regarding the recent Tri-County Roundtable meeting.

  Discussion was held regarding meeting materials; transportation; projects; whether City of Tampa had been invited; the Tampa Bay Water Chair; the new airport CEO; and regional issues.

- He spoke regarding Tampa Bay Water, the drought, the reservoirs, a lawsuit that had been filed against Polk County, the permit, and an upcoming caution on watering lawns.

  Discussion was held regarding lawn watering.

Miscellaneous Business - District Two - Commissioner Weightman

- Commissioner Weightman spoke regarding his jail expansion tour.

- He spoke regarding the EDC (Economic Development Council) and their new structure for their budget.

  Discussion was held regarding a performance based model for funding; structure changes; an item that had been approved on the Consent Agenda; negotiations with the EDC; that something would hopefully be before the Board by the end of the year; thoughts moving forward; and where they were meeting.

Miscellaneous Business - District Three - Commissioner Starkey

- Chairman Starkey spoke regarding attending the USF Women in Leadership Conference and the keynote speaker, Ms. Geena Davis.

- She displayed pictures and spoke regarding the 12th Annual AmSkills Awards Dinner.

  Discussion was held regarding speakers; stories; appreciation for their hard work; lives that had been changed; and people who were employed in the Tampa Bay Area.

- She displayed pictures and spoke regarding the Empowerment Room Ribbon Cutting and the artwork.

  Discussion was held regarding the artwork and the artist.

- She displayed pictures and spoke regarding the jail expansion tour, why she wasn't present, and appreciation to her Staff for being present.

- She spoke regarding a call from Commissioner Dave Eggers, Pinellas County Board of County Commissioners, pertaining to 54 and 41.

  Discussion was held regarding the list; Tallahassee; term limits; Commissioner Districts; elections; and someone he had visited.

- She displayed pictures and spoke regarding the Harbors South Leadership Council meeting and those who had spoken.

- She spoke regarding the Tourist Development Council, Florida's Sports Coast, and recent and upcoming events.

- She spoke regarding the recent Planning Commission meeting, an idea from Mr. Jon Moody pertaining to sidewalks, and cost comparisons.

  Mr. David Allen, Assistant County Administrator for Development Services, and Mr. David Goldstein, Chief Assistant County Attorney, spoke during the discussion.

  Discussion was held regarding sidewalks at Fairwind and Colony; preliminary cost estimates; larger county projects; cost comparisons between the County and having others build it; what was currently being done; Pinellas County; credits; and conversations with developers.

Miscellaneous Business - District Four - Commissioner Yeager

- Commissioner Yeager displayed pictures and spoke regarding Mr. Mateo (minor) who was a student from Land O' Lakes who shadowed her for the day.

- She displayed pictures and spoke regarding the United Way and celebrating what they did in the community.

- She displayed pictures and spoke regarding her jail expansion tour.

- She displayed pictures and spoke regarding One Stop Shot at the UF/IFAS Extension, donated items, a lady that had been helped, and their outdoor garden.

- She displayed pictures and spoke regarding the Clerk's Office Empowerment Room and donations.

- She displayed pictures and spoke regarding Veteran Bob who had been helped during the storm and other help he had received.

- She displayed a picture and spoke regarding a lady she had tried to help get a job who had a setback, her mental health struggles, her concern with leaving her cats, that people are often worried about their animals during emergencies, and care that would be provided for the lady.

Miscellaneous Business - District Five - Commissioner Mariano

- Commissioner Mariano displayed pictures and spoke regarding a convention that had been held in Tampa.

  Discussion was held regarding AI; building business; and bringing people in from around the world.

- He spoke regarding the jail expansion, jail improvements, an email he received pertaining to the number of those who were detained, questions he had, information he would bring to the next meeting, and cost concerns.

- He spoke regarding concerns raised during public comment pertaining to red light cameras, that he did not like them, conversations with the city, compliance issues, signage issues, issues with tickets being issued, and wanting to take a stance.

  Discussion was held regarding whether it should be brought forward at the MPO (Metropolitan Planning Organization); permitting issues; ticket issuing issues; what authority the Board had; taking a stand for the people; DOT authority; and those they should speak with.

- He spoke regarding Hudson Library being shut down due to the renovations, the parking lot, FEMA services, modular homes, home elevations, container homes, and options to give people.

  Discussion was held regarding HUD requirements; having options for people; and CDBG-DR funding; and showing models.

Miscellaneous Business - County Administrator

- Mr. Carballa displayed pictures and spoke regarding the Pasco Perspective Winner's Exhibit at the East Pasco Government Center.

- He spoke regarding the Correction's Department who had received an unannounced inspection from the Florida Model Jail Standards Group and that they had passed with flying colors.

Miscellaneous Business - County Attorney

- No items.

Miscellaneous Business - Clerk and Comptroller

- Ms. Thompson spoke regarding appreciation to the Board of County Commissioners and the County for building the Empowerment Room, safety for the community, and a real example that had recently occurred.

Miscellaneous Business - Sheriff

- Absent.

Public Comment

Citizens are given an opportunity to comment on items listed on the Agenda by participating via WebEx during the meeting or attending in person. A WebEx pre-registration process can be found on the Public Comment Options page and must be completed to participate. Citizens may also comment on items listed on the Agenda in person inside the Board Room. The Board will take Public Comment on items on this agenda. It is requested that when you address the Board, that comments are not directed personally against a commissioner or team member, but rather directed at the issues. This provides mutual respect between the board members and the public.

Chairman Starkey reviewed the procedures to be followed and called for public comment.

Mr. Tom Frain, Treasurer of Betmar Acres Club Incorporated, Mr. Scott Wachsmuth, Vice-President of Betmar Acres Club Incorporated, Mr. John Hannon, Mr. Alan Lane, Mr. Norman Kline, Mr. Greg Dawson, Mr. Doug Drozd, Ms. Julia Bartunek, and Mr. Robert Fuerst, Pasco County Professional Fire Fighters, spoke regarding the Betmar Acres community; property tax issues and previous comments; the documents submitted by Mr. Tom Frain; comments from an Assistant County Attorney; fee assessments; Pasco County Code of Ordinances; adopted Resolutions; non ad valorem assessments; Florida State Statutes; that lot owners should be charged and not the corporation as a whole; private roads; speeding concerns; police response; money spent to maintain roads; issues with Morris Bridge and Chancey being closed for so long; traffic on Lanier Road; issues with emergency service access on Lanier Road; road maintenance; confrontation issues; personal histories; road rage concerns; county and private responsibilities; roadway conditions; the lack of speed limit signs; safety concerns; personal property locations; trespassing issues; past letters that had been sent pertaining to the donation of right-of-way; land ownership changes; county utilities; past claims that had been filed; wanting clarification on who was responsible; school traffic on Centennial Road that was getting worse; that people were driving on front lawns to turn around; emergency access issues on Centennial Road; roads that had been paved in the area; traffic patterns; wanting the County to work with the School Board to find a solution; loops in the school parking lots; the Tree Mitigation Fund; keeping Pasco beautiful; the desire for a massive tree planting; the need for trees along trails for shade; the Planning Commission’s efforts; stormwater management; that trees could help with water retention; the tree canopy; appreciation to Mr. J.J. Murphy, Assistant County Administrator for Public Safety, for all the work he had done in the County and his last day with the County; accolades and stories; his leadership; mental health visits for firefighters; his integrity and compassion; and his retirement.

Mr. J.J. Murphy, Assistant County Administrator for Public Safety, spoke during the discussion.

Discussion was held regarding a private road and whether it was paved; road maintenance; when Two Rivers was approved; connectivity; what had been originally approved; Staff that would be directed to speak with the citizens; when Morris Bridge and Chancey was expected to be repaired and opened; working with the School Board; school safety meetings; appreciation for all Mr. Murphy has done; taking over the jail; bringing back the Public Safety branch; challenges within the fire department; focusing on mental health; lobbying to bring money back to the County; his leadership; positive support; that they were going to miss him; doing what needed to be done; his retirement; appreciation to everyone for their comments; it being a highlight of his career; appreciation for the team's efforts; moving inmates to the new facilities; firefighter staffing and hours; and appreciation for their investment into the mental health.

COMMISSIONER OAKLEY MOVED approval to receive and file document submitted by Mr. Tom Frain; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Starkey called on the motion; the vote was unanimous, and the motion carried.

Resolutions

Commissioners Items - Chairman Starkey

RS1 A Resolution By The Board Of County Commissioners Of Pasco County, Florida, Declaring The Month Of November As National Hospice And Palliative Care Month And Commending Gulfside Healthcare Services For Its Outstanding Service And Dedication To The Citizens Of Pasco County

File Number CAO26-5109
Comm. Dist. All
Recommendation Approve

Mr. Sample read the Resolution into the record.

Ms. Linda Ward, President and CEO of Gulfside Healthcare Services, spoke regarding their support from the Board through the years, how long they had been in existence, those they had served, congratulations to Mr. J.J. Murphy, Assistant County Administrator for Public Safety, on his retirement; and appreciation for Pasco County Fire Rescue for their assistance over the years.

Discussion was held regarding appreciation for all they did in Pasco County; helping people during the sad times; support over the years; the new care center coming to New Port Richey; current care centers; growth over the years into other counties;

personal stories and experiences with hospice; working with families; that it took a special person for the job; and making it a peaceful transition.

Pledge of Allegiance

A Chaplain gave the Invocation

Mr. Sample led the Pledge of Allegiance to the Flag.

Roll Call

Mr. Sample called the roll. All Commissioners were present. Commissioner Starkey arrived to the meeting at 10:10 a.m.

Public Comment

Citizens are given an opportunity to comment on items listed on the Agenda by participating via WebEx during the meeting or attending in person. A WebEx pre-registration process can be found on the Public Comment Options page and must be completed to participate. Citizens may also comment on items listed on the Agenda in person inside the Board Room. The Board will take Public Comment on items on this agenda. It is requested that when you address the Board, that comments are not directed personally against a commissioner or team member, but rather directed at the issues. This provides mutual respect between the board members and the public.

Chairman Mariano reviewed the procedures to be followed and called for public comment.

Ms. Nancy Hazelwood spoke regarding the displayed images, the RV Resort, watering sand, restrictions, Johnson Road, a hurt fawn, the suggestion to slow down development, traffic speed, the Tree Ordinance, clear cutting concerns, a planned meeting in each district, affordable housing, the recession, and potential price drops.

P53 Zoning Amendment (Continuance) — Kenton Road Commercial MPUD – Kenton Road Commercial, LLC – Rezoning Request from A-C Agricultural to MPUD Master Planned Unit Development District to Allow for the Development of 110,000 Square Feet of Non-Residential Entitlements and 120 Hotel Room and Associated Infrastructure - Northeast Pasco County - Located at the Northwest Corner of the Intersection of Kenton Road and Elam Road in the Community Hub Special Planning Area of Connected City - on Approximately 9.43 Acres.

File Number PDE26-7872
Comm. Dist. 1
Recommendation Continuance Requested

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

COMMISSIONER STARKEY MOVED approval to continue to the April 7, 2026 Board of County Commissioners meeting at 1:30 p.m. in Dade City; **COMMISSIONER YEAGER SECONDED.**

Chairman Mariano called on the motion; the motion was unanimous, and the motion carried.

P54 Zoning Amendment (Continuance) - VCare Consultants, LLC/North Pasco Resort MPUD Master Planned Unit Development - A Rezoning Request from an MPUD Master Planned Unit Development to an MPUD Master Planned Unit Development to Amend the Conditions of Approval, Allowing for Resort/Hotel Use, Entitling the Resort/Hotel Use of 250 Units, Decreasing RV Space Entitlements from 550 Spaces to 350 Spaces, Amending the Name of the MPUD to North Pasco Resort, and Associated Infrastructure - North East Pasco County - Located on the East Side of the Intersection of Lake Iola Road and Johnston Road - Containing Approximately 131.68 Acres

File Number PDE26-7883
Comm. Dist. 1
Recommendation Continuance Requested

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

COMMISSIONER STARKEY MOVED approval to continue to the April 7, 2026 Board of County Commissioners meeting at 1:30 p.m. in Dade City; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Mariano called on the motion; the motion was unanimous, and the motion carried.

P55 (Public Hearing Consent) A Resolution By The Board Of County Commissioners Of Pasco County, Florida, Pursuant To Section 196.1978(3)(O), Florida Statutes, Electing To Not Exempt Property Under Section 196.1978(3)(D)1.A., Florida Statutes, Commonly Known As The “Live Local Act Property Tax Exemption”

File Number CAO26-3502
Comm. Dist. All
Recommendation Approve

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

The item was approved as part of the Public Hearing Consent Agenda.

P56 Zoning Amendment (Consent) – Daniel De Pasquale and Kevin Singletary/ Massachusetts Avenue – Change in Zoning from a C-1 Neighborhood Commercial District to a C-2 General Commercial District – West Pasco County – Southwest Corner of the Intersection of Massachusetts Avenue and Keena Street – Containing Approximately 1.03 acres.

File Number PDE26-7899
Comm. Dist. 4
Recommendation Approve

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

Ms. Barbara Wilhite, representative for the applicant, spoke regarding the property and surrounding zoning, the RV and boat storage, development under the old and new Code, and the addition of landscaping.

There was no public comment.

Discussion was held regarding fixing the landscape issue; boat and RV storage; an existing trail; the property's zoning; the same owner; the potential expansion of the boat and RV storage; a Live Local vulnerability; fence uniformity; the Tree Mitigation Grant; and the Code differences.

COMMISSIONER OAKLEY MOVED approval of Staff's recommendation; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Mariano called on the motion; the motion was unanimous, and the motion carried.

P57 Zoning Amendment (Consent) –Nieves Property – Change in Zoning from an A-C Agricultural District to an AR-1 Agricultural-Residential District – North Central Pasco County – West Side of Hudson Lane Approximately 730 Feet South of the Intersection of St Joe Road and Hudson Lane – Containing Approximately 12.61 Acres

File Number PDE26-7905
Comm. Dist. 1
Recommendation Approve

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

Ms. Yvrose Stevens, Planning, Development and Economic Growth Department, used a PowerPoint presentation to review the item.

Ms. Debbie Richter spoke regarding the proposed roads, whether they would go on the inside or outside of the fence, and her property location.

Ms. Erin Nieves, the applicant, spoke during the discussion.

Discussion was held regarding access concerns; the request not to come on Ms. Richter's property; the easement location; the property proposal; road access clarification; road improvement requirements; lot cap; the deed restriction; lot placements; and the site plan.

COMMISSIONER OAKLEY MOVED approval of Staff's recommendation; **COMMISSIONER WEIGHTMAN SECONDED.**

Chairman Mariano called on the motion; the motion was unanimous, and the motion carried.

P58 Zoning Amendment (Consent) – Pasco County Mosquito Control District/41 Mosquito MPUD Master Planned Unit Development - A Rezoning Request From A-R Agricultural Residential District, A-C Agricultural District, and C-2 General Commercial Districts to an MPUD Master Planned Unit Development to Allow for the Development of 91 Single Family Detached Units and Associated Infrastructure - North West Pasco County - Abutting West of US Highway 41, Approximately 1.75 Miles North of the US Highway 41 & State Road 52 Intersection - Containing Approximately 41.85 Acres

File Number PDE26-7918
Comm. Dist. 5
Recommendation Approval with Conditions

Mr. Sample noted the proof of publication.

Ms. Amy Tull, Planning, Development and Economic Growth Department, read the item into the record.

Mr. William Vermillion, Planning, Development and Economic Growth, displayed a PowerPoint and spoke regarding the original PD&E, the work with FDOT, an urban typical section, and shared use paths on 41.

There was no public comment.

Discussion was held regarding sidewalk and trails on 41; the reserved Right-Of-Way; Right-Of-Way acreage; the plans for widening 41 north of 52; the rural cross-section; pedestrian facilities; negotiation help for shared use paths; funding; the buffer; effecting the start of 52; the different phases; appreciation for larger lot products; and the illegal racetrack.

COMMISSIONER WEIGHTMAN MOVED approval of Staff's recommendation; **COMMISSIONER STARKEY SECONDED.**

Chairman Mariano called on the motion; the motion was unanimous, and the motion carried.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 4 **FILE NO.:** PDE26-0799 **DATE:** 6/16/2026

SUBJECT: State Financial Assistance Agreement Amendment– State of Florida, Department of Transportation – Infrastructure Funding – $14,130,133.00

REFERENCES: OEG20-1009; PDE25-0244, PDE25-0243, PDE26-0800

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: David Engel, Director Planning, Development and Economic Growth

RECOMMENDED BOARD ACTION:

Approve the State Financial Assistance Agreement Amendment and adopt the corresponding Resolution with the Florida Department of Transportation. Authorize the Chairman to sign the two originals of the attached State Financial Assistance Agreement Amendment and Resolution, and direct Board Records to retain one original of the Amendment and Resolution. Distribute one original to the Florida Department of Transportation.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On November 5, 2019, the County and Len-Angeline, LLC entered into an Economic Development Agreement (EDA) for “Project Merlin,” a catalyst initiative located within the broader Project Arthur MPUD Master Planned Unit Development, covering approximately 6,951 acres in central Pasco County. Project Merlin is positioned within the Corporate Business Park component of the MPUD and is intended to drive significant long-term economic growth. A specific planning sub-area within Project Arthur is the Northern Employment Center, which is envisioned as a regional employment hub supporting high-wage job creation and supporting infrastructure.

To support continued development of the Northern Employment Center, Len-Angeline secured an appropriation from the Florida Legislature under the FY 2024–25 General Appropriation Act (Chapter 2024-231, Laws of Florida). The State appropriated $5,130,133.00 (Financial Project Number: 454844 1 54 01) to fund the design, permitting, and construction of a two-lane roadway named Wilton Way, which will serve as a critical connector within the internal transportation network of the MPUD. This new segment of Wilton Way will extend the existing Ascend Boulevard approximately from 330 feet north of Ridge Road to Angeline School Way. Additionally, Len-Angeline secured an appropriation from the Florida Legislature under the FY 2025–26 General Appropriation Act (Chapter 2025-198, Laws of Florida). The State appropriated $9,000,000.00 (Financial Project Number: 454844 1 54 02) to fund the design, permitting, and construction of a two-lane roadway named Wilton Way Phase 2 from Angeline School Way to Sunlake Boulevard.

The combined roadway, Pasco Connector Roadway, will improve access and connectivity within the Northern Employment Center and is essential for safe and efficient movement of vehicles, pedestrians, and future workforce traffic. The improvements also support the continued development of the Pasco County Research Park and broader economic development goals established in the EDA.

The Florida Department of Transportation (FDOT) will administer the State Appropriation through a new State Financial Assistance Agreement Amendment with Pasco County. Pursuant to a forthcoming Reimbursement Agreement Amendment between the County and Len-Angeline—anticipated to be presented at today's Board of County Commissioners (BCC) meeting—Len-Angeline will act as the County's agent for the design, permitting, bidding, and construction of the Pasco Connector Roadway. Len-Angeline will be required to comply with all applicable provisions of the State Financial Assistance Agreement and its Amendment to ensure the County receives reimbursements from FDOT for eligible expenditures.

The State Legislature appropriated $5,130,133.00 during its Fiscal Year 2024 Legislative Session, which is included in the adopted FY24/25 State Budget, to fund the Wilton Way roadway improvements described above. The State Legislature appropriated $9,000,000.00 during its Fiscal Year 2025 Legislative Session, which is included in the adopted FY25/26 State Budget, to fund the Wilton Way Phase 2 roadway improvements described above. The combined project supports the County's strategic infrastructure investments aimed at fostering long-term job creation and economic resilience within the Project Arthur Northern Employment Center.

FISCAL IMPACT/COST/REVENUE STATEMENT:
$14,130,133.00 available through State Financial Assistance Agreement – FY24/25 and FY25/26 Adopted State Budgets.

DISTRIBUTION:
Board Records to distribute as set forth below:

1. Retain One Original
2. Electronically to:

    a. David Engel, Planning, Development and Economic Growth, dengel@pascocountyfl.net

    b. Billy Schmidt, Local Programs Coordinator & Project Manager, FDOT District 7, Billy.Schmidt@dot.state.fl.us

3. Mail One Original to:

STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION

STATE FINANCIAL ASSISTANCE AGREEMENT

AMENDMENT NO. 1

Agency: Pasco County

This "Amendment", dated _____ (This date to be entered by DOT only) arises from the desire to modify the State Financial Assistance Agreement ("Agreement") entered into and executed on June 20, 2025, as identified above. All provisions in the Agreement and amendments, if any, remain in effect except as expressly modified by this Amendment.

The parties agree that the Agreement is to be amended and supplemented as follows:

Section 1 of the agreement is hereby amended as follows:

1. **Authority.** The Fiscal Year 2024-2025 General Appropriations Act, Chapter 2024-231, Laws of Florida, provides the Agency with an appropriation of **$5,130,133.00**, from the amount in Specific Appropriation SF 3601, proviso, or item on a conference committee spreadsheet 2069A ("2024-2025 Appropriation"). The Fiscal Year 2025-2026 General Appropriations Act, Chapter 2025-198, Laws of Florida, provides the Agency with an appropriation of **$9,000,000.00**, from the amount in Specific Appropriation SF 3284 / HF 3124, proviso, or item on a conference committee spreadsheet 1871A ("2025-2026 Appropriation"). The 2024-2025 Appropriation and the 2025-2026 Appropriation are collectively referred hereinafter to as the "Appropriation". The Appropriation is for the Pasco Connector Roadway to Regional Research Complex (originally referred to as Wilton Way Road Extension – 2 Lane Road in Fiscal Year 2024-2025 General Appropriations Act), the "Project", described more fully in **Exhibit "A"**, **Project Description and Responsibilities**, which is attached and incorporated into this Agreement.

Section 5 of the agreement is hereby amended as follows:

5. **Term of Agreement.** This Agreement shall commence upon full execution by both Parties ("Effective Date") and continue through **July 09, 2029**, unless the Project is completed earlier. If the Agency does not complete the Project within this time period, this Agreement will expire unless an extension of the time period is requested by the Agency and granted in writing by the Department prior to the expiration of this Agreement. Expiration of this Agreement will be considered termination of the Project. The cost of any work performed prior to the Effective Date or after the expiration date or earlier termination of this Agreement is not eligible for funding or reimbursement by the Department under this Agreement. The Effective Date will be treated as the Department's Notice to Proceed to the Agency for the design phase or other non-construction phases of the Project. If the Project involves a construction phase, the Agency shall not begin the construction phase of the Project until the Department issues a written Notice to Proceed for the construction phase. Prior to commencing the construction work described in this Agreement, the Agency shall request a Notice to Proceed from the Department.

Section 8 of the agreement is hereby amended as follows:

8. Project Cost:

a. The estimated cost of the Project is **$14,130,133.00**. This amount is based upon Exhibit "B", Schedule of State Financial Assistance, which is attached and incorporated into this Agreement. Exhibit "B", Schedule of State Financial Assistance, may be modified by execution of an amendment of the Agreement by the Parties.
b. The Department agrees to participate in the Project cost up to the maximum amount of **$14,130,133.00**, and, the Department's participation in the Project shall not exceed N/A% of the total cost of the Project, as more fully described in Exhibit "B'', Schedule of State Financial Assistance. The Agency agrees to bear all expenses in excess of the amount of the Department's participation and any cost overruns or deficits involved in connection with completion of the Project. Nothing in this Agreement shall prevent the Agency from entering into separate agreement(s) with third parties that delegate responsibility for such cost overruns or deficits to third parties, provided that the Agency, and not the Department, remains responsible for such cost overruns or deficits if the third parties fail to perform.
c. The Department's participation in eligible Project costs is subject, but not limited to:
    i. The receipt of the Appropriation for the work program year that the Project is scheduled for commitment;
    ii. Approval or acceptance of all plans, specifications, contracts or other obligating documents when required by this Agreement and compliance with other applicable terms of this Agreement; and
    iii. Department approval of the Project scope, budget and completion schedule.

The Project Description within Exhibit A Project Description(s) and Responsibilities is hereby amended as follows:

PROJECT DESCRIPTION: The design, construction, and construction engineering inspection (CEI) phases of the Pasco Connector Roadway to Regional Research Complex (originally referred to as Wilton Way Road Extension – 2 Lane Road) Project. The project will consist of construction of a two-lane road between the southern terminus of Ridge Road and connect to Sunlake Boulevard at its northern terminus. The project includes the construction of the roadway and vehicular bridges with associated stormwater infrastructure, shoulders, landscape, irrigation, and pedestrian improvements.

The Alternative Advance Payment method has been authorized by the Department's Comptroller for this project pursuant to section 334.044 (29) Florida Statutes.

Exhibit A Project Description(s) and Responsibilities, Exhibit B Schedule of Financial Assistance, Exhibit D Audit Requirements for Awards of State Financial Assistance, and Exhibit E Engineer's Certification of Compliance, attached hereto, are modified and supersede the corresponding exhibits of the original agreement.

No other Agreement Exhibits are modified by this Amendment.

IN WITNESS WHEREOF, the parties have caused these presents to be executed the day and year first above written.

STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION

STATE FINANCIAL ASSISTANCE AGREEMENT

EXHIBIT A

PROJECT DESCRIPTION(S) AND RESPONSIBILITIES

This exhibit forms an integral part of the Agreement between the State of Florida, Department of Transportation and Pasco County ("Agency").

PROJECT LOCATION:

☐ The project is on the National Highway System. (**N/A**)

☐ The project is on the State Highway System. (**N/A**)

PROJECT LENGTH AND MILE POST LIMITS:

PROJECT DESCRIPTION: The design, construction, and construction engineering inspection (CEI) phases of the Pasco Connector Roadway to Regional Research Complex (originally referred to as Wilton Way Road Extension – 2 Lane Road) Project. The project will consist of construction of a two-lane road between the southern terminus of Ridge Road and connect to Sunlake Boulevard at its northern terminus. The project includes the construction of the roadway and vehicular bridges with associated stormwater infrastructure, shoulders, landscape, irrigation, and pedestrian improvements.

SPECIAL CONSIDERATIONS BY AGENCY:

The Project shall be designed and constructed in accordance with the requirements of all applicable laws and governmental rules and regulations and state accepted design standards for the type of construction contemplated by the Project, including, as applicable, but not limited to, the applicable provisions of the Manual of Uniform Traffic Control Devices (MUTCD), the AASHTO Policy on Geometric Design of Streets and Highways or applicable Agency and Southwest Florida Water Management District (SWFWMD) requirements.

If the project will involve construction on, under, or over the Department's right-of-way, the design work for all portions of the Project to be constructed on, under, or over the Department's right-of-way shall be designed and constructed in accordance with the latest edition of the Department's Standard Specifications for Road and Bridge Construction and Department Design Standards and Manual of Uniform Traffic Control Devices ("MUTCD"). The following guidelines shall apply: the Department Structures Design Manual, AASHTO Guide Specifications for the Design of Pedestrian Bridges, AASHTO LRFD Bridge Design Specifications, the Florida Department of Transportation Design Manual ("FDM") and the Department of Traffic Engineering Manual. Designs that do not meet Department standards may be rejected by the Department at its discretion. The Agency must contact the Department's District Permits Engineer to coordinate construction permit requirements at (813)975-6000.

The Agency shall adhere to the Department's Conflict of Interest Procedure (FDOT Topic No. 375-030-006).

The Agency shall submit a Consultants' Competitive Negotiation Act (CCNA) certification for any consultant work for which Department funding is used.

The Agency shall submit the FDOT Vendor Eligibility Check Prior to Contract Award form (Form No. 375-030-91) for consultants/contractors and their subs to comply with the Agreement requirements of section 13. Restrictions, Prohibitions, Controls and Labor Provisions. The form can be accessed at the Department's Policy & Process Management site: https://pdl.fdot.gov/.

The Agency will submit to the Department the project Bid Package to include Specifications, updated construction estimate, draft construction contract and the Agency's Certification Clear Package. All above items must be reviewed, approved and a Notice to Proceed must be issued by the Department prior to any construction related activities, including project advertisement. The Certification Clear Package must include the following items completed and signed by the authorized Agency representative:

1) Right of Way Certification Form
2) Rail Clear Letter
3) Permits Clear Letter
4) Utilities Clear/Coordinated Letter
5) With respect to the Agency, certification of compliance with Chapter 2, Article IV, Division 2 of the Pasco County Code of Ordinance (the "Pasco County Ordinances")
6) With respect to Len-Angeline LLC, certification of compliance with the Economic Development Agreement between the Agency and Len-Angeline LLC dated November 5, 2019 (the "Development Agreement") and the Reimbursement Agreement that was executed in conjunction with this State Financial Assistance Agreement
7) Contamination Certification

The Agency shall be responsible for identification and remediation, including all associated costs, of any hazardous materials and contamination encountered while implementing the project.

The Agency will be responsible for following Florida Statutes regarding project permitting. The Agency may prepare a Project Environmental Impact Report (PEIR) to support its acquisition of appropriate environmental permits and satisfy other agreements with the Department.

The Agency shall be responsible to identify, notify and coordinate with all Utility Agency/Owners having facilities within the project limits.

If at any moment during project implementation it is determined that the approved project schedule cannot be met, the Agency will immediately notify the Department in writing, accompanied by a revised project schedule. Failure to comply with these requirements may be cause for termination of this project agreement and withdrawal of Department funding.

The Agency will provide progress billing invoices with appropriate back-up documentation to the Department on a quarterly basis or sooner as of the execution date of the agreement. A progress report will be required each quarter, even if there is no activity for a reporting period. Progress invoice payments will be made on a pro-rata basis as a percentage of the state grant funding amount compared to the project cost. Final invoices will reimburse eligible participating items, not previously reimbursed, up to the maximum grant funding.

The Alternative Advance Payment method has been authorized by the Department's Comptroller for this project pursuant to section 334.044 (29) Florida Statutes.

For projects that have participating and non-participating items, the local agency must submit invoices clearly depicting and differentiating the participating and non-participating items of expenditures that are state or locally funded. Pay item plan sheets must also separate and distinguish between participating and non-participating items. Non-participating costs are the responsibility of the Agency.

Construction related activities, including project advertisement, conducted prior to Notice to Proceed will not be reimbursed.

The Agency shall be required to notify the Department of any construction changes (plans, change orders) and receive approval from the Department prior to the changes being constructed in order to be reimbursed for the changes.

The Agency shall provide the Department with as-built plans of any portions of the Project funded through the Agreement prior to final Inspection.

After the completion of the project, the Agency must submit the final invoice and Exhibit "C," Engineers Certification of Completion" of the project to the Department within 120 days after the completion. Invoices after the 120-day time period may not be paid.

The Agency shall commence the project’s subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:

a) 100% plans and project clears submitted to the Department by 02/27/2027.
b) Design to be complete and submitted to the Department by 03/27/2027.
c) Construction contract to be let by 05/30/2027.
d) Construction to be completed by 03/09/2029.

SPECIAL CONSIDERATIONS OF THE DEPARTMENT:

The Department will issue a Notice to Proceed to the Agency after final execution of this Agreement.

Upon receipt of an invoice, the Department will have twenty (20) working days to review and approve the goods and services submitted for payment.

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. _____**

A RESOLUTION BY THE PASCO COUNTY, FLORIDA, BOARD OF COUNTY COMMISSIONERS AUTHORIZING EXECUTION OF A STATE FINANCIAL ASSISTANCE AGREEMENT (SFAA) AMENDMENT 1 BETWEEN THE STATE OF FLORIDA DEPARTMENT OF TRANSPORTATION AND PASCO COUNTY FOR DESIGN, PERMITTING AND CONSTRUCTION OF KEY INTERNAL INFRASTRUCTURE OF PASCO CONNECTOR ROADWAY SUPPORTING THE PASCO COUNTY RESEARCH PARK AND THE PROJECT ARTHUR NORTHERN EMPLOYMENT CENTER (FINANCIAL PROJECT NUMBERS: 454844 1 54 01 & 454844 1 54 02)

WHEREAS, the Fiscal Year 2024-2025 General Appropriation Act, Chapter 2024-231, Laws of Florida, provides the Florida Department of Transportation (Department) with an appropriation of $5,130,133.00 (First Appropriation) to fund the design, permitting and construction of Wilton Way Road Extension for the key Project Arthur Northern Employment Center Infrastructure (Wilton Way Extension); and

WHEREAS, the Fiscal Year 2025-2026 General Appropriations Act, Chapter 2025-198, Laws of Florida, provides the Department with an appropriation of $9,000,000.00 (Second Appropriation) to fund the design, permitting and construction of Wilton Way Road Extension Phase 2 for the key Project Arthur Northern Employment Center Infrastructure (Wilton Way Extension Phase 2). The 2024-2025 Appropriation and the 2025-2026 Appropriation are collectively referred hereinafter as the Appropriation and the combined roadway is hereinafter referred to as the Pasco Connector Roadway; and

WHEREAS, Exhibit "A", attached herein, provides a scope, and an estimated commencement and completion schedule for the Pasco Connector Roadway; and

WHEREAS, the Department is willing to provide the County with financial assistance under the SFAA Amendment 1 for the Pasco Connector Roadway; and

WHEREAS, pursuant to a separate Reimbursement Agreement and its Amendment, responsibility for

the design, permitting and construction of the Pasco Connector Roadway shall be shared between the Len-Angeline, LLC (Len-Angeline) and the County, with $14,130,133.00 of the Appropriation allocated to Len-Angeline for the internal Pasco Connector Roadway; and

WHEREAS, Len-Angeline has agreed to be responsible for any additional costs for the internal Pasco Connector Roadway, in excess of the allocated sum described above, and the Department shall have no responsibility for such additional costs.

NOW, THEREFORE, BE IT RESOLVED by the Pasco County Board of County Commissioners, in regular session duly assembled, that the Chairman is hereby authorized to execute the SFAA Amendment 1 for design, permitting and construction activities related to the Pasco Connector Roadway.

DONE AND RESOLVED this 16th day of June 2026.

STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION

STATE FINANCIAL ASSISTANCE AGREEMENT

EXHIBIT "A"

PROJECT DESCRIPTION(S) AND RESPONSIBILITIES

This exhibit forms an integral part of the Agreement between the State of Florida, Department of Transportation and Pasco County ("Agency").

PROJECT LOCATION:

☐ The project is on the National Highway System. (**N/A**)

☐ The project is on the State Highway System. (**N/A**)

PROJECT LENGTH AND MILE POST LIMITS:

PROJECT DESCRIPTION: The design, construction, and construction engineering inspection (CEI) phases of the Pasco Connector Roadway to Regional Research Complex (originally referred to as Wilton Way Road Extension – 2 Lane Road) Project. The project will consist of construction of a two-lane road between the southern terminus of Ridge Road and connect to Sunlake Boulevard at its northern terminus. The project includes the construction of the roadway and vehicular bridges with associated stormwater infrastructure, shoulders, landscape, irrigation, and pedestrian improvements.

SPECIAL CONSIDERATIONS BY AGENCY:

The Project shall be designed and constructed in accordance with the requirements of all applicable laws and governmental rules and regulations and state accepted design standards for the type of construction contemplated by the Project, including, as applicable, but not limited to, the applicable provisions of the Manual of Uniform Traffic Control Devices (MUTCD), the AASHTO Policy on Geometric Design of Streets and Highways or applicable Agency and Southwest Florida Water Management District (SWFWMD) requirements.

If the project will involve construction on, under, or over the Department's right-of-way, the design work for all portions of the Project to be constructed on, under, or over the Department's right-of-way shall be designed and constructed in accordance with the latest edition of the Department's Standard Specifications for Road and Bridge Construction and Department Design Standards and Manual of Uniform Traffic Control Devices ("MUTCD"). The following guidelines shall apply: the Department Structures Design Manual, AASHTO Guide Specifications for the Design of Pedestrian Bridges, AASHTO LRFD Bridge Design Specifications, the Florida Department of Transportation Design Manual ("FDM") and the Department of Traffic Engineering Manual. Designs that do not meet Department standards may be rejected by the Department at its discretion. The Agency must contact the Department's District Permits Engineer to coordinate construction permit requirements at (813)975-6000.

The Agency shall adhere to the Department's Conflict of Interest Procedure (FDOT Topic No. 375-030-006).

The Agency shall submit a Consultants' Competitive Negotiation Act (CCNA) certification for any consultant work for which Department funding is used.

The Agency shall submit the FDOT Vendor Eligibility Check Prior to Contract Award form (Form No. 375-030-91) for consultants/contractors and their subs to comply with the Agreement requirements of section 13. Restrictions, Prohibitions, Controls and Labor Provisions. The form can be accessed at the Department's Policy & Process Management site: https://pdl.fdot.gov/.

The Agency will submit to the Department the project Bid Package to include Specifications, updated construction estimate, draft construction contract and the Agency's Certification Clear Package. All above items must be reviewed, approved and a Notice to Proceed must be issued by the Department prior to any construction related activities, including project advertisement. The Certification Clear Package must include the following items completed and signed by the authorized Agency representative:

1) Right of Way Certification Form
2) Rail Clear Letter
3) Permits Clear Letter
4) Utilities Clear/Coordinated Letter
5) With respect to the Agency, certification of compliance with Chapter 2, Article IV, Division 2 of the Pasco County Code of Ordinance (the "Pasco County Ordinances")
6) With respect to Len-Angeline LLC, certification of compliance with the Economic Development Agreement between the Agency and Len-Angeline LLC dated November 5, 2019 (the "Development Agreement") and the Reimbursement Agreement that was executed in conjunction with this State Financial Assistance Agreement
7) Contamination Certification

The Agency shall be responsible for identification and remediation, including all associated costs, of any hazardous materials and contamination encountered while implementing the project.

The Agency will be responsible for following Florida Statutes regarding project permitting. The Agency may prepare a Project Environmental Impact Report (PEIR) to support its acquisition of appropriate environmental permits and satisfy other agreements with the Department.

The Agency shall be responsible to identify, notify and coordinate with all Utility Agency/Owners having facilities within the project limits.

If at any moment during project implementation it is determined that the approved project schedule cannot be met, the Agency will immediately notify the Department in writing, accompanied by a revised project schedule. Failure to comply with these requirements may be cause for termination of this project agreement and withdrawal of Department funding.

The Agency will provide progress billing invoices with appropriate back-up documentation to the Department on a quarterly basis or sooner as of the execution date of the agreement. A progress report will be required each quarter, even if there is no activity for a reporting period. Progress invoice payments will be made on a pro-rata basis as a percentage of the state grant funding amount compared to the project cost. Final invoices will reimburse eligible participating items, not previously reimbursed, up to the maximum grant funding.

The Alternative Advance Payment method has been authorized by the Department's Comptroller for this project pursuant to section 334.044 (29) Florida Statutes.

For projects that have participating and non-participating items, the local agency must submit invoices clearly depicting and differentiating the participating and non-participating items of expenditures that are state or locally funded. Pay item plan sheets must also separate and distinguish between participating and non-participating items. Non-participating costs are the responsibility of the Agency.

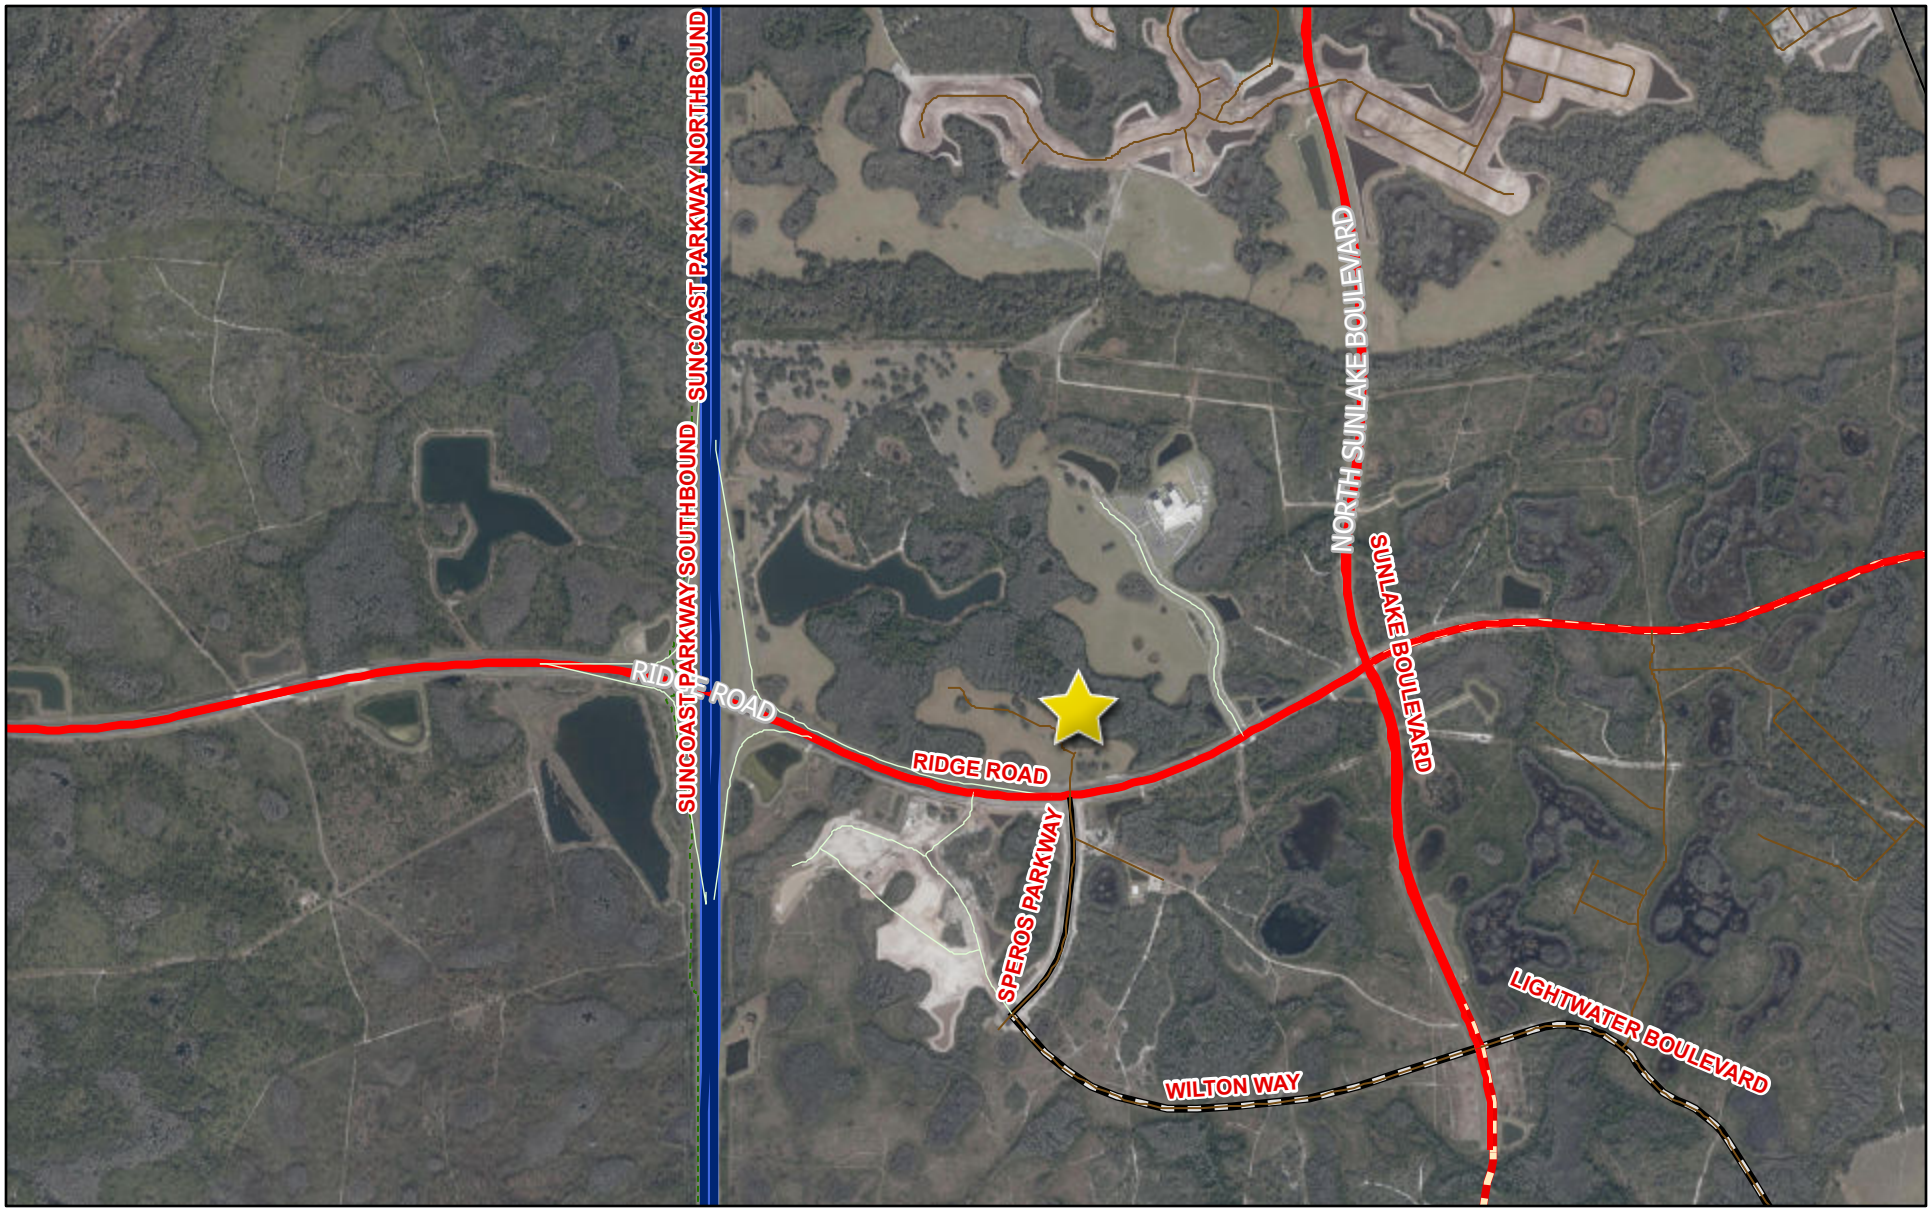
Construction related activities, including project advertisement, conducted prior to Notice to Proceed will not be reimbursed.

The Agency shall be required to notify the Department of any construction changes (plans, change orders) and receive approval from the Department prior to the changes being constructed in order to be reimbursed for the changes.

The Agency shall provide the Department with as-built plans of any portions of the Project funded through the Agreement prior to final Inspection.

After the completion of the project, the Agency must submit the final invoice and Exhibit "C," Engineers Certification of Completion" of the project to the Department within 120 days after the completion. Invoices after the 120-day time period may not be paid.

The Agency shall commence the project’s subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:



a) 100% plans and project clears submitted to the Department by 02/27/2027.
b) Design to be complete and submitted to the Department by 03/27/2027.
c) Construction contract to be let by 05/30/2027.
d) Construction to be completed by 03/09/2029.

SPECIAL CONSIDERATIONS OF THE DEPARTMENT:

The Department will issue a Notice to Proceed to the Agency after final execution of this Agreement.

Upon receipt of an invoice, the Department will have twenty (20) working days to review and approve the goods and services submitted for payment.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 4 **FILE NO.:** PDE26-0800 **DATE:** 6/16/2026

SUBJECT: Amended and Restated Reimbursement Agreement for State of Florida Infrastructure Funding – Len-Angeline, LLC – Scope of Work and State Reporting – $17,130,133.00

REFERENCES: OEG20-1009; PDE25-0243; PDE25-0244, PDE26-0799

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: David Engel, Director Planning, Development and Economic Growth

RECOMMENDED BOARD ACTION:

Approve the Amended and Restated Reimbursement Agreement for State of Florida Infrastructure Funding (Reimbursement Agreement) between Pasco County (County) and Len-Angeline, LLC, Inc. (Len-Angeline). Authorize the Chairman to sign the three originals of the attached Reimbursement Agreement. Direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On November 5, 2019, the County and Len-Angeline entered into an Economic Development Agreement (EDA) for “Project Merlin,” a catalyst initiative located within the broader Project Arthur Master Planned Unit Development (MPUD), covering approximately 6,951 acres in central Pasco County. The EDA included provisions to support internal and external infrastructure investments to attract economic development, including the Pasco County Research Park and other employment centers.

As part of continued infrastructure planning within Project Arthur, and specifically the Northern Employment Center sub-area, Len-Angeline secured two separate State appropriations during the State of Florida’s FY 2024 Legislative Session, both included in the adopted FY24/25 State Budget:

- **Financial Project Number 454844-1**: A $5,130,133.00 appropriation to fund the design, permitting, and construction of a two-lane segment of Wilton Way, extending Ascend Boulevard from approximately 330 feet north of Ridge Road to Angeline School Way.
- **Financial Project Number 454845-1**: A $3,000,000.00 appropriation to fund the design, permitting, and construction of a pedestrian overpass along the Wilton Way extension to ensure safe pedestrian connectivity within the Northern Employment Center.

Additionally, Len-Angeline secured a State appropriation during the State of Florida’s FY 2025 Legislative Session, included in the adopted FY25/26 State Budget.

- **Financial Project Number 454844-2**: A $9,000,000.00 appropriation to fund the design, permitting, and construction of a two-lane segment of Wilton Way, extending Ascend Boulevard from Angeline School Way to Sunlake Boulevard.

These appropriations are administered by the Florida Department of Transportation (FDOT) through corresponding State Financial Assistance Agreements and any Amendments (SFAAs) with the County. In accordance with those agreements, Len-Angeline will act as the County's agent to complete all obligations related to the design, permitting, bidding, and construction of the infrastructure improvements, as identified in each SFAA and their attached Exhibits.

The Reimbursement Agreement between Pasco County and Len-Angeline governs the reimbursement procedures and responsibilities for both appropriations. Len-Angeline is required to comply with all terms of the SFAAs to ensure the County receives reimbursements from FDOT for eligible expenditures. The County, in turn, will reimburse Len-Angeline within 45 days of receiving reimbursement from FDOT, provided such reimbursements do not exceed the allocated State funding for each project. Len-Angeline is solely responsible for any costs incurred in excess of the State-appropriated funds. No additional County funding is required or committed under this Agreement.

The two infrastructure projects funded under this Reimbursement Agreement—Pasco Connector Roadway and the pedestrian overpass—are critical components of the internal circulation network that will support the functionality and success of the Pasco County Research Park and the broader employment objectives within Project Arthur.

FISCAL IMPACT/COST/REVENUE STATEMENT:
$17,130,133.00 available through Florida Department of Transportation Funding Agreement – FY24/25 & FY25/26 Adopted State Budgets.

DISTRIBUTION:
Board Records to distribute as set forth below:

1. Retain One Original
2. Distribute Two Originals to David H. Engel, Director, Planning, Development and Economic Growth, WPGC Suite 200

AMENDED AND RESTATED REIMBURSEMENT AGREEMENT
FOR STATE OF FLORIDA INFRASTRUCTURE FUNDING BETWEEN
PASCO COUNTY, FLORIDA AND LEN-ANGELINE, LLC

THIS AMENDED AND RESTATED REIMBURSEMENT AGREEMENT (this "Reimbursement Agreement") is entered into by and between Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, the governing body thereof, hereinafter referred to as the "County," whose principal address is 37918 Meridian Avenue, Dade City, Florida, 33523 and Len-Angeline, LLC, a Florida limited liability company ("Len-Angeline"), whose address is 2502 N. Rocky Point Drive, Suite 1050, Tampa, FL 33607, effective as of the dates written below.

WITNESSETH:

WHEREAS, on June 19, 2019, the Board of County Commissioners adopted a MPUD rezoning authorizing the Project Arthur Master Planned Unit Development ("MPUD") on 6,951.1 acres of land with frontage on S.R. 52 and the Suncoast Parkway in central Pasco County (the "Site"); and

WHEREAS, there are certain infrastructure improvements that support safe and efficient access between the southern Pasco research employment hub and the northern employment center, including the design, permitting, and construction of (a) a pedestrian overpass along the Wilton Way extension (the "Pedestrian Bridge Project") and (b) a two-lane roadway (including two vehicular bridges), Wilton Way, extending the existing Wilton Way Road (Ascend Boulevard) from approximately 330 feet north of Ridge Road to Angeline School Way and as may be extended to an employment hub, a school and the northern employment center (the "Pasco Connector Roadway Project," which is now designed to make a connection to Sunlake Boulevard) (the

Pedestrian Bridge Project and the Pasco Connector Roadway Project are collectively referred to herein as the "Infrastructure Projects"); and

WHEREAS, the Florida State Legislature appropriated a total of $8,130,133.00 during its Fiscal Year 2024 Legislative Session for two separate Pasco projects, (a) LFIR # 3626 (FM 454845-1-54-01) for certain improvements in the amount of $3,000,000.00 and (b) LFIR # 3601 (FM 454844-1-54-01) for certain improvements in the amount of $5,130,133.00 (collectively, the "FY 24/25 State Appropriation"), which was included in the adopted FY24/25 State Budget, to help fund the Infrastructure Projects. The State Legislature designated the Florida Department of Transportation ("FDOT") as the entity responsible for managing the FY 24/25 State Appropriation; and

WHEREAS, FDOT and the County entered into two State Financial Assistance Agreements concerning the FY 24/25 State Appropriation (including the Exhibits and Addendums thereto, collectively the "FY 24/25 State Financial Assistance Agreements") stipulating the use of the FY 24/25 State Appropriation to complete the Infrastructure Projects; and

WHEREAS, the County and Len-Angeline entered into that certain Reimbursement Agreement dated July 15, 2025 to implement the FY 24/25 State Financial Assistance Agreements (the "Original Reimbursement Agreement"); and

WHEREAS, the Florida State Legislature appropriated a total of $9,000,000.00 during its Fiscal Year 2025 Legislative Session for LFIR # 3284 (FM 454844-1-54-02) (the "FY 25/26 State Appropriation"), which was included in the adopted FY25/26 State Budget, to help fund the Pasco Connector Roadway Project, which is part of the Infrastructure Projects. The State Legislature designated FDOT as the entity responsible for managing the FY 25/26 State Appropriation; and

WHEREAS, FDOT and the County have or will enter into a State Financial Assistance Agreement concerning the FY 25/26 State Appropriation (including the Exhibits and Addendums thereto, collectively the "FY 25/26 State Financial Assistance Agreement") stipulating the use of the State Appropriation to complete the infrastructure noted above; and

WHEREAS, the FY 24/25 State Appropriation and the FY 25/26 State Appropriation are collectively referred to hereinafter as the "State Appropriations," and the FY 24/25 State Financial Assistance Agreements and the FY 25/26 State Financial Assistance Agreement are collectively referred to hereinafter as the "State Financial Assistance Agreements"; and

WHEREAS, the State Financial Assistance Agreements require that this Reimbursement Agreement be executed detailing the guidelines for Len-Angeline's use of the State funds as set forth in the State Financial Assistance Agreements; and

WHEREAS, this Reimbursement Agreement amends and restates the Original Reimbursement Agreement in its entirety; and

WHEREAS, this Agreement will not require any additional County funding support for the Infrastructure Projects as described in the State Financial Assistance Agreements; and

WHEREAS, this Agreement is conditioned upon full execution of the State Financial Assistance Agreements.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations contained herein and other good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

I. WHEREAS

The WHEREAS clauses are incorporated herein by reference and are represented to be true and correct.

II. PURPOSE

It is the purpose of this Reimbursement Agreement to provide Len-Angeline with the State Appropriation funds to complete the Infrastructure Projects. This Reimbursement Agreement identifies the Infrastructure Projects for which Len-Angeline is entitled to reimbursement from the County utilizing the State Appropriations and provides guidelines for the use and reimbursement of such State Appropriations funds to Len-Angeline. This Reimbursement Agreement amends and restates the Original Reimbursement Agreement in its entirety.

III. AGREEMENT PROVISIONS

1. Len-Angeline hereby represents and warrants to the County that it (i) is duly incorporated and validly existing under the laws of the State of Florida, and (ii) has the corporate power, authority, and legal right to execute, deliver, and perform this Reimbursement Agreement. The execution, delivery, and performance of this Reimbursement Agreement by Len-Angelinehas been duly authorized by all necessary corporate action.

2. Len-Angeline will act as the County's agent to complete all obligations related to the design, permitting, bidding and construction of the Infrastructure Projects as detailed on Exhibits "A-1," "A-2," and "A-3" of this Agreement, which are attached hereto and incorporated herein to this Reimbursement Agreement. Len-Angeline further agrees to comply with all provisions of the State Financial Assistance Agreements as it relates to the Infrastructure Projects. Len-Angeline shall competitively award contract(s) for the construction of the Infrastructure Projects to an appropriately licensed contractor(s). The term "competitively award" as used in this Reimbursement Agreement shall mean to award said contract(s) based upon the terms and conditions of this Reimbursement Agreement and either Pasco County's Developer Pipeline Bid and Payment Process, as set forth in the Pasco County Procurement Policies enacted on August 1,

2016, which is attached hereto and incorporated herein as Exhibit "B" or such other competitive public bidding process as approved by the County Administrator or his designee. Len-Angeline shall retain full control of any and all bids and determinations regarding bidder qualification and determination of the qualified lowest bidder.

3. Len-Angeline agrees that Seventeen Million One Hundred Thirty Thousand, One Hundred Thirty-Three Dollars ($17,130,133.00) of the State Appropriations is collectively allocated for the Infrastructure Projects (the "Allocated Amount"). The Allocated Amount consists of separate project-specific reimbursement caps as follows: (a) Three Million Dollars ($3,000,000.00) is allocated to the Pedestrian Bridge Project; and (b) Fourteen Million One Hundred Thirty Thousand, One Hundred Thirty-Three Dollars ($14,130,133.00) is allocated to the Pasco Connector Roadway Project. Len-Angeline shall be solely responsible for any costs for either Infrastructure Project that exceed the applicable project-specific reimbursement cap, provided that nothing herein shall prevent Len-Angeline from seeking reimbursement for such cost overruns from any other legally available source. For avoidance of doubt, funds allocated to one Infrastructure Project shall not be used to reimburse costs of the other Infrastructure Project unless authorized by the applicable State Financial Assistance Agreement, approved by FDOT as necessary, and approved by the County in writing. The County shall reimburse Len-Angeline for its eligible expenditures for the Infrastructure Projects within forty-five (45) days of the date that the County receives reimbursement from FDOT for such expenditures under the State Financial Assistance Agreements. Such reimbursements shall cumulatively not exceed the Allocated Amount. In the event FDOT determines, after a reimbursement has been provided to Len-Angeline, that any of such reimbursements were not authorized or consistent with the requirements of the State Financial Assistance Agreements, and seeks reimbursement from the

County, the County shall notify Len- Angeline. Thereafter, Len-Angeline shall have a period of sixty (60) days to dispute FDOT's determination with FDOT, or such longer period as FDOT may permit for resolution of such dispute. If after such period (as it may be extended), Len-Angeline is unsuccessful in convincing FDOT that the reimbursement was authorized under, and consistent with, the State Financial Assistance Agreements, Len-Angeline agrees to reimburse such funds to the County so that the County can reimburse such funds to FDOT; provided that if Len-Angeline is ultimately successful in its dispute with FDOT and all or any portion of such reimbursed funds are returned to the County, the County shall promptly forward such returned amounts to Len-Angeline within forty-five (45) days of its receipt.

4. The County shall reimburse Len-Angeline for its eligible expenditures for the Infrastructure Projects within forty-five (45) days of the date that the County receives reimbursement from FDOT for such expenditures under the applicable State Financial Assistance Agreement. Such reimbursements shall not cumulatively exceed the Allocated Amount and shall not individually exceed the applicable project-specific reimbursement caps identified in paragraph 3 above. In the event FDOT determines, after a reimbursement has been provided to Len-Angeline, that any of such reimbursements were not authorized or consistent with the requirements of the applicable State Financial Assistance Agreement, and seeks reimbursement from the County, the County shall notify Len-Angeline. Thereafter, Len-Angeline shall have a period of sixty (60) days to dispute FDOT's determination with FDOT, or such longer period as FDOT may permit for resolution of such dispute. If after such period, as it may be extended, Len-Angeline is unsuccessful in convincing FDOT that the reimbursement was authorized under, and consistent with, the applicable State Financial Assistance Agreement, Len-Angeline agrees to reimburse such funds to the County so that the County can reimburse such funds to FDOT;

provided that if Len-Angeline is ultimately successful in its dispute with FDOT and all or any portion of such reimbursed funds are returned to the County, the County shall promptly forward such returned amounts to Len-Angeline within forty-five (45) days of its receipt.

5. This Reimbursement Agreement may not be assigned by either party without prior approval of the other, provided that Len-Angeline shall have the right to assign this Reimbursement Agreement to any entity affiliated with or controlled by Len-Angeline without any prior approval of the County. This Reimbursement Agreement shall be binding up on and inure to the benefit of the parties hereto and their successors and assigns.

6. This Agreement may be executed in one or more counterparts (including, without limitation, electronic (e.g., PDF) counterparts) as may be convenient or necessary, each of which shall be deemed an original, and the signature pages taken from separate individually executed counterparts of this AGREEMENT may be combined to form one and the same document.

STATE FINANCIAL ASSISTANCE AGREEMENT

EXHIBIT "A-1"

PROJECT DESCRIPTION(S) AND RESPONSIBILITIES

This exhibit forms an integral part of the Agreement between the State of Florida, Department of Transportation and Pasco County ("Agency").

PROJECT LOCATION:

☐ The project is on the National Highway System. (**N/A**)

☐ The project is on the State Highway System. (**N/A**)

PROJECT LENGTH AND MILE POST LIMITS:

PROJECT DESCRIPTION: The design, construction, and construction engineering inspection (CEI) phases of the Pasco Connector Roadway to Regional Research Complex (originally referred to as Wilton Way Road Extension – 2 Lane Road) Project. The project will consist of construction of a two-lane road between the southern terminus of Ridge Road and connect to Sunlake Boulevard at its northern terminus. The project includes the construction of the roadway and vehicular bridges with associated stormwater infrastructure, shoulders, landscape, irrigation, and pedestrian improvements.

SPECIAL CONSIDERATIONS BY AGENCY:

The Project shall be designed and constructed in accordance with the requirements of all applicable laws and governmental rules and regulations and state accepted design standards for the type of construction contemplated by the Project, including, as applicable, but not limited to, the applicable provisions of the Manual of Uniform Traffic Control Devices (MUTCD), the AASHTO Policy on Geometric Design of Streets and Highways or applicable Agency and Southwest Florida Water Management District (SWFWMD) requirements.

If the project will involve construction on, under, or over the Department's right-of-way, the design work for all portions of the Project to be constructed on, under, or over the Department's right-of-way shall be designed and constructed in accordance with the latest edition of the Department's Standard Specifications for Road and Bridge Construction and Department Design Standards and Manual of Uniform Traffic Control Devices ("MUTCD"). The following guidelines shall apply: the Department Structures Design Manual, AASHTO Guide Specifications for the Design of Pedestrian Bridges, AASHTO LRFD Bridge Design Specifications, the Florida Department of Transportation Design Manual ("FDM") and the Department of Traffic Engineering Manual. Designs that do not meet Department standards may be rejected by the Department at its discretion. The Agency must contact the Department's District Permits Engineer to coordinate construction permit requirements at (813)975-6000.

The Agency shall adhere to the Department's Conflict of Interest Procedure (FDOT Topic No. 375-030-006).

The Agency shall submit a Consultants' Competitive Negotiation Act (CCNA) certification for any consultant work for which Department funding is used.

The Agency shall submit the FDOT Vendor Eligibility Check Prior to Contract Award form (Form No. 375-030-91) for consultants/contractors and their subs to comply with the Agreement requirements of section 13. Restrictions, Prohibitions, Controls and Labor Provisions. The form can be accessed at the Department's Policy & Process Management site: https://pdl.fdot.gov/.

The Agency will submit to the Department the project Bid Package to include Specifications, updated construction estimate, draft construction contract and the Agency's Certification Clear Package. All above items must be reviewed, approved and a Notice to Proceed must be issued by the Department prior to any construction related activities, including project advertisement. The Certification Clear Package must include the following items completed and signed by the authorized Agency representative:

1) Right of Way Certification Form
2) Rail Clear Letter
3) Permits Clear Letter
4) Utilities Clear/Coordinated Letter
5) With respect to the Agency, certification of compliance with Chapter 2, Article IV, Division 2 of the Pasco County Code of Ordinance (the "Pasco County Ordinances")
6) With respect to Len-Angeline LLC, certification of compliance with the Economic Development Agreement between the Agency and Len-Angeline LLC dated November 5, 2019 (the "Development Agreement") and the Reimbursement Agreement that was executed in conjunction with this State Financial Assistance Agreement
7) Contamination Certification

The Agency shall be responsible for identification and remediation, including all associated costs, of any hazardous materials and contamination encountered while implementing the project.

The Agency will be responsible for following Florida Statutes regarding project permitting. The Agency may prepare a Project Environmental Impact Report (PEIR) to support its acquisition of appropriate environmental permits and satisfy other agreements with the Department.

The Agency shall be responsible to identify, notify and coordinate with all Utility Agency/Owners having facilities within the project limits.

If at any moment during project implementation it is determined that the approved project schedule cannot be met, the Agency will immediately notify the Department in writing, accompanied by a revised project schedule. Failure to comply with these requirements may be cause for termination of this project agreement and withdrawal of Department funding.

The Agency will provide progress billing invoices with appropriate back-up documentation to the Department on a quarterly basis or sooner as of the execution date of the agreement. A progress report will be required each quarter, even if there is no activity for a reporting period. Progress invoice payments will be made on a pro-rata basis as a percentage of the state grant funding amount compared to the project cost. Final invoices will reimburse eligible participating items, not previously reimbursed, up to the maximum grant funding.

The Alternative Advance Payment method has been authorized by the Department's Comptroller for this project pursuant to section 334.044 (29) Florida Statutes.

For projects that have participating and non-participating items, the local agency must submit invoices clearly depicting and differentiating the participating and non-participating items of expenditures that are state or locally funded. Pay item plan sheets must also separate and distinguish between participating and non-participating items. Non-participating costs are the responsibility of the Agency.

Construction related activities, including project advertisement, conducted prior to Notice to Proceed will not be reimbursed.

The Agency shall be required to notify the Department of any construction changes (plans, change orders) and receive approval from the Department prior to the changes being constructed in order to be reimbursed for the changes.

The Agency shall provide the Department with as-built plans of any portions of the Project funded through the Agreement prior to final Inspection.

After the completion of the project, the Agency must submit the final invoice and Exhibit "C," Engineers Certification of Completion" of the project to the Department within 120 days after the completion. Invoices after the 120-day time period may not be paid.

The Agency shall commence the project's subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:

a) 100% plans and project clears submitted to the Department by 02/27/2027.
b) Design to be complete and submitted to the Department by 03/27/2027.
c) Construction contract to be let by 05/30/2027.
d) Construction to be completed by 03/09/2029.

SPECIAL CONSIDERATIONS OF THE DEPARTMENT:

The Department will issue a Notice to Proceed to the Agency after final execution of this Agreement.

Upon receipt of an invoice, the Department will have twenty (20) working days to review and approve the goods and services submitted for payment.

STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION

STATE FINANCIAL ASSISTANCE AGREEMENT

EXHIBIT "A-2"

PROJECT DESCRIPTION(S) AND RESPONSIBILITIES

This exhibit forms an integral part of the Agreement between the State of Florida, Department of Transportation and Pasco County ("Agency").

PROJECT LOCATION:

☐ The project is on the National Highway System. (**N/A**)

☐ The project is on the State Highway System. (**N/A**)

PROJECT LENGTH AND MILE POST LIMITS:

PROJECT DESCRIPTION: The design, construction, and construction engineering inspection (CEI) phases of the Pasco Pedestrian Overpass Bridge Project. The project will consist of the construction of elevated timber pedestrian paths along the connector roadway to the regional research complex between Ridge Road and Sunlake Boulevard, separated from the vehicular bridge and roadway to enhance safety. The project aims to create a dedicated passage for pedestrians and utility vehicles, mitigating the potential for accidents involving road traffic and improving overall user safety. Work includes connecting the pathway to the proposed roadway and completing any associated improvements to the proposed road, such as stormwater, drainage, and any other related improvements to support safe and efficient pedestrian access.

SPECIAL CONSIDERATIONS BY AGENCY:

The Project shall be designed and constructed in accordance with the requirements of all applicable laws and governmental rules and regulations and state accepted design standards for the type of construction contemplated by the Project, including, as applicable, but not limited to, the applicable provisions of the Manual of Uniform Traffic Control Devices (MUTCD), the AASHTO Policy on Geometric Design of Streets and Highways or applicable Agency and Southwest Florida Water Management District (SWFWMD) requirements.

If the project will involve construction on, under, or over the Department's right-of-way, the design work for all portions of the Project to be constructed on, under, or over the Department's right-of-way shall be designed and constructed in accordance with the latest edition of the Department's Standard Specifications for Road and Bridge Construction and Department Design Standards and Manual of Uniform Traffic Control Devices ("MUTCD"). The following guidelines shall apply: the Department Structures Design Manual, AASHTO Guide Specifications for the Design of Pedestrian Bridges, AASHTO LRFD Bridge Design Specifications, the Florida Department of Transportation Design Manual ("FDM") and the Department of Traffic Engineering Manual. Designs that do not meet Department standards may be rejected by the Department at its discretion. The Agency must contact the Department's District Permits Engineer to coordinate construction permit requirements at (813)975-6000.

The Agency shall adhere to the Department's Conflict of Interest Procedure (FDOT Topic No. 375-030-006).

The Agency shall submit a Consultants' Competitive Negotiation Act (CCNA) certification for any consultant work for which Department funding is used.

The Agency shall submit the FDOT Vendor Eligibility Check Prior to Contract Award form (Form No. 375-030-91) for consultants/contractors and their subs to comply with the Agreement requirements of section 13. Restrictions, Prohibitions, Controls and Labor Provisions. The form can be accessed at the Department's Policy & Process Management site: https://pdl.fdot.gov/.

The Agency will submit to the Department the project Bid Package to include Specifications, updated construction estimate, draft construction contract and the Agency's Certification Clear Package. All above items must be reviewed, approved and a Notice to Proceed must be issued by the Department prior to any construction related activities, including project advertisement. The Certification Clear Package must include the following items completed and signed by the authorized Agency representative:

1) Right of Way Certification Form
2) Rail Clear Letter
3) Permits Clear Letter
4) Utilities Clear/Coordinated Letter
5) With respect to the Agency, certification of compliance with Chapter 2, Article IV, Division 2 of the Pasco County Code of Ordinance (the "Pasco County Ordinances")
6) With respect to Len-Angeline LLC, certification of compliance with the Economic Development Agreement between the Agency and Len-Angeline LLC dated November 5, 2019 (the "Development Agreement") and the Reimbursement Agreement that was executed in conjunction with this State Financial Assistance Agreement
7) Contamination Certification

The Agency shall be responsible for identification and remediation, including all associated costs, of any hazardous materials and contamination encountered while implementing the project.

The Agency will be responsible for following Florida Statutes regarding project permitting. The Agency may prepare a Project Environmental Impact Report (PEIR) to support its acquisition of appropriate environmental permits and satisfy other agreements with the Department.

The Agency shall be responsible to identify, notify and coordinate with all Utility Agency/Owners having facilities within the project limits.

If at any moment during project implementation it is determined that the approved project schedule cannot be met, the Agency will immediately notify the Department in writing, accompanied by a revised project schedule. Failure to comply with these requirements may be cause for termination of this project agreement and withdrawal of Department funding.

The Agency will provide progress billing invoices with appropriate back-up documentation to the Department on a quarterly basis or sooner as of the execution date of the agreement. A progress report will be required each quarter, even if there is no activity for a reporting period. Progress invoice payments will be made on a pro-rata basis as a percentage of the state grant funding amount compared to the project cost. Final invoices will reimburse eligible participating items, not previously reimbursed, up to the maximum grant funding.

The Alternative Advance Payment method has been authorized by the Department's Comptroller for this project pursuant to section 334.044 (29) Florida Statutes.

For projects that have participating and non-participating items, the local agency must submit invoices clearly depicting and differentiating the participating and non-participating items of expenditures that are state or locally funded. Pay item plan sheets must also separate and distinguish between participating and non-participating items. Non-participating costs are the responsibility of the Agency.

Construction related activities, including project advertisement, conducted prior to Notice to Proceed will not be reimbursed.

The Agency shall be required to notify the Department of any construction changes (plans, change orders) and receive approval from the Department prior to the changes being constructed in order to be reimbursed for the changes.

The Agency shall provide the Department with as-built plans of any portions of the Project funded through the Agreement prior to final Inspection.

After the completion of the project, the Agency must submit the final invoice and Exhibit "C," Engineers Certification of Completion" of the project to the Department within 120 days after the completion. Invoices after the 120-day time period may not be paid.

The Agency shall commence the project's subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:

a) 100% plans and project clears submitted to the Department by 02/27/2027.
b) Design to be complete and submitted to the Department by 03/27/2027.
c) Construction contract to be let by 05/30/2027.
d) Construction to be completed by 03/09/2029.

SPECIAL CONSIDERATIONS OF THE DEPARTMENT:

The Department will issue a Notice to Proceed to the Agency after final execution of this Agreement.

Upon receipt of an invoice, the Department will have twenty (20) working days to review and approve the goods and services submitted for payment.

EXHIBIT "A-3"

PROJECT DESCRIPTIONS

FY24-25 Local Funding Initiative Request 3601, 3284 and 3626, references the extension of Wilton Way Rd (Speros Pkwy), and a Pasco Pedestrian Overpass. The purpose of these initiatives is to "Improve the transportation conditions and pedestrian connectivity, enhancing safety and reducing the risk of accidents and traffic congestion. These crossings will connect different employment centers, to the adjacent residential areas"

Description	Amount
Wilton Way (Ascend Blvd) – Phases 1 and 2	$14,130,133
Pedestrian Overpass	$3,000,000

Wilton Way – Phases 1 and 2 – LFIR 3601/3284
Limits: Ridge Rd/Sunlake Blvd

1. Scope of work- This segment includes the construction of a new two-lane road and vehicular bridges. The project includes the roadway and two road crossings with associated stormwater infrastructure, shoulders, and other related improvements and will be designed/constructed in accordance with County standards.

2. Phases to be included- The funds will be used to construct the proposed roadway extension (Phases 1 and 2), including CEI, permitting, design, testing, insurance, and other associated items.

3. Schedule
   - Design and permitting: **06/18/26 – 02/27/27**
   - Construction: **05/30/27 – 03/09/29**

4. Cost estimate for the project:
   - Design, permitting and construction: **$14,130,133**

5. Contracting method- advertised separately.

Pedestrian Overpass - Phase 1 and 2 – LFIR 3626
Limits: Ridge Rd/Sunlake Blvd

1. Scope of work- This scope includes the construction of elevated timber pedestrian pathways, separated from the vehicular bridge and roadway to enhance safety. The project aims to create a dedicated passage for pedestrians and utility vehicles, mitigating the potential for accidents involving road traffic and improving overall user safety. Work includes connecting the pathway to the proposed roadway and completing any associated improvements to the proposed road, such as stormwater, drainage, and any other related improvements to support safe and efficient pedestrian access. The project will be designed/constructed in accordance with County standards This project will include a Rectangular Rapid-Flashing Beacon at the crosswalk on Angeline School Way.

2. Phases to be included- The funds will be used to construct the proposed pedestrian overpass and pathway with all other associated road improvements, including CEI, permitting, design, testing, insurance, and other associated items.

3. Schedule
    - Design and permitting: **06/18/26 – 02/27/27**
    - Construction: **05/30/27 – 03/09/29**

4. Cost estimate for the project:
    - Design, permitting and construction of Phase 1: **$3,000,000**

5. Contracting method- advertised separately.

DEVELOPER PIPELINE BID AND PAYMENT PROCESS
(Amended/Updated August 1, 2016)

1. Pasco County Engineering Services Department Standard Construction Provisions

Upon County approval of the related Development Agreement (DA), amendments to the DA or other Board of County Commissioners (BCC) approved Agreement, all Developers who will be seeking compensation from the County (cash, transportation impact fee credits, etc., as provided under the County's Transportation Impact Fee Ordinance, Mobility Fee Ordinance or economic development agreement) for the infrastructure improvements to be performed pursuant to the DA, amendments to the DA or other BCC approved Agreement will be provided with a set of the County's Standard Construction Provisions for Developer Pipeline Projects that is attached hereto as Exhibit A. The Developer shall incorporate these provisions into any final bid document and resulting contract prepared for the project. (The County reserves the right to modify its sample bid document and standard construction provisions at its discretion.) The Pipeline Project shall be contracted for and awarded separately from the Developer's private construction projects.

2. Preparation of Bid Documents

A. The Developer shall be responsible for ensuring that all technical specifications and special conditions necessary for the completion of the proposed project are incorporated into the bid document in addition to the County's conditions. If a governmental entity such as a Community Development District (CDD) will be performing the work as the Developer or for the Developer, the bid should reflect whether or not the governmental entity reserves the right to make direct purchases of materials (which may be sales tax exempt) and/or whether the bidders should or should not include sales tax in their pay items for materials in their bid proposals. If the direct purchases election is made, only the actual cost of the bid item absent the sales tax shall be eligible for reimbursement from the County.

B. The Developer must include a complete list of pay items and quantities for pay items in the bid for completion by the successful contractor.

C. The Developer must also include pay items and quantities for the County's portion of the work (that portion of work for which a credit will be sought).

(1) If County Design Plans are being used, the County will provide pay items and quantities.

(2) If the Developer is doing the design, the Developer or the Developer's engineer will be responsible for identifying the items and quantities specific to the County-specified work.

(3) At the time of submission of the bid document to the County for its review, the Developer or the Developer's design engineer must certify that the County portion of the pay items does not include any site-related work for the Developer.

D. Prior to advertisement, the Developer must submit six (6) paper copies of the finalized bid document for review to the County's Engineering Services Department at the following address:

Engineering Services Department
Program Administrator
West Pasco Government Center
8731 Citizens Drive, Suite 320
New Port Richey, FL 34654

NOTE: This contact information should be used for all deliverables required under these guidelines.

The County will have five (5) business days from receipt of the package to review and approve the pay items for the County's portion of the work and to confirm that the County's standard contract provisions are included. If the County objects to any part of the bid, the Developer shall address the objections to the County's satisfaction before advertising the project. If no objections are received from the County by the end of this time period, the Developer can proceed with advertising the project.

E. The Developer must coordinate the date and time of the prebid meeting and bid opening with the County's Engineering Services Department.

F. A complete bid document, including all technical specifications, plans, etc., must be available for prospective bidders on the date of the bid advertisement.

3. Public Advertisement

The Developer must advertise the project at least once in a newspaper of general circulation in Pasco County (such as the Tampa Bay Time or Tampa Tribune) for those projects with a projected cost of $200,000 or less at least twenty-one (21) days prior to the established bid opening and at least five (5) days prior to any prescheduled pre-bid conference. For those projects projected to cost at least $500,000 or more, the project must be advertised at least thirty (30) days prior to the established bid opening and at least five (5) days prior to any prescheduled pre-bid conference.

In addition, the Developer also has the discretion to advertise in any other trade publication or trade resource of its choice or to use such other electronic sources or means to reach potential bidders.

4. Contents of Legal Ad

A. The bid opening date, as well as the date, time, and location of any mandatory or nonmandatory pre-bid meeting, will be determined by the Developer. This information must be included in the legal ad. The Developer is responsible, however, for coordinating the bid opening date with the County's Engineering Services Department prior to posting the advertisements and for providing the County with a copy of the newspaper ad utilized.

- See the sample advertisement form included in the County's standard contract package.

B. The bidder should be directed to send all sealed bid proposals to a designated location. Upon prior notice to the County, the Developer has the option of having the proposals directed to the County at the following address:

Purchasing Department
West Pasco Government Complex
8919 Government Drive
New Port Richey, FL 34654

5. Developer Responsibilities During Bid Process

A. The Developer and/or their design engineering firm is responsible for answering any questions received from interested bidders and for ensuring that a copy of the responses provided are circulated to all potential bidders who purchased a set of the bid documents prior to the bid opening date. A copy of any bid addendums or Requests for Information should also be provided to the County at the time such addendums are issued to the Bidders.

B. The Developer will also be responsible for handling the prebid meeting. The County shall be notified in advance of any pre-bid meeting and reserves the right to have a representative present.

6. Bid Opening and Post Bid Developer Obligations

A. The Developer shall open the bids at the date, time, and location designated in the legal ad in the presence of a County representative.

B. The Developer is responsible for reviewing the bids and determining the lowest, responsive, responsible bid. A copy of the ranking (and at the County's request a copy of the proposals) shall be provided to the County prior to the Developer's award of the contract.

C. The County shall have fifteen (15) business days for review of the proposed final contract and to provide a statement of objection or no objection. The Developer shall also require the proposed contractor to submit the insurance information specified in the County's standard contract provisions to the County's Engineering Services Department for approval by the County at least seven (7) days prior to execution of the construction contract and before a Notice to Proceed (NTP) is issued by the Developer. If the County objects to any part of the contract or insurance, the Developer shall address the objections to the County's satisfaction before awarding the contract.

D. If the County issues a statement of no objection, the Developer may proceed to award the contract for the project and shall execute a formal, written agreement containing the specific terms and conditions of the construction, as set forth in the approved contract documents and in the format previously accepted by the County.

E. Prior to the issuance of the NTP and commencement of construction, the Developer shall require the contractor to submit a copy of the fully executed contract and the Performance Bond required for the project to the County's Engineering Services Department to confirm compliance with the provisions in the County's Standard Construction Provisions for Developer Pipeline Projects. The Performance Bond shall, at the minimum, be in an amount equal to one hundred (100) percent of the contract amount. These documents will be circulated to the Engineering Inspections Division and the County Attorney's office for review. The County will have seven (7) business

days to review the documents. If the County objects to any part of the bonds, the Developer shall address the objections to the County's satisfaction before issuing a NTP to its contractor.

F. During the course of the project, the Developer shall also be obligated to provide the County with any amendments, supplements to the agreement, or change orders prior to execution by the Developer and its contractor and prior to commencement of the work involved.

G. The County reserves their right to access the site and observe and comment on the work during the construction period.

H. Upon completion of the project qualifying for reimbursement or credits as defined in a DA, DA Amendment, Master Planned Unit Development (MPUD) Amendment and/or other BCC approved Agreements and prior to final acceptance by the County of the work specified for the project, the Developer shall be required to provide the Warranty/Maintenance Guarantee to the County as required in the project related DA, DA Amendment, MPUD Amendment and/or other BCC approved Agreements or the County's Land Development Code, whichever is stricter.

I. As a condition of final acceptance of the project by the County and final reimbursement or issuance of credits to the Developer for the construction portion of the project, the following items must be provided in a format acceptable to the County:

(1) All deeds and easements, including, but not limited to, deeds for rights-of-way or ponds, drainage easements, slope easements, ingress/egress easements or any other property interest required for the County to own or control the road, the right-of-way identified in the approved construction plans as well as all structures and features (including, but not limited to, such items as retaining walls, drainage structures, etc.) which serve or support the road and the right-of-way required to be conveyed by the Developer and/or other fee owner. The required conveyances referred to under this section shall also include any other conveyances required by a DA, DA Amendment, MPUD and/or other BCC approved Agreements. The Developer or other fee owner must submit the conveyance documents(s) required to the Real Estate Division for review and submittal to the BCC for acceptance and recording. The County will reduce the amount of reimbursement or credits due by the amount of the recording fees incurred.

(2) Evidence that the Southwest Florida Water Management District (SWFWMD) Operation and Maintenance (O&M) permit has been transferred to a CDD or Homeowners' Association. The O&M may be transferred to the County only for projects wherein the SWFWMD Project Area consists exclusively of County-owned right-of-way and County-owned ponds that are not co-mingled with flows from non-County owned property.

(3) Evidence that all permit conditions from all applicable permitting regulatory agencies for the project have been satisfied.

(4) An Engineer's Certificate of Completion from the Developer's engineer, as-builts, test reports, and any Warranty/Maintenance Guarantee required

for the qualifying project from the Developer under a DA, DA Amendment, MPUD and/or other BCC approved Agreements or the County's Land Development Code, whichever is stricter.

7. Compliance with Florida's Public Records Act, Chapter 119, Florida Statutes (The following requirement shall apply to both the Developer and its contractor in their individual capacities.)

A. The CONTRACTOR shall comply with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, CONTRACTOR shall:

(1) Keep and maintain public records required by the County to perform the service under the Agreement;

(2) Upon request from the County's Custodian of public records provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law;

(3) Ensure that pubic records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the CONTRACTOR does not transfer the records to the County; and

(4) Upon completion of the contract, transfer, at no cost to the County, all public records in possession of CONTRACTOR.

(a) Upon transfer, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements.

(b) All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County.

(c) All documentation produced as part of this Agreement will become the property of the County.

(d) This paragraph shall survive the expiration or termination of this Agreement.

B. If the CONTRACTOR has questions regarding the application of Chapter 119, Florida Statutes, to the CONTRACTOR'S duty to provide public records relating to this contract, contact the Custodian of Public Records at:

Public Records Coordinator
Pasco County Administration
8731 Citizens Drive, Suite 340
New Port Richey, FL 34654
727-847-2411 Ext. 8316
dwilliams@pascocountyfl.net

C. Under Florida law, a CONTRACTOR who fails to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for termination of this Agreement.

8. Post Design/Post Construction Invoicing for Credits, Cash Reimbursement, or Other

A. If the Developer seeks transportation impact or mobility fee credits, cash reimbursement, or other for the design, right-of-way, and/or construction work performed, the Developer shall prepare and submit two (2) complete sets of the following documentation to the County's Engineering Services Department:

(1) Cover sheet signed by all applicable parties with the amount of the transportation impact fee credits, cash reimbursement, or other requested for disbursement by the County.

(2) Summary sheet of all invoices, attached by vendor, with a cumulative total.

(3) All backup invoices with proof of payment (copies of all canceled checks, affidavits and/ or check registries) attached to each invoice and any other documentation required as part of the bid and/or contract documents.

(4) Copies of vendor agreements for the design, environmental issues, construction engineering and inspection services, construction management, etc., that are the subject of the request for impact fee credits, cash reimbursement, or other.

(5) The County reserves the right to request the above information in electronic format.

B. Upon receipt of all documentation described above, County staff will have up to four (4) weeks to review and contact the Developer with a response. If there are no revisions or supplemental information required by the Developer, the County's Engineering Services Department will obtain the required signatures (the Assistant County Administrator for the Development Services Branch and the Budget Director for the Office of Management and Budget) and transmit the documentation to the Financial Services Department for establishment of the Developer's account and/or payment. If the Developer must prepare revisions to the documentation or provide supplemental information, up to four (4) additional weeks will be required to review this information before obtaining the required signatures and transmittal to the Financial Services Department. Further requests for additional information will require additional time for review by the County's Engineering Services Department.

C. Five (5) percent of the total of each invoice received from the Developer for cash or credit shall be retained by the County and shall be disbursed or credited as part of the final payment due for the project. Final payment will be specifically conditioned upon the Developer's compliance with all the items specified in Section 6.I.

9. Compliance with Developer Pipeline Bid and Payment Process

A Developer's failure to comply with the provisions as outlined herein may be considered by the County as a breach of the underlying DA, DA Amendment, MPUD and/or other BCC approved Agreements and may impact the eligibility of the work performed for compensation from the County.

Exhibit A

SPECIAL CONDITIONS OF CONTRACT

1. **THIRD PARTY BENEFICIARY RIGHTS** - PASCO COUNTY, FLORIDA (the "COUNTY") [and FLORIDA DEPARTMENT OF TRANSPORTATION ("DEPARTMENT") (if applicable)], are/is an intended third party beneficiary(ies) of the Agreement between the CONTRACTOR and the DEVELOPER and as such should be listed as co-obligee with the DEVELOPER on any Payment and/or Performance Bonds required for this Project.

2. **INDEMNIFICATION** - The CONTRACTOR shall indemnify and hold harmless the DEVELOPER and COUNTY, and the employees and agents of the DEVELOPER and COUNTY, from and against all liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees arising out of or resulting from the performance of the Work, provided that any such liability, claim, suit, demand, damage, loss or any expense: (a) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom; and (b) is caused in whole or in part by an act or omission of the CONTRACTOR, any SUBCONTRACTOR, SUB-SUB-CONTRACTOR, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them maybe liable.

   In any and all claims against the DEVELOPER or COUNTY; or against any of the agents or employees of the DEVELOPER and/or COUNTY, by any employee of the CONTRACTOR, any SUBCONTRACTOR, or anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph shall not be limited in any way as to the amount or type or damages, compensation or benefits payable by or for the CONTRACTOR or any SUBCONTRACTOR under workmen's compensation acts, disability benefit acts, or other employee benefit acts.

   The CONTRACTOR shall indemnify and hold harmless the DEVELOPER and/or COUNTY and anyone directly or indirectly employed by the DEVELOPER and/or COUNTY from and against all claims, suits, demands, damages, losses, and expenses including, but not limited to, attorney's fees, arising out of any infringement of patent rights, copyrights, trademarks, trade dress, or other intellectual property rights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

3. **INSURANCE** - Prior to the commencement of construction and within ten (10) days after execution of agreement between CONTRACTOR and DEVELOPER, the CONTRACTOR shall provide DEVELOPER a certificate of insurance and a true and exact copy of all insurance policies, including additional insured endorsements. Said insurance coverage, and contracts for insurance other than Worker's Compensation and Employer's Liability Policy, shall name the following as additional insureds:

   DEVELOPER
   (Name & Address)

COUNTY
Pasco County, Florida
Pasco County Government Center
Attn: Michele Baker, County Administrator
8731 Citizens Drive, Suite 340
New Port Richey, FL 34654
Fax: (727) 847-8084

[DEPARTMENT (*if applicable*)
Florida Department of Transportation
605 Suwannee Street
Tallahassee, FL 32399
Telephone: (850) 414-4100]

LENDER (if applicable)

General Conditions For All Required Policies:

All insurance shall be provided by responsible companies authorized to transact business in the State of Florida which have an "A" policyholder's rating and a financial rating of at least Class VIII in accordance with the most current Best's Key Rating Guide.

CONTRACTOR will provide evidence of insurance coverage as follows:

To the DEVELOPER:

(1) true and exact copies of all required insurance policies, including additional insured endorsements, and
(1) original, executed Certificate of Insurance on the form provided by the County.

To the COUNTY:

(1) true and exact copies of all required insurance policies, including additional insured endorsements, and
(1) original, executed Certificate of Insurance on the form provided by the County.

[To the DEPARTMENT *(if applicable)*:
(1) true and exact copies of all required insurance policies, including additional insured endorsements, and
(1) original, executed Certificate of Insurance on the form provided by the County.]

To the Lender (If applicable):

(1) original, executed Certificate of Insurance on the form provided by the County.

The Certificate should set forth the original signatures of the authorized representative of the insurance company(ies) identified. The Certificate should also reference the Agreement between the DEVELOPER and the CONTRACTOR for the Project.

All polices shall require the insurer to deliver to the DEVELOPER and COUNTY thirty (30) days written notice prior to any cancellation, intent not to renew or reduction in coverage and ten (10) days written notice of any nonpayment of premium. Such notice shall be delivered by U.S. Mail to the above addresses.

The insurance referenced above shall be primary to any insurance or self-insurance program of the DEVELOPER or COUNTY which is applicable to the work provided.

The COUNTY shall have the right to review and approve the provided insurance coverage.

Insurance Certificates and Policies provided by the CONTRACTOR will provide evidence of insurance coverage in amounts as follows:

(***Drafting Note to DEVELOPER***: This section should reflect the following limits or those limits otherwise listed in the DEVELOPER'S agreement with the COUNTY, whichever is higher.)

Workers Compensation: The CONTRACTOR shall maintain coverage for all employees engaged in the Work, in accordance with the laws of the State of Florida. The CONTRACTOR also agrees to waive its right of subrogation against the DEVELOPER and COUNTY as well as their agents and employees.

Employer's Liability:	$1,000,000 per accident
Commercial General Liability:	$2,000,000 general aggregate
Product & Complete Operations:	$2,000,000 general aggregate
Bodily Injury (including death):	$1,000,000 per person $2,000,000 per occurrence
Personal Injury & Advertising Injury:	$500,000 per occurrence
Property Damage:	$1,000,000 per occurrence
Fire Damage:	$500,000 per any (1) fire
Hired & Non-Owned Autos or Automobile - Owned Bodily /Personal Injury Property Damage:	$1,000,000 combined single limit
Excess/Umbrella Liability:	$3,000,000 per occurrence $3,000,000 general aggregate
Professional Errors and Omissions Liability:	$1,000,000 per occurrence

Occurrence from professional liability insurance is preferred, however, in the event the consultant is only able to secure claims made professional liability insurance, the consultant shall be obligated to maintain insurance in effect with no less limits of liability nor any more restrictive terms and/or conditions for a period of five (5) years from the date of the Agreement.

4. **PAYMENT AND PERFORMANCE BOND**

Prior to commencing construction, the CONTRACTOR shall post in favor of the DEVELOPER and COUNTY, Payment and Performance Bonds acceptable to the DEVELOPER and COUNTY to guarantee payment of its subcontractors and materialmen under the contract as required by law and to guarantee CONTRACTOR's performance of its contractual obligations. Such Bonds shall be with a bank, surety, or other financial institution acceptable to the DEVELOPER and the COUNTY, which is authorized to do business in the State of Florida, and which has an "A" policyholders rating and a financial rating of at least Class VII in accordance with the most current Best's Key Rating Guide. The payment and performance bond(s) shall be in the amount of 125% of Construction Contract amount.

5. **WARRANTY/PERFORMANCE GUARANTEE**

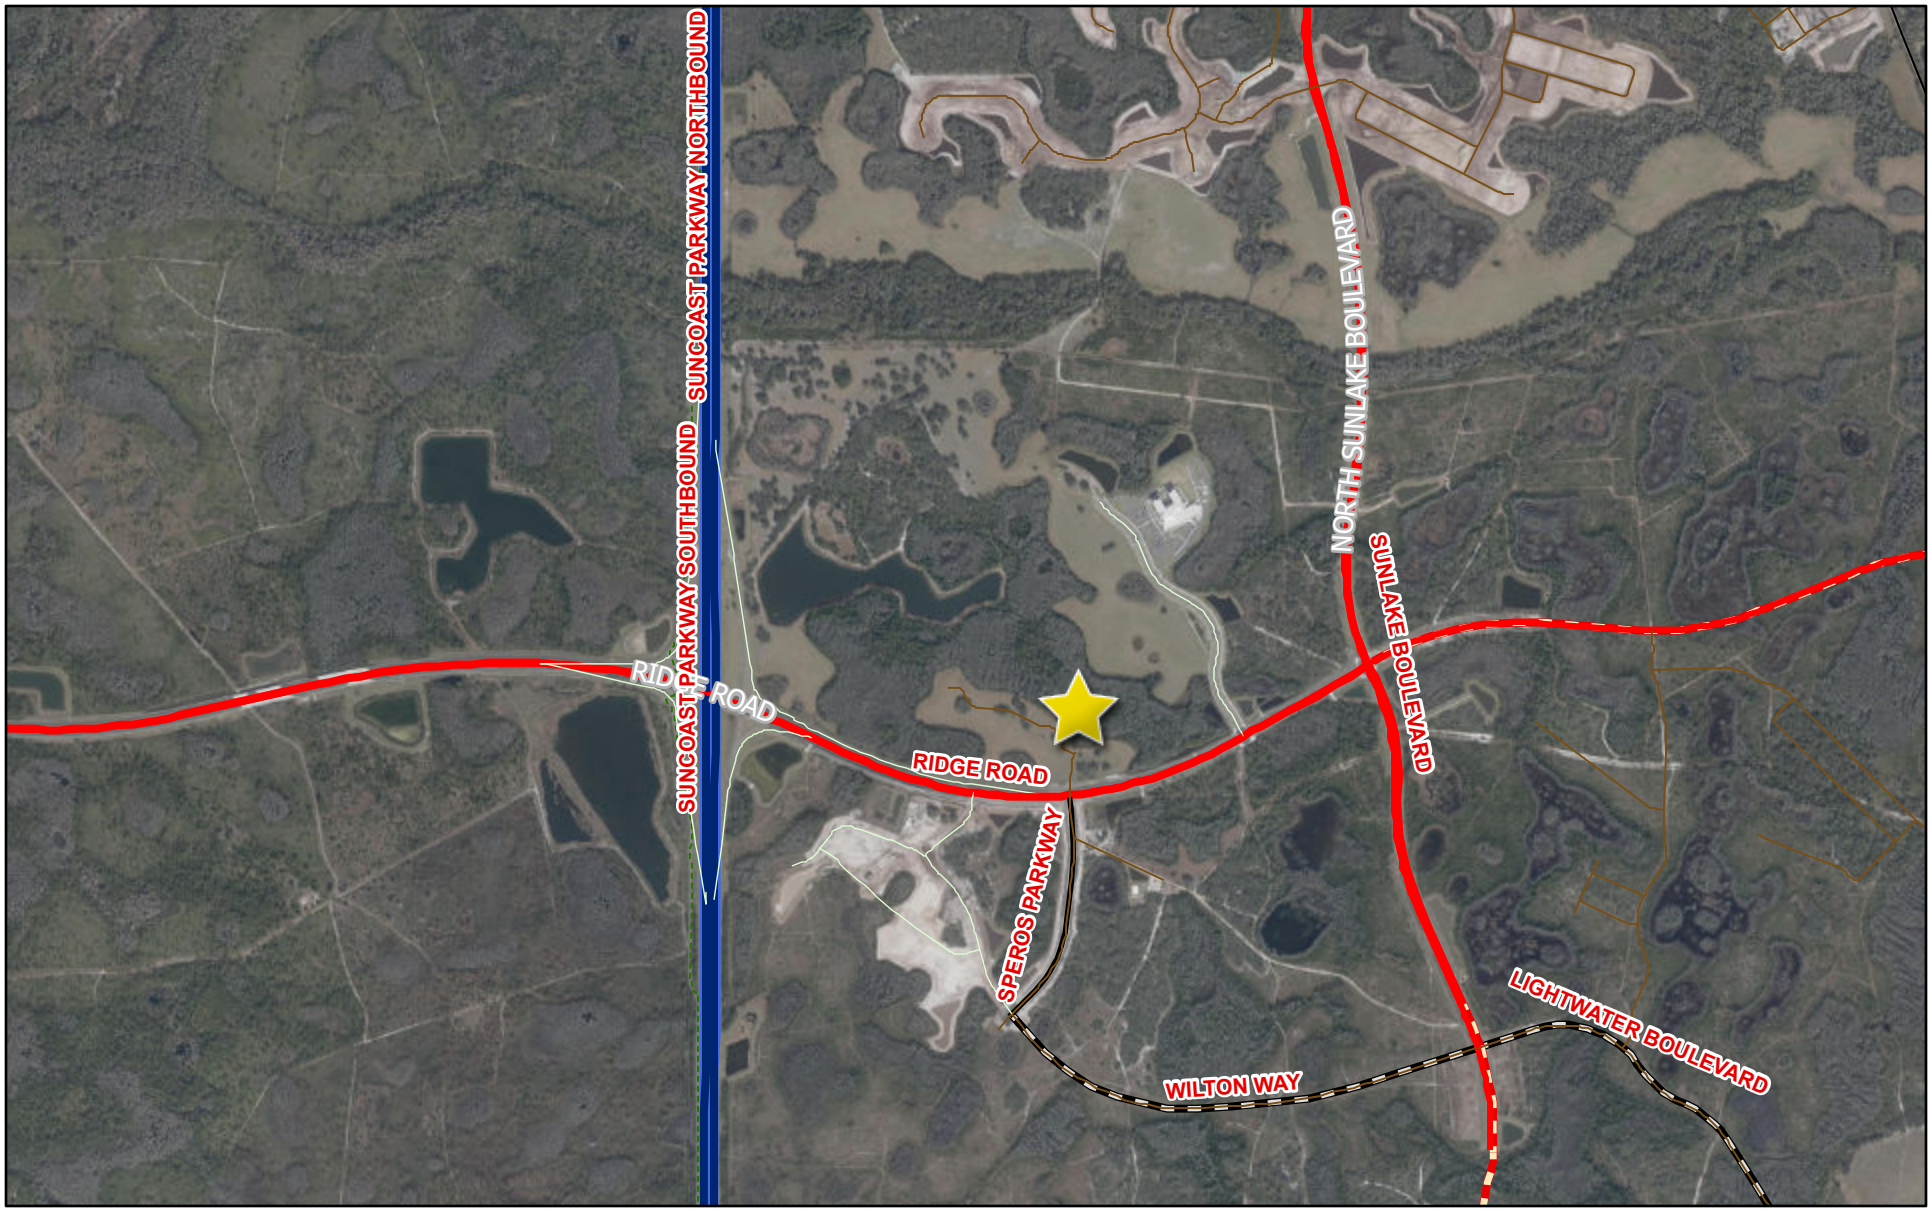
Upon completion of the Project and final acceptance by the COUNTY and the DEVELOPER; the CONTRACTOR shall guarantee that all equipment furnished and work performed is free of defects in workmanship or materials for a period of one (1) year after final acceptance, and, if any part of the construction should fail within this period, it shall be repaired, replaced, and/or restored to satisfactory condition and/or operation at no cost to the COUNTY or DEVELOPER. The performance guarantee for the Project may cover this guarantee, if it remains in place for a period of one (1) year after final acceptance in an amount equal to 15% of the applicable construction contract amount or the CONTRACTOR may post a separate maintenance bond acceptable to the COUNTY and the DEVELOPER. The CONTRACTOR is required to advise the DEVELOPER and the COUNTY of the warranty option it has selected prior to the parties' final acceptance of the Project.

6. **COMPLIANCE WITH THE PUBLIC RECORDS LAW**
(This provision will apply to projects records held by both the DEVELOPER and the CONTRACTOR, in their individual capacities.)

The CONTRACTOR shall comply with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, CONTRACTOR shall (a) keep and maintain public records required by the COUNTY to perform the service under the Agreement; (b) upon request from the COUNTY's custodian of public records provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if CONTRACTOR does not transfer the records to the COUNTY; and (d) upon completion of the contract, transfer, at no cost to the COUNTY, all public records in possession of CONTRACTOR. Upon transfer, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential

and exempt from public records requirements. All records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY. All documentation produced as part of this Agreement will become the property of the COUNTY. This paragraph shall survive the expiration or termination of this Agreement.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:



Public Records Coordinator
Pasco County Administration
8731 Citizens Drive, Suite 340
New Port Richey, FL 34654
727-847-2411 Ext. 8316
dwilliams@pascocountyfl.net

Under Florida law, a Contractor who fails to provide the public records to the COUNTY within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for termination of this Agreement.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 1 **FILE NO.:** PDE26-0810 **DATE:** 6/16/2026

SUBJECT: Second Amendment to the Villages of Pasadena Hills Global Funding and Escrow Agreement

REFERENCES: All Villages of Pasadena Hills (PPC) and Board of County Commissioner (BCC) Public Hearings at 1:30 p.m. in New Port Richey (NPR) or Dade City (DC): BCC at NPR 6/16/2026

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: David Engel, Director Planning, Development and Economic Growth

RECOMMENDED BOARD ACTION:

Approve the amendment to the Funding and Escrow Agreement. Authorize the Chairman to execute the Amendment and direct Board Records to distribute as set forth under the Distribution Section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On October 25th, 2022, the Board of County Commissioners (BCC) approved the VOPH Global Funding and Escrow Agreement. The agreement outlines the responsibilities of the applicable Co-developers and related MPUDs for the design, permitting, and construction of specific roadways and utility lines within the VOPH Master Roadway Plan (MRP) and Master Utility Plan, respectively.

On June 4, 2024, the BCC approved the First Amendment to the Global Funding and Escrow Agreement to update the designated MPUD list, revise infrastructure obligations, and include provisions for the relocation of third party utility lines within the right-of-way for Handcart Road and Prospect Road.

Revision to MPUD Infrastructure Obligations

Below is a summary of the proposed amendments to the last iteration of the Global Funding and Escrow Agreement.

- Exhibit A is being modified to include the Village Green MPUD, Colon MPUD, Harvest Hills West MPUD, LD Mitchell MPUD, and the Peeples MPUD as designated MPUDs for Galvin-Harris Land Services. The LD Mitchell and Peeples MPUDs have not yet been approved by the BCC but are being proactively included in the agreement to outline the infrastructure responsibilities of each MPUD. If the BCC does not approve those MPUDs, then they shall not be considered designated MPUDs under this agreement.
- Revisions to Exhibit B-1, B-2, and B-12 to include the infrastructure obligations for the LD Mitchell and Peeples MPUDs, revise the infrastructure obligations for the Harvest Hills North MPUD to remove a portion of North South Avenue B in favor of a local road connection as provided in Exhibit B-12, and to remove Segment K of Tyndall Road as a roadway obligation for the Grandview MPUD.
- Section 5.c of the agreement, pertaining to the development of utility infrastructure, is being revised to remove Exhibit E-3 (Developer Reclaim

Transmission Line Projects) as reclaim water service will not be available. Additionally, Exhibits E-1, E-2, and E-4 are being updated with the utility infrastructure associated with the additional MPUDs added in Exhibit A above. The identified public transmission lines within Exhibits E-1, E-2, and E-4 shall be eligible for credits against the VOPH Utility Surcharge.

- The County and the Developer agree to clarify the obligations and responsibilities of each party as it pertains to the roundabout at Curley Road and Prospect Road. Galvin shall conduct a route study to determine the ultimate alignment and right-of-way needed to accommodate the proposed roundabout. The County shall reimburse Gavlin within 45 days of receiving the completed route study. The County will be responsible for the acquisition of any additional right-of-way identified by the route study to accommodate the roundabout, while Galvin will be responsible for designing, permitting, and constructing the improvements in exchange for transportation development fee credits.

Overpass and Handcart Road Projects

The County is designating Galvin (or Galvin-designee entity) as the construction entity responsible for designing, permitting, and constructing the following improvements to Handcart and Overpass Road if funding is available through revenue bonds, tax increment funds, mobility fees, or other alternative funding source identified by the County.

- Overpass Road: improve the existing 2-lane roadway to a 4-lane roadway from Angelstem Blvd. to Old Bridge Road intersection, identified as Overpass Road Segment 3 on Exhibit G.
- Handcart Road: (i) improve the existing 2-lane roadway to a 4-lane roadway for Handcart Road Segment 1 as identified on Exhibit G (from 2,600 feet south of Kiefer Rd/Pasadena Ridge to Tyndall Road); (ii) improve the existing 2-lane roadway to a 4-lane roadway for Handcart Road Segment 2 as identified on Exhibit G (from 1,000 feet north of Overpass Road to 2,600 feet south of Kiefer Rd/Pasadena Ridge); and (iii) improve the existing 2-lane Handcart Road roadway to a 4-lane roadway and construct 2 lanes for Eiland Blvd realignment for Handcart-Eiland Segment 4 as identified on Exhibit G (from 1,000 feet south of Overpass Road to existing Eiland Blvd); collectively the ”Handcart Road Project”.

Within the Handcart Road segments identified above, the developer may include the costs for underground utilities as an approved roadway cost. The costs for underground utilities are not an approved cost for any other roadway segment identified within this agreement. Additionally, the developer may request approval for additional right-of-way landscape improvements beyond the allowed landscape budget amount set forth in Exhibit G, through the customary tree mitigation fund application process, and subject to BCC approval.

VOPH Fee Credits

Galvin will receive VOPH Fee credits for assisting with revisions to the Master Roadway

Plan and Master Utility Plan for the Villages of Pasadena Hills. For assisting with updating the Master Roadway Plan, Galvin shall receive $65,000 in transportation development fee credits. For assisting with updating the Master Utility Plan, Galvin shall receive $178,090 in VOPH utilities surcharge fee credits.

Section 602.7.C.4.d - Committee Duties
The May 20, 2026, Villages of Pasadena Hills Planning and Policy Committee meeting was unable to form a quorum to provide recommendations on the Second Amendment to the Global Funding and Escrow Agreement. The Planning, Development, and Economic Growth Department is utilizing Section 602.7.C.4.d to bypass the recommendation of the Villages of Pasadena Hills Planning and Policy Committee and receive approval from the Board of County Commissioners. The Planning Development and Economic Growth Department informed the Planning and Policy Committee Chairman, Paul Finora, and the Vice-Chairman, Dale Maggard, pursuant to Section 602.7.C.4.d and received no objections from either the Chairman or the Vice-Chairman.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

DISTRIBUTION:
Board Records to distribute as set forth below:
1. Retain One Original.
2. Mail Two (2) Originals to the applicant

Mike Galvin
121 Snell Isle Blvd NE
St. Petersburg, FL 33704

The applicant shall gather the signature of the Developer and return one (1) original of the signed document to Board Records.

3. Electronically to:
David Goldstein – dgoldstein@pascocountyfl.net
Gavin Covey - gcovey@pascocountyfl.net
Amy Bland - abland@pascocountyfl.net

ATTACHMENT(S):
1. PDE26-0810: Second Amendment - Global Funding and Escrow Agreement

SECOND AMENDMENT TO

FUNDING & ESCROW AGREEMENT

FOR ROADWAYS & UTILITY CAPITAL INFRASTRUCTURE

VILLAGES OF PASADENA HILLS (VOPH)

For Certain Galvin-Harris Land Services, LLC, Designated MPUD's Only

THIS SECOND AMENDMENT (the **"Second Amendment")** is made and entered into effective as of the Effective Date as defined below and pursuant to that certain Funding & Escrow Agreement originally approved by the Board of County Commissioners ("BCC") for Pasco County, Florida, on October 25, 2022, as amended by First Amendment to Funding & Escrow Agreement (the "**First Amendment**") approved by the BCC on June 4, 2024 (collectively the "**Agreement**"). This Second Amendment applies only to certain Designated VOPH MPUD's owned or controlled by Galvin-Harris Land Services, LLC, or is Designee, and does not affect any Designated VOPH MPUD owned or controlled by VOPH Master Development Company, LLC, or its Designee; therefore, this Second Amendment is entered into by and between Pasco County, Florida (the "**County**") and Galvin-Harris Land Services, LLC ("**Galvin**"), only, as authorized by Section 3.a. of the original Agreement, and with reference to the following facts:

A. The Agreement previously included the following Galvin- Designated VOPH-MPUD's (as defined in the Agreement) and related roadway and utilities capital infrastructure associated with such Designated VOPH-MPUD's:

Harvest Commons MPUD
Harvest Hills North MPUD
Evans Nursery MPUD
Harvest Hills South MPUD
Grandview MPUD

B. Subsequent to the First Amendment, the BCC also has now approved two (2) additional Galvin-Designated VOPH MPUD's which are owned or controlled by Galvin, with related roadway and utilities capital infrastructure associated with each such VOPH MPUD:

Colon MPUD
Harvest Hills West MPUD

In addition, Galvin has now acquired and controls the entire Village Green MPUD, a previously approved VOPH-MPUD which Galvin desires to add as a Galvin-Designated VOPH-MPUD. Galvin also has acquired a parcel contiguous with the previously-approved MPUD and contemplates an MPUD modification for the existing Village Green MPUD to include such revised MPUD boundary as reflected on the attached exhibits, and to designate the modified MPUD as a VOPH-Designated MPUD pursuant to the Agreement, but subject to BCC approval of such MPUD modification.

C. Galvin presently has submitted a VOPH MPUD application and is pursuing BCC approval for the LD Mitchell MPUD and the Peeples MPUD, both of which Galvin desires also to identify as Galvin-Designated VOPH MPUD's, effective upon and subject to BCC approval of the respective MPUD's and Galvin or its designee's (which may include the current fee owner) written notification to the County that it has acquired title to the VOPH-MPUD as set forth in Section 3.a. of the Agreement. Galvin also has acquired ownership or control of two (2) additional parcels contiguous with the existing Harvest Commons MPUD and contemplates an MPUD modification for the existing Harvest Commons VOPH-Designated MPUD to includes such additional parcels, which revised MPUD boundary is now reflected on the attached exhibits, but subject to BCC approval of such MPUD modification.

D. Section 3.a. of the Agreement authorized the applicable Developer (as defined in the Agreement) and the County Administrator to mutually agree on the addition of more VOPH projects owned or controlled by either Developer, to the list of Designated VOPH-MPUD's under the Agreement, and to identify the associated roadway and utilities infrastructure related to each such Designated VOPH-MPUD.

E. For the new, proposed LD Mitchell VOPH-MPUD and proposed Peeples MPUD, the additions to the required roadway and utilities infrastructure set forth in this Second Amendment remain conditioned upon the subsequent approval by the BCC for the associated LD Mitchell VOPH-MPUD Conditions of Approval and Peeples VOPH-MPUD Conditions of Approval, respectively, consistent with the allocation of such required roadway and utilities infrastructure for the LD Mitchell MPUD and Peeples MPUD as set forth in this Second Amendment.

F. The additional infrastructure projects to be undertaken by Galvin hereunder and which require any County funding, reimbursement, or the award of further VOPH fee credits to Galvin, have been approved by the BCC as specified in this Second Amendment.

G. No provision in this Second Amendment is intended to amend any pre-existing provision of the Agreement as applicable to the other Co-Developer, VOPH Master Development Company, LLC, nor to impose any new obligation upon said other Co-Developer.

NOW, THEREFORE, the County and Galvin agree as follows:

1. **Recitals & Exhibits**. The above recitals are true and correct, and all recitals and exhibits hereto are incorporated herein by reference.

2. **Defined Terms**. All capitalized terms used herein shall have the meanings ascribed to them in the Agreement, if not specifically defined (or re-defined) in this Second Amendment.

3. **Revised Designated VOPH-MPUD's; Substitute Exhibit A**. Based upon the additional VOPH-MPUD projects now owned or controlled by Galvin, the list of Designated VOPH-MPUD's

pursuant to Section 3.a. of the Agreement is hereby modified as set forth on **Exhibit A** attached hereto, which is substituted as the replacement **Exhibit A** to the Agreement. In summary, the revisions to Exhibit A include only (i) the addition of Colon MPUD, Harvest Hills West MPUD, and Village Green MPUD as Galvin-Designated VOPH MPUD's (based on the BCC's prior MPUD approvals), and (ii) the addition of LD Mitchell MPUD and Peeples MPUD as Galvin-Designated VOPH MPUD's (but subject to and conditioned upon BCC approval of the LD Mitchell MPUD and Peeples MPUD).

By way of clarification only, no changes are being made to the list of the pre-existing VOPH Master-Designated VOPH MPUD's nor to any pre-existing roadway or utilities infrastructure requirements related to any Designated VOPH MPUD owned or controlled by VOPH Master.

4. **Revised Designated Master Roadway Pipeline Projects; Substitute Exhibit B-1 and Exhibit B-2**. Galvin has reviewed with the County Engineer and PDEG the implementation of the following VOPH MRP items:

(i) The required portion of the VOPH MRP roadway infrastructure proposed for LD Mitchell MPUD (subject to BCC approval of the new Galvin-Designated LD Mitchell VOPH MPUD);

(ii) The required portion of the VOPH MRP roadway infrastructure proposed for Peeples MPUD (subject to BCC approval of the new Galvin-Designated Peeples VOPH MPUD);

(iii) A revised Harvest Hills North MPUD internal roadway plan to implement VOPH MRP North-South Avenue B (Segment A2) within Harvest Hills North MPUD which will serve as the functional equivalent to the conceptual MRP alignment previously depicted on Exhibit B-1 and B-2 to the First Amendment; and

(iv) The deletion of Tyndall Road Segment K as a required roadway obligation for the Grandview MPUD, based upon other substantial roadway improvement obligations allocated to Galvin herein and Galvin's commitment to act as the County's Constructing Entity for certain County-funded VOPH roadway projects, as set forth herein.

No revisions are being made to the previously approved Exhibit B-1 and B-2 to the First Amendment for any other Designated MPUD's under the Agreement.

With respect to the revision of the Harvest Hills North MPUD Roadway North-South Avenue B (Segment A2), said revision is based upon the revised internal roadway network and pedestrian trail connectivity plan as conceptually depicted and attached as new **Exhibit B-12** (Harvest Hills North Connectivity Plan), which alignments may be modified at the time of PSP/construction plan approval(s), subject to approval by the County Engineer and PDEG that any such modification maintains the functional equivalent for the previous Segment A2 together with pedestrian connectivity to Handcart Road and Prospect Road, while facilitating a superior community layout plan. The County shall remove the deleted Segment A2 from the VOPH MRP and no right-of-way shall be reserved or dedicated by the Developer for said segment, notwithstanding any existing right-of-way requirement for the Harvest Hills North

MPUD, and revised subdivision PSP/construction plans may proceed without MPUD modification, based on this Second Amendment.

Based upon items 4(i) through 4(iv) above, the Designated Master Roadway Pipeline Projects under Section 4 of the Agreement are hereby revised as identified on **Exhibit B-1** and as graphically depicted on **Exhibit B-2,** which are hereby substituted as **Exhibit B-1** and **Exhibit B-2** to the Agreement.

By way of clarification, only the portion of North-South Avenue B now depicted as MRP Segment A on Exhibit B-2 shall be subject to the award of VOPH Transportation Development Fee credits; the internal subdivision roads now serving as the functional equivalent to former MRP Segment A2 shall not be subject to VOPH Transportation Development Fee credits.

5. **Clarification For Developer Utility Projects.** Based upon further review and direction from PCUD, the following clarifications are made with respect to Section 5.c. of the Agreement:

   (i) PCUD has directed the Co-Developers not to include reclaim water transmission lines for certain Designated VOPH MPUDs that are generally located north of Overpass Road, as reclaim water service is not available and is not being provided for in PCUD's Master Utility Plans (MUPs) for VOPH. Consequently, **Exhibit E-3** (Developer Reclaim Transmission Line Projects Graphic) is hereby deleted from the Agreement.

   (ii) By way of clarification and to avoid any conflict, the terms and conditions set forth in the County Utility Projects Joint Funding Agreement, as amended from time to time, shall govern in the event of any direct conflict between the Funding & Escrow Agreement and the County Utility Projects Joint Funding Agreement, with respect to the Developer Utility Pipeline Projects for each Designated VOPH-MPUD. Consequently, the Developer Utility Pipeline Projects under Section 5.c. of the Agreement and as set forth on Exhibit E-1, E-2, and E-4 in the First Amendment, remain subject to (i) the VOPH MUPs as approved from time to time by PCUD, and (ii) the internal subdivision utility plans for each Designated VOPH MPUD as approved from time to time by PCUD, which PCUD-approved MUP and subdivision utility plans will not include the previously identified transmission lines in all VOPH primary and/or intermediate roadways as shown on Exhibits E-1, E-2, and/or E-4.

   (iii) Based on the now-approved VOPH MUP's for potable water and wastewater, Galvin and PCUD have updated the main transmission lines and appurtenances required to serve the Galvin-Designated VOPH MPUD's, and which therefore are creditable against VOPH utility surcharge fees. Consequently, Exhibits E-1, E-2, and E-4 have been updated with approval of PCUD as consistent with the current VOPH MUP's, and are hereby substituted as **Exhibits E-1, E-2 and E-4** to the Agreement.

6. **Overpass Road and Handcart Road Priority Projects.** Based upon the County's updated 2026 VOPH transportation analysis and related update for the VOPH Financial Plan, in recognition of the new MRP roadway design, permitting and construction commitments made by Galvin for the LD Mitchell VOPH MPUD and Peeples MPUD pursuant to Section 4 above, and in consideration for Galvin's commitment to serve as the County's

Agent/Designated Constructing Entity for certain County-funded VOPH roadway projects (the "County Road Projects") as designated below, the County has agreed to prioritize the planning, permitting, funding, and construction of the following VOPH MRP segments (including the road segments, signalization, and other appurtenant features identified on the County Road Projects Budget, Project Spending Schedule, DEP FY Funding Schedule, and County Road Projects Graphic collectively attached as **Exhibit G** hereto):

a. **Overpass Road Project:** improve existing 2-lane roadway to 4-lane roadway from Angelstem Blvd. to Old Bridge Road intersection identified as Overpass Road Segment 3 on Exhibit G (the "Overpass Road Project"); and
b. **Handcart Road Project:** (i) improve existing 2-lane roadway to 4-lane roadway for Handcart Road Segment 1 as identified on Exhibit G (from 2,600 feet south of Kiefer Rd/Pasadena Ridge to Tyndall Road); (ii) improve existing 2-lane roadway to 4-lane roadway for Handcart Road Segment 2 as identified on Exhibit G (from 1,000 feet north of Overpass Road to 2,600 feet south of Kiefer Rd/Pasadena Ridge); and (iii) improve existing Handcart Road 2-lane roadway to 4-lane roadway and construct 2 lanes for Eiland Blvd realignment for Handcart-Eiland Segment 4 as identified on Exhibit G (from 1,000 feet south of Overpass Road to existing Eiland Blvd)(collectively the "Handcart Road Project"). The County agrees that the Handcart Road Project may be constructed within the existing 100' right-of-way width, subject to County Engineer approval of the final construction plans, to avoid condemnation issues related to additional right-of-way acquisition for said VOPH MRP segment(s).

Pursuant to the updated 2026 VOPH Financial Plan and based upon the County Road Projects Budget and Project Spending Schedule set forth on Exhibit G, the County agrees to prioritize and establish CIP schedules for the foregoing County Road Projects, subject to acquisition of alternative funding mechanisms to advance construction of said projects, including, without limitation, potential issuance of VOPH District tax-exempt bonds secured by the VOPH tax increment, VOPH special assessments, VOPH Transportation Development Fees, and/or other potential County funding sources, subject to the ability to underwrite and issue VOPH tax increment bonds and/or the BCC's discretionary budget funding process (collectively referred to herein as the "Bond Funding").

For information only, the County is providing separate CIP funding for that certain Overpass Road segment from Old Bridge Road to Handcart Road, which is not included within the County Road Projects which are covered by this Second Amendment, but which will provide another important component to the VOPH MRP network.

By way of clarification, the inclusion of Handcart Road Segment 1 as a County Road Project covered by this Second Amendment shall not relieve VOPH Master Development Company from any pre-existing obligation to the County for such VOPH roadway segments, unless and until the County by separate agreement with VOPH Master Development Company agrees to modify such obligation(s) with VOPH Master Development Company.

The County hereby designates Galvin or a Galvin-designee entity (the "Galvin Construction Entity") to act as the County's Agent/ Constructing Entity for design, plans, permit approval, and construction for the Overpass Road Project and the Handcart Road Project, on the following terms and conditions:

(i) To expedite the ultimate project timeline, the County desires that the Galvin Constructing Entity proceed with Design, Engineering and Permitting (DEP) of the respective roadway segments as specified on the Project Spending Schedule contained in Exhibit G. Galvin has agreed to proceed with the DEP work for Handcart Road Segment 1 upon receipt of written notice to proceed from the County and for the other County Road Projects immediately after approval of this Second Amendment by the BCC and to advance the required funds as necessary for DEP expenses incurred prior to the commencement of County FY 2027 on October 1, 2026, subject to reimbursement by the County as set forth herein. The County has existing, accrued VOPH Development Fee funds available for allocation to the DEP work for the County Road Projects in FY 2027 and FY 2028 for DEP expenses as set forth on the DEP FY Funding Schedule. By not later than November 15, 2026, the County shall reimburse the Galvin Constructing Entity for all accrued DEP expenses submitted through September 30, 2026, and thereafter shall make such reimbursements within forty-five (45) days after submission by the Galvin Constructing Entity and as contemplated by the Project Spending Schedule and the DEP FY Funding Schedule. However, the Galvin Constructing Entity shall not proceed beyond the DEP phase with the construction phase for any County Road Projects until the BCC approves the Bond Funding.

(ii) Subject to the approval of the Bond Funding, the Galvin Constructing Entity shall use commercially reasonable efforts to construct the County Road Projects in accordance with the Project Spending Schedule and at the most competitive costs available in the market at the time of such project, subject to the bid procurement requirements of this Agreement;

(iii) The Galvin Constructing Entity shall receive and shall include in each County Road Project budget a five percent (5%) management fee its DEP management services and construction management services on the project(s);

(iv) After the Bond Funding is approved by the BCC, each County Road Project budget shall be subject to approval by the County Engineer prior to the award of the construction contract by the Galvin Constructing Entity to the contractor for each such project;

(v) Because County funding will be provided for each progress payment on the County Road Projects, the terms and conditions related to bond, guarantee, and insurance requirements set forth in Section 12 of this Agreement shall apply to the County Road Projects; provided, however, that no developer subdivision improvements shall be included in such public road contracts and provided further that the applicable contractor(s) for the County Road Projects shall provide performance bonds as required by Section 255.05, Florida Statutes.

(vi) In the event the actual total costs for the County Road Projects exceed the aggregate amount set forth on the County Road Projects Budget included in

Exhibit G, Galvin agrees that Galvin or its designee(s) shall accept VOPH Transportation Development Fee credits, in lieu of cash reimbursement, for any such aggregate cost overrun (the "Galvin Fee Credit Overrun");

(vii) In the event the actual total cost for the Overpass Road Project and the Handcart Road Project (collectively) is less than the County Road Projects Budget included in Exhibit G aggregate amount (the "Budget Cost Savings"), then the County agrees that any such Budget Cost Savings shall be used and applied by the Galvin Constructing Entity toward completion of any remaining VOPH MRP roadway segment (in Galvin's discretion) that is designated as a roadway obligation for any Galvin-Designated VOPH MPUD under this Agreement, to the extent such developer MRP roadway obligation has not already been completed by Galvin or its designee. For any such Galvin-designated MRP roadway obligation which is funded by the Budget Cost Savings, no VOPH Transportation Development Fee credits shall be awarded to Galvin or its designee for any such County-funded amount; and

(viii) Except as set forth above, such Constructing Entity arrangement shall be governed by the existing technical terms and conditions of this Agreement for such Construction Entity services, except that (a) the reimbursement caps will be governed by the County Road Projects Budget in Exhibit G (in lieu of the County's standard percentage caps in Section 11.f. of the Agreement), (b) all County disbursements or reimbursements for design, permitting or construction costs shall occur within forty-five (45) days after submittal by the Galvin-designated construction manager of the documentation required by Section 11.f. for each payment draw request for each applicable contract(s), as the work progresses, and (c) all reimbursement requests shall be made no more frequently than monthly.

7. **Handcart Road Undergrounding & Landscape Projects.** The allowed roadway design and construction costs for the retrofit segment(s) of the Handcart Road construction projects shall include the costs for underground utilities as an approved roadway cost for such Handcart Road segments, only. If Handcart Road is funded through the Bond Funding, this reimbursement shall supersede the requirements of Section 3.d. of the First Amendment with regard to Handcart Road, but it shall not supersede Section 3.d. of the First Amendment with regard to Prospect Road. With respect to the Handcart Road improvements, the Co-Developer also may request approval for additional right-of-way landscape improvements beyond the allowed landscape budget amount set forth in Exhibit G, through the customary tree mitigation fund application process, and subject to BCC approval thereof.

8. **VOPH Fee Credits for VOPH MRP and MUP Expenses**. At the request of the County, Galvin has expended sums to assist in the revised and updated VOPH MRP for PDEG and the VOPH MUP's for PCUD and which benefit the entirety of the VOPH Dependent Special District and all VOPH-Entitled Properties therein. Consequently, Galvin shall receive VOPH Transportation Development Fee Credits up to the amount of $65,000 for MRP planning, engineering, and consulting service costs incurred by Galvin on MRP matters through the date of this Second Amendment, and VOPH Utilities Surcharge Fee Credits up to the amount of $178,090 for MUP planning, engineering, and

consulting service costs incurred on MUP matters, after submittal by Galvin of the respective third-party invoices and proof of payment by Galvin to PDEG. The use of the foregoing VOPH fee credits shall be subject to the existing PDEG and PCUD policies governing same.

9. **MRP Roadway Drainage Parcel Easement**. The County owns a five (5) acre m.o.l. drainage/retention parcel along future North-South Avenue B as graphically depicted on Exhibit H hereto (the "MRP Roadway Drainage Parcel"). Incident to Galvin's obligation under this Agreement to construct North-South Avenue B Segment A, the County agrees to process through its required department(s) any required temporary and permanent license(s) and/or easement(s) to authorize Galvin or its constructing entity designee to access and construct non-exclusive retention/detention facilities within the MRP Roadway Drainage Parcel to provide drainage as required for such North-South Avenue B and/or to accommodate adjacent development parcel drainage. If the MRP Roadway Drainage Parcel is utilized solely for MRP roadway drainage, the County shall continue to be the responsible maintenance party for the MRP Roadway Drainage Parcel; however, if the MRP Roadway Drainage Parcel also is utilized for shared stormwater with the adjacent development parcel, then the adjacent developer, its designated CDD or POA, shall assume maintenance responsibility for the MRP Roadway Drainage Parcel.

10. **Clarification for Curley Rd & Prospect Rd Roundabout.** The previous First Amendment to this Funding & Escrow Agreement added Section 4.h.(iv) to the Agreement regarding the "Curley-Prospect Roundabout Improvements." Based upon subsequent analysis and consideration, the County and Galvin have agreed to modify Galvin's obligation (pursuant to the Grandview MPUD requirements) with respect thereto, as follows:

a. Interim Roundabout Construction. Galvin's construction responsibility for the Curley-Prospect Roundabout Improvements shall be limited to design, permitting and construction of the interim condition graphically depicted on Exhibit I hereto, which has been approved by the County Engineer and is hereby incorporated by reference into the Agreement. Galvin shall receive VOPH Transportation Fee credits for the design, permitting and construction of the interim Prospect Roundabout Improvements pursuant to the VOPH Financial Plan and related Enabling Documents.

b. **Route Study Update for Ultimate Design**. To facilitate the acquisition of additional right-of-way for the ultimate Curley-Prospect Roundabout Improvements, the County requires an updated alignment/route study. The County has requested and Galvin has agreed to act as the County's Agent for the procurement of the updated route study, subject to final approval thereof by the County Engineer. Galvin shall retain the required third-party professionals to accomplish the updated route study, and the County shall reimburse Galvin for the costs incurred with respect thereto within forty-five (45) days after receipt of each such reimbursement request with the County-required documentation from Galvin. Upon final approval of the route study by the County, the County shall be responsible for the timing, funding, and construction for the ultimate Curley-Prospect Roundabout Improvements, in the County's discretion.

11. **Miscellaneous**. Except as expressly set forth herein, all terms, conditions and Exhibits set forth in the Agreement (as previously amended by the First Amendment) shall remain in full force and effect. This Second Amendment shall be effective as of the last date signed by Galvin and the County Administrator as authorized in the Agreement; provided, however, that the provisions

herein related to the LD Mitchell MPUD shall remain conditioned upon the BCC's subsequent approval of the LD Mitchell VOPH-MPUD Rezoning, and the provisions herein related to the Peeples MPUD shall remain conditioned on the BCC's subsequent approval of the Peeples VOPH MPUD. In the event the LD Mitchell MPUD or the Peeples MPUD is not approved by BCC as contemplated herein, the remaining provisions of this Second Amendment not related to the LD Mitchell MPUD or the Peeples MPUD, as applicable, shall remain in full force and effect. Upon execution of this Second Amendment by the County Administrator and Galvin, the County shall transmit copies hereof to the VOPH Engineer Verification Agent and the VOPH Financial Escrow Agent.

WHEREFORE, the County and Galvin have executed this Second Amendment on the respective dates set forth below.

Exhibit A

Revised List of Designated VOPH-MPUDs

MPUD Name	Co-Developer
Harvest Commons MPUD	Galvin-Harris Land Services
Harvest Hills North MPUD	Galvin-Harris Land Services
Evans Nursery MPUD	Galvin-Harris Land Services
Harvest Hills South MPUD	Galvin-Harris Land Services
Grandview MPUD	Galvin-Harris Land Services
Harvest Hills West MPUD	Galvin-Harris Land Services
Colon MPUD	Galvin-Harris Land Services
Village Green MPUD	Galvin-Harris Land Services
LD Mitchell MPUD*	Galvin-Harris Land Services
Peeples MPUD*	Galvin-Harris Land Services
Evans Pasadena MPUD	VOPH Master Development

*Subject to BCC approval of LD Mitchell MPUD and Peeples MPUD

Prior or subsequent to closing on the applicable VOPH-MPUD land, the applicable Co-Developer shall have the right to designate its VOPH-MPUD ownership entity; provided, however, that the applicable VOPH master roadway pipeline projects and master utility pipeline projects identified for each such VOPH-MPUD in this Development Agreement shall remain applicable to and binding upon each such successor owner or assignee so designated by the Co-Developer, as to that VOPH-MPUD. In addition, either Co-Developer with the consent of the County Administrator may designate additional VOPH-MPUD's with appurtenant designated master roadway and/or utility pipeline projects, or may re-allocate pipeline improvements among such Co-Developer's designated VOPH-MPUD's, in which event the applicable exhibits to the Development Agreement shall be administratively amended by the applicable Co-Developer and the County Administrator.

Exhibit B-1

Re-Designated Master Roadway Pipeline Projects

Designated VOPH-MPUD	**Designated Roadway Pipeline Project Segments/Descriptions**
Harvest Commons MPUD:	B - Handcart Road from MPUD southern boundary to SR 52 - new 4-lane road
	A - North-South Avenue B from MPUD School Site southwest corner to SR 52 - new 2-lane road
Harvest Hills North MPUD:	F - Handcart Road from Prospect Road to MPUD northern boundary - new 4-lane road
	P - Prospect Road from westernmost MPUD driveway access connection to North-South Avenue B - rebuilt 2-lane road
	E - Prospect Road from North-South Avenue B to Handcart Road - rebuilt 2-lane road
Evans Nursery MPUD:	D - New River Boulevard from Tyndall Road to Prospect Road - new 2-lane road
	L - North-South Avenue B from Tyndall Road to Prospect Road - new 2-lane road
	H2 - Tyndall Road from Magnolia Island Blvd to North-South Avenue B - new 2-lane road
	H3 - Tyndall Road from west Evans Nursery MPUD boundary to Magnolia Island Blvd - new 2-lane road
Harvest Hills South MPUD:	G - Handcart Road from Tyndall Road to Prospect Road – widen to 4-lane road
	H1 - Tyndall Road from North-South Avenue B to Handcart Road – new 2-lane road
Grandview MPUD:	C2 - Prospect Road from Harvest Hills West MPUD east boundary to Harvest Hills North MPUD's westernmost MPUD driveway access connection – rebuilt 2-lane road
	N - Prospect Road from Handcart Road to J Ben Harrill Blvd – rebuilt 2-lane road

	I - J Ben Harrill Blvd from Prospect Road to the northeast Harvest Hills North MPUD boundary – realigned and rebuilt 2-lane road
Colon MPUD:	None
Harvest Hills West MPUD:	C1 - Prospect Road from Curley Road/Mirada Blvd roundabout to Harvest Hills West eastern MPUD boundary – realigned/rebuilt and new 2 lane road
Village Green MPUD:	None
LD Mitchell MPUD: *	U1 – Chapel Manor Blvd from 0.25 miles east of Handcart Road to North-South Avenue C – new 2-lane road
	U2 - Chapel Manor Blvd from North-South Avenue C to J Ben Harrill Blvd – new 2-lane road
	S3 - North-South Avenue C from Chapel Manor Blvd to northern LD Mitchell MPUD boundary
	S4 - North-South Avenue C from Overpass Road to Chapel Manor Blvd – new 2-lane road
	J4 - J Ben Harrill Blvd from Chapel Manor Blvd to northern LD Mitchell MPUD boundary – new 2-lane road
	J5 -J Ben Harrill Blvd from southeastern LD Mitchell MPUD boundary to Chapel Manor Blvd – new 2-lane road
Peeples MPUD:*	V1 - J Ben Harrill Blvd from East-West Street C to Peeples MPUD north boundary – new 2-lane road
	V2 - J Ben Harrill Blvd from Old Bridge Road to East-West Street C – new 2-lane road
	V3 - East-West Street C from J Ben Harrill Blvd to Ft. King Road – new 2-lane road

*Subject to BCC approval of the LD Mitchell MPUD and Peeples MPUD.

Evans Pasadena MPUD:	T1 - Handcart Road from Pasadena Ridge Blvd/Keifer Rd to Tyndall Rd – widen to 4-lane road
	T2 - Handcart Road from Evans Pasadena MPUD south boundary to Pasadena Ridge Blvd/Keifer Rd – widen to 4-lane road
	R1 – Pasadena Ridge Blvd from Handcart Road to J Ben Harril Blvd – new 4-lane road

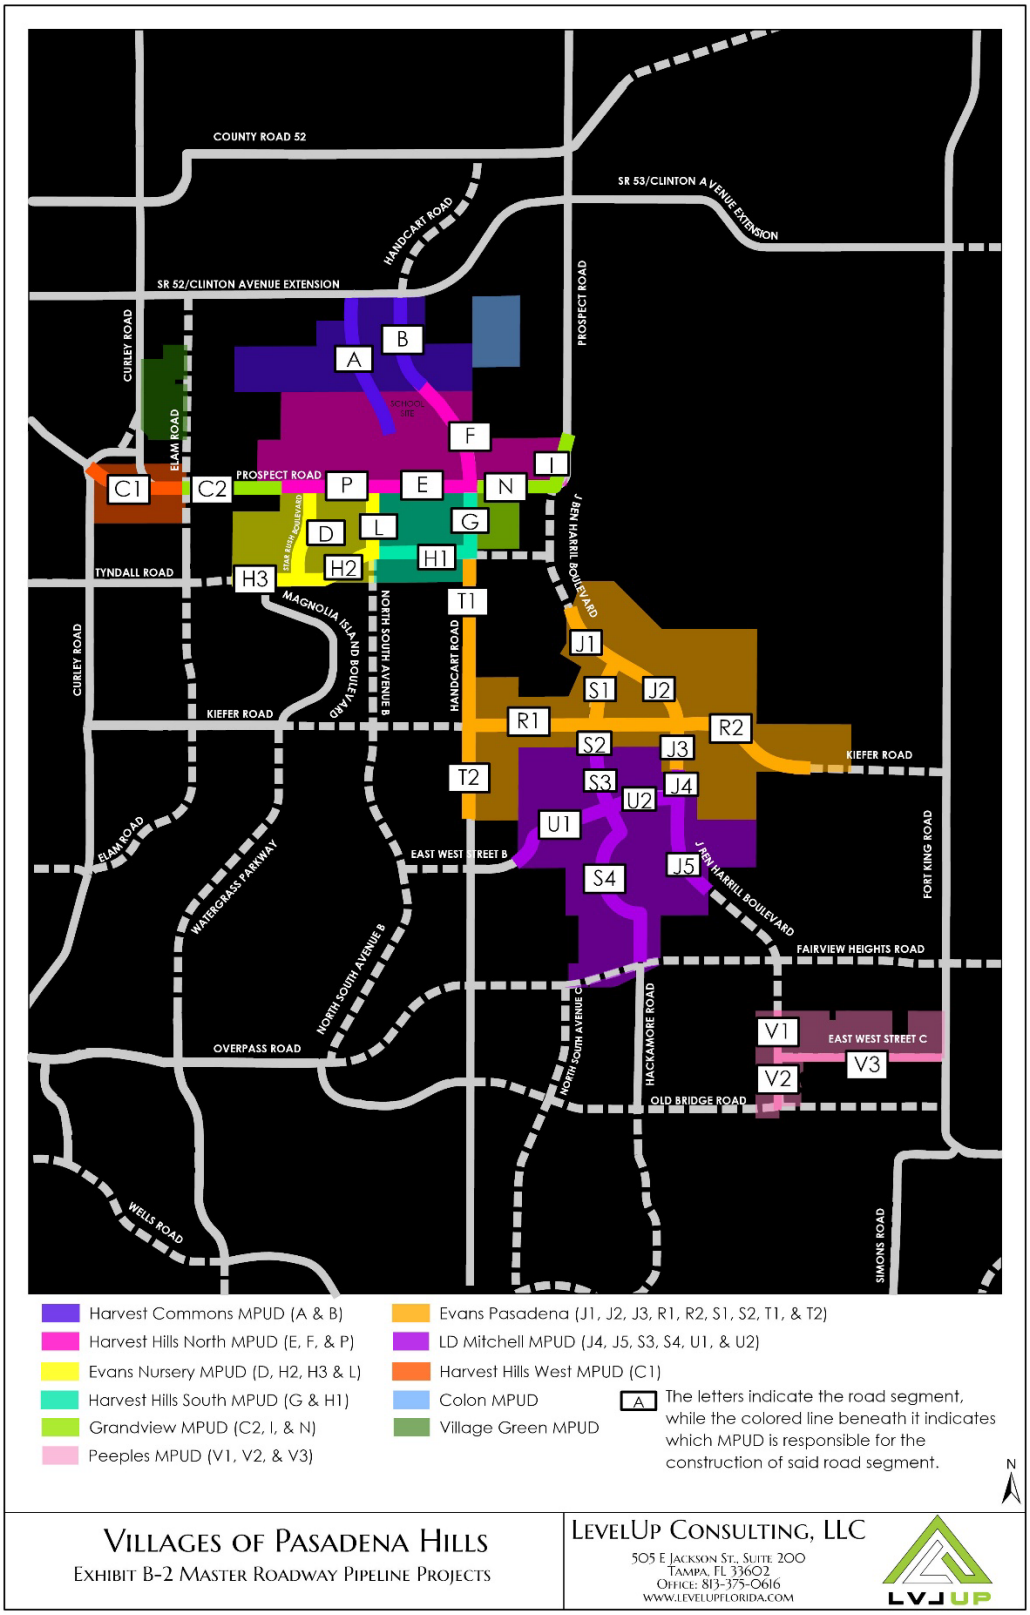
R2 - Pasadena Ridge Blvd from J Ben Harrill Blvd to Evans Pasadena MPUD easternmost access connection – new 4-lane road

J1 – J Ben Harrill Blvd from North-South Avenue C to Evans Pasadena MPUD northwest boundary – new 2-lane road

J2 – J Ben Harrill Blvd from Pasadena Ridge Blvd to North-South Avenue C – new 2-lane road

J3 – J Ben Harrill Blvd from Evans Pasadena MPUD south boundary to Pasadena Ridge Blvd – new 2-lane road

S1 - North-South Avenue C from Pasadena Ridge Blvd to J Ben Harrill Blvd – new 2-lane road



S1 - North-South Avenue C from Evans Pasadena MPUD south boundary to Pasadena Ridge Blvd – new 2-lane road

Notes:

Based upon the most recent amendments to the VOPH Financial Plan and other VOPH Enabling Documents, all the foregoing Designated Master Roadway Pipeline Projects (both primary and intermediate roadways, including the specified off-site Intersection Improvements) shall be eligible for VOPH Development Fee credits pursuant to this Development Agreement. As authorized in the Agreement, the Co-Developer or its designated Constructing Entit(ies) for each Designated VOPH-MPUD may design, fund and/or construct the specified roadway pipeline(s) for such VOPH-MPUD in phases or increments, provided that (i) the access management requirements for such Co-Developer designated phase or increment shall be approved concurrently with the approved construction plans for such Co-Developer designated phase or increment and (ii) all Designated Roadway Pipeline Projects specified for that VOPH-MPUD shall be constructed, funded or bonded prior to recordation of the plat for the final phase of development for that VOPH-MPUD. If funds are tendered into escrow pursuant to the Agreement for a specific Designated VOPH-MPUD roadway segment, such funds may only be used by the Co-Developer (or its Constructing Entity designee(s)) for that Designated VOPH-MPUD and only for such designated roadway segment and/or Intersection Improvements for which the funds were tendered. Based upon the pre-funding of the escrow account for each Co-Developer phase or increment, no building permits or certificates of occupancy shall be withheld within

that MPUD phase or increment due to (x) any pending completion of the portion of the Designated Master Roadway Pipeline Project(s) allocated to that development phase or increment, or (y) any Designated Master Roadway Pipeline Project(s) for that MPUD which are allocated to a separate development phase or increment.

NOTES:

1. CROSSWALKS ON THE RIGHT TURN SLIP LANE PEDESTRIAN CROSSINGS AND WARNING DEVICES SHOWN ARE CONCEPTUAL AND INTENDED TO ILLUSTRATE INTERIM SAFETY ENHANCEMENTS CONSISTENT WITH ROUNDABOUT PRACTICE. PEDESTRIAN CROSSINGS WOULD OPERATE UNDER YIELD CONTROL, SUPPORTED BY PEDESTRIAN-ACTUATED RRFB'S AND ADVANCE WARNING FLASHING BEACONS, TO REINFORCE DRIVER AWARENESS AND LOW-SPEED OPERATION. PLACEMENT OF BEACONS AND CROSSING LOCATIONS ARE ILLUSTRATIVE. FINAL LOCATION, TRAIL ALIGNMENT, ADA-COMPLIANT GRADING, AND CONSTRUCTION DETAILS MUST BE REFINED DURING THE FINAL DESIGN TO ENSURE ALL IMPROVEMENTS REMAIN WITHIN CONTROLLED RIGHT-OF-WAY AND AVOID ENCROACHMENT INTO ADJACENT NON-COOPERATING PROPERTIES. IF POST-IMPLEMENTATION MONITORING INDICATES HIGHER-THAN-DESIRED SPEEDS, RAISED CROSSWALKS MAY BE INCORPORATED AS A TRAFFIC-CALMING MEASURE TO REINFORCE YIELDING BEHAVIOR AND LOW-SPEED OPERATION.

2. ADVANCED WARNING FLASHING BEACONS WITH "PED AHEAD" SIGNS ONLY ACTIVATED BY RRFB ACTIVATION.

3. PLACEMENT OF THE BEACONS IS SHOWN FOR ILLUSTRATION PURPOSE ONLY.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.**: CAO26-2013 **DATE**: June 16, 2026

SUBJECT: Litigation Status Report for January, February and March (Q1) - County Attorney–Status–No Funding Required

TO: Honorable Chairman and the Board of County Commissioners

THRU: Jeffrey N. Steinsnyder, County Attorney 5-14-2026

FROM: Anthony Salzano, Senior Assistant County Attorney

RECOMMENDED BOARD ACTION:

No action required.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On August 27, 2008, the Board approved a request by the County Attorney issuing general authorization to defend Pasco County. At that time, the County Attorney indicated that the Board of County Commissioners would be kept informed of new litigation filed against the County by periodic status reports. A list of all new litigation appears in the table below. If you have any questions concerning any of these new cases, please contact the County Attorney's Office.

CASE STYLE	DATE SERVED	DESCRIPTION
Jackie Ford v. Pasco County, et. al.	01/26/2026	Personal Injury
Gerald Collette v. Pasco County	02/02/2026	Probate
William Jenkins v. Pasco County	02/09/2026	Personal Injury
Brenton Basinger v. Pasco County	02/11/2026	Writ of Mandamus
Wayne Allen v. Pasco County	02/18/2026	Personal Injury
Fernando Paz v. Pasco County	02/19/2026	Personal Injury
State Farm Mutual Automobile Insurance a/s/o Daniel L. Ortiz v. Pasco County	02/27/2026	Subrogation

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** MPO26-0144 **DATE:** 6/16/2026

SUBJECT: Budget Amendment — Pasco County Metropolitan Planning Organization - Recognize Revenue for Consolidated Planning Grant (CPG) FY 2027 - FY 2028 Agreement Grant G26M00 — $2,257,398.00

REFERENCES: Title 23, CFR 450.308 Florida Statutes 339.175(6)(a)(3) and 339.175(9)

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: Tania Gorman, Executive Director MPO

RECOMMENDED BOARD ACTION:

Approve Budget Amendment, Journal No. 2026 09 12 in the amount of $2,257,398.00, Adopt the Resolution amending the budget for Fiscal Year 2026; Authorize the Chairman to execute the one original Resolution provided; and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

MPO has received the new allocation to the Consolidated Planning Grant (CPG) in the amount of $2,257,398.00. The purpose of this Agreement is to provide financial assistance through the Florida Department of Transportation (FDOT) in the form of FHWA funds to the MPO for the completion of transportation related planning activities set forth in the Unified Planning Work Program (UPWP) of the MPO (Project), state the terms and conditions upon which FHWA funds will be provided, and set forth the manner in which work tasks and subtasks within the UPWP will be undertaken and completed. The MPO, a legally independent governmental entity per Florida Statutes, will plan and program the Federal planning funds. The funds are not county-related and shall solely be used by the Pasco MPO for planning and programming purposes.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Upon approval of Budget Amendment, Journal No. 2026 09 12, funding in the amount of $2,257,398.00 will be available in the Grant Fund, Metropolitan Planning Organization, Grant G26M00.

DISTRIBUTION:

Board Records to distribute as set forth below:
Clerk's Office / Board Records to retain one (1) original.
2. Electronically to:
a. Laurie Schaediger, Business Compliance & Contracts Manager, - lschaediger@pascocountyfl.net
b. Keontra Campbell, Planning Manager, Pasco MPO - kcampbell@pascocountyfl.net
c. Stefanie E. Anderson, Fiscal Services Manager, DEV SRVS, standerson@pascocountyfl.net

d. Kristen King, Grants Manager, OMB, kking@pascocountyfl.net
e. Daniel Risola, Assistant Budget Director, OMB, drisola@pascocountyfl.net

ATTACHMENT(S):

1. MPO26-0144 Resolution
2. MPO26-0144 Journal 2026 09 12
3. MPO26-0144-Item 7 - Consolidated Planning Grant (CPG) FY 2027 - FY 2028

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. _____**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AMENDING THE FINAL BUDGET FOR FISCAL YEAR 2026; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 129.06(2), Florida Statutes provides legal authority and defines how a budget may be amended for that year, and may within the first 60 days of a fiscal year amend the budget for the prior fiscal year; and,

WHEREAS, pursuant to Section 129.06(2)(d), Florida Statutes, a receipt of a nature from a source not anticipated in the budget and received for a particular purpose, including but not limited to grants, donations, gifts, or reimbursement for damages, may, by resolution of the board spread on its minutes, be appropriated and expended for that purpose, in addition to the appropriations and expenditures provided for in the budget. Such receipts and appropriations must be added to the budget of the proper fund. The resolution may amend the budget to transfer revenue between funds to properly account for unanticipated revenue.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, that:

1. The Fiscal Year 2026 Final Budget be amended.
2. Revenues and expenses are increased in the amount of $2,257,398.00 within the Grant Fund, Metropolitan Planning Organization, Grant G26M00 for the Consolidated Planning Grant (CPG) FY 2027 – FY 2028.
3. This resolution will take effect immediately upon its adoption.

DULY ADOPTED with a quorum present and voting this _____ day of _____, 2026.

FDOT/METROPOLITAN PLANNING ORGANIZATION AGREEMENT

Financial Project No.: 439337-6-14-01 (item segment phase sequence)	Fund: PL	FLAIR Approp.: 088854
	Function: 215	FLAIR Obj.: 780000
Contract No.: _____	Federal Award Identification No. (FAIN): _____	Org. Code: 55072010730
	MPO Unique Entity Identifier (UEI) No.: LNBJT4UX78P8	Vendor No.: F596000793071
CFDA Number & Title: 20.25 Highway Planning & Construction		

THIS FDOT/METROPOLITAN PLANNING ORGANIZATION AGREEMENT (Agreement) is made and entered into on this day of , by and between the STATE OF FLORIDA, DEPARTMENT OF TRANSPORTATION (Department), an agency of the State of Florida, whose address is Office of the District Secretary, 11201 N. McKinley Drive, Tampa, FL 33612 and the Pasco County Metropolitan Planning Organization (MPO), whose address is 8731 Citizens Drive, Suite 320, New Port Richey, FL 34654, and whose Unique Entity Identifier (UEI) assigned by the System for Award Management (SAM.gov) is: LNBJT4UX78P8 (collectively the "Parties").

NOW, THEREFORE, in consideration of the mutual covenants, promises, and representation herein, the Parties desiring to be legally bound, do agree as follows:

1. **Authority:** The MPO and the Department have authority to enter into this Agreement pursuant to 23 U.S.C. 134, 23 Code of Federal Regulations (CFR) § 450 and Section 339.175, Florida Statutes (F.S.), which, require the Department and the MPO to clearly identify the responsibilities for cooperatively carrying out the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) components of the Metropolitan Planning Process and accomplish the transportation planning requirements of state and federal law.

2. **Purpose of the Agreement:** The purpose of this Agreement is for the Department to provide Federal financial assistance to the MPO in the form of FHWA funds to support transportation planning activities identified in the MPO's Unified Planning Work Program (UPWP). This Agreement sets forth the terms and conditions under which FHWA funds will be provided and outlines the manner in which work tasks and subtasks in the UPWP will be undertaken and completed. The work to be performed by the MPO is fully described in the UPWP, which is attached and incorporated into this Agreement as Exhibit "A."

3. **Consolidated Planning Grant (CPG):** The Department began participating in the Consolidated Planning Grant (CPG) program with the State fiscal year (FY) 2022/23 – 2023/24 UPWP cycle. The Department designated FHWA to serve as the CPG lead grant agency in accordance with FTA Circular 8100.D. Under the CPG, FHWA and FTA annually deliver lump sum appropriations to the Department for allocation to MPOs for metropolitan planning activities. The federal funds are provided to the Department as FHWA Planning (PL) and FTA 5305(d) funds. The Department uses the CPG to combine the FHWA PL and FTA 5305(d) MPO allocations into a single grant administered by FHWA. The Department continues to calculate annual MPO funding allocations using the approved FHWA PL and FTA 5305(d) allocation formulas.

4. **Scope of Work:** The UPWP, Exhibit "A", constitutes the Scope of Work for this Agreement, including the Statement of Assurances, which are legally binding under this Agreement.

5. **Budgetary Ceiling:** The total budgetary ceiling for the UPWP is $2,257,398. The budget, including tasks, is summarized below and detailed in the UPWP, Exhibit "A". The budget may be modified by mutual agreement as provided for in paragraph 9, Amendments.

The Department's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. No work shall begin before the Agreement is fully executed and a "Letter of Authorization" is issued by the Department. The total of all authorizations shall not exceed the budgetary ceiling established for this Agreement and shall be completed within the term of this Agreement:

Financial Project No.	Amount
439337-6-14-01 (PL Funds)	$2,257,398

6. **Non-federal Share:** It is the policy of the Department to fulfill the non-federal share or "soft match" with toll credits as authorized by Title 23 U.S.C. § 120 conditional on funding availability. The MPO must identify and describe the soft match in its 2-year UPWP introduction and show the total amount of toll credits used to match the FHWA funds in the UPWP Summary Budget Tables.

7. **Term of Agreement:** This Agreement shall have a term of two (2) years. This Agreement shall begin on the later of July 1, 2026 or the date the Agreement is fully executed, whichever is later, and expire on June 30, 2028. If the Agreement is fully executed after July 1, 2026, then the term of the Agreement shall be less than two (2) years and the Agreement shall expire on June 30, 2028. Expiration of this Agreement will be considered termination of the UPWP. The cost of any work performed after the expiration date of this Agreement will not be reimbursed by the Department.

8. **Renewals and Extensions:** This Agreement shall not be renewed or extended.

9. **Amendments:** Amendments may be made during the term of this Agreement. Any Amendment must be in writing and signed by the Parties with the same formalities as the original Agreement.

   A. **Amendments and Modifications to the UPWP:** Revisions to the UPWP shall require either an Amendment or a Modification. Such revisions may be budgetary and/or programmatic in nature and may be either major or minor in scale. Minor revisions shall be processed by the MPO as a Modification, whereas major revisions shall be processed by the MPO as an Amendment. A major revision shall be defined as an alteration to the UPWP that materially impacts its original intent or anticipated outcomes.

   The following section further clarifies the actions necessitating UPWP Amendments and Modifications.

   i. **Amendments to the UPWP**

   UPWP Amendments are required for actions described in 2 CFR 200.308 and 29 CFR 1470.30, as referenced in the MPO Program Management Handbook, FHWA technical memorandums and guidance, FDOT Technical memorandums and guidance, as well as other federal regulations.

   In addition, a change in the MPO's staff director, organizational name, or voting structure requires a UPWP Amendment.

   ii. **Modifications to the UPWP**

   UPWP changes that do not require an Amendment may be processed as a UPWP Modification.

   iii. If the MPO makes a modification to the UPWP budget, then the MPO shall immediately send any such modifications to the Department. Amendments to the UPWP must be approved by FHWA. Proposed amendments to the UPWP shall be filed with the Department. Within a reasonable amount of time, the Department shall review and transmit the proposed UPWP amendment and supporting documents to the FHWA with a recommendation for approval or denial. Transmittal of the proposed UPWP amendment and supporting documents to FHWA may be delayed by the Department due to the MPO failing to include all documentation required

for the UPWP Amendment. The Department shall immediately forward to the MPO all correspondence that the Department receives from FHWA regarding the proposed UPWP amendment. If FHWA approves the amendment to the UPWP then this Agreement and supporting documentation must be amended immediately following such approval.

10. General Requirements:

A. The MPO shall complete the UPWP with all practical dispatch in a sound, economical, and efficient manner, and in accordance with the provisions in this Agreement, the Interlocal Agreement establishing the MPO, and all applicable laws.

B. Federal-aid funds shall not participate in any cost which is not incurred in conformity with applicable Federal and State laws, the regulations in 23 CFR and 49 CFR, and policies and procedures prescribed by the Division Administrator of FHWA. If FHWA or the Department determines that any amount claimed is not eligible, federal participation may be approved in the amount determined to be adequately supported and the Department shall notify the MPO in writing citing the reasons why items and amounts are not eligible for federal participation. Where correctable non-compliance with provisions of law or FHWA requirements exists, Federal funds may be withheld until compliance is obtained. Where non-compliance is not correctable, FHWA or the Department may deny participation in UPWP costs in part or in total. Any determination by the Department made pursuant to this section of the Agreement is subject to the conflict and dispute resolution process set forth in Section 15 of this Agreement.

C. The MPO's financial management system must comply with the requirements set forth in 2 CFR § 200.302, specifically:

i. Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received.

ii. Accurate, current, and complete disclosure of the financial results of each Federal award or program in accordance with the reporting requirements set forth in § 200.327 Financial reporting and § 200.328 Monitoring and reporting program performance.

iii. Records that identify adequately the source and application of funds for federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income and interest and be supported by source documentation.

iv. Effective control over, and accountability for, all funds, property, and other assets.

v. Comparison of expenditures with budget amounts for each Federal award.

vi. Written procedures to implement the requirements of § 200.305 Payment.

vii. Written procedures for determining the allowability of costs in accordance with Subpart E—Cost Principles and the terms and conditions of the Federal award.

11. Compensation and Payment:

A. The Department shall reimburse the MPO for costs incurred to perform services satisfactorily during a monthly or quarterly period in accordance with the UPWP, Exhibit "A". Reimbursement is limited to the maximum amount authorized by the Department. The MPO shall submit a request for reimbursement to the Department on a quarterly or monthly basis. Requests for reimbursement by the MPO shall include an invoice, an itemized expenditure report, and progress report for the period of services being billed that are acceptable to the Department. The MPO shall use the format for the invoice, itemized expenditure report and progress report that is approved by the Department. The MPO shall provide

any other data required by FHWA or the Department to justify and support the payment requested.

B. Pursuant to Section 287.058, F.S., the MPO shall provide quantifiable, measurable, and verifiable units of deliverables. Each deliverable must specify the required minimum level of service to be performed and the criteria for evaluating successful completion. The UPWP and the quantifiable, measurable, and verifiable units of deliverables are described in Exhibit "A".

C. Invoices shall be submitted by the MPO in detail sufficient for a proper pre-audit and post-audit based on the quantifiable, measurable and verifiable units of deliverables as established in Exhibit "A". Deliverables must be received and accepted in writing by the Department's Grant Manager prior to payments.

D. The Department will honor requests for reimbursement to the MPO for eligible costs in the amount of FHWA funds approved for reimbursement in the UPWP and made available by FHWA. The Department may suspend or terminate payment for that portion of the UPWP which FHWA, or the Department acting in lieu of FHWA, may designate as ineligible for federal-aid. Regarding eligible costs, whichever requirement is stricter between federal and State of Florida requirements shall control. Any determination by the Department made pursuant to this section of the Agreement is subject to the conflict and dispute resolution process set forth in Section 15 of this Agreement.

E. Supporting documentation must establish that the deliverables were received and accepted in writing by the MPO and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in the UPWP, Exhibit "A", was met. All costs charged to the UPWP, including any approved services contributed by the MPO or others, shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of the charges. See Exhibit "D" for Contract Payment Requirements.

F. Bills for travel expenses specifically authorized in this Agreement shall be documented on the Department's Contractor Travel Form No. 300-000-06 or on a form that was previously submitted to the Department's Comptroller and approved by the Department of Financial Services. Bills for travel expenses specifically authorized in this Agreement will be paid in accordance with Section 112.061, F.S.

G. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, F.S. If the Department determines that the performance of the MPO fails to meet minimum performance levels, the Department shall notify the MPO of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The MPO shall, within sixty (60) days after notice from the Department, provide the Department with a corrective action plan describing how the MPO will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the Department, the MPO shall be assessed a non-performance retainage equivalent to 10% of the total invoice amount. The retainage shall be applied to the invoice for the then- current billing period. The retainage shall be withheld until the MPO resolves the deficiency. If the deficiency is subsequently resolved, the MPO may bill the Department for the retained amount during the next billing period. If the MPO is unable to resolve the deficiency, the funds retained may be forfeited at the end of the Agreement's term.

H. An invoice submitted to the Department involving the expenditure of metropolitan planning funds ("PL funds") is required by Federal law to be reviewed by the Department and issued a payment by the Department of Financial Services within 15 business days of receipt by the Department for review. If the invoice is not complete or lacks information necessary for processing, it will be returned to the MPO, and the 15-business day timeframe for processing will start over upon receipt of the resubmitted invoice by the Department. If there is a case of a bona fide dispute, the invoice recorded in the financial system of the Department shall contain a statement of the dispute and authorize payment only in the amount not

disputed. If an item is disputed and is not paid, a separate invoice could be submitted requesting reimbursement, or the disputed item/amount could be included/added to a subsequent invoice.

I. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred include the MPO's general accounting records and the UPWP records, together with supporting documents and records, of the consultant and all subconsultants performing work on the UPWP, and all other records of the Consultants and subconsultants considered necessary by the Department for a proper audit of costs.

J. The MPO must timely submit invoices and documents necessary for the close out of the UPWP. Within 90 days of the expiration or termination of the grant of FHWA funds for the UPWP, the MPO shall submit the final invoice and all financial, performance, and related reports consistent with 2 CFR § 200.

K. The Department's performance and obligation to pay under this Agreement is also contingent upon FHWA making funds available and approving the expenditure of such funds.

L. In the event this Agreement is in excess of $25,000 and has a term for a period of more than one year, the provisions of Section 339.135(6)(a), F.S., are hereby incorporated:

> "The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years, and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of $25,000 and which have a term for a period of more than 1 year."

M. **Disallowed Costs:** In determining the amount of the payment, the Department will exclude all UPWP costs incurred by the MPO prior to the effective date of this Agreement, costs incurred by the MPO which are not provided for in the latest approved budget for the UPWP, and costs attributable to goods or services received under a contract or other arrangements which have not been approved in writing by the Department. It is agreed by the MPO that where official audits by the federal agencies or monitoring by the Department discloses that the MPO has been reimbursed by the Department for ineligible work, under applicable federal and state regulations, that the value of such ineligible items may be deducted by the Department from subsequent reimbursement requests following determination of ineligibility. Upon receipt of a notice of ineligible items the MPO may present evidence supporting the propriety of the questioned reimbursements. Such evidence will be evaluated by the Department, and the MPO will be given final notification of the amounts, if any, to be deducted from subsequent reimbursement requests.

In addition, the MPO agrees to promptly reimburse the Department for any and all amounts for which the Department has made payment to the MPO if such amounts become ineligible, disqualified, or disallowed for federal reimbursement due to any act, error, omission, or negligence of the MPO. This includes omission or deficient documentation of costs and charges, untimely, incomplete, or insufficient submittals, or any other reason declared by the applicable Federal Agency.

Any determination by the Department made pursuant to this section of the Agreement is subject to the conflict and dispute resolution process set forth in Section 16 of this Agreement.

N. If, after UPWP completion, any claim is made by the Department resulting from an audit or for work or

services performed pursuant to this Agreement, the Department may offset such amount from payments due for work or services done under any agreement which it has with the MPO owing such amount if, upon demand, payment of the amount is not made within 60 days to the Department. Offsetting any amount pursuant to this paragraph shall not be considered a breach of contract by the Department. Any determination by the Department made pursuant to this section of the Agreement is subject to the conflict and dispute resolution process set forth in Section 16 of this Agreement.

O. **Indirect Costs:** A state or federally approved indirect cost rate may be applied to the Agreement. If the MPO does not have a federally approved indirect cost rate, a rate up to the de minimis indirect cost rate of 15% of modified total direct costs may be applied. The MPO may opt to request no indirect cost rate, even if it has a federally approved indirect cost rate.

12. Procurement and Contracts of the MPO:

A. The procurement, use, and disposition of real property, equipment and supplies shall be consistent with the approved UPWP and in accordance with the requirements of 2 CFR § 200.

B. It is understood and agreed by the Parties that participation by the Department in a project as part of the UPWP with the MPO, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the MPO's complying in full with provisions of Section 287.055, F.S., Consultants' Competitive Negotiation Act, the federal Brooks Act, 23 CFR 172, and 23 U.S.C. 112. At the discretion of the Department, the MPO will involve the Department, to an extent to be determined by the Department, in the consultant selection process for all projects funded under this Agreement. In all cases, the MPO shall certify to the Department that selection has been accomplished in compliance with the Consultants' Competitive Negotiation Act and the federal Brooks Act.

C. The MPO shall comply with and require its consultants and contractors to comply with applicable federal law pertaining to the use of federal-aid funds.

13. Audit Reports: The administration of resources awarded through the Department to the MPO by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the conduct of additional audits or evaluations of Federal awards or limit the authority of any State agency inspector general, the State of Florida Auditor General or any other State official. The MPO shall comply with all audit and audit reporting requirements as specified below.

A. In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, monitoring procedures may include but not be limited to on-site visits by Department staff and/or other procedures including, reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to Federal awards provided through the Department by this Agreement. By entering into this Agreement, the MPO agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The MPO further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Department, State of Florida Chief Financial Officer (CFO) or State of Florida Auditor General.

B. The MPO, a non-Federal entity as defined by 2 CFR Part 200.1, as a subrecipient of a Federal award awarded by the Department through this Agreement is subject to the following requirements:

i. In the event the MPO expends a total amount of Federal awards equal to or in excess of the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, the MPO must have a Federal single or program-specific audit for such fiscal year conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements. Exhibit "B", Federal Financial Assistance (Single Audit Act), to this Agreement provides the required Federal award identification information needed by the MPO to further comply with the requirements of 2 CFR Part 200, Subpart F – Audit Requirements. In determining Federal awards expended in a fiscal

year, the MPO must consider all sources of Federal awards based on when the activity related to the Federal award occurs, including the Federal award provided through the Department by this Agreement. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, Subpart F – Audit Requirements. An audit conducted by the State of Florida Auditor General in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, will meet the requirements of this paragraph.

ii. In connection with the audit requirements, the MPO shall fulfill the requirements relative to the auditee responsibilities as provided in 2 CFR Part 200, Subpart F – Audit Requirements.

iii. In the event the MPO expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in Federal awards, the MPO is exempt from Federal audit requirements for that fiscal year. However, the MPO must provide a single audit exemption statement to the Department at FDOTSingleAudit@dot.state.fl.us no later than nine months after the end of the MPO's audit period for each applicable audit year. In the event the MPO expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in Federal awards in a fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, the cost of the audit must be paid from non-Federal resources (*i.e.*, the cost of such an audit must be paid from the MPO's resources obtained from other than Federal entities).

iv. The MPO must electronically submit to the Federal Audit Clearinghouse (FAC) at https://harvester.census.gov/facweb/ the audit reporting package as required by 2 CFR Part 200, Subpart F – Audit Requirements, within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The FAC is the repository of record for audits required by 2 CFR Part 200, Subpart F – Audit Requirements, and this Agreement. However, the Department requires a copy of the audit reporting package also be submitted to FDOTSingleAudit@dot.state.fl.us within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period as required by 2 CFR Part 200, Subpart F – Audit Requirements.

v. Within six months of acceptance of the audit report by the FAC, the Department will review the MPO's audit reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate action on all deficiencies has been taken pertaining to the Federal award provided through the Department by this Agreement. If the MPO fails to have an audit conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, the Department may impose additional conditions to remedy noncompliance. If the Department determines that noncompliance cannot be remedied by imposing additional conditions, the Department may take appropriate actions to enforce compliance, which actions may include but not be limited to the following:

1. Temporarily withhold cash payments pending correction of the deficiency by the MPO or more severe enforcement action by the Department;
2. Disallow (deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
3. Wholly or partly suspend or terminate the Federal award;
4. Initiate suspension or debarment proceedings as authorized under 2 CFR Part 180 and 1200 and Federal awarding agency regulations (or in the case of the Department, recommend such a proceeding be initiated by the Federal awarding agency);
5. Withhold further Federal awards for the UPWP or program;
6. Take other remedies that may be legally available.

vi. As a condition of receiving this Federal award, the MPO shall permit the Department, or its designee, the CFO or State of Florida Auditor General access to the MPO's records including financial statements, the independent auditor's working papers and UPWP records as

necessary. Records related to unresolved audit findings, appeals or litigation shall be retained until the action is complete or the dispute is resolved.

vii. The Department's contact information for requirements under this Section is as follows:
Office of Comptroller
605 Suwannee Street, MS 24
Tallahassee, Florida 32399-0450
FDOTSingleAudit@dot.state.fl.us

C. The MPO shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Department, or its designee, the CFO or State of Florida Auditor General access to such records upon request. The MPO shall ensure that the audit working papers are made available to the Department, or its designee, the CFO, or State of Florida Auditor General upon request for a period of five years from the date the audit report is issued unless extended in writing by the Department.

14. **Termination or Suspension:** The Department may, by written notice to the MPO, suspend any or all of the MPO's obligations under this Agreement for the MPO's failure to comply with applicable law or the terms of this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected. The Department will provide written notice outlining the particulars of suspension.

The Department may terminate this Agreement at any time before the date of completion if the MPO is dissolved or if federal funds cease to be available. In addition, the Department or the MPO may terminate this Agreement if either party fails to comply with the conditions of the Agreement. The Department or the MPO shall give written notice to all Parties at least ninety (90) days prior to the effective date of termination and specify the effective date of termination.

The Parties may terminate this Agreement when its continuation would not produce beneficial results commensurate with the further expenditure of funds. In this event, the Parties shall agree upon the termination conditions.

Upon termination of this Agreement, whether for cause or at the convenience of the Parties, all finished or unfinished documents, data, studies, surveys, reports, maps, drawings, models, photographs, etc., prepared by the MPO shall, at the option of the Department, be delivered to the Department.

The Department shall reimburse the MPO for those eligible expenses incurred during the Agreement period that are directly attributable to the completed portion of the work covered by this Agreement, provided that the work has been completed in a manner satisfactory and acceptable to the Department. The MPO shall not incur new obligations for the terminated portion after the effective date of termination.

The Department reserves the right to unilaterally cancel this Agreement for refusal by the MPO or any consultant, sub-consultant or materials vendor to allow public access to all documents, papers, letters or other material subject to the provisions of Chapter 119, F.S., and made or received in conjunction with this Agreement unless the records are confidential or exempt.

The conflict and dispute resolution process set forth in Section 16 of this Agreement shall not delay or stop the Parties' rights to terminate the Agreement.

15. **Remedies:** Violation or breach of Agreement terms by the MPO shall be grounds for termination of the Agreement. Any costs incurred by the Department arising from the termination of this Agreement shall be paid by the MPO.

This Agreement shall not be considered as specifying the exclusive remedy for any dispute, but all remedies existing at law and in equity may be availed of by either party and shall be cumulative.

16. **Conflict and Dispute Resolution Process:** This section shall apply to conflicts and disputes relating to matters

subject to this Agreement, or conflicts arising from the performance of this Agreement. If possible, the Parties shall attempt to resolve any dispute or conflict within thirty (30) days of a determination of a dispute or conflict. This section shall not delay or stop the Parties' rights to terminate the Agreement. In addition, notwithstanding that a conflict or dispute may be pending resolution, this section shall not delay or stop the Department from performing the following actions pursuant to its rights under this Agreement: deny payments; disallow costs; deduct the value of ineligible work from subsequent reimbursement requests, or; offset pursuant to Section 11.N of this Agreement.

A. **Initial Resolution:** The affected Parties to this Agreement shall, at a minimum, ensure the attempted early resolution of conflicts relating to such matters. Early resolution shall be handled by direct discussion between the following officials: for the Department - the Intermodal Systems Development Manager; and for the MPO - the Staff Director.

B. **Resolution by Senior Agency Official:** If the conflict remains unresolved, the conflict shall be resolved by the following officials: for the Department - the District Secretary; and for the Pasco County Metropolitan Planning Organization - the Chairperson of the MPO.

C. **Resolution of Conflict by the Agency Secretary:** If the conflict is not resolved through conflict resolution pursuant to the provisions, "Initial Resolution" and "Resolution by Senior Agency Official" above, the conflict shall be resolved by the Secretary for the Department of Transportation or their delegate. If the MPO does not agree with the resolution provided by the Secretary for the Department of Transportation, the Parties may pursue any other remedies set forth in this Agreement or provided by law.

17. **Compliance with 49 CFR Part 26:** To the extent required by law, comply, and have your consultants and subconsultants comply, with the provisions of 49 CFR Part 26, as amended.

18. **Compliance with Laws and Regulations:**

A. The MPO shall comply and require its consultants and subconsultants to comply with all terms and conditions of this Agreement and all federal, state, and local laws and regulations applicable to this UPWP. Execution of this Agreement constitutes a certification that the MPO is in compliance with, and will require its consultants and subconsultants to comply with, all requirements imposed by applicable federal, state, and local laws and regulations.

B. The MPO shall comply with the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions," as set forth in 2 CFR Part 180 and 1200, attached and incorporated into this Agreement in Exhibit "E", and when applicable the MPO shall include Exhibit "E" required provisions in all contracts and subcontracts entered into pursuant to this Agreement.

C. **Title VI Assurances:** The MPO will comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964, the regulations of the U.S. Department of Transportation (USDOT) issued thereunder, and the assurance by the MPO pursuant thereto, including but not limited to the requirements set forth in Exhibit "C", Title VI Assurances. The MPO shall include the attached Exhibit "C", Title VI Assurances, in all contracts with consultants and contractors performing work as part of the UPWP to ensure compliance with Title VI of the Civil Rights Act of 1964, 49 CFR Part 21, and related statutes and regulations.

D. **Restrictions on Lobbying** The MPO agrees that to no federally-appropriated funds have been paid, or will be paid by or on behalf of the MPO, to any person for influencing or attempting to influence any officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement. If any funds other than federally-appropriated funds have been paid by the MPO to any person for influencing or attempting to influence an officer or

employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this Agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. The MPO shall require that the language of Exhibit "F" be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. No funds received pursuant to this Agreement may be expended for lobbying the Legislature, the judicial branch or a state agency.

E. The MPO must comply with FHWA's Conflicts of Interest requirements set forth in 23 CFR § 1.33.

19. Restrictions, Prohibitions, Controls, and Labor Provisions: During the performance of this Agreement, the MPO agrees as follows, and shall require the following provisions to be included in each contract and subcontract entered into pursuant to this Agreement:

A. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, F.S., for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

B. In accordance with Section 287.134, F.S., an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.

C. An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied or have further been determined by the Department to be a non-responsible contractor may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the MPO.

D. Neither the MPO nor any of its contractors and consultants or their subcontractors and subconsultants shall enter into any contract, subcontract or arrangement in connection with the UPWP or any property included or planned to be included in the UPWP in which any member, officer or employee of the MPO or the entities that are part of the MPO during tenure or for 2 years thereafter has any interest, direct or indirect. If any such present or former member, officer or employee involuntarily acquires or had acquired prior to the beginning of tenure any such interest, and if such interest is immediately disclosed to the MPO, the MPO, with prior approval of the Department, may waive the prohibition contained in this paragraph provided that any such present member, officer or employee shall not participate in any action by the MPO or the locality relating to such contract, subcontract or arrangement. The MPO shall insert in all contracts entered into in connection with the UPWP or any property included or planned to be included in any UPWP, and shall require its contractors and consultants to insert in each of their subcontracts, the following provision:

"No member, officer or employee of the MPO or of the locality during his or her tenure or for 2 years thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The provisions of this paragraph shall not be applicable to any agreement between the MPO and its fiscal depositories or to any agreement for utility services the rates for which are fixed or controlled by a governmental agency.

E. No member or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

20. Miscellaneous Provisions:

A. Public Records:

i. The MPO shall allow public access to all documents, papers, letters, or other material subject to the provisions of Chapter 119, F.S., and made or received by the MPO in conjunction with this Agreement, unless such documents are exempt from public access or are confidential pursuant to state and federal law. Failure by the MPO to grant such public access shall be grounds for immediate unilateral cancellation of this Agreement by the Department.

ii. In addition, the MPO shall comply with the requirements of Section 119.0701, F.S.

B. It is specifically agreed between the Parties executing this Agreement that it is not intended by any of the provisions of any part of the Agreement to create in the public or any member thereof, a third party beneficiary hereunder, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the provisions of this Agreement.

C. In no event shall the making by the Department of any payment to the MPO constitute or be construed as a waiver by the Department of any breach of covenant or any default which may then exist on the part of the MPO and the making of such payment by the Department, while any such breach or default shall exist, shall in no way impair or prejudice any right or remedy available to the Department with respect to such breach or default.

D. If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected. In such an instance, the remainder would then continue to conform to the terms and requirements of applicable law.

E. By execution of the Agreement, the MPO represents that it has not paid and, also agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for the financing hereunder.

F. Nothing in the Agreement shall require the MPO to observe or enforce compliance with any provision or perform any act or do any other thing in contravention of any applicable state law. If any of the provisions of the Agreement violate any applicable state law, the MPO will at once notify the Department in writing in order that appropriate changes and modifications may be made by the Department and the MPO to the end that the MPO may proceed as soon as possible with the UPWP.

G. The MPO shall comply with all applicable federal guidelines, procedures, and regulations. If at any time a review conducted by Department and or FHWA reveals that the applicable federal guidelines, procedures, and regulations were not followed by the MPO and FHWA requires reimbursement of the funds, the MPO will be responsible for repayment to the Department of all funds awarded under the terms of this Agreement.

H. The MPO:

i. shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by MPO during the term of the contract; and

ii. shall expressly require any contractor, consultant, subcontractors and subconsultants performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor or subconsultant during the contract term.

I. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute the same Agreement. A facsimile or electronic transmission of

this Agreement with a signature on behalf of a party will be legal and binding on such party.

J. The Parties agree to comply with s.20.055(5), F.S., and to incorporate in all subcontracts the obligation to comply with s.20.055(5), F.S.

K. This Agreement and any claims arising out of this Agreement shall be governed by the laws of the United States and the State of Florida.

21. **Exhibits:** The following Exhibits are attached and incorporated into this Agreement:

A. Exhibit "A", UPWP

B. Exhibit "B", Federal Financial Assistance (Single Audit Act)

C. Exhibit "C", Title VI/Nondiscrimination Assurances

D. Exhibit "D", Contract Payment Requirements

E. Exhibit "E", Debarment and Suspension Certification

F. Exhibit "F", Lobbying Certification for Grants, Loans, and Cooperative Agreements

IN WITNESS WHEREOF, the undersigned Parties have executed this Agreement on the day, month and year set forth above.

EXHIBIT "C"

TITLE VI/NONDISCRIMINATION ASSURANCES

Pursuant to Section 9 of US DOT Order 1050.2A, the Pasco County MPO assures the Florida Department of Transportation (FDOT) that no person shall on the basis of race, color, national origin, sex, age, disability, family or religious status, as provided by Title VI of the Civil Rights Act of 1964, the Civil Rights Restoration Act of 1987, the Florida Civil Rights Act of 1992 and other nondiscrimination authorities be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination or retaliation under any program or activity.

The MPO further assures FDOT that it will undertake the following with respect to its programs and activities:

(1.) Designate a Title VI Liaison that has a responsible position within the organization and access to the Recipient's Chief Executive Officer.

(2.) Issue a policy statement signed by the Chief Executive Officer, which expresses its commitment to the nondiscrimination provisions of Title VI. The policy statement shall be circulated throughout the MPO's organization and to the general public. Such information shall be published where appropriate in languages other than English.

(3.) Insert the clauses labeled *Appendices A and E* below in every contract subject to the Acts and the Regulations.

(4.) Develop a complaint process and attempt to resolve complaints of discrimination against sub-recipients. Complaints against the Recipient shall immediately be forwarded to the FDOT District Title VI Coordinator.

(5.) Participate in training offered on Title VI and other nondiscrimination requirements.

(6.) If reviewed by FDOT or USDOT, take affirmative action to correct any deficiencies found within a reasonable time period, not to exceed ninety (90) calendar days.

(7.) Have a process to collect racial and ethnic data on persons impacted by your agency's programs.

THIS ASSURANCE is given in consideration of and for the purpose of obtaining any and all federal funds, grants, loans, contracts, properties, discounts or other federal financial assistance under all programs and activities and is binding. The person whose signature appears below is authorized to sign this assurance on behalf of the Pasco County MPO.

APPENDICES A and E

During the performance of this Agreement, the Pasco County MPO, for itself, its assignees and successors in interest (hereinafter collectively referred to as the "contractor") agrees as follows:

(1.) **Compliance with REGULATIONS:** The contractor shall comply with the Acts and Regulations relative to nondiscrimination in federally-assisted programs of the USDOT Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, hereinafter referred to as the "Regulations", which are herein incorporated by reference and made a part of this Agreement.

(2.) **Nondiscrimination:** The contractor, with regard to the work performed during this Agreement, shall not discriminate on the basis of race, color, national origin, sex, age, disability, religion or family status in the selection and retention of sub-contractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the Agreement covers a program set forth in Appendix B of the Regulations.

(3.) **Solicitations for Sub-contractors, including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding or negotiation made by the contractor for work to be performed under sub-contract,

including procurements of materials or leases of equipment, each potential sub-contractor or supplier shall be notified by the contractor of the contractor's obligations under this Agreement and the Regulations relative to nondiscrimination on the basis of race, color, national origin, sex, age, disability, religion or family status.

(4.) Information and Reports: The contractor shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Department or FHWA, FTA, Federal Aviation Administration (FAA), and Federal Motor Carrier Safety Administration (FMCSA) to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the Department, or FHWA, FTA, FAA, or FMCSA as appropriate, and shall set forth what efforts it has made to obtain the information.

(5.) Sanctions for Noncompliance: In the event of the contractor's noncompliance with the nondiscrimination provisions of this Agreement, the Department shall impose such contract sanctions as it or FHWA, FTA, FAA, or FMCSA may determine to be appropriate, including, but not limited to:

a. withholding of payments to the contractor under the Agreement until the contractor complies, and/or

b. cancellation, termination or suspension of the Agreement, in whole or in part.

(6.) Incorporation of Provisions: The contractor shall include the provisions of paragraphs (1) through (7) in every sub- contract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The contractor shall take such action with respect to any sub-contract or procurement as the Department or FHWA, FTA, FAA, or FMCSA may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a sub-contractor or supplier as a result of such direction, the contractor may request the Department to enter into such litigation to protect the interests of the Department, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

(7.) Compliance with Nondiscrimination Statutes and Authorities: Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21; The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal- aid programs and projects); Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex); Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27; The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age); Airport and Airway Improvement Act of 1982, (49 U.S.C. § 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex); The Civil Rights Restoration Act of 1987, (PL 100-259), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not); Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 -- 12189) as implemented by USDOT regulations at 49 CFR parts 37 and 38; Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

EXHIBIT "D"
CONTRACT PAYMENT REQUIREMENTS
Florida Department of Financial Services, Reference Guide for State Expenditures
Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed, indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

Salaries: Timesheets that support the hours worked on the UPWP or activity must be kept. A payroll register, or similar documentation should be maintained. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

Fringe benefits: Fringe benefits should be supported by invoices showing the amount paid on behalf of the employee, e.g., insurance premiums paid. If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown. Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

Travel: Reimbursement for travel must be in accordance with s. 112.061, F.S., which includes submission of the claim on the approved state travel voucher along with supporting receipts and invoices.

Other direct costs: Reimbursement will be made based on paid invoices/receipts and proof of payment processing (cancelled/processed checks and bank statements). If nonexpendable property is purchased using state funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with DMS Rule 60A-1.017, F.A.C., regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in s. 273.02, F.S., for subsequent transfer to the State.

Indirect costs: If the contract stipulates that indirect costs will be paid based on a specified rate, then the calculation should be shown. Indirect costs must be in the approved agreement budget, and the entity must be able to demonstrate that the costs are not duplicated elsewhere as direct costs. All indirect cost rates must be evaluated for reasonableness and for allowability and must be allocated consistently.

Contracts between state agencies may submit alternative documentation to substantiate the reimbursement request, which may be in the form of FLAIR reports or other detailed reports.

The Florida Department of Financial Services, online Reference Guide for State Expenditures can be found at this web address https://www.myfloridacfo.com/Division/AA/Manuals/documents/ReferenceGuideforStateExpenditures.pdf.

EXHIBIT "E"

DEBARMENT and SUSPENSION CERTIFICATION

As required by the USDOT regulations on Governmentwide Debarment and Suspension at 2 CFR Part 180 and 1200:

(1.) The Pasco County MPO hereby certifies to the best of its knowledge and belief, that it and its principals:

A. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency;

B. Have not, within a three-year period preceding this proposal, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state or local) transaction or contract under a public transaction, violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

C. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses listed in paragraph (b) of this certification; and

D. Have not, within a three-year period preceding this certification, had one or more public transactions (federal, state or local) terminated for cause or default.

(2.) The Pasco County MPO also hereby certifies that if, later, it becomes aware of any information contradicting the statements of paragraphs (A) through (D) above, it will promptly provide that information to the USDOT.

EXHIBIT "F"

LOBBYING CERTIFICATION for GRANTS, LOANS and COOPERATIVE AGREEMENTS

In accordance with Section 1352 of Title 31, United States Code, it is the policy of the Pasco County MPO that:

(1.) No Federal or state appropriated funds have been paid or will be paid by or on behalf of the Pasco County MPO, to any person for influencing or attempting to influence an officer or employee of any Federal or state agency, or a member of Congress or the state legislature in connection with the awarding of any Federal or state contract, the making of any Federal or state grant, the making of any Federal or state loan, extension, continuation, renewal, amendment, or modification of any Federal or state contract, grant, loan, or cooperative agreement.

(2.) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

(3.) The Pasco County MPO shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants and contracts and subcontracts under grants, subgrants, loans, and cooperative agreement), which exceeds $100,000, and that all such subrecipients shall certify and disclose accordingly.

(4.) This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each failure.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 5 **FILE NO.:** CC26-0009 **DATE:** 6/16/2026

SUBJECT: Property Maintenance Clearing of Lots - Pasco County Code of Ordinance (Section 42-1) - Lien Resolutions - No Funding Required

REFERENCES: Code Compliance Cases: CODE-26-001101, CODE-26-000377

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: Denise Sanderson, Director of Code Compliance

RECOMMENDED BOARD ACTION:
Approve the filing of lien resolutions in the amount set forth herein to each property. Authorize the Chairman to execute the lien resolutions and direct the Clerk of Court to record the lien resolutions. Direct the Board Records to distribute, as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
In accordance with the provisions of the Pasco County Code of Ordinances, Section 42-1, the properties herein described have been cleared by the Code Compliance Department. A written demand has been provided to the property owner(s), by registered mail as noted on the tax rolls and upon expiration of the notice, corrective action has not been taken.

In accordance with established procedures, the Code Compliance Department has rectified the conditions and recommends that liens, in the amounts indicated, be attached to the described properties. The lien amounts reflect administrative costs for the Clerk of Court and the Code Compliance Department, recording costs, actual clearing, plus a penalty that is equal to the clearing costs or $75.00, whichever is greater.

The total lien amount for the 2 parcels attached is $1,682.74

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

DISTRIBUTION:
Board Records to distribute as set forth below:

1. Record and retain all original lien resolutions.
2. Provide a recorded copy to Brian Ferguson, Administrative Assistant, Email: bferguson@pascocountyfl.net

ATTACHMENT(S):
1. CC26-0009 Lien Resolutions
2. CC26-0009 Mowing Lien Calculations
3. CODE-26-001101

4. CODE-26-000377

BY THE BOARD OF COUNTY COMMISSIONERS LIEN RESOLUTION NO. _____

RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, WEST PASCO GOVERNMENT CENTER, 8731 CITIZENS DRIVE, SUITE 140, NEW PORT RICHEY, FLORIDA 34654, PROVIDING FOR THE ASSESSMENT OF A LIEN ON BEHALF OF PASCO COUNTY AGAINST CERTAIN LANDS FOR THE COSTS OF CLEARING, CLEANING, OR REMOVING DEBRIS, PENALTY COSTS, AND THE NECESSARY EXPENSES RELATING THERETO.

_____

WHEREAS, Pasco County Code of Ordinances (Code), Section 42-1, does permit the Board of County Commissioners to require the removal of weeds and other debris to preserve and protect the health, safety, and welfare of the citizens of Pasco County; and

WHEREAS, Complaint No. CODE-26-001101, has been filed as required by said ordinance; and

WHEREAS, the Board of County Commissioners of Pasco County has determined that certain property within the unincorporated areas in Pasco County needed to be cleared of weeds, brush, debris, and any noxious material located thereon to eliminate a breeding or haven for snakes and vermin of all kinds and character, and a breeding place for mosquitoes, and further creating a fire hazard and health hazard which endangered the lives and property of the citizens of Pasco County by virtue of such unsightly or unsanitary conditions; and

WHEREAS, there has been proper notice given pursuant to the above-cited section of the Pasco County Code, and the proper cleanup has been conducted upon the property described herein, and the liens specified are to attach against the property as provided for in the Pasco County Code, Section 42-1.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AS FOLLOWS:

Section 1. That the Board of County Commissioners determined that an unsightly or unsanitary condition did exist on the following described parcel or parcels of land:

Legal Description: Section 05, Township 26 South, Range 16 East, Subdivision 0780, Block 02300, Lot 0011; Pasco County, Florida

Physical Address: 5118 Main Street, New Port Richey, Fl 34652

Recorded Owner(s): Contreras Guillermo

Section 2. That notice of said unsightly or unsanitary condition was given to the property owner by registered mail as provided for in Pasco County Code, Section 42-1.

Section 3. That the required cleanup of the property was accomplished by the Code Compliance Division and the following costs and expenses, plus a penalty equal to the clearing costs, therefore, are assessed as a lien against said property as follows:

Clearing Cost	$296.21
Penalty	$296.21
Administrative Costs	$200.00
Recording Cost	$10.00
Prep. Of Satisfaction	$18.50
LIEN TOTAL	$820.92

Section 4. This lien shall bear interest at the rate of twelve (12) percent per annum until satisfied. This lien is co-equal with liens of all State, County, district, and municipal taxes, superior in dignity to all other liens, title, and claims until paid.

DONE AND RESOLVED this _____ day of _____, _____.

PASCO COUNTY CODE COMPLIANCE
DETERMINATION OF VIOLATION

CASE/PID NO.	CODE-26-001101		SUBJECT SITE	5118 MAIN ST NEW PORT RICHEY, FL 34652			
INSPECTION DATE	2-18-2026		PARCEL I.D. NO.				
OWNER-LAST NAME	CONTRERAS	FIRST NAME	GUILLERMO	MIDDLE		TELEPHONE	
ADDRESS	5118 MAIN ST	CITY	NEW PORT RICHEY	STATE	FL	ZIP	34652
OCCUPANT-LAST NAME		FIRST NAME		MIDDLE		TELEPHONE	
ADDRESS		CITY		STATE		ZIP	

You are hereby notified that you are in violation of the Pasco County Code of Ordinances, Section 42-1. Code Compliance Officer M. Frestick has determined that one or more of the following conditions existing on the subject site constitute a nuisance and/or threat to public health, public safety, economic welfare, and/or general welfare by reason of one or more of the following conditions:

☒ Unmaintained vegetation. All unmaintained vegetation that has grown in an uncontrolled manner to more than eight (8) inches in height or which is liable to produce an unhealthy or unsanitary or becomes a harboring place for mosquitoes, vermin or vectors, Section 42-1(1)(a).

☐ Any other material or condition tending by its existence and/or accumulation to endanger or adversely affect the health, safety, lives, and/or welfare of the citizens of Pasco County, Section 42-1(1)(j).

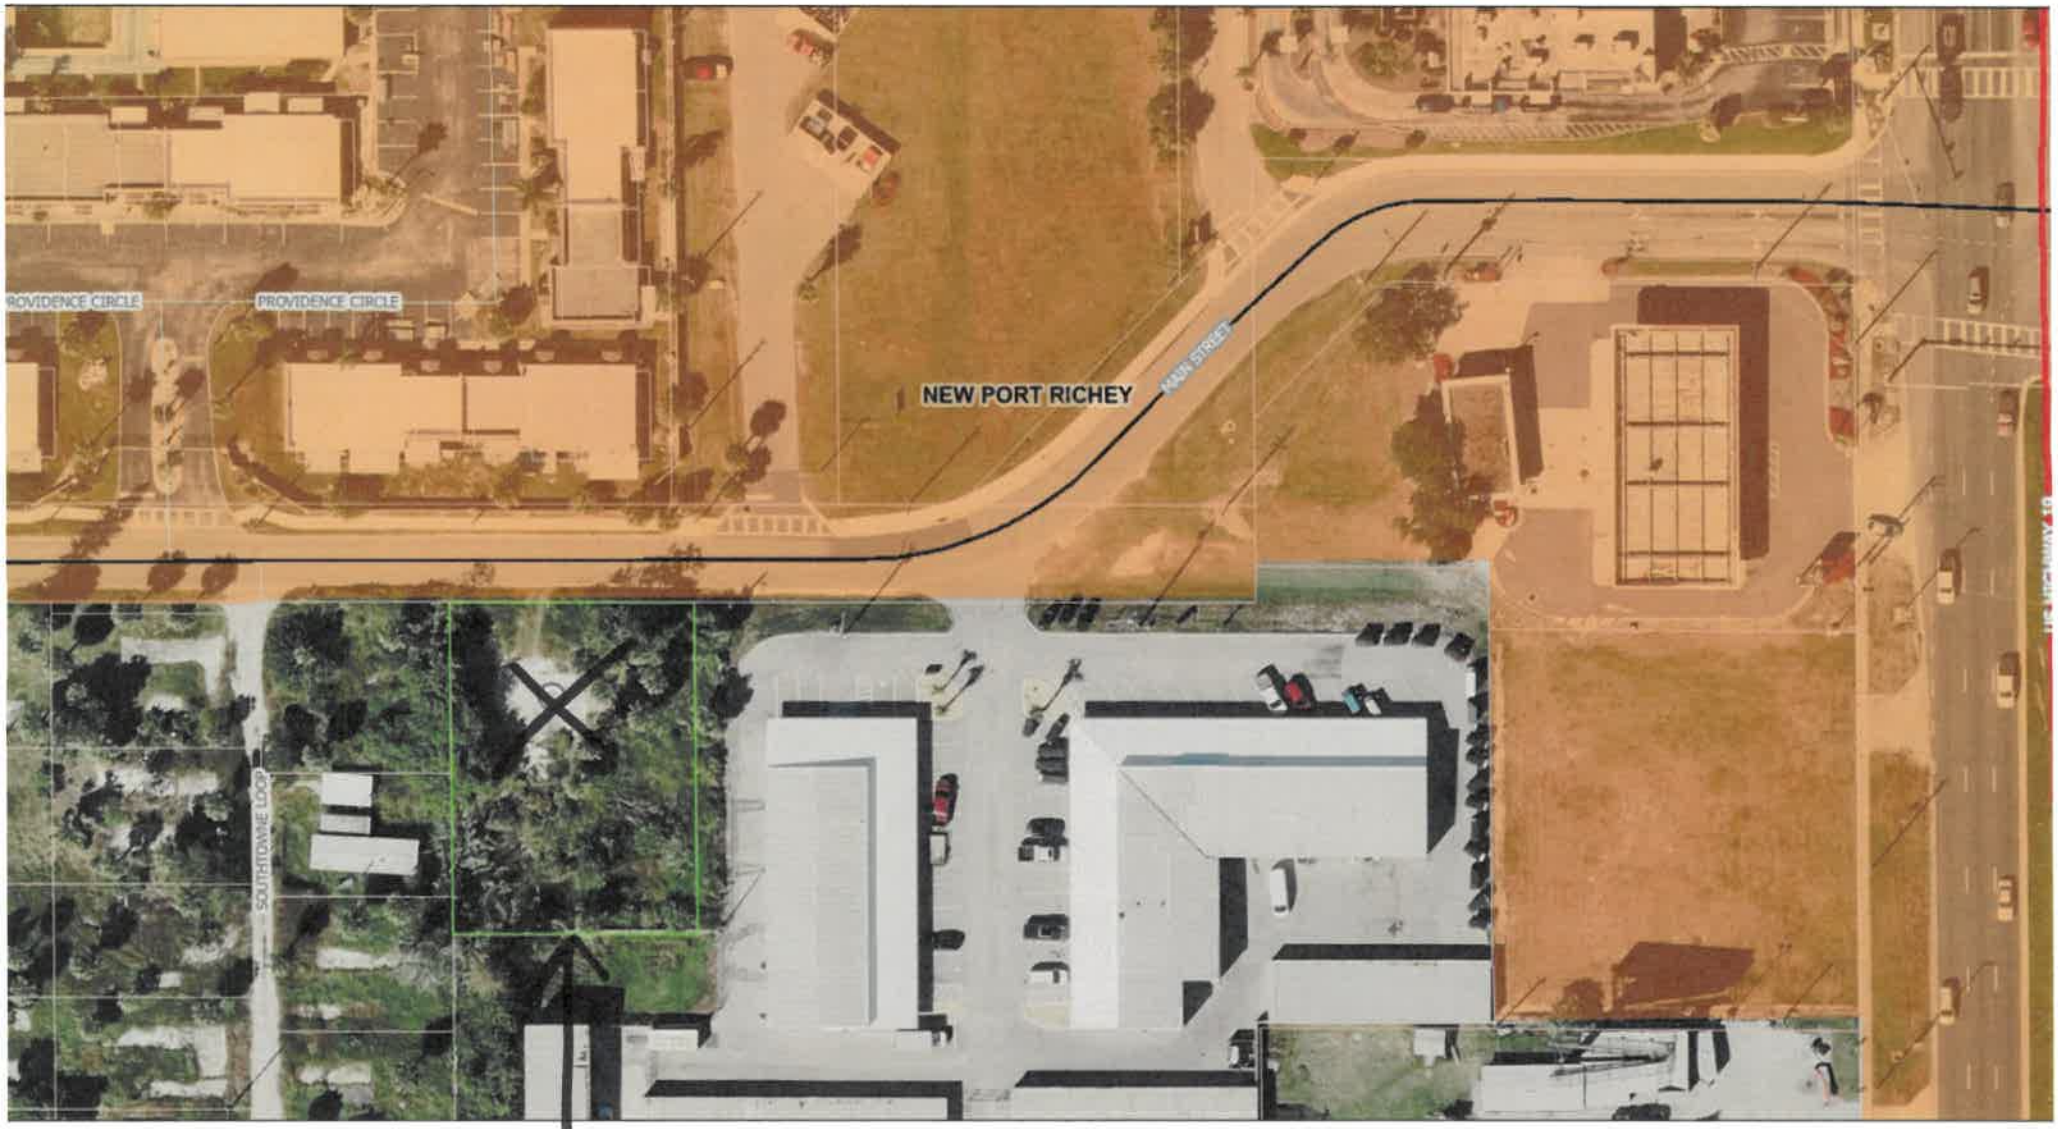
☐ Debris, rubbish or abandoned personal property on lands cleared by the County or the Property Owner pursuant to a demolition order, Section 42-1(1)(f).

☒ Other Public Health, Safety and Welfare Violation: TRASH, JUNK, AND DEBRIS ON PROPERTY CONSISTING OF DISCARDED FURNITURE, WOOD, CONSTRUCTION DEBRIS, HOUSEHOLD GARBAGE, AND OTHER MISCELLANEOUS TRASH, AND JUNK.

WITHIN 14 DAYS of this notice, **YOU ARE ORDERED TO**:

☒ Clear the lands or premises of uncultivated vegetation exceeding 8 inches in height, debris, or any noxious material of any kind that tends to be a breeding place or haven for snakes, rodents, insects, or vermin of any kind or character, or that tends to be a breeding place for mosquitoes, or that tends to create a fire hazard endangering lives and property. For unimproved lands that are one acre or more, a 30-foot-wide strip mowed along the common boundaries with a developed parcel is required.

☐ Remove and properly dispose of rubbish and personal property on lands that were cleared subject to a demolition order.



☒ Other Corrective Action: REMOVE AND DISPOSE OF ALL TRASH, JUNK, DEBRIS, DISCARDED FURNITURE, WOOD, AND CONSTRUCTION DEBRIS.

This is an action for governmental abatement, prohibition, prevention, or remediation of a public nuisance at common law and/or a noxious use of private property. If you fail to clear the site and/or complete other corrective action described above within **14 days**, Pasco County will do so and the County's cost of such site clearing/mowing and/or corrective action plus applicable costs and penalties

Good afternoon Kelly,

Sorry about the delay in this response as we needed to get approval for your submitted proposal for the job at 5118 Main Street New Port Richey. We cannot authorize any rented equipment to finish a job. The authorized dump fee is $125.00. Any items that need to be removed over that amount will have to stay on the property and be mowed around.

Respectfully,
Tambra Briggs

PASCO COUNTY CODE COMPLIANCE
DETERMINATION OF VIOLATION

CASE/PID NO.	CODE-26-000377		SUBJECT SITE	6614 VERA DRIVE PORT RICHEY, FL 34668			
INSPECTION DATE	1/14/2026		PARCEL I.D. NO.	09 25 16 0760 00000 2250			
OWNER-LAST NAME	SHATAILO	FIRST NAME	VIKTOR	MIDDLE		TELEPHONE	
ADDRESS	10932 DANBURY WAY	CITY	BOCA RATON	STATE	FL	ZIP	33498
OCCUPANT-LAST NAME		FIRST NAME		MIDDLE		TELEPHONE	
ADDRESS		CITY		STATE		ZIP	

You are hereby notified that you are in violation of the Pasco County Code of Ordinances, Section 42-1. Code Compliance Officer H.Goodman has determined that one or more of the following conditions existing on the subject site constitute a nuisance and/or threat to public health, public safety, economic welfare, and/or general welfare by reason of one or more of the following conditions:

☒ Unmaintained vegetation. All unmaintained vegetation that has grown in an uncontrolled manner to more than eight (8) inches in height or which is liable to produce an unhealthy or unsanitary or becomes a harboring place for mosquitoes, vermin or vectors, Section 42-1(1)(a).

☐ Any other material or condition tending by its existence and/or accumulation to endanger or adversely affect the health, safety, lives, and/or welfare of the citizens of Pasco County, Section 42-1(1)(j).

☐ Debris, rubbish or abandoned personal property on lands cleared by the County or the Property Owner pursuant to a demolition order, Section 42-1(1)(f).

☒ Other Public Health, Safety and Welfare Violation: THERE ARE TIRES, PILES OF GARBAGE BAGS, SHOPPING CART WITH BAGS OF GARBAGE WITH HOUSEHOLD GARBAGE.

WITHIN 14 DAYS of this notice, **YOU ARE ORDERED TO**:

☒ Clear the lands or premises of uncultivated vegetation exceeding 8 inches in height, debris, or any noxious material of any kind that tends to be a breeding place or haven for snakes, rodents, insects, or vermin of any kind or character, or that tends to be a breeding place for mosquitoes, or that tends to create a fire hazard endangering lives and property. For unimproved lands that are one acre or more, a 30-foot-wide strip mowed along the common boundaries with a developed parcel is required.

☐ Remove and properly dispose of rubbish and personal property on lands that were cleared subject to a demolition order.

☒ Other Corrective Action: REMOVE THE GARBAGE THAT IS ON PROPERTY , BAGS OF FOOD AND HOUSEHOLD ITEMS SHOPPING CART AND 10-15 TIRES

This is an action for governmental abatement, prohibition, prevention, or remediation of a public nuisance at common law and/or a noxious use of private property. If you fail to clear the site and/or

You are hereby notified that you are in violation of the Pasco County Code of Ordinances, Section 42-1. Code Compliance Officer H.Goodman has determined that one or more of the following conditions existing on the subject site constitute a nuisance and/or threat to public health, public safety, economic welfare, and/or general welfare by reason of one or more of the following conditions:

☒ Unmaintained vegetation. All unmaintained vegetation that has grown in an uncontrolled manner to more than eight (8) inches in height or which is liable to produce an unhealthy or unsanitary or becomes a harboring place for mosquitoes, vermin or vectors, Section 42-1(1)(a).

☐ Any other material or condition tending by its existence and/or accumulation to endanger or adversely affect the health, safety, lives, and/or welfare of the citizens of Pasco County, Section 42-1(1)(j).

☐ Debris, rubbish or abandoned personal property on lands cleared by the County or the Property Owner pursuant to a demolition order, Section 42-1(1)(f).

☒ Other Public Health, Safety and Welfare Violation: THERE ARE TIRES, PILES OF GARBAGE BAGS, SHOPPING CART WITH BAGS OF GARBAGE WITH HOUSEHOLD GARBAGE.

WITHIN 14 DAYS of this notice, **YOU ARE ORDERED TO**:

☒ Clear the lands or premises of uncultivated vegetation exceeding 8 inches in height, debris, or any noxious material of any kind that tends to be a breeding place or haven for snakes, rodents, insects, or vermin of any kind or character, or that tends to be a breeding place for mosquitoes, or that tends to create a fire hazard endangering lives and property. For unimproved lands that are one acre or more, a 30-foot-wide strip mowed along the common boundaries with a developed parcel is required.

☐ Remove and properly dispose of rubbish and personal property on lands that were cleared subject to a demolition order.

☒ Other Corrective Action: REMOVE THE GARBAGE THAT IS ON PROPERTY , BAGS OF FOOD AND HOUSEHOLD ITEMS SHOPPING CART AND 10-15 TIRES

This is an action for governmental abatement, prohibition, prevention, or remediation of a public nuisance at common law and/or a noxious use of private property. If you fail to clear the site and/or

complete other corrective action described above within **14 days**, Pasco County will do so and the County's cost of such site clearing/mowing and/or corrective action plus applicable costs and penalties will be assessed against the site as a special assessment lien pursuant to section 42-1 (5) of the Pasco County Code of Ordinances. THE AVERAGE LIEN TYPICALLY EXCEEDS $250.00. The lien will continue to accumulate interest until satisfied. You will have seven calendar days upon receipt of this notice to request, in writing, a public hearing before the Pasco County Board of County Commissioners for the purpose of appealing the correctness of Code Enforcement's determination of your overgrown violation.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 5 **FILE NO.:** CC26-0010 **DATE:** 6/16/2026

SUBJECT: Property Maintenance Securing of Pools - Pasco County of Ordinance (Section 42-1) - Lien Resolutions - No Funding Required

REFERENCES: Code Compliance Case: CODE-26-001662

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: Denise Sanderson, Director of Code Compliance

RECOMMENDED BOARD ACTION:

Approve the filing of lien resolution in the amount set forth herein for each property. Authorize the Chairman to execute the lien resolution and direct the Clerk of Court to record the lien resolution. Direct the Board Records to distribute, as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

In accordance with the provisions of Pasco County Code of Ordinances (Code), Section 42-1, consistent with requirements outlined in the Pasco County Land Development Code, Section 530.4, as now or subsequently amended, the properties herein described were secured by the Code Compliance Department to prevent access to a swimming pool that posed an actual threat of accidental drowning. This is considered by the department to be a condition that presents a serious threat to public health and safety. Therefore, pursuant to the Pasco County Code, Section 42-1 (6), the Code Compliance Department was empowered to correct the condition immediately without notice to the owner(s).

In accordance with established procedures, the Code Compliance Department has rectified the unlawful/dangerous condition through the installation of a four-foot barrier to prevent uncontrolled access. The Code Compliance Department recommends that the lien in the amount indicated be attached to the described property. The lien amounts reflect administrative costs, recording costs, cost of materials and labor, plus a penalty equal to the cost of materials and labor.

The total lien amount for this one parcel attached is $1,748.50

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding is not required for this action.

DISTRIBUTION:

Board Records to distribute as set forth below:

1. Record and retain all original lien resolutions.
2. Provide a recorded copy to Brian Ferguson, Administrative Assistant, Email: bferguson@pascocountyfl.net

ATTACHMENT(S):

1. CC26-0010 Lien Resolution
2. CC26-0010 Pool Lien Calculations
3. CODE-26-001662

BY THE BOARD OF COUNTY COMMISSIONERS LIEN RESOLUTION NO. _____

RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, WEST PASCO GOVERNMENT CENTER, 8731 CITIZENS DRIVE, SUITE 150, NEW PORT RICHEY, FLORIDA 34654, PROVIDING FOR THE ASSESSMENT OF A LIEN ON BEHALF OF PASCO COUNTY AGAINST CERTAIN LANDS FOR THE COSTS OF MATERIALS AND LABOR, PENALTY COSTS, AND THE NECESSARY EXPENSES RELATING THERETO.

WHEREAS, the Pasco County Code of Ordinances (Code), Section 42-1, permits the Board of County Commissioners to require the securing of swimming pools that pose an actual threat of accidental drowning, to preserve and protect the health, safety, and welfare of the citizens of Pasco County; and

WHEREAS, Complaint No. CODE-26-001662, has been filed as required by said ordinance; and

WHEREAS, the Board of County Commissioners determined that certain property within the unincorporated areas in the County posed a serious, immediate threat to public safety due to an unsecured swimming pool; and

WHEREAS, pursuant to the Pasco County Code, Section 42-1(6), the swimming pool was secured by the Code Enforcement Division in accordance with the provisions of the ordinance, and the lien specified is to attach against the property as provided for in the Pasco County Code, Section 42-1.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AS FOLLOWS:

Section 1. That the Board of County Commissioners determined that an unlawful condition did exist on the following described parcel or parcels of land:

Legal Description: Section 26, Township 24 South, Range 16 East, Subdivision 0070, Block 00000, Lot 0120; Pasco County, Florida

Physical Address: 8237 Morning View Drive, Hudson FL 34667

Recorded Owner(s): Wong Bing Kuen and Yuk Kiu Lau

Section 2. That notice of said condition was given by registered mail to the property owner, as noted on the tax rolls, as provided for in the Pasco County Code, Section 42-1, and was posted on the property.

Section 3. That the required securing of the swimming pool was accomplished by the Code Enforcement Division and the following costs and expenses, plus a penalty equal to the cost of materials and labor, therefore, are assessed as a lien against said property as follows:

Securing Cost	$760.00
Penalty	$760.00
Administrative Costs	$200.00
Recording Cost	$10.00
Prep. Of Satisfaction	$18.50
LIEN TOTAL	$1,748.50

Section 4. This lien shall bear interest at the rate of twelve (12) percent per annum until satisfied. This lien is co-equal with liens of all State, County, district, and municipal taxes, superior in dignity to all other liens, title, and claims until paid.

DONE AND RESOLVED this _____ day of _____, _____.

You are hereby notified that you are in violation of the Pasco County Code of Ordinances, Section 42-1. Code Compliance Officer N. BREMS has determined that one or more of the following conditions existing on the subject site constitute a nuisance and/or threat to public health, public safety, economic welfare, and/or general welfare by reason of one or more of the following conditions:

☐ Unmaintained vegetation. All unmaintained vegetation that has grown in an uncontrolled manner to more than eight (8) inches in height or which is liable to produce an unhealthy or unsanitary or becomes a harboring place for mosquitoes, vermin or vectors, Section 42-1(1)(a).

☐ Any other material or condition tending by its existence and/or accumulation to endanger or adversely affect the health, safety, lives, and/or welfare of the citizens of Pasco County, Section 42-1(1)(j).

☐ Debris, rubbish or abandoned personal property on lands cleared by the County or the Property Owner pursuant to a demolition order, Section 42-1(1)(f).

☒ Other Public Health, Safety and Welfare Violation: UNSECURED SWIMMING POOLS SEC. 42-1.D

WITHIN 24 HOURS of this notice, **YOU ARE ORDERED TO**:

☐ Clear the lands or premises of uncultivated vegetation exceeding 8 inches in height, debris, or any noxious material of any kind that tends to be a breeding place or haven for snakes, rodents, insects, or vermin of any kind or character, or that tends to be a breeding place for mosquitoes, or that tends to create a fire hazard endangering lives and property. For unimproved lands that are one acre or more, a 30-foot-wide strip mowed along the common boundaries with a developed parcel is required.

☐ Remove and properly dispose of rubbish and personal property on lands that were cleared subject to a demolition order.

☒ Other Corrective Action: SECURE FENCING/ BARRICADE AROUND POOL AREA SO ENTRY CAN NOT BE GAINED, COVER POOL OR DRAIN POOL OF WATER COMPLETELY

This is an action for governmental abatement, prohibition, prevention, or remediation of a public nuisance at common law and/or a noxious use of private property. If you fail to clear the site and/or complete other corrective action described above within **24 hours**, Pasco County will do so and the County's cost of such site clearing/mowing and/or corrective action plus applicable costs and penalties

OCCUPANT-LAST NAME		FIRST NAME		MIDDLE		TELEPHONE	
ADDRESS		CITY		STATE		ZIP	

You are hereby notified that you are in violation of the Pasco County Code of Ordinances, Section 42-1. Code Compliance Officer N. BREMS has determined that one or more of the following conditions existing on the subject site constitute a nuisance and/or threat to public health, public safety, economic welfare, and/or general welfare by reason of one or more of the following conditions:

☐ Unmaintained vegetation. All unmaintained vegetation that has grown in an uncontrolled manner to more than eight (8) inches in height or which is liable to produce an unhealthy or unsanitary or becomes a harboring place for mosquitoes, vermin or vectors, Section 42-1(1)(a).

☐ Any other material or condition tending by its existence and/or accumulation to endanger or adversely affect the health, safety, lives, and/or welfare of the citizens of Pasco County, Section 42-1(1)(j).

☐ Debris, rubbish or abandoned personal property on lands cleared by the County or the Property Owner pursuant to a demolition order, Section 42-1(1)(f).

☒ Other Public Health, Safety and Welfare Violation: UNSECURED SWIMMING POOLS SEC. 42-1.D

WITHIN 24 HOURS of this notice, **YOU ARE ORDERED TO**:

☐ Clear the lands or premises of uncultivated vegetation exceeding 8 inches in height, debris, or any noxious material of any kind that tends to be a breeding place or haven for snakes, rodents, insects, or vermin of any kind or character, or that tends to be a breeding place for mosquitoes, or that tends to create a fire hazard endangering lives and property. For unimproved lands that are one acre or more, a 30-foot-wide strip mowed along the common boundaries with a developed parcel is required.

☐ Remove and properly dispose of rubbish and personal property on lands that were cleared subject to a demolition order.

☒ Other Corrective Action: SECURE FENCING/ BARRICADE AROUND POOL AREA SO ENTRY CAN NOT BE GAINED, COVER POOL OR DRAIN POOL OF WATER COMPLETELY

This is an action for governmental abatement, prohibition, prevention, or remediation of a public nuisance at common law and/or a noxious use of private property. If you fail to clear the site and/or complete other corrective action described above within **24 hours**, Pasco County will do so and the County's cost of such site clearing/mowing and/or corrective action plus applicable costs and penalties

will be assessed against the site as a special assessment lien pursuant to section 42-1 (5) of the Pasco County Code of Ordinances. THE AVERAGE LIEN TYPICALLY EXCEEDS $250.00. The lien will continue to accumulate interest until satisfied. You will have seven calendar days upon receipt of this notice to request, in writing, a public hearing before the Pasco County Board of County Commissioners for the purpose of appealing the correctness of Code Enforcement's determination of your overgrown violation.

This notice was **POSTED** ☒ or **PERSONALLY SERVED** ☐ to _____ on 03/12/2026
Defendant's Signature Date

ADMINISTRATIVE USE ONLY

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 3 **FILE NO.:** PDE26-0571 **DATE:** 6/16/2026

SUBJECT: Second Amendment to Amended and Restated Cooperative Economic Development Agreement – M&M Route 54 West LLC – Termination of Future Agreement Obligations and Mobility Fee Reconciliation – No Funding Required

REFERENCES: Ord. 10-08, Res. 15-110; OEG19-1006; OEG23-1011

AGENDA SECTION: Consent Agenda

THRU: David Allen, Assistant County Administrator

FROM: David Engel, Director Planning, Development and Economic Growth

RECOMMENDED BOARD ACTION:

Approve the Second Amendment to the Amended and Restated Cooperative Economic Development Agreement, authorize the Chairman to execute the three originals provided, and direct the Board Records Department to distribute as set forth under the Distribution Section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On January 10, 2017, the Board approved a Cooperative Funding Agreement between the County and 54 Venture, LLC providing financial assistance for the construction of a minimum 35,000 square feet Class A office building and transit related improvements (TOD) within a pedestrian friendly mixed-use urban core area on approximately fifty (50) acres within the Mitchell 54 West MPUD ("Project") in proximity to the southwesterly corner of the S.R. 54/Little Road intersection. The Project lies within the Western Hub subarea identified in the County's Comprehensive Plan, Future Land Use Element.

On March 27, 2018, the Board approved an Amended and Restated Economic Development Agreement transferring the 2017 agreement, described above, from Mitchell 54 Venture, LLC to Mitchell Ranch Partnership, LTD in its entirety. On November 27, 2018, the Board approved an Amended and Restated Economic Development Agreement transferring the March 2018 agreement from Mitchell Ranch Partnership, LTD to M&M Route 54 West LLC., in its entirety (Agreement).

On December 6, 2022, the Board approved the First Amendment to the Amended and Restated Cooperative Economic Development Agreement between Pasco County, Florida, and M&M Route 54 West LLC. The First Amendment extended the deadline for the Developer to select a tax year to commence the Ad Valorem Equivalency Grant payments from five (5) years to eight (8) years after the Effective Date of the Agreement, extended the construction schedule for the TOD Improvements, revised the TOD Plan to reflect comments from GOPASCO and revisions to the Project's roadway plan, revised the Spine Road exhibit to designate the Project's primary road system directly supporting the structured parking deck and office building, and revised Section III of the Agreement to provide that the documented and reasonable costs and expenses of designing, permitting, and constructing the Spine Road would be creditable against certain portions of the mobility fee pursuant to a separate Development Agreement, with a maximum County obligation of $2,500,000.00.

As reflected in the proposed Second Amendment, the Spine Road required under the Agreement has been completed; however, the County has not awarded any mobility fee credits in connection with that work. The remaining transit-oriented development improvements contemplated by the Agreement have not commenced. In addition, mobility fees for development within the Project have been paid to date at the mobility fee rates applicable to TOD projects in the Urban Service Area, as authorized in the Agreement. The Developer has not requested a loan through the PADS and PORS programs, nor has it requested the Ad Valorem Equivalency Grant authorized in the Agreement.

The Developer has advised the County that the Project as originally envisioned under the Agreement dating back to 2017, which included apartment units as part of the overall development program, is no longer feasible under current market conditions due to nearby build-to-rent product and a lack of strong rental market demand in the vicinity; therefore, the Developer is proposing to eliminate the entitled apartment units and replace them with commercial use. As a result, the Developer has requested that the Agreement be amended to terminate the parties' further obligations under the Agreement, subject to several conditions. Specifically, the Developer agrees not to seek mobility fee credits for the design, permitting, and construction of the Spine Road as otherwise authorized in the Agreement. The Developer also agrees to pay the County, prior to issuance of the first certificate of occupancy within the Center, the sum of $3,591,782.64 , which represents the difference between the mobility fees paid to date within the Project at the TOD rates applicable in the Urban Service Area and the amount that would have been paid to date at the standard Urban (Fee District A) mobility fee rates. Finally, the Developer agrees to pay the standard Urban (Fee District A) mobility fee rates for any further development within the Project.

Accordingly, the proposed Second Amendment would effectively terminate the parties' remaining obligations under the Agreement while preserving the completed Spine Road improvements without any County-awarded mobility fee credit, reconciling prior mobility fee payments based on standard Urban fee rates, and establishing that future development within the Project will pay the Urban (Fee District A) standard mobility fee rates rather than the TOD-based rate structure previously authorized.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

DISTRIBUTION:
Board Records Department to distribute as set forth below:

- Retain One Original
- Distribute Two Originals to David H. Engel, Director Planning, Development and Economic Growth, Suite 200, West Pasco Government Center

SECOND AMENDMENT TO AMENDED AND RESTATED COOPERATIVE ECONOMIC DEVELOPMENT AGREEMENT BETWEEN PASCO COUNTY, FLORIDA AND M&M ROUTE 54 WEST LLC

THIS SECOND AMENDMENT ("Second Amendment") TO THE AMENDED AND RESTATED COOPERATIVE ECONOMIC DEVELOPMENT AGREEMENT approved by the Pasco County Board of County Commissioners on November 27, 2018 ("Agreement") is made and entered into by and between **PASCO COUNTY, FLORIDA,** a political subdivision of the State of Florida ("County"), by and through its Board of County Commissioners, the governing body thereof, ("Board") and **M&M ROUTE 54 WEST, LLC.,** a Florida limited liability company ("M&M") maintaining a principal address of 160 Essex Street, Suite 200, Lodi, NJ 07644.

WITNESSETH:

WHEREAS, on January 10, 2017, the Board approved a Cooperative Funding Agreement between the County and 54 Venture, LLC providing financial assistance for the construction of a minimum 35,000 square feet Class A office building and transit related improvements within a pedestrian friendly mixed-use urban core area on approximately fifty (50) acres within the Mitchell 54 West MPUD ("Project") in proximity to the southwesterly corner of the S.R. 54/Little Road intersection; and

WHEREAS, on March 27, 2018, the Board approved an Amended and Restated Economic Development Agreement transferring the 2017 agreement, described above, from Mitchell 54 Venture, LLC to Mitchell Ranch Partnership, LTD in its entirety; and

WHEREAS, on November 27, 2018, the Board approved an Amended and Restated Economic Development Agreement transferring the March 2018 agreement, described above, from Mitchell Ranch Partnership, LTD to M&M Route 54 West LLC., in its entirety; and

WHEREAS, on December 6, 2022, the County approved a First Amendment to Amended and Restated Cooperative Economic Development Agreement between Pasco County, Florida and M&M Route 54 West LLC (the "First Amendment"); and

WHEREAS, the Spine Road has been completed, but no mobility fee credits have been awarded by the County in connection with same; and

WHEREAS, construction has not begun on the other elements of the TOD improvements pursuant to the Agreement; and

WHEREAS, mobility fees for development within the Project have been paid to date based on the Mobility Fee rates applicable to TOD projects in the Urban Service Area as authorized in the Agreement; and

WHEREAS, M&M has not requested a Loan from the PADS program and/or PORS program as authorized in the Agreement; and

WHEREAS, M&M has not requested the Ad Valorem Equivalency Grant as authorized in the Agreement; and

WHEREAS, M&M has advised the County that due to market conditions, the Project as envisioned in the Agreement dating back to 2017 is no longer feasible; and

WHEREAS, M&M has requested that the County amend the Agreement to terminate any further obligations of the parties, subject to:

(1) M&M agreeing not to seek mobility fee credits for the design, permitting and construction of the Spine Road as authorized in the Agreement.
(2) M&M agreeing to pay the County, prior to issuance of the first certificate of occupancy within the Center, the sum of $ 3,591,782.64 which represents the difference between the mobility fees paid to date within the Project at the rates applicable to TOD projects in the Urban Service Area and the amount that would have been paid to date at the Urban (Fee District A) standard mobility fee rates;
(3) M&M agrees to pay the Urban (Fee District A) standard mobility fee rates for any further development within the Project.

WHEREAS, the parties desire to amend the Agreement to set forth the terms and conditions for same.

NOW, THEREFORE, in consideration of the mutual covenants, promises, and representations contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree to the following conditions and revisions of the Agreement:

The parties obligations pursuant to the Agreement are terminated subject to:

(1) M&M agrees not to seek mobility fee credits for the design, permitting and construction of the Spine Road as authorized in the Agreement;
(2) M&M agrees to pay the County, prior to issuance of the first certificate of occupancy within the Center, the sum of $3,591,782.64 which represents the difference between the mobility fees paid to date within the Project at the rates applicable to TOD projects in the Urban Service Area and the amount that would have been paid to date at the Urban (Fee District A) standard mobility fee rates;
(3) Notwithstanding the foregoing, the obligation to make such payment shall be the sole and non-assignable responsibility of M&M Route 54 West, LLC. Failure by M&M to timely satisfy this payment obligation shall result in an immediate suspension and moratorium on any existing and future permitting within the Project until such time as the outstanding payment obligation is fully satisfied;
(4) M&M agrees to pay the Urban (Fee District A) standard mobility fee rates for any further development within the Project.

IN WITNESS WHEREOF, the parties hereto have executed this Second Amendment on the _____ day of _____, 2026.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC26-0109 **DATE:** 6/16/2026

SUBJECT: Budget Amendment and Resolution - Amendment No. 4 to Construction Management at Risk Agreement RFP-KM-20-032 for Jail Expansion - Moss & Associates, LLC - Increase the Guaranteed Maximum Price and the Project Budget, and Add 85 Calendar Days to Contract Time - $8,566,857.00

REFERENCES: Agenda Memorandums OMB18-0023, OMB19-0013, PU20-0020, FAC20-1023, FAC20-0161, FAC21-0023, FAC21-0057, FAC22-0234, FAC24-0116, and FAC25-0108

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Amendment No. 4 to the Construction Management at Risk Agreement RFP-KM-20-032 (Agreement) with Moss & Associates, LLC (Moss), for the Pasco County Jail Expansion (the Project) to (1) increase the Guaranteed Maximum Price (GMP) and the Project Budget by $2,650,792.15 for a Not-To-Exceed (NTE) amount from $213,275,510.52 to $215,926,302.67, (2) authorize cost allocations as detailed below, and (3) add eighty-five (85) days to the Contract Time. Authorize the Chairman to execute the two originals of Amendment No. 4 provided and direct Board Records to distribute as detailed below.

Approve Budget Amendment, Journal No. 2026 07 2960, in the amount of $8,566,857.00; authorize the Chairman to execute the one original Resolution provided; adopt the Resolution amending the Final Budget for Fiscal Year 2026; and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the issuance of general obligation bonds, subject to a bond referendum, to provide funds for the design, construction, reconstruction, renovation, expansion and equipping the County jail facilities (Jail Projects/Improvements) (OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal NTE amount of $132,150,000.00 (OMB19-0013).

On February 18, 2020, the BCC authorized the Facilities Management Department to begin negotiations with the top-ranked Construction Manager at Risk (CMAR) firm, Moss & Associates, LLC (Moss), to secure an agreement for construction management at risk services for expansion of the Jail Projects/Improvements (Project) (PU20-0020).

On June 2, 2020, the BCC delegated to the County Administrator the authority to finish negotiations with Moss for CMAR services for the Project, to execute an Agreement for

CMAR services with Moss, and authorized the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00 (FAC20-1023).

On July 14, 2020, the BCC ratified Agreement RFP-KM-20-032 (Agreement) signed by the County Administrator for CMAR pre-construction services to be provided by Moss for the Pasco County Jail Expansion in the NTE amount of $431,477.00 (FAC20-0161).

On December 8, 2020, the BCC approved Change Order No. 1 to the Agreement for pre-construction services for the upgrade of the existing fire alarm system, in the amount of $39,725,00. The new fire alarm system will be compatible with the fire alarm system planned for the new facility (FAC21-0023).

On February 9, 2021, the BCC approved Change Order No. 2 to Agreement for the Addition of Design-Assist Specialty Contractors in the NTE amount of $120,487.00 for Fiscal Year (FY) 2020 (FAC21-0057).

On December 7, 2021, the BCC approved Change Order No. 3 to Agreement to affirm and extend the current completion date of December 31, 2021, by 151 days, for a new completion date of May 31, 2022 (FAC22-0049).

On August 9, 2022, the BCC approved Amendment No. 1 to the Agreement to ratify and affirm the CMAR Agreement with Moss and to establish a Guaranteed Maximum Price (GMP), a Contract Price and Project Budget for the Project, and to establish the Substantial Completion Date as September 15, 2025 (FAC22-0234).

On June 4, 2024, the BCC approved Amendment No. 2 to the Agreement to increase the GMP and Project Budget, establish and add funds to an Owner's Contingency (Contingency), and add 102 calendar days to the Contract Time, for a new Final Completion Date of December 26, 2025 (FAC24-0116).

On April 9, 2025, the BCC approved Amendment No. 3 to the Agreement to increase the GMP and the Project Budget, increase the Owner's Contingency, and add 284 calendar days to the Contract Time for a Final Completion Date of October 6, 2026 (FAC25-0108).

Amendment No. 4 adds eighty-five (85) days to the Final Completion Date of October 6, 2026, for a new Final Completion Date of December 30, 2026.

Amendment No. 4 increases the GMP and the Project Budget NTE amount from $213,275,510.52 to $215,926,302.67, an increase of $2,650,792.15, which shall be applied as follows:

A. Moss's General Conditions and General Requirements (GCs/GRs) in the amount of $1,314,976.18 comprised of:

1. An additional eighty-five (85) days of Moss GCs/GRs costs in the amount of $1,242,530.00

2. An additional eighty-five (85) days of Moss Supervision Costs (Moss Supervision) in the amount of $72,446.18.

B. Moss's Subcontractor Costs in the amount of $765,653.93 comprised of:

1. An additional eighty-five (85) days of Subcontractors' GCs/GRs costs in the amount of $641,361.94.
2. An additional eighty-five (85) days of Subcontractors' warranty costs in the amount of $124,291.99.

C. Owner's Contingency additional funding in the amount of $170,000.00.

D. Construction Manager (CM) 15% Fee in the amount of $337,594.52.

E. CM 1.59% fee for Contractor-Controlled Insurance Program (CCIP) in the amount of $35,785.02.

F. CM 1.09% fee for Subcontractor Default Insurance (SDI) in the amount of $24,531.87.

G. CM .1% fee for Warranties in the amount of $2,250.63.

The anticipated schedule and budget for this project are:

Project Activity	Schedule		Budget
	Start	Finish	Amount
Design	Spring 2020	Summer 2025	$9,549,231.22
Pre-construction	Summer 2020	Summer 2022	$591,689.00
Construction	Fall 2022	Winter 2026	$215,334,613.67
FF&E/Permitting/Misc.	Spring 2020	Winter 2026	$6,617,000.00
TOTAL COST:			$232,092,533.89

Budget amendment Journal No. 2026 07 2960 and the associated Resolution, will recognize four bonds' interest revenues in the total amount of $8,566,857.00 to provide funding for the Detention Center Expansion project.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Upon approval of Budget Amendment, Journal No. 2026 07 2960, funding in the amount of $2,602,216.00 will be budgeted and available in the Sheriff 2021B GO Projects Fund, Pasco Sheriff Office, Project number 20F38. Funding in the amount of $2,115,546.00 will be budgeted and available in the Detention Center Half-Cent 22C Fund, Pasco Sheriff Office, Project number 20F38. Funding in the amount of $2,747,335.00 will be budgeted and available in the VOPH & Detention Half-Cent 24A

Fund, Pasco Sheriff Office, Project number 20F38. Funding in the amount of $1,101,760.00 will be budgeted and available in the GO Bond Capital Projects Fund, Pasco Sheriff Office, Project number 20F38.

AMENDMENT NO. 4 TO AGREEMENT BETWEEN PASCO COUNTY AND CONSTRUCTION MANAGER for PASCO COUNTY JAIL ADDITION PROJECT

THIS AMENDMENT NO. 4 ("Amendment No. 4") is made by and between Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners (the "County"), and Moss & Associates, LLC (the "Construction Manager"), to that certain Construction Management At Risk Agreement between the County and the Construction Manager, dated July 14, 2020 ("Agreement"), as amended by Amendment No. 1 dated August 9, 2022 ("Amendment No. 1"), Amendment No. 2 dated June 4, 2024 ("Amendment No. 2") and Amendment No. 3 dated April 9, 2025 ("Amendment No. 3") in connection with the management and construction required for the expansion and renovation of the Pasco County Jail Addition ("Project").

NOW THEREFORE, the County and Construction Manager, for the consideration set forth herein, agree as follows:

1. The Agreement, as amended by Section 2.1 of Amendment No. 1, Paragraph 1 of Amendment No. 2, and Paragraph 1 of Amendment No. 3, is amended to increase the Guaranteed Maximum Price and the Project Budget not-to-exceed cap from $213,275,510.52 to $215,926,302.67, an increase of $2,650,792.15.

2. The increase of $2,650,792.15 in the Guaranteed Maximum Price and the Project Budget shall be as follows:

   A. Moss General Conditions and General Requirements: the lump sum amount of $1,314,976.18 comprised of:
      1) Additional 85 days of Moss General Conditions and General Requirements (GC/GR) costs in the amount of $1,242,530.00
      2) Additional 85 days of Moss Supervision costs (Moss Supervision), in the amount of $72,446.18.

   B. Moss Subcontractor Costs: $765,653.93, comprised of:
      1) Additional 85 days of Subcontractors' GC/GR costs, in the amount of $641,361.94.
      2) Additional 85 days of Subcontractors' warranty costs, in the amount of $124,291.99.

   C. Owner's Contingency:
      1) Additional Owner's Contingency funding, in the amount of $170,000.00.

   D. Construction Manager 15% Fee: $337,594.52

E. Construction Manager 1.59% fee for Contractor-Controlled Insurance Program (CCIP): $35,785.02

F. Construction Manager 1.09% fee for Subcontractor Default Insurance (SDI): $24,531.87

G. Construction Manager .1% fee for Warranties: $2,250.63

3. Section 3.1 of Article 3 of Amendment No. 1 to the Agreement is amended to read in its entirety as follows:

   3.1 The Construction Phase Commencement Date for the Work is August 23, 2022. The total period of time beginning with the Construction Phase Commencement Date through the date required for Final Completion of the Work is 1,590 calendar days ("Contract Time"). The FINAL COMPLETION DATE is therefore established as December 30, 2026.

   Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Manager's responsibility to complete the Work within the Contract Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement shall be assessed from Construction Manager for each calendar day Construction Manager fails to achieve Final Completion for the Work within the Contract Time.

4. Paragraph 5 of Amendment No. 3 is amended to add 85 calendar days to the Contract Time so that the Contract Time is 1,590 calendar days and the Final Completion Date is December 30, 2026.

5. Except as expressly modified herein, the terms and conditions of the Agreement, as amended by all prior amendments, remain unchanged and are hereby restated, ratified, and shall remain in effect. In the event of a conflict between the terms of this Amendment and those of the Agreement, as amended by Amendment No. 1, Amendment No. 2 and Amendment No. 3, the County and Construction Manager agree that the terms of this Amendment shall prevail and control.

[The remainder of this page is intentionally left blank.

Signatures follow on the next page.]

IN WITNESS WHEREOF, this Amendment No. 4 to Agreement Between Pasco County and Construction Manager for Pasco County Jail Addition Project, as amended by Amendment No. 1, Amendment No. 2 and Amendment No. 3, has been executed by the parties hereto or by their authorized representatives.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: ALL **FILE NO.**: OMB18-0023 **DATE**: 6/19/18

SUBJECT: AN ORDINANCE OF THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AUTHORIZING THE ISSUANCE, SUBJECT TO THE BOND REFERENDUM HEREIN PROVIDED FOR, OF GENERAL OBLIGATION BONDS IN ONE OR MORE SERIES IN AN AGGREGATE PRINCIPAL AMOUNT NOT TO EXCEED $132,150,000, MATURING NOT BEYOND 30 YEARS FROM ISSUANCE, PAYABLE FROM THE FULL FAITH, CREDIT AND UNLIMITED AD VALOREM TAXING POWER OF THE COUNTY, TO PROVIDE FUNDS TO FINANCE THE DESIGN, CONSTRUCTION, RECONSTRUCTION, RENOVATION, EXPANSION, IMPROVING AND EQUIPPING OF THE JAIL FACILITIES LOCATED WITHIN THE COUNTY; PROVIDING FOR AND CALLING A BOND REFERENDUM OF THE QUALIFIED ELECTORS OF THE COUNTY TO BE HELD ON NOVEMBER 6, 2018; PROVIDING FOR AN OFFICIAL BALLOT; ESTABLISHING COUNTY INTENT TO REIMBURSE SUCH CAPITAL EXPENDITURES INCURRED WITH PROCEEDS OF SUCH GENERAL OBLIGATION BONDS; AND PROVIDING FOR AN EFFECTIVE DATE.

THRU: Erik K. Breitenbach, P.E., CEM, Assistant County Administrator (Internal Services)

FROM: Robert G. Goehrig, Budget Director

RECOMMENDED BOARD ACTION:

Approve the Ordinance; authorize the Chairman to sign it and direct the Board Records Department to complete Exhibit A and transmit the executed Ordinance to the Department of State by electronic mail within ten (10) days of Board approval and further distribute the copies as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

In 2013, Consulting Group, LLC (CGL), in association with Moss Construction, was retained by the Board of County Commissioners (BCC) to prepare a 20-year master space and facilities plan for various County departments, including the Pasco Sheriff's Office. Due to rapid growth throughout the County, the November 2014 Facilities Master Plan prepared by CGL concluded, "Many departments and offices are operating in overcrowded conditions and there is no additional space in existing conditions for future service and staff growth." The November 2014 Facilities Master Plan was an attempt to develop a comprehensive facilities master plan and to avoid a piece meal approach to needed space expansion.

Included in the Master Plan was a detailed analysis of the Pasco County Detention Center (Detention Center). Based on the projection of future inmate population growth included in this analysis, CGL concluded the Detention Center "is above rated capacity and does not have adequate core space for future detention center needs." In fact, CGI calculated the Detention Center inmate population would reach 1,859 by 2019 far above its rated bed capacity of 1,432 beds. CGL recommended the County build a 1,000-bed expansion of the Detention Center to accommodate this future growth.

On November 9, 2017, Sheriff Nocco informed the BCC the inmate population of the Detention Center stood at 1,798 and, in accordance with Judicial Administrative Order 2014-062, the Sheriff was obligated to release inmates or find alternative housing for inmates once the population reached 1,900

inmates. As a result, the County, acting in concert with the Sheriff, has agreed to send inmates to Seminole County Detention Center. The County is also considering building a temporary inmate housing structure at the current Land O' Lakes facility to relieve overcrowding. Both onsite housing and offsite housing are considered temporary solutions which are expected to cost $5-8 Million Dollars per year.

The November 2014 Facilities Master Plan estimated a 1,000-bed Detention Center expansion would cost approximately $128 Million. Adjusting the 2014 cost figure for inflation and building in the cost of issuance, the total cost of this project is estimated to reach $132,150,000. The cost to borrow these funds will be approximately $1.5 Million the first year and grow to approximately $7.5 Million in 5 years. The cost to borrow the funds to expand the Detention Center is less than the cost to house inmates temporarily. Therefore, the Office of Management and Budget is recommending the BCC authorize the placement of a General Obligation Bond on the November 2018 General Election ballot to finance the Detention Center expansion.

FISCAL IMPACT/COST/REVENUE STATEMENT:

No funding is required for this action.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: ALL **FILE NO.**: OMB19-0013 **DATE**: 12/11/18

SUBJECT: Approve Resolution Authorizing the Issuance of General Obligation Bonds (Series 2019 Bonds) for Jail Projects/Improvements in an Aggregate Principal Amount Not-To-Exceed $132,150,000 and Authorize Bond Validation Proceedings

THRU: Erik K. Breitenbach, P.E., CEM, Assistant County Administrator (Internal Services)

FROM: Robert G. Goehrig, Budget Director

RECOMMENDED BOARD ACTION:

Approve the attached Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in one or more series in an Aggregate Principal Amount Not-To-Exceed $132,150,000; and authorize bond counsel, together with the County Attorney, to institute bond validation proceedings relating to such Bonds, pursuant to Chapter 75, Florida Statutes; and further direct the Board Records Department to distribute the resolution as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the "Series 2019 Bonds") on the November Mid-Term Election ballot. An election was subsequently held on November 6, 2018, to determine if the electors of the County approved of the issuance of not exceeding $132,150,000 of general obligation bonds of the County for this purpose, payable from ad valorem taxes on all taxable property within the County. The Bond Referendum was duly held and conducted in all respects according to law, with a majority of the County electors casting a ballot voting in favor of the issuance of such bonds for such purposes.

Article VII, Section 12(a), of the Constitution of the State of Florida provides that upon approval by a majority vote of the electors, counties may issue bonds payable from ad valorem taxation to finance capital projects authorized by law. The attached Bond Resolution reflects the County's finding that the issuance of the Series 2019 Bonds serves a public purpose and deems it necessary, in order to preserve and protect public safety, to use the proceeds to provide for the financing of the costs of Jail Projects/Improvements within the County. The initial bond proceeds will be utilized by the County to finance the costs of an expansion to the Pasco County Detention Center. Ad valorem taxes levied by the County in accordance with this Bond Resolution should be sufficient to pay all principal of and interest and redemption premium, if any, on Series 2019 Bonds (Jail Projects/Improvements) in one or more series to be issued hereunder, as the same become due, and to make all required deposits or payments required by this Bond Resolution. The estimated sum required to finance the Costs of the Project will be derived from a portion of the proceeds from the sale of the Series 2019 Bonds and other legally available funds of the County, if any. The full faith, credit, and unlimited taxing power and the ad valorem taxes of the County are expected to be sufficient to pay principal of and interest on the Series 2019 Bonds.

This resolution, if approved, will also authorize bond counsel and the County Attorney to institute proceedings in circuit court for validation of the Bonds pursuant to Chapter 75, Florida Statutes and

delegate authority to the proper officers of the County to verify on behalf of the County the pleadings in such proceedings.

FISCAL IMPACT/COST/REVENUE STATEMENT:

No funding is required for this action.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: ALL **FILE NO.**: PU20-0020 **DATE**: 1/28/2020

SUBJECT: Approve Authorization to Shortlist and Negotiate Agreements with Shortlisted firms for RFP-KM-20-032 (Construction Manager at Risk Services for Pasco County Jail Expansion) – Moss & Associates, LLC; Ajax Company, Inc.; and Gilbane Building Company – No Funding Required

THRU: Erik K. Breitenbach, P.E., CEM, Assistant County Administrator (Internal Services)

FROM: Stacey Ziegler, Internal Services, Purchasing Director

RECOMMENDED BOARD ACTION:
Approve the Evaluation Committee's recommendation to shortlist Moss & Associates, LLC (Moss); Ajax Company, Inc. (Ajax); and Gilbane Building Company (Gilbane); and authorize negotiations with top-ranked firm, Moss in order to secure an agreement for a Construction Manager at Risk (CMAR) for the Pasco County Jail Expansion. If an agreement cannot be reached with Moss, authorize negotiations with next ranked firm, Ajax.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for Pasco County Jail Expansion. The specifications were prepared by the Facilities Management Department. All provisions of the Purchasing Ordinance have been met.

On December 10, 2019, all responses received were publicly opened with the names of the responding firms being read. One hundred and fifty-one vendors received automatic e-mail notices; eleven of which were from Pasco County. Forty-nine vendors manually searched for the solicitation and viewed the documents; two of which were from Pasco County. Five responses were received; none of which were from Pasco County.

A five-member committee evaluated the subject responses. The committee members were Erik Breitenbach, Assistant County Administrator (Internal Services); Andrew Baxter, Facilities Management Director; Thomas Pyche, Chief Project Manager; Kimberly Riggans, Lieutenant – Pasco County Sheriff's Office; Timothy Ceresoli, Captain – Pasco County Sheriff's Office.

On January 8, 2020, at a properly noticed public meeting, the Evaluation Committee discussed and carefully considered each proposer's qualifications and experience. The Evaluation Committee thereafter scored the five responsive firms and requested that the top three firms be invited back for oral presentations. The order of presenting firms after the written evaluations were as follows: Gilbane, Moss and Ajax.

On January 27, 2020, at a properly noticed public meeting, the Evaluation Committee listened to and ranked oral presentations from the above noted firms. After oral presentations, the ranking was as follows: Moss, Ajax and Gilbane.

Upon Board of County Commissioners (BCC) approval, the Facilities Management Department can begin meaningful discussions with the top-ranked firm Moss, in hopes of securing an agreement. The resulting agreement is planned to be presented to the BCC for approval on or before April 7, 2020.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding will be requested when the resulting Agreement is presented to the BCC for approval and execution. Funding is not required for this recommendation.

DISTRIBUTION:
None.

ATTACHMENT(S):
1. Proposal – Moss & Associates

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

THIS DOCUMENT HAS BEEN REVISED

COMMISSION DISTRICT: 2 **FILE NO.**: FAC20-1023 **DATE**: 4/28/20

SUBJECT: Approve Agreement RFP-KM-20-032 - Moss & Associates, LLC - Construction Manager At Risk Services for Pasco County Jail Expansion - $431,477.00

REFERENCE: Agenda Memorandums OMB18-0023, OMB19-0013, and PU20-0020

THRU: Erik K. Breitenbach, Assistant County Administrator (Internal Services)

FROM: Andrew W. Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:
Approve the award of a Construction Manager at Risk Agreement (Agreement) to Moss & Associates, LLC (Moss) under RFP-KM-20-032 for Construction Management At Risk Services for the Pasco County Jail Expansion (the Project), and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00. Approve the delegation of authority to the County Administrator to approve allowance expenditures and change orders to the Agreement that are within the County Administrator's authority under $50,000.00. Authorize the Chairman to execute the two original Agreements provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the "Series 2019 Bonds") on the November Mid-Term Election ballot (Memorandum OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Amount Not-to-Exceed $132,150,000.00 (Memorandum OMB19-0013).

On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for the Pasco County Jail Expansion.

On December 10, 2019, all responses received were publicly opened with the names of the responding firms being read. A five-member committee evaluated the subject responses. The committee members were Erik Breitenbach, Assistant County Administrator (Internal Services); Andrew Baxter, Facilities Management Director; Thomas Pyche, Chief Project Manager; Kimberly Riggans, Lieutenant – Pasco County Sheriff's Office; and Timothy Ceresoli, Captain – Pasco County Sheriff's Office (Evaluation Committee).

On January 8, 2020, at a properly noticed public meeting, the Evaluation Committee discussed and carefully considered each proposer's qualifications and experience. The Evaluation Committee

thereafter scored the five responsive firms and requested that the top three firms be invited back for oral presentations. The order of presenting firms after the written evaluations were as follows: Gilbane Building Company (Gilbane); Moss & Associates, LLC (Moss); and Ajax Company, Inc. (Ajax).

On January 27, 2020, at a properly noticed public meeting, the Evaluation Committee listened to and ranked oral presentations from the above noted firms. After oral presentations, the ranking was as follows: Moss, Ajax, and Gilbane.

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked firm Moss, in order to secure an agreement (Memorandum No. PU20-0020).

Moss will provide construction management at risk services for the Pasco County Jail Expansion. The Agreement divides the Project into two (2) phases with the first being Pre-Construction Services. This initial phase involves the finalization of the design and the development of cost estimates for the construction of the Project. If the parties agree to a Guaranteed Maximum Price (GMP) within the total Project budget approved by the BCC, the second phase (Construction Phase) involving the actual construction and build-out of the Project will commence. The Phase 1 Pre-Construction proposal included with the Agreement authorizes $431,477.00 to compensate Moss for assisting in finalizing the design development stage for the Project and preparing estimates for the work required to establish a GMP for the Project. Once the GMP is finalized, which falls within the overall Project budget allotted by the BCC for this Project, an amendment to the Agreement (the GMP Amendment) for the Construction Phase of the Project shall be presented for approval. Should the parties not be able to agree on a GMP, the Agreement can be terminated. The County's only financial obligation to Moss should such situation arise would be limited to the fee for their Pre-Construction Services.

The Facilities Management Department, with concurrence from the Purchasing Department, requests award to Moss for Construction Manager at Risk Services for the Pasco County Jail Expansion.

The anticipated schedule and budget for this project is:

Project Activity	**Schedule**		**Budget**
	Start	**Finish**	**Amount**
Design	Spring 2020	Summer 2024	$9,117,629.00
Construction	Fall 2021	Summer 2024	$108,000,000.00
Total Cost			$117,117,629.00

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding in the amount of $431,477.00 is available in GO Bond Capital Projects, Sheriff Law Enforcement.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC20-1023 **DATE:** 6/1/2020

SUBJECT: Approve Agreement RFP-KM-20-032 - Moss & Associates, LLC - Construction Manager At Risk Services for Pasco County Jail Expansion - $431,477.00

REFERENCE: Agenda Memorandums OMB18-0023, OMB19-0013, and PU20-0020

THRU: Erik K. Breitenbach, Assistant County Administrator (Internal Services)

FROM: Andrew W. Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:
Approve the delegation of authority to the County Administrator to finalize and execute a Construction Manager at Risk Agreement with Moss & Associates, LLC (Moss) under RFP-KM-20-032 for Construction Management At Risk Services for the Pasco County Jail Expansion (the Project) (Agreement), and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00, contingent upon receipt of executed contracts from Moss and review by the County Attorney's Office for legal sufficiency. Approve the delegation of limited authority to County representatives listed in the Agreement to approve up to certain dollar amounts for expenditures from Contingency and for the County Administrator to approve change orders to the Agreement for additional time and in an amount not to exceed $100,000 over the Guaranteed Maximum Price as specified in the Agreement during the Construction Phase of the Project. Upon receipt of executed contracts and verification of insurance from Moss, authorize the County Administrator to execute the two original Agreements provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the "Series 2019 Bonds") on the November Mid-Term Election ballot (Memorandum OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Amount Not-to-Exceed $132,150,000.00 (Memorandum OMB19-0013).

On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for the Pasco County Jail Expansion.

On December 10, 2019, all responses received were publicly opened with the names of the responding firms being read. A five-member committee evaluated the subject responses. The committee members were Erik Breitenbach, Assistant County Administrator (Internal Services); Andrew Baxter,

Facilities Management Director; Thomas Pyche, Chief Project Manager; Kimberly Riggans, Lieutenant – Pasco County Sheriff's Office; and Timothy Ceresoli, Captain – Pasco County Sheriff's Office (Evaluation Committee).

On January 8, 2020, at a properly noticed public meeting, the Evaluation Committee discussed and carefully considered each proposer's qualifications and experience. The Evaluation Committee thereafter scored the five responsive firms and requested that the top three firms be invited back for oral presentations. The order of presenting firms after the written evaluations were as follows: Gilbane Building Company (Gilbane); Moss & Associates, LLC (Moss); and Ajax Company, Inc. (Ajax).

On January 27, 2020, at a properly noticed public meeting, the Evaluation Committee listened to and ranked oral presentations from the above noted firms. After oral presentations, the ranking was as follows: Moss, Ajax, and Gilbane.

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked firm Moss, in order to secure an agreement (Memorandum No. PU20-0020).

Moss will provide construction management at risk services for the Pasco County Jail Expansion. The Agreement divides the Project into two (2) phases with the first being Pre-Construction Services. This initial phase involves the finalization of the design and the development of cost estimates for the construction of the Project. If the parties agree to a Guaranteed Maximum Price (GMP) within the total Project budget approved by the BCC, the second phase (Construction Phase) involving the actual construction and build-out of the Project will commence. The Phase 1 Pre-Construction proposal included with the Agreement authorizes $431,477.00 to compensate Moss for assisting in finalizing the design development stage for the Project and preparing estimates for the work required to establish a GMP for the Project. Once the GMP is finalized, which falls within the overall Project budget allotted by the BCC for this Project, an amendment to the Agreement (the GMP Amendment) for the Construction Phase of the Project shall be presented for approval. Should the parties not be able to agree on a GMP, the Agreement can be terminated. The County's only financial obligation to Moss should such situation arise would be limited to the fee for their Pre-Construction Services.

The Agreement also includes the delegation of authority to approve requests for the release of contingency amounts during the Construction Phase of the Project on a per request basis as follows: the Facilities Director for up to $25,000; Assistant County Administrator, Public Services for up to $50,000 and the County Administrator for up to the amount of the contingency included in the GMP. The County Administrator is also authorized to approve time extensions as provided for under the Agreement and Change Orders up to a total cumulative amount of $100,000 over and above the GMP.

The Facilities Management Department, with concurrence from the Purchasing Department, requests award to Moss for Construction Manager at Risk Services for the Pasco County Jail Expansion.

The anticipated schedule and budget for this project is:

Project Activity	Schedule		Budget
	Start	Finish	Amount
Design	Spring 2020	Summer 2024	$9,117,629.00
Construction	Fall 2021	Summer 2024	$108,000,000.00

Project Activity	Schedule	Budget
Total Cost		$117,117,629.00

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC20-1023 **DATE:** 6/2/2020

SUBJECT: ITEM REVISION : Approve Agreement RFP-KM-20-032 - Moss & Associates, LLC - Construction Manager At Risk Services for Pasco County Jail Expansion - $431,477.00

FROM: Andrew W. Baxter, Facilities Management Director

This memorandum is to formally advise that the following revisions have been made to this Agenda Document :

Original Recommended Action:
Approve the award of a Construction Manager at Risk Agreement (Agreement) to Moss & Associates, LLC (Moss) under RFP-KM-20-032 for Construction Management At Risk Services for the Pasco County Jail Expansion (the Project), and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00. Approve the delegation of authority to the County Administrator to approve allowance expenditures and change orders to the Agreement that are within the County Administrator's authority under $50,000.00. Authorize the Chairman to execute the two original Agreements provided, and direct Board Records to distribute as set forth under the Distribution section below.

New Recommended Action:
Approve the delegation of authority to the County Administrator to finalize and execute a Construction Manager at Risk Agreement with Moss & Associates, LLC (Moss) under RFP-KM-20-032 for Construction Management At Risk Services for the Pasco County Jail Expansion (the Project) (Agreement), and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00, contingent upon receipt of executed contracts from Moss and review by the County Attorney's Office for legal sufficiency. Approve the delegation of limited authority to County representatives listed in the Agreement to approve up to certain dollar amounts for expenditures from Contingency and for the County Administrator to approve change orders to the Agreement for additional time and in an amount not to exceed $100,000 over the Guaranteed Maximum Price as specified in the Agreement during the Construction Phase of the Project. Upon receipt of executed contracts and verification of insurance from Moss, authorize the County Administrator to execute the two original Agreements provided, and direct Board Records to distribute as set forth under the Distribution section below.

CONSTRUCTION MANAGEMENT AT RISK AGREEMENT

THIS Agreement is made and entered into by and between the Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, hereinafter designated as the "COUNTY", and Moss & Associates, LLC(hereinafter designated as "Construction Manager"), a Florida Corporation, whose primary business address is 2101 N. Andrews Avenue, Fort Lauderdale, FL 33311 to perform all work ("Work") in connection with the management and construction required for the expansion and renovation of the Pasco County Jail Addition the ("Project"), located in Land O'Lakes, Pasco County, Florida, said Work being set forth in the plans and specifications being prepared by Hellmuth, Obata & Kassabaum (HOK), the Engineer of Record ("Design Professional"), and all other Contract Documents hereafter specified.

NOW THEREFORE, the COUNTY and Construction Manager, for the consideration set forth herein, agree as follows:

Section 1. Contract Documents

The Contract Documents consist of this Agreement, the Exhibits described in Section 8 hereof, and any duly executed and issued addenda, Change Orders, Construction Change Directives, Field Orders and amendments relating thereto. Further, the term Contract Documents shall include all plans and specifications for the construction of the Project ("Construction Documents") being prepared by Design Professional, but only after said Construction Documents have been completed by Design Professional and approved in writing by the COUNTY. All of the foregoing Contract Documents are sometimes collectively referred to herein as the "Contract".

The COUNTY shall furnish Construction Manager with one (1) sealed copy and one (1) reproducible set of the Construction Documents. Any additional copies of Construction Documents, required by Construction Manager for execution of the Work, shall be made by Construction Manager. The reproducible set of the Construction Documents shall be returned to the COUNTY upon final acceptance of the Work or termination of the Contract, whichever occurs first. Provided, however, the act of the COUNTY in furnishing Construction Manager a reproducible set of Construction Documents for Construction Manager's convenience and such furnishing by the COUNTY shall not be deemed to be a waiver by the COUNTY or the Design Professional of any copyright, patent or license they may have with respect to the Construction Documents. All such copyrights, patents and licenses relating to said Construction Documents are hereby expressly reserved by the COUNTY and the Design Professional.

In cases of conflict between Contract Documents, the order of precedence of the Contract Documents shall be as follows:

a. Change Orders and other Contract Modifications to this Agreement

b. This Agreement and all Exhibits, appendices and schedules attached hereto

c. The completed Construction Documents, as approved in writing by the County.

In addition, detailed plans shall take precedence over general plans for the same part of the Work. Specifications and detail plans which may be prepared or approved by the COUNTY after the execution of the Agreement and which may be fairly inferred from the original specifications and plans are to be deemed a part of such specifications and plans, and that portion of the Work shown thereby shall be performed without any change in the GMP Price or Project Schedule. With respect to conflicts between large scale drawings and small-scale drawings, the larger scale drawing shall govern.

To the extent the order of precedence above does not address certain items, and where compliance with two or more requirements is indicated in any of the enumerated Contract Documents and where these requirements within the Contract Documents conflict in quantity or quality, the Construction Manager shall be required to put the COUNTY on notice in writing of such conflict for the COUNTY's determination, within forty-eight (48) hours thereafter, of which requirement should apply, unless specifically indicated otherwise in the Contract Documents.

Section 2. Scope of Work

The Scope of Work to the completed under this Agreement is defined as the construction of a new addition to the COUNTY'S existing detention facility located on COUNTY owned property in Land O'Lakes, Florida for the purpose of adding, at the minimum, an increased occupancy capacity of one thousand (1,000) beds and associated facilities to the existing jail facility located adjacent to the Project site (hereinafter the "Project"). Construction Manager shall endeavor to construct the work required for the Project in such a manner as will not, or minimally impact, impede or in any way preclude the ability of the existing jail facility to remain fully operational during the construction of the Project. However, the parties acknowledge that some impact will occur. The Scope of Work to be provided for the Project is specifically required to include the following minimum components:

2.1 Main Housing Area:

- Single, double, and multiple occupancy secure cells for general population inmates of different classifications;
- Capacity to house one thousand (1,000) beds;
- Single confinement cells for male and female populations with solid doors, window and food chute;
- Consideration for classification housing to include First Appearance equipment/space;

- Classroom/program space;
- Treatment rooms;
- Interview rooms; and
- Capacity for direct supervision

2.2 Juvenile Housing Area:
- Single cell lockdown areas, single, double, and multiple occupancy secure cells;
- Classroom/program room;
- Attorney room; and
- Visitation areas.

2.3 Centralized Intake and Booking Center that can accommodate :
- One hundred and fifty (150) daily arrests and releases;
- Law enforcement officer workspace;
- Medical Reception and Clinic Areas;
- Secure interview rooms; and
- Transport holding cells.

2.4 Central Support Capacity Facilities (includes all expansions noted):
- Industrial warehouse style multi-use structures;
- Administrative offices for support services;
- Food service;
- Full kitchen with consideration of gas and/or electrical;
- Pantry for dry goods;
- Refrigeration and freezer;
- Bakery equipment; and
- Culinary Training.
- Laundry
- Complete wash, dry and fold services
- Storage
- Maintenance and storage

2.5 Commissary

2.6 Departmental Warehouse

2.7 Increased Secure Programs Space

2.8 Inmate Property Room

2.9 Medical Center
- Treatment areas
- Doctors'/medical offices

- Individual and group secure holding areas
- Negative pressure isolation rooms
- Impact resistant cells

2.10 Multi-Purpose Loading Docks.

2.11 Secure Sally-Ports; must accommodate full size buses.

2.12 Separate Elevators for Civilian/Inmate Movement; freight size.

2.13 Secure facility fencing with entry check point.

2.14 Adequate facility parking.

2.15 Video Visitation Area off-site.

2.16 All Video Surveillance Equipment.

2.17 Emergency back-up to support existing, expansion and renovation load.

2.18 Establishment of a master storm water system for the entire public safety campus to adequately support the storm water needs for the campus' present and projected facilities while maximizing buildable land.

2.19 **Project Budget.**

The COUNTY's total Project Budget for construction is one hundred and nine million dollars and 00/100 .00 ($109,000,000.00). The overall Contract Amount (which includes the Pre-Construction Phase Fee and the Guaranteed Maximum Price) cannot exceed the Project budget established by the COUNTY.

2.20 **Project Phases**. The Work to be provided by Construction Manager pursuant to this Contract shall be performed essentially in two phases. Those phases are the Pre-Construction Phase Services and Construction Phase Services. At the discretion of the COUNTY, those two phases may overlap.

A. **Pre-Construction Phase Services.** The Construction Manager shall review and comment upon the Construction Documents developed by Design Professional. The scope of that review shall include, but not be limited to, reviewing those various documents for value engineering and constructability. During the Pre-Construction Phase, Construction Manager agrees to attend any and all design and preconstruction conferences as requested by the COUNTY and to otherwise assist and cooperate with Design Professional with respect to the design of the Project.

The County's Project Team, in conjunction with the Design Professional and the Construction Manager will refine the scope of the Project during the initial design stage to be consistent with the COUNTY's Project Budget.

The Construction Manager shall also attend Utility Coordination meetings and assist the COUNTY with responding to inquiries from any other regulatory agency regarding Pre- Construction aspects of this Project.

When the COUNTY and Construction Manager agree that the design of the Project is sufficiently developed and documented to allow detailed pricing, Construction Manager shall develop, prepare and submit a Guaranteed Maximum Price Proposal to the COUNTY in accordance with Exhibit K. The COUNTY shall accept such Guaranteed Maximum Price within thirty days of the date of the receipt unless such time is mutually extended. If the COUNTY does not accept the GMP within the time period herein provided, such proposal shall be presumed to be rejected by the COUNTY and the Construction Manager shall be entitled to payment for all Pre-Construction Phase services in the amount indicated in Section 4, A of the Agreement.

Construction Manager shall provide all other services during the Pre-Construction Phase of the Project as set forth in Exhibit A, Article 8.

B. **Construction Phase Services.** After the Construction Documents have been sufficiently completed by Design Professional and approved by the COUNTY for all of the Work (or such portions thereof as may be designated by the COUNTY in writing), and the COUNTY and Construction Manager have agreed in writing upon the Guaranteed Maximum Price to be paid Construction Manager and the Contract Time for the Work (or designated portions thereof) as hereafter provided, Construction Manager shall furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely and fully perform and complete in a good and workmanlike manner the construction of the Work (or designated portions thereof) in accordance with all of the terms and conditions of the Contract Documents. It is recognized and agreed that any review or input of the design portions of the Contract Documents are made in Construction Manager's capacity as a contractor and not as a licensed design professional and shall not be considered professional design services.

Section 3. Relationship of Parties

3.1 Communications During Project

The parties acknowledge that clear lines of communication and defined scope authority between representatives of the COUNTY and the Construction Manager and the Construction Manager and the Design Professional and the County are essential to the successful

completion of the Project. The Construction Manager, prior to commencement of the Construction Phase Services, shall prepare and submit for the COUNTY's review and acceptance a proposed communication plan for use during the Project. This communication plan shall contain, at a minimum, procedures for the enhancement of communication and cooperation between the COUNTY, the Construction Manager, the Design Professional, separate contractors, inspectors and other consultants and subcontractors on the Project, as well as procedures for the speedy and efficient resolution for implementing, documenting, reviewing and processing field questions and responses, field variance authorizations and directives, minor changes, Construction Change Directives, Field Directives, and Change Orders.

3.2 Construction Manager's Obligations

The Construction Manager accepts the relationship of trust and confidence established by this Agreement. The Construction Manager covenants with the COUNTY to cooperate with the Design Professional; to utilize the Construction Manager's best skill, efforts and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; to furnish at all times an adequate supply of workers and materials; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and the Contract terms and conditions. Further, the Construction Manager acknowledges that (i) it has represented to the COUNTY that it has specific expertise in the planning, management and construction of projects of similar size, cost and complexity and (ii) that such representation is a material inducement to the COUNTY to enter into this Contract.

3.3 Construction Manager's Project Representative

Construction Manager hereby designates Jeffrey Sellers as its Project Executive, with full authority to bind and obligate the Construction Manager on all matters arising out of or relating to the Work or the Contract Documents. Construction Manager agrees that the Project Executive shall devote whatever time is required to satisfactorily manage the Work and further agrees that the Project Executive shall not be removed or replaced by Construction Manager without the COUNTY's prior approval, which approval shall not be unreasonably withheld.

3.4 COUNTY's Project Representatives

The COUNTY has established a Leadership Team ("LT") to oversee the development of the Project. It consists of individuals from the Pasco Sheriff's Office (PSO) and the Facilities Management Department Director ("Director") & staff ("COUNTY Project Manager"). While the input of the PSO is crucial to the successful completion of the Project, the COUNTY's representatives will serve as the final decision maker as indicated below. The Construction Manager shall coordinate all correspondence, submittals, applications for payment, requests for information, change orders, claims and any other requests or documents through the

Design Professional , and the COUNTY's Project Manager, unless otherwise specified in this Agreement.

The Director, in coordination with the Design Professional, is authorized, to determine or answer, all questions of any nature whatsoever arising out of, under or in connection with, or in any way relating to or on account of the Work, and/or as to the interpretation of the Work to be performed the Contract Documents.

The Construction Manager shall be bound by all determinations or orders as communicated by the COUNTY's Director or his designee, the COUNTY Project Manager and shall promptly respond to requests of the COUNTY's Project Manager and/or Design Professional, including the withdrawal or modification of any previous order, and regardless of whether the Construction Manager agrees with the COUNTY's determination or requests. Where requests are made orally, the COUNTY's Project Manager and/or Design Professional will follow up in writing, as soon thereafter as is practicable.

The COUNTY's Director and /or Project Manager shall have authority to act on behalf of the COUNTY to the extent provided by the Agreement, unless otherwise modified in writing by the COUNTY. All instructions to the Construction Manager shall be issued in writing. All instructions to the Construction Manager shall be issued through the Director or the COUNTY's Project Manager.

The COUNTY's Project Manager and Design Professional shall have access to the Project Site during normal work hours, unless access is required by the COUNTY due to health, safety or welfare of the COUNTY or the public. The Construction Manager shall provide safe facilities for such access so the COUNTY's Project Manager and Design Professional may perform their functions under the Agreement. The COUNTY's Project Manager and Design Professional will make periodic visits to the Work Site to become generally familiar with the progress and quality of the Work, and to determine if the Work is proceeding in accordance with the Contract Documents.

Construction Manager shall be responsible for/and in full control of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work and shall carry out the Construction Work in accordance with the Contract Documents.

The COUNTY's Project Manager will have authority to reject Construction Work that does not conform to the Contract Documents requirements. Whenever, in his or her reasonable opinion, it is considered necessary or advisable to ensure the proper implementation of the Contract Documents, the COUNTY's Project Manager will have authority to require special inspections or testing of the Construction Work, whether or not such Construction Work is fabricated, installed or completed. Neither the COUNTY's Project Manager's and

Consultant's authority to act under this Article, nor any decision made by him/her in good faith either to exercise or not to exercise such authority, shall give rise to any duty or responsibility of the COUNTY's Project Manager and Consultant to the Construction Manager, any Subcontractor, Subconsultant, supplier or any of their agents, employees, or any other person performing any of the Construction Work.

The COUNTY also reserves the right to utilize a private company under contract with the COUNTY to provide on-site construction examination and observation services for the Project. Such services are intended to be additional services and are not intended to and shall not be construed to supplant or alter the role and responsibilities of the COUNTY Project Manager, Design Professional or the Construction Manager. While this company will represent the COUNTY at the site, the company and its employees have no authority to authorize changes or deviations from the Contract Documents.

All interpretations and recommendations of the Director, the COUNTY's Project Manager and the Design Professional shall be consistent with the intent of the Contract Documents. The Director, the COUNTY's Project Manager and the Design Professional will not be responsible for the acts or omissions of the Construction Manager, or anyone employed or contracted directly or indirectly by the Construction Manager including any Subcontractor, Subconsultant, or any of their agents or employees, or any other persons performing any of the Work.

Wherever the terms of this Contract refer to some action, consent, or approval (excluding approvals of Change Orders, Construction Change Directive or amendments to the Contract) to be provided by the COUNTY or some notice, report or document is to be provided to the COUNTY, such reference to "the COUNTY" shall mean the COUNTY's Board of County Commissioners or their designee, the County Administrator or the County Administrator's designee (to the extent such designee has been expressly authorized by the COUNTY)for this Agreement. For purposes of this Agreement, the COUNTY representatives listed herein shall have the following level of authority to approve Construction Change Directive or Authorization for Contingency Releases: COUNTY's Facilities Director up to $25,000; Assistant County Administrator for Internal Services up to $50,000 and the County Administrator up to the full amount of the contingency amount included in the GMP. The County Administrator shall also have the authority to approve a Change Order or amendment to the Agreement for additional time for up to ninety(90) days and/or for an amount not to exceed $100,000 of the cost of the Project (specifically, the GMP).

Section 4. Contract Amount

In consideration of the full and faithful performance by Construction Manager of the covenants in this Contract, the COUNTY agrees to pay, or cause to be paid, to Construction Manager the following amounts (herein "Contract Amount"), in accordance with the terms of this Contract:

A. Pre-Construction Phase Services. For all Pre-Construction Phase Services, enumerated in this Agreement and in Exhibit A, Article 8 Construction Manager shall

receive compensation as follows:

- Lump Sum in the amount of four hundred thirty one thousand four hundred and seventy seven dollars, ($ 431,477.00):
- Invoices shall be submitted to the COUNTY for the percentage of the pre-construction services completed on a monthly basis.

B. Construction Phase. With respect to the Construction Phase Services to be provided by Construction Manager hereunder, the COUNTY shall:

- reimburse Construction Manager for the Cost of the Work (as that term is defined hereafter); pay the Construction Manager a Construction Manager's Fee to be negotiated for the completion of the Construction Phase services; and
- pay the Construction Manager a lumpsum amount to be negotiated for the Cost of General Conditions at the site during the Construction Phase of the Project.

The Construction Manager's Fee shall be the Construction Manager's total compensation for all overhead not reimbursable as Cost of the Work under Section 5.A. below, as well as the Construction Manager's total profit for the Construction Phase Services. The Construction Manager agrees to provide the COUNTY with a Guaranteed Maximum Price (GMP) proposal for the total sum of the Construction Manager's Fee, plus the Cost of the Work (including General Conditions), plus the Construction Manager's Contingency within 60 calendar days after the Construction Documents in the opinion of the COUNTY and Construction Manager are sufficiently completed by Design Professional and approved in writing by the COUNTY. The GMP shall be based on actual subcontractor cost proposals as negotiated with the various subcontractors. Further, the proposal shall be broken down into the categories and level of detail required by the COUNTY. The Construction Manager agrees that all its books, records and files, with respect to its development of the GMP proposal, shall be open to the COUNTY for review and copying. The final guaranteed maximum price shall be mutually agreed upon by the COUNTY and Construction Manager and shall be set forth in the GMP Amendment . The form for the GMP Amendment is attached hereto as Exhibit K.

The Construction Manager shall provide a detailed breakdown acceptable to the COUNTY of its GMP proposal, as well as for the final GMP. The Construction Manager guarantees that in no event shall the sum of the Construction Manager's Fee, the total Cost of the Work (including General Conditions), and the Construction Manager's Contingency exceed the GMP, however, the GMP may be adjusted pursuant to the terms herein for Change Orders and Construction Change Directives. In the event the Construction Manager and the COUNTY fail to reach an agreement on the GMP, the COUNTY may elect to terminate this Contract. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Contract Amount attributable to the Pre- Construction Phase Services; but the Construction Manager shall not be entitled to any further or additional compensation from the COUNTY, including but not limited to damages or lost profits on portions of the Work not performed

Section 5. Cost of the Work

A. **Costs to be Reimbursed.** The term Cost of the Work shall mean all costs necessarily and reasonably incurred by Construction Manager in the proper performance of the Construction Phase Services portion of the Work. Such costs shall be at rates not higher than the standard paid at the place of the Project except with the prior written consent of the COUNTY only after the Construction Manager has provided sufficient support in writing that exceptional circumstances exist, which justify the payment of rates higher than the standard. The Cost of the Work shall include only those items set forth below in this subsection A:

a. Wages of construction workers directly employed by the Construction Manager to perform the construction of the Work at the Project site or, with the COUNTY's written agreement, at off-site workshops.

b. Wages or salary of the Construction Manager's supervisory, technical, and administrative personnel who are stationed at the Project site with the COUNTY's written agreement.

c. Wages and salaries of the Construction Manager's supervisory, technical, and administrative personnel when assigned to this project and specifically working on this Project in the Construction Manager's administrative or home offices.

d. Costs, including transportation, installation, maintenance, dismantling and removal, of materials, supplies, temporary facilities (including project field offices, furniture and fixtures), temporary utilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by the Construction Manager at the Project site and fully consumed in the performance of the Work; and costs less salvage value on such items if not fully consumed, whether sold to others or retained by the Construction Manager.

e. Rental charges, at standard industry rates for the area, for temporary facilities, machinery, vehicles, equipment, and hand tools not customarily owned by the construction workers, which are provided by Construction Manager at the Project site, whether rented from Construction Manager or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rates and quantities of all equipment rented, whether from Construction Manager or others, shall be subject to the COUNTY's prior written approval.

f. Cost of removal and proper disposal of debris from the Project site.

g. Costs of telegrams, long distance telephone calls, cellular telephone calls, Internet service, Information Technology services, postage and parcel delivery charges and telephone service at the Project site and reasonable petty cash expenses of the Project site office.

h. That portion of the reasonable travel and subsistence expenses of Construction Manager's personnel, assigned to the Project site, incurred while traveling outside of the Pasco County area in discharge of duties connected with the Work, provided all of such expenses and charges are consistent with the rates provided under Section 112.061, Fla. Stat. and shall be subject to the prior written approval of the COUNTY. Temporary living and travel expenses of employees who are not relocated but assigned to the Project consistent with the rates provided under Section 112.061, Fla. Stat, and upon written approval of the COUNTY.

i. Cost of reproducing and printing of materials required for the Project.

j. Sales, use or similar taxes imposed by a governmental authority which are related to the Work and for which Construction Manager is liable.

k. Fees and assessments for the building permit and for other permits, licenses and inspections for which Construction Manager is required by the Contract Documents to pay.

l. Fees of testing laboratories for tests required by the Contract Documents, except those related to defective or nonconforming Work for which reimbursement is excluded pursuant to the terms of this Contract.

m. Royalties and license fees paid for the use of a particular design, process or product required by the Contract Documents.

n. Deposits lost for causes other than Construction Manager's fault or negligence.

o. Legal, mediation and arbitration costs, other than those arising from disputes between the COUNTY and Construction Manager, or caused by the Construction Manager's acts or omissions, reasonably incurred by Construction Manager in performance of the Work and with the COUNTY's prior written consent,

p. Costs reasonably incurred in repairing or correcting damage or nonconforming Work executed by Construction Manager, or its subcontractors or suppliers, provided that such damage or nonconforming Work was not caused by the negligence of the Construction Manager.

q. Cost of Public Information Programs or other neighborhood functions hosted by the Construction Manager at the direction of the COUNTY.

r. Cost of site safety as provided by Construction Manager

s. Cost of documentation, inspection and testing as required for the preparation of

the Final Estimate and implementation of the Contractor Quality Control process. Bonds and insurance premiums as required by Contract.

t. Cost to protect the Work and adjacent property from loss and damage.

u. Costs of applicable insurance and bonds at a rate to be agreed to by the Parties herein.

The General Conditions will be paid as a lump sum appropriately spread over the course of the work and as defined in the GMP Amendment.

Subcontract and Material Costs.

a. Payments made by the Construction Manager to subcontractors in accordance with the requirements of the applicable written subcontracts.

b. Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction.

c. Costs of materials described in subsection 5. A. 2. b, above, in excess of those actually installed but required to provide reasonable allowance for waste and for spoilage. Unused excess materials, if any, shall be handed over to the COUNTY at the completion of the Work or, at the COUNTY's option, shall be sold by the Construction Manager; amounts realized, if any, from such sales, shall be credited to the COUNTY as a deduction from the Costs of the Work.

All subcontractor costs will be documented by signed subcontractor invoices and all material costs will be documented by copies of invoices.

B. Costs Not to Be Reimbursed. The Cost of the Work shall not include the following items:

a. Except as provided in Section 5. A. 1. d. salaries and other compensation of the Construction Manager's personnel stationed at the Construction Manager's principal office or offices other than the Project site office.

b. Except as provided in the Fringe Benefits rate included in subsection 5. A.1. e, expenses of Construction Manager's principal office and offices other than the Project site office.

c. Overhead and general expenses, except as may be expressly included in subsection 5. A. 1.

d. Construction Manager's capital expenses, including interest on Construction Manager's capital employed for the Work.

e. Rental costs of machinery and equipment, except as specifically provided in subsection 5. A. 1. g.

Except as expressly provided in subsection 5. A. 1. s, costs due to the negligence of Construction Manager, subcontractors, anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, costs for the correction of damaged, defective, or nonconforming Work, disposal and replacement of materials and equipment incorrectly ordered or supplied, and making good damage to property not forming part of the Work.

f. Any costs not specifically and expressly described in subsection A above.

g. Costs which would cause the GMP to be exceeded (as the GMP may be adjusted pursuant to the terms herein for Change Order and Construction Change Directives.)

h. The Construction Manager is responsible, without reimbursement from the COUNTY, for re-inspection fees and costs; to the extent such re-inspections are due to the negligence of the Construction Manager.

C. Discounts, Rebates and Refunds.

a. Cash discounts obtained on payments made by the Construction Manager shall accrue to the COUNTY if (i) before making the payment, the Construction Manager included them in an application for payment and received payment therefore from the COUNTY, or (ii) the COUNTY has deposited funds with Construction Manager with which to make payments; otherwise, cash discounts shall accrue to the Construction Manager. Trade discounts, rebates, refunds and amounts received from sales of surplus materials and equipment shall accrue to the COUNTY, and the Construction Manager shall make provisions so that they can be secured.

b. Amounts which accrued to the COUNTY in accordance with the provisions of subsection 5. C.1, shall be credited to the COUNTY as a deduction from the Cost of the Work.

D. Local Preference in Contracting

The Construction Manager is strongly encouraged to identify opportunities to hire qualified County residents and businesses to perform work or provide services or materials for the Project when feasible and is also encouraged to apply the local preference in purchasing adopted by the County when evaluating bids during the term of the Agreement and is expected to secure the cooperation of subcontractors in this effort as well.

Section 6. Bonds

A. Within ten (10) business days after the GMP is agreed to by the COUNTY and Construction Manager, and at or before the date the GMP Amendment is executed by the COUNTY, the Construction Manager shall provide the COUNTY with Performance and Payment Bonds, in the form prescribed in Exhibits C and D, in the amount of 100% of the total sum of the GMP, the costs of which are to be paid by the Construction Manager. The Performance and Payment Bonds must comply with the following provisions and must be otherwise acceptable to the COUNTY:

B. The Bonds must be underwritten by a surety company which has a currently valid Certificate of Authority issued by the State of Florida, Department of Insurance, authorizing it to write surety bonds in the State of Florida.

1. The surety company shall have currently valid Certificate of Authority issued by the United States Department of Treasury under Sections 9304 to 9308 of Title 31 of the United States Code.

2. The surety company shall be in full compliance with the provisions of the Florida Insurance Code.

3. The surety company shall have at least twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued.

4. The Bonds must be fully performable in Florida, with service and venue in Pasco County, Florida.

5. The surety company shall have at least the minimum rating of A (CLASS VIII) in the latest issue of Best's Key Rating Guide:

6. The surety company shall not expose itself to any loss on any one risk in an amount exceeding ten (10) percent of its surplus to policyholders, provided:

a. Any risk or portion of any risk being reinsured shall be deducted in determining the limitation of the risk as prescribed in this section. These minimum requirements shall apply to the reinsuring carrier providing authorization or approval by the State of Florida, Department of Insurance to do business in this state have been met.

b. In the case of a surety insurance company, in addition to the deduction for reinsurance, the amount deposited, pledged or held subject to the consent of the surety and for the protection of the surety shall be deducted.

c. If the surety for any bond furnished by Construction Manager is declared bankrupt, becomes insolvent, its right to do business is terminated in the

State of Florida, or it ceases to meet the requirements imposed by the Contract Documents, the Construction Manager shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the minimum requirements noted above and the COUNTY's approval.

d. In accordance with the requirements of Section 255.05(1)(a), Florida Statutes, Construction Manager shall record within 5 days in the Public Records of Pasco County, Florida, a copy of the Performance and Payment Bonds. The Construction Manager shall deliver within 10 days to the COUNTY a copy the recorded Bonds. The delivery of such evidence is a condition precedent to the COUNTY's obligation to make any progress payments to Construction Manager hereunder.

Section 7. Contract Time and Liquidated Damages

A. Time is of the essence in the performance of the Work under this Contract. The "Pre-Construction Commencement Date" shall be established in a Notice to Proceed to be issued by the COUNTY.

B. The Construction Manager shall commence the Pre-Construction Phase Services portion of the Work within five (5) calendar days after the Pre-Construction Phase Commencement Date.

C. Any Work performed by Construction Manager prior to the Pre-Construction Phase Commencement Date shall be at the sole risk and expense of Construction Manager.

D. The "Construction Phase Commencement Date" shall be established in the GMP Amendment. Construction Manager shall commence the Construction Phase Services portion of the Work within five (5) calendar days after the Construction Phase Commencement Date. No portion of the Work, with respect to the Construction Phase Services to be provided hereunder, shall be performed prior to the Construction Phase Commencement Date, unless expressly approved in advance by the COUNTY in writing. The total period of time beginning with the Construction Phase Commencement Date and ending on the date of Substantial Completion of the Work is referred to hereafter as the "Contract Time". The Contract Time is set forth with more specificity in Paragraph B below.

E. Because the Work may be completed in more than one phase, the timely completion of each phase is critical to the timely completion of the second phase and, therefore, completion of the entire Project. Accordingly, if applicable, the Construction Manager agrees to provide the Pre- Construction Phase Services in accordance with the design schedule established pursuant to the terms of the Design Agreement. With respect to the Construction Phase Services, the GMP Amendment shall include the

date that portion of the Work associated with the Construction Phase Services must be substantially completed by the Construction Manager. That Substantial Completion date shall be established in terms of calendar days after the Construction Phase Commencement Date. In the event the Construction Manager and the COUNTY fail to reach an agreement on the Contract Time and the Substantial Completion date, the COUNTY may elect to terminate this Contract. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Contract Amount attributable to the Pre-Construction Phase Services earned to the date of termination plus that portion of any earned compensation associated with any Construction Phase Services provided, to the extent such services were expressly approved in advance and in writing by the COUNTY; but the Construction Manager shall not be entitled to any further or additional compensation from the COUNTY, including but not limited to damages or lost profits on portions of the Work not performed. Substantial Completion of the Work shall be achieved when the Work has been completed to the point where the COUNTY can occupy or utilize the Work for its intended purpose. Design Professional shall certify the date Substantial Completion of the Work is achieved. If the COUNTY has designated portions of the Work to be turned over to the COUNTY prior to Substantial Completion of the entire Work, the Design Professional shall certify the date as to when Substantial Completion of such designated portions of the Work have been achieved. The entire Work shall be fully completed and ready for final acceptance by the COUNTY within 30 calendar days after the Substantial Completion date.

F. The COUNTY and Construction Manager recognize that, since time is of the essence for this Contract, the COUNTY will suffer financial loss if the Work associated with the Construction Phase is not substantially completed within the time specified in the GMP Amendment, as said time may be adjusted as provided for herein. In such event, the total amount of the COUNTY's damages, will be difficult, if not impossible, to definitely ascertain and quantify, because this is a public construction project that will, when completed, benefit the public in Pasco County, Florida. It is hereby agreed that it is appropriate and fair that the COUNTY receive liquidated damages from Construction Manager, if Construction Manager fails to achieve Substantial Completion of the Work within the required Contract Time. Should Construction Manager fail to substantially complete the Work within the required time period, the COUNTY, upon thirty (30) days written notice to the Construction Manager, shall be entitled to assess, as liquidated damages of $5,000, but not as a penalty, for each calendar day after the missed Project Milestone thereafter until the Milestone or Substantial Completion of the entire Project is achieved.. Construction Manager hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the COUNTY's actual damages at the time of contracting if Construction Manager fails to substantially complete the Work in a timely manner.

G. When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period

falls on a Saturday or Sunday or on a day made a legal holiday by the laws of Florida, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday. The term "business day" as used herein shall mean all days of the week excluding Saturdays, Sundays and all legal holidays observed by the COUNTY.

Section 8. Exhibits Incorporated

The following documents are expressly agreed to be incorporated by reference and made a part of this Agreement.

Exhibit A:	General Terms and Conditions
Exhibit B:	Supplemental Terms and Conditions
Exhibit C:	Form of Payment Bond
Exhibit D:	Form of Performance Bond
Exhibit E:	Insurance Requirements
Exhibit F:	Form of Release and Affidavits
Exhibit G:	Application for Payment/SOV
Exhibit H:	Form of Change Order / Consent of Surety to Change
Exhibit I:	Master Project Schedule Milestones
Exhibit J:	Construction Manager's Staffing Schedule
Exhibit K:	GMP Amendment to Agreement between the COUNTY and Construction Manager
Exhibit L:	Truth-In-Negotiation Certificate
Exhibit M:	Certificate of Insurance Form

In case of inconsistency ambiguity or discrepancy, between Contract Documents, the Exhibits shall govern over the Construction Management Agreement.

Section 9. Notices

All notices required or made pursuant to this Contract by the Construction Manager to the COUNTY shall be in writing and may be given either (i) by mailing same by United States mail with proper postage affixed thereto, certified, return receipt requested, or (ii) by sending same by Federal Express, Express Mail, Airborne, Emery, Purolator or other expedited mail or package delivery, (iii) by hand delivery to the appropriate address as herein provided, or (iv) by telecopy with confirmation copy to be mailed. Notices required hereunder shall be directed to the following address:

COUNTY: Pasco County- Facilities Director
Pasco County- Facilities Department
7220 Osteen Road
New Port Richey, FL 34653

Construction Manager: Moss & Associates, LLC
John Bowden, Sr. Vice President

5401 W Kennedy Blvd Suite 1060
Tampa, FL 33609

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 10. Construction Manager's Public Records Obligations.

The Construction Manager is responsible for its compliance with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, the Construction Manager shall (a) keep and maintain public records required by the County to perform the service under the Agreement; (b) upon request from the County's custodian of public records provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the Construction Manager does not transfer the records to the County; and (d) upon completion of the contract, transfer, at no cost to the County, all public records in possession of the Construction Manager. Upon transfer, the Construction Manager shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements. All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County. All documentation produced as part of this Agreement will become the property of the County. This paragraph shall survive the expiration or termination of this Agreement.

IF THE CONSTRUCTION MANAGER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRUCTION MANAGER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, TAMMY HUMMER, FACILITIES MANAGEMENT AT (727) 847-834-3292, EXT. 3919, THUMMER@PASCOCOUNTYFL.NET, 7220 OSTEEN ROAD, NEW PORT RICHEY, FL 34653.

Under Florida law, a Contractor (such as the Construction Manager) who fails to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for termination of this Agreement.

Section 11. Nondiscrimination, Equal Employment Opportunity, and Americans with Disabilities Act

The Construction Manager warrants and represents that it does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with the Construction Manager's performance under this Agreement on account of race, color, sex, religion, age, handicap, marital status or national origin. The Construction Manager further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Agreement.

The Construction Manager shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by the County, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, Construction Manager shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. ADA compliance relating to the design of the facilities included as part of the overall Project shall be the responsibility of the Consultant's design professional. The Construction Manager also has the responsibility to make sure the construction of the facilities complies with the ADA aspects of the design. The County is also an E-Verify employer and encourages all its contractors and their subcontractors to -comply with the requirements of this federal program with respect to its hiring practices. The Construction Manager shall be responsible for any fines or penalties that may be assessed or imposed on the County as a result of the Construction Manager's non-compliance relating to Work activities performed for this Project.

Section 12. Independent Contractor

The Construction Manager is engaged as an independent business and agrees to perform Work as an independent contractor. In accordance with the status of an independent contractor, the Construction Manager covenants and agrees that the Construction Manager will conduct business in a manner consistent with that status, that the Construction Manager will not claim to be an officer or employee of the County for any right or privilege applicable to an officer or employee of the County, including, but not limited to: worker's compensation coverage; unemployment insurance benefits; social security coverage; retirement membership, or credit.

The Construction Manager's staff shall not be considered employees of the County, and the Construction Manager alone shall be responsible for their Work, the direction thereof, and their compensation and benefits of any kind. Nothing in the Contract Documents shall impose any liability or duty on the County on account of the Construction Manager's acts, omissions, liabilities or obligations of those of any person, firm, company, agency association, corporation, or organization engaged by the Construction Manager as a Subcontractor, expert, Construction Manager, independent contractors, specialist, trainee, employee, servant or agent or for taxes of any nature, including, but not limited to: unemployment insurance; worker's compensation and anti-discrimination, or workplace legislation of any kind. The Construction Manager hereby agrees to indemnify and hold harmless the County against any such liabilities, to the extent they arise from actions directed or taken by the Construction Manager. Tax savings afforded to the County for Direct of Materials shall not be applicable to this section 12.

Section 13. Third Party Beneficiaries

Neither the Construction Manager nor the County intends to directly or substantially benefit a third party by this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them based upon this Agreement. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Agreement.

Section 14. Modification

No modification or amendment to the Contract shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 15. Successors and Assigns

Subject to other provisions hereof, the Contract shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Contract.

Section 16. Governing Law

The Contract shall be interpreted under and its performance governed by the laws of the State of Florida.

Section 17. No Waiver

The failure of The COUNTY to enforce at any time or for any period of time any one or more of the provisions of the Contract shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 18. Each Party May Avail Itself of All Remedies

Each Party may avail itself of each and every remedy herein specifically given to it now or existing at law or in equity, and each and every such remedy shall be in addition to every other remedy so specifically given or otherwise so existing. The Party's rights and remedies as set forth in the Contract Documents are not exclusive and are in addition to any other rights and remedies in law or in equity.

Section 19. Funding Availability Clause

Funding for this Agreement is contingent on the availability of County funds and continued authorization for program activities and the Agreement is subject to amendment or termination due to lack of funds, reduction of funds and/or change in regulations, upon thirty (30) days' notice.

Section 20. Entire Agreement

Each of the parties hereto agrees and represents that the Contract comprises the full and entire agreement between the parties affecting the Work contemplated, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Contract.

Section 21. Severability

Should any provision of the Contract be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 22. Construction

Unless the context of this Contract otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Contract refer to this Contract as a whole and not to any particular provision of this Contract, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Contract and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Contract shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

Section 23 Execution in Counterparts/ Effective Date

This Agreement may be executed in counterparts, the sum of which will be considered an original. An electronic copy of a party's signature will also be treated as an original for purposes of this Agreement. The effective date for purposes of this Agreement shall be considered June 19, 2020.

THE REST OF THIS PAGE LEFT DELIBERATELY BLANK

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their duly authorized representatives as indicated below .

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.**: FAC20-0161 **DATE**: 7/9/20

SUBJECT: Ratify Agreement for RFP-KM-20-032 - Moss & Associates, LLC - Construction Manager At Risk Services for Pasco County Jail Expansion - $431,477.00

REFERENCE: Agenda Memorandums OMB18-0023, OMB19-0013, PU20-0020 and FAC20-1023

THRU: Erik K. Breitenbach, Assistant County Administrator (Internal Services)

FROM: Andrew W. Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:
Ratify the agreement executed by the County Administrator for the award of a Construction Manager at Risk Agreement to Moss & Associates, LLC (Moss) under RFP-KM-20-032 for Construction Management At Risk Services for the Pasco County Jail Expansion (the Project) (Agreement), effective June 19, 2020, and direct Board Records to file a fully executed original in Board Records.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the "Series 2019 Bonds") on the November Mid-Term Election ballot (Memorandum OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Amount Not-to-Exceed $132,150,000.00 (Memorandum OMB19-0013).

On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for the Pasco County Jail Expansion.

On December 10, 2019, all responses received were publicly opened with the names of the responding firms being read. A five-member committee evaluated the subject responses. The committee members were Erik Breitenbach, Assistant County Administrator (Internal Services); Andrew Baxter, Facilities Management Director; Thomas Pyche, Chief Project Manager; Kimberly Riggans, Lieutenant – Pasco County Sheriff's Office; and Timothy Ceresoli, Captain – Pasco County Sheriff's Office (Evaluation Committee).

On January 8, 2020, at a properly noticed public meeting, the Evaluation Committee discussed and carefully considered each proposer's qualifications and experience. The Evaluation Committee thereafter scored the five responsive firms and requested that the top three firms be invited back for oral presentations. The order of presenting firms after the written evaluations were as follows: Gilbane Building Company (Gilbane); Moss & Associates, LLC (Moss); and Ajax Company, Inc. (Ajax).

On January 27, 2020, at a properly noticed public meeting, the Evaluation Committee listened to and ranked oral presentations from the above noted firms. After oral presentations, the ranking was as follows: Moss, Ajax, and Gilbane.

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked firm Moss, in order to secure an agreement (Memorandum No. PU20-0020).

On June 2, 2020, the BCC authorized the delegation of authority to the County Administrator to finish negotiations with Moss for construction management at risk services for the Pasco County Jail Expansion and execute an agreement in basically the same form as the draft agreement provided with the Agenda item. Under that agreement, the Project was divided into two (2) phases with the first being Pre-Construction Services. This initial phase involves the finalization of the design and the development of cost estimates for the construction of the Project. If the parties agree to a Guaranteed Maximum Price (GMP) within the total Project budget approved by the BCC, the second phase (Construction Phase) involving the actual construction and build out of the Project will commence. The Phase 1 Pre-Construction proposal included with the Agreement authorizes $431,477.00 to compensate Moss for assisting in finalizing the design development stage for the Project and preparing estimates for the work required to establish a GMP for the Project. Once the GMP is finalized, which falls within the overall Project budget allotted by the BCC for this Project, an amendment to the Agreement (the GMP Amendment) for the Construction Phase of the Project shall be presented for approval. Should the parties not be able to agree on a GMP, the Agreement can be terminated. The County's only financial obligation to Moss should such situation arise would be limited to the fee for their Pre-Construction Services (Memorandum FAC20-1023).

Some additional changes were made to the agreement as a result of the subsequent negotiations between the parties. Substantive changes reflected in the final Agreement attached include the following:

1. Section 7.F of the Agreement – eliminated the cap on the amount of liquidated damages that could be assessed by the County.
2. Section 23 of the Agreement – added an effective date of June 19, 2020 for the Agreement and allowed for a copy of a signature to be treated as an original.
3. Signature block for the BCC Chairman modified to allow for signature by County Administrator.
4. Section 11.4 of Exhibit A of the Agreement changed cumulative delay period from 15 to 30 days.
5. Section 14.7 of Exhibit A of the Agreement- Consequential Damages provision - modified to delete mutual waiver language and allow for waiver of consequential damages by Moss in return for the County's agreement to set a limit of $1 million in consequential damages for those claims not covered by insurance, liquidated damages and termination claims as provided under the Agreement.

The terms of the Agreement shall be considered effective between the parties as of June 19, 2020, and the executed Agreement attached shall supersede and replace the prior version of the agreement provided to the BCC on June 2, 2020.

The Facilities Management Department, with concurrence from the Purchasing Department, requests ratification of the Agreement with Moss for Construction Manager at Risk Services for the Pasco County Jail Expansion.

The anticipated schedule and budget for this project is:

Project Activity	Schedule		Budget
	Start	Finish	Amount
Design	Spring 2020	Summer 2024	$9,117,629.00
Construction	Fall 2021	Summer 2024	$108,000,000.00
Total Cost			$117,117,629.00

FISCAL IMPACT/COST/REVENUE STATEMENT:

SUBJECT: Approve Change Order No. 1 to Construction Management at Risk Agreement RFP-KM-20-032 - Moss & Associates, LLC – Pre-Construction Management Services Related to the Upgrade the Existing Fire Alarm System - $39,725.00

REFERENCES: Agenda Memorandums OMB17-047, OMB18-0023, FAC20-1023 and FAC20-0161

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Change Order No. 1 to Agreement RFP-KM-20-032 with Moss & Associates, LLC (Moss) to provide pre-construction management services associated with the replacement of the existing fire alarm system that will be compatible with the fire alarm system planned for the new facility expansion in the Not to Exceed amount of $39,725.00, for a new total fee of $471,202.00 for Fiscal Year (FY) 2021. Authorize the Chairman to execute the two originals of Change Order No. 1 provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On September 26, 2017, the Board of County Commissioners (BCC) approved the FY2018 budget that included a Facilities Non-CIP (Capital Improvement Projects) project in the amount of $130,000.00 to replace the fire alarm system in the Land O' Lakes Detention Center (Memorandum OMB17-047).

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the "Series 2019 Bonds") on the November Mid-Term Election ballot (Memorandum OMB18-0023).

On June 2, 2020, the BCC approved the delegation of authority to the County Administrator to finish negotiations with Moss for construction management at risk services for the Pasco County Jail Expansion (Project) and execute a Construction Manager at Risk Agreement with Moss under RFP-KM-20-032 (Agreement) for Construction Management at Risk Services, and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00, contingent upon receipt of executed contracts from Moss and review by the County Attorney's Office for legal sufficiency (Memorandum FAC20-1023).

On July 14, 2020, the BCC approved ratifying the Agreement executed by the County Administrator for the award of a Construction Manager at Risk Agreement to Moss under RFP-KM-20-032 for Construction Management at Risk services for the Project effective June 19, 2020 (Memorandum FAC20-0161).

The Project is divided into two phases; the first phase is Pre-Construction Services. This initial phase includes the finalization of the design and development of cost estimates for construction of

the Project.

The Facilities Management team has determined that it is in the County's best interest to coordinate the replacement of the existing fire alarm system to occur at the same time the new system will be installed in the jail expansion. The pre-construction services included in Change Order No. 1 will be funded from the Non-Capital Improvement Projects (CIP), Maintenance of Buildings, for Facilities Management account.

Change Order No. 1 provides for pre-construction services for the upgrade of the existing 30-year old fire alarm system. Including the fire alarm system upgrade in Moss's Agreement ensures the fire alarm replacement will be 100% compatible with the jail expansion and will provide inter-operability for the entire jail complex.

The additional pre-construction services consist of reviewing plans prepared by the Architect-Engineer; providing input during design to ensure specific safety and security requirements are met; developing a detailed scope of work to implement the fire alarm replacement; and soliciting, obtaining and evaluating competitive bids.

The anticipated schedule and budget for this project is:

Project Activity	Schedule	Budget Amount
Pre-Construction Services Jail Expansion and Visitation Building Funded from General Obligation Bonds	Start Summer 2020 - Finish Winter 2024	$431,477.00
Pre-Construction Fire Alarm Upgrade Funded from Non-CIP Funds	Start Fall 2021 - Finish Winter 2021	$39,725.00
Total Cost of Pre-Construction Services Fee Jail Expansion & Fire Alarm Upgrade		$471,202.00

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $39,725.00 is available and will be funded from Board General Fund, Facilities Non-CIP Projects for FY 2021.

DISTRIBUTION:

COMMISSION DISTRICT: 2 **FILE NO.:** FAC21-0057 **DATE:** 2/9/2021

SUBJECT: Approve Change Order No. 2 to Agreement RFP-KM-20-032 – Moss & Associates, LLC – Pre-Construction Management Services – Addition of Design Assist Specialty Contractors for Jail Facility Expansion and Visitation Building - $120,487.00

REFERENCES: Memorandums OMB18-0023, OMB19-0013, PU20-0020, FAC20-1023, FAC20-0161 and FAC21-0023

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Change Order No. 2 to Agreement RFP-KM-20-032 to Moss & Associates, LLC (Moss) for the addition of two Design Assist Contractors (DACs) for the jail facility expansion and visitation building (Project) detention equipment and security electronics during the pre-construction phase, in the Not to Exceed (NTE) amount of $120,487.00, for a new cumulative NTE amount of $591,689.00 for Fiscal Year (FY) 2021. Authorize the Chairman to execute the two originals of Change Order No. 2 provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the BCC approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the “Series 2019 Bonds”) on the November Mid-Term Election ballot (OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Amount NTE$132,150,000.00 (OMB19-0013).

On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for the Pasco County Jail Expansion.

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked firm Moss, in order to secure an agreement (Memorandum No. PU20-0020).

On June 2, 2020, the BCC approved the delegation of authority to the County Administrator to finish negotiations with Moss for construction management at risk services for the Pasco County Jail Expansion (Project) and execute a Construction Manager at Risk Agreement with Moss under RFP-KM-20-032 (Agreement) for Construction Management at Risk Services, and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00, contingent upon receipt of executed contracts from Moss and review by the County Attorney’s Office for legal sufficiency (FAC20-1023).

On July 14, 2020, the BCC approved ratifying the Agreement executed by the County Administrator for the award of a Construction Manager at Risk Agreement to Moss under RFP-KM-20-032 for Construction Management at Risk services for the Project effective June 19, 2020 (FAC20-0161).

On December 8, 2020, the BCC approved Change Order No. 1 to the Agreement to provide pre-construction services for the upgrade of the existing fire alarm system in the NTE amount of $39,725.00, for a new total fee of $471,202.00 (FAC21-0023).

The Project is divided into two phases; the first phase is Pre-Construction Services, which includes the finalization of the design and development of cost estimates for construction of the Project.

The Project requires evaluation of existing detention equipment and security electronics, as well as evaluation and design of new detention equipment and security electronics.

The intent of a design assist arrangement is to create a Building Team (Team) comprised of the County, architect, construction manager, and DACs prior to the completion of the construction documents. This process is intended to be a collaborative team-oriented effort wherein the Team utilizes the specialty expertise of DACs in both the design and construction phases to optimize project cost, value and efficiency. It is the Team's intent to reduce the overall project cost wherever possible without impacting the schedule or performance. The DACs will review, evaluate, and assist in the completion of the construction documents. The DACs are also encouraged to value engineer the Project by any means acceptable to the County, architect and construction manager.

Change Order No. 2 provides for DAC services for the existing detention equipment and security electronics. These additional pre-construction services consist of assisting in the completion of the construction documents; providing design reviews, guidance and recommendations on design; constructability analysis; pricing alternatives; material procurement; value engineering; analyzing engineering criteria, making design/engineering recommendations; completing field investigations necessary to assist the Team; and reducing the overall project cost wherever possible without impacting the schedule or performance.

The Facilities Management Department, with concurrence from the Sheriff's Office and the Purchasing Department, request approval of Change Order No. 2 with Moss for the NTE amount of $120,487.00 for FY 2021.

The anticipated schedule and budget for this project is:

Project Activity	Start	Finish	Budget
Design	Spring 2020	Summer 2024	$8,441,839.00
Pre-Construction	Summer 2020	Winter 2022	$591,689.00
Geotechnical Services	Winter 2021	Winter 2021	$70,369.00
Construction and Fixtures, Furniture & Equipment	Fall 2021	Summer 2024	$119,000,000.00
	Total Project:		$128,103,897.00

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $120,487.00 is budgeted and available in the GO Bond Capital Projects Fund, Constitutional Officers, Sheriff.

MOSS & ASSOCIATES, LLC - CHANGE ORDER NO. 2

PASCO COUNTY JAIL EXPANSION AND VISITATION BUILDING

DESIGN ASSIST SPECIALTY CONTRACTORS FOR DETENTION EQUIPMENT AND SECURITY ELECTRONICS

1. GENERAL PROJECT DESCRIPTION

1.1 The Pasco County Jail Expansion and Visitation Building (Project) is divided into two phases; the first phase is Pre-Construction Services. This initial phase includes the finalization of the design and development of cost estimates for construction of the Project. Design Assist Specialty Contractors (DACs) are required to evaluate the existing detention equipment and security electronics, and for the evaluation and design of new detention equipment and security electronics.

1.2 The DACs will assist the Project Team (Team) comprised of the County; Hellmuth, Obata, Kassabaum, Inc. (Architect); and Moss & Associates, LLC (Construction Manager) with respect to the existing and future detention equipment and security electronics required for the Project. This process will be a collaborative team-oriented effort wherein the Team utilizes the specialty expertise of DACs in both the design and construction phases to optimize project cost, value and efficiency. It is the Team's intent to reduce the overall Project cost wherever possible without impacting the schedule or performance. The DACs will review, evaluate, and assist in the completion of the construction documents. The DACs are also encouraged to value engineer the Project by any means acceptable to the County, Architect and Construction Manager.

2. DESIGN ASSIST SPECIALTY CONTRACTORS (DACs)

The Pauly Jail Building Co. (Pauly) is the DAC providing services for the Detention Equipment. Accurate Controls, Inc. (Accurate) is the DAC providing the services for the Security Electronics.

2. DACs SCOPE OF SERVICES

2.1 The DACs shall meet and actively participate via design review meetings with the Team on a regular basis to review, evaluate, and assist in the completion of the contract documents, including providing design reviews, guidance and recommendations on design, proposals for design modifications, constructability analysis, pricing alternatives, material procurement, and value engineering. Feedback on manpower analysis, schedule, and early procurement requirements shall also be included.

2.2 The DACs shall perform peer reviews, analyze engineering criteria, and make design/engineering recommendations. The DACs shall not be responsible for the design itself as the Architect-led Design Team will remain the Architect/Engineer of Record for the Project.

2.3 The DACs shall be responsible for reviewing all documents, including other DAC scopes of work for coordination. The DACs shall review all drawings and documents for feedback as they relate to their respective scopes of work.

.2.4 The DACs shall complete field investigations necessary to assist the Team with filling in the gaps of the design to ensure all information is shown and adequately described. During design, the role of the DACs is to support the Team and the overall project development.

2.5 The DACs shall value engineer the Project by any means acceptable to the Team.

3. PAULY DETENTION EQUIPMENT SCOPE OF WORK

3.1 Regular attendance at design meetings both on site and via teleconference.

3.2 Design meeting attendance by key manufacturers and Pauly's hardware engineer at targeted design meetings for detention hardware, modular steel cells, and security hollow metal.

3.3 Provide detailed cost estimates including scope of work, Onscreen and Value Engineering Options at all budget milestones per the Construction Manager's schedule, Schematic Design budget, Design Development budget, and Guaranteed Maximum Price (GMP) proposal.

3.4 Provide interim costing information throughout the design phase to assist with design selection and progression.

3.5 On site investigation of existing conditions and concerns identified in the security electronics.

3.6 DELIVERABLES:

a) Co-lead detention design meetings
b) Develop Design Development level submittal packages for:
   1. Detention scope of work
   2. Detention specification development
   3. Detention hardware design and development
   4. Security glazing design and physical samples
   5. Detention hollow metal design assistance
   6. Provide costs estimates as specified herein
c) Assist with door schedule development
d) Life safety and security barriers review and coordination
e) Constructability reviews
f) Modular cell design assistance in CAD or BIM formats
g) Construction schedule and scheduling
h) GMP bid package development and scopes as related to the detention equipment package
i) Co-lead mechanical, electrical, plumbing, and fire protection coordination meetings for detention systems.

4. ACCURATE SECURITY ELECTRONICS SCOPE OF WORK

4.1 On site detailed review, inspection and inventory of the existing security automation system.

4.2 Attend design assist meetings.

4.3 Attend County review meetings.

4.4 Attend demonstration meetings.

4.5 Assist with modular cell design.

4.6 Coordinate with detention equipment contractor and modular cell manufacturer.

4.7 Estimating for but not limited to:

a) Initial Budgets
b) Schematic Design Budget
c) Design Development Budget and GMP Budget Estimates

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC22-0049 **DATE:** 12/7/2021

SUBJECT: Change Order No. 3 to Construction Management at Risk Agreement RFP-KM-20-032 - Moss & Associates, LLC – Pre-Construction Management Services – Affirm and Extend Agreement 151 days - No Funding Required

REFERENCES: OMB18-0023, OMB19-0013, PU20-0020, FAC20-1023, FAC20-0161, FAC21-0023, and FAC21-0057

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Change Order No. 3 to Construction Management At Risk Agreement RFP-KM-20-032 with Moss & Associates, LLC (Moss) to affirm and extend the current completion date of December 31, 2021, by 151 days, for a new completion date of May 31, 2022 for the Pre-Construction services. Authorize the Chairman to execute the two originals of Change Order No. 3 provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 (Jail Projects/Improvements) (the “Series 2019 Bonds”) on the November Mid-Term Election ballot (Memorandum OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Amount Not-to-Exceed $132,150,000.00 (Memorandum OMB19-0013).

On October 29, 2019, at the request of the Facilities Management Department, the Purchasing Department solicited a request for proposals (RFP) for Construction Manager at Risk Services for the Pasco County Jail Expansion.

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked firm Moss, in order to secure an agreement (Memorandum PU20-0020).

On June 2, 2020, the BCC approved the delegation of authority to the County Administrator to finish negotiations with Moss for construction management at risk services for the Pasco County Jail Expansion (Project) and to execute a Construction Manager at Risk Agreement with Moss under RFP-KM-20-032 (Agreement), and authorize the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00, contingent upon receipt of executed contracts from Moss and review by the County Attorney’s Office for legal sufficiency (Memorandum FAC20-1023).

On July 14, 2020, the BCC ratified the Agreement executed by the County Administrator and

Moss for the Project effective June 19, 2020 (Memorandum FAC20-0161).

On December 8, 2020, the BCC approved Change Order No. 1 to the Agreement to provide pre-construction services for the upgrade of the existing fire alarm system in the NTE amount of $39,725.00 for a new total fee of $471,202.00 (Memorandum FAC21-0023).

On February 9, 2021, the BCC approved Change Order No. 2 to the Agreement to provide for Design Assist Specialty Contractor services for the detention equipment and security electronics in the NTE amount of $120,487.00, for a new total fee of $591,689.00 (Memorandum FAC21-0057).

Change Order No. 3 will extend the term of the Pre-Construction Phase by 151 days from the current completion date of December 31, 2021, for a new completion date of May 31, 2022. The Architect for the Project needed to investigate value engineering concepts. Consequently, the investigation extended the date for Moss to receive the design development drawings from the Architect. These drawings are necessary for the next step by Moss in the Pre-Construction Phase of construction estimate. The Project is divided into two phases; the first phase is Pre-Construction Services and the next phase is Construction.

The Facilities Management Department, with concurrence from the Purchasing Department, requests approval for the time extension of 151 days for a new completion date of May 31, 2022 for the Pre-Construction Services Phase.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

EXHIBIT H

Pasco County, Florida

CHANGE ORDER NO. 3

CONTRACT: Pasco County Jail Expansion

CONSTRUCTION MANAGER: Moss & Associates, LLC

5401 W. Kennedy Blvd., Suite 1060, Tampa, FL 33609

RFP NO.: RFP-KM-20-032 TASK (if applicable) N/A

CONTRACT DATE: July 14, 2020

(Circle as applicable)

TIME CHANGE **EXTRA WORK** **CREDIT** **OTHER**

The CONSTRUCTION MANAGER is hereby authorized and directed to make the following changes and modifications to the aforesaid Contract in accordance with all requirements applicable thereto.

DESCRIPTION OF CHANGE:	COST IMPACT	FINAL COMPLETION DAYS
Addition of time for Value Engineering studies	$0.00	151

REASON FOR CHANGE:

The Project required additional time for the Architect to investigate Value Engineering concepts. Consequently, the investigation extended the date for MOSS to receive the Design Development drawings from the Architect. These drawings are necessary for the next phase of the construction estimate.

The initial Contract Price (FINAL TOTAL BID PRICE) was	$	431,477.00
Net change by previous Change Orders	$	160,203.00
The Contract Price prior to this Change Order was	$	591,689.00
The Contract Price will be (*increased*, decreased, **unchanged**) by this Change Order	$	0.00
The Contract Price including this Change Order	$	591,689.00
The Final Completion Milestone prior to this Change Order		December 31, 2021

The time for the Final Milestone will be (**extended**, reduced, *unchanged*) by **151 days**.

The Final Completion Milestone as of this Change Order **May 31, 2022**

The CONSTRUCTION MANAGER waives any and all claims to additional time extension and/or monetary compensation resulting from these changes and all costs associated with and addressed by this Change Order. Except to the extent expressly modified by this Change Order, the aforesaid Contract and all terms and conditions therein, as amended by all previous Change Orders, is reaffirmed in its entirety and shall remain in full force and effect.

IN WITNESS WHEREOF, this Change Order No. 3 to the Agreement has been executed by the parties hereto or by their authorized representatives.

AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC22-0234 **DATE:** 8/9/2022

SUBJECT: Amendment No. 1 to Agreement for RFP-KM-20-032 for Phase 2 Construction - Moss & Associates, LLC - Construction Manager at Risk Services for the Pasco County Jail Expansion Project - $192,003,808.00

REFERENCES: OMB18-0023, OMB19-0013, PU20-0020, FAC20-1023, FAC21-0023, FAC21-0057, and FAC22-0049.

AGENDA SECTION: Addendum Consent Items will be approved concurrently with the 8/9/22 BCC Agenda Consent Items with a single vote.

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Amendment No. 1 to ratify and affirm the Construction Management At Risk Agreement with Moss & Associates, LLC (Moss) for RFP-KM-20-032 and to establish a Guaranteed Maximum Price (GMP), a Contract Price and Project Budget for the Pasco County Jail Expansion (the Project) in the Not to Exceed (NTE) amount of $192,595,497.00 and to establish the Substantial Completion Date for Phase 2, Construction Phase, as September 15, 2025. Authorize the Chairman to sign the two originals of Amendment No. 1 as provided and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 Bonds (Jail Projects/Improvements) (OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal NTE amount of $132,150,000.00 (OMB19-0013).

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked CMAR firm, Moss, in order to secure an agreement (PU20- 0020).

On June 2, 2020, the BCC delegated to the County Administrator the authority to finish negotiations with Moss for construction management at risk services for the Project, to execute an Agreement for Construction Manager at Risk services (CMAR) with Moss and authorized the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00 (FAC20-1023).

On July 14, 2020, the BCC Ratified Agreement RFP-KM-20-032 for CMAR Services to be provided by Moss for the Pasco County Jail Expansion in the NTE amount of $431,477.00 (FAC20-0161).

On December 8, 2020, the BCC approved Change Order No. 1 to Agreement RFP-KM-20-032 for pre-construction management services to the Upgrade of the existing Fire Alarm System, in the

amount of $39,725.00. The new fire alarm system will be compatible with the fire alarm system planned for the new facility (FAC21-0023).

On February 9, 2021, the BCC approved Change Order No. 2 to Agreement RFP-KM-20-032 for the Addition of Design to Assist Specialty Contractors in the NTE amount of $120,487.00 for Fiscal Year (FY) 2020 (FAC21-0057).

On December 7, 2021, the BCC approved Change Order No. 3 to Agreement RFP-KM-20-032 to affirm and extend the current completion date of December 31, 2021 by 151 days, for a new completion date of May 31, 2022 (FAC22-0049).

The CMAR firm, Moss, has provided a Construction Manager's GMP for the work in the NTE amount of $192,595,497.00. This price covers all the known elements of constructing the new jail expansion, renovations of the existing jail, the new visitation building, and all required sitework. Construction will commence following the execution of the Amendment No. 1 and run through the summer of 2025. Completion milestones are included in the schedule for the Project.

The 386,477 square foot expansion will include additional general population, medical, mental health, and administrative segregation beds. The expansion will also create new support service areas to include: a new sallyport, intake, and release area, a new kitchen, additional loading docks and storerooms, expanded laundry rooms, modernized control rooms, and enhanced security response and staff support areas. In addition, the facility’s fire alarm and security systems will be completely upgraded.

The Project will also include a visitation building that will serve as the public interface with the jail. This building will allow families to visit inmates via video conferencing capabilities and conduct other jail related business without entering the secure perimeter of the jail. The visitation building will be located on the corner of Asbel Rd. and US 41.

The sitework related to this project will include all stormwater, fill, utility improvement necessary and create a parking area large enough for future jail needs. There will also be a new perimeter security road built around the exterior of the jail. The project will also include the installation of new County fiber throughout the site for use by the jail and other future buildings.

Paragraphs 119.071(3)(a) and (b), Florida Statutes, exempts from public records disclosure information regarding the security or firesafety system plan and building plans for the Project. Therefore, the Attachments to Amendment No. 1 are not included in this item.

The anticipated schedule and budget for this project is:

Project Activity	**Schedule**		**Budget**
	Start	**Finish**	**Amount**
Design	Spring 2020	Summer 2025	$ 8,441,839.00
Pre-Construction	Summer 2020	Summer 2022	$ 591,689.00
Construction	Fall 2022	Summer 2025	$192,003,808.00
FFE/Permitting/Misc.	Spring 2020	Summer 2025	$ 6,617,000.00
Total Cost:			**$207,654,336.00**

The Facilities Management Department, with concurrence from the Purchasing Department, requests the approval of Amendment 1 to ratify and affirm the Agreement for RFP-KM-20-032 to establish a GMP, Construction Services and Construction Contract project completion time, to Moss for CMAR services for the Project and authorize the Phase 2 Construction Services for the Project in the NTE amount $192,595,497.00 for the total project.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $106,841,121.74 is available in Sheriff 2021B GO Projects-Sheriff. Funding in the amount of $12,457,491.38 is available in GO Bond Capital Projects-Sheriff. Funding in the amount of $40,000,000.00 is available in the Detention Center Half-Cent 2022C GO Bond Fund. The remaining funding of $32,705,194.88, will be available in various funds in future budget requests contingent upon the BCC approval of the various budgets.

GMP AMENDMENT TO AGREEMENT BETWEEN PASCO COUNTY AND CONSTRUCTION MANAGER

AMENDMENT NO. 1 TO AGREEMENT BETWEEN PASCO COUNTY AND CONSTRUCTION MANAGER for PASCO COUNTY JAIL ADDITION PROJECT

Pursuant to Sections 4B and 7A of the Agreement, dated July 14, 2020, between Pasco County, a political subdivision of the State of Florida ("the COUNTY") and MOSS & ASSOCIATES, LLC ("Construction Manager"), with respect to the construction of the renovation and expansion of the COUNTY's Jail Addition ("Project"), the COUNTY and Construction manager hereby agree to amend and modify the Agreement by this Amendment and establish a Guaranteed Maximum Price and Contract Time for all the Work as set forth below:

ARTICLE 1 SCOPE OF WORK

The scope of the Work consists of the construction of the Project, in accordance with the Agreement, this Amendment and the other Contract Documents listed as Attachments 1 through 7 below and are hereby incorporated into and made a part of the Amendment by this reference:

1. List of Drawings and Specifications
2. Allowance
3. Assumptions and Clarifications
4. Completion Schedule
5. Schedule of Value
6. List of Itemized General Conditions
7. List of Subcontractors and Major Suppliers

ARTICLE 2 - GUARANTEED MAXIMUM PRICE

2.1 Construction Manager's Guaranteed Maximum Price for the Work, including the estimated Cost of the Work as defined in Section 5 of the Agreement, the Construction Manager's Fee as defined in Section 4 of the Agreement, and the Contingency as defined below is one hundred ninety-two million, five hundred ninety five thousand, and four hundred and ninety seven dollars and 00/100.00 ($192,595,497.00). This GMP Amendment hereby amends section 2.19 of the Agreement by increasing the Project Budget not to exceed cap from one hundred and nine million dollars and 00/100.00 ($109,000,000.00) to one hundred ninety-two million, five hundred ninety five thousand, and four hundred and ninety seven dollars and 00/100.00 ($192,595,497.00). As set forth in Section 2.19 of the Agreement, the overall Contract Amount (which includes the Pre-Construction Phase Fee and the Guaranteed Maximum Price) cannot exceed the Project Budget established by the COUNTY.

2.2 The Subcontract Costs as defined in Section 5. A. 2 of the Agreement, for the entire Work anticipated on this Project will be based on actual Subcontractor invoices to the Construction Manager up to the established amount of one hundred sixty million, six hundred

seventy-eight thousand, and one hundred fifty-seven dollars and 00/100 ($160,678,157). Said amount is included within the above noted GMP.

2.3 The Construction Manager's Fee as defined in Section 4. B of the Agreement, for the entire Work anticipated on this Project is hereby established as a lump sum amount of seven million, three hundred eighty-four thousand, and seven hundred sixty-two dollars and 00/100 ($7,384,762.00), said lump sum amount is included within the above noted GMP.

2.4 The General Condition expenses as defined in Section 4. B of the Agreement, for the entire Work anticipated on this Project are hereby established as a lump sum amount of twelve million, eight hundred thirty-six thousand and five hundred fifty-two and 00/100 ($12,836,552.00), said lump sum amount is included within the above noted GMP. The items included as General Condition expenses are listed in the List of Itemized General Conditions attached hereto and incorporated herein as Attachment No. 6.

2.5 The Pre-Construction Phase Services Fee as defined in Section 4. A of the Agreement and amended through Change Orders 1, 2 and 3 of Five Hundred Ninety One Thousand and Six Hundred Eighty Nine and 00/100 ($591,689.00) said lump sum amount is included within the above noted GMP.

2.6 In order to efficiently and timely address any unknown or unanticipated conditions that are within the scope of the required Work and are otherwise reimbursable without duplication as a Cost of the Work but excluding all items that are to be reimbursed under the lump sum General Condition expense amount noted-in paragraph 2.4 above, the parties have agreed to establish a Construction Manager's Contingency within the GMP. Construction Manager's Contingency funds may be increased by Change Order. Constriction Manager shall notify the COUNTY for any portion of the Work which it intends to charge against this contingency. The Construction Manager acknowledges and agrees that any work which is to be charged against the Construction Manager's Contingency funds that does not comply with the terms set forth herein may be deemed to be part of Construction Manager's basic Work compensated within the GMP and not chargeable against the Construction Manager's Contingency.

2.6.1 The Construction Manager's Contingency shall be utilized to compensate for the increased Cost of the Project incurred by the Construction Manager due to unforeseen circumstances relating to construction of that Project which resulted in an unavoidable increase in costs, except when deemed the responsibility of the COUNTY. The Construction Manager will be required to furnish documentation evidencing all expenditures charged to the Construction Manager's Contingency and demonstrating that the costs incurred were necessary for the Work. Construction Manager shall identify the amount sought to be charged to the Construction Manager's Contingency and the reasons why the amount should be charged to that Contingency.

The Construction Manager's Contingency shall be established as an amount of four million, eight hundred twenty thousand, and three hundred forty-five and 00/100 ($4,820,345.00) and is included within the above noted GMP.

2.7 Monthly installment payments of the Cost of the Work, General Conditions, the Construction Manager's Fee, and the utilized Contingency; shall be paid monthly based upon the percent completion of the Work for each particular month. The percent completion shall be based on the approved updated Construction Schedule as required in Exhibit B,

Supplemental Terms and Conditions, Section 3.3.9.

2.8 Construction Manager recognizes that this Contract includes work for trench excavation in excess of five feet deep. Construction Manager acknowledges the requirements set forth in Section 553.63 of the Florida Statutes titled Trench Safety Act. Construction Manager certifies that the required trench safety standards will be in effect during the period of construction of the Project and Construction Manager agrees to comply with all such required trench safety standards.

2.8.1 The amount of ten thousand dollars and 00/100 ($10,000.00) has been separately identified for the cost of compliance with the required trench safety standards; said amount is included within the Article 2.1 above.

2.9 The GMP may be adjusted pursuant to the terms herein for Change Order and Construction Change Directive.

ARTICLE 3 CONTRACT TIME

3.1 The Construction Phase Commencement Date for the Work is August 23rd, 2022. The total period of time beginning with the Construction Phase Commencement Date through the date required for Substantial Completion of the Work is (1,119) calendar days ("Contract Time"). The SUBSTANTIAL COMPLETION DATE is therefore established as September 15, 2025.

Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Manager's responsibility to complete the Work within the Contract Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement shall be assessed from Construction Manager for each calendar day Construction Manager fails to achieve Substantial Completion for the Designated Work within the Contract Time.

3.2 Pursuant to Section 7 A. of the Agreement, a Notice To Proceed was issued establishing the Pre-Construction Commencement Date and the time period for the Pre-Construction Services Phase. Change Order No. 3 extended the end date for that Phase. This Amendment hereby continues the Pre-Construction Services Phase until August 23, 2022.

ARTICLE 4 MISCELLANEOUS

4.1 Except as expressly modified herein, the terms and conditions of the Agreement remain unchanged and are hereby restated, ratified, and shall remain in effect. In the event of a conflict between the terms of this Amendment and those of the Agreement, COUNTY and Construction Manager agree that the terms of this Amendment shall prevail and control.

IN WITNESS WHEREOF, this Amendment 1 to Agreement RFP-KM-20-032 has been executed by the parties hereto or by their authorized representatives.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC24-0116 **DATE:** 6/4/2024

SUBJECT: Amendment No. 2 to Construction Management At Risk Agreement RFP-KM-20-032 for Jail Expansion - Moss & Associates, LLC - Increase the Guaranteed Maximum Price and the Project Budget, Establish and Add Funds to Owner's Contingency, and Add 102 Calendar Days to Contract Time - $5,889,000.00

REFERENCES: Agenda Memorandums OMB18-0023, OMB19-0013, PU20-0020, FAC20-1023, FAC20-0161, FAC21-0023, FAC21-0057, FAC22-0049, and FAC22-0234

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Amendment No. 2 to the Contract For Pasco County Jail Expansion - Construction Management at Risk Agreement with Moss & Associates, LLC (Moss) for RFP-KM-20-032 (Agreement) for the Pasco County Jail Expansion (the Project) to (1) increase the Guaranteed Maximum Price (GMP) and the Project Budget not to exceed cap from $192,595,497.00 to $198,484,497.00, (2) establish and fund an Owner's Contingency in the amount of $5,000,000.00, (3) reallocate, as of the effective date of Amendment No. 2, 100% of the Project's unused Allowances to the Owner's Contingency, (4) authorize $889,000.00 to be paid to the Construction Manager for its fees related to the amount of the Owner's Contingency, (5) add 102 calendar days to the Contract Time, so the Contract Time is 1,221 calendar days and the Substantial Completion Date and the date of September 15, 2025, are eliminated, and (6) establish the Contract Time as the Final Completion Date of December 26, 2025.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 Bonds (Jail Projects/Improvements) (OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal NTE amount of $132,150,000.00 (OMB19-0013).

On February 18, 2020, the BCC authorized the Facilities Management Department to begin meaningful discussions with the top-ranked Construction Manager at Risk (CMAR) firm, Moss & Associates, LLC (Moss), in order to secure an agreement for construction management at risk services for expansion of the jail facility (Project) (PU20-0020).

On June 2, 2020, the BCC delegated to the County Administrator the authority to finish negotiations with Moss for CMAR services for the Project, to execute an Agreement for CMAR services with Moss, and authorized the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00 (FAC20-1023).

On July 14, 2020, the BCC Ratified Agreement RFP-KM-20-032 (Agreement) for CMAR Services to be provided by Moss for the Pasco County Jail Expansion in the NTE amount of $431,477.00 (FAC20-0161).

On December 8, 2020, the BCC approved Change Order No. 1 to Agreement for Pre-Construction Services (Agreement) for the upgrade of the existing fire alarm system, in the amount of $39,725.00. The new fire alarm system will be compatible with the fire alarm system planned for the new facility (FAC21-0023).

On February 9, 2021, the BCC approved Change Order No. 2 to Agreement for the Addition of Design-Assist Specialty Contractors in the NTE amount of $120,487.00 for Fiscal Year (FY) 2020 (FAC21-0057).

On December 7, 2021, the BCC approved Change Order No. 3 to Agreement to affirm and extend the current completion date of December 31, 2021, by 151 days, for a new completion date of May 31, 2022 (FAC22-0049).

On August 9, 2022, the BCC approved Amendment No. 1 to the Agreement to ratify and affirm the CMAR Agreement with Moss and to establish a Guaranteed Maximum Price (GMP), a Contract Price and Project Budget for the Project, and to establish the Substantial Completion Date as September 15, 2025 (FAC22-0234).

An Owner's Contingency (Contingency) was not initially identified for this Project, and it has been determined that additional funds are required to address unforeseen circumstances and changes to the scope of work, including but not limited to, site work, geotechnical investigation, structural, civil, electrical, and plumbing.

Amendment No. 2 establishes and adds $5,000,000.00 to an Owner's Contingency and reallocates 100% of the Project's unused Allowances to the Contingency. The sum $889,000.00 is budgeted and available for associated Construction Manager's fees. Any unspent Contingency funds will be credited to the Project and retained by the County upon final completion of the Project.

Amendment No. 2 increases the Guaranteed Maximum Price and the Project Budget not to exceed cap from $192,595,497.00 to $198,484,497.00, an increase of $5,889,000.00.

Amendment No. 2 adds 102 calendar days to the Contract Time, so the Contract Time is 1,221 calendar days, and the Substantial Completion Date and the date of September 15, 2025, are eliminated. The Contract Time shall be established as the Final Completion Date of December 26, 2025. A soil void at the site required a geotechnical investigation and a soil remediation program, which resulted in a delay to the start of the concrete foundation work. Additionally, the sanitary vent piping system was revised, which subsequently delayed the slab-on-grade and tilt wall panel work.

The anticipated schedule and budget for this project is:

Project Activity	Schedule		Budget
	Start	Finish	Amount
Design	Spring 2020	Summer 2025	$8,441,839.00
Pre-construction	Summer 2020	Summer 2022	$591,689.00
Construction	Fall 2022	Winter 2025	$197,892,808.00
FFE/Permitting/Misc.	Spring 2020	Winter 2025	$6,617,000.00
Total Cost:			$213,543,336.00

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding in the amount of $5,889,000.00 is budgeted and available in Capital Improvement Plan Projects Funds, Corrections Operations, Project 20F38 – Detention Center Expansion GO Bond.

AMENDMENT NO. 2 TO AGREEMENT BETWEEN PASCO COUNTY AND
CONSTRUCTION MANAGER for
PASCO COUNTY JAIL ADDITION PROJECT

THIS AMENDMENT NO. 2 ("Amendment No. 2") is made by and between Pasco County Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners (the "County"), and Moss & Associates, LLC (the "Construction Manager"), to that certain Construction Management At Risk Agreement between the County and the Construction Manager, dated July 14, 2020 ("Agreement"), as amended by Amendment No. 1 dated August 9, 2022, ("Amendment No. 1") in connection with the management and construction required for the expansion and renovation of the Pasco County Jail Addition. the ("Project")

NOW THEREFORE, the County and Construction Manager, for the consideration set forth herein, agree as follows:

1. The Agreement, as amended by Section 2.1 of Amendment No. 1, is amended to increase the Guaranteed Maximum Price and the Project Budget not to exceed cap from $192,595,497.00 to $198,484,497.00, an increase of $5,889,000.00.

2. The Agreement, as amended by Section 2.2 of Amendment No. 1, is amended to reallocate 100% of the Project's unused Allowances as of the effective date of this Amendment No. 2 to the Owner's Contingency established below. The term Allowances refers to those items referenced in Article 1, Attachment No. 2, of Amendment No. 1. Attachment No. 2 is attached hereto for reference. The parties shall memorialize in writing the unused Allowances and the amounts that are reallocated to the Owner's Contingency as of the effective date of this Amendment, which writing shall automatically be incorporated herein and made a part hereof. These amounts are in addition to the funds described in Section 3 below.

3. An Owner's Contingency is established and funded in the amount of $5,000,000.00 of County funds. In addition, after applicable and required markups, there is available an additional $889,000.00. The total of County funds in the amount of $5,889,000.00 shall be applied as follows:

    a. Owner's Contingency: $5,000,000.00
    b. Construction Manager:15% fee:$750,000.00
    c. Construction Manager:1.59% Contractor-Controlled Insurance Program (CCIP): $79,500.00
    d. Construction Manager:1.09% Subcontractor Default Insurance (SDI): $54,500.00
    e. Construction Manager: 10% Warranty: $5,000.00

4. The Owner's Contingency is established as within the GMP to efficiently and timely (i) address any unknown errors or deficiencies in the Construction Documents prepared by the Design Professional, (ii) to accommodate changes in the Work requested by the County that are within the scope of the required Work and are otherwise reimbursable without duplication as a Cost of the Work or as a Construction Manager's Contingency item, but excluding all items that are to be reimbursed under the lump sum General Condition expense amount noted-in Section 2.4 of Amendment No. 1, and (iii) if agreed to by the Owner, for any other reason that otherwise causes an increase in the cost of the Project.

5. The Owner's Contingency funds may be increased by Change Order.

6. The Construction Manager shall notify the COUNTY for any portion of the Work which it seeks to charge against the Owner's Contingency. The Construction Manager acknowledges and agrees that any work which is to be charged against the Owner's Contingency funds that does not comply with the terms set forth herein may be deemed to be part of Construction Manager's basic Work compensated within the GMP and not chargeable against the Owner's Contingency.

    a. The Owner's Contingency shall be utilized to compensate for the increased Cost of the Project incurred by the Construction Manager due to matters described in Section 3 above.
    b. The Construction Manager will be required to furnish documentation evidencing expenditures to be charged to the Owner's Contingency and demonstrating that the costs incurred were necessary for the Work. The Construction Manager shall identify the amount sought to be charged to the Owner's Contingency and the reasons why the amount should be charged to that Contingency.
    c. Utilization of the Owner's Contingency shall be paid monthly based upon the percent completion of the Work for each particular month.
    d. Any Owner's Contingency funds remaining at the Final Completion of the Work shall be retained by the County.

7. Section 3.1 of Article 3 of Amendment No. 1 to the Agreement is amended to read in its entirety as follows:

    3.1 The Construction Phase Commencement Date for the Work is August 23rd, 2022. The total period of time beginning with the Construction Phase Commencement Date through the date required for Final Completion of the Work is (1,221) calendar days ("Contract Time"). The FINAL COMPLETION DATE is therefore established as December 26, 2025.

    Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Manager's responsibility to complete the Work within the Contract

Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement shall be assessed from Construction Manager for each calendar day Construction Manager fails to achieve Final Completion for the Work within the Contract Time.

8. The Agreement, as amended by Article 3 Contract Time, Section 3.1 of Amendment No. 1, is amended to add 102 calendar days to the Contract Time so that the Contract Time is 1,221 calendar days and the Substantial Completion Date and the date of September 15, 2025, is eliminated. The Contract Time shall be established as the Final Completion Date of December 26, 2025. The cost impact of the elimination of the Substantial Completion Date and the establishment of the Final Completion Date will be agreed to by the parties at a later date, provided that the liquidated damage rate shall apply to this Amendment and Construction Manager's responsibility to complete the Work within the Contract Time. Accordingly, the liquidated damage rate established in the Agreement shall be assessed from the Construction Manager for each calendar day the Construction Manager fails to achieve the Work by the Final Completion Date.

9. Except as expressly modified herein, the terms and conditions of the Agreement, as amended by Amendment No. 1 remain unchanged and are hereby restated, ratified, and shall remain in effect. In the event of a conflict between the terms of this Amendment and those of the Agreement, as amended by Amendment No. 1, the County and the Construction Manager agree that the terms of this Amendment shall prevail and control.

IN WITNESS WHEREOF, this Amendment No. 2 to the Agreement, as amended by Amendment No. 1, has been executed by the parties hereto or by their authorized representatives.

GMP Submission - Attachment 2

Allowances

PASCO COUNTY JAIL EXPANSION

S.No.	DESCRIPTION	Allowance Amt.	Assumptions and Clarifications Reference
1	Allowance for Building Permit Fees	$50,000	
2	Allowance for shoring budget for demolition of the existing Sallyport (Area K)	$56,200	
3	Allowance for furnishing 1,417 ea. steel embed plates for (886) tilt-up panel to panel and (531) panel to footing connections, pending design/ engineering completion. This includes an extra 12 ea. tilt-up wall panels in addition to the 163 ea. shown on the drawings, which may need to be added because of size and weight restrictions on some of the larger panels shown.	$288,050	Concrete Item 1
4	Allowance for misc. steel that is required for bolting down the rooftop equipment curb supplemental support steel	$115,750	
5	Allowance for galvanized steel condenser unit racks	$25,800	
6	Allowance for additional support steel at rooftop mechanical units to allow for anticipated additional load on joists	$175,000	
7	Allowance for 7 ea. Conditions of existing masonry wall infill, including demolition of existing concrete slab, excavation, new concrete bell footing and slab pour-back	$15,750	
8	Allowance for drywall patching and repair at existing walls per note D118 on demolition plans.	$35,210	
9	Allowance for to relocate the underground for the Fire Riser as follows:		
10	a. For Civil. That assumes we have a clear access path to get some small equipment in, Moss is assuming doing a 10" x 08" Tapping Sleeve and Valve to make the connection to the existing so we do not have to interrupt the fire protection. That also includes restoration of the building slab.	$40,000	
11	b. For Demo of the existing and capping the line.	$10,000	
12	Allowance for misc. patching of Spray Applied Fire Proofing damaged by construction activities at:		
13	a. new Jail construction	$40,000	
14	b. existing Jail areas	$32,000	Spray Applied Cementitious Fireproofing Item 3
15	Allowance for 111 ea. Additional fire alarm devices and 1 ea. Zone panel per drawing	$88,000	
16	Allowance for 220 sets of steel CMU bracing	$64,430	
17	Allowance for temporary air conditioning	$100,000	Division 23 - Heating, Ventilation, & Air Condition Item 2
18	Allowance for anticipated structural modification to site fencing related to the delegated design process.	$272,260	Site Fencing & Gates Item 1
19	Allowance for temporary and permanent detailing and waterproofing for the connection between Area K and the existing building	$100,000	
20	Allowance to: a. sawcut and remove split face masonry veneer wall openings for access from existing building Area G to new building Area K.	$24,000	
21	b. add stucco or paint outside of Building K that will be viisble after the removal of the Sallyport	$15,000	
22	Allowance for the existing rotary ovens relocation to the new building	$5,000	
23	Allowance for the work associated with exisiting concrete floors in Area C	$91,200	Flooring Item 1
24	Allowance for the industrial grade sliding door tags L142, L144, L145 that are not available in sizes scheduled and are not included pending further design information or sourcing.	$10,200	Doors, Frames & Hardware Item 2
25	Allowance for additional miscellaneous or support steel, framing or bracing not indicated in the documents.	$62,462	Structural Steel/Miscellaneous Metals Item 1
26	Allowance for doors, frames & finish hardware revisions and/ or design completion.	$53,852	Doors, Frames & Hardware Item 1
27	Allowance for R-19 batt insulation above acoustical ceiling tiles.	$156,300	Acoustical Treatments and Security Ceiling Systems Item 1
28	Allowance for metal enclosure panels beneath lockers within Dayrooms (16/ A610).	$20,000	Lockers Item 1
29	Allowance for potential design and/or scope revisions related to the custom freight elevator.	$20,705	Elevator Items 2b and 3
30	Allowance for additional re-work of fire protection systems within existing areas, except for Area 'C'.	$197,430	Divisioin 21 - Fire Protection Item 5
31	Allowance to furnish and install 10 ea. televisions with wall mount brackets.	$25,000	Other Equipment Item 2
32	Allowance for sheet metal plate at K260 Staff Corridor per 3/ A751.	$5,300	
33	Allowance for assistance from the Mechanical Subcontractor in commissioning or testing for the Fire Alarm upgrades in the existing building areas.	$30,000	Division 23 - Heating, Ventilation, & Air Condition Item 3
34	Allowance to provide fiber-optic site utiity.	$500,000	General Item 33
	TOTAL ALLOWANCES =	**$2,724,899**	

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 2 **FILE NO.:** FAC25-0108 **DATE:** 4/9/2025

SUBJECT: Amendment No. 3 to Construction Management at Risk Agreement RFP KM-20-032 for Jail Expansion - Moss & Associates, LLC - Increase the Guaranteed Maximum Price and the Project Budget, Stipulation of Allocation of the Increase, and Add 284 Calendar Days to Contract Time - $14,791,013.52

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Amendment No. 3 to the Construction Management at Risk Agreement RFP-KM-20-032 (Agreement) with Moss & Associates, LLC (Moss), for the Pasco County Jail Expansion (the Project) to (1) increase the Guaranteed Maximum Price (GMP) by $14,791,013.52 for a Not to Exceed Amount of $213,275,510.52; (2) authorize costs allocations as detailed below; (3) add two hundred eighty-four (284) days to the Contract Time; and (4) provide that the remaining Moss supervision costs will be retained by the County upon completion of the project. Authorize the Chairman to execute the two originals of Amendment No. 3 provided and direct Board Records to distribute as detailed below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 19, 2018, the Board of County Commissioners (BCC) approved Ordinance No. 18-20 authorizing the inclusion of a bond referendum for Pasco County, Florida General Obligation Bonds, Series 2019 Bonds (Jail Projects/Improvements) (OMB18-0023).

On December 11, 2018, the BCC approved a Resolution authorizing the issuance of General Obligation Bonds for Jail Projects/Improvements, in an Aggregate Principal Not To Exceed (NTE) amount of $132,150,000.00 (OMB19-0013).

On February 18, 2020, the BCC authorized the Facilities Management Department to begin negotiations with the top-ranked Construction Manager at Risk (CMAR) firm, Moss, in order to secure an agreement for construction management at risk services for expansion of the jail facility (Project) (PU20-0020).

On June 2, 2020, the BCC delegated to the County Administrator the authority to finish negotiations with Moss for CMAR services for the Project, to execute an Agreement for CMAR services with Moss, and authorized the Phase 1 Pre-Construction Services for the Project in the amount of $431,477.00 (FAC20-1023).

On July 14, 2020, the BCC Ratified Agreement RFP-KM-20-032 (Agreement) signed by the County Administrator for CMAR pre-construction services to be provided by Moss for the Pasco County Jail Expansion in the NTE amount of $431,477.00 (FAC20-

0161).

On December 8, 2020, the BCC approved Change Order No. 1 to the Agreement for pre-construction services for the upgrade of the existing fire alarm system, in the amount of $39,725.00. The new fire alarm system will be compatible with the fire alarm system planned for the new facility (FAC21-0023).

On February 9, 2021, the BCC approved Change Order No. 2 to the Agreement for the Addition of Design-Assist Specialty Contractors in the NTE amount of $120,487.00 for Fiscal Year (FY) 2020 (FAC21-0057).

On December 7, 2021, the BCC approved Change Order No. 3 to the Agreement, to affirm and extend the current completion date of December 31, 2021 by 151 days, for a new completion date of May 31, 2022 (FAC22-0049).

On August 9, 2022, the BCC approved Amendment No. 1 to the Agreement, to ratify and affirm the CMAR Agreement with Moss and to establish a Guaranteed Maximum Price (GMP), a Contract Price and Project Budget for the Project, and to establish the Substantial Completion Date as September 15, 2025 (FAC22-0234).

On June 4, 2024, the BCC approved Amendment No. 2 to the Agreement, to increase the GMP and Project Budget, establish and add funds to an Owner's Contingency (Contingency) and add 102 calendar days to the Contract Time, for a new Final Completion Date of December 26, 2025 (FAC24-0116).

Amendment No. 3 adds 284 days to the Final Completion Date of December 26, 2025, for a new Final Completion Date of October 6, 2026. Of those 284 days, Moss identified 42 days as concurrent delays due to design, subcontractors, and Construction Change Directives. Consequently, Moss is reducing the cost impacts associated with the General Conditions and General Requirements (GCs/GRs) and subcontractor costs from 284 to 242 days.

Amendment No. 3 increases the GMP and the Project Budget NTE cap from $198,484,497.00 to $213,275,510.52, an increase of $14,791,013.52, which shall be applied as follows:

A. Moss's GCs/GRs in the amount of $5,193,200.00, comprised of:
i) An additional 242 days of Moss GCs/GRs costs in the amount of $3,537,556.00.
ii) An additional 242 days of Moss Supervision costs (Moss Supervision), in the amount of $1,655,644.00.

B. Moss's Subcontractors' Costs in the amount of $2,895,539.76, comprised of:
i) An additional 242 days of Subcontractors' GCs/GRs costs in the amount of $2,287,626.00.
ii) Overtime costs for BCH Mechanical LLC to mitigate the impacts of Construction Change Directives during July through October of 2024, in the amount of $382,127.76.
iii) An additional 242 days of Subcontractors' warranty costs, in the amount of

$225,786.00.

C. Owner's Contingency in the amount of $4,469,431.00, comprised of:
i) Additional Owner's Contingency funding, in the amount of $3,000,000.00.
ii) An overrun in the Owner's Contingency, in the amount of $1,469,431.00.

D. Construction Manager's 15% fee in the amount of $1,883,725.61.

E. Construction Manager's 1.59% fee for Contractor-Controlled Insurance Program (CCIP), in the amount of $199,674.92.

F. Construction Manager's 1.09% fee for Subcontractor Default Insurance (SDI), in the amount of $136,884.06.

G. Construction Manager's .1% fee for Warranties, in the amount of $12,558.17.

Amendment No. 3 provides that any Moss Supervision costs remaining at Final Completion shall be retained by the County.

The anticipated schedule and budget for this project are:

Project Activity	Schedule		Budget
	Start	Finish	Amount
Design	Spring 2020	Summer 2025	$8,441,839.00
Pre-construction	Summer 2020	Summer 2022	$591,689.00
Construction	Fall 2022	Winter 2026	$212,683,821.52
FF&E/Permitting/Misc.	Spring 2020	Winter 2026	$6,617,000.00
TOTAL COST:			$228,334,349.52

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding in the amount of $14,791,013.52 is budgeted and available in various funds, project 20F38 - Detention Center Expansion GO Bond.

AMENDMENT NO. 3 TO AGREEMENT BETWEEN PASCO COUNTY AND CONSTRUCTION MANAGER for PASCO COUNTY JAIL ADDITION PROJECT

THIS AMENDMENT NO. 3 ("Amendment No. 3") is made by and between Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners (the "County"), and Moss & Associates, LLC (the "Construction Manager"), to that certain Construction Management At Risk Agreement between the County and the Construction Manager, dated July 14, 2020 ("Agreement"), as amended by Amendment No. 1 dated August 9, 2022 ("Amendment No. 1"), and Amendment No. 2 dated June 4, 2024 ("Amendment No. 2") in connection with the management and construction required for the expansion and renovation of the Pasco County Jail Addition ("Project").

NOW THEREFORE, the County and Construction Manager, for the consideration set forth herein, agree as follows:

1. The Agreement, as amended by Section 2.1 of Amendment No. 1, and Paragraph 1 of Amendment No. 2, is amended to increase the Guaranteed Maximum Price and the Project Budget not-to-exceed cap from $198,484,497.00 to $213,275,510.52, an increase of $14,791,013.52.

2. The increase of $14,791,013.52 in the Guaranteed Maximum Price shall be applied as follows:

   A. Moss General Conditions and General Requirements: the lump sum amount of $5,193,200.00, comprised of:
      1) Additional 242 days of Moss General Conditions and General Requirements (GC/GR) costs in the amount of $3,537,556.00.
      2) Additional 242 days of Moss Supervision costs (Moss Supervision), in the amount of $1,655,644.00.

   B. Moss Subcontractor Costs: $2,895,539.76, comprised of:
      1) Additional 242 days of Subcontractors' GC/GR costs, in the amount of $2,287,626.00.
      2) Overtime costs for BCH Mechanical to mitigate impacts of Construction Change Directives (CCDs) during July through October of 2024, in the amount of $382,127.76.
      3) Additional 242 days of Subcontractors' warranty costs, in the amount of $225,786.00.

   C. Owner's Contingency: $4,469,431.00, comprised of:
      1) Additional Owner's Contingency funding, in the amount of $3,000,000.00.
      2) An overrun in the Owner's Contingency, in the amount of $1,469,431.00.

   D. Construction Manager 15% fee: $1,883,725.61.

E. Construction Manager 1.59% Contractor-Controlled Insurance Program (CCIP): $199,674.92.

F. Construction Manager 1.09% Subcontractor Default Insurance (SDI): $136,884.06.

G. Construction Manager .1% Warranty: $12,558.17.

3. Any Moss Supervision costs remaining at Final Completion shall be retained by the County.

4. Section 3.1 of Article 3 of Amendment No. 1 to the Agreement is amended to read in its entirety as follows:

   3.1 The Construction Phase Commencement Date for the Work is August 23, 2022. The total period of time beginning with the Construction Phase Commencement Date through the date required for Final Completion of the Work is 1,505 calendar days ("Contract Time"). The FINAL COMPLETION DATE is therefore established as October 6, 2026.

   Pursuant to this Agreement, the parties have established a liquidated damage rate for reasons stated therein, which the parties acknowledge and agree apply to this Amendment and Construction Manager's responsibility to complete the Work within the Contract Time as stated herein. Accordingly, the liquidated damage rate established in this Agreement shall be assessed from Construction Manager for each calendar day Construction Manager fails to achieve Final Completion for the Work within the Contract Time.

5. Paragraph 8 of Amendment No. 2 is amended to add 284 calendar days to the Contract Time so that the Contract Time is 1,505 calendar days and the Final Completion Date is October 6, 2026.

6. Except as expressly modified herein, the terms and conditions of the Agreement, as amended by all prior amendments, remain unchanged and are hereby restated, ratified, and shall remain in effect. In the event of a conflict between the terms of this Amendment and those of the Agreement, as amended by Amendment No. 1 and Amendment No. 2, the County and the Construction Manager agree that the terms of this Amendment shall prevail and control.

[The remainder of this page is intentionally left blank.

Signatures follow on the next page.]

IN WITNESS WHEREOF, this Amendment No. 3 to Agreement Between Pasco County and Construction Manager for Pasco County Jail Addition Project, as amended by Amendment No. 1 and Amendment No. 2, has been executed by the parties hereto or by their authorized representatives.

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO. _____**

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, AMENDING THE FINAL BUDGET FOR FISCAL YEAR 2026; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Section 129.06(2), Florida Statutes provides legal authority and defines how a budget may be amended for that year, and may within the first 60 days of a fiscal year amend the budget for the prior fiscal year; and,

WHEREAS, pursuant to Section 129.06(2)(d), Florida Statutes, a receipt of a nature from a source not anticipated in the budget and received for a particular purpose, including but not limited to grants, donations, gifts, or reimbursement for damages, may, by resolution of the board spread on its minutes, be appropriated and expended for that purpose, in addition to the appropriations and expenditures provided for in the budget. Such receipts and appropriations must be added to the budget of the proper fund. The resolution may amend the budget to transfer revenue between funds to properly account for unanticipated revenue.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, that:

1. The Fiscal Year 2026 Final Budget be amended.
2. Revenues and expenses are increased in the amount of $2,602,216.00 within the Sheriff 2021B GO Project Fund for funding the Detention Center Expansion project.
3. Revenues and expenses are increased in the amount of $2,115,546.00 within the Detention Center Half-Cent 22C Fund for funding the Detention Center Expansion project.
4. Revenues and expenses are increased in the amount of $2,747,335.00 within the VOPH & Detention Half-Cent 24A Fund for funding the Detention Center Expansion project.

5. Revenues and expenses are increased in the amount of $1,101,760.00 within the GO Bond Capital Projects Fund for funding the Detention Center Expansion project.

6. This resolution will take effect immediately upon its adoption.

DULY ADOPTED with a quorum present and voting this _____ day of _____, 2026.

JACK MARIANO, CHAIRMAN

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 1 **FILE NO.:** FAC26-0110 **DATE:** 6/16/2026

SUBJECT: Amendment No. 1 to Task Order No. FM26-003 (Guaranteed Maximum Price) – Wharton-Smith, Inc. – Go Pasco Multimodal Transfer Station, Zephyrhills – $3,814,176.00

REFERENCES: Memorandum FAC24-0097, FAC25-0196 and Internal Memo FAC26-1042

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve Amendment No. 1 to Task Order No. FM26-003 with Wharton-Smith, Inc. (Wharton-Smith), to establish a Guaranteed Maximum Price (GMP) for Construction Manager At Risk (CMAR) services for the construction of the GOPASCO Multimodal Transfer Station located in Zephyrhills (Project), in the Not to Exceed (NTE) amount of $3,814,176.00 for Fiscal Year (FY) 2026. Authorize the Chairman to sign the two originals of Amendment No. 1 provided, and direct Board Records to distribute as set forth under the Distribution section below. Direct Board Records to date the bonds and power of attorney, and to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On March 12, 2024, the Board of County Commissioners (BCC) approved the revised award of solicitation no. RFP-DS-23-076 for CMAR services for ongoing projects divided into three project groups (Project Group A, Project Group B, and Project Group C) to three vendors; Project Group A was awarded to Wharton-Smith (FAC24-0097). The CMAR Agreement with Wharton-Smith is currently in effect and work is assigned on a task-order basis.

On August 21, 2024, the BCC approved the First Amendment to the CMAR Agreement with Wharton-Smith, to add the Animal Services – Veterinary Clinic and Administration Building construction project to Project Group A (FAC24-0193).

On September 16, 2025, the BCC approved the Second Amendment to the CMAR Agreement with Wharton-Smith to add the Developmental Services Building and Go Pasco Multimodal Transfer Stations Building projects to Project Group A (FAC25-0196).

On January 15, 2026, the County Administrator approved Task Order No. FM26-003 with Wharton-Smith for the Project (Interoffice Memo FAC26-1042). This task order covered pre-construction services and contemplated the later addition of construction and administration services via a GMP Amendment.

The new multimodal station will consist of a small office, an outdoor public waiting area with vending machines, minimum public restrooms, a connection for one food truck, a fenced-in gated perimeter, and waiting area lanes for five simultaneous bus routes under shelters.

Wharton-Smith has provided a GMP proposal for the work under the Project in the NTE amount of $3,814,176.00. This price covers all the known elements of the Zephyrhills Multimodal Transfer Station. Construction will commence following the execution of Amendment No. 1 and will run through the Winter of 2027. The Substantial Completion Date is 321 calendar days from the date the Notice to Proceed (NTP) is issued by the County. Completion milestones are included in the Project schedule.

An estimate of design and construction of the Project is detailed below.

Project Activity	**Schedule**		**Budget**
	Start	**Finish**	**Amount**
Design	Winter 2025	Winter 2026	$ 229,800.00
Preconstruction	Winter 2026	Winter 2026	$ 35,673.00
Construction	Summer 2026	Winter 2027	$ 3,814,176.00
		TOTAL:	$ 4,079,649.00

The Facilities Management Department, with concurrence from the Purchasing Department, requests the approval of Amendment 1 to Task Order FM26-003 with Wharton-Smith to establish a GMP for CMAR services for the Project, in the NTE amount of $3,814,176.00 for FY 2026.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding in the amount of $3,814,176.00 is budgeted and available for FY 2026 in the Penny Transportation Infrastructure Fund, Public Transportation Department, Project Number 23064.

GMP AMENDMENT TO
PASCO COUNTY CMAR TASK ORDER NO. FM26-003
FOR GOPASCO MULTIMODAL TRANSFER STATION - ZEPHYRHILLS

This Amendment to Establish a Guaranteed Maximum Price ("GMP Amendment") to Task Order No. FM26-003, dated January 15, 2026 (the "Task Order"), the first amendment to said Task Order, is entered into between Pasco County, a political subdivision of the State of Florida, by and through its Board of County Commissioners ("the COUNTY"), and Wharton-Smith, Inc. ("Construction Manager"), with respect to the new construction of the COUNTY's GOPASCO Multimodal Transfer Station – Zephyrhills, ("Project"). The Task Order and the Master Agreement for Construction Manager at Risk Services between the COUNTY and the Construction Manager dated March 12, 2024 ("Agreement"), are both hereby incorporated by reference. The COUNTY and Construction Manager hereby agree to amend and modify the Task Order by this Amendment and establish a Guaranteed Maximum Price and Task Order Time for all the Work as set forth below:

Section 1 – Amended Documents

The Contract Documents are amended to include the Exhibits listed below, which are attached to this Amendment and hereby incorporated into and made a part of the Task Order by reference:

1. Exhibit O - List of Drawings and Specifications
2. Exhibit P - Allowances
3. Exhibit Q - Assumptions and Clarifications
4. Exhibit R - Construction Schedule
5. Exhibit S - Initial Submitted Schedule of Values
6. Exhibit T - List of Itemized General Conditions Expenses
7. Exhibit U - List of Subcontractors

As applicable, the versions of the Exhibits attached to this Amendment shall replace the contents of any same-lettered Exhibits attached to the Task Order.

Section 2 – Guaranteed Maximum Price

2.1 Construction Manager's Guaranteed Maximum Price (GMP) for the Work, including the estimated Cost of the Work as defined in Section 5 of the Task Order, the Construction Manager's Fee as defined in Section 4.B of the Task Order, and the Contingency as defined in Section 4.C of the Task Order, is $3,814,176.00.

2.2 The Subcontract Costs for the entire Work anticipated on the Project, as defined in Section 5.A.23 of the Task Order, will be based on actual Subcontractor invoices to the Construction Manager up to the established amount of $2,674,965.00; said amount is included within the above-noted GMP.

2.3 The Construction Manager's Fee, as defined in Section 4.B. of the Task Order,

for the entire Work anticipated on the Project is hereby established as a lump sum amount of $215,897.00; said lump sum amount is included within the above-noted GMP.

2.4 The Cost of General Conditions, as defined in Section 4.B. of the Task Order, for the entire Work anticipated on the Project is hereby established as a lump sum amount of $818,510.00; said lump sum amount is included within the above noted GMP. The expenses included as part of the Cost of General Conditions are listed in the List of Itemized General Conditions Expenses attached hereto as Exhibit T.

2.5 The Construction Manager's Contingency, as defined in Section 4.B of the Task Order, is established in the funds amount of $104,804.00. The funds amount is included within the above-noted GMP.

2.5.1 The Construction Manager's Contingency shall be utilized to compensate for the increased Cost of the Work incurred by the Construction Manager due to unforeseen circumstances relating to construction of the Project which resulted in an unavoidable increase in costs, except when deemed the responsibility of the COUNTY. The Construction Manager will be required to furnish documentation evidencing all expenditures charged to the Construction Manager's Contingency and demonstrating that the costs incurred were necessary for the Work. Construction Manager shall identify the amount sought to be charged to the Construction Manager's Contingency and the reasons why the amount should be charged to that Contingency.

2.6 Cash Allowances. It is understood that the GMP includes the allowances named individually by Construction Manager in the attached Exhibit P, as totaled in the attached Exhibit S (the Schedule of Values), and as further explained in Section 5 of this Amendment. The Construction Manager shall cause the Work to be done, using such Subcontractors or suppliers, and for such sums, within the limit of the allowances, as the COUNTY may approve as provided in Section 5 of this Amendment. Prior to final payment, the Task Order Amount shall be adjusted as required, and an appropriate Change Order issued to reflect actual authorized expenditures made against the allowances. The Construction Manager agrees that the GMP includes such sums as it deems proper for all cost, overhead, and profit required for cash allowances. The Construction Manager further agrees that in the event the COUNTY authorizes only a portion of the Allowance Work, the Construction Manager shall only receive the amount for Work actually performed as set forth in the Task Order documents for cash allowance upon submittal of the proper documentation. Reductions or increases in the Work will not entitle Construction Manager to any further increase in overhead and profit.

2.7 The GMP may be adjusted via a Change Order or a Construction Change Directive, as those terms are defined in the Task Order and Agreement.

Section 3 – Task Order Time

3.1 The Construction Phase Commencement Date is hereby established as the date on which the Notice to Proceed for construction services is issued by the COUNTY to the

Construction Manager. The total period of time beginning with the Construction Phase Commencement Date through the Substantial Completion Date (the "Task Order Time") is to be 321 calendar days. (This Task Order shall remain in effect for a period of one year from the date of Substantial Completion, in line with the Warranty requirement in Exhibit A of the Task Order, General Terms and Conditions, Article 25.)

3.2 The liquidated damages rate established in Section 7.F. of the Task Order shall be assessed by COUNTY from Construction Manager for each calendar day Construction Manager fails to achieve Substantial Completion within the Task Order Time.

Section 4 – Progress Payments

4.1 The initial Schedule of Values to be used as the basis for Construction Manager's Applications for Payment (pursuant to Exhibit A of the Task Order, General Terms and Conditions, Section 4.2) is attached hereto as Exhibit S and made part of the Task Order by reference.

4.2 The progress payments, consisting of the Cost of the Work, Cost of General Conditions, the Construction Manager's Fee, and the utilized Contingency, shall be paid monthly based upon the percent completion of the Work for each particular month. The percent completion shall be based on the approved updated Construction Schedule as required in Exhibit B of the Task Order, Supplemental Terms and Conditions, Section B.3.3.8.

Section 5 – Allowances

5.1 Allowance Categories. Because of the size, complexity and nature of the project, it is in the best interest of the COUNTY to establish certain allowance categories for various portions of additional or revised work. This "Allowance Work" may consist of, but is not limited to, the following:

a. General Site Work;
b. Concrete Structures;
c. General Road Work;
d. Utility Work; and
e. Process Work.

Funding for the Allowance Work is included in the GMP. The Allowance Work shall be performed in full compliance with all requirements of the Agreement and Task Order. The Task Order Time also includes a number of calendar days reserved for performance of Allowance Work in accordance with this Article, calculated as follows: twenty percent (20%) of days allocated from the date the Task Order Time commences to Final Completion (as included in Section 3 of this Amendment), or sixty (60) days, whichever is less. The election of the Construction Manager's performance of Allowance Work and the allocation of Task Order Time for such Allowance Work shall be within the sole discretion of the County.

5.2 Authorized Expenditures and Allocations of Time. All charges and time for

Allowance Work must be pre-approved in writing by the County Administrator or by his appropriately authorized designee. Said written pre-approval shall be in the form of an Allowance Authorization Release (AAR), which shall take substantially the same form as the Contingency Authorization Release included as part of Exhibit F of the Task Order. The AAR shall describe in detail the Allowance Work to be performed; the time, if any, required; and the price for the Allowance Work. The AAR shall contain the authorized signature of the County Administrator, or his appropriately authorized designee. If the Construction Manager performs any Allowance Work without the required AAR, the Construction Manager shall be deemed to have waived any rights it might otherwise have had to additional compensation or additional time, or both, for such Allowance Work. Any monies designated for Allowance Work remaining upon the completion of all Work shall be deducted from the GMP by an approved Change Order.

Should the time or funding needed to implement all allowances exceed the time allotment provided under section 5.1 above, additional time or funding may be taken from any remaining contingency time or funding via a Contingency Authorization Request. In the event that both the contingency and allowance amounts of either time or funding are exhausted, the COUNTY and Construction Manager may negotiate additional time or funding via an approved Change Order. Any cost increases for Allowance Work shall be negotiated between the COUNTY and Construction Manager.

5.3 Pricing of Allowance Work. When the COUNTY has determined that it wishes to have the Construction Manager perform certain Allowance Work, the County Project Manager shall provide the Construction Manager with an allowance proposal request, identifying the Allowance Work to be performed, and requesting the Construction Manager to submit a price for such proposed Allowance Work. The Construction Manager shall submit a price for the proposed Allowance Work in a timely fashion, but in no event shall the Construction Manager expend more than fourteen (14) calendar days to submit its price on the proposed Allowance Work, unless the County Project Manager, with the consent of the Director, permits a longer period of time. The Construction Manager shall prepare its price for the proposed Allowance Work in accordance with the pricing procedures established for Change Orders under Exhibit A of the Task Order, General Terms and Conditions, Article 12. Any cost increases for Allowance Work should be negotiated between the COUNTY and the Construction Manager in accordance with the procedures outlined in section 5.2 of this Amendment, or, if the allowance funds have been exhausted, using the procedures for Contingency funds outlined in the Task Order. In the event that both Contingency and Allowance funding are exhausted, additional funding may be made available via an agreed-upon Change Order between the parties.

5.4 Allocation of Task Order Time. If the Construction Manager requests an allocation of Task Order Time for performance of Allowance Work, the Construction Manager shall state with particularity in its response to the allowance proposal request of the COUNTY the reasons for its request and the manner in which performance of Allowance Work will affect the project schedule. The Construction Manager shall be entitled to an allocation of time for performance of Allowance Work only for the number of the days that the County Administrator or his designee reasonably determine to be appropriate, and then only to the

extent such performance affects the ability of the Construction Manager to meet contract milestone dates. The County Administrator or his designee may not allocate more Task Order Time for all Allowance Work hereunder than the total number of calendar days designated for Allowance Work in the Agreement. If the COUNTY and Construction Manager agree on the time to be allocated for performance of Allowance Work, the time shall be stated in the AAR. The County Administrator or his designee may adjust any milestone dates affected by allocation of time for Allowance Work and shall state such adjusted milestone dates in the AAR. Construction Manager shall not be entitled to damages for delays or disruptions caused by performance of Allowance Work hereunder. An approved Change Order shall be used to deduct any time designated for Allowance Work remaining at the completion of all Work from the Task Order Time.

5.5 Disputes as to Price or Time. If the COUNTY and Construction Manager agree on the price for proposed Allowance Work but cannot agree on the amount of time for such Work, or vice-versa, then the item agreed upon shall be stated in the AAR.

Section 6 – Miscellaneous

6.1 Except as expressly modified herein, the terms and conditions of the Task Order remain unchanged. In the event of a conflict between the terms of this Amendment and those of the Task Order No. FM26-003, COUNTY and Construction Manager agree that the terms of this Amendment shall prevail and control.

[THE REST OF THIS PAGE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, the parties have executed this GMP Amendment to Task Order No. FM26-003, effective the last date listed below.

ADDITIONAL REMARKS

THIS ADDITIONAL REMARKS FORM IS A SCHEDULE TO ACORD FORM,

FORM NUMBER: 25 FORM TITLE: CERTIFICATE OF LIABILITY INSURANCE

3% subject to $25K minimum for wind/hail (items involved in the loss)

Certificate holder is additional insured as respects General Liability, Automobile Liability, Pollution Liability and Umbrella Liability policies only if required by written contract, and subject to the terms, conditions, and exclusions as specified in the policies.
Coverage is primary as respects to General Liability & Automobile Liability and non-contributory as subject to the terms, conditions, and exclusions of your policy.
Waiver of subrogation applies in favor of certificate holder as respects General Liability, Automobile Liability, Workers Compensation and Umbrella only if required by written contract, and subject to the terms, conditions, and exclusions as specified in the policy.

It is agreed by endorsement to the General Liability, Automobile Liability and Workers Compensation policy that this policy shall not be cancelled by the insurance carrier without first giving thirty (30) days prior written notice except for nonpayment of premium or if the first named insured elects to non-renew.

Umbrella Liability policy follows the forms/endorsements of the underlying General Liability, Automobile Liability and Workers Compensation policies.

COVERED PROPERTY AND PREMISES DESCRIPTION
New construction and remodeling of waste-water treatment plants; new construction and non-structural renovations of commercial buildings at various premises within the states of Georgia, Florida, North Carolina, South Carolina, Virginia, Mississippi, Alabama, Louisiana, Tennessee & Texas

COVERAGE SUMMARY	LIMITS OF INSURANCE
Covered Property at Premises Described Above – **Frame or Joisted Masonry Construction**	$2,500,000
Covered Property at Premises Described Above – **Non-combustible, Masonry Non-combustible, Semi-Fire Resistive, Fire Resistive construction (including waste-water treatment plants not on islands)**	$100,000,000
Covered Property at Premises Described Above – **On islands – Waste-Water Treatment Plant projects only**	$5,000,000
Soft Costs	$1,000,000

SUBLIMITS COVERAGE	LIMITS OF INSURANCE
Flood – Per Occurrence – Zone C or Unshaded X	$75,000,000
Flood – Per Occurrence – Zones B & Shaded X	$15,000,000
Flood – Per Occurrence – All Other Zones	$1,000,000
Flood – Per Occurrence – Islands (Wastewater Treatment Plants Projects Only)	$500,000
Flood Annual Aggregate	$75,000,000
Earth Movement and Volcanic Eruption Per Occurrence "Pacific Northwest Seismic Area", "High Hazard Seismic Zones"	$1,000,000
Earth Movement and Volcanic Eruption – Per Occurrence "New Madrid Seismic Area"	$10,000,000
Earth Movement and Volcanic Eruption – Per Occurrence – All Other	$50,000,000
Earth Movement and Volcanic Eruption – Annual Aggregate	$50,000,000
Windstorm or Hail – Premises Located on Islands	$2,500,000

DEDUCTIBLE OR WAITING PERIOD COVERAGE	DEDUCTIBLE
All Coverages Unless Otherwise Specified Below	$5,000 – Projects up to $15,000,000; $10,000 - Projects $15,000,001 to $50,000,000; $25,000 – Projects over $50,000,000
Named Storm – On Islands	12.5%, Subject to $500,000 minimum on projects up to $8,000,000 (contract amount) 10.0%, Subject to $500,000 minimum on projects over $8,000,000 (contract amount)
Named Storm – Water Treatment Plant Projects Only	3%, Subject to $25,000 minimum
Named Storm – Frame, Joisted, Masonry or Non-Combustible Construction	5%, Subject to $25,000 minimum
Named Storm – Masonry Non-Combustible, Semi Fire-Resistive or Fire-Resistive Construction	3%, Subject to $25,000 minimum
Flood – Zones C or Unshaded X	$25,000
Flood – Zone B or Shaded X	$50,000
Flood – All Other Zones and Water Treatment Projects on Islands	$500,000 *
Earth Movement and Volcanic Eruption – "Pacific Northwest Seismic Area"," High Hazard Seismic Zones"	1% Subject to $50,000 Minimum
Earth Movement and Volcanic Eruption – "New Madrid Seismic Area"	1% Subject to $50,000 Minimum
Earth Movement and Volcanic Eruption – All Other	$25,000

* For "All Other Zones" the flood deductible will be restated so that if a project falls within two flood zones, the deductible for the highest flood zone will apply (example: if a project sits wholly or partially in a flood zone A, the deductible for projects in flood zone A will apply).

Highlighted Extensions and Conditions

COVERAGE TERMS

- **Maximum Limit of Insurance: $100,000,000**
- Valuation Clause: Replacement Cost
- Coinsurance: 0%
- Additional Coverages – Testing: "Electrical", "Mechanical", "Pneumatic" and "Hydrostatic"
- Equipment Breakdown Coverage
- Permission to Occupy Endorsement
- Loss of Use Coverage Endorsement
- Additional Coverage Limit for Valuable Papers - $250,000
- **Policy excludes wind coverage for all Projects EXCEPT water treatment plants within 3 Miles of any bay, gulf (including a sound), ocean, intracoastal waterway (including the Indian River) in "High Hazard Wind Zones" (see attachment of High Hazard Wind Zones)**

ADDITIONAL COVERAGE	LIMIT OF INSURANCE

Ordinance or Law – Demolition Cost and Increased Cost of Construction	$500,000
Pollutant Cleanup and Removal – Annual Aggregate	$25,000
Preservation of Property	Covered
Property in the Open	$25,000
Property that Supports your Business	$50,000
Reimbursement for Returning Stolen Property – Annual Aggregate	$10,000

Reward Coverage	$5,000
Site Preparation	Covered
Sewer and Drain Backup	Covered
Sinkhole Collapse	Covered
Temporary Premises	$1,000,000
Temporary Structures	$25,000
Testing	Covered
Transit	$1,000,000
Unintentional Errors and Omissions	$25,000
Virus, Harmful Code, or Similar Instruction	$10,000
Voluntary Parting	$25,000
Equipment Breakdown – Testing	Covered

HIGH HAZARD WIND ZONES

"High Hazard Wind Zones" means all "premises" in the specified counties within the following states:

a. Alabama:	Baldwin and Mobile.
b. Florida:	Bay, Brevard, Broward, Charlotte, Citrus, Collier, Dixie, Duval, Escambia, Flagler, Franklin, Gulf, Hernando, Hillsborough, Indian River, Jefferson, Lee, Levy, Manatee, Martin, Miami- Dade, Monroe, Nassau, Okaloosa, Palm Beach, Pasco, Pinellas, Saint Johns, Saint Lucie, Santa Rosa, Sarasota, Taylor, Volusia, Wakulla, and Walton.
c. Georgia:	Brantley, Bryan, Camden, Chatham, Glynn, Liberty, and McIntosh
d. Louisiana:	Parishes of: Acadia, Ascension, Assumption, Cameron, Calcasieu, East Baton Rouge, East Feliciana, Iberia, Iberville, Jefferson, Jefferson Davis, Lafayette, Lafourche, Livingston, Orleans, Plaquemines, Pointe Coupee, St. Bernard, St. Charles, St. James, St. John the Baptist, Saint Helena, St. Martin, St. Mary, St. Tammany, Tangipahoa, Terrebonne, Vermilion, Washington, West Baton Rouge, and West Feliciana.
e. Mississippi:	Hancock, Harrison, and Jackson.
f. North Carolina:	Beaufort, Bertie, Brunswick, Camden, Carteret, Chowan, Currituck, Dare, Hyde, New Hanover, Onslow, Pamlico, Pasquotank, Pender, Perquimans, Tyrrell, and Washington.
g. South Carolina:	Beaufort, Charleston, Colleton, Georgetown, Horry, and Jasper.
h. Texas:	Aransas, Bee, Brazoria, Brooks Calhoun, Cameron, Chambers, Fort Bend, Galveston, Goliad, Hardin, Harris, Hidalgo, Jackson, Jasper, Jefferson, Jim Wells, Kenedy, Kleberg, Liberty, Live Oak, Matagorda, Newton, Nueces, Orange, Refugio, San Patricio, Victoria, Wharton, and Willacy.
i. Virginia:	Accomack, Charles City, Gloucester, Isle of Wight, James City, Lancaster, Mathews, Middlesex, New Kent, Northampton, Northumberland, Surry, and York, and the independent cities of Chesapeake, Hampton, Newport News, Norfolk, Poquoson, Portsmouth, Prince George, Suffolk, Sussex, Virginia Beach, and Williamsburg

Windstorm Coverage Exclusion

Policy excludes wind coverage for all projects **EXCEPT** water treatment plants within 3 miles of any bay, gulf (including a sound), ocean, intracoastal waterway (including the Indian River) in "High Hazard Wind Zones"

ENDORSEMENT

This endorsement, effective 12:01 a.m., April 01, 2026 forms a part of Policy No. UM00024960MA26A issued to Wharton-Smith, Inc. by XL Specialty Insurance Company.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

Builder's Risk and Installation Coverage Solutions

Changes

This endorsement will not be used to decrease coverages, increase rates or deductibles or alter any terms or conditions of coverage unless at the sole request of the insured.

Clarifications

The Project

- Project consists of a new bus transfer station for Pasco County Public Transportation, GoPasco. Project includes a small office, an outdoor public waiting area, restrooms, bus lanes, sitework, landscaping and utilities.

Documents

- Please see Documents log attached herein.

Schedule

- Please see Schedule attached hererin.
- Should the project be delayed beyond the start date set above, there could be an impact on final project cost which will require a review and possible adjustment to the proposed GMP
- Assumes all permitting, site investigations, environmental and geotechnical findings are complete upon GMP approval; schedule does not reflect allotment for these activities - these items are considered by others and are also outside of the GMP costs

Contingencies

- The GMP contains a project contingency to allow for
  - Buy-out of work not included in previously awarded bid packages
  - Repair of damages caused by an unknown source or contractor (not including Builder's Risk claims)
  - To improve and/or accelerate the progress of work
  - To improve the conditions of the work
  - For modifications of the work resulting from an unknown ambiguity (not an error or omission) in the contract documents
  - To increase and/or supplement staff as necessary to effectively manage the project
  - To adjust the reimbursable general requirements in excess of the GMP proposal

GC, GR and Staffing

- Upon execution of the GMP, the general conditions labor and general requirements will convert to lump sum and be billed out as a fixed amount on a monthly basis divisible by the total duration of the project shown per the contract schedule. The labor rates are then auditable only to confirm the total hours used on the project, not to the composition thereof.

Insurances and Bonding

- For all subcontractors with a contract in the amount of $100,000 or more bonding cost has been included in the estimate
- Payment & Performance Bond included
- Standard General Liability Commercial Contractor Insurance coverage included
- The Builder's Risk premium carried in this estimate is an allowance based on preliminary rate guidance and typical project characteristics. This allowance is subject to change as the project design develops and based on final policy terms, project location, construction duration, timing of procurement, and prevailing insurance market conditions at the time of issuance. A final premium will be determined upon procurement of the policy, typically within 30 days of Notice to Proceed (NTP). Any adjustments to the actual premium cost at that time may result in a change order.

Fee

- Fee is fixed and shall be billed out on a monthly basis based on percentage complete on progress of work

Owner Costs

To eliminate confusion caused by duplication and/or omissions, the following costs are assumed to be held by the Owner:

- Impact fees and other fees charged by the County, SWFWMD, any State or Federal agencies
- Utility meters and metering devices normally provided by the Utility Company
- Design and engineering costs; excluding delegated design scope which is by the Contractor
- Hazardous material testing or demolition / removal (asbestos, mold, lead paint, etc.)

GoPasco Multimodal Transfer Station Zephyrhills
GMP
Tuesday, April 7, 2026
Clarifications

Direct Costs

03 Concrete
- Planter walls are excluded per Addendum 01.
- Canopy footings are included per plans; an allowance is included to adjust footing size(s) post delegated design review.
- Building elevation is included per Addendum 01.

04 Masonry
- per Plans and Specs

05 CFS
- Based on joists 24" o.c.
- Includes 1.5" 20ga type B roof steel decking

06 Casework
- Window sills are excluded; none shown.

07 Metal Cladding
- Brake metal drip flashing at the transition from fascia to soffit will have the joint 4" down the soffit from the transition instead; panel joint will act as drip line. Flashing may not be added to ACM panel joint while being consistent with FPA.

07 Roofing/Thermal Protection
- Drip edge detail shall prevail based on metal cladding qualifications / clarifications.

08 Windows and Glass
- An allowance is included for support steel at the transaction window.
- Storefronts are shown exceeding 12'-0"; FPA calls for support steel beyond this elevation, an allowance is included under Concrete to increase the depth of tie-beams to account for reductions in proposed storefront elevations. All storefronts are included as 12'-0". No changes per Addendum 01, included as base bid.
- Windows are based on non-impact materials.

09 Finishes
- Per plans and specs.

10 Signage
- Permitting fees reconcilation will be offset via project contingency.

10 Canopies
- Permitting fees reconcilation will be offset via project contingency.

11 FF&E
- By Owner, N.I.C.

12 Furnishings
- Blinds are excluded, none shown.

21 Fire Sprinklers
- Sprinklers excluded, none shown.

22 Plumbing
- Per plans and specs.

Clarifications

23 Mechanical

- Per plans and specs.

26 Electrical

- Relocation of overhead lines, poles and/or infrastructure is performed by the Owner's local Utility company
- Primary transformer, pad, conduit and conductors are excluded - assumed by the Owner's Utility company; secondary feeders are included
- Secondary feeders based on 100 FT length.
- Wiring methods are included as follows
  - MC cable luminary for whips for lighting fixtures
  - EMT conduit
  - GRC and IMC conduit
  - PVC Schedule 40 & 80
  - Liquid-tight metal conduit
  - Wire and conduit sizes based on NEC
- Site light poles are by Owner, this includes supply of light poles, luminaires, footings, conduit, conductors and terminations.

27 Low Voltage

- All data and comms will be wired in conduit in walls, above ceilings will be "free-wired" supported with "J" hooks or straps
- Fire alarm is not shown, this is excluded.
- Systems and communications service feeders based on 100 FT length.
- Lenel access control system is assumed to tie into an existing system which includes having enough spare existing licenses for the additional two doors for this scope. No additional licensing is included.
- IronLink CCTV Server is assumed to tie into an existing Video Management Software and having enough spare existing licenses for the additional cameras. Video Management Software and programming is excluded.
- Wireless access points and network equipment is excluded; assumed by Owner.
- Fiber optic cable and/or copper backbone cabling is excluded; assumed by Owner.
- An allowance for performing a BDA survey post-construction is included. If a BDA system is required, this shall be funded via project contingency.

31 Site

- Mill and overlay excluded, none shown.

32 Fencing

- Permanent Fencing is not shown, this is excluded.

32 Landscaping

- Per plans and specs.

To Whom It May Concern,

This letter is to confirm that the Corporate Resolution for Wharton-Smith, Inc., dated February 29, 2024, is the current and most up-to-date resolution on file identifying the authorized signatories of the company.

Thank you,

Timothy S Smith

President/ CEO

Wharton-Smith, Inc.
CONSTRUCTION GROUP

CORPORATE RESOLUTION

I, the undersigned Secretary of Wharton Smith, Inc., a corporation organized and existing under the laws of the State of Florida, do hereby certify that a meeting of the Board of Directors of said corporation, duly held on February 29, 2024, a quorum being present, the following resolution was adopted and entered upon the regular minute book of said corporation, is in accordance with the by-laws and is now in full force and effect to-wit:

The current list of qualifiers to act for the business organization in all matters connected with its contracting business has now been amended to read:

Ronald F. Davoli
Timothy S. Smith
Stephanie L. Pompeo
Patrick J. Hewitt
Kenneth E. Marcell III
Darin A. Crafton
Todd H. O'Donnell
Gregory L. Williams
Andre P. Boagni

I HEREBY certify that the foregoing is a true and exact copy of the resolution adopted by the Board of Directors of this Corporation and that such resolution has not been amended, modified, or revoked and is still in force and effect.

Signed and sealed this 29th day of February 2024.
(Seal of Corporation)

Re: Authority to Date Bonds and Powers of Attorney
Principal: **Wharton-Smith, Inc.**
Bond No.: **30273515**
Project: **Task Order No. FM26-003 for GOPASCO Multimodal Transfer Station - Zephyrhills**

Dear Sir or Madam:

Please be advised that as Surety on the above referenced bond, executed on your behalf for this project, we hereby authorize you to date the bonds and the powers of attorney concurrent with the date of the contract agreement.

Once dated, please send a copy of the ***dated*** bonds to our office.

Best regards,
Continental Casualty Company

EXHIBIT C - FORM OF PAYMENT BOND
PUBLIC PAYMENT BOND

BOND NO. 30273515

PAYMENT BOND

I. KNOW ALL PERSONS BY THESE PRESENTS: That Wharton-Smith, Inc., as Principal, whose address is 750 Monroe Road, Sanford, FL 32771, (407) 321-8410, and Continental Casualty Company, as Surety, whose address is 151 N. Franklin Street, Chicago, IL 60606, (312) 822-5000, are held and firmly bound unto the Board of County Commissioners, Pasco County, Florida*, as Obligee in the sum of $ 3,814,176.00, for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these presents.

* 38053 Live Oak Ave., Dade City, FL 33542, (813) 929-2771

II. WHEREAS, the Principal has entered into a contract (more specifically, a task order) with Obligee, dated the _____ day of _____, 20_____, **(This date will be filled in by Board Records on the date of task order award)** for Task Order No. FM26-003 for GOPASCO Multimodal Transfer Station - Zephyrhills, 5878 Fort King Road, Zephyrhills, FL 33541; in accordance with drawings and specifications, which task order is by reference made a part hereof, and is hereinafter referred to as the Task Order.

III. A. NOW THEREFORE, THE CONDITION OF THIS BOND IS THAT IF THE PRINCIPAL:

1. Shall promptly make payments to all claimants as defined in section 255.05(1), Florida Statutes, supplying the Principal with labor, materials, or supplies, as used directly or indirectly by the Principal in the prosecution of the work provided for in the Task Order; and

2. Shall pay the Obligee for all losses, damages, expenses, costs, and attorney's fees, including those resulting from appellate proceedings, that the Obligee sustains because of a default by the Principal in contravention to the Task Order in regard to payment for such labor, materials, or supplies furnished to the Principal; then this Bond is void; otherwise, this Bond remains in full force and effect.

B. BE IT FURTHER KNOWN:

1. Any changes in or under the Task Order and compliance or noncompliance with any formalities connected with the said Task Order or alterations which may be made in the terms of the said Task Order, or in the work to be done under it, or the giving by the Obligee of any extension of time for the performance of the said Task Order, or any other forbearance on the part of the Obligee or Principal to the other, shall not in any way release the Principal and the Surety, or either or any of them, their heirs, their personal representatives, their successors or their assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

2. Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in section 255.05, Florida Statutes, and as otherwise provided by law.

3. As concerns payment for labor, materials and supplies, as affects certain claimants, no legal action shall be instituted against the Principal or Surety on this Bond after one (1) year from the performance of labor or the completion of delivery of the materials or supplies as is specifically mandated pursuant to section 255.05, Florida Statutes.

This bond is given to comply with section 255.05 Florida Statutes, and any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2) and Section 255.05(10), Florida Statutes.

(The remainder of this page is intentionally left blank)

BOND NO. 30273515

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the task order dated _____, **(This date is to be filled in by Board Records on the date of task order award)** between Principal and Owner for construction of Task Order No. FM26-003 for GOPASCO Multimodal Transfer Station - Zephyrhills, 5878 Fort King Road, Zephyrhills, FL 33541, (hereinafter the "Task Order"), the Task Order being made a part of this bond by reference, at the times and in the manner prescribed in the Task Order; and

2. Promptly makes payment to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials or supplies used directly or indirectly by Principal in the prosecution of the work provided for in the task order; and

3. Pays Owner all losses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that Owner sustains because of a default by Principal under the Task Order; and

4. Performs the guarantee of all work and materials furnished under the Task Order for the time specified in the task order, then this bond is void; otherwise, it remains in full force.

Any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2), Florida Statutes.

Any changes in or under the Task Order documents (including extension of time, alternatives or additions to the terms of the Task Order or specifications referred to within), and compliance or noncompliance with any formalities connected with the Task Order or the changes does not affect Surety's obligation under this bond, and it does hereby waive notice of any such changes, extension of time, alterations or additions to the terms of the Task Order or to work or to the specifications.

BOND NO. 30273515

THIS BOND IS DATED THIS _ day of _____, 20___. **(This date to be filled in by Board Records on the date of task order award).**

POWER OF ATTORNEY APPOINTING INDIVIDUAL ATTORNEY-IN-FACT

Know All Men By These Presents, That Continental Casualty Company, an Illinois insurance company, National Fire Insurance Company of Hartford, an Illinois insurance company, and American Casualty Company of Reading, Pennsylvania, a Pennsylvania insurance company (herein called "the CNA Companies"), are duly organized and existing insurance companies having their principal offices in the City of Chicago, and State of Illinois, and that they do by virtue of the signatures and seals herein affixed hereby make, constitute and appoint

Bryce R Guignard, M Gary Francis, April L Lively, Jennifer L Hindley, Margie L Morris, Christine A Morton, Allyson Foss Wing, Kelly Phelan, David R Turcios, Amanda Jo Herstine, Individually

of Longwood, FL, their true and lawful Attorney(s)-in-Fact with full power and authority hereby conferred to sign, seal and execute for and on their behalf bonds, undertakings and other obligatory instruments of similar nature

- In Unlimited Amounts -

and to bind them thereby as fully and to the same extent as if such instruments were signed by a duly authorized officer of their insurance companies and all the acts of said Attorney, pursuant to the authority hereby given is hereby ratified and confirmed.

This Power of Attorney is made and executed pursuant to and by authority of the By-Laws and Resolutions, printed below, duly adopted, as indicated, by the Boards of Directors of the insurance companies.

In Witness Whereof, the CNA Companies have caused these presents to be signed by their Vice President and their corporate seals to be hereto affixed on this 18th day of February, 2026.

Continental Casualty Company
National Fire Insurance Company of Hartford
American Casualty Company of Reading, Pennsylvania

Larry Kasten — Vice President

State of South Dakota, County of Minnehaha, ss:

On this 18th day of February, 2026, before me personally came Larry Kasten to me known, who, being by me duly sworn, did depose and say: that he resides in the City of Sioux Falls, State of South Dakota; that he is a Vice President of Continental Casualty Company, an Illinois insurance company, National Fire Insurance Company of Hartford, an Illinois insurance company, and American Casualty Company of Reading, Pennsylvania, a Pennsylvania insurance company described in and which executed the above instrument; that he knows the seals of said insurance companies; that the seals affixed to the said instrument are such corporate seals; that they were so affixed pursuant to authority given by the Boards of Directors of said insurance companies and that he signed his name thereto pursuant to like authority, and acknowledges same to be the act and deed of said insurance companies.

My commission expires

CERTIFICATE

I, Paula Kolsrud, Assistant Secretary of Continental Casualty Company, an Illinois insurance company, National Fire Insurance Company of Hartford, an Illinois insurance company, and American Casualty Company of Reading, Pennsylvania, a Pennsylvania insurance company do hereby certify that the Power of Attorney herein above set forth is still in force, and further certify that the By-Laws and Resolutions of the Board of Directors of the insurance companies printed below are still in force. In testimony whereof I have hereunto subscribed my name and affixed the seal of the said insurance companies this day of ,

Continental Casualty Company
National Fire Insurance Company of Hartford
American Casualty Company of Reading, Pennsylvania

Paula Kolsrud — Assistant Secretary

Authorizing By-Laws and Resolutions

ADOPTED BY THE BOARD OF DIRECTORS OF EACH OF CONTINENTAL CASUALTY COMPANY, NATIONAL FIRE INSURANCE COMPANY OF HARTFORD, and AMERICAN CASUALTY COMPANY OF READING, PENNSYLVANIA (as defined above, the "CNA Companies"):

This Power of Attorney is made and executed pursuant to and by authority of the following resolution duly adopted by the Board of Directors of each of the above CNA Companies at a meeting held on May 12, 1995:

"RESOLVED: That any Senior or Group Vice President may authorize an officer to sign specific documents, agreements and instruments on behalf of the Company provided that the name of such authorized officer and a description of the documents, agreements or instruments that such officer may sign will be provided in writing by the Senior or Group Vice President to the Secretary of the Company prior to such execution becoming effective."

This Power of Attorney is signed by Larry Kasten, Vice President, who has been authorized pursuant to the above resolution to execute power of attorneys on behalf of each of the CNA Companies.

This Power of Attorney is signed and sealed by facsimile under and by the authority of the following Resolution adopted by the Board of Directors of each of the above Companies by unanimous written consent dated the 25th day of April, 2012:

"Whereas, the bylaws of the Company or specific resolution of the Board of Directors has authorized various officers (the "Authorized Officers") to execute various policies, bonds, undertakings and other obligatory instruments of like nature; and

Whereas, from time to time, the signature of the Authorized Officers, in addition to being provided in original, hard copy format, may be provided via facsimile or otherwise in an electronic format (collectively, "Electronic Signatures"); Now therefore be it resolved: that the Electronic Signature of any Authorized Officer shall be valid and binding on the Company."

This Power of Attorney may be signed by digital signature and sealed by a digital or otherwise electronic-formatted corporate seal under and by the authority of the following Resolution adopted by the Board of Directors of each of the above CNA Companies by unanimous written consent dated the 27th day of April, 2022:

"RESOLVED: That it is in the best interest of the Company to periodically ratify and confirm any corporate documents signed by digital signatures and to ratify and confirm the use of a digital or otherwise electronic-formatted corporate seal, each to be considered the act and deed of the Company."

Subject: Liability Insurance sufficiency validation -Wharton Smith - GOPASCO TRANSFER STATION - Fox Hollow - 23064

Good morning, Frank,

Attached please find documentation for RSQ-DS-23-076, Task Order FM26-007, GOPASCO MULTIMODAL TRANSFER STATION – FOX HOLLOW Project 23065 CMAR. Budget is 5-million dollars for construction.

A builder's risk policy has been obtained as required based upon the existing Flood zones identified on the existing parcel.

Could you please review and send a email to verify or deny to sufficiency of Wharton-Smith's Insurance Coverage for the aforementioned project.

Thank you in advance for your assistance,
How can we help?

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

THIS DOCUMENT HAS BEEN REVISED

COMMISSION DISTRICT: All **FILE NO.:** FAC24-0097 **DATE:** 3/12/2024

SUBJECT: Revised Award of Requests for Proposals No. RFP-DS-23-076 – Project Group A to Wharton-Smith Inc.; Project Group B to Ajax Building Company, LLC; and Project Group C to Creative Contractors Inc. – Construction Manager at Risk (CMAR) for Ongoing Projects – No Funding Required

REFERENCES: FAC24-0072

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve the revised Award of RFP-DS-23-076 for Construction Managers at Risk relating to ongoing projects to the following responsive and responsible contractors by designated Project Grouping: Project Group A to Wharton-Smith Inc. (Wharton-Smith); Project Group B to Ajax Building Company, LLC (Ajax); and Project Group C to Creative Contractors, Inc. (Creative). Authorize the Chairman to execute the six (6) originals of the Agreements provided (two originals per contractor award) and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 16, 2023, at the request of the Facilities Management Department (Facilities), the Purchasing Department solicited a Request for Proposals (RFP) for Construction Manager at Risk (CMAR) Services, which sought multiple contractors to provide preconstruction and/or construction services on several County facilities in the coming years. Projects included were Project Group A: Public Works, Fleet Nottingham Facility (Nottingham) and Villages of Pasadena Hills Park (VOPH); Project Group B: Fire Stations 19, 2, 4, 1, 5, and the Fire Rescue Training Center; Project Group C: Wesley Chapel Library, Hudson Library, Anclote River Park, Pasco Sheriff's Office Fleet, and County Fleet Central; and Project Group D: Utilities Administration, East and West, and Facilities Central.

After an Evaluation Committee evaluated the responses received from the responding firms and heard oral presentations from the shortlisted firms for each Project Group, the committee recommended award of Project Groups A, B, and D to Wharton-Smith, and Project Group C to Bandes Construction Company, Inc. (Bandes). The Evaluation Committee shortlisted the following contractors, by project Group:

Project Group A:

1. Wharton-Smith
2. Creative
3. Ajax

Project Group B:

1. Wharton-Smith
2. Ajax

Project Group C:

1. Bandes
2. Wharton-Smith
3. Creative
4. JE Dunn Construction

Project Group D:

1. Wharton-Smith
2. Ajax
3. Creative

On January 9, 2024, the Board of County Commissioners (BCC) reviewed the Evaluation Committee's shortlist recommendation, and an award was granted to Bandes for Project Group C (FAC24-0072). The BCC briefly discussed the quantity of work being recommended for approval to Wharton-Smith. Many BCC members expressed concerns about the recommendation to approve such a large quantity of work to one firm. The BCC directed the Evaluation Committee to reconvene and recommend an award of one Project Group to one shortlisted contractor for each Project Group, in an effort to reduce the potential for project slowdown or stoppage.

On January 18, 2024, the Evaluation Committee reconvened and discussed how to redistribute Project Groups A, B, and C for the remaining CMAR awards. The Evaluation Committee's revised award recommendations are:

1. Project Group A: Wharton-Smith
2. Project Group B: Ajax
3. Project Group D: Creative

The Facilities Management Department has completed discussions and negotiations with Wharton-Smith, Ajax, and Creative, and has determined these contractors are the best-qualified companies to provide Construction Manager at Risk Services for the designated Project Groups.

The Agreement provides for Task Orders to be initiated for each project, which will specify the types of services needed. The Construction Manager at Risk (CMAR) will function as the General Contractor responsible for supervision, bidding, trade contracts, all scheduling, and coordination of each Project, as well as the successful, timely and

economical completion of each Project. When included in the future Task Orders, if needed, preconstruction services will include preparing a cost estimate of the conceptual design as prepared by the County's design firm and ultimately developing a Guaranteed Maximum Price based on 100% Construction Documents.

The Facilities Management Department, with concurrence from the Purchasing Department, requests an award to Wharton-Smith, Ajax, and Creative for the designed Project Groups above, for a seven (7) year Master Agreement for Construction Manager at Risk Services.

FISCAL IMPACT/COST/REVENUE STATEMENT:
No Funding Required. Funding will be requested on a task-order basis.

DISTRIBUTION:
Board Records to distribute as set forth below:

1. Retain One Original of each Agreement (One with Wharton-Smith; One with Ajax; and One with Creative)
2. Mail One Original to:

Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or

b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:
   1) Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to section 215.473, Florida Statutes; or
   2) Is engaged in business operations in Cuba or Syria.

By signing this Task Order, the Construction Manager certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Construction Manager agrees to notify the COUNTY if placement on any of the aforementioned lists occurs or if the Construction Manager is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The COUNTY may terminate the Master Agreement and/or this Task Order if the Construction Manager's certification above is found to be false; it has been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel; it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List; or it has been engaged in business operations in Cuba or Syria. In addition to possible termination of the Master Agreement and/or this Task Order based on the above grounds, the COUNTY will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

37. SUBCONTRACTS.

37.1 The Construction Manager shall review the design and shall determine how it desires to divide the sequence of construction activities. Construction Manager will determine the breakdown for award of subcontracts, based on the current Project Schedule, and shall supply a copy of that breakdown and composition to the COUNTY and Design Professional for their review and approval. Construction Manager shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

37.2 A subcontractor is any person or entity who is performing, furnishing, supplying or providing any portion of the Work pursuant to a contract with Construction Manager. Construction Manager shall be solely responsible for and have control over the subcontractors. Construction Manager shall negotiate all Change Orders, Construction Change Directive, Field Orders and Request for Proposals, with all affected subcontractors and shall review the costs of those proposals and advise the COUNTY and Design Professional of their validity and reasonableness, acting in the COUNTY's best interest, prior to requesting approval of each Change Order from the COUNTY.

37.3 When Construction Manager submits its Guaranteed Maximum Price proposal to the

COUNTY, Construction Manager also shall submit to the COUNTY a list of the names, addresses, licensing information, and phone numbers of the subcontractors that Construction Manager intends to use for each portion of the Work, as well as identify in writing those portions of the Work it intends to perform with its own employees. The list identifying each subcontractor cannot be modified, changed, or amended without prior written approval from the COUNTY. Any and all work to be self-performed by Construction Manager must be approved in writing by the COUNTY in its sole discretion prior to commencement of such work. Construction Manager shall periodically update that subcontractor list, so that it remains current and accurate throughout the entire performance of the Work. Construction Manager shall not enter into a subcontract with any subcontractor, if The COUNTY reasonably objects to that subcontractor. Construction Manager shall not be required to contract with anyone it reasonably objects to. As part of the Project document file to be maintained by Construction Manager at the Project site, Construction Manager shall keep on file a copy of the license for every subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts between Construction Manager and its subcontractors shall be in writing and are subject to COUNTY's approval.

Further, all subcontracts shall (1) require each subcontractor to be bound to Construction Manager to the same extent Construction Manager is bound to COUNTY by the terms of the Task Order Documents, as those terms may apply to the portion of the Work to be performed by the subcontractor, (2) provide for the assignment of the subcontracts from Construction Manager to COUNTY at the election of COUNTY upon termination of Construction Manager, (3) provide that COUNTY will be an additional indemnified party of the subcontract, (4) provide that COUNTY will be an additional insured on all insurance policies required to be provided by the subcontractor except workman's' compensation, (5) assign all warranties directly to COUNTY, (6) identify the COUNTY as an intended third-party beneficiary of the subcontract, and (7) incorporate Exhibit E into all of its subcontracts (and require similar incorporation into all sub- subcontracts). Construction Manager shall make available to each proposed subcontractor, prior to the execution of the subcontract, copies of the Task Order Documents to which the subcontractor will be bound by this Paragraph 36.3 and identify to the subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Task Order Documents. Each subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

37.4 The subcontractor must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., drainage, grading, roadway, utilities, pavement markings, traffic signals, pressure grout and seawall) included in the subcontract. In addition, the subcontractor shall assign and name a qualified employee for scheduling direction for its work. The supervisory employees of the subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

37.5 Unless otherwise expressly agreed to by the COUNTY in writing, all subcontracts shall provide:

37.5.1 LIMITATION OF REMEDIES - NO DAMAGES FOR DELAY. The rights and obligations of the subcontractors shall be the same as the rights and obligations of the Construction Manager under Section 11.4.

37.5.2 Each subcontract shall require that any claims by subcontractor for delay or additional cost must be submitted to Construction Manager within the time and in the manner in which the Construction Manager must submit such claims to the COUNTY, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

38. SOLICITATION OF SUBCONTRACTORS.

38.1 Construction Manager agrees to act in good faith and fair dealing. Construction Manager covenants with COUNTY to utilize Construction Manager's best skill, efforts and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and Task Order terms and conditions.

39. SECURING AGREEMENT.

The Construction Manager warrants that the Construction Manager has not employed or retained any company or person, other than a bona fide employee working solely for Construction Manager, to solicit or secure this Task Order and that Construction Manager has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Construction Manager, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Task Order. At the time this Task Order is executed, Construction Manager shall sign and deliver to the COUNTY the Truth-in-Negotiation Certificate attached hereto and made a part hereof as Exhibit L.

The Construction Manager's compensation shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or non- current wage rates or other factual unit costs.

40. PUBLIC ENTITY CRIMES.

40.1 By its execution of this Task Order, Construction Manager acknowledges that it has been informed by the COUNTY and is in compliance with the terms of Section 287.133(2)(a) of the Florida Statutes which reads as follows:

"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods

or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

41. **EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION**

In performing all services to be provided hereunder, the Construction Manager shall not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Construction Manager shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such actions shall include, but not be limited to, the following: (i) employment, upgrading, demotion or transfer; (ii) recruitment or recruitment advertising; (iii) layoff or termination; (iv) rates of pay or other forms of compensation; and (v) selection for training, including apprenticeship. The Construction Manager shall post in conspicuous places, available to all employees and applicants for employment notices setting forth the terms of this Equal Employment Opportunity Non- Discrimination Clause and stating that all qualified candidates will receive consideration for employment without regard to race, color, religion, sex or national origin.

The County adheres to subsection 287.134(2)(a), Florida Statutes, and will not transact business with entities or affiliates placed on the discriminatory vendor list maintained by the Florida Department of Management Services. By accepting this Task Order, Construction Manager certifies that is not on the discriminatory vendor list. Violation of this provision by Construction Manager is grounds for termination of this Task Order by the County. The Construction Manager agrees to include this provision in all contracts issued as a result of this Task Order.

END OF GENERAL TERMS AND CONDITIONS

PASCO COUNTY MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES

THIS **MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES** (hereinafter referred to as "Agreement") is by and between Pasco County, Florida, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners (hereinafter referred to as "County"), and Wharton-Smith, Inc. a Florida for-profit corporation licensed in the State of Florida, whose address is 4912 W. LaSalle Street, Tampa, FL 33607 (hereinafter referred to as "Construction Manager").

RECITALS:

WHEREAS, the County issued a Request for Proposals (**RFP-DS-23-076**), together with any addenda ("RFP") for multiple **CONSTRUCTION MANAGER AT RISK FOR ONGOING PROJECTS,** to secure experienced contractors to provide preconstruction and construction services for the construction, expansion, and/or renovation of numerous public facilities delineated through Groups A, B, C, and D in the RFP; and

WHEREAS, the Construction Manager submitted a response to the RFP which was deemed by the County as responsive and responsible; and

WHEREAS, the Construction Manager desires to render certain management and construction services as defined in the Agreement and as more fully described in specific Task Orders that will be separately executed under this Agreement, specifically for the construction, expansion, and/or renovation of the projects included in Group A (to include, but not be limited to: Public Works/Fleet Nottingham Facility and Villages of Pasadena Hills (VOPH) Park), and the Construction Manager hereby certifies it has the qualifications, experience, staff, and resources to perform those services; and

WHEREAS, the selection and engagement of the Construction Manager has been made by the County based on the Construction Manager's response to the RFP and the County's competitive solicitation process; and

WHEREAS, the Construction Manager hereby certifies that it has been granted and possesses a valid, current license to do business in the State of Florida and in Pasco County, Florida, issued by those state boards and/or governmental agencies responsible for regulating and licensing the services to be provided and performed by the Construction Manager pursuant to this Agreement; and

WHEREAS, the Construction Manager has been informed of and has reviewed the services required to be performed pursuant to this Agreement and is qualified, willing, and able to provide and perform all such services in accordance with the provisions, conditions, and terms hereinafter set forth in this Agreement and any executed Task Orders and Change Orders; and

NOW, THEREFORE, in consideration of the mutual covenants, terms, and provisions contained herein, the parties, as indicated by their respective execution of this Agreement,

agree that a Contract shall exist between the County and the Construction Manager specifically consisting of:

SECTION 1 – DEFINITIONS

The following definition of terms associated with this Agreement is provided to establish a common understanding between both parties to this Agreement as to the intended usage, application, interpretation, and meaning of such terms as they appear throughout this Agreement.

1.1 – COUNTY

The term County shall refer to the Board of County Commissioners of Pasco County, a political subdivision of the State of Florida, and any official and/or employee thereof who shall be duly authorized to act on the County's behalf relative to this Agreement.

1.2 - COUNTY ADMINISTRATOR

The term County Administrator shall refer to the County Administrator of Pasco County, Florida, acting directly or through duly authorized representatives, which representatives are acting exclusively within the scope of the duties and authority assigned to them as set forth in this Agreement and pursuant to the Purchasing Ordinance of Pasco County, Florida.

1.3 – CONSTRUCTION MANAGER

The term Construction Manager shall refer to the individual, company, or firm that will offer the Construction Manager Services which, by execution of this Agreement, shall be legally obligated, responsible, and liable for providing and performing any and all of the work, materials, and/or services including work and materials required under the covenants, terms, and provisions contained in this Agreement and any and all Modifications, Task Orders, or Change Orders issued pursuant thereto.

1.4 – CONSTRUCTION MANAGER SERVICES

The term Construction Manager Services or Services shall refer to all the work, materials, and services, and all related construction, professional, technical, and administrative activities which are necessary to be provided and performed by the Construction Manager, its employees, and any subcontractors that the Construction Manager may engage to provide, perform, and complete the services required pursuant to the provisions of this Agreement, any Task Order, any Change Order, and as authorized under applicable law.

The Construction Manager at Risk (CMAR) Services outlined below describes the general work and responsibilities the Construction Manager will be expected to perform under this Agreement. The preconstruction and construction services will be ongoing and requested on a

task-order basis, to implement the following projects, to which the County reserves the right to add or subtract from, in the County's sole discretion:

- **Group A**
  - Public Works/Fleet Nottingham Facility
    - Currently under design with an estimated completion of design in 2024.
    - This project will house numerous different departments in an 80,000 square-feet facility. It will also house a Fleet facility on the property.
    - There is extensive site work that is also required.
    - The estimated budget for this project is $60 million.
  - Villages of Pasadena Hills (VOPH) Park
    - The Villages of Pasadena Hills (VOPH) Park is a large district park that will encompass sports fields and a gymnasium.
    - The estimated budget for this park is $30 million.
    - This park will be designed in 2024.
    - There may be some pre-construction services requested for this project.

Group A				
Project	Budget (millions)	Funded	Est. Start	Designed
Nottingham	60	Yes	1st qtr. 2024	In progress (Mason Blau)
VOPH	30	Yes	1st qtr. 2025	No
Estimated Total	**90**			

Construction Manager work will be assigned on a task-order basis (a "Project"), the timing of which will be in the County's sole discretion.

Preliminary Project Budget

- No minimum value or budget is guaranteed. The Leadership Team, design professional team for each Project, and the Construction Manager will refine the scope of each Project during the initial design stage, as applicable on a project basis.

Preliminary Project Schedule

- The County intends to execute and construct the projects included in the above Group A, and any others that may be added, over approximately the next seven years.
- Some projects are already designed (as noted above) and will only need Construction Manager construction services. Others will require Construction Manager pre-construction and construction services. The individual Task Order for each Project will specify the types of services involved.

REQUIRED CMAR SCOPE OF WORK FOR EACH PROJECT

The following summary is intended to provide a general understanding of the County's expectations of the services to be provided and is not intended to be all inclusive. The task order executed for each Project will specify the required details.

The Construction Manager will function as the General Contractor responsible for supervising bidding trade contracts, all scheduling, coordination of each Project, and the successful, timely, and economical completion of each Project.

The selected Construction Manager will provide pre-construction services and construction services, as applicable based on the stage of the Project, pursuant to an acceptable and contractually guaranteed maximum price.

1. PRECONSTRUCTION SERVICES AND ACTIVITIES (if applicable)

The Preconstruction Services of the Construction Manager will begin with preparing a cost estimate of the conceptual design prepared by the County's design firm ("design professional"). The Construction Manager is expected to actively participate in all design meetings, tours of comparable buildings, constructability reviews, periodically provide cost estimates during the design process, and ultimately develop a Guaranteed Maximum Price (GMP) based on 100% Construction Documents or as otherwise agreed to by the parties.

More specifically, the Construction Manager will provide the following preconstruction services and tasks:

1.1 Cost Management

1.1.1 Assist the County and design professional to keep the Project within the fixed Project budget.

1.1.2 Provide recommendations to the design professional and County regarding materials, building components and systems, and evaluate building systems, components, and materials for long-term performance, life-cycle cost analysis, and economy.

1.1.3 Provide cost control resources for the Project Team during the Schematic Design, Design Development, and Construction Documents phases of design, which includes reviewing and monitoring the development and preparation of documents to maintain the project cost within the Project budget.

1.1.3.1 Construction Manager to notify the design professional and County of potential cost issues during the development of the drawings and specifications that may have an impact on the cost of the work.

1.1.3.2 Work collaboratively with the County and design professional to develop alternatives to keep the Project estimates within the fixed budget.

1.1.4 Construction Manager to provide formal review and comments, and cost estimates at 30%, 60%, and 100% Design Development documents, including evaluating costs of alternatives.

1.1.5 Construction Manager shall provide formal review and comments, and cost estimates at 45% and at 90% Construction Documents.

1.1.5.1 Provide a GMP at 100% completion of the Construction Documents, or sooner as mutually agreed upon by the County and the Leadership Team. GMP to include pricing of alternates as defined by the design professional.

1.1.6 Construction Manager should anticipate multiple bid packages from the design professional. Construction Manager to develop a strategy for issuing bid packages that facilitate the completion of those packages. The purpose of using this bidding package strategy is to gain the most advantageous issuing of documents, to minimize construction duration while allowing the bid packages to be completed efficiently. Conceptual schedules may suggest that two bid packages may be required: 1) Master storm water system, 2) building expansion/renovation.

1.2 Construction Planning and Scheduling

1.2.1 Construction Manager to work with the County and design professional to develop a work plan for design activities in support of the schedule and budget for the Project.

1.2.2 During the Schematic Design phase, the Construction Manager will further develop the project master schedule, including integration of the design professional's design efforts, key County activities, preconstruction activities, procurement, construction activities, and work performed by other parties.

1.2.3 Ongoing: the Construction Manager will evaluate all systems, components, and materials for constructability, economy, long-term performance for use intended and schedule impacts, and provide recommendations for preferred options consistent with cost and schedule goals.

1.2.4 In addition, the Construction Manager will identify long lead items requiring early bid packages and recommend issue dates for same to meet required completion date.

1.3 Other

1.3.1 Assist the County in working with various governing authorities as requested.

1.3.2 Work with Project Team to develop a project communication system that is effective for the participants and meets the schedule requirements of the Project.

1.3.3 Work cooperatively with the Project Team to develop and implement a work plan for meeting the project's energy efficiency goals.

1.3.4 The County may request that the Construction Manager perform Ancillary Technical Services such as geotechnical, soil investigation, material and acceptance testing, subsurface investigation services, land surveying, and/or

other testing the County determines is required for the Project.

2. CONSTRUCTION PHASE SERVICES AND ACTIVITIES

2.1. Project Management Team

2.1.1. Construction Manager to provide competent, experienced, full-time, dedicated staff, including an experienced construction field superintendent and project management team to coordinate the work, maintain the progress of the subcontractors, coordinate with ongoing activities and operations, and provide overall direction to the project during the construction phase. Establish on-site organization and levels of authority to carry out the overall plans of the Project construction team.

2.1.2. Demonstrate high levels of effective, proactive project leadership.

2.1.3. Work cooperatively and constructively with members of the Project Team to foster positive relationships that support positive outcomes for the team members and the project.

2.1.4. Construction Manager will be contractually obligated to not reassign key staff members to other projects without the County's prior written consent. County will have approval rights of all new personnel assigned to the Project.

2.2 Cost Management

2.2.1 Implement effective cost management control and tracking procedures to provide the County with the opportunity to make such decisions as required to keep the Project cost within the fixed budget.

2.2.2 Implement and maintain cost control methods with "open book" sharing of cost information.

2.2.3 Construction Manager to inform the County of pending cost issues within five (5) business days of identifying potential issues.

2.2.4 Implement and maintain a current log of pending cost issues impacting the final cost of the Project and review no less than monthly with the County.

2.2.5 Provide drawdown and cash flow projections for the Project during construction and update as necessary.

2.2.6 Work with the County and design professional to develop and implement a change management process for the Project.

2.3 Procurement

2.3.1 Construction Manager to manage bidding process, evaluate proposals, and interview key subcontractors (along with the design professional and County). Project Team to utilize, by mutual agreement, any of the following methods for awarding contracts to subcontractors for portions of the work: competitive bid, best value, and negotiated terms.

2.3.1.1 For those subcontracts to be awarded on a competitive bid or best value basis, Construction Manager to obtain a minimum of three (3) competitive bids for each sub-trade category unless otherwise authorized

by the County, and shall interview at a minimum two (2) bidders with the Project Team. Construction Manager to provide a written award recommendation to the County.

2.3.2 If the Construction Manager desires to self-perform portions of the work in lieu of bidding to subcontractors, up to 25% of the Project, the Construction Manager must follow the competitive bid requirements with respect to those portions of the work. Following the County's approval of recommendation, Construction Manager to award and administer all subcontracts and material purchases. The Construction Manager will also utilize and administer a direct purchase program to maximize project funds.

2.4 Coordination Meetings

2.4.1 Conduct bi-weekly job site meetings that include appropriate subcontractors, County representatives, and design professional representative, to review open issues, schedule work, and resolve pending or upcoming issues. Construction Manager to prepare a written agenda in advance of each meeting and distribute to all attendees via e-mail at least 24 hours in advance of a job-site meeting. Construction Manager to maintain a list of action items with identification of responsible party and due dates for each item. Construction Manager to distribute written meeting minutes and action item lists within 48 hours of each meeting.

2.5 Schedule Management

2.5.1 Construction Manager to prepare and manage a logic-based Project schedule indicating key milestone events, dates, and responsibilities. Project Schedule to include design efforts, preconstruction activities, procurement of goods, and construction activities. Construction Manager to provide regular monitoring of the actual progress versus the scheduled progress, identify any variances and prepare a written action plan along with an updated schedule to maintain the scheduled completion dates.

2.5.2 Construction Manager to determine the adequacy of the subcontractors' personnel and equipment and the availability of materials and supplies to meet the schedule. Report status no less than weekly in regular weekly coordination meetings.

2.5.3 Construction Manager to prepare a short-term (3 to 4 week look-ahead) schedule on a weekly basis and provide to the County and Project Team.

2.5.4 Coordinate County-purchased and/or third party provided furniture, fixtures, and equipment with construction of the Project.

2.6 Quality Management

2.6.1 Construction Manager to complete a quality/coordination/constructability review of each bid package prior to issuing bid documents to subcontractors.

2.6.2 Complete construction of the work in strict accordance with the quality requirements established by the contract documents.

2.6.3 Implement and staff a comprehensive Quality Assurance/Quality Control (QA/QC) program.

2.6.4 If required, threshold inspector will be secured and paid for by the County. Construction Manager to cooperate and coordinate with inspection service agencies. Construction Manager will be responsible for the cost of excessive additional testing due to failed tests.

2.6.5 Develop an initial Construction Manager punch list to subcontractors prior to formal punch list issued by the design professional. Construction Manager to ensure completion of Construction Manager's initial punch list prior to the design professional's punch list walk through.

2.6.6 Work cooperatively with the Project Team to develop and implement an effective commissioning plan.

2.7 Safety

2.7.1 Implement a formal project safety plan for each Project and provide to the County.

2.8 Project Closeout

2.8.1 Timely submission of operation/maintenance manuals completed punch lists, coordination of training, submission of as-built field documents, Building Information Modeling, and financial close-out of project. Construction Manager to actively support and participate in commissioning activities.

2.9 Other

2.9.1 Assist the County in working with various governing authorities as requested.

2.9.2 Work with Project Team to develop a project communication system that is effective for the participants and meets the schedule requirements of the Project.

2.9.3 Work cooperatively with the Project Team to develop and implement a work plan for meeting the project's energy efficiency goals.

1.5 – SUBCONTRACTOR

In addition to the specific tasks of a subcontractor provided in an executed Task Order, the term Subcontractor shall refer to any individual, company, or firm offering Construction Manager Services that is engaged by the Construction Manager to assist the Construction Manager in providing and performing the Construction Manager Services for which the Construction Manager is contractually obligated, responsible, and liable to provide and perform pursuant to the provisions of this Agreement.

The County shall not be a party to, responsible or liable for, or assume any obligation whatsoever for any agreement or contract entered into between the Construction Manager and any Subcontractor.

1.6 – ADDITIONAL SERVICES

The term Additional Services shall refer to such Construction Manager Services the County may request or authorize the Construction Manager to provide or perform relative to this Agreement which are not included in the Agreement or any executed Task Order. Additional Services shall be authorized by the execution of both parties to this Agreement of a Modification, a new Task Order, or a Change Order. Additional Services shall constitute a continuation of the Construction Manager Services under this Agreement or an executed Task Order, and shall be provided and performed in accordance with the covenants, terms, and provisions set forth in this Agreement.

1.7 – MODIFICATION

The term Modification shall refer to a written document executed by both the County and the Construction Manager setting forth and authorizing Construction Manager Services or tasks which were not set forth in and are supplemental to this Agreement.

The amount of the change in contract compensation and time set forth in any Modification(s) executed and issued under this Agreement shall be understood and agreed by both the County and the Construction Manager to be fair, equitable, and adequate, and to represent the total of all costs associated with said Modification.

1.8 – TASK ORDER

In addition to the provisions of Section 6 below, the term Task Order shall refer to a written document executed by both parties to this Agreement, for which an individual Notice to Proceed may be issued that delineates a fixed number of days for completion of the specified Construction Manager Services, tasks, or Project scope of work set forth in the Task Order.

Through a properly executed Task Order and Notice to Proceed, the County provides authorization and notification to the Construction Manager to proceed to provide or perform certain Construction Manager Services, tasks, or Project work pursuant to the scope of Construction Manager's Services set forth in the Task Order and this Agreement. In the event that federal or state funding is ascertained, such additional state or federal provisions may be included in a Task Order as necessary. The form of a Task Order to be issued and executed under this Agreement is attached hereto as Exhibit "A".

All terms in this Agreement shall be incorporated by reference in each executed Task Order, unless specifically altered, superseded, or modified. In the event of any conflict, the provisions of the Task Order will control over the conflicting provisions of this Agreement. Each fully executed Task Order shall become a supplement to and a part of this Agreement.

1.9 – CHANGE ORDER

The term Change Order shall refer to a written document executed by both the County and the Construction Manager setting forth and authorizing changes to the agreed-upon scope of Construction Manager Services, compensation, method of payment, time and schedule of performance, or project guidelines and criteria as such were set forth and agreed to in the Task Order(s), or previous Change Order(s) issued thereto. The Change Order document shall set forth authorized changes to the scope of Construction Manager Services, tasks, work, or materials to be performed or provided by the Construction Manager as well as the compensation and method of payment, the schedule or time period for performance and completion, and the guidelines, criteria, and requirements pertaining thereto. Any changed compensation to the Construction Manager as a result of the Change Order shall be understood and agreed to be the total of all costs associated with said Change Order.

The time of performance for rendering Construction Manager Services pursuant to any Change Order shall commence to run from the date specified in the Notice to Proceed issued for said Change Order. The County specifically reserves the right to establish milestones for completion of the work required under the Change Order and/or to tie deliverables to any payment provided for under that Change Order.

All terms in this Agreement and the executed Task Order shall be incorporated by reference in each executed Change Order, unless specifically altered, superseded, or modified. In the event of any conflict, the provisions of the executed Task Order will control over the conflicting provisions of any Change Order. Each fully executed Change Order shall become a supplement to and a part of this Agreement.

1.10 – COUNTY PROJECT MANAGER

The term County Project Manager shall refer to that person employed by the County designated to serve and act on the County's behalf to provide direct contact and communication between the County and the Construction Manager throughout the effective period of this Agreement and, at the County's direction, for the duration of a particular Task Order and/or Change Order. The County Project Manager shall review and make appropriate recommendations on requests submitted by the Construction Manager for payment for services and work provided and performed pursuant to this Agreement and any Task Order(s) or Change Order(s) issued thereof.

1.11 – NOTICE TO PROCEED

The term Notice to Proceed shall refer to a written document, executed by the County Administrator or his designee and issued to the Construction Manager, that shall notify the Construction Manager to commence work or to provide Construction Manager Services pursuant to a properly executed Task Order or Change Order. The time for performance of Construction Manager Services or work required pursuant to any properly executed Task Order or Change Order shall commence to run from the date specified in the Notice to Proceed.

SECTION 2 – TERM

Except as otherwise specified herein, this Agreement shall remain in full force and effect for a period of **seven years,** from the effective date of this Agreement ("Effective Period"), unless terminated earlier as otherwise provided in this Agreement. The effective date for this Agreement shall be defined as the day and year that this Agreement is executed by the County.

Where applicable, in the event that a properly executed Task Order initiated within the term of the Agreement or Change Order to such Task Order requires or expressly permits work to be performed by the Construction Manager after termination of the Agreement, such Task Order or Change Order shall automatically extend the effective period of the Agreement to coincide with the completion date delineated in said Task Order or Change Order. No new Task Orders may be issued, however, during this extension period.

SECTION 3 – CONSTRUCTION MANAGER'S RESPONSIBILITIES

The obligations of the Construction Manager with respect to all Construction Manager Services authorized pursuant to this Agreement and any Task Order(s) and/or Change Order(s) issued thereof shall include, but not be limited to, the following:

3.1 – LICENSES

The Construction Manager agrees to maintain throughout the period this Agreement is in effect all such licenses as are required to do business in the State of Florida and in Pasco County, Florida, including, but not limited to, licenses required by the respective regulatory boards and/or other governmental agencies responsible for regulating and licensing the Construction Manager Services provided and performed by the Construction Manager pursuant to this Agreement.

3.2 – PERSONNEL

(1) QUALIFIED PERSONNEL
The Construction Manager agrees that when services to be provided and performed pursuant to this Agreement relate to Construction Manager Services which, under the Florida Statutes, require a license, certificate of authorization, or other form of legal entitlement to practice such service, the Construction Manager will employ and/or retain only qualified personnel to be in responsible charge of all such services.

(2) CONSTRUCTION MANAGER'S PROJECT EXECUTIVE
The Construction Manager agrees to employ and designate in writing a qualified, and if required by law, a licensed professional, to serve as the Construction Manager's Project Executive for each Task Order. The Construction Manager's Project Executive shall be

authorized and responsible to act on behalf of the Construction Manager with respect to directing, coordinating, and administering all aspects of the services to be provided and performed under this Agreement and any Task Order(s) and/or Change Order(s) issued thereof. The Construction Manager's Project Executive shall have full authority to bind and obligate the Construction Manager on any matter arising under this Agreement and any executed Task Order, unless substitute arrangements, acceptable to the County, have been furnished to the County in writing.

(3) REMOVAL OF PERSONNEL FROM WORK ON THE PROJECT
In accordance with the provisions of section 28 of each executed Task Order, the Construction Manager agrees to remove or replace its Project Executive, or any other personnel employed or retained by the Construction Manager, or personnel of any Subcontractor(s) engaged by the Construction Manager pursuant to this Agreement. The County may make such request for the removal of personnel with or without cause.

SECTION 4 – COUNTY'S RESPONSIBILITIES

Except as otherwise provided herein, the County's responsibilities are as follows:

4.1 – DESIGNATION OF AUTHORITY

The County has established a Leadership Team to oversee the development of each Project to be executed under this Agreement. It consists of individuals from the Facilities Management Department Director ("Director") & staff ("County Project Manager"). While the input of any other affected department is crucial to the successful completion of each Project, the County's representatives will serve as the final decision maker as indicated in each Task Order. The Construction Manager shall coordinate all correspondence, submittals, applications for payment, requests for information, task orders, change orders, claims, and any other requests or documents through the design professional, and the County's Project Manager, unless otherwise specified in a separately executed Task Order.

4.2 – DESIGNATION OF COUNTY PROJECT REPRESENTATIVES

The County agrees, after execution of each Task Order, to properly advise the Construction Manager, in writing, of the persons designated to serve and act as the County's Project Representatives in relation to the respective Task Order.

4.3 – INFORMATION PROVIDED BY THE COUNTY

The County shall provide, within a reasonable time from request of the Construction Manager, existing data, plans, reports, and other information in the County's possession or under the County's control which are necessary for the performance of the duties of Construction Manager in the Scope of Services, and to provide full information regarding requirements of the Scope of Services, including objectives, budget constraints, criteria,

and other requirements that exist at the time of signing of this Agreement or which may develop during the performance of this Agreement or any Task Order.

The County shall make available to the Construction Manager all information and data relative to the Construction Manager Services to be provided pursuant to this Agreement in the County's possession, including the County's objectives and constraints, previous studies, surveys, aerial photographs, maps, environmental reports, photographs, analytical data, and any other relevant information requested by the Construction Manager in writing.

4.4 – ACCESS TO COUNTY PROPERTY

The County agrees, with reasonable prior written notice given by the Construction Manager, to provide the Construction Manager with access to County property, facilities, buildings, and structures to enable the Construction Manager to provide and perform any required Construction Manager Services and work pursuant to this Agreement and any executed Task Order. Such rights of access shall not be exercised in such a manner or to such an extent as to impede or interfere with County operations, or the operations carried on by others under a lease, or other contractual arrangements with the County, or in such a manner to adversely affect the public health, safety, or welfare.

SECTION 5 – COMPENSATION AND METHOD OF PAYMENT

The County shall pay the Construction Manager for all authorized Construction Manager Services rendered hereunder by the Construction Manager and any Subcontractor(s) and completed in accordance with the requirements, provisions, and/or terms of this Agreement, Task Order(s), Modification(s), and/or Change Order(s), as well as in accordance with the provisions delineated in the individually executed Task Order.

The Construction Manager acknowledges that Construction Manager Services will be requested on an as-needed Task Order basis and agrees that it will not be entitled to make any claim for damages or loss of profits due to the amount of work assigned during the term of the Agreement.

SECTION 6 – TASK ORDERS

The work and/or services to be provided and performed under this Agreement are Task Order driven. If and when the County requires the construction manager services of the Construction Manager, individual Task Orders will be approved by the County, by the County Administrator, or by the Purchasing Director, when applicable. For purposes of this Agreement, the Purchasing Director and County Administrator are specifically delegated authority by the County to issue and approve Task Order(s) for Construction Manager Services up to the allowable amount provided in the County's Purchasing Ordinance. The completion date for an individual Task Order will be specified in the Notice to Proceed. The completion date for an individual Task

Order may be extended, in writing, by the County at a regularly scheduled meeting of the Board of County Commissioners or by the County Administrator, as provided herein.

For each Task Order required for a specific Project, the County shall provide the Construction Manager a Task Order for the individual project, the form of which is included in Exhibit A to this Agreement. The Construction Manager shall respond in writing to such Task Order specifications and provide any additional information, revisions, or needed details. If the response from the Construction Manager is acceptable, the County may issue a Task Order to the Construction Manager containing the details set forth in the attached Exhibit "A", including the agreed-upon Project scope of work, staffing, schedule, time of performance, total compensation, method of payment, and deliverables.

Each Task Order shall be numbered consecutively and shall reference this Agreement. In the event of any conflict, the provisions of the executed Task Order will control over conflicting provisions of this Agreement. Each Task Order, after execution by the Board of County Commissioners, the County Administrator, or the Purchasing Director, shall become a supplement to and a part of this Agreement.

SECTION 7 – TIMELY ACCOMPLISHMENT OF SERVICES

The timely performance, provision, and completion of the required Construction Manager Services, work, and materials is vitally important to the interests of the County. Time is of the essence for all the duties and obligations contained in this Agreement and any executed Task Order. The County may suffer damages in the event that the Construction Manager does not accomplish and complete the required services in a timely manner. The Construction Manager agrees to employ, engage, retain, and/or assign an adequate number of qualified personnel throughout the period this Agreement is in effect so that all Construction Manager Services will be provided and performed in a timely and diligent manner. If the Construction Manager fails to commence, provide, perform, and/or complete any service required under this Agreement in a timely and diligent manner as determined by the County, or within a specified time period delineated in executed Modification(s), Task Order(s), or Change Order(s), the County may consider such failure as a material breach of this Agreement. In such an event, the County, in its sole discretion, may terminate the Agreement.

The Construction Manager, at all times that this Agreement is in effect, shall ensure that sufficient time remains in the project schedule within which to complete the services required and authorized by any given Task Order(s). In the event there are delays which would modify or extend a scheduled Task Order completion date, the Construction Manager shall, within seven (7) calendar days of discovery of such delay, submit a written request to the County seeking a time extension to complete a delayed project, which request shall specifically identify the reason(s) for the delay and the amount of time related thereto.

In the event the specified time of performance for a given Task Order or Change Order expires and the Construction Manager has not requested a time extension, or if the County has denied a request for a time extension in writing, partial progress payments will be stopped on the date time expires.

SECTION 8 – STANDARDS OF PROFESSIONAL SERVICE

The work and services to be provided and/or performed by the Construction Manager shall be done in accordance with the generally accepted standards of professional practice and in accordance with the laws, rules, regulations, ordinances, codes, policies, standards, or other guidelines issued by any governmental agency having jurisdiction over all or a portion of any work performed under this Agreement in effect at the time of the performance of the Construction Manager Services. All final documents, reports, studies, or other data prepared by the Construction Manager shall bear a professional's seal/signature in accordance with the applicable Florida Statutes and/or any applicable Administrative Rules promulgated by the Florida Department of Business and Professional Regulation (where applicable).

SECTION 9 – CONSTRUCTION MANAGER'S QUALITY CONTROL

9.1 – RESPONSIBILITY TO CORRECT

The Construction Manager agrees to be responsible for the professional quality, technical adequacy and accuracy, timely completion in accordance with the mutually agreed upon schedule, and the coordination of all data, studies, surveys, designs, specifications, calculations, estimates, plans, drawings, construction documents, photographs, reports, memoranda, and other services, work, and materials performed, provided, and/or furnished by the Construction Manager, or any Subcontractor(s) utilized by the Construction Manager, pursuant to this Agreement.

Upon written notice from the County, the Construction Manager shall, without additional compensation, correct or revise any errors, omissions, mistakes or other deficiencies in such data, studies, calculations, estimates, plans, work, and materials resulting from the negligent act, errors or omissions, or intentional misconduct of the Construction Manager.

If the Construction Manager does not correct the defective work within the time specified in the County's written notice, the County may have the deficiency corrected. All direct or indirect costs of such correction shall be paid by the Construction Manager or deducted from payment due to the Construction Manager.

If any work or submittal prepared by the Construction Manager contains an error, omission, deficiency, or mistake and the Construction Manager fails to correct such error, omission, deficiency, or mistake within the time period established for completion in the notice to correct or the Task Order(s) requiring such work or submittal, the County, in its discretion, may terminate this Agreement.

9.2 – COUNTY'S APPROVAL SHALL NOT RELIEVE CONSTRUCTION MANAGER OF RESPONSIBILITY

Neither review, approval, or acceptance by the County of data, studies, calculations, estimates, reports, memoranda, and incidental professional services, work and materials furnished hereunder by the Construction Manager shall in any way relieve the Construction Manager of responsibility for the adequacy, completeness, and accuracy of its services, work and/or materials, or the services, work, and materials. Neither the County's review, approval, or acceptance of, nor payment for, any of the Construction Manager's work, services, and materials shall be construed to operate as a waiver of any of the County's rights under this Agreement, or any cause of action the County may have arising out of the performance of this Agreement.

The Construction Manager agrees and recognizes that the County shall not be held liable or responsible for any claims which may result from any action or omission of the Construction Manager in which the County participates either through review of or concurrence with the Construction Manager's actions. In reviewing, approving, or rejecting any submissions or other work prepared by the Construction Manager, the County in no way assumes or shares any of the responsibility or liability of the Construction Manager under this Agreement.

SECTION 10 – REPORTS AND REVIEWS

10.1 The County may, at any time, require the Construction Manager to report in writing in a format approved by the County on the status and overall progress of the work with a projection as to whether deliverables will be on time and within budget. In addition, the County may require the Construction Manager to provide an estimate of the overall percentage of completion.

10.2 The County will monitor the Construction Manager's work product for compliance with project standards and criteria and may make comments and recommendations to the Construction Manager regarding the work. However, any such monitoring or comments and recommendations by the County, or absence thereof, shall not relieve the Construction Manager of any of its obligations under this Agreement. The Construction Manager retains sole authority and responsibility for the adequacy and accuracy of its Construction Manager Services in accordance with generally accepted practices.

SECTION 11 – WORK WITHIN COUNTY PROPERTY / CONSTRUCTION MANAGER TO REPAIR PROPERTY DAMAGE CAUSED BY THE CONSTRUCTION MANAGER OR ITS SUBCONTRACTORS

11.1 As applicable, the Construction Manager, any Subcontractor retained by Construction Manager, or any other person, firm, corporation, or other entity that contracts with or provides goods or services to the Construction Manager in connection with the work required to be performed pursuant to this Agreement shall perform all work within only the County-owned

right-of-way(s) and/or any County easement(s), or as permitted by this solicitation or by law.

11.2 The Construction Manager agrees to promptly repair and/or replace, or cause to have repaired and/or replaced, at its sole cost and expense and in a manner acceptable to and approved by the County, any property damage arising out of, or caused by, the willful or negligent acts of the Construction Manager and/or its Subcontractor(s). The County reserves the right, should the Construction Manager fail to make such repairs and/or replacements within a reasonable period of time, to cause such repairs and/or replacements to be made. All costs and expenses associated with having such repairs and/or replacements performed shall be paid for by the Construction Manager directly or via reimbursement to the County from the Construction Manager.

SECTION 12 – DOCUMENTS

The documents comprising this Agreement between the County and the Construction Manager consist of the following:

1. Any Task Orders, Change Orders, and Modifications issued pursuant to this Agreement and executed by the County and the Construction Manager.
2. This Agreement and its Exhibits.
3. Any written amendments, modifications, or addenda to this Agreement.
4. Request for Proposals – **RFP-DS-23-076**, including any written addenda.
5. Construction Manager's proposal and any attachments or exhibits submitted in response to **RFP-DS-23-076**.

SECTION 13 – COMPLIANCE AND AGREEMENT WITH LAWS AND REGULATIONS

13.1 The Construction Manager shall observe and comply with all applicable federal and state laws, County and municipal ordinances, and the rules and regulations of all authorities having jurisdiction over the project and all work performed pursuant to this Agreement, including but not limited to, the federal and state provisions specifically provided for in the solicitation. All applicable federal, state, and local laws and ordinances are deemed to be included in this Agreement the same as though herein written out in full.

13.2 The Construction Manager shall give all notice and comply with all laws, ordinances, rules, and regulations applicable to the Construction Manager Services. If the Construction Manager observes that any of the Contract Documents or executed Task Order or Change Order are contradictory to such laws, rules, and regulations, the Construction Manager will notify the County Project Manager promptly in writing. An appropriate Change Order or Modification shall then be used to institute any necessary changes. If the Construction Manager performs any work that it knows or should have known to be contrary to such laws, ordinances, rules, and regulations and without such notice to the County Project Manager, the Construction Manager shall bear all related costs.

SECTION 14 – PROHIBITION AGAINST CONTINGENCY FEES

In accordance with the provisions of section 287.055 of the Florida Statutes, the Construction Manager warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for the Construction Manager to solicit or secure this Agreement and that the Construction Manager has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for the Construction Manager, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the County shall have the right to terminate this Agreement without liability, and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift, or consideration.

SECTION 15 – TRUTH-IN-NEGOTIATIONS/PUBLIC ENTITY CRIMES AFFIDAVIT

The Construction Manager certifies that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. The original contract price, and any additions thereto, shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. The Construction Manager represents that it has furnished a Public Entity Crimes Affidavit pursuant to section 287.133, Florida Statutes, verifying its eligibility for award of an Agreement. The County may exercise its rights under this "certification" within one (1) year following final payment.

Pursuant to subsections 287.133(2) and (3), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or Construction Manager under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for Category Two, for a period of 36 months following the date of being placed on the convicted vendor list. The Construction Manager agrees to include this provision in all contracts it issues as a result of this Agreement.

SECTION 16 – DISCRIMINATORY VENDOR LIST

The County adheres to subsection 287.134(2)(a), Florida Statutes, and will not transact business with entities or affiliates placed on the discriminatory vendor list maintained by the Florida Department of Management Services. By accepting this Agreement and/or any Task Order, Construction Manager certifies that is not on the discriminatory vendor list. Violation of this provision by Construction Manager is grounds for termination of this Agreement by the County. The Construction Manager agrees to include this provision in all contracts issued as a result of this Agreement.

SECTION 17 – SCRUTINIZED COMPANIES

A company is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with the County for goods or services of:

(a) Any amount if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to s. 215.4725, or is engaged in a boycott of Israel; or

(b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:

1. Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to s. 215.473; or

2. Is engaged in business operations in Cuba or Syria.

By signing this Agreement and/or accepting any Task Order, the Construction Manager certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Construction Manager agrees to notify the County if placement on any of the aforementioned lists occurs or if the Construction Manager is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The County may terminate this Agreement if the Construction Manager certification above is found to be false; it has been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel; it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List; or it has been engaged in business operations in Cuba or Syria. In addition to possible termination of this Agreement based on the above grounds, the County will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

SECTION 18 – COMPLIANCE WITH PUBLIC RECORDS ACT

The Construction Manager shall comply with the Construction Manager's Public Records Obligations outlined in the individual executed Task Order for each Project.

IF THE CONSTRUCTION MANAGER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRUCTION MANAGER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRITTANY WINTERS, FACILITIES MANAGEMENT AT (727) 847-834-3292, EXT. 3919, BWINTERS@PASCOCOUNTYFL.NET, 7220 OSTEEN ROAD, NEW PORT RICHEY, FL 34653.

Under Florida law, a Construction Manager who fails to provide the public records to the County within a reasonable time may be subject to penalties under section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement, and may serve as grounds for termination of this Agreement.

SECTION 19 – RETENTION OF DOCUMENTS

Upon payment of any compensation due for completed and accepted work, all documents prepared or obtained under this Agreement will be considered the property of the County without restriction or limitation on their use and shall be made available upon request to the County at any time.

19.1 Said records and documentation shall be retained by the Construction Manager and made available to the County for a minimum of five (5) years from the date of completion of the work. The County shall have the right to audit, inspect, and copy all such records and documentation as often as the County deems necessary during the term of this Agreement and during the above referenced five (5) year period at actual costs; provided, however, such activity shall be conducted only during normal business hours. If agreed to by the parties, the Construction Manager shall retain records and supporting documentation until further notified.

19.2 For those projects funded by State funds, the Construction Manager agrees to cooperate with any audit(s) requested by the State Auditor General's Office or, in the instance of federal funding, by the funding agency.

SECTION 20 – CONFLICTS OF INTEREST

The Construction Manager represents that it presently has no interest, either direct or indirect, that may or could conflict in any manner with the performance of the services required by this Agreement, and which interest has not been disclosed to the County in writing. The Construction Manager expressly agrees that, throughout the Effective Period, it shall not acquire an interest, either direct or indirect, which would conflict in any manner with the performance of services required by this Agreement, or which would conflict with any interest of the County. The Construction Manager further agrees that no person having any such interest shall be employed or engaged by the Construction Manager for said performance. In addition, the Construction Manager shall require all Subcontractors to comply with the provisions of this Section.

If the Construction Manager is about to engage in representing another client, whom it in good faith believes could result in a conflict of interest with the work being performed by the Construction Manager pursuant to this Agreement, then the Construction Manager shall promptly bring such potential conflict of interest to the County's attention, in writing. The County will advise the Construction Manager within twenty (20) calendar days, in writing, if such conflict of interest exists. If the County determines that a conflict of interest exists, the Construction Manager and/or any Subcontractor shall decline the representation upon the County's written

notice. If the County determines that there is no such conflict of interest, then the County shall give its written consent to such representation.

In the event the Construction Manager fails to advise or notify the County, as provided hereinabove, of representation which could, or does, result in a conflict of interest, or should the Construction Manager fail to decline such representation upon the County's written notice, the County may, in its sole discretion, terminate this Agreement in accordance with the provisions of Section 23 below.

SECTION 21 – INSURANCE

The Construction Manager shall not commence any work pursuant to this Agreement until satisfactory proof of all insurance required hereunder has been provided to and approved by the County. It shall be the responsibility of the Construction Manager to ensure that all Subcontractor(s) performing services pursuant to this Agreement and any executed Task Order comply with the County's insurance requirements of this provision.

The insurance required for each Project will be detailed in the individually executed Task Order for that Project.

SECTION 22 – SUSPENSION OF WORK

In accordance with Section 23 of each Task Order, and in addition to the County's contractual right to terminate this Agreement in its entirety, the County may, at its convenience, stop, suspend, supplement, or otherwise change all, or any part of, the Construction Manager Services set forth herein. The County shall provide written notice to the Construction Manager to implement a stoppage, suspension, supplement, or change. If any construction manager services covered by this Agreement to be carried out by the Construction Manager shall be suspended, abated, or terminated at the direction of the County for reasons unrelated to the quality of work provided by the Construction Manager, the County shall pay the Construction Manager for such services actually rendered prior to the suspension, abatement, or termination, and any reasonable additional costs incurred by the Construction Manager to effectuate an orderly closing of its activities, with the payment to be based insofar as possible on the fees established in this Agreement.

SECTION 23 – TERMINATION OF AGREEMENT BY THE COUNTY

In addition to the Termination rights provided in an individually executed Task Order, the County may terminate this Agreement for any one or more of the following reasons:

1. If adequate progress on any phase of the Construction Manager at Risk Services is not being made by the Construction Manager as a direct result of the Construction Manager's failure to perform.

2. The quality of the Construction Manager at Risk Services performed by the Construction Manager is not in conformance with commonly accepted design codes and standards, standards of the County and the requirements of Federal and/or State regulatory agencies in effect as of the date of this Agreement and the particular services involved are considered by the County to be essential to the proper completion of the Construction Manager at Risk Services.
3. The Construction Manager or any employee or agent of the Construction Manager is indicted or has a direct charge issued against him/her for any crime arising out of or in conjunction with any Construction Manager at Risk Services that have been performed by the Construction Manager.
4. The Construction Manager becomes involved in either voluntary or involuntary bankruptcy proceedings or makes an assignment for the benefit of creditors.
5. The Construction Manager is in non-compliance with any other provision of this Agreement.

In the event of any of the causes described in Items (1) through (5) above, the County's Project Manager will send a written notice to the Construction Manager requesting that the Construction Manager show cause why the Agreement should not be terminated. If adequate assurances or acceptable reasons are not given to the County within fifteen (15) calendar days of receipt by the Construction Manager of the show cause notice, the County may consider the Construction Manager to be in default and may immediately terminate this Agreement.

Notwithstanding any other provision of this Agreement, this Agreement may be terminated for any reason by the County giving fourteen (14) calendar days' written notice to the Construction Manager of the County's intent to terminate. In the event that this Agreement is terminated, the County shall identify the specific Task Order and/or Change Order being terminated and the specific tasks and/or Task Order(s) and/or Change Order(s) to be continued for completion, pursuant to the provisions of this Agreement. This Agreement will remain in full force and effect as to all authorized tasks and/or Task Order(s) and/or Change Order(s) which are to be continued to completion, unless the Agreement is terminated in full.

In the event of termination of this Agreement, the County shall compensate the Construction Manager only for: (1) all services performed and accepted by the County prior to the effective date of the termination; (2) reimbursable expenses then due; and (3) reasonable expenses incurred by the Construction Manager in affecting the termination of services, including costs incurred by submittal to the County of project drawings, plans, data, and other documents.

The Construction Manager shall not be entitled to receive compensation for anticipated professional fees, profit, general and administrative overhead expenses or for any other anticipated income or expense which may be associated with services which are terminated, suspended, eliminated, or cancelled.

Upon termination of this Agreement by the County, the Construction Manager shall promptly deliver to the County copies of all then completed deliverable items and all plans, reports,

studies, calculations, maps, graphics, and other documents that directly support the deliveries prepared by Construction Manager.

SECTION 24 – CHOICE OF LAW / VENUE

This Agreement is to be governed by the laws of the State of Florida. The venue for any litigation resulting out of this Agreement shall be at the West Pasco Judicial Center, in Pasco County, Florida (State court matters) and the United States District Court in and for the Middle District of Florida – Tampa Division (Federal court matters).

SECTION 25 – SUCCESSORS AND ASSIGNS

The County and the Construction Manager respectively, bind themselves, their partners, successors, assigns, and legal representatives to the other party to this Agreement and to the partners, successors, assigns and legal representatives of such other party with respect to all covenants of this Agreement. The Construction Manager shall not assign or transfer any interest in this Agreement without the prior written consent of the County.

SECTION 26 – ASSIGNMENT, TRANSFER, AND SUBCONTRACTS

Neither the County nor the Construction Manager shall assign, sublet, or transfer its interest in this Agreement without the written consent of the other party. Except as otherwise authorized in this Agreement, the Construction Manager shall not subcontract any of its service obligations hereunder to third parties without the prior written approval of the County. The Construction Manager shall have the right, subject to the County's prior written approval, to employ other persons and/or firms to serve as Subcontractors to the Construction Manager pursuant to the requirements of this Agreement. The County shall have the right and be entitled to withhold its approval of Subcontractors, but such approval shall not be unreasonably withheld.

SECTION 27 – EXTENT OF THE AGREEMENT

This Agreement represents the entire and integrated agreement between the County and the Construction Manager and supersedes all prior negotiations, representations, or agreement, either written or oral. This Agreement may only be amended, supplemented, modified, changed, or canceled by a written instrument executed by both parties hereto.

SECTION 28 – NON-EXCLUSIVE AGREEMENT

This Agreement is not intended to be and shall not be construed as an exclusive contract and the County may employ additional or other Construction Manager consulting firms to perform any work contemplated by this Agreement without liability to the Construction Manager.

SECTION 29 – INDEMNIFICATION OF THE COUNTY

In return for consideration, the receipt of which is acknowledged, in accordance with the applicable provisions of Chapter 725, Florida Statutes, the Construction Manager shall indemnify and hold harmless the County and its officers and employees from any and all liabilities, claims, damages, penalties, demands, judgments, actions, proceedings, losses or costs, including, but not limited to, reasonable attorneys' fees at both trial and on appeal, as well as court costs, whether resulting from any claimed breach of this Agreement or any executed Task Order by Construction Manager or from personal injury, property damage, direct or consequential damages, or economic loss, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Construction Manager or anyone employed or utilized by the Construction Manager in the performance of this Task Order. Construction Manager's obligation to indemnify under this Section 29 will survive the expiration or earlier termination of this Agreement or any executed Task Order until it is determined by final judgment that an action against the County or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

SECTION 30 – NOTICES

Any notices to be given under this Agreement shall be in writing and delivered by United States Mail to the respective addresses referenced above. All such notices shall be sent to the designated project managers for each party.

SECTION 31 – INDEPENDENT CONTRACTOR

Neither the County nor any of its employees shall have any control over the conduct of the Construction Manager or any of Construction Manager's employees, except as herein set forth. The Construction Manager and any and all Subcontractors are and shall be Independent Contractors in and throughout the performance of all work and services provided and performed pursuant to this Agreement. As Independent Contractors, the Construction Manager's and the Subcontractor's agents, servants, or employees shall not be deemed agents, servants, or employees of the County.

The Construction Manager does not have the power or authority to bind the County in any promise, agreement, or representation other than specifically provided for in this Agreement. The Construction Manager shall be responsible to the County for all the work or services performed by the Construction Manager, or any person or firm engaged as a Subcontractor pursuant to this Agreement. The County shall not be liable to any Subcontractor, or any other person, firm, corporation, or other entity that contracts with or provides goods or services to the Construction Manager in connection with the work required to be performed pursuant to this Agreement. The County shall not be liable to any Subcontractor, or any other person, firm, corporation, or other entity for debts or claims accruing to such parties against the Construction Manager pursuant to any work or services performed under this Agreement.

SECTION 32 – E-VERIFY PROGRAM

A contractor like Construction Manager entering into a contract with a public entity (such as the County) is required to be registered with the U.S. Department of Homeland Security's E-Verify System and to utilize it to verify the work authorization status of all newly hired employees throughout the term of the contract. The contractor like Construction Manager shall also be required to obtain and retain affidavits from all subcontractors utilized during the contract verifying that they do not employ, contract with, or subcontract with any unauthorized aliens as that term is defined in 8 U.S.C.S. 1324a(h)(3). The failure to comply with this requirement constitutes grounds for termination of the contract and for such other penalties as provided under section 448.095, Fla. Stat.

If a public employer has terminated a contract with Construction Manager for failure to comply with the requirements of the paragraph above, the contractor may not be awarded a public contract for at least one year after the date on which the contract was terminated.

The County reserves the right to request verification of compliance from Construction Manager during the term of its contract with the County and for a period of up to five (5) years thereafter. Should a County-retained contractor like Construction Manager and/or its subcontractors be found to be non-compliant with E-Verify as part of a federal audit or other inquiry, the contractor, Construction Manager, and/or its subcontractor(s) will be solely responsible for the payment of any fines or costs imposed upon the county as a result of such non-compliance. Compliance with this section is mandatory for all projects.

SECTION 33 – MAINTENANCE OF RECORDS / COOPERATION WITH STATE AUDITS

In addition to the requirements set forth in any executed Task Order, the Construction Manager shall keep and maintain its accounting records and supporting documentation related to the services, work, information, expenses, costs, invoices, and materials provided and/or performed pursuant to the requirements of this Agreement for a minimum of five (5) years from the date of termination or expiration of this Agreement.

The Construction Manager specifically acknowledges that by accepting a Task Order which will be funded through state funds, the Construction Manager and any subcontractor(s) retained by it will agree to cooperate with any audit initiated by the Office of the Auditor General of the State of Florida or any successor office. Such cooperation includes any investigation, audit, inspection, review, or hearing pursuant to section 20.055(5), Florida Statutes.

SECTION 34 – WAIVER OF BREACH

Waiver by either party of a breach of any provision of this Agreement shall not be deemed as a waiver of any other breach and shall not be construed to be a modification of the terms of this Agreement.

SECTION 35 – EMERGENCIES

In the event that the Construction Manager's services are activated or requested during an event that disrupts essential operations, or when there is a threat to the public's health, welfare, or safety, or when normal purchasing procedures are not possible, or when there is a local, state, or federal declared state of emergency, and notwithstanding the provisions of any executed Task Order, the provisions of Section 2-101 of the Pasco County Code of Ordinances and any declaration of emergency, and orders issued thereto, shall apply and shall supersede as necessary, the terms and conditions of this Agreement.

SECTION 36 – FORCE MAJEURE

Neither the County nor the Construction Manager shall be liable for delay or their failure to perform hereunder due to circumstances beyond their respective control, such as Acts of God, governmental laws or orders, wars, riots, pandemics, national emergencies, strikes, or accidents. The County or the Construction Manager may suspend their respective performance under this Agreement or any executed Task Order as a result of a force majeure and shall resume performance as soon as is reasonably possible. The delayed party must notify the other party promptly upon the occurrence of any such circumstance and inform the other party of its plans to resume performance; otherwise, performance by the delayed party will not be considered excused pursuant to this Section.

Should the Construction Manager be obstructed or delayed in the prosecution or completion of its obligations under this Agreement as a result of causes not due to its own fault or neglect, the Construction Manager shall notify the County in writing within seven (7) calendar days after commencement or discovery of such delay, stating the cause(s) therefore and requesting an extension of the Construction Manager's time of performance. Causes beyond the control of the Construction Manager shall include, but are not limited to, court orders and injunctions, actions or rulings of any federal, state or municipal authority (including the County) having jurisdiction over any project and/or any Force Majeure event as delineated in this Section.

Upon receipt of the Construction Manager's request for an extension of time for cause(s) beyond the control of the Construction Manager, the County Administrator shall have the discretion to grant an extension of time only if the County determines the delay encountered by the Construction Manager was not due to its own fault or neglect. All other extensions of time must be approved by the Board of County Commissioners.

No interruption, interference, inefficiency, suspension, or delay in the commencement or progress of the Construction Manager's services for any cause whatsoever, including those for which the County, including any of its agents or employees, may be responsible in whole or in part, shall relieve the Construction Manager of its duty to perform or give rise to any right to damages or additional compensation from the County.

The Construction Manager's sole remedy against the County in the event of such interruption, interference, inefficiency, suspension, or delay in the commencement or progress of such services shall be the right to seek an extension of the time only, as included in any affected Task Order. However, such extension shall not operate as a waiver of any other rights of the County. This section shall expressly apply to claims for early completion, as well as claims based on late completion. The County shall not be responsible for any consequential damages or loss in profits incurred by the Construction Manager from such delays.

SECTION 37 – OWNERSHIP OF DOCUMENTS

All documents, such as drawings, tracings, notes, photographs, computer files, plans, specifications, maps, evaluations, reports, and other records and data relating to this Agreement shall become the property of the County and shall be delivered by the Construction Manager to the County within thirty (30) calendar days of completion of the Project or within seven (7) calendar days of the County making a request for said document delivery, whichever is applicable. In the event the County gives the Construction Manager a written Notice of Termination pursuant to Section 23 of this Agreement and the Termination provisions in an executed Task Order, or upon issuance to the Construction Manager by the County of a written Modification or Change Order which deletes all or part of the work or services required, the Construction Manager shall deliver to the County any and all documents listed above with the mutual understanding and commitment by the County that compensation earned or owing to the Construction Manager for services provided or performed by the Construction Manager pursuant to this Agreement prior to the date of any such termination will be paid to the Construction Manager as provided in Section 23 and within sixty (60) calendar days of the date of issuance of the Notice of Termination.

The Construction Manager, at its expense, may make and retain copies of all documents delivered to the County for the Construction Manager's reference and internal use. The Construction Manager shall not use any of these documents and/or data or information contained therein on any other project or for any other client without the prior expressed written permission of the County.

SECTION 38 – HEADINGS

The headings of the articles, sections, subsections, exhibits, and/or attachments contained in this Agreement are for the purpose of convenience only and shall not be deemed to expand, limit, or change the provisions contained in such articles, sections, subsections, exhibits and/or attachments.

SECTION 39 – EVALUATION OF THE CONSTRUCTION MANAGER

The County shall perform a performance evaluation of the Construction Manager. The

evaluation shall be forwarded to the Construction Manager for their records.

SECTION 40 – SEVERABILITY

In the event any one or more of the provisions contained in this Agreement shall for any reason be held invalid, illegal, or unenforceable in any respect, the invalidity, illegality, or unenforceability shall not affect any other provision and this Agreement shall be construed as if the invalid, illegal, or unenforceable provision had never been contained in it.

SECTION 41 – EXECUTION IN COUNTERPARTS

For the convenience of the parties and to facilitate execution, this Agreement may be executed in two (2) or more counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same document.

SECTION 42 – ENTIRE AGREEMENT

This Agreement, including all referenced exhibits and attachments hereto, any written amendments, modifications or addenda to it, and together with all the documents referenced in Section 12, constitutes the entire Agreement between the County and the Construction Manager and shall supersede, replace, and nullify any and all prior agreements or understandings, written and oral, relating to the matters set forth herein. Prior agreements or understandings, if any, shall have no force or affect whatsoever on this Agreement.

(The Remainder of this Page Intentionally Left Blank).

IN WITNESS WHEREOF, the parties hereto by their duly authorized representatives have executed this Master Agreement for Construction Manager at Risk Services for solicitation number **RFP-DS-23-076**, effective on the last day and year entered below.

CONSTRUCTION MANAGER AT RISK TASK ORDER

THIS Task Order is made and entered into by and between Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, hereinafter designated as the "COUNTY", and Wharton-Smith, Inc. (hereinafter designated as "Construction Manager"), a Florida For-Profit Corporation, whose primary business address is 4912 W. LaSalle Street, Tampa, FL 33607 to perform all work ("Work") in connection with the management and construction required for the construction, expansion, and/or renovation of the _____ ("Project"), located at _____, in _____, Pasco County, Florida, said Work being set forth in the plans and specifications being prepared by _____, the Engineer of Record ("Design Professional"), and all other Task Order Documents hereafter specified, pursuant to the Master Agreement for Construction Manager at Risk Services executed by the COUNTY and the Construction Manager on _____ ("the Master Agreement").

NOW THEREFORE, the COUNTY and Construction Manager, for the consideration set forth herein, agree as follows:

Section 1. Task Order Documents

The Task Order Documents consist of this Task Order and any attachments and exhibits, Request for Proposals – RFP-DS-23-076 and any Addenda issued thereto ("RFP"), Construction Manager's written response to the RFP, the Exhibits described in Section 8 hereof, and any duly executed and issued addenda, Change Orders, Construction Change Directives, Field Orders and amendments relating thereto, and the Master Agreement and all Exhibits, appendices, and schedules attached thereto. Further, the term Task Order Documents shall include all plans and specifications for the construction of the Project ("Construction Documents") being prepared by Design Professional, but only after said Construction Documents have been completed by Design Professional and approved in writing by the COUNTY. All of the foregoing Task Order Documents are sometimes collectively referred to herein as the "Task Order".

For the Project associated with this Task Order, the COUNTY shall furnish Construction Manager with one (1) sealed copy and one (1) reproducible set of the Construction Documents. Any additional copies of Construction Documents, required by Construction Manager for execution of the Work, shall be made by Construction Manager. The reproducible set of the Construction Documents shall be returned to the COUNTY upon final acceptance of the Work or termination of the Task Order, whichever occurs first. Provided, however, the act of the COUNTY in furnishing Construction Manager a reproducible set of Construction Documents for Construction Manager's convenience and such furnishing by the COUNTY shall not be deemed to be a waiver by the COUNTY or the Design Professional of any copyright, patent or license they may have with respect to the Construction Documents. All such copyrights, patents and licenses relating to said Construction Documents are hereby expressly reserved by the COUNTY and the Design Professional.

In cases of conflict between Task Order Documents, the order of precedence of the Task Order Documents shall be as follows:

a. This Task Order, Change Orders and other Task Order Modifications to this Task Order.

b. The completed Construction Documents, as approved in writing by the COUNTY.

c. The Master Agreement executed by the COUNTY and the Construction Manager, including all Exhibits, appendices, and schedules attached thereto.

d. The RFP and any Addenda issued pursuant to it.

e. Construction Manager's written proposal and any attachments submitted in response to the RFP.

In addition, detailed plans shall take precedence over general plans for the same part of the Work. Specifications and detail plans which may be prepared or approved by the COUNTY after the execution of the Task Order and which may be fairly inferred from the original specifications and plans are to be deemed a part of such specifications and plans, and that portion of the Work shown thereby shall be performed without any change in the GMP Price or Project Schedule. With respect to conflicts between large scale drawings and small-scale drawings, the larger scale drawing shall govern.

To the extent the order of precedence above does not address certain items, and where compliance with two or more requirements is indicated in any of the enumerated Task Order Documents and where these requirements within the Task Order Documents conflict in quantity or quality, the Construction Manager shall be required to put the COUNTY on notice in writing of such conflict for the COUNTY's determination, within forty-eight (48) hours thereafter, of which requirement should apply, unless specifically indicated otherwise in the Task Order Documents.

Section 2. Scope of Work

The Scope of Work to the completed under this Task Order is defined as <<SUMMARY OF PROJECT TO BE CONSTRUCTED>> (hereinafter the "Project"). Construction Manager shall endeavor to construct the work required for the Project in such a manner as will not, or minimally impact, impede or in any way preclude the ability of the existing facility to remain fully operational during the construction of the Project. However, the parties acknowledge that some impact will occur. The Scope of Work to be provided for the Project is specifically required to include the following minimum components:

2.1 <<INSERT PROJECT REQUIREMENTS>>

2.19 **Project Budget.**

The COUNTY's total Project Budget for construction is _____. The overall Task Order Amount (which includes the Pre-Construction Phase Fee and the Guaranteed Maximum Price) cannot exceed the Project budget established by the COUNTY.

2.20 **Project Phases**. The Work to be provided by Construction Manager pursuant to this Task Order may be performed in two phases. Those phases are the Pre-Construction Phase Services and Construction Phase Services. At the discretion of the COUNTY, those two phases may overlap. This Task Order will specify whether both Pre-Construction Phase Services, as well as Construction Phase Services, are included.

A. Pre-Construction Phase Services. The Construction Manager shall review and comment upon the Construction Documents developed by Design Professional. The scope of that review shall include, but not be limited to, reviewing those various documents for value engineering and constructability. During the Pre-Construction Phase, Construction Manager agrees to attend any and all design and preconstruction conferences as requested by the COUNTY and to otherwise assist and cooperate with Design Professional with respect to the design of the Project.

The County's Project Team, in conjunction with the Design Professional and the Construction Manager, will refine the scope of the Project during the initial design stage to be consistent with the COUNTY's Project Budget.

The Construction Manager shall also attend Utility Coordination meetings and assist the COUNTY with responding to inquiries from any other regulatory agency regarding Pre-Construction aspects of this Project.

When the COUNTY and Construction Manager agree that the design of the Project is sufficiently developed and documented to allow detailed pricing, Construction Manager shall develop, prepare, and submit a Guaranteed Maximum Price (GMP) Proposal to the COUNTY in accordance with Exhibit K. The COUNTY shall accept such GMP within thirty (30) days of the date of the receipt unless such time is mutually extended. If the COUNTY does not accept the GMP within the time period herein provided, such proposal shall be presumed to be rejected by the COUNTY and the Construction Manager shall be entitled to payment for all Pre-Construction Phase services in the amount indicated in Section 4, A of the Task Order.

Construction Manager shall provide all other services during the Pre-Construction Phase of the Project as set forth in Exhibit A, Article 8.

B. Construction Phase Services. After the Construction Documents have been sufficiently completed by Design Professional and approved by the COUNTY for all of the Work (or such portions thereof as may be designated by the COUNTY in writing), and the COUNTY and Construction Manager have agreed in writing upon the GMP to be paid Construction Manager and the Task Order Time for the Work (or designated portions thereof) as hereafter provided, Construction Manager shall furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely and fully perform and complete in a good and workmanlike manner the

construction of the Work (or designated portions thereof) in accordance with all of the terms and conditions of the Task Order Documents. It is recognized and agreed that any review or input of the design portions of the Task Order Documents are made in Construction Manager's capacity as a contractor and not as a licensed design professional and shall not be considered professional design services.

Section 3. Relationship of Parties

3.1 Communications During Project

The parties acknowledge that clear lines of communication and defined scope authority between representatives of the COUNTY and the Construction Manager and the Construction Manager and the Design Professional and the County are essential to the successful completion of the Project. The Construction Manager, prior to commencement of the Construction Phase Services, shall prepare and submit for the COUNTY's review and acceptance a proposed communication plan for use during the Project. This communication plan shall contain, at a minimum, procedures for the enhancement of communication and cooperation between the COUNTY, the Construction Manager, the Design Professional, separate contractors, inspectors and other consultants and subcontractors on the Project, as well as procedures for the speedy and efficient resolution for implementing, documenting, reviewing and processing field questions and responses, field variance authorizations and directives, minor changes, Construction Change Directives, Field Directives, and Change Orders.

3.2 Construction Manager's Obligations

The Construction Manager accepts the relationship of trust and confidence established by this Task Order. The Construction Manager covenants with the COUNTY to cooperate with the Design Professional; to utilize the Construction Manager's best skill, efforts and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; to furnish at all times an adequate supply of workers and materials; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and the Task Order terms and conditions. Further, the Construction Manager acknowledges that (i) it has represented to the COUNTY that it has specific expertise in the planning, management and construction of projects of similar size, cost and complexity and (ii) that such representation is a material inducement to the COUNTY to enter into this Task Order.

3.3 Construction Manager's Project Representative

Construction Manager hereby designates _____(NAME) as its Project Executive for this Project, with full authority to bind and obligate the Construction Manager on all matters arising out of or relating to the Work or the Task Order Documents. Construction Manager agrees that the Project Executive shall devote whatever time is required to satisfactorily manage the Work and further agrees that the Project Executive shall not be removed or replaced by Construction Manager without the COUNTY's prior approval, which approval shall not be unreasonably withheld.

3.4 **COUNTY's Project Representatives**

The COUNTY has established a Leadership Team ("LT") to oversee the development of the Project. It consists of individuals from the Facilities Management Department Director ("Director") & staff ("COUNTY Project Manager"). While the input of any other affected department is crucial to the successful completion of the Project, the COUNTY's representatives will serve as the final decision maker as indicated below. The Construction Manager shall coordinate all correspondence, submittals, applications for payment, requests for information, change orders, claims and any other requests or documents through the Design Professional, and the COUNTY's Project Manager, unless otherwise specified in this Task Order.

The Director, in coordination with the Design Professional, is authorized, to determine or answer, all questions of any nature whatsoever arising out of, under or in connection with, or in any way relating to or on account of the Work, and/or as to the interpretation of the Work to be performed the Task Order Documents.

The Construction Manager shall be bound by all determinations or orders as communicated by the COUNTY's Director or his designee, or the COUNTY Project Manager, and shall promptly respond to requests of the COUNTY's Project Manager and/or Design Professional, including the withdrawal or modification of any previous order, and regardless of whether the Construction Manager agrees with the COUNTY's determination or requests. Where requests are made orally, the COUNTY's Project Manager and/or Design Professional will follow up in writing, as soon thereafter as is practicable.

The COUNTY's Director and/or Project Manager shall have authority to act on behalf of the COUNTY to the extent provided by the Task Order, unless otherwise modified in writing by the COUNTY. All instructions to the Construction Manager shall be issued in writing. All instructions to the Construction Manager shall be issued through the Director or the COUNTY's Project Manager.

The COUNTY's Project Manager and Design Professional shall have access to the Project Site during normal work hours, unless access is required by the COUNTY due to health, safety or welfare of the COUNTY or the public. The Construction Manager shall provide safe facilities for such access so the COUNTY's Project Manager and Design Professional may perform their functions under the Task Order. The COUNTY's Project Manager and Design Professional will make periodic visits to the Work Site to become generally familiar with the progress and quality of the Work, and to determine if the Work is proceeding in accordance with the Task Order Documents.

Construction Manager shall be responsible for/and in full control of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work and shall carry out the Construction Work in accordance with the Task Order Documents.

The COUNTY's Project Manager will have authority to reject Construction Work that does not conform to the Task Order Documents' requirements. Whenever, in his or her reasonable

opinion, it is considered necessary or advisable to ensure the proper implementation of the Task Order Documents, the COUNTY's Project Manager will have authority to require special inspections or testing of the Construction Work, whether or not such Construction Work is fabricated, installed or completed. Neither the COUNTY's Project Manager's and Design Professional's authority to act under this Article, nor any decision made by him/her in good faith either to exercise or not to exercise such authority, shall give rise to any duty or responsibility of the COUNTY's Project Manager and Design Professional to the Construction Manager, any Subcontractor, Subconsultant, supplier or any of their agents, employees, or any other person performing any of the Construction Work.

The COUNTY also reserves the right to utilize a private company under contract with the COUNTY to provide on-site construction examination and observation services for the Project. Such services are intended to be additional services and are not intended to and shall not be construed to supplant or alter the role and responsibilities of the COUNTY Project Manager, Design Professional, or the Construction Manager. While this company will represent the COUNTY at the site, the company and its employees have no authority to authorize changes or deviations from the Task Order Documents.

All interpretations and recommendations of the Director, the COUNTY's Project Manager and the Design Professional shall be consistent with the intent of the Task Order Documents. The Director, the COUNTY's Project Manager and the Design Professional will not be responsible for the acts or omissions of the Construction Manager, or anyone employed or contracted directly or indirectly by the Construction Manager including any Subcontractor, Subconsultant, or any of their agents or employees, or any other persons performing any of the Work.

Wherever the terms of this Task Order refer to some action, consent, or approval (excluding approvals of Change Orders, Construction Change Directive, or amendments to the Task Order) to be provided by the COUNTY or some notice, report or document is to be provided to the COUNTY, such reference to "the COUNTY" shall mean the COUNTY's Board of County Commissioners or their designee, the County Administrator or the County Administrator's designee (to the extent such designee has been expressly authorized by the COUNTY) for this Task Order.

For purposes of this Task Order, the COUNTY representatives listed herein shall have the following level of authority to approve Construction Change Directive or Authorization for Contingency Releases: COUNTY's Project Manager up to $5,000; COUNTY's Facilities Director up to $25,000; Assistant County Administrator for Internal Services up to $50,000; and the County Administrator up to the full amount of the contingency amount included in the GMP and/or the amount provided for in the COUNTY's Purchasing Ordinance. The County Administrator shall also have the authority to approve a Change Order or amendment to the Task Order or the Master Agreement as permitted by the COUNTY'S Purchasing Ordinance.

Section 4. Task Order Amount

In consideration of the full and faithful performance by Construction Manager of the covenants in this Task Order, the COUNTY agrees to pay, or cause to be paid, to Construction Manager the

following amounts (herein "Task Order Amount"), in accordance with the terms of this Task Order:

A. Pre-Construction Phase Services. For all Pre-Construction Phase Services, enumerated in this Task Order and in Exhibit A, Article 8 Construction Manager shall receive compensation as follows:

- Lump Sum in the amount of _____:
- Invoices shall be submitted to the COUNTY for the percentage of the pre-construction services completed on a monthly basis.

B. Construction Phase. With respect to the Construction Phase Services to be provided by Construction Manager hereunder, the COUNTY shall:

- reimburse Construction Manager for the Cost of the Work (as that term is defined hereafter); pay the Construction Manager a Construction Manager's Fee to be negotiated for the completion of the Construction Phase services; and
- pay the Construction Manager a lump sum amount to be negotiated for the Cost of General Conditions at the site during the Construction Phase of the Project.

The Construction Manager's Fee shall be the Construction Manager's total compensation for all overhead not reimbursable as Cost of the Work under Section 5.A. below, as well as the Construction Manager's total profit for the Construction Phase Services. The Construction Manager agrees to provide the COUNTY with a Guaranteed Maximum Price (GMP) proposal for the total sum of the Construction Manager's Fee, plus the Cost of the Work (including General Conditions), plus the Construction Manager's Contingency within 60 calendar days after the Construction Documents in the opinion of the COUNTY and Construction Manager are sufficiently completed by Design Professional and approved in writing by the COUNTY.

The GMP shall be based on actual subcontractor cost proposals as negotiated with the various subcontractors. Further, the proposal shall be broken down into the categories and level of detail required by the COUNTY. The Construction Manager agrees that all its books, records and files, with respect to its development of the GMP proposal, shall be open to the COUNTY for review and copying. The final guaranteed maximum price shall be mutually agreed upon by the COUNTY and Construction Manager and shall be set forth in the to this Task Order. The form for the GMP Amendment is attached hereto as Exhibit K.

The Construction Manager shall provide a detailed breakdown acceptable to the COUNTY of its GMP proposal, as well as for the final GMP. The Construction Manager guarantees that in no event shall the sum of the Construction Manager's Fee, the total Cost of the Work (including General Conditions), and the Construction Manager's Contingency exceed the GMP, however, the GMP may be adjusted pursuant to the terms herein for Change Orders and Construction Change Directives. In the event the Construction Manager and the COUNTY fail to reach an agreement on the GMP, the COUNTY may elect to terminate this Task Order and revise the Master Agreement accordingly. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Task Order Amount attributable to the Pre-Construction Phase Services; but the Construction Manager shall not be entitled to any further or

additional compensation from the COUNTY, including but not limited to damages or lost profits on portions of the Work not performed.

Contingency. The Construction Manager shall include a line item for Construction Manager's Contingency amount in the Schedule of Values for the Project, which Contingency amount, if accepted by the COUNTY, shall be included within the GMP and to the GMP Task Order Amendment for the Project, and subject to the prior agreement of the COUNTY. The Contingency shall be used as the source of funds for unforeseen costs that are reasonably and necessarily incurred and paid by the Construction Manager, which costs shall be at rates not higher than the standard paid in Pasco COUNTY, in connection with the proper performance of Work required hereunder which Work was unforeseeable by the Construction Manager, the Design Professional, and the COUNTY at the time of execution of the GMP Task Order Amendment. Use of the Construction Manager's Contingency shall be at the sole discretion of the COUNTY and requires the prior written approval of the COUNTY as stated elsewhere in these documents and/or as delegated. Such approval will not be unreasonably withheld.

The Construction Manager's Contingency shall not be used for rework, cost increase caused by a lack of coordination or communication with the Design Professional or Subcontractors, or to correct errors and omissions in the Task Order Documents. The Task Order amount for the Construction Phase is guaranteed by the Construction Manager not to exceed the GMP. If cost of the Construction Phase exceeds the GMP, as may be adjusted by Change Orders, the Construction Manager shall pay the overrun without reimbursement from the COUNTY. The Construction Manager agrees to use all reasonable efforts to maximize cost savings during the Construction Phase.

The COUNTY, as stated elsewhere in these documents, must approve any and all expenses of the Construction Manager to be billed to and paid from the Construction Manager's Contingency, and such approval shall be requested and approved in advance of incurring such expense, where practicable, and said approval will not be unreasonably withheld. The Construction Manager shall submit to the COUNTY a list of names, addresses, licensing information, and phone numbers of the Subcontractors that Construction Manager intends to use for each portion of the Construction Work, as well as identify in writing those portions of the Construction Work it intends to perform with its own employees.

Section 5. Cost of the Work

A. Costs to be Reimbursed. The term Cost of the Work shall mean all costs necessarily and reasonably incurred by Construction Manager in the proper performance of the Construction Phase Services portion of the Work. Such costs shall be at rates not higher than the standard paid at the place of the Project except with the prior written consent of the COUNTY only after the Construction Manager has provided sufficient support in writing that exceptional circumstances exist, which justify the payment of rates higher than the standard. The Cost of the Work shall include only those items set forth below in this subsection A:

a. Wages of construction workers directly employed by the Construction Manager to perform the construction of the Work at the Project site or, with the COUNTY's written

agreement, at off-site workshops.

b. Wages or salary of the Construction Manager's supervisory, technical, and administrative personnel who are stationed at the Project site with the COUNTY's written concurrence.

c. Wages and salaries of the Construction Manager's supervisory, technical, and administrative personnel when assigned to this Project and specifically working on this Project in the Construction Manager's administrative or home offices.

d. Costs, including transportation, installation, maintenance, dismantling and removal, of materials, supplies, temporary facilities (including project field offices, furniture and fixtures), temporary utilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by the Construction Manager at the Project site and fully consumed in the performance of the Work; and costs less salvage value on such items if not fully consumed, whether sold to others or retained by the Construction Manager.

e. Rental charges, at standard industry rates for the area, for temporary facilities, machinery, vehicles, equipment, and hand tools not customarily owned by the construction workers, which are provided by Construction Manager at the Project site, whether rented from Construction Manager or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rates and quantities of all equipment rented, whether from Construction Manager or others, shall be subject to the COUNTY's prior written approval.

f. Cost of removal and proper disposal of debris from the Project site.

g. Costs of telegrams, long distance telephone calls, cellular telephone calls, Internet service, Information Technology services, postage and parcel delivery charges and telephone service at the Project site and reasonable petty cash expenses of the Project site office.

h. That portion of the reasonable travel and subsistence expenses of Construction Manager's personnel, assigned to the Project site, incurred while traveling outside of the Pasco County area in discharge of duties connected with the Work, provided all of such expenses and charges are consistent with the rates provided under Section 112.061, Fla. Stat. and shall be subject to the prior written approval of the COUNTY. Temporary living and travel expenses of employees who are not relocated but assigned to the Project must be consistent with the rates provided under Section 112.061, Florida Statutes, and upon written approval of the COUNTY.

i. Cost of reproducing and printing of materials required for the Project, subject to the rates provided under Section 112.061, Florida Statutes.

j. Sales, use, or similar taxes imposed by a governmental authority which are related to the Work and for which Construction Manager is liable.

k. Fees and assessments for the building permit and for other permits, licenses and

inspections for which Construction Manager is required by the Task Order Documents to pay.

l. Fees of testing laboratories for tests required by the Task Order Documents, except those related to defective or nonconforming Work for which reimbursement is excluded pursuant to the terms of the Master Agreement and this Task Order.

m. Royalties and license fees paid for the use of a particular design, process or product required by the Task Order Documents.

n. Deposits lost for causes other than Construction Manager's fault or negligence.

o. Legal, mediation and arbitration costs, other than those arising from disputes between the COUNTY and Construction Manager, or caused by the Construction Manager's acts or omissions, reasonably incurred by Construction Manager in performance of the Work and with the COUNTY's prior written consent,

p. Costs reasonably incurred in repairing or correcting damage or nonconforming Work executed by Construction Manager, or its subcontractors or suppliers, provided that such damage or nonconforming Work was not caused by the negligence of the Construction Manager.

q. Cost of Public Information Programs or other neighborhood functions hosted by the Construction Manager at the direction of the COUNTY.

r. Cost of site safety as provided by Construction Manager.

s. Cost of documentation, inspection and testing as required for the preparation of the Final Estimate and implementation of the Contractor Quality Control process. Bonds and insurance premiums as required by the Task Order.

t. Cost to protect the Work and adjacent property from loss and damage.

u. Costs of applicable insurance and bonds at a rate to be agreed to by the Parties herein.

The General Conditions will be paid as a lump sum appropriately spread over the course of the work and as defined in the GMP Task Order Amendment.

Subcontract and Material Costs.

a. Payments made by the Construction Manager to subcontractors in accordance with the requirements of the applicable written subcontracts.

b. Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction.

c. Costs of materials described in subsection 5. A., above, in excess of those actually

installed but required to provide reasonable allowance for waste and for spoilage. Unused excess materials, if any, shall be handed over to the COUNTY at the completion of the Work or, at the COUNTY's option, shall be sold by the Construction Manager; amounts realized, if any, from such sales, shall be credited to the COUNTY as a deduction from the Costs of the Work.

All subcontractor costs will be documented by signed subcontractor invoices and all material costs will be documented by copies of invoices.

B. Costs Not to Be Reimbursed. The Cost of the Work shall not include the following items:

a. Except as provided in Section 5. A., salaries and other compensation of the Construction Manager's personnel stationed at the Construction Manager's principal office or offices other than the Project site office.

b. Except as provided in the Fringe Benefits rate included in subsection 5.A., expenses of Construction Manager's principal office and offices other than the Project site office**.**

c. Overhead and general expenses, except as may be expressly included in subsection 5. A.

d. Construction Manager's capital expenses, including interest on Construction Manager's capital employed for the Work.

e. Rental costs of machinery and equipment, except as specifically provided in subsection 5. A.

Except as expressly provided in subsection 5. A., costs due to the negligence of Construction Manager, subcontractors, anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, costs for the correction of damaged, defective, or nonconforming Work, disposal and replacement of materials and equipment incorrectly ordered or supplied, and making good damage to property not forming part of the Work.

f. Any costs not specifically and expressly described in subsection A above.

g. Costs which would cause the GMP to be exceeded (as the GMP may be adjusted pursuant to the terms herein for Change Order and Construction Change Directives.)

h. The Construction Manager is responsible, without reimbursement from the COUNTY, for re-inspection fees and costs; to the extent such re-inspections are due to the negligence of the Construction Manager.

C. Discounts, Rebates and Refunds.

a. Cash discounts obtained on payments made by the Construction Manager shall

accrue to the COUNTY if (i) before making the payment, the Construction Manager included them in an application for payment and received payment therefore from the COUNTY, or (ii) the COUNTY has deposited funds with Construction Manager with which to make payments; otherwise, cash discounts shall accrue to the Construction Manager. Trade discounts, rebates, refunds and amounts received from sales of surplus materials and equipment shall accrue to the COUNTY, and the Construction Manager shall make provisions so that they can be secured.

b. Amounts which accrued to the COUNTY in accordance with the provisions of subsection 5. C.1, shall be credited to the COUNTY as a deduction from the Cost of the Work.

D. Local Preference in Contracting

The Construction Manager is strongly encouraged to identify opportunities to hire qualified County residents and businesses to perform work or provide services or materials for the Project when feasible. Construction Manager is also encouraged to apply the local preference in purchasing adopted by the County when evaluating bids during the term of the Task Order, and is expected to secure the cooperation of subcontractors in this effort as well.

Local Preference may not be used if State or Federal funds are used to fund the Project or the Work.

Section 6. Bonds

A. Within ten (10) business days after the GMP is agreed to by the COUNTY and Construction Manager, and at or before the date the GMP Task Order Amendment is executed by the COUNTY, the Construction Manager shall provide the COUNTY with Performance and Payment Bonds, in the form prescribed in Exhibits C and D, in the amount of 100% of the total sum of the GMP, the costs of which are to be paid by the Construction Manager. The Performance and Payment Bonds must comply with the following provisions and must be otherwise acceptable to the COUNTY:

B. The Bonds must be underwritten by a surety company which has a currently valid Certificate of Authority issued by the State of Florida, Department of Insurance, authorizing it to write surety bonds in the State of Florida.

1. The surety company shall have currently valid Certificate of Authority issued by the United States Department of Treasury under Sections 9304 to 9308 of Title 31 of the United States Code.

2. The surety company shall be in full compliance with the provisions of the Florida Insurance Code.

3. The surety company shall have at least twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued.

4. The Bonds must be fully performable in Florida, with service and venue in Pasco

County, Florida.

5. The surety company shall have at least the minimum rating of A (CLASS VIII) in the latest issue of Best's Key Rating Guide.

6. The surety company shall not expose itself to any loss on any one risk in an amount exceeding ten (10) percent of its surplus to policyholders, provided:

a. Any risk or portion of any risk being reinsured shall be deducted in determining the limitation of the risk as prescribed in this section. These minimum requirements shall apply to the reinsuring carrier providing authorization or approval by the State of Florida, Department of Insurance to do business in this state have been met.

b. In the case of a surety insurance company, in addition to the deduction for reinsurance, the amount deposited, pledged or held subject to the consent of the surety and for the protection of the surety shall be deducted.

c. If the surety for any bond furnished by Construction Manager is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Task Order Documents, the Construction Manager shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the minimum requirements noted above and the COUNTY's approval.

d. In accordance with the requirements of Section 255.05(1)(a), Florida Statutes, Construction Manager shall record within 5 days in the Public Records of Pasco County, Florida, a copy of the Performance and Payment Bonds. The Construction Manager shall deliver within 10 days to the COUNTY a copy the recorded Bonds. The delivery of such evidence is a condition precedent to the COUNTY's obligation to make any progress payments to Construction Manager hereunder.

Section 7. Task Order Time and Liquidated Damages

A. Time is of the essence in the performance of the Work under this Task Order. The "Pre-Construction Commencement Date" shall be established in a Notice to Proceed to be issued by the COUNTY.

B. The Construction Manager shall commence the Pre-Construction Phase Services portion of the Work within five (5) calendar days after the Pre-Construction Phase Commencement Date.

C. Any Work performed by Construction Manager prior to the Pre-Construction Phase Commencement Date shall be at the sole risk and expense of Construction Manager.

D. The "Construction Phase Commencement Date" shall be established in the GMP Task Order Amendment. Construction Manager shall commence the Construction Phase Services portion of the Work within five (5) calendar days after the Construction Phase Commencement Date. No portion of the Work, with respect to the Construction Phase Services to be provided hereunder, shall be performed prior to the Construction Phase Commencement Date, unless expressly approved in advance by the COUNTY in writing. The total period of time beginning with the Construction Phase Commencement Date and ending on the date of Substantial

Completion of the Work is referred to hereafter as the "Task Order Time". The Task Order Time is set forth with more specificity in Paragraph B below.

E. Because the Work may be completed in more than one phase, the timely completion of each phase is critical to the timely completion of the second phase and, therefore, completion of the entire Project. Accordingly, if applicable, the Construction Manager agrees to provide the Pre- Construction Phase Services in accordance with the design schedule established pursuant to the terms of the Design Professional's Agreement. With respect to the Construction Phase Services, the GMP Task Order Amendment shall include the date that portion of the Work associated with the Construction Phase Services must be substantially completed by the Construction Manager. That Substantial Completion date shall be established in terms of calendar days after the Construction Phase Commencement Date. In the event the Construction Manager and the COUNTY fail to reach an agreement on the Task Order Time and the Substantial Completion date, the COUNTY may elect to terminate this Task Order and modify the Master Agreement accordingly. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Task Order Amount attributable to the Pre-Construction Phase Services earned to the date of termination plus that portion of any earned compensation associated with any Construction Phase Services provided, to the extent such services were expressly approved in advance and in writing by the COUNTY; but the Construction Manager shall not be entitled to any further or additional compensation from the COUNTY, including but not limited to damages or lost profits on portions of the Work not performed. Substantial Completion of the Work shall be achieved when the Work has been completed to the point where the COUNTY can occupy or utilize the Work for its intended purpose. Design Professional shall certify the date Substantial Completion of the Work is achieved. If the COUNTY has designated portions of the Work to be turned over to the COUNTY prior to Substantial Completion of the entire Work, the Design Professional shall certify the date as to when Substantial Completion of such designated portions of the Work have been achieved. The entire Work shall be fully completed and ready for final acceptance by the COUNTY within 30 calendar days after the Substantial Completion date.

F. The COUNTY and Construction Manager recognize that, since time is of the essence for this Task Order, the COUNTY will suffer financial loss if the Work associated with the Construction Phase is not substantially completed within the time specified in the GMP Task Order Amendment, as said time may be adjusted as provided for herein. In such event, the total amount of the COUNTY's damages, will be difficult, if not impossible, to definitely ascertain and quantify, because this is a public construction project that will, when completed, benefit the public in Pasco County, Florida. It is hereby agreed that it is appropriate and fair that the COUNTY receive liquidated damages from Construction Manager, if Construction Manager fails to achieve Substantial Completion of the Work within the required Task Order Time. Should Construction Manager fail to substantially complete the Work within the required time period, the COUNTY, upon thirty (30) days written notice to the Construction Manager, shall be entitled to assess liquidated damages _____ (in an amount to be determined project-to-project), but not as a penalty, for each calendar day after the missed Project Milestone thereafter until the Milestone or Substantial Completion of the entire Project is achieved. Construction Manager hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and

reasonable estimate of the COUNTY's actual damages at the time of contracting if Construction Manager fails to substantially complete the Work in a timely manner.

G. When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the laws of Florida, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday. The term "business day" as used herein shall mean all days of the week excluding Saturdays, Sundays and all legal holidays observed by the COUNTY.

Section 8. Exhibits Incorporated

The following documents are expressly agreed to be incorporated by reference and made a part of this Task Order.

Exhibit A: General Terms and Conditions
Exhibit B: Supplemental Terms and Conditions
Exhibit C: Form of Payment Bond
Exhibit D: Form of Performance Bond
Exhibit E: Insurance Requirements
Exhibit F: Form of Release and Affidavits
Exhibit G: Application for Payment/SOV
Exhibit H: Form of Change Order / Consent of Surety to Change
Exhibit I: Master Project Schedule Milestones
Exhibit J: Construction Manager's Staffing Schedule
Exhibit K: GMP Task Order Amendment to Agreement between the COUNTY and Construction Manager
Exhibit L: Truth-In-Negotiation Certificate
Exhibit M: Certificate of Insurance Form

In case of inconsistency, ambiguity, or discrepancy between Contract Documents, the Exhibits shall govern over the Task Order Agreement.

Section 9. Notices

All notices required or made pursuant to this Task Order by the Construction Manager to the COUNTY shall be in writing and may be given (i) by mailing same by United States mail with proper postage affixed thereto, certified, return receipt requested, or (ii) by sending same by Federal Express, Express Mail, Airborne, Emery, Purolator or other expedited mail or package delivery, or (iii) by e-mail with a read-receipt to the other party, with a confirmation hard-copy to be mailed via regular United States mail, or (iv) by hand delivery to the appropriate address as herein provided, or (v) by telecopy with confirmation copy to be mailed.

Notices required hereunder shall be directed to the following address:

Section 10. Construction Manager's Public Records Obligations

The Construction Manager is responsible for its compliance with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, the Construction Manager shall (a) keep and maintain public records required by the County to perform the service under the Task Order; (b) upon request from the County's custodian of public records provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Task Order term and following completion of the Task Order if the Construction Manager does not transfer the records to the County; and (d) upon completion of the contract, transfer, at no cost to the County, all public records in possession of the Construction Manager. Upon transfer, the Construction Manager shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements. All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County. All documentation produced as part of this Task Order will become the property of the County. This paragraph shall survive the expiration or termination of this Task Order.

IF THE CONSTRUCTION MANAGER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRUCTION MANAGER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS TASK ORDER, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, BRITTANY WINTERS, FACILITIES MANAGEMENT AT (727) 834-3292, EXT. 3919, BWINTERS@PASCOCOUNTYFL.NET 7220 OSTEEN ROAD, NEW PORT RICHEY, FL 34653.

Under Florida law, a Contractor (such as the Construction Manager) who fails to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Task Order and/or the Master Agreement, and may serve as grounds for termination of this Task Order and the Master Agreement accordingly.

Section 11. Nondiscrimination, Equal Employment Opportunity, Americans with Disabilities Act, and E-Verify Program

The Construction Manager shall be responsible for any fines or penalties that may be assessed or imposed on the County as a result of the Construction Manager's non-compliance relating to Work activities performed for this Project.

The Construction Manager warrants and represents that it does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with the Construction Manager's performance under this Task Order on account of race, color, sex, religion, age, handicap, marital status or national origin. The Construction Manager further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Task Order or the Master Agreement.

The Construction Manager shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by the County, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, Construction Manager shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. ADA compliance relating to the design of the facilities included as part of the overall Project shall be the responsibility of the COUNTY's Design Professional. The Construction Manager also has the responsibility to make sure the construction of the facilities complies with the ADA aspects of the design.

A contractor or consultant, like Construction Manager, entering into a contract with a public entity (such as the COUNTY) is required to be registered with the U.S. Department of Homeland Security's E-Verify System and to utilize it to verify the work authorization status of all newly hired employees throughout the term of the Task Order. The contractor or consultant, or Construction Manager, shall also be required to obtain and retain affidavits from all subcontractors or subconsultants utilized during the Task Order verifying that they do not employ, contract with, or subcontract with any unauthorized aliens as that term is defined in 8 U.S.C.S. 1324a(h)(3). The failure to comply with this requirement constitutes grounds for termination of the Task Order and for such other penalties as provided under section 448.095, Fla. Stat.

If a public employer has terminated a contract with a contractor like Construction Manager for failure to comply with the requirements of the paragraph above, the Construction Manager may not be awarded a public contract for at least one year after the date on which the contract was

terminated.

The COUNTY reserves the right to request verification of compliance from its consultants and contractors like Construction Manager during the term of its contract with the COUNTY and for a period of up to five (5) years thereafter. Should a COUNTY-retained consultant, contractor, and/or its subconsultants be found to be non-compliant with E-Verify as part of a federal audit or other inquiry, the consultant, contractor and/or its subconsultant(s), like Construction Manager, will be solely responsible for the payment of any fines or costs imposed upon the county as a result of such non-compliance. Compliance with this section is mandatory for all projects.

Section 12. Independent Contractor

The Construction Manager is engaged as an independent business and agrees to perform Work as an independent contractor. In accordance with the status of an independent contractor, the Construction Manager covenants and agrees that the Construction Manager will conduct business in a manner consistent with that status, that the Construction Manager will not claim to be an officer or employee of the County for any right or privilege applicable to an officer or employee of the County, including, but not limited to: worker's compensation coverage; unemployment insurance benefits; social security coverage; retirement membership, or credit.

The Construction Manager's staff shall not be considered employees of the County, and the Construction Manager alone shall be responsible for their Work, the direction thereof, and their compensation and benefits of any kind. Nothing in the Task Order Documents shall impose any liability or duty on the County on account of the Construction Manager's acts, omissions, liabilities or obligations of those of any person, firm, company, agency association, corporation, or organization engaged by the Construction Manager as a Subcontractor, expert, Construction Manager, independent contractors, specialist, trainee, employee, servant or agent or for taxes of any nature, including, but not limited to: unemployment insurance; worker's compensation and anti-discrimination, or workplace legislation of any kind. The Construction Manager hereby agrees to indemnify and hold harmless the County against any such liabilities, to the extent they arise from actions directed or taken by the Construction Manager. Tax savings afforded to the County for Direct of Materials shall not be applicable to this section 12.

Section 13. Third Party Beneficiaries

Neither the Construction Manager nor the County intends to directly or substantially benefit a third party by this Task Order. Therefore, the parties agree that there are no third-party beneficiaries to this Task Order and that no third party shall be entitled to assert a claim against either of them based upon this Task Order. The parties expressly acknowledge that it is not their intent to create any rights or obligations in any third person or entity under this Task Order.

Section 14. Modification

No modification or amendment to the Task Order shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 15. Successors and Assigns

Subject to other provisions hereof, the Task Order shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Contract.

Section 16. Governing Law

The Task Order shall be interpreted under and its performance governed by the laws of the State of Florida.

Section 17. No Waiver

The failure of the COUNTY to enforce at any time or for any period of time any one or more of the provisions of the Task Order shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 18. Each Party May Avail Itself of All Remedies

Each Party may avail itself of each and every remedy herein specifically given to it now or existing at law or in equity, and each and every such remedy shall be in addition to every other remedy so specifically given or otherwise so existing. The Party's rights and remedies as set forth in the Task Order Documents are not exclusive and are in addition to any other rights and remedies in law or in equity.

Section 19. Funding Availability Clause

Funding for this Task Order is contingent on the availability of County funds and continued authorization for program activities and the Task Order is subject to amendment or termination due to lack of funds, reduction of funds and/or change in regulations, upon thirty (30) days' notice.

Section 20. Entire Task Order Agreement

Each of the parties hereto agrees and represents that the Task Order comprises the full and entire agreement between the parties affecting the Work contemplated for the Project, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Task Order.

Section 21. Severability

Should any provision of the Task Order be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 22. Construction

Unless the context of this Task Order otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof", "herein", "hereunder", and similar terms in this Task Order refer to this Task Order as a whole and not to any particular provision of this Task Order, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Task Order and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Task Order shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

Section 23 Execution in Counterparts/ Effective Date

This Task Order may be executed in counterparts, the sum of which will be considered an original. An electronic copy of a party's signature will also be treated as an original for purposes of this Task Order. The effective date for purposes of this Task Order shall be considered the date on which the COUNTY executes this Task Order.

[THE REST OF THIS PAGE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, the parties have caused this Task Order for RFP-DS-23-076 to be executed by their duly authorized representatives as indicated below.

EXHIBIT A - GENERAL TERMS AND CONDITIONS

1. **INTENT OF TASK ORDER DOCUMENTS**.

It is the intent of the Task Order Documents to describe a functionally complete Project (or portion thereof) to be constructed in accordance with the Task Order Documents. Any work, materials or equipment that may reasonably be inferred from the Task Order Documents as being required to produce the intended result shall be supplied whether or not specifically called for in the Task Order Documents. If the Task Order Documents include words or terms that have a generally accepted technical or industry meaning, then such words or terms shall be interpreted to have such standard meaning unless otherwise expressly noted in the Task Order Documents. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein. Provided, however, in the event the standard specification, manual, code, law or regulation is changed after the GMP Task Order Amendment has been executed by the parties, Construction Manager shall be entitled to a Change Order equitably adjusting the Task Order Amount and/or Contract Time to the extent such change materially impacts the Task Order Time and/or Task Order Amount.

If during the performance of the Work, Construction Manager discovers a conflict, error or discrepancy in the Task Order Documents, Construction Manager immediately shall report same to the COUNTY and the Design Professional in writing, and before proceeding with the Work affected thereby, shall obtain a written interpretation or clarification from Design Professional. Prior to commencing each portion of the Work, Construction Manager shall first take all necessary field measurements and verify the applicable field conditions. After taking such measurements and verifying such conditions, Construction Manager shall carefully compare such measurements and conditions with the requirements of the Task Order Documents, taking into consideration all other relevant information known to Construction Manager, for the purpose of identifying and bringing to the COUNTY's attention all conflicts or discrepancies with the Task Order Documents.

Drawings are intended to show general arrangements, design, and extent of Work, and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Contract Document provisions, Construction Manager shall be required to comply with the provision which is the more restrictive or stringent requirement upon Construction Manager, as determined by the COUNTY. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Task Order Documents.

2. INVESTIGATION AND UTILITIES.

2.1 Construction Manager shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following and subject to Section herein: those affecting transportation, access, legal disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Construction Manager to acquaint itself with any applicable conditions shall not relieve Construction Manager from any of its responsibilities to perform under the Task Order Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Construction Manager shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Construction Manager shall contact the COUNTYs of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Construction Manager shall schedule and coordinate its Work around any such relocation or temporary service interruption. Construction Manager shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

2.3 During the performance of the Work, Construction Manager or any subcontractor, sub-subcontractor, agent, employee or anyone else for whom Construction Manager is legally liable, causes a disruption to any Utilities service to other facilities or customers within the Project area, Construction Manager shall take all actions necessary and required to immediately restore such Utilities service. If Construction Manager fails to take such immediate actions the COUNTY shall have the right to take whatever actions it deems necessary and required to immediately restore the disrupted services, and all costs incurred by the COUNTY as a result thereof shall be reimbursed to the COUNTY by Construction Manager within five (5) business days of written demand for same from the COUNTY.

3. SCHEDULE.

3.1 The Construction Manager shall prepare and provide the various schedules set forth in Exhibit B to the Task Order.

3.2 The Project Schedule shall be updated by Construction Manager as often as is specified in Exhibit B, Paragraph B, 3.1.1 to the Task Order. The Master Project Schedule and all updates to it shall be subject to the COUNTY's and Design Professional's review and comment.

4. PROGRESS PAYMENTS.

4.1 Construction Manager's monthly Applications for Payment shall be in such form and contain such detail and backup as the COUNTY reasonably may require. Such detail and backup shall include documentation of actual payments made.

4.2 At the time it submits its GMP proposal to the COUNTY, Construction Manager also shall submit to the COUNTY and Design Professional, for their review, a Schedule of Values based upon the GMP proposal. The Schedule of Values will be based on the major items of work. The Schedule of Values will be structured so that the costs of the major items of work can be allocated to the various elements of work. The Schedule of Values will be attached to the GMP Task Order Amendment and shall be used as the basis for Construction Manager's monthly Applications for Payment thereafter. The Schedule of Values shall be updated for the current month Change Orders and Construction Change Directives and submitted each month to Design Professional and the COUNTY along with a completed and notarized copy of the Application for Payment form attached to the Task Order as Exhibit G.

4.3 If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the COUNTY has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect the COUNTY's interest therein, all of which shall be subject to the COUNTY's satisfaction.

4.4 Construction Manager shall submit two (2) notarized original copies of its monthly Application for Payment to the COUNTY, or Design Professional as directed by the COUNTY, on a monthly basis. The period covered by each Application for Payment shall be one calendar month ending on the last day of the month. Within seven (7) calendar days after receipt of each Application for Payment, Design Professional shall, upon request or as directed by the COUNTY, submit to the COUNTY a Certificate for Payment in the amount recommended by Design Professional as being due and owing Construction Manager. The COUNTY shall pay Construction Manager that portion of Design Professional's Certificate for Payment which the COUNTY approves as being due and owing Construction Manager within twenty (20) calendar days of the COUNTY's approval of same. Otherwise, if the COUNTY does not request or direct that Design Professional submit a Certificate for Payment to the COUNTY, within seven (7) calendar days after receipt of each Application for Payment, the COUNTY will issue a Certificate of Payment in the amount due and owing Construction Manager and pay the Construction Manager within twenty (20) calendar days of issuance of the Certificate of Payment.

4.5 In accordance with sections 255.077 and 255.078, Florida Statutes, retainage in the amount of 5% will be withheld from each monthly payment made to Construction Manager. Upon completion of all items on the list of completion as defined by section 255.077, Florida Statutes, Construction Manager may submit a payment request for all remaining retainage withheld by the COUNTY.

4.6 Monthly payments to Construction Manager shall in no way imply approval or acceptance of

Construction Manager's work.

4.7 Each Application for Payment shall be accompanied by a Release and Affidavit, in the form attached to the Task Order as Exhibit F, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested on have been paid in full through the previous month's Application for Payment. the COUNTY shall not be required to make payment until and unless these affidavits are furnished by Construction Manager. Further, if Construction Manager is withholding any portion of a payment to any subcontractor for any labor, services, or materials for which the COUNTY has paid Construction Manager, Construction Manager agrees to refund such money to the COUNTY.

5. PAYMENTS WITHHELD.

5.1 Design Professional may, upon request or as directed by the COUNTY, review each Application for Payment submitted by Construction Manager and shall make recommendations to the COUNTY as to the proper amounts, if any, which may be owed Construction Manager under the Application for Payment. If requested or directed by the COUNTY to review such a payment request, Design Professional's payment recommendation shall be evidenced by a Certificate for Payment issued by Design Professional to the COUNTY. All Certificates for Payment are subject to the COUNTY's review and approval. Both Design Professional and the COUNTY shall have the right to refuse to certify or approve for payment any amounts, or portions thereof, requested by Construction Manager in an Application for Payment, or rescind any amount previously certified and approved in a Certificate for Payment, and the COUNTY may withhold any payments otherwise due Construction Manager under this Task Order, to the extent it is reasonably necessary, to protect the COUNTY from any expense, cost or loss attributable to: (a) defective or deficient Work not properly remedied in accordance with the terms of the Task Order Documents; (b) the filing or reasonable evidence indicating the probable filing of third party claims against the COUNTY attributable to the negligence of Construction Manager; (c) Construction Manager's failure to make timely and proper payments to all subcontractors and suppliers; (d) reasonable evidence that the remaining Work cannot be completed for the unpaid Contract Amount balance; (e) reasonable evidence indicating that the remaining Work cannot be completed within the remaining Contract Time; (f) Construction Manager's failure to satisfactorily prosecute the Work in accordance with the requirements of the Task Order Documents; or (g) any other material breach of the requirements of the Task Order Documents by Construction Manager. the COUNTY shall have the right, but not the obligation, to take any corrective action the COUNTY deems appropriate to cure any of the above noted items, at Construction Manager's expense, if Construction Manager has not started with a cure, to the COUNTY's reasonable satisfaction, of any of the above noted items within five (5) working days after Construction Manager's receipt of written notice from the COUNTY.

6. FINAL PAYMENT.

6.1 The COUNTY shall make final payment to Construction Manager in accordance with the Florida Prompt Payment Act, provided the Work is finally accepted by the COUNTY in accordance with Paragraph 24.2 herein, and provided that Construction Manager first, and as an explicit condition precedent to the accrual of Construction Manager's right to final payment, shall have

furnished the COUNTY with a properly executed and notarized final release (conditioned only upon receipt of final payment) in the form of the Release and Affidavit attached to the Task Order as Exhibit F, as well as a duly executed copy of the surety's consent to final payment and such other documentation that may be required by the Task Order Documents or the COUNTY. Construction Manager's acceptance of final payment shall constitute a full waiver of any and all claims by Construction Manager against the COUNTY arising out of this Task Order or otherwise relating to the Project, except those identified in writing by Construction Manager as unsettled in the final Application for Payment. Neither the acceptance of the Work nor payment by the COUNTY shall be deemed to be a waiver of the COUNTY's right to enforce any obligations of Construction Manager hereunder or to the recovery of damages for defective Work not discovered by the COUNTY or Design Professional at the time of final inspection.

6.2 The Task Order will be considered complete when all Work has been completed and accepted by the County. The Construction Manager will then be released from further obligation except as set forth in Paragraph 25, Warranty.

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Construction Manager shall carefully examine the Task Order Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Construction Manager shall submit all such materials in such form and manner as required by the Task Order Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof. The Construction Manager shall also carefully review and certify for accuracy and completeness all shop drawings and other submittals and then forward the same to the Design Professional for review and action. Within fourteen (14) days, the Design Professional will transmit them back to the Construction Manager who will then issue the submittals to the affected subcontractor for fabrication or revision. The Construction Manager shall maintain a suspense control system to promote the expeditious handling of shop drawings and all other submittals. The Construction Manager shall request the Design Professional to make interpretations of the drawings or specifications requested of it by the subcontractors. The Construction Manager shall advise the Design Professional in writing which submittals or requests for clarification have the greatest urgency; the purpose being to enable the Design Professional to prioritize requests coming from the Construction Manager. The Construction Manager shall advise the COUNTY and Design Professional in writing when timely response is not occurring on any of the above.

7.2 Whenever materials or equipment are specified or described in the Task Order Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of other suppliers may be accepted by the COUNTY and Design Professional if sufficient information is submitted by Construction Manager to allow the COUNTY and Design Professional to determine that the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by the COUNTY from anyone other than Construction Manager. All such requests, to the extent possible, should be submitted by Construction

Manager to Design Professional prior to the setting of the GMP.

7.3 If Construction Manager wishes to furnish or use a substitute item of material or equipment, Construction Manager shall make application to the COUNTY and the Design Professional for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Construction Manager's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Task Order Documents (or in the provisions of any other direct contract with the COUNTY for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the COUNTY and the Design Professional in evaluating the proposed substitute. The COUNTY and the Design Professional may require Construction Manager to furnish at Construction Manager's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by Contract Documents, Construction Manager may furnish or utilize a substitute means, method, technique, sequence or procedure of construction acceptable to the COUNTY and the Design Professional, if Construction Manager submits sufficient information to allow the COUNTY and the Design Professional to determine that the substitute proposed is equivalent to that indicated or required by the Task Order Documents. The procedures for submission to and review by the COUNTY and the Design Professional shall be the same as those provided herein for substitute materials and equipment.

7.5 The COUNTY and the Design Professional shall be allowed a reasonable time within which to evaluate each proposed substitute. Design Professional and the COUNTY shall be the sole judges of the acceptability of any substitute. No substitute shall be ordered, installed or utilized without the COUNTY's and Design Professional's prior written acceptance which shall be evidenced by either a Change Order or an approved submittal. The COUNTY may require Construction Manager to furnish at Construction Manager's expense a special performance guarantee or other surety with respect to any substitute. The cost of such guarantee would be reimbursable from the Construction Manager's Contingency funds, provided that this cost is presented with the proposed substitute. If the COUNTY rejects the proposed substitute, at the COUNTY's discretion, the COUNTY may require Construction Manager to reimburse the COUNTY for the charges of Design Professional and Design Professional's consultants for evaluating the proposed substitute.

8. PRE-CONSTRUCTION PHASE SERVICES.

8.1 As applicable, Construction Manager shall provide the following review and commentary services, in addition to any other Pre-Construction Phase Services required by the terms of this Task

Order:

8.2 Review, Recommendations and Warranty: The Construction Manager shall familiarize itself thoroughly with all aspects of the plans and specifications for the Project. If applicable, the Construction Manager shall make recommendations with respect to the selection of systems and materials, and cost-reducing alternatives including assistance to the Design Professional and the COUNTY in evaluating alternative comparisons versus long term cost effects. The evaluation shall address the benefits of the speed of erection and early completion of the Work. The Construction Manager shall furnish pertinent information as to the availability of materials and labor that will be required. The Construction Manager shall submit to the COUNTY and Design Professional such comments as may be appropriate concerning construction feasibility and practicality. The Construction Manager shall call to the COUNTY's and the Design Professional's attention any defects in the design, drawings and specifications or other documents of which it is aware.

83 Review Reports: If applicable, within twenty-one (21) days after receiving the documents produced by the Design Professional, the Construction Manager shall perform a specific review thereof, focused upon factors of a nature encompassed in Paragraph above and on factors set out in Paragraphs 8.4 and 8.5 below. Within the same twenty one (21) day period, the Construction Manager shall submit to the COUNTY, with copies to the Design Professional, a written report covering suggestions or recommendations previously submitted, additional suggestions or recommendations as the Construction Manager may deem appropriate, and all actions taken by the Design Professional with respect to same, any comments the Construction Manager may deem to be appropriate with respect to separating the Work into separate subcontracts, alternative materials, and any other appropriate or required comments.

AS APPLICABLE, AT THE TIME THE GMP IS MUTUALLY ESTABLISHED, EXCEPT ONLY AS TO SPECIFIC MATTERS AS MAY BE IDENTIFIED IN THE GMP TASK ORDER AMENDMENT, THE CONSTRUCTION MANAGER SHALL BE DEEMED TO HAVE WARRANTED TO THE COUNTY, WITHOUT ASSUMING ANY ARCHITECTURAL OR ENGINEERING RESPONSIBILITY, THAT THE CONSTRUCTION DOCUMENTS ARE CONSISTENT WITH EACH OTHER, PRACTICAL, FEASIBLE AND CONSTRUCTABLE. FURTHER, THE CONSTRUCTION MANAGER SHALL BE DEEMED TO HAVE WARRANTED TO THE COUNTY THAT THE WORK DESCRIBED IN THE CONSTRUCTION DOCUMENTS FOR THE VARIOUS BIDDING PACKAGES IS CONSTRUCTABLE WITHIN THE TASK ORDER TIME.

8.4 Long Lead Procurement: If applicable, the Construction Manager shall review the Project design for the purpose of identifying long lead procurement items (machinery, equipment, materials and supplies) and consult with Design Professional concerning same. When each item is identified, the Construction Manager shall notify the subcontractors, the COUNTY and the Design Professional of the required procurement and schedule. Such information shall be included in the bid documents and made a part of all affected subcontracts. The Construction Manager shall keep itself informed of the progress of the respective subcontractors or suppliers, manufacturing or fabricating such items, and advise the COUNTY and Design Professional of any problems or possible delays in delivery. As part of the Pre-Construction Phase, the Construction Manager shall also identify material or equipment which can be purchased directly by the COUNTY as a tax-exempt sale as a cost saving

measure.

8.5 Interfacing

8.5.1 If applicable, the Construction Manager shall take such measures as are appropriate to provide that all construction requirements will be covered in the separate procurement of long lead items, the separate construction subcontractors and the general conditions items without duplication or overlap and sequenced to maintain completion of all Work on schedule. Particular attention shall be given to provide that each bid package clearly identifies the Work included in that particular separate subcontract, its schedule for start and completion and its relationship to the other separate subcontractors.

8.6 Without assuming any design responsibilities of the Design Professional, the Construction Manager shall include in the reports required under Paragraph 8.1 above, comments on overlap with any other separate subcontracts, omissions, lack of correlation between drawings, and any other deficiencies noted, in order that the Design Professional may arrange for necessary corrections.

9. CONSTRUCTION PHASE SERVICES.

Construction Manager shall provide the following services in addition to any other Construction Phase Services required by the terms of this Task Order:

9.1 The Construction Manager shall arrange for all job-site facilities as required by the COUNTY and necessary to enable the Construction Manager and Design Professional to perform their respective duties and to accommodate any representatives of the COUNTY which the COUNTY may choose to have present on the job, the description of such facilities to be finalized prior to the establishment of the GMP.

9.1.1 Tangible personal property, otherwise referred to as job- site facilities, include, but are not limited to such things as trailers, toilets, typewriters, computers and any other equipment necessary to carry on the Work.

9.1.2 For all such job-site facilities purchased, which may become the property of the COUNTY at the conclusion of the Work, the Construction Manager shall maintain ownership responsibilities of such facilities until final acceptance of the Work.

9.2 The Construction Manager is responsible for proper care and maintenance of all equipment while in its control. The Construction Manager's administration of the Work shall include the following:

9.2.1 Maintain a log of daily activities, including manpower records, weather, delays, major decisions, etc.

9.2.2 Maintain a roster of companies on the Project with names and telephone numbers of

key personnel.

9.2.3 Establish and enforce job rules governing parking, clean-up, use of facilities and worker discipline.

9.2.4 Provide labor relations management for a harmonious, productive Project.

9.2.5 The Construction Manager also shall provide job site administration functions during construction to assure proper documentation, including but not limited to the following:

9.2.6 Job Meetings:
Conduct a preconstruction conference with each subcontractor after award of the subcontract and prior to the start of its portion of the Work. Hold weekly progress and coordination meetings, or more frequently if required by Work progress, to provide for the timely completion of the Work. In addition, Construction Manager shall arrange and conduct regular monthly Project status meetings with the Design Professional and the COUNTY.

9.2.7 Construction Manager shall use the job site meetings as a tool for the preplanning of Work and enforcing schedules, and for establishing procedures, responsibilities, and identification of authority for all parties to clearly understand. During these meetings, Construction Manager shall identify the party or parties responsible for following up on any problems, delay items or questions, and Construction Manager shall note the action to be taken by such party or parties. Construction Manager shall revisit each pending item at each subsequent meeting until resolution is achieved. Construction Manager shall attempt to obtain from all present any problems or delaying event known to them for appropriate attention and resolution.

9.2.8 Shop Drawing Submittals: Provide staff to coordinate the review and processing of shop drawings and substitution request supplied by the subcontractor with the Design Professional. Maintain a complete log of all submittal of shop drawings, noting the dates of first submittal and subsequent reviews, re-submittals, and approvals. The Design Professional will review and approve shop drawings and substitution request for substantial conformance with the design concept of the project.

9.2.9 Material and Equipment Expediting: Provide staff to closely monitor material and equipment deliveries, check and follow-up on supplier commitments for all subcontractors and maintain a material and equipment expediting log.

9.2.10 Payments to Subcontractors: Develop and implement a procedure for the review, processing and payment of applications by subcontractors for progress and final payments.

9.2.11 Document Interpretation: Refer all questions for interpretation of the Task Order

Documents to the Design Professional in writing.

9.2.12 Reports and Project Site Documents: Record the progress of the Work. Submit written progress reports to the COUNTY and the Design Professional, including information on subcontractors' Work, and the percentage of completion. Keep a daily log available to the COUNTY, the Design Professional, and any permitting authority inspectors.

9.2.13 Subcontractors Progress: Prepare periodic punch lists for subcontractors' work including unsatisfactory or incomplete items and schedules for their completion.

9.2.14 Substantial Completion: Pursuant to the provisions of Paragraph 23.1 of these General Terms and Conditions, ascertain when the Work or designated portions thereof are ready for the Design Professional's Substantial Completion inspections. From the punch lists of incomplete or unsatisfactory items prepared by Construction Manager and reviewed and supplemented by Design Professional, prepare a schedule for their completion indicating completion dates for the COUNTY's review.

9.2.15 Final Completion: Monitor the subcontractors' performance on the completion of the Work and provide notice to the COUNTY and Design Professional when the Work is ready for final inspection. Secure, review and certify compliance with the Task Order Documents, then transmit to the COUNTY, through the Design Professional, all required guarantees, warranties, affidavits, releases, bonds, waivers, manuals, record drawings, and maintenance books.

9.2.16 Start-Up: With the COUNTY's personnel, direct the check-out of utilities, operations, systems and equipment for readiness and assist in their initial start-up and testing by the subcontractors.

9.2.17 Record Drawings: Pursuant to the terms of Paragraph 10.2 hereafter, the Construction Manager shall monitor the progress of its own forces and its subcontractors on marked up field prints which shall be developed by Construction Manager into the final record drawings.

9.3 The Construction Manager shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

9.3.1 Subcontracts and Purchase Orders
9.3.2 Subcontractor Licenses
9.3.3 Shop Drawing Submittal/Approval Logs
9.3.4 Equipment Purchase/Delivery Logs
9.3.5 Contract Drawings and Specifications with Addenda
9.3.6 Warranties and Guarantees
9.3.7 Cost Accounting Records

9.3.8 Labor Costs
9.3.9 Material Costs
9.3.10 Equipment Costs
9.3.11 Cost Proposal Request
9.3.12 Payment Request Records
9.3.13 Meeting Minutes
9.3.14 Cost-Estimates
9.3.15 Bulletin Quotations
9.3.16 Lab Test Reports
9.3.17 Insurance Certificates and Bonds
9.3.18 Contract Changes
9.3.19 Permits
9.3.20 Material Purchase Delivery Logs
9.3.21 Technical Standards
9.3.22 Design Handbooks
9.3.23 "As-Built" Marked Prints
9.3.24 Operating & Maintenance Instruction
9.3.25 Daily Progress Reports
9.3.26 Monthly Progress Reports
9.3.27 Correspondence Files
9.3.28 Transmittal Records
9.3.29 Inspection Reports
9.3.30 Subcontractor Selection Information
9.3.31 Subcontractor Negotiations
9.3.32 Punch Lists
9.3.33 PMIS Schedule and Updates
9.3.34 Suspense (Tickler) Files of Outstanding Requirements
9.3.35 Policy and Procedure Manual

The Project files and records shall be available at all times to the COUNTY and Design Professional or their designees for reference, review, or copying.

9.4 The Construction Manager shall provide the following services with respect to the Work, to facilitate the smooth, successful and timely occupancy of the Project by COUNTY:

9.4.1 The Construction Manager shall provide consultation and project management to facilitate COUNTY's occupancy of the Project and provide transitional services to place the Work "online" in such conditions as will satisfy the COUNTY's operations requirements. The services include the Construction Manager's coordination of the delivery of the COUNTY supplied furniture, fixtures and equipment for the Project.

9.4.2 The Construction Manager shall catalog operational and maintenance requirements of equipment to be operated by maintenance personnel and convey these to the COUNTY in such a manner as to promote their usability. The Construction Manager shall provide the COUNTY's operations and maintenance personnel with operations and maintenance training

with respect to the equipment and systems being provided as part of the Work. This training may be videotaped by the COUNTY for subsequent presentation to the COUNTY's operations and maintenance personnel.

9.4.3 The Construction Manager shall secure required guarantees and warranties and shall assemble and deliver same to the COUNTY in the manner required by the COUNTY.

9.4.4 Construction Manager shall be responsible for material and equipment shipment, handling, inspection, storage, and protection (including any required maintenance) during the execution of the Work within each Phase, until each Partial Substantial Completion is reached, respectively.

10. DAILY REPORTS, RECORD CONTRACT DOCUMENTS, AND MEETINGS.

Construction Manager shall prepare, maintain, and submit to Design Professional and the COUNTY, for their review and approval, the various logs, reports, and schedules set forth in Exhibit B to the Task Order. The Construction Manager's complete performance of its obligation to prepare, maintain and submit those logs, reports, and schedules is a condition precedent to the COUNTY's obligation hereunder to make payments of the Construction Manager's Fee to Construction Manager. These logs, reports and schedules shall not constitute nor take the place of any notice required to be given by Construction Manager to the COUNTY or Design Professional pursuant to the Task Order Documents.

10.1 Construction Manager shall maintain in a safe place at the Project site one record copy and one permit set of the Task Order Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Construction Change Directive and Field Orders, as well as all written interpretations and clarifications issued by Design Professional, in good order and annotated to show all changes made during construction. The record Task Order Documents shall be updated by Construction Manager throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Construction Change Directive and Field Orders, and all concealed and buried installations of piping, conduit and utility services. Construction Manager shall certify the accuracy of the updated record Contract Documents. As a condition precedent to the COUNTY's obligation to pay the Construction Manager's Fee, Construction Manager shall provide evidence, satisfactory to the COUNTY and Design Professional, that Construction Manager is fulfilling its obligation to update the record Task Order Documents. All buried and concealed items, within the Project site, shall be accurately located on the record Task Order Documents as to depth and in relationship to not less than two (2) permanent features. The record Task Order Documents shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in red. The record Task Order Documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to the COUNTY and Design Professional for reference. Upon completion of the Work and as a condition precedent to Construction Manager's entitlement to final payment, the record Task Order Documents, samples and shop drawings shall be delivered to Design Professional by

Construction Manager for the COUNTY.

10.2 Construction Manager shall advise the COUNTY, its representatives, and Design Professional of their requested or required participation in any meeting or inspection giving each at least one calendar week's written notice unless such notice is made impossible by conditions beyond the Construction Manager's fault and control, in which case at least 48 hours' prior written notice must be given.

11. TASK ORDER TIME AND TIME EXTENSIONS.

11.1 Construction Manager shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Construction Manager or anyone for whom the Construction Manager is liable. Unless expressly noted otherwise in the Task Order Documents, the Construction Manager shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Task Order Documents, and the coordination of the COUNTY's suppliers and contractors as set forth in Section 15 herein.

11.2 Should the Construction Manager be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Construction Manager, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, pandemics, quarantine regulation, strikes, lockouts, utility work being performed within the project limits by local government agencies, or by, unusually severe weather conditions by comparison with the ten-year Pasco County, Florida, average not reasonably anticipatable, Construction Manager shall be entitled to an extension of time only provided that it shall notify the COUNTY and the Design Professional in writing within seven (7) calendar days after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which the Construction Manager may have had to request a time extension.

11.3 If the Construction Manager encounters on the Project site any materials reasonably believed by the Construction Manager to be petroleum or petroleum-related products or other hazardous or toxic substances which have not been rendered harmless, the Construction Manager immediately shall (i) stop Work in the area affected and (ii) report the condition to the COUNTY in writing. If the Work is so stopped and hazardous material is found, the Work in the affected area shall not thereafter be resumed except by Change Order. Any such Change Order shall include, but not be limited to, an adjustment to the Task Order Time as appropriate. If no hazardous material is found after the Work is stopped, no Change Order is required to resume the Work in the affected area. Further, if the hazardous material was generated or caused by the Construction Manager or any of its employees, agents, subcontractors, or material suppliers, no Change Order will be required for an adjustment in the Task Order Time and Construction Manager shall indemnify and defend the COUNTY and hold the COUNTY harmless for any costs incurred by the COUNTY with respect to such hazardous material.

11.4 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which the COUNTY and Design Professional may be responsible, in whole or in part, shall relieve Construction Manager of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. Construction Manager expressly acknowledges and agrees that it shall receive no damages for concurrent delays. Construction Manager's sole remedy, if any, against the COUNTY for any concurrent delays will be the right to seek an extension to the Task Order Time. Notwithstanding the foregoing, if the Work is delayed due to the fault or neglect of the COUNTY or anyone for whom the COUNTY is liable, including Design Professional, for a cumulative period of more than thirty (30) days over the life of the Project, Construction Manager shall be entitled to its reasonably direct costs associated with said delay as well as an extension of the Task Order Time from the COUNTY. In no event shall either party be liable whether in contract, warranty, tort (including negligence or strict liability) or otherwise for any acceleration (unless otherwise directed in writing by COUNTY), soft costs, lost profits, special, indirect, incidental, or consequential damages of any kind or nature whatsoever.

12. CHANGES IN THE WORK.

12.1 The COUNTY shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, but in no event more than fourteen (14) days after its receipt of such notification (unless the COUNTY has agreed in writing to a longer period of time), the Construction Manager shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or for minor changes ordered by the COUNTY or the Design Professional, no addition or changes to the Work shall be made except upon written order of the COUNTY, and the COUNTY shall not be liable to the Construction Manager for any increased compensation or adjustment to the Task Order Time without such written order. No officer, employee, or agent of the COUNTY is authorized to direct any extra or changed work orally.

12.2 A Change Order, in the form attached as Exhibit H to the Task Order, shall be prepared by the Construction Manager, reviewed by the Design Professional if requested by the COUNTY and the COUNTY, and executed promptly by the parties after an agreement is reached between the Construction Manager and the COUNTY concerning the requested changes. The Construction Manager shall promptly perform changes authorized by duly executed Change Orders. The Task Order Amount and Task Order Time shall be adjusted in the Change Order in the manner as the COUNTY and the Construction Manager shall mutually agree.

12.3 If the COUNTY and the Construction Manager are unable to agree on a Change Order for the requested change, the Construction Manager shall, nevertheless, promptly perform the change as directed by the COUNTY in a written Construction Change Directive. In that event, the Task Order Amount and Task Order Time shall be adjusted as directed by the

COUNTY. If the Construction Manager disagrees with the COUNTY's adjustment determination, Construction Manager must make a claim pursuant to Section 14 of these General Conditions or else be deemed to have waived any claim it might otherwise have had on that matter.

12.4 In the event a requested change is approved by the COUNTY which results in either an increase or decrease to the Task Order Amount, a Change Order shall be issued which increases or decreases the GMP by the amount of Construction Manager's actual and reasonable direct Cost of the Work. The Construction Manager shall be entitled to receive an increase in the amount of fifteen percent (15%) of the change in the Cost of the Work for compensation for General Conditions (which includes insurance and bond cost), and additional Task Order Time when the Scope of Work is increased or extended in accordance with the Change Order process. The Construction Manager's compensation for General Conditions and Task Order Time shall be reduced when the Scope of Work is decreased in accordance with the Change Order process so as to result in an actual reduction of General Conditions costs. The Construction Manager shall provide written documentation justifying a change in compensation and time to the COUNTY within thirty (30) days of the occurrence of the event, giving rise to such request.

12.5 The COUNTY shall have the right to conduct an audit of Construction Manager's books and records, as well as those of its subcontractors and suppliers, to verify the accuracy of Construction Manager's claim with respect to Construction Manager's costs associated with any Change Order or Construction Change Directive.

12.6 With the concurrence of the COUNTY, Design Professional may direct Construction Manager to make nonmaterial changes to the Work, so long as such changes do not require or result in any adjustment to the Task Order Amount, Task Order Time or Project quality, and are generally within the scope of the Work. All such changes must be evidenced by a written order from Design Professional to Construction Manager, with a copy to the COUNTY. Construction Manager shall comply with all such orders.

12.7 The Construction Manager shall have a Direct Purchase program in place that the COUNTY can utilize at its convenience during the duration of the Project. In the event COUNTY elects to make any purchases of materials directly (Direct Purchases) which currently reside within the GMP, the parties shall execute a Change Order deducting said amount, plus any applicable sales tax paid by COUNTY from the GMP, but hereby expressly agree that in no way shall said Change Order result in any decrease of Construction Manager's Fee or General Conditions Costs.

13. CHANGED CONDITIONS

13. 1 Notwithstanding anything in the Task Order Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Task Order Documents or (ii)unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the

character provided for in the Task Order Documents, and which reasonably should not have been discovered by the Construction Manager as part of its scope of site investigative services required pursuant to the terms of the Task Order Documents, then the Construction Manager shall provide the COUNTY with prompt written notice thereof before conditions are disturbed and in no event later than seven (7) calendar days after first observance of such conditions. the COUNTY and the Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in the Construction Manager's cost of, or time required for, performance of any part of the Work, the COUNTY will acknowledge and agree to an equitable adjustment to the Task Order Amount or Task Order Time, or both, for such Work. If the COUNTY determines that the conditions at the site are not materially different from those indicated in the Task Order Document or not of an unusual nature or should have been discovered by the Construction Manager as part of its investigative services, and that no change in the terms of the Task Order is justified, the COUNTY shall so notify Construction Manager in writing, stating its reasons. Claims by Construction Manager in opposition to such determination by the COUNTY must be made within seven (7) calendar days after Construction Manager's receipt of the COUNTY's written determination notice. If the COUNTY and Construction Manager cannot agree on an adjustment to the Task Order Amount or Task Order Time, the parties shall comply with the dispute resolution procedure set forth in the Task Order Documents.

14. CLAIMS AND DISPUTES.

14.1 The term "Claim" as used herein shall mean any and all demands made by one party hereunder against the other party, whether such demand be for money, time or the assertion of any right or obligation that arises out of the Task Order Documents.

14.2 Initial notice of Claims by Construction Manager shall be made in writing to the COUNTY within seven (7) calendar days after the first day of the event giving rise to such Claim or else Construction Manager shall be deemed to have waived the Claim. Written supporting data shall be submitted to the COUNTY within thirty (30) calendar days after the occurrence of the event, unless the COUNTY grants additional time in writing, or else Construction Manager shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Paragraph 12.4 hereof.

14.3 Construction Manager shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending Claim, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments in accordance with the Task Order Documents during the pendency of any Claim.

14.4 Prior to the initiation of any action or proceeding permitted by this Task Order to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. As a condition precedent to the initiation by the Construction Manager of any claim against the County through administrative proceedings or in arbitration, or to the filing of any action in law or equity against the County, the Construction Manager shall, at least sixty (60) days in advance

thereof, provide Notice to the County of its intent to pursue said claim, and for a period not less than fifteen (15) days during the first (45) days following the date of the Notice, deliver to the at the Office of the County Attorney in New Port Richey, Florida, for inspection and copying, the original books and records in the possession or control of the Construction Manager which may be related, directly or indirectly to the claim or action, regardless of whether the COUNTY has affirmatively and expressly requested the same. The COUNTY reserves the right to request additional documentation relating to the claim or action based on its review of the books or records produced. In lieu of delivering the original books and records, the Construction Manager may, at its own expense, deliver to said Office of the County Attorney complete and legible photocopies of all such original books and records within thirty (30) days of the date of the Notice, however, nothing herein shall be construed to curtail the rights of the County to, *inter alia*, inspection and copying under the Public Records Law provision of this Task Order.

14.5 Failing resolution, and prior to the commencement of depositions in any litigation between the parties with respect to the Project, the parties shall attempt to resolve the dispute through mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The costs of the mediation shall be equally divided between the COUNTY and the Construction Manager. Should either party fail to submit to mediation as required hereunder, the other party may request a court of law to order mediation under Florida Statutes Section 44.102.

14.6 This Task Order shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any litigation between the COUNTY and Construction Manager (which term for the purposes of this subparagraph shall include the Construction Manager's surety), whether arising out of any Claim or arising out of the Task Order or any breach thereof, shall be brought, maintained and pursued only in the appropriate State courts of the State of Florida; and the COUNTY and the Construction Manager each hereby waive and renounce any and all rights and options which they, or either of them, have or might have to bring or maintain any such litigation or action in the Federal Court system of the United States or in any United States Federal District Court. Venue of any such litigation between the COUNTY and Construction Manager shall lie and be only in the appropriate State courts of the State of Florida's Sixth Judicial Circuit in and for Pasco County, Florida (West Pasco Judicial Center) and the United States District Court in and for the Middle District of Florida – Tampa Division (Federal court matters). Construction Manager consents and submits to the jurisdiction of any such court and agrees to accept service of process from the State of Florida in any matter to be submitted to any such court.

14.7 In consideration of the Construction Manager's waiver of its right to claim Consequential Damages from the COUNTY other than those specifically provided for under Section 11.4 of Exhibit A of the Task Order, the COUNTY agrees that, specifically liquidated damages claims, this Task Order, the Construction Manager's liability for Consequential Damages shall not exceed One Million Dollars ($1,000,000.00). Consequential Damages includes, but is not limited to, special damages for rental expenses, loss of use, income, profit, financing, business and reputation, loss of management or employee productivity, losses of financing and business reputation.

15. OTHER WORK.

15.1 The COUNTY may perform other work related to the Project at the site by the COUNTY's own forces, have other work performed by a utility authorized by the COUNTY or let other direct contracts. If the fact that such other work is to be performed is not noted in the Task Order Documents, written notice thereof will be given to Construction Manager prior to starting any such other work. If Construction Manager believes that such performance will involve additional expense to Construction Manager or require additional time, Construction Manager shall send written notice of that fact to the COUNTY and Design Professional within seven (7) calendar days of being notified of the other work. If Construction Manager fails to send the above required seven (7) calendar days' notice, Construction Manager will be deemed to have waived any rights it otherwise may have had to seek an extension to the Task Order Time or adjustment to the Task Order Amount.

15.2 Construction Manager shall afford each utility the COUNTY authorizes and other contractor who is a party to such a direct contract with the COUNTY (or the COUNTY, if the COUNTY is performing the additional work with the COUNTY's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Construction Manager shall be responsible for all damage to the work of others caused by the performance of its Work. Further, Construction Manager shall not in any way cut or alter the work of others without first receiving the written consent of that other person and the COUNTY.

15.3 If any part of Construction Manager's Work depends for proper execution or results upon the work of any other contractor or utility owner (or the COUNTY), Construction Manager shall inspect and promptly report to the COUNTY in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Such report must be made within seven (7) calendar days of the time Construction Manager first became aware of the delay, defect or deficiency or by the scheduled commencement of Construction Manager's dependent Work, whichever occurs first. Construction Manager's failure to report within the allotted time will constitute an acceptance of the other work as fit and proper for integration with Construction Manager's Work.

16. INSURANCE.

16.1 During the term of this Task Order Construction Manager shall provide, pay for, and maintain, with companies satisfactory to the COUNTY, the types of insurance described herein. All insurance shall be from responsible companies duly authorized to do business in the State of Florida. Simultaneously with the execution and delivery of this Task Order by Construction Manager, Construction Manager has delivered to the COUNTY properly executed Certificates of Insurance (on the modified ACCORD form attached as Exhibit M to the Task Order) evidencing the fact that Construction Manager has acquired and put in place the insurance coverages and limits required hereunder. In addition, certified, true and exact copies of all insurance policies required may be reviewed by the COUNTY, on a timely

basis, if requested by the COUNTY. These Certificates and policies shall contain provisions that thirty (30) calendar days written notice shall be given the COUNTY of any cancellation, or intent not to renew. Construction Manager shall also notify the COUNTY, in a like manner, within two (2) calendar days after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverages or limits received by Construction Manager from its insurer, and nothing contained herein shall relieve Construction Manager of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by it hereunder, Construction Manager shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy. All insurance coverages of Construction Manager shall be primary to any insurance or self-insurance program carried by the COUNTY.

16.2 All insurance policies required by this Task Order shall include the following provisions and conditions by endorsement to the policies:

16.2.1 The term "County Commissioners of Pasco County Florida" shall include the Board of County Commissioners of Pasco County, a political subdivision of the State of Florida and all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and offices thereof and individual members and employees thereof in their official capacity, and/or while acting on behalf of Pasco County.

16.2.2 All insurance policies, other than the Professional Liability policy and the Workers Compensation policy, provided by Construction Manager to meet the requirements of the Master Agreement and this Task Order shall name the County Commissioners of Pasco County, Florida, as that name is defined in subparagraph 16.2.1, above, as an additional insured as to the operations of Construction Manager under the Task Order Documents and shall contain a severability of interests provision. Such policies shall also list the COUNTY as a certificate holder.

16.2.3 Companies issuing the insurance policy or policies shall have no recourse against the COUNTY for payment of premiums or assessments for any deductibles which all are at the sole responsibility and risk of Construction Manager.

16.2.4 All insurance coverages of Construction Manager shall be primary to any insurance or self-insurance program carried by the COUNTY applicable to this Task Order, and the "Other Insurance" provisions of any policies obtained by Construction Manager shall not apply to any insurance or self-insurance program carried by the COUNTY applicable to this Task Order, provided the COUNTY has modified their coverage on an excess basis.

16.2.5 The Certificates of Insurance, which are to be provided pursuant to paragraph 16.1 above, must identify the Master Agreement and this Task Order, and be on the form attached as Exhibit M.

16.2.6 All insurance policies shall be fully performable in Pasco County, Florida, and shall

be construed in accordance with the laws of the State of Florida.

16.2.7 All insurance policies to be provided by Construction Manager pursuant to the terms hereof must expressly state that the insurance company will accept service of process in Pasco County, Florida and that the exclusive venue for any action concerning any matter under those policies shall be in the appropriate state court situated in Pasco County, Florida or the United States District Court in and for the Middle District of Florida – Tampa Division for a federal claim.

16.3 The acceptance by the COUNTY of any Certificate of Insurance pursuant to the terms of this Task Order evidencing the insurance coverages and limits required hereunder does not constitute approval or agreement by the COUNTY that the insurance requirements have been met or that the insurance policies shown on the Certificates of Insurance are in compliance with the requirements of the Master Agreement and this Task Order.

16.4 Before starting and until completion of all Services required hereunder, Construction Manager shall procure and maintain insurance of the types and to the limits specified in Exhibit E, "Insurance Coverage," which is attached hereto and made a part hereof Construction Manager shall require each of its subconsultants and subcontractors to procure and maintain, until the completion of that subconsultant's or subcontractor's work or services, insurance of the types and to the limits specified in Exhibit E, unless such insurance requirement for the subconsultant or subcontractor is expressly waived in writing by the COUNTY.

16.5 If any insurance provided pursuant to the Master Agreement and/or this Task Order expires prior to the completion of the Services required hereunder, renewal Certificates of Insurance and, if requested by the COUNTY, certified, true copies of the renewal binders , may be viewed by the COUNTY prior to the date of expiration.

16.6 Should at any time Construction Manager not maintain the insurance coverages required in this Task Order, the COUNTY may, with thirty (30) days written notice, cancel the Task Order and any Work Authorizations issued pursuant to the Task Order or at its sole discretion shall be authorized to purchase such coverages and charge Construction Manager for such coverages purchased. If Construction Manager fails to reimburse the COUNTY for such costs within thirty (30) calendar days after demand, the COUNTY has the right to offset these costs from any amount due Construction Manager under this Task Order. The COUNTY shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company/companies used. The decision of the COUNTY to purchase such insurance coverages shall in no way be construed to be a waiver of its rights under this Task Order.

16.7 All insurance companies from whom Construction Manager obtains the insurance policies required hereunder must meet the following minimum requirements:

16.7.1 The insurance company must be duly licensed and authorized by the Department of

Insurance of the State of Florida to transact the appropriate insurance business in the State of Florida.

16.7.2 The insurance company must have been in such insurance business continuously for not less than five (5) years immediately prior to the date of execution of this Task Order.

16.7.3 The insurance company must have an A. M. Best policyholder rating of either "A+", "A", or "A-".

16.7.4 The insurance company must have a current A. M. Best financial rating of "Class VI" or higher.

16.8 Builder's Risk Insurance, on all risk completed value form, shall be provided by the Construction Manager (unless the COUNTY at its sole discretion provides coverage) on the Project in an amount to be approved by the COUNTY not to exceed the Task Order Agreement, with the COUNTY, Construction Manager and Design Professional as named insures and including the interest of the subcontractors and sub- subcontractors as their interest may appear. The COUNTY, at its discretion, may require that the perils of earthquake, sinkhole and flood be added to the Builder's Risk policy. If added, the amounts of coverage may be less than the Task Order Agreement. Any deductibles under the Builder's Risk policy shall be the sole responsibility of the Construction Manager (or the COUNTY if they provide such coverage) and shall be adjusted with the COUNTY with the cooperation of the Construction Manager with the claim check made payable to the COUNTY for its own interest and the interest of the Construction Manager and all other insured parties. Subrogation rights of the insurance company against the COUNTY, Construction Manager, and all subcontractors and sub-subcontractors, and any other parties may be insured under the Builder's Risk coverage, shall be waived by the insurance company. In the event of a loss covered by the Builder's Risk policy, the GMP shall be increased by the amount of the policy payment, unless the COUNTY retains a third party to rebuild the damaged work.

17. WAIVER OF SUBROGATION.

17.1 The Construction Manager agrees to waive all rights of subrogation against the COUNTY and the Design Professional, and the board members, directors, officers, agents, employees, subconsultants and subcontractors of any of them, for damages or injuries caused by perils covered by any insurance maintained by a party hereunder. Unless prohibited by law, Construction Manager, the COUNTY, and the board members, directors, officers, agents, employees, subconsultants and subcontractors of any of them hereby waive all rights of subrogation against each other, for damages or injuries caused by perils covered by any insurance maintained by a party hereunder. The waivers provided hereunder shall be effective as to any individual or entity, even if such individual or entity (a) would otherwise have a duty of indemnification, contractual or otherwise, (b) did not pay the insurance premium, directly or indirectly, and (c) whether or not such individual or entity has an insurable interest in the property damaged.

If any policies of insurance referred to in this Section require an endorsement to provide any waiver of subrogation referenced above, the owners of such policies will cause them to be so endorsed.

18. **INDEMNIFICATION.**

18.1 In return for consideration, the receipt of which is acknowledged, in accordance with the applicable provisions of Chapter 725, Florida Statutes, the Construction Manager shall indemnify and hold harmless the COUNTY and its officers and employees from any and all liabilities, claims, damages, penalties, demands, judgments, actions, proceedings, losses or costs, including, but not limited to, reasonable attorneys' fees at both trial and on appeal, as well as court costs, whether resulting from any claimed breach of this Task Order by Construction Manager or from personal injury, property damage, direct or consequential damages, or economic loss, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Construction Manager or anyone employed or utilized by the Construction Manager in the performance of this Task Order. Construction Manager's obligation to indemnify under this Section 18 will survive the expiration or earlier termination of this Task Order until it is determined by final judgment that an action against the COUNTY or an indemnified party for the matter indemnified hereunder is fully and finally barred by the applicable statute of limitations.

19. **CLEANUP AND PROTECTIONS.**

19.1 Construction Manager agrees to keep the Project site clean at all times of debris, rubbish and waste materials arising out of the Work. If Construction Manager fails to keep the Project site clean, the COUNTY has the right, after providing a twenty-four (24) hour written notice, to perform any required clean up and to back charge the Construction Manager for the costs of such clean up. At the completion of the Work, Construction Manager shall remove all debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by the COUNTY.

19.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Task Order Documents to be removed or altered, shall be protected by Construction Manager from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Construction Manager to condition at least equal to that existing at the time of Construction Manager's commencement of the Work.

20. **ASSIGNMENT.**

20.1 Construction Manager shall not assign this Task Order or any part thereof, without the prior consent in writing of the COUNTY. If Construction Manager does, with approval, assign this Task Order or any part thereof, it shall require that its assignee be bound to it and to assume toward Construction Manager all of the obligations and responsibilities that Construction

Manager has assumed toward the COUNTY. Any assignment of the Task Order without the prior approval of the COUNTY shall be considered unenforceable and will constitute a material breach of the Task Order that may result in the termination of the Task Order. The COUNTY may require bonding, other security, certified financial statements and tax returns from any proposed assignee and the execution of an assignment/ assumption agreement in a form satisfactory to the County Attorney as a condition precedent to considering approval of an assignment.

21. PERMITS, LICENSES AND TAXES.

21.1 All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Construction Manager. Permits and licenses to be acquired by Construction Manager with the assistance of Design Professional include, but are not limited to, building, site, and utility permits, as well as all Health Department and environmental permits required for the construction or relocation of Pasco County water and/or sanitary sewer lines and facilities, to the extent such water and/or sewer work is included in this Task Order. If Construction Manager performs any Work without obtaining, or contrary to, such permits or licenses, Construction Manager shall bear all costs arising therefrom. All costs incurred by Construction Manager with respect to performing its obligations under this Paragraph 21.1 shall be considered a direct cost item and shall be considered reimbursable as Cost of the Work as provided for in the Task Order. The COUNTY shall fully cooperate with the Construction Manager where necessary.

21.2 Construction Manager shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. Additionally, Construction Manager shall comply with and fully implement the sales tax savings program with respect to the Work.

22. TERMINATION FOR DEFAULT.

22.1 Construction Manager shall be considered in material default of the Task Order and such default shall be considered cause for COUNTY to terminate the Contract, in whole or in part, as further set forth in this Article if, after written notice to Construction Manager and reasonable opportunity to cure or commence to cure, Construction Manager: (1) fails to begin the Work under the Task Order Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the COUNTY or the Design Professional or as provided for in the approved Master Project Schedule; or (3) performs the Work not in conformance with the Task Order Documents or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work contrary to the requirements of the Contract; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) fails to promptly pay its subcontractors and suppliers after COUNTY has properly and timely paid Construction

Manager; or (11) materially breaches any other provision of the Task Order Documents.

22.2 If the COUNTY determines that Construction Manager is in default under this Task Order, the COUNTY shall notify Construction Manager in writing of Construction Manager's default(s). If the COUNTY determines that Construction Manager has not begun cure of the default(s) within five (5) working days following receipt by Construction Manager of said written notice, then the COUNTY, at its option, without releasing or waiving its rights and remedies against Construction Manager's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Construction Manager's right to proceed under the Contract, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Construction Manager, take assignments of any of Construction Manager's subcontracts and purchase orders that the COUNTY may designate, and complete all or any portion of Construction Manager's Work by whatever means, method or agency which the COUNTY, in its sole discretion, may choose. In making either the initial determination that Construction Manager is in default under this Task Order or the subsequent determination that Construction Manager has failed to satisfactorily cure its default, the COUNTY may rely solely upon the Design Professional's certification to the COUNTY that in the Design Professional's opinion the Construction Manager is in default or has failed to satisfactorily cure its default.

22.3 If the COUNTY deems any of the foregoing remedies necessary, Construction Manager agrees that it shall not be entitled to receive any further payments hereunder until after the Work is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by the COUNTY incident to such completion, shall be deducted from the unpaid balance of the Task Order Amount, and if such expenditures exceed the unpaid balance of the Task Order Amount, Construction Manager agrees to pay promptly to the COUNTY on demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Task Order Amount exceeds all such costs, expenditures and damages incurred by the COUNTY to complete the Work, Construction Manager shall not be entitled to any portion of such excess, except for the unpaid portion of the Construction Manager's Fee earned and the Cost of Work incurred prior to Construction Manager's right to continue performance under this Task Order being terminated. Any amounts to be paid to the COUNTY by Construction Manager pursuant to this Paragraph 22.3 shall be certified by Design Professional, upon application, and this obligation for payment shall survive termination of the Contract.

22.4 The liability of Construction Manager hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by COUNTY in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items or re-letting the Work, and in settlement, discharge or compromise

of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder. Further, in the event COUNTY has exercised its right to terminate due to Construction Manager's default, Construction Manager shall be prohibited from bidding or otherwise seeking additional work from COUNTY in accordance with COUNTY's then current debarment policy.

22.5 If, after notice of termination of Construction Manager's right to proceed pursuant to this Section, it is determined for any reason that Construction Manager was not in default, or that its default was excusable, or that COUNTY is not entitled to the remedies against Construction Manager provided herein, then such termination shall be deemed a termination for the COUNTY's convenience and Construction Manager's remedies against the COUNTY shall be the same as and limited to those afforded Construction Manager under Paragraph 23.1 below. However, the prohibition from bidding or otherwise seeking additional work from the COUNTY in Section 22.4 above shall not be applicable in the event a Termination for Cause is converted to a Termination for Convenience.

23. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

23.1 The COUNTY shall have the right to terminate this Task Order without cause upon fourteen (14) calendar days' written notice to Construction Manager. In the event of such termination for convenience, Construction Manager's recovery against the COUNTY shall be limited to that portion of the Task Order Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Construction Manager shall not be entitled to any other or further recovery against the COUNTY, including, but not limited to, damages or any anticipated profit on portions of the Work not performed. The COUNTY shall have the right to suspend all or any portions of the Work upon giving Construction Manager fourteen (14) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Construction Manager shall be entitled to reasonable costs, expenses and time extension associated with the suspension. If the ordered suspension exceeds ninety (90) calendar days, Construction Manager shall have the right to terminate the Task Order in which case Construction Manager shall be entitled to recovery as set forth above in Section 22.1 with respect to that portion of the Work which is subject to the ordered suspension.

24. COMPLETION.

24.1 If the Project will consist of a number of Phases, it is anticipated that the term "Partial Substantial Completion" for purposes of this Task Order will be the date of Partial Certificate of Completion (PCO) per Phase issued in full or in part by the authority having jurisdiction. If the CO is delayed for any reason beyond the control of the Construction Manager, then the date of Substantial Completion will be the stage in the progress of the Work when the Work or designated portion thereof (Phase) is sufficiently complete in accordance with the Task Order Documents so that the COUNTY can occupy or utilize any part of the Work for its intended use.

24.2 When the entire Work (or any portion/Phase thereof designated in writing by the COUNTY) is ready for its intended use, the Construction Manager shall notify the COUNTY and the Design Professional in writing that the entire Work (or such designated portion/Phase) is substantially complete and said written notice from the Construction Manager shall include a proposed punch list of all items of Work to be completed or corrected by Construction Manager. Within a reasonable time thereafter, the COUNTY, the Construction Manager and Design Professional shall make an inspection of the Work (or designated portion thereof) to determine the status of completion. If the COUNTY and Design Professional do not consider the Work (or designated portion) substantially complete, Design Professional shall notify Construction Manager in writing giving the reasons, therefore. In such case, Construction Manager shall pay the costs of all additional Partial Substantial Completion inspections. If the COUNTY and Design Professional consider the Work (or designated portion) substantially complete, Design Professional shall prepare and deliver to Construction Manager a Certificate of Substantial Completion (or Certificate of Partial Substantial Completion) which shall fix the date Substantial Completion for the entire Work (or designated portion thereof) is actually achieved by Construction Manager and include a final punchlist of items to be completed or corrected by Construction Manager before final payment. Failure to include an item on the final punch list does not waive the COUNTY's right to demand completion of the item pursuant to the Task Order Documents prior to or after final payment. Notwithstanding the foregoing, the COUNTY and Design Professional will use their best efforts to develop an initial complete and accurate punch list. the COUNTY shall have the right to exclude Construction Manager from the Work and Project site (or designated portion thereof) after the date of Substantial Completion (or Partial Substantial Completion), but the COUNTY shall allow Construction Manager reasonable access to complete or correct items on the final punch list.

24.3 When Construction Manager believes it has fully performed all of the Work, including all punch list items, Construction Manager shall deliver to the COUNTY a written affidavit from Construction Manager certifying that all Work has been completed in accordance with the requirements of the Task Order Documents. That written affidavit shall be delivered to the COUNTY by Construction Manager at the same time it submits its final Application for Payment. After receipt of such affidavit, the final Application for Payment and all other documents required for Project close-out, Design Professional and the COUNTY shall promptly inspect the Work to determine if all of the Work has been completed and is ready for final acceptance by the COUNTY. If the COUNTY and Design Professional determine Construction Manager has completed the entire Work, Design Professional shall promptly issue a final Certificate for Payment, stating that, to the best of its knowledge, information and belief, and on the basis of its observations and inspections: (i) all of the Work has been completed in accordance with the requirements of the Task Order Documents; (ii) the final balance due Construction Manager, as noted in the final Certificate for Payment, is due and payable; and (iii) all conditions precedent to Construction Manager's entitlement to final payment have been satisfied. For purposes of securing final payment (including retainage), Construction Manager shall timely thereafter submit: (1) the final Release and Affidavit in the form attached to the Task Order as Exhibit F, (2) consent of surety to final payment, and (3) if required by the COUNTY, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Task Order

Documents, to the extent and in such form as may be designated by the COUNTY. The COUNTY reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though Design Professional may have issued its recommendations. Until the Construction Manager completes all of its contractual obligations, with the exception of the Warranty period, neither the final payment nor any retainage shall become due and payable.

25. **WARRANTY**

The Construction Manager warrants to the COUNTY that all materials and equipment furnished under this Task Order will be new unless otherwise specified and that all of the Work will be of good quality, free from faults and defects and in conformance with the Task Order Documents. All equipment and materials not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. Construction Manager shall obtain and assign to the COUNTY all express warranties given to Construction Manager by any subcontractors or by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project. Construction Manager expressly warrants to the COUNTY that all materials and equipment to be incorporated into the Work shall be new unless otherwise specified. Further, Construction Manager expressly warrants to the COUNTY that all Work shall be of good quality, free from all defects and in conformance with the Task Order Documents.

Construction Manager further warrants to the COUNTY that all materials and equipment furnished under the Task Order Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Task Order Documents. Further, any special warranty to be provided will be in such form as is acceptable to the COUNTY and shall not include any exclusions, exceptions or modifications except to the extent approved by the COUNTY in its sole discretion. In addition to all other rights and remedies available to the COUNTY at law or in equity, including any implied warranties the COUNTY may be entitled to as a matter of law, Construction Manager expressly warrants to the COUNTY that it shall promptly correct, upon receipt of written notice from the COUNTY, any portion of the Work subject to a Partial Certificate of Completion which is found to be defective or otherwise not in conformance with the requirements of the Task Order Documents until final acceptance of the Project is achieved.

In the event that any defective or non-conforming work is deemed by the COUNTY in its sole discretion to present an immediate threat to safety or security, the COUNTY shall be entitled to correct and fix such defective or non-conforming portions of the Work, and Construction Manager shall reimburse the COUNTY for all costs and expenses incurred by the COUNTY in performing such Work. This obligation to correct defective or nonconforming Work shall run for a period of one year (or such longer period of time as may otherwise be specified in the Task Order Documents) commencing from the date the date a Partial Certificate of Completion for each Phase is achieved, except for all such systems, materials or equipment that are operationally interconnected with, overlap or are required for the completion of another Phase or final Substantial Completion of the Project, in which instance the warrant shall begin for those items on the final Completion Date for the Project. With respect to the correction of any defective or nonconforming Work, Construction Manager shall be liable for all damage to any part of the Work itself and to any adjacent property

which is caused by such corrective work. Contingency Funds may be utilized to correct such damage provided that damage was not caused by gross negligence on the part of the Construction Manager. Construction Manager shall conduct, jointly with the COUNTY and Design Professional, a warranty inspection at six (6) months and eleven (11) months after the date Substantial Completion of the entire Project is achieved. Construction Manager's warranty excludes remedy for damage or defect caused by the COUNTY's abuse, modifications not performed by Construction Manager, improper or insufficient maintenance by the COUNTY (unless such maintenance was performed in accordance with the directions from Construction Manager), improper operation by the COUNTY (unless such operations were performed in accordance with the directions from Construction Manager), or normal wear and tear under normal usage.

The COUNTY reserves the right, if it discovers an error in the partial or final estimates, or if it discovers that the Construction Manager performed defective work or used defective materials, after the final payment has been made, to claim and recover from the Contractor or his surety, or both, by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials. Construction Manager shall retain all records pertaining to the project for a period of five years from the date of the COUNTY's final acceptance of the project. Upon request, Construction Manager shall make all such records available to the COUNTY or its representative. For the purpose of this Article, records include all books of account, supporting documents, and papers that the COUNTY deems necessary to ensure compliance with the Task Order provisions.

26. **TESTS AND INSPECTIONS.**

a. The COUNTY, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Construction Manager shall provide proper, safe conditions for such access. Construction Manager shall provide Design Professional with timely prior written notice (at least 48 hours) of the readiness of the Work for all required inspections, tests or approvals.

b. If the Task Order Task Order Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Construction Manager shall assume full responsibility therefore, pay all costs in connection therewith and furnish Design Professional the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the COUNTY and Design Professional. Cost of these inspections shall be included in Cost of Work.

c. If any Work that is to be inspected, tested or approved pursuant to the Task Order Task Order Documents is covered without such inspection, testing or approval having been satisfactorily obtained by Construction Manager and without obtaining the written concurrence from The COUNTY or Design Professional, such Work must, if requested by the COUNTY or Design Professional, be uncovered for observation. Such uncovering shall be at Construction Manager's expense unless Construction Manager has given The COUNTY or Design Professional 48 hours written notice of Construction Manager's intention to cover the same

and has requested written concurrence by the COUNTY or Design Professional and the COUNTY or Design Professional has not acted with reasonable promptness to respond to such notice and request. If any Work is covered contrary to written directions from the COUNTY or Design Professional, such Work must, if requested by the COUNTY or Design Professional, be uncovered for the COUNTY or Design Professional's observation and be replaced at Construction Manager's sole expense.

d. The COUNTY shall charge to Construction Manager and may deduct from any payments due Construction Manager all engineering and inspection expenses incurred by COUNTY in connection with any overtime work unless such overtime work was expressly requested by the Construction Manager. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday, or holidays, and as COUNTY and Construction Manager recognize that time is of the essence for this Task Order, therefore substantial overtime work is anticipated on this Project. Neither observations by Design Professional or COUNTY, nor inspections, tests or approvals by others shall relieve Construction Manager from Construction Manager's obligations to perform the Work in accordance with the Task Order Documents.

e. Construction Manager is responsible, without reimbursement from the COUNTY, for re-inspection fees and costs; to the extent such re-inspections are due to negligence of Construction Manager.

27. DEFECTIVE WORK

27.1 Work not conforming to the requirements of the Task Order Documents shall be deemed defective Work. If required by the COUNTY or Design Professional, Construction Manager shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by the COUNTY or Design Professional, remove it from the site and replace it with non-defective Work. In the event the Work is deemed defective, for any reason other than the negligence of the Construction Manager, or its subcontractors; then the Construction Manager shall be entitled to use the Contingency to remove the Work and replace it with non-defective Work.

27.2 If the COUNTY or Design Professional consider it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others, Construction Manager, at Design Professional's or the COUNTY's request, shall uncover, expose or otherwise make available for observation, inspection or tests as the COUNTY or Design Professional may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Construction Manager shall bear all direct, indirect, and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the COUNTY shall be entitled to an appropriate decrease in the Task Order Amount. If, however, such Work is not found to be defective, Construction Manager shall be allowed an increase in the Task Order Amount and/or an extension to the Task Order Time, directly attributable to such

uncovering, exposure, observation, inspection, testing and reconstruction.

27.3 The COUNTY shall have the right to order Construction Manager to stop all or any portion of the Work if at any time the COUNTY reasonably determines that Construction Manager's performance of the Work is not in compliance with the requirements of the Task Order Documents. Such noncompliance shall include, but is not limited to, Construction Manager's failure to provide adequate labor, materials or equipment to satisfactorily maintain the various Project schedules. This right to stop the Work shall be exercised, if at all, solely for the COUNTY's benefit and nothing herein shall be construed as obligating the COUNTY to exercise this right for the benefit of Construction Manager or any other person.

27.4 Should the COUNTY determine, at its sole opinion, it is in the COUNTY's best interest to accept defective Work, the COUNTY may do so. Construction Manager shall bear all direct, indirect and consequential costs attributable to the COUNTY's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Task Order Documents and reflecting an appropriate decrease in the Task Order Amount. If the COUNTY accepts such defective Work after final payment, Construction Manager shall promptly pay the COUNTY an appropriate amount determined by the COUNTY to adequately compensate the COUNTY for its acceptance of the defective Work. If Construction Manager fails, within a reasonable time after the written notice from COUNTY or Design Professional, to correct defective Work or to remove and replace rejected defective Work as required by COUNTY or Design Professional, or if Construction Manager fails to perform the Work in accordance with the Task Order Documents, or if Construction Manager fails to comply with any of the provisions of the Task Order Documents, COUNTY may, after seven (7) calendar days' written notice to Construction Manager, correct and remedy any such deficiency, to the extent necessary to complete corrective and remedial action, COUNTY may exclude Construction Manager from any or all of the Project site, take possession of all or any part of the Work, and suspend Construction Manager's services related thereto, take possession of Construction Manager's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which COUNTY has paid Construction Manager but which are stored elsewhere. Construction Manager shall allow COUNTY, Design Professional and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable COUNTY to exercise the rights and remedies under this Paragraph. All direct, indirect and consequential costs of COUNTY (up to a cumulative maximum amount less than or equal to the Construction Manager's Fee) in exercising such rights and remedies shall be charged against Construction Manager, and a Change Order or a Construction Change Directive shall be issued, incorporating the necessary revisions to the Task Order Documents, including an appropriate decrease to the Task Order Amount. Such direct, indirect, and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal or replacement of Construction Manager's defective Work. Construction Manager shall not be allowed an extension of the Task Order Time because of any delay in performance of the Work

attributable to the exercise by the COUNTY of the COUNTY's rights and remedies hereunder.

27.5 Nothing in Section 27, Defective Work, shall limit the COUNTY's access to the Construction Manager's Bond or Insurance.

28. SUPERVISION AND CONSTRUCTION MANAGER'S REPRESENTATIVE.

28.1 Construction Manager is responsible for supervising, coordinating, and performing the Work with such care and skill as would be provided by a contractor with extensive and special expertise in the type of work required under the Task Order Documents. Construction Manager is responsible for completing the Work so that it complies accurately and completely with the requirements of the Task Order Documents. Construction Manager shall keep on the Work at all times during its progress a competent resident representative, who will be known as Construction Manager's Project Executive under the Master Agreement's terms, who shall not be replaced without prior written notice to the COUNTY and Design Professional except under extraordinary circumstances. The representative shall have authority to act on behalf of Construction Manager. All communications given to the representative shall be as binding as if given to Construction Manager. The COUNTY shall have the right to direct Construction Manager to remove and replace its Project Executive or any other employee of Construction Manager or any employee of any subcontractor from this Project, with or without cause.

The Construction Manager shall maintain sufficient off-site support staff, and competent full-time staff at the Project site authorized to act on behalf of the Construction Manager to coordinate, inspect and provide general direction of the Work and progress of the subcontractors. Construction Manager shall provide no less than those personnel during the respective phases of construction that are set forth in Exhibit J to the Task Order. The Construction Manager shall not change any of those persons identified in Exhibit J unless mutually agreed to in writing by the COUNTY and Construction Manager. In such case, the COUNTY shall have the right to approve the replacement personnel.

28.2 The Construction Manager shall establish and maintain lines of authority for its personnel and shall provide this information to the COUNTY and all other affected parties, such as the code inspectors of any permitting authority, the subcontractors, and the Design Professional. The COUNTY and Design Professional may attend meetings between the Construction Manager and its subcontractors; however, such attendance is optional and shall not diminish either the authority or responsibility of the Construction Manager to administer the subcontracts.

28.3 The Construction Manager shall be responsible to the COUNTY for the acts and omissions of its employees and agents and its subcontractors, their agents and employees, and all other persons performing any of the Work or supplying materials under a contract to the Construction Manager. The Construction Manager shall develop and maintain a program, acceptable to the COUNTY and Design Professional, to assure quality control of the Work. The Construction Manager shall supervise the Work of all subcontractors, providing

instructions to each when their portion of the Work does not conform to the requirements of the Task Order Documents and Construction Manager shall continue to exert its influence and control over each subcontractor to ensure that corrections are made in a timely manner so as to not affect the efficient progress of the Work. Should a disagreement occur between the Construction Manager and the Design Professional over the acceptability of the Work, the COUNTY, in its sole discretion, shall have the right to determine the acceptability.

28.4 Any person who the Construction Manager employs on this Project, including any subcontractor Construction Manager employs and its employees, must satisfactorily and successfully pass a criminal background check, in the COUNTY's sole discretion. The COUNTY may make written request to Construction Manager for the prompt removal and replacement of any personnel employed or retained by the Construction Manager, or any Sub-Consultants or Subcontractors, or any personnel of any such Sub-Consultants or Subcontractors engaged by the Construction Manager to provide and perform services or Work pursuant to the requirements of this Task Order. The Construction Manager shall respond to the COUNTY within fourteen (14) calendar days of receipt of such request with either the removal and replacement of such personnel or written justification as to why that may not occur. The County shall make the final determination as to the removal of unsatisfactory personnel. Such decision shall not be construed as directing the Construction Manager to terminate any employee's employment with the Construction Manager.

29. PROTECTION OF WORK.

29.1 Construction Manager shall fully protect the Work and adjacent property from loss or damage caused by the Construction Manager or its subcontractors until Substantial Completion is achieved. If Construction Manager or anyone for whom Construction Manager is legally liable is responsible for any loss or damage to the Work, or other work or materials of the COUNTY or the COUNTY's separate contractors, Construction Manager shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due Construction Manager.

29.2 The Construction Manager shall ascertain what temporary enclosures, if any, of building areas, including existing facilities, should be provided for and may be provided as a practical matter, in order to assure orderly progress of the Work and to protect and secure the Work and existing facilities, in periods when extreme weather conditions are likely to be experienced.

29.3 Construction Manager shall not permit any unsafe loading of any structure at the Project site, nor shall Construction Manager subject any part of the Work or adjacent property to any forces that will endanger it. Construction Manager shall not disturb any benchmark established by the COUNTY with respect to the Project. If Construction Manager, or its subcontractors, agents or anyone for whom Construction Manager is legally liable, disturbs the COUNTY's benchmarks, Construction Manager shall immediately notify the COUNTY and Design Professional. The COUNTY shall have the benchmarks reestablished and Construction Manager shall be liable for all costs incurred by the COUNTY associated therewith.

30. **EMERGENCIES.**

30.1 Construction Manager shall take immediate action to prevent injury to any person or damage to any property (including the Work and any adjacent property) which otherwise might arise from an emergency event at the Project site. If conditions are such that it is safe to return to the Project site, Construction Manager shall give the COUNTY and Design Professional written notice within forty-eight (48) hours after the occurrence of the emergency, if Construction Manager believes that any significant changes in the Work or variations from the Task Order Documents have been caused thereby. If the COUNTY determines that a change in the Task Order Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Construction Manager fails to provide the forty-eight (48) hour written notice noted above, Construction Manager shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Task Order Amount or an extension to the Task Order Time. Construction Manager is obligated to promptly report in writing to the COUNTY all accidents relating to the Work that result in any personal injury or property damage.

31. **USE OF PREMISES.**

31.1 At all times during the performance of the Work, Construction Manager shall keep all of its operations (including, but not limited to, the use and storage of all equipment and materials), within the Project site or such other areas as may be permitted by the Task Order Documents. Construction Manager shall not use the Project site in any manner that is unreasonably burdensome or otherwise inconsistent with COUNTY's interest. Construction Manager is responsible for any damage to any such area, or to the owner or occupant thereof, or any areas contiguous thereto, resulting from the performance of the Work.

31.2 Except as required by the Task Order Documents or otherwise required in order for Construction Manager to satisfy its safety and security obligations under the Task Order Documents, Construction Manager shall not erect or install, nor shall it permit any of its subcontractors, suppliers, subconsultants or any other party for whom it is legally responsible to erect or install, any signage upon the Project site or any other property of the COUNTY, unless such signage has been expressly approved in writing by the COUNTY, which approval may be withheld by the COUNTY in its sole discretion.

31.3 Construction Manager acknowledges that Work may be performed at a particular Project site where the COUNTY simultaneously is conducting and continuing its operations upon the same site. In such event, Construction Manager shall coordinate its Work so as to cause no unreasonable interference with or disruption to the COUNTY's operations. In the event COUNTY's separate contractors cause delay or damage to Construction Manager's Work and/or schedule, the Construction Manager shall be entitled to seek all direct costs associated therewith as well as an appropriate extension of the Task Order Time upon written notice to COUNTY within seven (7) calendar days of said events giving rise to said claims. The COUNTY may take early occupancy of all or any portions of the Work, at the COUNTY's

election, by designating in writing to Construction Manager the specific portions of the Work to be occupied and the date such occupancy shall commence. If any such specific early occupancy was not expressly identified at the time the GMP was established and such early occupancy negatively impacts Construction Manager's cost or time of performance, Construction Manager shall be entitled to an equitable adjustment to the Task Order Amount and the Task Order Time, all in accordance with the other terms and conditions of the Task Order Documents.

32. **SAFETY.**

32.1 As between the COUNTY and Construction Manager, the Construction Manager is responsible for the safety and protection of all persons and property on or about the Project site as invitees or participating in the performance of the Work under this Agreement. Further, it is Construction Manager's responsibility to protect from damage or loss all material and equipment to be incorporated into the Work which may be stored off the Project site. Construction Manager shall develop and implement, in accordance with the requirements of the Task Order Documents (including any the COUNTY requirements or regulations), a safety plan for the Work.

32.2 Construction Manager shall comply with all applicable codes, laws, ordinances, rules and regulations of the COUNTY and any public body having jurisdiction over the Work, including all of their safety codes, laws, ordinances, rules and regulations. Construction Manager shall notify the COUNTYs of adjacent property and of any underground structures or improvements and utility the COUNTYs when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Construction Manager's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by the COUNTY has occurred.

32.3 At all times during the performance of the Work at the Project site, Construction Manager shall have designated, and located on a full-time basis at the Project site, a qualified individual whose responsibility shall be to monitor and enforce Construction Manager's safety program at the Project site. Construction Manager hereby designates its superintendent as that safety representative. Construction Manager may designate by written notice to the COUNTY another individual, reasonably acceptable to the COUNTY, who shall be Construction Manager's safety representative at the Project site.

32.4 Alcohol, drugs and all illegal substances are strictly prohibited on any COUNTY property. All employees of Construction Manager, as well as those of all subcontractors and those of any other person or entity for whom Construction Manager is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any COUNTY property. Further, Employees shall not bring on to any COUNTY property any gun, rifle or other firearm, or explosives of any kind.

32.5 Construction Manager acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing COUNTY facility. In such event, Construction

Manager shall comply with the following:

32.5.1 All the COUNTY facilities are smoke free, and smoking is strictly prohibited on the Project site as well;

32.5.2 As requested and when required by the COUNTY, all Employees shall be provided an identification badge by Construction Manager. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must log in and out with the Construction Manager each day;

32.5.3 Construction Manager shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of the COUNTY's property without the COUNTY's expressed prior written consent;

32.5.4 All Employees are prohibited from distributing any papers or other materials upon the COUNTY's property, and are strictly prohibited from using any of the COUNTY's telephones or other office equipment;

32.5.5 All Employees shall at all times comply with the OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct and facility regulations issued by the COUNTY's officials onsite, as said regulations may be changed from time to time;

32.5.6 All Employees shall enter and leave the COUNTY's facilities only through the ingress and egress points identified in the site utilization plan approved by the COUNTY or as otherwise designated, from time to time, by the COUNTY in writing;

32.5.7 When requested, Construction Manager shall cooperate with any ongoing COUNTY investigation involving personal injury, economic loss or damage to COUNTY's facilities or personal property therein;

32.5.8 The Employees may not solicit, distribute, or sell products while on the COUNTY's property. Friends, family members or other visitors of the Employees are not permitted on the COUNTY's property; and

32.5.9 At all times, Construction Manager shall adhere to the COUNTY's safety and security regulations and shall comply with all security requirements at the COUNTY's facilities, as said regulations and requirements may be modified or changed by the COUNTY from time to time.

33. PROJECT MEETINGS.

33.1 Prior to the commencement of Work, Construction Manager shall attend a preconstruction conference with the COUNTY and Design Professional and others as appropriate to discuss

the Master Project Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, Construction Manager shall attend any and all meetings convened by the COUNTY or Design Professional with respect to the Project, when directed to do so by the COUNTY or Design Professional. Construction Manager shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the COUNTY or Design Professional.

34. MATERIAL SAFETY DATA SHEET.

34.1 If any chemicals, materials, or products containing toxic substances, as defined by Chapter 442, Florida Statutes or any local, state or federal statutes or regulations, are contained in the products used on site or incorporated into the construction by the Construction Manager or any of its subcontractors, the Construction Manager shall provide to the Design Professional and the COUNTY a Material Safety Data Sheet at the time of each delivery or prior to each new use of such product.

35. AUDITING RIGHTS.

35.1 Construction Manager shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Task Order or the date the Project is completed, whichever is later or such longer period of time as may be required by law. Construction Manager shall require all of its subcontractors to likewise retain all of their Project records and supporting documentation. the COUNTY, and any duly authorized agents or representatives of the COUNTY, shall be provided access to all such records and supporting documentation at any and all times during normal business hours upon request by the COUNTY. Further, the COUNTY, and any duly authorized agents or representatives of the COUNTY, shall have the right to audit, inspect and copy all of Construction Manager’s and any subcontractor’s Project records and documentation as often as they deem necessary and Construction Manager shall cooperate in any audit, inspection, or copying of the documents. This access, inspection, copying and auditing rights shall survive the termination of this Task Order.

35.2 For purposes of this section, the Construction Manager's record shall be defined to include, but not be limited to accounting records, payroll time sheets, certified payrolls, 1099’s, written policies and procedures, computer records, disks and software, videos, photographs, subcontract files (including proposals of successful and unsuccessful bidders), originals estimates, estimating worksheets, correspondence, change order files (including documentation covering negotiated settlements), and any other supporting evidence necessary to substantiate charges related to this Task Order (all the foregoing hereinafter referred to as "records”) to adequately permit evaluation and verification of any invoices, payments or claims submitted by the Construction Manager or any of his payees pursuant to the execution of the Task Order. Such records subject to examination shall also include, but not be limited to, those records necessary to evaluate and verify direct and indirect costs (including overhead allocations) as they may apply to costs associated with this Task Order.

Items negotiated as lump sum shall not be subject to the audit provisions of this Article.

35.3 If at any time, the COUNTY conducts such an audit of Construction Manager's records and documentation and finds that Construction Manager overcharged COUNTY, Construction Manager shall pay to the COUNTY the Overcharged Amount which is defined as the total aggregate overcharged amount together with interest thereon (such interest to be established at the rate of 12% annum). If the Overcharged Amount is equal to or greater than $10,000.00, Construction Manager shall pay to the COUNTY the Overcharged Amount and the Audit Amount which is defined as the total aggregate of the COUNTY's reasonable audit costs incurred as a result of its audit of Construction Manager. The COUNTY may recover the Overcharged Amount and the Audit Amount, as applicable, from any amount due or owing Construction Manager with regard to the Project or under any other agreement between Construction Manager and the COUNTY. If such amounts owed Construction Manager are insufficient to cover the Overcharged Amount and Audit Amount, as applicable, then Construction Manager hereby acknowledges and agrees that it shall pay such remaining amounts to the COUNTY within thirty (30) business days of its receipt of the COUNTY's invoice for such remaining amounts. In no event shall the Overcharged Amount or the Audit Amount be deemed a reimbursable Cost of the Work.

This Article 35, including all access, inspection, copying, auditing, reimbursement and repayment rights shall survive the termination of this Task Order.

36. COMPLIANCE WITH LAWS.

36.1 Construction Manager agrees to comply, at its own expense, with all federal, state and local laws, codes, statutes, ordinances, rules, administrative orders, regulations and requirements applicable to the performance of the construction of the Project, including but not limited to those dealing with safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Construction Manager observes that the Task Order Documents are at variance therewith, it shall promptly notify the COUNTY and Design Professional in writing.

To the extent any law, rule, regulation, code, statute, or ordinance requires the inclusion of certain terms in this Task Order in order for this Task Order to be enforceable, such terms shall be deemed included in this Task Order. Notwithstanding anything in the Task Order Documents to the contrary, it is understood and agreed that in the event of a change in any applicable laws, ordinances, rules or regulations subsequent to the date the GMP Task Order Amendment has been executed that increases the Construction Manager's time or cost of performance of the Work, Construction Manager is entitled to a Change Order for such increases, except to the extent Construction Manager knew or should have known of such changes prior to the date of the GMP Task Order Amendment.

36.2 Scrutinized Companies

36.2.1 A company is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with the COUNTY for goods or services of:

a) Any amount if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company is on the Scrutinized Companies that

Pages 38 through 41 have been revised.

Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or

b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:
   1) Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, ~~Petroleum Energy Sector List,~~ created pursuant to section 215.473, Florida Statutes; or
   2) Is engaged in business operations in Cuba or Syria.

By signing this Task Order, the Construction Manager certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Construction Manager agrees to notify the COUNTY if placement on any of the aforementioned lists occurs or if the Construction Manager is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The COUNTY may terminate the Master Agreement and/or this Task Order if the Construction Manager's certification above is found to be false; it has been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel; it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List~~Petroleum Energy Sector List~~; or it has been engaged in business operations in Cuba or Syria. In addition to possible termination of the Master Agreement and/or this Task Order based on the above grounds, the COUNTY will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

37. **SUBCONTRACTS.**

37.1 The Construction Manager shall review the design and shall determine how it desires to divide the sequence of construction activities. Construction Manager will determine the breakdown for award of subcontracts, based on the current Project Schedule, and shall supply a copy of that breakdown and composition to the COUNTY and Design Professional for their review and approval. Construction Manager shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

37.2 A subcontractor is any person or entity who is performing, furnishing, supplying or providing any portion of the Work pursuant to a contract with Construction Manager. Construction Manager shall be solely responsible for and have control over the subcontractors. Construction Manager shall negotiate all Change Orders, Construction Change Directive, Field Orders and Request for Proposals, with all affected subcontractors and shall review the costs of those proposals and advise the COUNTY and Design Professional of their validity and reasonableness, acting in the COUNTY's best interest, prior to requesting approval of each Change Order from the COUNTY.

37.3 When Construction Manager submits its Guaranteed Maximum Price proposal to the COUNTY, Construction Manager also shall submit to the COUNTY a list of the names, addresses, licensing information, and phone numbers of the subcontractors that Construction Manager intends to use for each portion of the Work, as well as identify in writing those portions of the Work it intends to perform with its own employees. The list identifying each subcontractor cannot be modified, changed, or amended without prior written approval from the COUNTY. Any and all work to be self-performed by Construction Manager must be approved in writing by the COUNTY in its sole discretion prior to commencement of such work. Construction Manager shall periodically update that subcontractor list, so that it remains current and accurate throughout the entire performance of the Work. Construction Manager shall not enter into a subcontract with any subcontractor, if The COUNTY reasonably objects to that subcontractor. Construction Manager shall not be required to contract with anyone it reasonably objects to. As part of the Project document file to be maintained by Construction Manager at the Project site, Construction Manager shall keep on file a copy of the license for every subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts between Construction Manager and its subcontractors shall be in writing and are subject to COUNTY's approval.

Further, all subcontracts shall (1) require each subcontractor to be bound to Construction Manager to the same extent Construction Manager is bound to COUNTY by the terms of the Task Order Documents, as those terms may apply to the portion of the Work to be performed by the subcontractor, (2) provide for the assignment of the subcontracts from Construction Manager to COUNTY at the election of COUNTY upon termination of Construction Manager, (3) provide that COUNTY will be an additional indemnified party of the subcontract, (4) provide that COUNTY will be an additional insured on all insurance policies required to be provided by the subcontractor except workman's' compensation, (5) assign all warranties directly to COUNTY, (6) identify the COUNTY as an intended third-party beneficiary of the subcontract, and (7) incorporate Exhibit E into all of its subcontracts (and require similar incorporation into all sub- subcontracts). Construction Manager shall make available to each proposed subcontractor, prior to the execution of the subcontract, copies of the Task Order Documents to which the subcontractor will be bound by this Paragraph 36.3 and identify to the subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Task Order Documents. Each subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

37.4 The subcontractor must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., drainage, grading, roadway, utilities, pavement markings, traffic signals, pressure grout and seawall) included in the subcontract. In addition, the subcontractor shall assign and name a qualified employee for scheduling direction for its work. The supervisory employees of the subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

37.5 Unless otherwise expressly agreed to by the COUNTY in writing, all subcontracts shall provide:

37.5.1 LIMITATION OF REMEDIES - NO DAMAGES FOR DELAY. The rights and obligations of the subcontractors shall be the same as the rights and obligations of the Construction Manager under Section 11.4.

37.5.2 Each subcontract shall require that any claims by subcontractor for delay or additional cost must be submitted to Construction Manager within the time and in the manner in which the Construction Manager must submit such claims to the COUNTY, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

38. SOLICITATION OF SUBCONTRACTORS.

38.1 Construction Manager agrees to act in good faith and fair dealing. Construction Manager covenants with COUNTY to utilize Construction Manager's best skill, efforts and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and Task Order terms and conditions.

39. SECURING AGREEMENT.

The Construction Manager warrants that the Construction Manager has not employed or retained any company or person, other than a bona fide employee working solely for Construction Manager, to solicit or secure this Task Order and that Construction Manager has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Construction Manager, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Task Order. At the time this Task Order is executed, Construction Manager shall sign and deliver to the COUNTY the Truth-in-Negotiation Certificate attached hereto and made a part hereof as Exhibit L.

The Construction Manager's compensation shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or non- current wage rates or other factual unit costs.

40. PUBLIC ENTITY CRIMES.

40.1 By its execution of this Task Order, Construction Manager acknowledges that it has been informed by the COUNTY and is in compliance with the terms of Section 287.133(2)(a) of the Florida Statutes which reads as follows:

"A person or affiliate who has been placed on the convicted vendor list following a

conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

41. **EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION**

In performing all services to be provided hereunder, the Construction Manager shall not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Construction Manager shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such actions shall include, but not be limited to, the following: (i) employment, upgrading, demotion or transfer; (ii) recruitment or recruitment advertising; (iii) layoff or termination; (iv) rates of pay or other forms of compensation; and (v) selection for training, including apprenticeship. The Construction Manager shall post in conspicuous places, available to all employees and applicants for employment notices setting forth the terms of this Equal Employment Opportunity Non- Discrimination Clause and stating that all qualified candidates will receive consideration for employment without regard to race, color, religion, sex or national origin.

The County adheres to subsection 287.134(2)(a), Florida Statutes, and will not transact business with entities or affiliates placed on the discriminatory vendor list maintained by the Florida Department of Management Services. By accepting this Task Order, Construction Manager certifies that is not on the discriminatory vendor list. Violation of this provision by Construction Manager is grounds for termination of this Task Order by the County. The Construction Manager agrees to include this provision in all contracts issued as a result of this Task Order.

END OF GENERAL TERMS AND CONDITIONS

Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or

b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:
   1) Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to section 215.473, Florida Statutes; or
   2) Is engaged in business operations in Cuba or Syria.

By signing this Task Order, the Construction Manager certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Construction Manager agrees to notify the COUNTY if placement on any of the aforementioned lists occurs or if the Construction Manager is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The COUNTY may terminate the Master Agreement and/or this Task Order if the Construction Manager's certification above is found to be false; it has been placed on the Scrutinized Companies that Boycott Israel List or is engaged in a boycott of Israel; it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List; or it has been engaged in business operations in Cuba or Syria. In addition to possible termination of the Master Agreement and/or this Task Order based on the above grounds, the COUNTY will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

37. **SUBCONTRACTS.**

37.1 The Construction Manager shall review the design and shall determine how it desires to divide the sequence of construction activities. Construction Manager will determine the breakdown for award of subcontracts, based on the current Project Schedule, and shall supply a copy of that breakdown and composition to the COUNTY and Design Professional for their review and approval. Construction Manager shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations and any other factors pertinent to saving time and costs.

37.2 A subcontractor is any person or entity who is performing, furnishing, supplying or providing any portion of the Work pursuant to a contract with Construction Manager. Construction Manager shall be solely responsible for and have control over the subcontractors. Construction Manager shall negotiate all Change Orders, Construction Change Directive, Field Orders and Request for Proposals, with all affected subcontractors and shall review the costs of those proposals and advise the COUNTY and Design Professional of their validity and reasonableness, acting in the COUNTY's best interest, prior to requesting approval of each Change Order from the COUNTY.

37.3 When Construction Manager submits its Guaranteed Maximum Price proposal to the

COUNTY, Construction Manager also shall submit to the COUNTY a list of the names, addresses, licensing information, and phone numbers of the subcontractors that Construction Manager intends to use for each portion of the Work, as well as identify in writing those portions of the Work it intends to perform with its own employees. The list identifying each subcontractor cannot be modified, changed, or amended without prior written approval from the COUNTY. Any and all work to be self-performed by Construction Manager must be approved in writing by the COUNTY in its sole discretion prior to commencement of such work. Construction Manager shall periodically update that subcontractor list, so that it remains current and accurate throughout the entire performance of the Work. Construction Manager shall not enter into a subcontract with any subcontractor, if The COUNTY reasonably objects to that subcontractor. Construction Manager shall not be required to contract with anyone it reasonably objects to. As part of the Project document file to be maintained by Construction Manager at the Project site, Construction Manager shall keep on file a copy of the license for every subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts between Construction Manager and its subcontractors shall be in writing and are subject to COUNTY's approval.

Further, all subcontracts shall (1) require each subcontractor to be bound to Construction Manager to the same extent Construction Manager is bound to COUNTY by the terms of the Task Order Documents, as those terms may apply to the portion of the Work to be performed by the subcontractor, (2) provide for the assignment of the subcontracts from Construction Manager to COUNTY at the election of COUNTY upon termination of Construction Manager, (3) provide that COUNTY will be an additional indemnified party of the subcontract, (4) provide that COUNTY will be an additional insured on all insurance policies required to be provided by the subcontractor except workman's' compensation, (5) assign all warranties directly to COUNTY, (6) identify the COUNTY as an intended third-party beneficiary of the subcontract, and (7) incorporate Exhibit E into all of its subcontracts (and require similar incorporation into all sub- subcontracts). Construction Manager shall make available to each proposed subcontractor, prior to the execution of the subcontract, copies of the Task Order Documents to which the subcontractor will be bound by this Paragraph 36.3 and identify to the subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Task Order Documents. Each subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

37.4 The subcontractor must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., drainage, grading, roadway, utilities, pavement markings, traffic signals, pressure grout and seawall) included in the subcontract. In addition, the subcontractor shall assign and name a qualified employee for scheduling direction for its work. The supervisory employees of the subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

37.5 Unless otherwise expressly agreed to by the COUNTY in writing, all subcontracts shall provide:

37.5.1 LIMITATION OF REMEDIES - NO DAMAGES FOR DELAY. The rights and obligations of the subcontractors shall be the same as the rights and obligations of the Construction Manager under Section 11.4.

37.5.2 Each subcontract shall require that any claims by subcontractor for delay or additional cost must be submitted to Construction Manager within the time and in the manner in which the Construction Manager must submit such claims to the COUNTY, and that failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

38. SOLICITATION OF SUBCONTRACTORS.

38.1 Construction Manager agrees to act in good faith and fair dealing. Construction Manager covenants with COUNTY to utilize Construction Manager's best skill, efforts and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and Task Order terms and conditions.

39. SECURING AGREEMENT.

The Construction Manager warrants that the Construction Manager has not employed or retained any company or person, other than a bona fide employee working solely for Construction Manager, to solicit or secure this Task Order and that Construction Manager has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Construction Manager, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Task Order. At the time this Task Order is executed, Construction Manager shall sign and deliver to the COUNTY the Truth-in-Negotiation Certificate attached hereto and made a part hereof as Exhibit L.

The Construction Manager's compensation shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or non- current wage rates or other factual unit costs.

40. PUBLIC ENTITY CRIMES.

40.1 By its execution of this Task Order, Construction Manager acknowledges that it has been informed by the COUNTY and is in compliance with the terms of Section 287.133(2)(a) of the Florida Statutes which reads as follows:

"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods

or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list."

41. **EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION**

In performing all services to be provided hereunder, the Construction Manager shall not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Construction Manager shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such actions shall include, but not be limited to, the following: (i) employment, upgrading, demotion or transfer; (ii) recruitment or recruitment advertising; (iii) layoff or termination; (iv) rates of pay or other forms of compensation; and (v) selection for training, including apprenticeship. The Construction Manager shall post in conspicuous places, available to all employees and applicants for employment notices setting forth the terms of this Equal Employment Opportunity Non- Discrimination Clause and stating that all qualified candidates will receive consideration for employment without regard to race, color, religion, sex or national origin.

The County adheres to subsection 287.134(2)(a), Florida Statutes, and will not transact business with entities or affiliates placed on the discriminatory vendor list maintained by the Florida Department of Management Services. By accepting this Task Order, Construction Manager certifies that is not on the discriminatory vendor list. Violation of this provision by Construction Manager is grounds for termination of this Task Order by the County. The Construction Manager agrees to include this provision in all contracts issued as a result of this Task Order.

END OF GENERAL TERMS AND CONDITIONS

EXHIBIT B - SUPPLEMENTAL TERMS AND CONDITIONS

The following Supplemental Terms and Conditions hereby amend, modify and supersede in the event of a conflict the terms of the Task Order and the General Terms and Conditions attached thereto as Exhibit A.

A. Construction Manager shall provide the COUNTY, its representatives and the Design Professional with two copies each of a Policy and Procedure Manual developed and updated in accordance with the following requirements

1. Upon execution of the Task Order, the Construction Manager shall develop a draft of the comprehensive Policy and Procedure Manual describing the services to be provided by the Construction Manager per the Task Order Documents. This shall provide a plan for the control, direction, coordination and evaluation of the Work performed throughout the Project; the Project organization including identification of key personnel, responsibilities of the Construction Manager, the COUNTY and Design Professional; Workflow diagrams; and strategy for bidding and subcontracting the Work. The COUNTY shall have the right to review the Policy and Procedure Manual and to approve its content and format. The Policy and Procedure Manual may be updated as necessary throughout the Pre-Construction and Construction Phases, but substantive changes will not be made without the COUNTY's prior written concurrence. In developing the Policy and Procedure Manual, the Construction Manager shall coordinate and consult with the COUNTY and the Design Professional. The initial manual shall be submitted to the COUNTY for approval.

2. Contents of Policy and Procedure Manual: The Policy and Procedure Manual shall describe in detail the procedures for executing the Work and the organizations participating. The Policy and Procedure Manual shall include, as a minimum, the following sections:

   2.1 Project Definition: The known characteristics of the Project and sub- projects shall be described in general terms which will provide the participants a basic understanding of the Project and sub-projects.

   2.2 Project Goals: The schedule, budget, physical, technical and other objectives for the Project shall be defined.

   2.3 Project Strategy: A narrative description of the Project delivery methods which shall be utilized to accomplish the Project goals.

   2.4 Project Work Plan: A matrix display of the Work to be performed by the Construction Manager, as well as the services and items to be furnished by the Design Professional and the COUNTY during each phase of the Project.

   2.5 Project Organization: A summary organization chart showing the interrelationships between the COUNTY, the Construction Manager and the Design Professional, and other supporting organizations and permitting review agencies. Detailed charts, one each for the Construction Manager and Design Professional, showing organizational elements participating in the Project shall be included.

2.6 Responsibility Performance Chart: A detailed matrix showing the specific responsibilities and interrelationships of the COUNTY, the Design Professional, and Construction Manager. The Responsibility Performance Chart shall indicate major responsibility, and minor responsibility, for each specific task required to deliver the Project. The Construction Manager shall develop a similar chart for the personnel within its own organization who are assigned to the Project, as well as for the Design Professional's and the COUNTY's personnel assigned to the Project from data supplied by them.

2.7 Flow Diagrams: These charts shall display the flow of information and the decision process for the review and approval of shop drawings and submittals, progress, and change orders.

2.8 Direct Purchase Procedures: The Construction Manager will have a Direct Purchase Program in place. The Construction Manager will provide written procedures as to how materials or goods will be identified for direct purchase by the COUNTY and the process to be followed to allow for the COUNTY's direct purchase of and payment for such items (including credit towards the GMP for the sales tax savings incurred) and for the Construction Manager's acceptance of the items and use for the Project.

2.9 Written Procedure: The Construction Manager will provide written procedures for communications and coordination required between the Construction Manager, Design Professional and the COUNTY throughout the Project. Procedures shall cover such items as correspondence, minutes, reports, inspections, team meetings, technical reviews, design reviews, and other necessary communications

2.10 Emergency Contact List: A complete list of the names, company affiliation and emergency contact phone numbers (both day and night) for all key Project personnel from the COUNTY, Construction Manager and Design Professional, as well as from all subcontractors, subconsultants and suppliers of any of them. This list shall be continuously updated by Construction Manager throughout the Project duration, with Construction Manager distributing a copy of all updates to the COUNTY and Design Professional.

3. This Policy and Procedure Manual shall be completed and submitted to the Design Professional and the COUNTY for their review and the COUNTY's approval as a condition precedent to payment by the COUNTY to Construction Manager for any services provided in the Construction Phase under this Task Order.

4. This Policy and Procedure Manual is merely an amplification and clarification of this Task Order. Any conflicts between the Policy and Procedure Manual and this Task Order shall be governed by the latter.

B. As its Project Management Information System ("PMIS"), Construction Manager shall provide and use Procore, or other comparable project tracking software acceptable to and approved by the COUNTY, which system shall be in place for both the Pre-Construction Phase and Construction Phase services to be provided by Construction Manager pursuant to this Task Order.

1. General:

1.1 Commencing immediately after the Notice to Proceed is issued to Construction Manager by the COUNTY, the Construction Manager shall implement and shall utilize throughout the life of this Task Order all subsystems of the PMIS.

1.2 The reports, documents, and data to be provided shall represent an accurate assessment of the current status of the Project and of the Work remaining to be accomplished and it shall provide a sound basis for identifying variances and problems and for making management decisions.

1.3 If requested by the COUNTY, the Construction Manager shall conduct a comprehensive workshop in Pasco County, Florida, for participants designated by the COUNTY and additional seminars as required by the COUNTY to provide instruction with respect to the PMIS. This workshop and the seminars shall facilitate each participant's and the COUNTY's representatives' use and understanding of the PMIS.

1.4 The PMIS shall be described in terms of the following major subsystems:

Narrative Reporting
Schedule Control
Cost Control and Estimating
Project Accounting
Accounting and Payment
Action Reports

1.5 The above reports shall be submitted at least on a monthly basis and shall accompany each monthly Application for Payment.

2. Narrative Reporting Subsystem.

2.1. The Construction Manager shall prepare written reports as described hereunder. All reports shall be in 8 1/2" x 11" format.

2.2. The Narrative Reporting Subsystem shall include the following reports:

2.2.1. A Monthly Executive Summary which provides an overview of current issues and pending decisions, future developments and expected achievements, and any problems or delays, including code violations found by any permitting authority.

2.2.2. A Monthly Cost Narrative describing the current construction cost estimate status of the Project.

2.2.3. A Monthly Scheduling Narrative summarizing the current status of the overall Master Project Schedule and an explanation of all variances from the plan. This report shall include an analysis of the various Project sub schedules, a description of the critical

path, and other analyses as necessary to compare planned performance with actual performance.

2.2.4. A Monthly Accounting Narrative describing the current cost and payment status for the entire Project. This report shall relate current encumbrances and expenditures to the budget allocations. An explanation for all variances shall be provided.

2.2.5. A Monthly Construction Progress Report during the Construction Phase summarizing the Work of the various subcontractors. This report shall include information from the weekly job site meetings as applicable such as general conditions, long lead supplies, current deliveries, safety and labor relations, programs, permits, construction problems and recommendations, and plans for the succeeding month.

2.2.6. A Daily Construction Diary during the Construction Phase describing events and conditions on the site.

2.3. The Reports outlined in subparagraphs 2.2.1 through 2.2.6 above shall be bound with applicable computer schedule reports and submitted monthly during Design and Construction Phases and shall be current through the end of the preceding month. Copies shall be delivered to the COUNTY and the Design Professional. A bound copy of the complete diary shall be submitted to the COUNTY at the conclusion of the Project.

3. Schedule Control Subsystem.

3.1. Construction Schedule: The Construction Manager shall prepare and submit to the COUNTY and Design Professional, for their review and approval, a Construction Schedule. This schedule shall conform to the format outlined in Paragraph 3.3 below. The approved Construction Schedule shall be attached to the GMP Task Order Amendment. The Construction Schedule shall be integrated into the Master Project Schedule.

3.1.1. Following development and approval of the Construction Schedule as aforesaid, the Construction Manager shall, at the end of each calendar month occurring thereafter during the period of time required to finally complete the Project, or at such earlier intervals as circumstances may require, update and/or revise the Construction Schedule which shall be submitted to the COUNTY in duplicate. No additional compensation will be due the Construction Manager for making such updates. Failure of the Construction Manager to update, revise, and submit the Construction Schedule as aforesaid shall be sufficient grounds for the COUNTY to find the Construction Manager in substantial default hereunder and that sufficient cause exists to terminate the Task Order or to withhold payment to the Construction Manager until a schedule or schedule update acceptable to the COUNTY is submitted.

3.2. The Construction Manager shall prepare and incorporate into the schedule database, at the required intervals, the following schedules:

3.2.1. Subcontractor Construction Schedules (Subnetworks): Upon the award of each

subcontract, the Construction Manager shall jointly with the subcontractor, develop a schedule taking into account the Work schedule of the other subcontractors. The subcontractor's construction schedule shall include as many activities as necessary to make the schedule an effective tool for construction planning and for monitoring the performance of the subcontractor. The subcontractor's construction schedule also shall show pertinent activities for material purchase orders, manpower supply, shop drawing schedules and material delivery schedules.

3.2.2. Occupancy Schedule: The Construction Manager shall jointly develop with the Design Professional and the COUNTY a detailed plan, inclusive of punch lists, final inspections, maintenance training and turn-over procedures, to be used for ensuring accomplishment of a smooth and phased transition from construction to COUNTY occupancy. The Occupancy Schedule shall be produced and updated monthly from its inception through final COUNTY occupancy and shall be integrated into the Master Project Schedule.

3.3 Schedule Format: The Construction Schedule shall be planned and recorded with a Critical Path Method (CPM) schedule in the form of an activity-on-node diagram. All activity-on-node diagrams shall include the Activity Identification, Activity Description, and the type of relationship between activities, including any lead or lag time, as well as being cost loaded. Further, the Construction Schedule shall incorporate and be based upon the Project milestone dates set forth in Exhibit I to the Task Order.

3.3.1. No activity shall have a duration greater than fifteen (15) workdays or less than one (1) workday except by prior approval of the COUNTY. If requested by the COUNTY or Design Professional, the Construction Manager shall furnish any information needed to justify the reasonableness of activity durations. Such information shall include, but not be limited to, estimated activity manpower, anticipated quantities, and production rates.

3.3.2. Procurement shall be identified with at least two (2) activities: fabrication and delivery. Construction Manager shall insure that all Work activities that require a submittal are preceded by the appropriate submittal and approval activities.

3.3.3. Only contractual constraints shall be shown in the schedule logic. No other restraints are allowed unless approved in writing by the COUNTY or Design Professional. This disallowance of constraints includes the use of any mandatory start or finish dates selected by Construction Manager.

3.3.4. Activities shall be identified by codes to reflect the responsible party for the accomplishment of each activity (only one party per activity), the Phase/Stage of the Project for each activity, and the Area/Location of each activity

3.3.5. The construction time for the Work, or any milestone, shall not exceed the specified Contract Time. Logic or activity durations shall be revised in the event that any milestone or Task Order completion date is exceeded in the schedule.

3.3.6. Float is defined as the amount of time between when an activity "can start" (the early start) and when an activity "must start" (the late start). It is understood by the COUNTY and the Construction Manager that float is a shared commodity, not for the exclusive use or financial benefit of either party. Either party has the full use of the float until it is depleted.

The CPM schedules must be compatible with Primavera Project, or other compatible program agreed upon by the Parties at the outset of the Project. It is the Construction Manager's responsibility to ascertain the software compatibility with the COUNTY or Design Professional.

3.3.7. Initial Schedule Submittal Requirements:

3.3.7.1. Predecessor/Successor Sort
3.3.7.2. Total Float/Early Start Sort
3.3.7.3. Responsibility/Early Start Sort
3.3.7.4. Area/Early Start Sort
3.3.7.5. Logic Diagram: Produce diagram with not more than 100 activities per ANSI D (24-inch x 36-inch) size sheet. Ensure each sheet includes title, match data or diagram correlation, and key to identify all components used in the diagram.
3.3.7.6. Narrative discussing general approach to completion of the Work.
3.3.7.7. Diskette in Primavera .XER(P35.0) format.

3.3.8. Schedule Update Requirements: The Construction Manager shall update the schedules monthly to show actual, current progress. The schedule updates shall be submitted within seven (7) calendar days of the data dates. The updates shall include:

3.3.8.1. Dates of activities' actual starts and completions.
3.3.8.2. Percent of Work remaining for activities started but not completed as of the update date.
3.3.8.3. Narrative report including a listing of monthly progress, the activities that define the critical path and any changes to the path of critical activities from the previous update, sources of delay, any potential problems, requested logic changes, and Work planned for the next month.
3.3.8.4. Predecessor/Successor Sort
3.3.8.5. Total Float/Early Start Sort
3.3.8.6. Responsibility/Early Start Sort
3.3.8.7. Area/Early Start Sort
3.3.8.8. Diskette in the required Primavera format
3.3.8.9. Detailed listing of requested logic changes.
3.3.8.10. Updated logic diagram as required by the COUNTY. At a minimum, the COUNTY shall require a final logic diagram at the end of the Work showing the planned and actual starts and completions.
3.3.8.11. A bar chart comparison of the updated schedule to the initial schedule.

This diagram shall show actual and planned performance dates for all completed activities.

3.3.8.12. All update information shall be an accurate representation of the actual Work progress.

3.4. Recovery Schedule: If the initial schedule or any current updates fail to reflect the Work's actual plan or method of operation, or a contractual milestone date is more than fifteen (15) calendar days behind, the COUNTY may require that a recovery schedule for completion of the remaining Work be submitted. The Recovery Schedule must be submitted within seven (7) calendar days of the COUNTY's request. The Recovery Schedule shall describe in detail the Construction Manager's plan to complete the remaining Work by the required Task Order milestone date. The Recovery Schedule submitted shall meet the same requirements as the original Construction Schedule. The narrative submitted with the Recovery Schedule should describe in detail all changes that have been made to meet the Task Order milestone dates.

3.5. Change Orders: When a Change Order is proposed, the Construction Manager must identify all logic changes as a result of the Change Order. The Construction Manager shall include, as part of each Change Order proposal, a sketch showing all schedule logic revisions, duration changes, and the relationships to other activities in the approved Construction Schedule. This sketch shall be known as the fragnet for the change. Upon acceptance of the fragnet, the Construction Manager will revise the Construction Schedule or current update. The logic changes required by the Change Order will be considered incidental to the Construction Manager's work. No separate payment will be made.

4. Cost Control Subsystem: The operation of this subsystem shall provide sufficient timely cost data and detail to permit the Construction Manager to control and adjust the Project requirements, needs, materials, equipment and systems by building and site elements so that the Work will be completed at a cost which, together with the Construction Manager's Fee, will not exceed the GMP. Requirements of this subsystem include submissions at the following phases of the Project:

4.1. Pre-Construction Phase Estimates, if applicable; and

4.2. At establishment of the GMP.

5. Project Accounting Subsystem: This subsystem shall enable the Construction Manager to plan effectively and the COUNTY to monitor and control the funds available for the Project, cash flow, costs, Change Orders, Construction Change Directives, payments, and other major financial factors by comparison of budget, estimate, total commitment, amounts invoiced, and amounts payable, and also enable the COUNTY to stay informed as to the overall Project status. All reports to be generated as part of this subsystem shall be consistent with the Project Funding Schedule (if any). This subsystem will be produced and updated monthly and includes the following reports:

5.1. Costs Status Report representing the budget, estimate, and base commitment (awarded subcontracts and purchase orders) for any given subcontract or budget line item. It shall show approved Change Orders and Construction Change Directive for each subcontract which when added to the base commitment will become the total commitment. Pending Change

Orders also will be shown to produce the total estimated probable cost to complete the Work.

5.2. A Payment Status Report showing the value in place (both current and cumulative), the amount invoiced (both current and cumulative), and the balance remaining. A summary of this report shall accompany each pay request.

5.3. A Detailed Status Report showing the complete activity history of each item in the Project accounting structure and includes an earned value graph. It shall include the budget, estimate, and base commitment figures for each subcontract. It shall give the Change Order history, including Change Order numbers, description, proposed and approved dollar amounts. It also shall show all pending or rejected Change Orders.

5.4. A Cash Flow Diagram showing the projected accumulation of cash payments against the Project. Cash flow projections shall be generated for anticipated monthly payments as well as cumulative payments.

5.5. A Job Ledger shall be maintained as necessary to supplement the operation of the Project accounting subsystem. The job ledger will be used to provide construction cost accountability for general conditions work, on-site reimbursable expenses, and costs requiring accounting needs.

END OF SUPPLEMENTAL TERMS AND CONDITIONS

EXHIBIT C - FORM OF PAYMENT BOND

PUBLIC PAYMENT BOND

BOND NO._____

PAYMENT BOND

KNOW ALL PERSONS BY THESE PRESENTS: That_____, as Principal, whose address is_____,and _____, as Surety, whose address is _____, are held and firmly bound unto the Board of County Commissioners, Pasco County, Florida, as Obligee in the sum of $_____, for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the Principal has entered into a contract with Obligee, dated the ____ day of _____ _____, 20___, for _____; in accordance with drawings and specifications, which task order is by reference made a part hereof, and is hereinafter referred to as the Task Order.

NOW THEREFORE, THE CONDITION OF THIS BOND IS THAT IF THE PRINCIPAL:

Shall promptly make payments to all claimants as defined in section 255.05(1), Florida Statutes, supplying the Principal with labor, materials, or supplies, as used directly or indirectly by the Principal in the prosecution of the work provided for in the Task Order; and

Shall pay the Obligee for all losses, damages, expenses, costs, and attorney's fees, including those resulting from appellate proceedings, that the Obligee sustains because of a default by the Principal in contravention to the Task Order in regard to payment for such labor, materials, or supplies furnished to the Principal; then this Bond is void; otherwise, this Bond remains in full force and effect.

BE IT FURTHER KNOWN:

Any changes in or under the Task Order and compliance or noncompliance with any formalities connected with the said Task Order or alterations which may be made in the terms of the said Task Order, or in the work to be done under it, or the giving by the Obligee of any extension of time for the performance of the said Task Order, or any other forbearance on the part of the Obligee or Principal to the other, shall not in any way release the Principal and the Surety, or either or any of them, their heirs, their personal representatives, their successors or their assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in section 255.05, Florida Statutes, and as otherwise provided by law.

As concerns payment for labor, materials and supplies, as affects certain claimants, no legal action shall be instituted against the Principal or Surety on this Bond after one (1) year from the performance of labor or the completion of delivery of the materials or supplies as is specifically mandated pursuant to section 255.05, Florida Statutes.

THIS BOND IS DATED THIS_____day of_____, 20___(the date of issue by the Surety or by the Surety's agent and the date of such agent's power-of-attorney).

EXHIBIT D - FORM OF PERFORMANCE BOND
PUBLIC CONSTRUCTION BOND

BOND NO.

BY THIS BOND, We _____, as Principal and _____, a corporation, as Surety, are bound to PASCO COUNTY BOARD OF COUNTY COMMISSIONERS, herein called Owner, in the sum of $_____ _____, for payment of which we bind ourselves, our heirs, personal representatives, successors, and assigns, jointly and severally.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the Task Order dated _____, between Principal and Owner for construction of _____ , (hereinafter the "Task Order"), the Task Order being made a part of this bond by reference, at the times and in the manner prescribed in the Task Order; and

2. Promptly makes payment to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials or supplies used directly or indirectly by Principal in the prosecution of the work provided for in the Task Order; and

3. Pays Owner all losses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that Owner sustains because of a default by Principal under the Task Order; and

4. Performs the guarantee of all work and materials furnished under the Task Order for the time specified in the Task Order, then this bond is void; otherwise it remains in full force.

Any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2), Florida Statutes.

Any changes in or under Task Order Documents (including extension of time, alternatives or additions to the terms of the Task Order or specifications referred to within), and compliance or noncompliance with any formalities connected with the Task Order or the changes does not affect Surety's obligation under this bond, and it does hereby waive notice of any such changes, extension of time, alterations or additions to the terms of the Task Order or to work or to the specifications.

THIS BOND IS DATED THIS_____day of_____, 20___(the date of issue by the Surety or by the Surety's agent and the date of such agent's power-of-attorney).

EXHIBIT E - INSURANCE REQUIREMENTS

The amounts and types of insurance shall conform to the minimum requirements listed below with the use of Insurance Services Office (ISO) or ACCORD forms and endorsements or broader where applicable. All self-insured retentions or deductibles will be Construction Manager's sole responsibility.

I. Workers' Compensation and Employer's Liability Insurance shall be maintained by Construction Manager during the term of the Master Agreement and this Task Order for all employees engaged in the work under the Master Agreement and this Task Order, in accordance with the laws of the State of Florida. The amount of such insurance shall not be less than:

Workers' Compensation - Florida Statutory Requirements Employer's Liability –

Bodily Injury by Accident	$1,000,000 .00	each accident
Bodily Injury by Disease	$1,000,000 .00	each employee
Bodily Injury by Disease	$1,000,000 .00	policy limit

The insurance company shall waive claims rights against the COUNTY.

Commercial General Liability Insurance, written on an "occurrence" basis, shall be maintained by Construction Manager. Coverage, as provided by 1986 (or later) ISO commercial general liability form, shall include, but not be limited to, Bodily Injury, Contractual for this Task Order, Independent Contractors, Premises Operations, Explosion, Collapses and Underground, Broad Form Property Damage, Personal Injury and Fire Legal Liability Coverages. ISO Endorsement CG 22 79 or CG 22 80 (Limited Exclusion – Contractor's – Professional Liability) also must be provided. Completed Operations coverage must be maintained by Construction Manager for not less than five (5) years following completion and acceptance by the COUNTY of the Work performed by Construction Manager at each Project Site assigned to it. Limits of coverage shall not be less than the following for Bodily Injury, including Death, Property Damage and Personal Injury Combined Single Limits:

General Aggregate	$3,000,000.00
Products - Completed Operations Aggregate	$3,000,000.00
Personal and Advertising Injury	$1,000,000.00
Each Occurrence	$1,000,000.00
Fire Damage (Any One Fire)	$50,000.00
Medical Expenses per person	$5,000.00
Contract Specific Project Aggregate Limits	$ same as above

The aggregate limits shall be separately applicable to this Task Order through the use of an endorsement approved by the COUNTY. Applicable deductibles or self-insured retention shall be the sole responsibility of Construction Manager.

I. Automobile Liability Insurance shall be maintained by Construction Manager as to ownership, maintenance, and use, including loading and unloading, of all owned, non-owned, leased or hired vehicles with limits of not less than:

$1,000,000.00 Combined Single Limit each accident for Bodily Injury, including Death & Property Damage Liability; $3,000,000.00 Aggregate

II. Umbrella Liability Insurance or Excess Liability Insurance shall not be less than $5,000,000.00 each occurrence and aggregate. Coverage shall be excess of the US L&H, Maritime, Employers Liability, Commercial General Liability and Automobile Liability coverages required herein and shall include all coverages on a "following form" basis. Coverage shall drop down as primary on the exhaustion of any aggregate limit. The aggregate limits shall apply separately to this Task Order, and the specific Task Order aggregate limits shall be evidenced by the use of an endorsement approved by the COUNTY. If Umbrella policy does not cover any mandated coverage, then that coverage must have its own limits to meet this requirement.

III. Pollution Professional Legal Liability Insurance shall be $5,000,000.00 each claim and annual aggregate including contractual liability covering environmental claims for bodily injury and property damage defined as physical injury to or destruction of tangible property damage coverage including the resulting loss of use of damaged property thereof or of tangible property that has not been physically injured, cleanup costs, and defense, including costs and expenses incurred in the investigation, defense, or settlement of claims as well as for professional and pollution arising out of covered operations performed by the Construction Manager or it Subcontractors or others who may be liable described under the scope of services of this Task Order. This coverage will include Professional Liability arising out of Construction Manager's direct or vicarious liability for operations performed on this Project.

EXHIBIT F - RELEASE AND AFFIDAVIT FOR PROGRESS PAYMENT

STATE OF FLORIDA)
ss
COUNTY OF)

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

(1) In accordance with the Task Order Documents and in consideration of $_____paid, Wharton-Smith, Inc. ("Construction Manager") releases and waives for itself and its subcontractors, materialmen, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against The County Commissioners of Pasco County, Florida, a body corporate existing under the laws of the State of Florida ("the COUNTY") relating in any way to the performance of Task Order No. XXX between Construction Manager and the COUNTY, dated _____, 20_____, for the period from _____to _____.

(2) Construction Manager certifies for itself and its subcontractors, materialmen, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which the COUNTY might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Construction Manager agrees to indemnify, defend, and save harmless the COUNTY from all demands or suits, actions, claims of liens or other charges filed or asserted against the COUNTY arising out of the performance by Construction Manager of the Work covered by this Release and Affidavit.

(4) Construction Manager certifies that it has paid all its subcontractors and materialmen in full all amounts owed them from any previous payments received by Construction Manager from the COUNTY and has not withheld any such amounts. In the event Construction Manager withholds any unpaid amounts due to its subcontractors and/or materialmen in breach of its respective Subcontract from the payment it receives from the COUNTY with respect to the Application for Payment referenced in paragraph 5 below, Construction Manager agrees to immediately refund all such unpaid amounts to the COUNTY.

(5) This Release and Affidavit is given in connection with Construction Manager's [monthly/final] Application for Payment No. _____.

,who after being duly sworn, deposes and says:

(1) In accordance with the Task Order Documents and in consideration of $_____paid,_____("Construction Manager") releases

and waives for itself and its subcontractors, materialmen, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against The County Commissioners of Pasco County, Florida, a body corporate existing under the laws of the State of Florida ("the COUNTY") relating in any way to the performance of the Task Order No. XXX between Construction Manager and the COUNTY, dated_____, 20____, for the period from _____ to_____.

(2) Construction Manager certifies for itself and its subcontractors, materialmen, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which the COUNTY might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Construction Manager agrees to indemnify, defend and save harmless the COUNTY from all demands or suits, actions, claims of liens or other charges filed or asserted against the COUNTY arising out of the performance by Construction Manager of the Work covered by this Release and Affidavit.

(4) Construction Manager certifies that it has paid all its subcontractors and materialmen in full all amounts owed them from any previous payments received by Construction Manager from the COUNTY and has not withheld any such amounts, except for those subcontractors and materialmen due payment as part of this final Payment Application as identified on the list attached hereto as Exhibit A. In the event Construction Manager withholds any unpaid amounts due to its subcontractors and/or materialmen in breach of its respective Subcontract from the final payment it receives from the COUNTY with respect to the Application for Payment referenced in paragraph 5 below, the Construction Manager agrees to fully indemnify the COUNTY for any claims or actions filed by the Construction Manager's subcontractors and/or materialmen related to the Project or in the alternative, upon the COUNTY's written request, immediately refund all such unpaid amounts to the COUNTY.

a. This Release and Affidavit is given in connection with Construction Manager's final Application for Payment No.

PLEASE READ CAREFULLY

PASCO COUNTY, FLORIDA

CERTIFICATE OF INSURANCE EXPLANATION

Pasco County, Florida (County) requires the use of its Certificate of Insurance as evidence that the insurance requirements of the Master Agreement and Task Order have been complied with and will continue to be complied with as long as the Task Order is in force. The County must rely on this certificate as proof of compliance with the insurance requirements agreed upon. The County must be advised of cancellation or non-renewal of the insurance coverages required or reduction in the coverages provided in compliance with the Task Order as shown in the Certificate of Insurance. Thirty-day written notice of cancellation, non-renewal, or reduction in coverages must be provided to the County so that the County can take proper action to protect itself.

Many Certificates of Insurance are received by the County and many contain wording to the effect that the certificate is issued as a matter of information only and **confers no rights upon the certificate holder.** A common example of this unacceptable language is: should any of the above described policies be cancelled before the expiration date thereof, the issuing company will **endeavor** to mail days written notice to the named certificate holder, **but failure to mail such notice shall impose no obligation or liability of any kind upon the company.**

The County must have the **right** of notice of cancellation, non-renewal, and reduction of coverage as this is part of the insurance requirements of the Task Order entered into and to be relied upon by the County as evidenced through its Certificate of Insurance.

The requirement that the authorized representative signing the Certificate of Insurance attach his agent's license for the insurance company or companies, or other acknowledgment by the insurance company or companies shown in the certificate, is to show proof to the County that the person signing the certificate is legally authorized by the insurance company to so obligate them, as referred to in the certificate.

The County must have positive evidence in the form of its Certificate of Insurance that the insurance requirements of the Master Agreement and the Task Order entered into have been met and will continue to be met, without interruption, during the term of the Master Agreement and Task Order entered into unless thirty days written notice is given to it.

No activity shall begin until the County Insurance Certificate is received and

approved. Your cooperation in providing the County with acceptable evidence of insurance requirements compliance, as agreed to in the Task Order, will prevent confusion and delay in allowing the subject matter of this Task Order to be accomplished.

EXHIBIT N – Required Federal Forms (Post-Award)

THE FORMS ON THE FOLLOWING PAGES MUST BE SIGNED AND SUBMITTED BY OFFEROR AT THE TIME OFFEROR SIGNS THE AWARD AGREEMENT.

BUY AMERICA REQUIREMENTS

FOR PROCUREMENT OF STEEL, IRON, AND MANUFACTURED PRODUCTS (INCLUDING ROLLING STOCK) OVER $150,000

If this Task Order or purchase order is valued in excess of $150,000 and involves the procurement of steel, iron, or manufactured products, the bidder or offeror hereby certifies that it:

☐ Will meet the requirements of 49 USC 5323(j)(1) and the applicable regulations in 49 CFR part 661.5.

☐ Cannot meet the requirements of 49 USC 5323(j)(1) and 49 CFR part 661.5, but it may qualify for an exception pursuant to 49 USC 5323(j)(2)(A), 5323(j)(2)(B), or USC 5323(j)(2)(D), and 49 CFR part 661.7.

If this Task Order or purchase order is valued in excess of $150,000 and involves the procurement of buses, other rolling stock and associated equipment, the bidder or offeror hereby certifies that it:

☐ Will comply with the requirements of 49 USC 5323(j)(2)(C) and the regulations at 49 CFR part 661.11.

☐ Cannot comply with the requirements of 49 USC 5323(j)(2)(C) and 49 CFR part 661.11, but it may qualify for an exception pursuant to 49 USC 5323(j)(2)(A), 5323(j)(2)(B), or USC 5323(j)(2)(D), and 49 CFR part 661.7.

Note: This Buy America certification must be submitted to Pasco County, if applicable, with all bids or offers on FTA-funded contracts involving construction or the acquisition of goods or rolling stock, except those subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include final assembly in the United States for microcomputer equipment, software, and small purchases (currently less than $150,000) made with capital, operating or planning funds.

LOBBYING

For contracts over
$100,000

31 U.S.C. 1352, 2 C.F.R. § 200.450
2 CFR Part 200 Appendix II (J), 49 CFR Part 20

The undersigned certifies, to the best of his or her knowledge and belief, that:

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS FOR FEDERAL AID CONTRACTS

(Compliance with 2 CFR Parts 180 and 1200)

It is certified that neither the below identified firm nor its principals are presently suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Instructions for Certification

Instructions for Certification - Lower Tier Participants:

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior FTA approval or estimated to cost $25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "response," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Orders 12549, at Subpart C of OMB 2 C.F.R. Part 180 and 3000.332. You may contact the department or agency to which this response is being submitted for assistance in obtaining a copy of those regulations.

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the $25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a

lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the System for Award Management (SAM) database.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

CERTIFICATION FORM BEGINS ON NEXT PAGE

Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions

The following statement is made in accordance with the Privacy Act of 1974 (5 U.S.C. § 552(a), as amended). This certification is required by the regulations implementing Executive Orders 12549, Debarment and Suspension, and OMB 2 C.F.R. Part 180, Participants' responsibilities. The regulations were amended and published on August 31, 2005, in 70 Fed. Reg. 51865-51880.

[READ INSTRUCTIONS ON PREVIOUS PAGE BEFORE COMPLETING CERTIFICATION]

1. The prospective lower tier participant certifies, by submission of this response, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal or State department or agency;

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this response.

(where appropriate)

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING – REQUIRED FOR CONTRACTS OVER $100,000
Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor ,_____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 4 **FILE NO.:** FAC24-0193 **DATE:** 8/21/2024

SUBJECT: First Amendment to the Master Agreement for Construction Manager at Risk Services (CMAR) Bid No. RFP-DS-23-076 – Wharton-Smith Inc.— Animal Services – Veterinary Clinic & Administration Building — No Funding Required

REFERENCES: FAC24-0072, FAC24-0100, FAC24-0163

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve the First Amendment to the Pasco County Master Agreement for Construction Manager at Risk Services Bid No. RFP-DS-23-076 with Wharton-Smith Inc. (Wharton-Smith) as awarded by the Board of County Commissioners (BCC) on March 12, 2024 (the Agreement), to add the Animal Services – Veterinary Clinic & Administration Building construction project to the Agreement, as permitted by the language of the RFP and the Agreement.

Authorize the Chairman to execute two originals of the First Amendment provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 16, 2023, at the request of the Facilities Management Department (Facilities), the Purchasing Department solicited a Request for Proposals (RFP) for Construction Manager at Risk (CMAR) Services, which sought multiple contractors to provide preconstruction and/or construction services for numerous County facilities in the coming years. Projects included were Project Group A: Public Works, Fleet Nottingham Facility and Villages of Pasadena Hills Park; Project Group B: Fire Stations 19, 2, 4, 1, 5 and the Fire Rescue Training Center; Project Group C: Wesley Chapel Library, Hudson Library, Anclote River Park, Pasco Sheriff's Office Fleet, and County Fleet Central; and Project Group D: Utilities Administration, East and West, and Facilities Central.

After an Evaluation Committee evaluated the responses received from the responding firms and heard oral presentations from the shortlisted firms for each Project Group, the Committee recommended the award of Project Group A, B and D to Wharton-Smith. On January 9, 2024, the BCC approved the Evaluation Committee's recommendation and executed the Agreement to award Project Group C to Bandes Construction Company (FAC24-0072). The BCC directed the Evaluation Committee to reconvene to determine the most qualified firm to receive an award of Group A, Group B and Group D.

On March 12, 2024, the BCC approved the Evaluation Committee's recommendation that the Pasco County Master Agreement for Construction Manager at Risk Services for Project Group A be awarded to Wharton-Smith, and awarded Agreements to other vendors for Project Groups B and D (FAC24-0097). The Agreement with Wharton-Smith is currently in effect and project work is assigned on a task-order basis when a

project is ready for construction. The task order will specify the type of services needed, e.g., preconstruction or construction services, or both, and Wharton-Smith will function as the general contractor responsible for supervision, bidding, trade contracts, all scheduling, and coordination of each project, as well as the successful, timely and economical completion of each project.

Through the RFP and the Agreement with Wharton-Smith, the County reserved the right to add projects to, or subtract projects from, the projects list specified in Project Group A.

This First Amendment to the Agreement with Wharton-Smith will add the Veterinary Clinic & Administration Building to Project Group A. The Animal Services' new facility will house a full-scale medical center with 4 exam rooms, a prep and recovery area, a surgery suite, a full laboratory and reception on the first floor which is specialized construction. The second floor will house administration. The inclusion of the Construction Manager at Risk at the design stage will ensure they are knowledgeable about the pre-planning for the construction process. As the project moves forward, they will function as the general contractor and provide the most effective and affordable solutions with competitive pricing and the highest-quality work to ensure quality execution at every step in the construction process, as well as the successful, timely and economical completion of this project.

Facilities, with concurrence from the Purchasing Department, request approval of the First Amendment to the CMAR Master Agreement with Wharton-Smith to add the Veterinary Clinic & Administration Building to Project Group A .

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

DISTRIBUTION:

Enclosure

FIRST AMENDMENT
TO PASCO COUNTY MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES FOR RFP-DS-23-076

THIS FIRST AMENDMENT to the PASCO COUNTY MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES FOR RFP-DS-23-076 ("the Agreement") is made and entered into by and between Pasco County, a political subdivision of the State of Florida, by and through its Board of County Commissioners (hereinafter referred to as to "County") and Wharton-Smith, Inc., a Florida for-profit corporation licensed in the State of Florida, whose business address is 4912 W. LaSalle Street, Tampa, FL 33607 (hereinafter referred to as "Construction Manager").

WITNESSETH

WHEREAS, the County requires the services of experienced contractors to provide preconstruction and construction services for the construction, expansion, and/or renovation of numerous public facilities throughout Pasco County; and

WHEREAS, on June 16, 2023, the County issued solicitation RFP-DS-23-076, for a Request for Proposals to secure multiple contractors to provide preconstruction and construction services for numerous County public facilities, delineated as Groups A, B, C, and D in the RFP, together with all addenda issued ("the RFP"); and

WHEREAS, the County evaluated the responses received and found Construction Manager qualified to perform the necessary preconstruction and construction services; and

WHEREAS, the County and Construction Manager entered into the Agreement dated March 12, 2024, which set forth the terms and conditions, specifically, that it would be effective for seven (7) years;

WHEREAS, the Agreement further provided that Construction Manager will render certain management, preconstruction, and construction services as defined in the Agreement and as more fully described in specific, separately executed Task Orders under the Agreement, specifically for the construction, expansion, and/or renovation of the projects included in Group A (to include, but not be limited to: Public Works/Fleet Nottingham Facility and Villages of Pasadena Hills Park; and

WHEREAS, Section 1.4 of the Agreement, as well as the RFP, additionally provided that the County reserves the right to add projects to, or subtract projects from, the projects list specified in the Agreement, thereby allowing modification of the projects delineated in Group A of the RFP and the Agreement; and

WHEREAS, the County and Construction Manager now desire to amend the Agreement to add one project to the list of Construction Manager Services (Group A) set forth in the Agreement, to be implemented through a separately executed Task Order as provided by the Agreement's terms;

NOW, THEREFORE, the County and Construction Manager, for and in consideration of the mutual covenants and agreements herein contained, hereby mutually agree to amend the Agreement as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein by reference.

2. In Section 1.4 of the Agreement, the list of Group A Projects and the table of Group A projects is hereby amended as follows:

- **Group A Projects**
  - Public Works/Fleet Nottingham Facility
    - Currently under design with an estimated completion of design in late 2024.
    - This project will house numerous different departments in an 80,000 square-feet facility. It will also house a Fleet facility on the property.
    - There is extensive site work that is also required.
    - The estimated budget for this project is $60 million.
  - Villages of Pasadena Hills Park (VOPH)
    - The Villages of Pasadena Park is a large district park that will encompass sports fields and a gymnasium.
    - The estimated budget for this park is $30 million.
    - The park will designed in 2024.
    - There may be some pre-construction services requested for this project.
  - Animal Services – Veterinary Clinic & Administration Building
    -

Group A				
Project	Budget (millions)	Funded	Est. Start	Designed

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 1, 4, & 5 **FILE NO.:** FAC25-0196 **DATE:** 9/16/2025

SUBJECT: Second Amendment to Master Agreement for Construction Manager at Risk Services (CMAR) (Bid No. RFP-DS-23-076) — Wharton-Smith, Inc. — Developmental Services Building and Go Pasco Multimodal Transfer Stations — No Funding Required

REFERENCES: Memorandum FAC24-0072, FAC24-0097, FAC24-0193

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve the Second Amendment to the Pasco County Master Agreement for Construction Manager at Risk (CMAR) Services (Bid No. RFP-DS-23-076) with Wharton-Smith, Inc. (Wharton-Smith), as awarded by the Board of County Commissioners (BCC) on March 12, 2024, (the Agreement), to add the Developmental Services Building and Go Pasco Multimodal Transfer Stations projects to the Agreement, as permitted by the language of the RFP and the Agreement.

Authorize the Chairman to execute two originals of the Second Amendment provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On June 16, 2023, at the request of the Facilities Management Department (Facilities), the Purchasing Department solicited a Request for Proposals (RFP) for Construction Manager At Risk Services (CMAR), which sought multiple contractors to provide preconstruction and/or construction services for several County facilities in the coming years. Projects included were Project Group A: Public Works, Fleet Nottingham Facility (Nottingham) and Villages of Pasadena Hills Park (VOPH); Project Group B: Fire Stations 19, 2, 4, 1, 5 and the Fire Rescue Training Center; Project Group C: Wesley Chapel Library, Hudson Library, Anclote River Park, Pasco Sheriff's Office Fleet, and County Fleet Central, and Project Group D: Utilities Administration, East and West, and Facilities Central.

After an Evaluation Committee evaluated the responses received from the responding firms and heard oral presentations from the shortlisted firms for each Project Group, the committee recommended the award of Project Group C to Bandes. On January 9, 2024, the BCC approved the Evaluation Committee's recommendation and executed the Agreement to award Project Group C to Bandes Construction Company, Inc. (Bandes) (FAC24-0072).

On March 12, 2024, the BCC approved the Evaluation Committee's recommendation that the Pasco County Master Agreement for CMAR Services for Project Group A be awarded to Wharton-Smith and awarded Agreements to other vendors for Project Groups B and D (FAC24-0097). The Agreement with Wharton-Smith is currently in effect and project work is assigned on a task-order basis. Facilities will initiate a project

Task Order with Wharton-Smith as needed when a project is ready for construction. The Task Order will specify the type of services needed (e.g., preconstruction or construction services, or both), and Wharton-Smith will function as the General Contractor and CMAR responsible for supervision, bidding, trade contracts, all scheduling, and coordination of each project, as well as the successful, timely and economical completion of each project.

On August 21, 2024, the BCC approved the First Amendment with Wharton-Smith to include the Animal Services - Veterinary Clinic & Administration Building in Project Group A (FAC24-0193).

In the RFP and the Agreement with Wharton-Smith, the County reserves the right to add projects to, or subtract projects from the projects list specified in Project Group A. This Second Amendment to the Agreement with Wharton-Smith will add the Developmental Services Building and Go Pasco Multimodal Transfer Stations Building to Project Group A. The inclusion of the CMAR at the design stage will ensure they are knowledgeable about the pre-planning for the construction process. As the project moves forward, Wharton-Smith will function as the general contractor and provide the most effective and affordable solutions with competitive pricing and the highest-quality work to ensure quality execution at every step in the construction process, as well as the successful, timely and economical completion of this project.

Facilities, with concurrence from the Purchasing Department, request approval of the Second Amendment to the CMAR Master Agreement with Wharton-Smith to add the Developmental Services Building and Go Pasco Multimodal Transfer Stations to Project Group A.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

SECOND AMENDMENT
TO PASCO COUNTY MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES FOR RFP-DS-23-076

THIS SECOND AMENDMENT to the PASCO COUNTY MASTER AGREEMENT FOR CONSTRUCTION MANAGER AT RISK SERVICES FOR RFP-DS-23-076 ("the Agreement") is made and entered into by and between Pasco County, a political subdivision of the State of Florida, by and through its Board of County Commissioners (hereinafter referred to as to "County") and Wharton-Smith, Inc., a Florida for-profit corporation licensed in the State of Florida, whose business address is 4912 W. LaSalle Street Tampa, FL 33607 (hereinafter referred to as "Construction Manager").

WITNESSETH

WHEREAS, the County requires the services of experienced contractors to provide preconstruction and construction services for the construction, expansion, and/or renovation of numerous public facilities throughout Pasco County; and

WHEREAS, on June 16, 2023, the County issued solicitation RFP-DS-23-076, for a Request for Proposals to secure multiple contractors to provide preconstruction and construction services for numerous County public facilities, delineated as Groups A, B, C, and D in the RFP, together with all addenda issued ("the RFP"); and

WHEREAS, the County evaluated the responses received and found Construction Manager qualified to perform the necessary preconstruction and construction services; and

WHEREAS, the County and Construction Manager entered into the Agreement dated March 12, 2024, which set forth the terms and conditions, specifically, that it would be effective for seven (7) years; and

WHEREAS, the County and Construction Manager entered into a First Amendment to Agreement to modify the Agreement dated August 21, 2024, to include Animal Services – Veterinary Clinic & Administrative Building in Group A Projects; and

WHEREAS, the Agreement further provided that Construction Manager will render certain management, preconstruction, and construction services as defined in the Agreement and as more fully described in specific, separately executed Task Orders under the Agreement, specifically for the construction, expansion, and/or renovation of the projects included in Group A (to include, but not be limited to: Public Works/Fleet Nottingham Facility and Villages of Pasadena Hills Park; and

WHEREAS, Section 1.4 of the Agreement, as well as the RFP, additionally provided that the County reserves the right to add projects to, or subtract projects from, the projects list specified in the Agreement, thereby allowing modification of the projects delineated in Group A of the RFP and the Agreement; and

WHEREAS, the County and Construction Manager now desire to amend the Agreement to add two projects to the list of Construction Manager Services (Group A) set forth in the Agreement, to be implemented through a separately executed Task Order as provided by the Agreement's terms; and

WHEREAS, the First Amendment to the Agreement did not detail specifics as to the Animal Services – Veterinary Services & Administration Building project, this adds additional detail regarding said project;

NOW, THEREFORE, the County and Construction Manager, for and in consideration of the mutual covenants and agreements herein contained, hereby mutually agree to amend the Agreement as follows:

1. Recitals. The above recitals are true and correct and are incorporated herein by reference.

2. In Section 1.4 of the Agreement, the list of Group A Projects and the table of Group A projects is hereby amended to read as follows:

- **Group A Projects**
  - Public Works/Fleet Nottingham Facility
    - Design was completed in late 2024.
    - This project will house numerous different departments in an 80,000 square-feet facility. It will also house a Fleet facility on the property.
    - There is extensive site work that is also required.
    - The estimated budget for this project is $60 million.
  - Villages of Pasadena Hills Park (VOPH)
    - The Villages of Pasadena Park is a large district park that will encompass sports fields and a gymnasium.
    - The estimated budget for this park is $30 million.
    - The park was designed in 2024.
    - There may be some pre-construction services requested for this project.
  - Animal Services – Veterinary Clinic & Administration Building
    - Animal Services Veterinary Clinic & Administration Building will provide and larger improved area for Veterinarian Services and space for Administration.
    - Design is in progress with Furr, Wegman and Banks
    - The estimated budget for this Building is $4 million.
  - Development Services Building
    - Development has increased the need for additional Public Services due to the increased

population and enforcement in Pasco County, creating a need for additional employees and offices.

- Design for the Development Services Building is currently in procurement.
- Estimated budget for Development Services Building $45 million

o Go Pasco Multimodal Transfer Stations

- Design for Multimodal Transfer Stations to be completed at the end of 2025.
- Design is in progress with Furr, Wegman and Banks
- Transfer Stations to be erected on the following Parcels.
  - 16-25-16-0010-01800-0240 – 6827 Fox Hollow Dr.
  - 11-26-21-0010-00800-0250 – 5878 Fort King Rd.
  - Estimated budget for Fox Hollow – $2.1 million
  - Estimated budget for Fort King Road – $1.5 million

SUBJECT: CMAR Task Order No. FM26-003 Preconstruction – Wharton- Smith, Inc. – GOPASCO Multimodal Transfer Station – Zephyrhills – $35,673.00

Presented for your review and approval is Task Order No. FM26-003 with Wharton-Smith, Inc. (Wharton-Smith) for preconstruction services for the GOPASCO Multimodal Transfer Station – Zephyrhills Project, in the Not to Exceed (NTE) amount of $35,673.00. The transfer station will serve as a central hub for expanded transportation services in Zephyrhills, which will include a customer service and ticketing area, restroom, and covered pull-up bays for buses. This task order will allow Wharton-Smith to provide pre-construction services for the transfer station, including review of construction documents, development of a construction schedule, and development of solicitation documents.

On June 16, 2023, at the request of the Facilities Management Department, the Purchasing Department solicited a Request for Proposals (RFP-DS-23-076) for Construction Manager at Risk (CMAR) services, seeking contractors to provide preconstruction and construction services for various County projects; the projects were broken down into several "Project Groups" including Project Group A (Public Works, Fleet Nottingham Facility (Nottingham) and Villages of Pasadena Hills Park (VOPH)). Ultimately, on March 12, 2024, the Board of County Commissioners (BCC) approved the award of the agreement for CMAR services for Project Group A to Wharton-Smith (the "CMAR Agreement") (FAC24-0097).

On August 21, 2024, the BCC approved the First Amendment to the CMAR Agreement with Wharton-Smith for the inclusion of the Animal Services – Veterinary Clinic and Administration Building Project in Project Group A. (FAC24-0193).

On September 16, 2025, the BCC approved the Second Amendment to the CMAR Agreement with Wharton-Smith to include the Developmental Services Building and Go Pasco Multimodal Transfer Stations Projects in Project Group A. (FAC25-0196).

The Facilities Management Department, with concurrence from the Purchasing Department, requests approval of CMAR Task Order No. FM26-003 with Wharton-Smith in the amount of $35,673.00 for FY 2026. Funding in the amount of $35,673.00 is budgeted and available in the Capital Projects, Public Transportation, Project 23065. Please sign and return the attached two original task orders to Linda Cagnoli at the Facilities Management Department 4111 Land O'Lakes Blvd. Suite 107, Land O'Lakes, Fl. for distribution.

If you have any questions, please contact Molly Meadows, Sr. Project Manager, at Ext. 2427. Thank you.

TASK ORDER FOR
CONSTRUCTION MANAGER AT RISK (CMAR)

RFP-DS-23-076

Wharton-Smith, Inc.

GOPASCO MULTIMODAL TRANSFER STATION - ZEPHYRHILLS

Task Order No. FM26-003

THIS Task Order is made and entered into by and between Pasco County, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, hereinafter designated as the "COUNTY", and **Wharton-Smith, Inc.** (hereinafter designated as "Construction Manager"), a Florida For-Profit Corporation, whose primary business address is **4912 W. LaSalle Street, Tampa, FL 33607**, to perform all work ("Work") in connection with the management and construction required for the construction, expansion, and/or renovation of the **GOPASCO Multimodal Transfer Station – Zephyrhills** ("Project"), located at **5878 Fort King Road, Zephyrhills, FL 33541**, in **Zephyrhills,** Pasco County, Florida, said Work being set forth in the plans and specifications being prepared by **Furr, Wegman & Banks Architects, P.A.,** the Engineer of Record ("Design Professional"), and all other Task Order Documents hereafter specified, pursuant to the Master Agreement for Construction Manager at Risk Services executed by the COUNTY and the Construction Manager on **March 12, 2024** ("the Master Agreement" or Agreement).

NOW THEREFORE, the COUNTY and Construction Manager, for the consideration set forth herein, agree as follows:

Section 1. Task Order Documents

The Task Order Documents consist of this Task Order and any attachments and exhibits, Request for Proposals -RFP-DS-23-076 and any Addenda issued thereto (the "RFP"), Construction Manager's written response to the RFP, the Exhibits described in Section 8 hereof, any duly executed and issued addenda, Change Orders, Construction Change Directives, Field Orders and amendments relating thereto, and the Master Agreement and all Exhibits, appendices, and schedules attached thereto. Further, the term Task Order Documents shall include all plans and specifications for the construction of the Project ("Construction Documents") being prepared by Design Professional, but only after said Construction Documents have been completed by Design Professional and approved in writing by the COUNTY. All of the foregoing Task Order Documents are sometimes collectively referred to herein as the "Task Order".

For the Project associated with this Task Order, the COUNTY shall furnish Construction Manager with one (1) sealed copy and one (1) reproducible set of the Construction Documents. Any additional copies of Construction Documents, required by Construction Manager for execution of the Work, shall be made by Construction Manager. The reproducible set of the Construction Documents shall be returned to the COUNTY upon final acceptance of the Work or termination of the Task Order, whichever occurs first. Provided, however, the act of the COUNTY in furnishing Construction Manager a reproducible set of Construction Documents for Construction Manager's convenience and such furnishing by the
COUNTY shall not be deemed to be a waiver by the COUNTY or the Design Professional of any copyright, patent or license they may have with respect to the Construction Documents. All such copyrights, patents, and licenses relating to said Construction Documents are hereby expressly reserved by the COUNTY and the Design Professional.

In cases of conflict between Task Order Documents, the order of precedence of the Task Order Documents shall be as follows:

a. This Task Order, Change Orders, and other Task Order Modifications to this Task

Order.

b. The completed Construction Documents, as approved in writing by the COUNTY.

c. The Master Agreement executed by the COUNTY and the Construction Manager, including all Exhibits, appendices, and schedules attached thereto.

d. The RFP and any Addenda issued pursuant to it.

e. Construction Manager's written proposal and any attachments submitted in response to the RFP.

In addition, detailed plans shall take precedence over general plans for the same part of the Work. Specifications and detailed plans which may be prepared or approved by the COUNTY after the execution of the Task Order and which may be fairly inferred from the original specifications and plans are to be deemed a part of such specifications and plans, and that portion of the Work shown thereby shall be performed without any change in the GMP Price or Project Schedule.

With respect to conflicts between large scale drawings and small-scale drawings, the larger scale drawing shall govern.

To the extent the order of precedence above does not address certain items, and where compliance with two or more requirements is indicated in any of the enumerated Task Order Documents and where these requirements within the Task Order Documents conflict in quantity or quality, the Construction Manager shall be required to put the COUNTY on notice in writing of such conflict for the COUNTY's determination, within forty-eight (48) hours thereafter, of which requirement should apply, unless specifically indicated otherwise in the Task Order Documents.

Section 2. Scope of Work

The Scope of Work to be completed under this Task Order is defined as construction management services required for the GMP preparation and construction of the **GOPASCO Multimodal Transfer Station – Zephyrhills** ("Project"), located at **5878 Fort King Road, Zephyrhills, FL 33541**, located in **Zephyrhills**, Pasco County, Florida, said Work being set forth in the plans and specifications being prepared by **Furr, Wegman & Banks, Architects, P.A.**, (hereinafter the "Project"). Construction Manager shall endeavor to construct the work required for the Project in such a manner as will not, or minimally impact, impede or in any way preclude the ability of any existing facility to remain fully operational during the construction of the Project.

2.1 **Project Components**

The Scope of Work to be provided for the Project shall include the following minimum Preconstruction Services components:

1. Estimating:
   a. 100% Construction document estimate (GMP)
2. Bid Package preparation
3. Arranging for document distribution
4. Site Investigations/ Due Diligence
5. Subcontractor pre-qualification
6. Pre-bid conferences
7. Phasing and scheduling
8. Meetings, coordination, and interaction with Vendors and Subcontractors
9. Publishing cost and schedule information
10. Value Enhancement cost options and recommendations
11. Optional building systems analysis and recommendations
12. Construction Schedules
13. Systems estimates
14. Recommendations of project constructability

2.2 **Project Budget.**

The COUNTY's total Project Budget for construction is five million dollars and 00/100 cents ($5,000,000.00). The overall Task Order Amount (which includes the Pre-Construction Phase Fee and the Guaranteed Maximum Price) cannot exceed the Project Budget established by the COUNTY.

2.3 **Project Phases.** The Work to be provided by Construction Manager pursuant to this Task Order may be performed essentially in two phases. Those phases are the Pre-Construction Phase Services and Construction Phase Services. At the discretion of the COUNTY, those two phases may overlap. This Task Order will specify whether both Pre-Construction Phase Services, as well as Construction Phase Services, are included.

A. Pre-Construction Phase Services. The Construction Manager shall review and comment upon the Construction Documents developed by Design Professional. The scope of that review shall include, but not be limited to, reviewing those various documents for value engineering and constructability. During the Pre-Construction Phase, Construction Manager agrees to attend any and all design and preconstruction conferences as requested by the COUNTY and to otherwise assist and cooperate with Design Professional with respect to the design of the Project.

The County's Project Team, in conjunction with the Design Professional and the Construction Manager, will refine the scope of the Project during the initial design stage to be consistent with the COUNTY's Project Budget.

The Construction Manager shall also attend Utility Coordination meetings and assist the COUNTY with responding to inquiries from any other regulatory agency regarding Pre- Construction aspects of this Project.

When the COUNTY and Construction Manager agree that the design of the Project is sufficiently developed and documented to allow detailed pricing, Construction Manager shall

develop, prepare, and submit a Guaranteed Maximum Price (GMP) Proposal to the COUNTY in accordance with Exhibit K. The COUNTY shall accept such GMP within thirty (30) days of the date of the receipt unless such time is mutually extended. If the COUNTY does not accept the GMP within the time period herein provided, such proposal shall be presumed to be rejected by the COUNTY and the Construction Manager shall be entitled to payment for all Pre-Construction Phase services in the amount indicated in Section 4-A of the Task Order.

Construction Manager shall provide all other services during the Pre-Construction Phase of the Project as set forth in Exhibit A, Article 8.

B. Construction Phase Services. After the Construction Documents have been sufficiently completed by Design Professional and approved by the COUNTY for all of the Work (or such portions thereof as may be designated by the COUNTY in writing), and the COUNTY and Construction Manager have agreed in writing upon the GMP to be paid Construction Manager and the Task Order Time for the Work (or designated portions thereof) as hereafter provided, Construction Manager shall furnish and pay for all management, supervision, financing, labor, materials, tools, fuel, supplies, utilities, equipment and services of every kind and type necessary to diligently, timely and fully perform and complete in a good and workmanlike manner the construction of the Work (or designated portions thereof) in accordance with all of the terms and conditions of the Task Order Documents. It is recognized and agreed that any review or input of the design portions of the Task Order Documents are made in Construction Manager's capacity as a contractor and not as a licensed design professional and shall not be considered professional design services.

Section 3. Relationship of Parties

3.1 Communications During Project

The parties acknowledge that clear lines of communication and defined scope authority between representatives of the COUNTY and the Construction Manager and the Construction Manager and the Design Professional and the County are essential to the successful completion of the Project. The Construction Manager, prior to commencement of the Construction Phase Services, shall prepare and submit for the COUNTY's review and acceptance a proposed communication plan for use during the Project. This communication plan shall contain, at a minimum, procedures for the enhancement of communication and cooperation between the COUNTY, the Construction Manager, the Design Professional, separate contractors, inspectors, and other consultants and subcontractors on the Project, as well as procedures for the speedy and efficient resolution for implementing, documenting, reviewing and processing field questions and responses, field variance authorizations and directives, minor changes, Construction Change Directives, Field Directives, and Change Orders.

3.2 Construction Manager's Obligations

The Construction Manager accepts the relationship of trust and confidence established by this Task Order. The Construction Manager covenants with the COUNTY to cooperate with the Design Professional; to utilize the Construction Manager's best skill, efforts and judgment in

furthering the interest of the COUNTY; to furnish efficient business administration and supervision; to furnish at all times an adequate supply of workers and materials; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and the Task Order terms and conditions. Further, the Construction Manager acknowledges that (i) it has represented to the COUNTY that it has specific expertise in the planning, management and construction of projects of similar size, cost and complexity and (ii) that such representation is a material inducement to the COUNTY to enter into this Task Order.

3.3 **Construction Manager's Project Representative**

Construction Manager hereby designates **Johnny Santos** as its Project Executive for this Project, with full authority to bind and obligate the Construction Manager on all matters arising out of or relating to the Work or the Task Order Documents. Construction Manager agrees that the Project Executive shall devote whatever time is required to satisfactorily manage the Work and further agrees that the Project Executive shall not be removed or replaced by Construction Manager without the COUNTY's prior approval, which approval shall not be unreasonably withheld.

3.3 **COUNTY's Project Representatives**

The COUNTY has established a Leadership Team ("LT") to oversee the development of the Project. It consists of individuals from the Facilities Management Department Director ("Director") & staff ("COUNTY Project Manager"). While the input of any other affected department is crucial to the successful completion of the Project, the COUNTY's representatives will serve as the final decision maker as indicated below. The Construction Manager shall coordinate all correspondence, submittals, applications for payment, requests for information, change orders, claims and any other requests or documents through the Design Professional, and the COUNTY's Project Manager, unless otherwise specified in this Task Order.

The Director, in coordination with the Design Professional, is authorized, to determine or answer, all questions of any nature whatsoever arising out of, under or in connection with, or in any way relating to or on account of the Work, and/or as to the interpretation of the Work to be performed under the Task Order Documents.

The Construction Manager shall be bound by all determinations or orders as communicated by the COUNTY's Director or his designee, or the COUNTY Project Manager, and shall promptly respond to requests of the COUNTY's Project Manager and/or Design Professional, including the withdrawal or modification of any previous order, and regardless of whether the Construction Manager agrees with the COUNTY's determination or requests. Where requests are made orally, the COUNTY's Project Manager and/or Design Professional will follow up in writing, as soon thereafter as is practicable.

The COUNTY's Director and/or Project Manager shall have authority to act on behalf of the COUNTY to the extent provided by this Task Order, unless otherwise modified in writing by the COUNTY. All instructions to the Construction Manager shall be issued in writing. All instructions to the Construction Manager shall be issued through the Director or the COUNTY's

Project Manager.

The COUNTY's Project Manager and Design Professional shall have access to the Project Site during normal work hours, unless access is required by the COUNTY due to health, safety or welfare of the COUNTY or the public. The Construction Manager shall provide safe facilities for such access so the COUNTY's Project Manager and Design Professional may perform their functions under the Agreement. The COUNTY's Project Manager and Design Professional will make periodic visits to the Work Site to become generally familiar with the progress and quality of the Work, and to determine if the Work is proceeding in accordance with the Task Order Documents.

Construction Manager shall be responsible for/and in full control of construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work and shall carry out the Construction Work in accordance with the Task Order Documents.

The COUNTY's Project Manager will have authority to reject Construction Work that does not conform to the Task Order Documents' requirements. Whenever, in his or her reasonable opinion, it is considered necessary or advisable to ensure the proper implementation of the Task Order Documents, the COUNTY's Project Manager will have authority to require special inspections or testing of the Construction Work, whether or not such Construction Work is fabricated, installed or completed. Neither the COUNTY's Project Manager's and Design Professional's authority to act under this Article, nor any decision made by him/her in good faith either to exercise or not to exercise such authority, shall give rise to any duty or responsibility of the COUNTY's Project Manager and Design Professional to the Construction Manager, any Subcontractor, Subconsultant, supplier or any of their agents, employees, or any other person performing any of the Construction Work.

The COUNTY also reserves the right to utilize a private company under contract with the COUNTY to provide on-site construction examination and observation services for the Project. Such services are intended to be additional services and are not intended to and shall not be construed to supplant or alter the role and responsibilities of the COUNTY Project Manager, Design Professional, or the Construction Manager. While this company will represent the COUNTY at the site, the company and its employees have no authority to authorize changes or deviations from the Task Order Documents.

All interpretations and recommendations of the Director, the COUNTY's Project Manager, and the Design Professional shall be consistent with the intent of the Task Order Documents.

The Director, the COUNTY's Project Manager, and the Design Professional will not be responsible for the acts or omissions of the Construction Manager, or anyone employed or contracted directly or indirectly by the Construction Manager, including any Subcontractor, Subconsultant, or any of their agents or employees, or any other persons performing any of the Work.

Wherever the terms of this Task Order refer to some action, consent, or approval (excluding approvals of Change Orders, Construction Change Directive, or amendments to the Task Order) to be provided by the COUNTY or some notice, report or document is to be provided to the

COUNTY, such reference to "the COUNTY" shall mean the COUNTY's Board of County Commissioners or their designee, the County Administrator or the County Administrator's designee (to the extent such designee has been expressly authorized by the COUNTY) for this Task Order.

For purposes of this Task Order, the COUNTY representatives listed herein shall have the following level of authority to approve Construction Change Directive or Authorization for Contingency Releases: COUNTY's Project Manager up to $5,000; COUNTY's Facilities Director up to $25,000; Assistant County Administrator for Internal Services up to $50,000; and the County Administrator up to the full amount of the contingency amount included in the GMP and/or the amount provided for in the COUNTY's Purchasing Ordinance. The County Administrator shall also have the authority to approve a Change Order or amendment to this Task Order or the Master Agreement as permitted by the COUNTY'S Purchasing Ordinance.

Section 4. Task Order Amount

In consideration of the full and faithful performance by Construction Manager of the covenants in this Task Order, the COUNTY agrees to pay, or cause to be paid, to Construction Manager the following amounts (herein "Task Order Amount"), in accordance with the terms of this Task Order:

A Pre-Construction Phase Services. For all Pre-Construction Phase Services, enumerated in this Task Order, and in Exhibit A, Article 8, Construction Manager shall receive compensation as follows:

- Lump Sum of **$35,673.00**, as evidenced by Construction Manager's Preconstruction Services Proposal which is attached hereto as Exhibit V and incorporated herein

- Invoices shall be submitted to the COUNTY for the percentage of the pre-construction services completed on a monthly basis.

B. Construction Phase Services. With respect to the Construction Phase Services to be provided by Construction Manager hereunder, the COUNTY shall:

- reimburse Construction Manager for the Cost of the Work (as that term is defined hereafter); pay the Construction Manager a Construction Manager's Fee to be negotiated for the completion of the Construction Phase services; and
- pay the Construction Manager a lump sum amount to be negotiated for the Cost of General Conditions at the site during the Construction Phase of the Project.

The Construction Manager's Fee for the Construction Phase Services shall be the Construction Manager's total compensation for all overhead not reimbursable as Cost of the Work under Section 5.A. below, as well as the Construction Manager's total profit for the Construction Phase Services. The Construction Manager agrees to provide the COUNTY with a Guaranteed Maximum Price (GMP) proposal for the total sum of the Construction Manager's Fee, plus the Cost of the Work (including General Conditions), plus the Construction Manager's Contingency, within 60 calendar days after the Construction Documents in the opinion of the COUNTY and

Construction Manager are sufficiently completed by Design Professional and approved in writing by the COUNTY.

The GMP shall be based on actual subcontractor cost proposals as negotiated with the various subcontractors. Further, the proposal shall be broken down into the categories and level of detail required by the COUNTY. The Construction Manager agrees that all its books, records, and files, with respect to its development of the GMP proposal, shall be open to the COUNTY for review and copying. The final guaranteed maximum price shall be mutually agreed upon by the COUNTY and Construction Manager and shall be set forth in the GMP Amendment to this Task Order. The form for the GMP Amendment is attached hereto as Exhibit K.

The Construction Manager shall provide a detailed breakdown acceptable to the COUNTY of its GMP proposal, as well as for the final GMP. The Construction Manager guarantees that in no event shall the sum of the Construction Manager's Fee, the total Cost of the Work (including General Conditions), and the Construction Manager's Contingency exceed the GMP, however, the GMP may be adjusted pursuant to the terms herein for Change Orders and Construction Change Directives. In the event the Construction Manager and the COUNTY fail to reach an agreement on the GMP, the COUNTY may elect to terminate this Task Order and revise the Master Agreement accordingly. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Task Order Amount attributable to the Pre-Construction Phase Services; but the Construction Manager shall not be entitled to any further or additional compensation from the COUNTY, including but not limited to, damages or lost profits on portions of the Work not performed.

Contingency. The Construction Manager shall include a line item for Construction Manager's Contingency amount in the Schedule of Values for the Project, which Contingency amount, if accepted by the COUNTY, shall be included within the GMP and to the GMP Task Order Amendment for the Project, and subject to the prior agreement of the COUNTY. The Contingency shall be used as the source of funds for unforeseen costs that are reasonably and necessarily incurred and paid by the Construction Manager, which costs shall be at rates not higher than the standard paid in Pasco County, in connection with the proper performance of Work required hereunder which Work was unforeseeable by the Construction Manager, the Design Professional, and the COUNTY at the time of execution of the GMP Task Order Amendment. Use of the Construction Manager's Contingency shall be at the sole discretion of the COUNTY and requires the prior written approval of the COUNTY as stated elsewhere in these documents and/or as delegated. Such approval will not be unreasonably withheld.

1. The Construction Manager's Contingency shall be utilized to compensate for the increased Cost of the Project incurred by the Construction Manager due to unforeseen circumstances relating to construction of that Project which resulted in an unavoidable increase in costs, except when deemed the responsibility of the COUNTY. The Construction Manager will be required to furnish documentation evidencing all expenditures charged to the Construction Manager's Contingency and demonstrating that the costs incurred were necessary for the Work. The Construction Manager shall identify the amount sought to be charged to the Construction Manager's Contingency and the reasons why the amount should be charged to that Contingency.

2. The Construction Manager's Contingency shall not be used for rework, cost increase

caused by a lack of coordination or communication with the Design Professional or Subcontractors, or to correct errors and omissions in the Task Order Documents. The Task Order amount for the Construction Phase is guaranteed by the Construction Manager not to exceed the GMP. If cost of the Construction Phase exceeds the GMP, as may be adjusted by Change Orders, the Construction Manager shall pay the overrun without reimbursement from the COUNTY. The Construction Manager agrees to use all reasonable efforts to maximize cost savings during the Construction Phase.

3. The COUNTY, as stated elsewhere in these documents, must approve any and all expenses of the Construction Manager to be billed to and paid from the Construction Manager's Contingency, and such approval shall be requested and approved in advance of incurring such expenses, where practicable, and said approval will not be unreasonably withheld. The Construction Manager shall submit to the COUNTY a list of names, addresses, licensing information, and phone numbers of the Subcontractors that Construction Manager intends to use for each portion of the Construction Work, as well as identify in writing those portions of the Construction Work it intends to perform with its own employees.

Section 5. Cost of the Work

A Costs to be Reimbursed. The term Cost of the Work shall mean all costs necessarily and reasonably incurred by Construction Manager in the proper performance of the Construction Phase Services portion of the Work. Such costs shall be at rates not higher than the standard paid at the place of the Project except with the prior written consent of the COUNTY only after the Construction Manager has provided sufficient support in writing that exceptional circumstances exist, which justify the payment of rates higher than the standard. The Cost of the Work shall include only those items set forth below in this subsection A:

a. Wages of construction workers directly employed by the Construction Manager to perform the construction of the Work at the Project site or, with the COUNTY's written agreement, at off-site workshops.

b. Wages or salary of the Construction Manager's supervisory, technical, and administrative personnel who are stationed at the Project site with the COUNTY's written concurrence.

c. Wages and salaries of the Construction Manager's supervisory, technical, and administrative personnel when assigned to this Project and specifically working on this Project in the Construction Manager's administrative or home offices.

d. Costs, including transportation, installation, maintenance, dismantling and removal, of materials, supplies, temporary facilities (including project field offices, furniture and fixtures), temporary utilities, machinery, equipment, and hand tools not customarily owned by the construction workers, which are provided by the Construction Manager at the Project site and fully consumed in the performance of the Work; and costs less salvage value on such items if not fully consumed, whether sold to others or retained by the Construction Manager.

e. Rental charges, at standard industry rates for the area, for temporary facilities,

machinery, vehicles, equipment, and hand tools not customarily owned by the construction workers, which are provided by Construction Manager at the Project site, whether rented from Construction Manager or others, and costs of transportation, installation, minor repairs and replacements, dismantling and removal thereof. Rates and quantities of all equipment rented, whether from Construction Manager or others, shall be subject to the COUNTY's prior written approval.

f. Cost of removal and proper disposal of debris from the Project site.

g. Costs of telegrams, long distance telephone calls, cellular telephone calls, Internet service, Information Technology services, postage and parcel delivery charges, and telephone service at the Project site and reasonable petty cash expenses of the Project site office.

h. That portion of the reasonable travel and subsistence expenses of Construction Manager's personnel, assigned to the Project site, incurred while traveling outside of the Pasco County area in discharge of duties connected with the Work, provided all of such expenses and charges are consistent with the rates provided under Section 112.061, Florida Statutes, and shall be subject to the prior written approval of the COUNTY. Temporary living and travel expenses of employees who are not relocated but assigned to the Project must be consistent with the rates provided under Section 112.061, Florida Statutes, and upon written approval of the COUNTY.

i. Cost of reproducing and printing of materials required for the Project, subject to the rates provided under Section 112.061, Florida Statutes.

j. Sales, use, or similar taxes imposed by a governmental authority which are related to the Work and for which Construction Manager is liable.

k. Fees and assessments for the building permit and for other permits, licenses and inspections for which Construction Manager is required by the Task Order Documents to pay.

l. Fees of testing laboratories for tests required by the Task Order Documents, except those related to defective or nonconforming Work for which reimbursement is excluded pursuant to the terms of the Master Agreement and this Task Order.

m. Royalties and license fees paid for the use of a particular design, process or product required by the Task Order Documents.

n. Deposits lost for causes other than Construction Manager's fault or negligence.

o. Legal, mediation and arbitration costs, other than those arising from disputes between the COUNTY and Construction Manager, or caused by the Construction Manager's acts or omissions, reasonably incurred by Construction Manager in performance of the Work and with the COUNTY's prior written consent.

p. Costs reasonably incurred in repairing or correcting damage or nonconforming Work executed by Construction Manager, or its subcontractors or suppliers, provided that such damage or nonconforming Work was not caused by the negligence of the Construction Manager.

q. Cost of Public Information Programs or other neighborhood functions hosted by the Construction Manager at the direction of the COUNTY.

r. Cost of site safety as provided by Construction Manager

s. Cost of documentation, inspection and testing as required for the preparation of the Final Estimate and implementation of the Construction Manager's quality control process. Bonds and insurance premiums as required by the Task Order.

t. Cost to protect the Work and adjacent property from loss and damage.

u. Costs of applicable insurance and bonds at a rate to be agreed to by the Parties herein.

The General Conditions will be paid as a lump sum appropriately spread over the course of the work and as defined in the GMP Task Order Amendment.

Subcontract and Material Costs.

a. Payments made by the Construction Manager to subcontractors in accordance with the requirements of the applicable written subcontracts ("Subcontract Costs"). All subcontractor costs will be documented by signed subcontractor invoices.

b. Costs, including transportation, of materials and equipment incorporated or to be incorporated in the completed construction ("Material Costs"). All Material Costs must be documented by copies of invoices.

c. Costs of materials described in subsection 5. A., above, in excess of those actually installed but required to provide reasonable allowance for waste and for spoilage. Unused excess materials, if any, shall be handed over to the COUNTY at the completion of the Work or, at the COUNTY's option, shall be sold by the Construction Manager; amounts realized, if any, from such sales, shall be credited to the COUNTY as a deduction from the Costs of the Work.

B Costs Not to Be Reimbursed. The Cost of the Work shall not include the following items:

a. Except as provided in subsection 5. A., salaries and other compensation of the Construction Manager's personnel stationed at the Construction Manager's principal office or offices other than the Project site office.

b. Except as provided in the Fringe Benefits rate included in subsection 5. A., expenses of Construction Manager's principal office and offices other than the Project site office.

c. Overhead and general expenses, except as may be expressly included in subsection 5. A.

d. Construction Manager's capital expenses, including interest on Construction Manager's capital employed for the Work.

e. Rental costs of machinery and equipment, except as specifically provided in subsection 5. A.

Except as expressly provided in subsection 5. A., costs due to the negligence of Construction Manager, subcontractors, anyone directly or indirectly employed by any of them, or for whose acts any of them may be liable, including, but not limited to, costs for the correction of damaged, defective, or nonconforming Work, disposal and replacement of materials and equipment incorrectly ordered or supplied, and making good damage to property not forming part of the Work.

f. Any costs not specifically and expressly described in subsection A above.

g. Costs which would cause the GMP to be exceeded (as the GMP may be adjusted pursuant to the terms herein for Change Order and Construction Change Directives.)

h. The Construction Manager is responsible, without reimbursement from the COUNTY, for re-inspection fees and costs; to the extent such re-inspections are due to the negligence of the Construction Manager.

C Discounts, Rebates and Refunds.

1. Cash discounts obtained on payments made by the Construction Manager shall accrue to the COUNTY if (i) before making the payment, the Construction Manager included them in an application for payment and received payment therefore from the COUNTY, or (ii) the COUNTY has deposited funds with Construction Manager with which to make payments otherwise, cash discounts shall accrue to the Construction Manager. Trade discounts, rebates, refunds and amounts received from sales of surplus materials and equipment shall accrue to the COUNTY, and the Construction Manager shall make provisions so that they can be secured.
2. Amounts which accrued to the COUNTY in accordance with the provisions of subsection 5. C. 1 shall be credited to the COUNTY as a deduction from the Cost of the Work.

D. Local Preference in Contracting

The Construction Manager is strongly encouraged to identify opportunities to hire qualified County residents and businesses to perform work or provide services or materials for the Project when feasible. Construction Manager also encouraged to apply the local preference in purchasing adopted by the County when evaluating bids during the term of the Task Order and is expected to secure the cooperation of subcontractors in this effort as well.

This provision does not apply if state or federal funds are used to fund the Project or the Work.

Section 6. Bonds

A Within ten (10) business days after the GMP is agreed to by the COUNTY and Construction Manager, and at or before the date the GMP Task Order Amendment is executed by the COUNTY, the Construction Manager shall provide the COUNTY with Performance and

Payment Bonds, in the form prescribed in Exhibits C and D, in the amount of 100% of the total sum of the GMP, the costs of which are to be paid by the Construction Manager. The Performance and Payment Bonds must comply with the provisions of this Section and must be otherwise acceptable to the COUNTY:

B. The Bonds must be underwritten by a surety company which has a currently valid Certificate of Authority issued by the Florida Office of Insurance Regulation authorizing it to write surety bonds in the State of Florida.

1. The surety company shall have currently valid Certificate of Authority issued by the United States Department of Treasury under Sections 9304 to 9308 of Title 31 of the United States Code.

2. The surety company shall be in full compliance with the provisions of the Florida Insurance Code.

3. The surety company shall have at least twice the minimum surplus and capital required by the Florida Insurance Code at the time the invitation to bid is issued.

4. The Bonds must be fully performable in Florida, with service and venue in Pasco County, Florida.

5. The surety company shall have at least the minimum rating of A (CLASS VIII) in the latest issue of Best's Key Rating Guide.

6. The surety company shall not expose itself to any loss on any one risk in an amount exceeding ten (10) percent of its surplus to policyholders, provided:

a Any risk or portion of any risk being reinsured shall be deducted in determining the limitation of the risk as prescribed in this section. These minimum requirements shall apply to the reinsuring carrier providing authorization or approval by the Florida Office of Insurance Regulation to do business in this state have been met.

b. In the case of a surety insurance company, in addition to the deduction for reinsurance, the amount deposited, pledged or held subject to the consent of the surety and for the protection of the surety shall be deducted.

c. If the surety for any bond furnished by Construction Manager is declared bankrupt, becomes insolvent, its right to do business is terminated in the State of Florida, or it ceases to meet the requirements imposed by the Task Order Documents, the Construction Manager shall, within five (5) calendar days thereafter, substitute another bond and surety, both of which shall be subject to the minimum requirements noted above and the COUNTY's approval.

d In accordance with the requirements of Section 255.05(1)(a), Florida Statutes, Construction Manager shall record within 5 days in the Public Records of Pasco County, Florida, a copy of the Performance and Payment Bonds. The Construction Manager shall deliver within 10 days to the COUNTY a copy of the recorded Bonds. The delivery of such evidence is a condition precedent to the COUNTY's obligation to make any progress payments to Construction Manager hereunder.

Section 7. Task Order Time and Liquidated Damages

A. Time is of the essence in the performance of the Work under this Task Order.

B. The "Pre-Construction Commencement Date" shall be established in a Notice to Proceed to be issued by the County. The Construction Manager shall commence the Pre-Construction Phase Services portion of the Work within five (5) calendar days after the Pre-Construction Phase Commencement Date.

C Any Work performed by Construction Manager prior to the Pre-Construction Phase Commencement Date shall be at the sole risk and expense of Construction Manager.

D. The "Construction Phase Commencement Date" shall be established in the GMP Task Order Amendment. Construction Manager shall commence the Construction Phase Services portion of the Work within five (5) calendar days after the Construction Phase Commencement Date. No portion of the Work, with respect to the Construction Phase Services to be provided hereunder, shall be performed prior to the Construction Phase Commencement Date, unless expressly approved in advance by the COUNTY in writing. The total period of time beginning with the Construction Phase Commencement Date and ending on the date of Substantial Completion of the Work is referred to hereafter as the "Task Order Time". The Task Order Time is set forth with more specificity in subsection 7(E.) below.

E. Because the Work may be completed in more than one phase, the timely completion of each phase is critical to the timely completion of the second phase and, therefore, completion of the entire Project. Accordingly, if applicable, the Construction Manager agrees to provide the Pre- Construction Phase Services in accordance with the design schedule established pursuant to the terms of the Design Professional's Agreement. With respect to the Construction Phase Services, the GMP Amendment shall include the date that portion of the Work associated with the Construction Phase Services must be substantially completed by the Construction Manager. That Substantial Completion date shall be established in terms of calendar days after the Construction Phase Commencement Date. In the event the Construction Manager and the COUNTY fail to reach an agreement on the Task Order Time and the Substantial Completion date, the COUNTY may elect to terminate this Task Order and modify the Master Agreement accordingly. In the event of any such termination, the Construction Manager shall be entitled to receive that portion of the Task Order Amount attributable to the Pre-Construction Phase Services earned to the date of termination plus that portion of any earned compensation associated with any Construction Phase Services provided, to the extent such services were expressly approved in advance and in writing by the COUNTY; but the Construction Manager shall not be entitled to any further or additional compensation from the COUNTY, including but not limited to, damages or lost profits on portions of the Work not performed. Substantial Completion of the Work shall be achieved when the Work has been completed to the point where the COUNTY can occupy or utilize the Work for its intended purpose. Design Professional shall certify the date Substantial Completion of the Work is achieved. If the COUNTY has designated portions of the Work to be turned over to the COUNTY prior to Substantial Completion of the entire Work, the Design Professional shall certify the date as to when Substantial Completion of such designated portions of the Work have been achieved. The entire Work shall be fully completed and ready for final acceptance by the COUNTY within 30 calendar days after the Substantial Completion date.

F. The COUNTY and Construction Manager recognize that, because time is of the essence

for this Task Order, the COUNTY will suffer financial loss if the Work associated with the Construction Phase is not substantially completed within the time specified in the GMP Amendment, as said time may be adjusted as provided for herein. In such event, the total amount of the COUNTY's damages, will be difficult, if not impossible, to definitively ascertain and quantify, because this is a public construction project that will, when completed, benefit the public in Pasco County, Florida. The parties therefore expressly agree that it is appropriate and fair that the COUNTY receive liquidated damages from Construction Manager, if Construction Manager fails to achieve Substantial Completion of the Work within the required Task Order Time. Should Construction Manager fail to substantially complete the Work within the required time period, the COUNTY, upon thirty (30) days written notice to the Construction Manager, shall be entitled to assess liquidated damages $500.00 per day, but not as a penalty, for each calendar day after the missed Project Milestone thereafter until the Milestone or Substantial Completion of the entire Project is achieved. Construction Manager hereby expressly waives and relinquishes any right which it may have to seek to characterize the above noted liquidated damages as a penalty, which the parties agree represents a fair and reasonable estimate of the COUNTY's actual damages at the time of contracting if Construction Manager fails to substantially complete the Work in a timely manner.

G. When any period of time is referenced by days herein, it shall be computed to exclude the first day and include the last day of such period. If the last day of any such period falls on a Saturday or Sunday or on a day made a legal holiday by the laws of Florida, such day shall be omitted from the computation, and the last day shall become the next succeeding day which is not a Saturday, Sunday or legal holiday. The term "business day" as used herein shall mean all days of the week excluding Saturdays, Sundays and all legal holidays observed by the COUNTY.

Section 8. Exhibits Incorporated

The following documents are expressly agreed to be incorporated by reference and made a part of this Task Order.

Exhibit A: General Terms and Conditions
Exhibit B: Supplemental Terms and Conditions
Exhibit C: Form of Payment Bond
Exhibit D: Form of Performance Bond
Exhibit E: Insurance Requirements
Exhibit F: Form of Release and Affidavits
Exhibit G: Form of Application for Payment/Schedule of Values
Exhibit H: Form of Change Order/Consent of Surety to Change
Exhibit I: Master Project Schedule Milestones
Exhibit J: Construction Manager's Staffing Schedule
Exhibit K: GMP Amendment to Task Order between the COUNTY and Construction Manager
Exhibit L: Truth-In-Negotiation Certificate
Exhibit M: Certificate of Insurance Form
Exhibit N: Required Federal Forms (Post Award)
Exhibit V: Construction Manger's Preconstruction Services Proposal

In case of inconsistency, ambiguity, or discrepancy between Task Order Documents, the Exhibits shall govern over the Task Order Agreement.

Section 9. Notices

All notices required or made pursuant to this Task Order by the Construction Manager to the COUNTY shall be in writing and may be given (i) by mailing same by United States mail with proper postage affixed thereto, certified, return receipt requested, or (ii) by sending same by Federal Express, Express Mail, Airborne, Emery, Purolator or other expedited mail or package delivery, or (iii) by e-mail with a read-receipt to the other party, with a confirmation hard-copy to be mailed via regular United States mail, or (iv) by hand delivery to the appropriate address as herein provided, or (v) by telecopy with confirmation copy to be mailed.

Notices required hereunder shall be directed to the following addresses:

COUNTY:
Pasco County- Facilities Director
Pasco County- Facilities Department
7220 Osteen Road
New Port Richey, FL 34653
Via Email to: ABaxter@pascocountyfl.net

Construction Manager:
Wharton Smith, Inc.
Attn: Johnny Santos
4912 LaSalle Street,
Tampa, FL 33607

Either party may change its above noted address by giving written notice to the other party in accordance with the requirements of this Section.

Section 10. Construction Manager's Public Records Obligations

The Construction Manager is responsible for its compliance with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, the Construction Manager shall (a) keep and maintain public records required by the County to perform the service under the Agreement; (b) upon request from the County's custodian of public records provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Task Order term and following completion of the Task Order if the Construction Manager does not transfer the records to the County; and (d) upon completion of the Task Order, transfer, at no cost to the County, all public records in possession of the Construction Manager. Upon transfer, the Construction Manager shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements. All records stored electronically must be provided to the County in a format that is compatible with the information technology systems of the County. All documentation produced as part of this Task Order will become the property of the County. This paragraph shall survive the expiration or termination of this Task Order.

IF THE CONSTRUCTION MANAGER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONSTRUCTION MANAGER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS TASK ORDER, CONTACT THE CUSTODIAN OF PUBLIC RECORDS, AT (727) 847-834-3292, EXT. 3919, PRR@MYPASCO.NET, OR 7536 STATE STREET, NEW PORT RICHEY, FL 34654.

Under Florida law, a contractor (such as the Construction Manager) who fails to provide the public records to the County within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of this Task Order and/or the Master Agreement and may serve as grounds for termination of this Task Order and the Master Agreement accordingly.

Section 11. Nondiscrimination, Equal Employment Opportunity, Americans with Disabilities Act, and E-Verify Program

The Construction Manager shall be responsible for any fines or penalties that may be assessed or imposed on the County as a result of the Construction Manager's non-compliance relating to Work activities performed for this Project.

The Construction Manager warrants and represents that it does not and will not engage in discriminatory practices and that there shall be no discrimination in connection with the Construction Manager's performance under this Task Order on account of race, color, sex, religion, age, handicap, marital status or national origin. The Construction Manager further covenants that no otherwise qualified individual shall, solely by reason of his/her race, color, sex, religion, age, handicap, marital status or national origin, be excluded from participation in, be denied services, or be subject to discrimination under any provision of this Task Order or the Agreement.

The Construction Manager shall affirmatively comply with all applicable provisions of the Americans with Disabilities Act (ADA) in the course of providing any services funded by the County, including Titles I and II of the ADA (regarding nondiscrimination on the basis of disability), and all applicable regulations, guidelines, and standards. In addition, Construction Manager shall take affirmative steps to ensure nondiscrimination in employment against disabled persons. ADA compliance relating to the design of the facilities included as part of the overall Project shall be the responsibility of the COUNTY's Design Professional. The Construction Manager also has the responsibility to make sure the construction of the facilities complies with the ADA aspects of the design.

A contractor or consultant, like Construction Manager, entering into a contract with a public entity (such as the COUNTY) is required to be registered with the U.S. Department of Homeland Security's E-Verify System and to utilize it to verify the work authorization status of all newly hired employees throughout the term of the Task Order. The contractor or consultant, or Construction Manager, shall also be required to obtain and retain affidavits from all

subcontractors or subconsultants utilized during the Task Order verifying that they do not employ, contract with, or subcontract with any unauthorized aliens as that term is defined in 8 U.S.C.S. 1324a(h)(3). The failure to comply with this requirement constitutes grounds for termination of the Task Order and for such other penalties as provided under section 448.095, Florida Statutes.

If a public employer has terminated a contract with a contractor like Construction Manager for failure to comply with the requirements of the paragraph above, the Construction Manager may not be awarded a public contract for at least one year after the date on which the contract was terminated.

The COUNTY reserves the right to request verification of compliance from its consultants and contractors like Construction Manager during the term of its contract with the COUNTY and for a period of up to five (5) years thereafter. Should a COUNTY-retained consultant, contractor, and/or its subconsultants be found to be non-compliant with E-Verify as part of a federal audit or other inquiry, the consultant, contractor and/or its subconsultant(s), like Construction Manager, will be solely responsible for the payment of any fines or costs imposed upon the county as a result of such non-compliance. Compliance with this section is mandatory for all projects.

Section 12. Independent Contractor

The Construction Manager is engaged as an independent business and agrees to perform Work as an independent contractor. In accordance with the status of an independent contractor, the Construction Manager covenants and agrees that the Construction Manager will conduct business in a manner consistent with that status, that the Construction Manager will not claim to be an officer or employee of the County for any right or privilege applicable to an officer or employee of the County, including, but not limited to: worker's compensation coverage; unemployment insurance benefits; Social Security coverage; retirement membership, or credit.

The Construction Manager's staff shall not be considered employees of the County, and the Construction Manager alone shall be responsible for their Work, the direction thereof, and their compensation and benefits of any kind. Nothing in the Task Order Documents shall impose any liability or duty on the County on account of the Construction Manager's acts, omissions, liabilities or obligations of those of any person, firm, company, agency association, corporation, or organization engaged by the Construction Manager as a Subcontractor, expert, Construction Manager, independent contractors, specialist, trainee, employee, servant or agent or for taxes of any nature, including, but not limited to: unemployment insurance; worker's compensation and anti-discrimination, or workplace legislation of any kind. The Construction Manager hereby agrees to indemnify and hold harmless the County against any such liabilities, to the extent they arise from actions directed or taken by the Construction Manager. Tax savings afforded to the County for the direct purchase of materials shall not be applicable to this section 12.

Section 13. Third Party Beneficiaries

Neither the Construction Manager nor the County intends to directly or substantially benefit a third party by this Task Order. Therefore, the parties agree that there are no third-party beneficiaries to this Task Order and that no third party shall be entitled to assert a claim against either of them based upon this Task Order. The parties expressly acknowledge that it is not their

intent to create any rights or obligations in any third person or entity under this Task Order.

Section 14. Modification

No modification or amendment to the Task Order shall be valid or binding upon the parties unless in writing and executed by the party or parties intended to be bound by it.

Section 15. Successors and Assigns

Subject to other provisions hereof, the Task Order shall be binding upon and shall inure to the benefit of the successors and assigns of the parties to the Task Order.

Section 16. Governing Law

The Task Order shall be interpreted under and its performance governed by the laws of the State of Florida.

Section 17. No Waiver

The failure of the COUNTY to enforce at any time or for any period of time any one or more of the provisions of this Task Order shall not be construed to be and shall not be a waiver of any such provision or provisions or of its right thereafter to enforce each and every such provision.

Section 18. Each Party May Avail Itself of All Remedies

Each Party may avail itself of each and every remedy herein specifically given to it now or existing at law or in equity, and each and every such remedy shall be in addition to every other remedy so specifically given or otherwise so existing. The Parties' rights and remedies as set forth in the Task Order Documents are not exclusive and are in addition to any other rights and remedies in law or in equity.

Section 19. Funding Availability Clause

Funding for this Task Order is contingent on the availability of County funds and continued authorization for program activities and the Task Order is subject to amendment or termination due to lack of funds, reduction of funds and/or change in regulations, upon thirty (30) days' notice.

Section 20. Entire Task Order Agreement

Each of the parties hereto agrees and represents that the Task Order comprises the full and entire agreement between the parties affecting the Work contemplated for the Project, and no other agreement or understanding of any nature concerning the same has been entered into or will be recognized, and that all negotiations, acts, work performed, or payments made prior to the execution hereof shall be deemed merged in, integrated and superseded by the Task Order.

Section 21. Severability

Should any provision of the Task Order be determined by a court to be unenforceable, such a determination shall not affect the validity or enforceability of any other section or part thereof.

Section 22. Construction

Unless the context of this Task Order otherwise clearly requires, references to the plural include the singular, references to the singular include the plural. The term "including" is not limiting, and the terms "hereof', "herein", "hereunder", and similar terms in this Task Order refer to this Task Order as a whole and not to any particular provision of this Task Order, unless stated otherwise. Additionally, the parties hereto acknowledge that they have carefully reviewed this Task Order and have been advised by counsel of their choosing with respect thereto, and that they understand its contents and agree that this Task Order shall not be construed more strongly against any party hereto, regardless of who is responsible for its preparation.

Section 23 Execution in Counterparts/ Effective Date

This Task Order may be executed in counterparts, the sum of which will be considered an original. An electronic copy of a party's signature will also be treated as an original for purposes of this Task Order. The effective date for purposes of this Task Order shall be considered the date on which the COUNTY executes this Task Order.

[THE REST OF THIS PAGE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, the parties have caused this Task Order No. FM26-003 to be executed by their duly authorized representatives as indicated below.

EXHIBIT A - GENERAL TERMS AND CONDITIONS

1. INTENT OF TASK ORDER DOCUMENTS.

It is the intent of the Task Order Documents to describe a functionally complete Project (or portion thereof) to be constructed in accordance with the Task Order Documents. Any work, materials or equipment that may reasonably be inferred from the Task Order Documents as being required to produce the intended result shall be supplied whether or not specifically called for in the Task Order Documents. If the Task Order Documents include words or terms that have a generally accepted technical or industry meaning, then such words or terms shall be interpreted to have such standard meaning unless otherwise expressly noted in the Task Order Documents. Reference to standard specifications, manuals or codes of any technical society, organization or association or to the laws or regulations of any governmental authority having jurisdiction over the Project, whether such reference be specific or by implication, shall mean the latest standard specification, manual, code, law or regulation in affect at the time the Work is performed, except as may be otherwise specifically stated herein. Provided, however, in the event the standard specification, manual, code, law or regulation is changed after the GMP Amendment has been executed by the parties, Construction Manager shall be entitled to a Change Order equitably adjusting the Task Order Amount and/or Task Order Time to the extent such change materially impacts the Task Order Time and/or Task Order Amount.

If during the performance of the Work, Construction Manager discovers a conflict, error or discrepancy in the Task Order Documents, Construction Manager immediately shall report same to the COUNTY and the Design Professional in writing, and before proceeding with the Work affected thereby, shall obtain a written interpretation or clarification from Design Professional. Prior to commencing each portion of the Work, Construction Manager shall first take all necessary field measurements and verify the applicable field conditions. After taking such measurements and verifying such conditions, Construction Manager shall carefully compare such measurements and conditions with the requirements of the Task Order Documents, taking into consideration all other relevant information known to Construction Manager, for the purpose of identifying and bringing to the COUNTY's attention all conflicts or discrepancies with the Task Order Documents.

Drawings are intended to show general arrangements, design, and extent of Work, and are not intended to serve as shop drawings. Specifications are separated into divisions for convenience of reference only and shall not be interpreted as establishing divisions for the Work, trades, subcontracts or extent of any part of the Work. In the event of a discrepancy between or among the drawings, specifications or other Task Order Document provisions, Construction Manager shall be required to comply with the provision which is the more restrictive or stringent requirement upon Construction Manager, as determined by the COUNTY. Unless otherwise specifically mentioned, all anchors, bolts, screws, fittings, fillers, hardware, accessories, trim and other parts required in connection with any portion of the Work to make a complete, serviceable, finished and first quality installation shall be furnished and installed as part of the Work, whether or not called for by the Task Order Documents.

2. INVESTIGATION AND UTILITIES.

2.1 Construction Manager shall have the sole responsibility of satisfying itself concerning the nature and location of the Work and the general and local conditions, and particularly, but without limitation, with respect to the following and subject to Section herein: those affecting transportation, access, legal disposal, handling and storage of materials; availability and quality of labor; water and electric power; availability and condition of roads; work area; living facilities; climatic conditions and seasons; physical conditions at the work-site and the Project area as a whole; topography and ground surface conditions; nature and quantity of the surface materials to be encountered; subsurface conditions; equipment and facilities needed preliminary to and during performance of the Work; and all other costs associated with such performance. The failure of Construction Manager to acquaint itself with any applicable conditions shall not relieve Construction Manager from any of its responsibilities to perform under the Task Order Documents, nor shall it be considered the basis for any claim for additional time or compensation.

2.2 Construction Manager shall locate all existing roadways, railways, drainage facilities and utility services above, upon, or under the Project site, said roadways, railways, drainage facilities and utilities being referred to in this Section 2 as the "Utilities". Construction Manager shall contact the COUNTY of all Utilities to determine the necessity for relocating or temporarily interrupting any Utilities during the construction of the Project. Construction Manager shall schedule and coordinate its Work around any such relocation or temporary service interruption. Construction Manager shall be responsible for properly shoring, supporting and protecting all Utilities at all times during the course of the Work.

2.3 During the performance of the Work, Construction Manager or any subcontractor, sub-subcontractor, agent, employee or anyone else for whom Construction Manager is legally liable, causes a disruption to any Utilities service to other facilities or customers within the Project area, Construction Manager shall take all actions necessary and required to immediately restore such Utilities service. If Construction Manager fails to take such immediate actions, the COUNTY shall have the right to take whatever actions it deems necessary and required to immediately restore the disrupted services, and all costs incurred by the COUNTY as a result thereof shall be reimbursed to the COUNTY by Construction Manager within five (5) business days of written demand for same from the COUNTY.

3. SCHEDULE.

3.1 The Construction Manager shall prepare and provide the various schedules set forth in Exhibit B to the Task Order (collectively, the "Project Schedules"), as well as a Master Project Schedule that incorporates all Project Schedules.

3.2 The Project Schedule shall be updated by Construction Manager as often as is specified in section B.3 of Exhibit B to the Task Order. The Master Project Schedule and all updates to it shall be subject to the COUNTY's and Design Professional's review and comment.

4. PROGRESS PAYMENTS.

4.1 Construction Manager's monthly Applications for Payment shall be in such form and contain such detail and backup as the COUNTY reasonably may require. Such detail and backup shall include documentation of actual payments made.

4.2 At the time it submits its GMP proposal to the COUNTY, Construction Manager also shall submit to the COUNTY and Design Professional, for their review, a Schedule of Values based upon the GMP proposal. The Schedule of Values will be based on the major items of work. The Schedule of Values will be structured so that the costs of the major items of work can be allocated to the various elements of work. The Schedule of Values will be attached to the GMP Amendment and shall be used as the basis for Construction Manager's monthly Applications for Payment thereafter. The Schedule of Values shall be updated for the current month Change Orders and Construction Change Directives and submitted each month to Design Professional and the COUNTY along with a completed and notarized copy of the Application for Payment form attached to the Task Order as Exhibit G.

4.3 If payment is requested on the basis of materials and equipment not incorporated into the Project, but delivered and suitably stored at the site, the Application for Payment shall also be accompanied by a bill of sale, invoice or other documentation warranting that the COUNTY has received the materials and equipment free and clear of all liens, charges, security interests and encumbrances, together with evidence that the materials and equipment are covered by appropriate property insurance and other arrangements to protect the COUNTY's interest therein, all of which shall be subject to the COUNTY's satisfaction.

4.4 Construction Manager shall e-mail a notarized copy of its monthly Application for Payment to the COUNTY (and retain the original notarized Application for Payment for inspection by the COUNTY as requested) or Design Professional as directed by the COUNTY, on a monthly basis. The period covered by each Application for Payment shall be one calendar month ending on the last day of the month. Within seven (7) calendar days after receipt of each Application for Payment, Design Professional shall, upon request or as directed by the COUNTY, submit to the COUNTY a Certificate for Payment in the amount recommended by Design Professional as being due and owing Construction Manager. The COUNTY shall pay Construction Manager that portion of Design Professional's Certificate for Payment which the COUNTY approves as being due and owing Construction Manager within twenty (20) calendar days of the COUNTY's approval of same. Otherwise, if the COUNTY does not request or direct that Design Professional submit a Certificate for Payment to the COUNTY, within seven (7) calendar days after receipt of each Application for Payment, the COUNTY will issue a Certificate of Payment in the amount due and owing Construction Manager and pay the Construction Manager within twenty (20) calendar days of issuance of the Certificate of Payment.

4.5 In accordance with sections 255.077 and 255.078, Florida Statutes, retainage in the amount of 5% will be withheld from each monthly payment made to Construction Manager. Upon completion of all items on the list of completion as defined by section 255.077, Florida Statutes, Construction Manager may submit a payment request for all remaining retainage

withheld by the COUNTY.

4.6 Monthly payments to Construction Manager shall in no way imply approval or acceptance of Construction Manager's work.

4.7 Each Application for Payment shall be accompanied by a Release and Affidavit, in the form attached to the Task Order as Exhibit F, showing that all materials, labor, equipment and other bills associated with that portion of the Work payment is being requested on have been paid in full through the previous month's Application for Payment. the COUNTY shall not be required to make payment until and unless these affidavits are furnished by Construction Manager. Further, if Construction Manager is withholding any portion of a payment to any subcontractor for any labor, services, or materials for which the COUNTY has paid Construction Manager, Construction Manager agrees to refund such money to the COUNTY.

5. PAYMENTS WITHHELD.

5.1 Design Professional may, upon request or as directed by the COUNTY, review each Application for Payment submitted by Construction Manager and shall make recommendations to the COUNTY as to the proper amounts, if any, which may be owed to the Construction Manager under the Application for Payment. If requested or directed by the COUNTY to review such a payment request, Design Professional's payment recommendation shall be evidenced by a Certificate for Payment issued by Design Professional to the COUNTY. All Certificates for Payment are subject to the COUNTY's review and approval. Both Design Professional and the COUNTY shall have the right to refuse to certify or approve for payment any amounts, or portions thereof, requested by Construction Manager in an Application for Payment, or rescind any amount previously certified and approved in a Certificate for Payment, and the COUNTY may withhold any payments otherwise due Construction Manager under this Task Order, to the extent it is reasonably necessary, to protect the COUNTY from any expense, cost or loss attributable to: (a) defective or deficient Work not properly remedied in accordance with the terms of the Task Order Documents; (b) the filing or reasonable evidence indicating the probable filing of third party claims against the COUNTY attributable to the negligence of Construction Manager; (c) Construction Manager's failure to make timely and proper payments to all subcontractors and suppliers; (d) reasonable evidence that the remaining Work cannot be completed for the unpaid Task Order Amount balance; (e) reasonable evidence indicating that the remaining Work cannot be completed within the remaining Task Order Time; (f) Construction Manager's failure to satisfactorily prosecute the Work in accordance with the requirements of the Task Order Documents; or (g) any other material breach of the requirements of the Task Order Documents by Construction Manager. the COUNTY shall have the right, but not the obligation, to take any corrective action the COUNTY deems appropriate to cure any of the above noted items, at Construction Manager's expense, if Construction Manager has not started with a cure, to the COUNTY's reasonable satisfaction, of any of the above noted items within five (5) working days after Construction Manager's receipt of written notice from the COUNTY.

6. FINAL PAYMENT.

6.1 The COUNTY shall make final payment to Construction Manager in accordance with the Florida Local Government Prompt Payment Act, provided the Work is finally accepted by the COUNTY in accordance with Paragraph 24.2 herein, and provided that Construction Manager first, and as an explicit condition precedent to the accrual of Construction Manager's right to final payment, shall have furnished the COUNTY with a properly executed and notarized final release (conditioned only upon receipt of final payment) in the form of the Release and Affidavit attached to the Task Order as Exhibit F, as well as a duly executed copy of the surety's consent to final payment and such other documentation that may be required by the Task Order Documents or the COUNTY. Construction Manager's acceptance of final payment shall constitute a full waiver of any and all claims by Construction Manager against the COUNTY arising out of this Task Order or otherwise relating to the Project, except those identified in writing by Construction Manager as unsettled in the final Application for Payment. Neither the acceptance of the Work nor payment by the COUNTY shall be deemed to be a waiver of the COUNTY's right to enforce any obligations of Construction Manager hereunder or to the recovery of damages for defective Work not discovered by the COUNTY or Design Professional at the time of final inspection.

6.2 The Task Order will be considered complete when all Work has been completed and accepted by the County. The Construction Manager will then be released from further obligation except as set forth in Paragraph 25, Warranty.

7. SUBMITTALS AND SUBSTITUTIONS.

7.1 Construction Manager shall carefully examine the Task Order Documents for all requirements for approval of materials to be submitted such as shop drawings, data, test results, schedules and samples. Construction Manager shall submit all such materials in such form and manner as required by the Task Order Documents in sufficient time to prevent any delay in the delivery of such materials and the installation thereof. The Construction Manager shall also carefully review and certify for accuracy and completeness all shop drawings and other submittals and then forward the same to the Design Professional for review and action. Within fourteen (14) days, the Design Professional will transmit them back to the Construction Manager who will then issue the submittals to the affected subcontractor for fabrication or revision. The Construction Manager shall maintain a suspense control system to promote the expeditious handling of shop drawings and all other submittals. The Construction Manager shall request the Design Professional to make interpretations of the drawings or specifications requested of it by the subcontractors. The Construction Manager shall advise the Design Professional in writing which submittals or requests for clarification have the greatest urgency; the purpose being to enable the Design Professional to prioritize requests coming from the Construction Manager. The Construction Manager shall advise the COUNTY and Design Professional in writing when timely response is not occurring on any of the above.

7.2 Whenever materials or equipment are specified or described in the Task Order Documents by using the name of a proprietary item or the name of a particular supplier, the naming of the item is intended to establish the type, function and quality required. Unless the name is followed by words indicating that no substitution is permitted, materials or equipment of

other suppliers may be accepted by the COUNTY and Design Professional if sufficient information is submitted by Construction Manager to allow the COUNTY and Design Professional to determine whether the material or equipment proposed is equivalent or equal to that named. Requests for review of substitute items of material and equipment will not be accepted by the COUNTY from anyone other than Construction Manager. All such requests, to the extent possible, should be submitted by Construction Manager to Design Professional prior to the setting of the GMP.

7.3 If Construction Manager wishes to furnish or use a substitute item of material or equipment, Construction Manager shall make application to the COUNTY and the Design Professional for acceptance thereof, certifying that the proposed substitute shall perform adequately the functions and achieve the results called for by the general design, be similar and of equal substance to that specified and be suited to the same use as that specified. The application shall state that the evaluation and acceptance of the proposed substitute will not prejudice Construction Manager's achievement of substantial completion on time, whether or not acceptance of the substitute for use in the Work will require a change in any of the Task Order Documents (or in the provisions of any other direct contract with the COUNTY for the Project) to adapt the design to the proposed substitute and whether or not incorporation or use by the substitute in connection with the Work is subject to payment of any license fee or royalty. All variations of the proposed substitute from that specified will be identified in the application and available maintenance, repair and replacement service shall be indicated. The application also shall contain an itemized estimate of all costs that will result directly or indirectly from acceptance of such substitute, including costs for redesign and claims of other contractors affected by the resulting change, all of which shall be considered by the COUNTY and the Design Professional in evaluating the proposed substitute. The COUNTY and the Design Professional may require Construction Manager to furnish at Construction Manager's expense additional data about the proposed substitute.

7.4 If a specific means, method, technique, sequence or procedure of construction is indicated in or required by Task Order Documents, Construction Manager may furnish or utilize a substitute means, method, technique, sequence or procedure of construction acceptable to the COUNTY and the Design Professional, if Construction Manager submits sufficient information to allow the COUNTY and the Design Professional to determine that the substitute proposed is equivalent to that indicated or required by the Task Order Documents. The procedures for submission to and review by the COUNTY and the Design Professional shall be the same as those provided herein for substitute materials and equipment.

7.5 The COUNTY and the Design Professional shall be allowed a reasonable time within which to evaluate each proposed substitute. Design Professional and the COUNTY shall be the sole judges of the acceptability of any substitute. No substitute shall be ordered, installed, or utilized without the COUNTY's and Design Professional's prior written acceptance which shall be evidenced by either a Change Order or an approved submittal. The COUNTY may require Construction Manager to furnish at Construction Manager's expense a special performance guarantee or other surety with respect to any substitute. The cost of such guarantee would be reimbursable from the Construction Manager's Contingency funds, provided that this cost is presented with the proposed substitute. If the COUNTY rejects the proposed substitute, at the COUNTY's discretion, the COUNTY may require Construction Manager to reimburse the COUNTY for the charges of Design Professional and Design Professional's consultants for evaluating the proposed substitute.

8. PRE-CONSTRUCTION PHASE SERVICES.

8.1 As applicable, Construction Manager shall provide the following review and commentary services, in addition to any other Pre-Construction Phase Services required by the terms of this Task Order.

8.2 Review, Recommendations, and Warranty: The Construction Manager shall familiarize itself thoroughly with all aspects of the plans and specifications for the Project. If applicable, the Construction Manager shall make recommendations with respect to the selection of systems and materials, and cost-reducing alternatives including assistance to the Design Professional and the COUNTY in evaluating alternative comparisons versus long term cost effects. The evaluation shall address the benefits of the speed of erection and early completion of the Work. The Construction Manager shall furnish pertinent information as to the availability of materials and labor that will be required. The Construction Manager shall submit to the COUNTY and Design Professional such comments as may be appropriate concerning construction feasibility and practicality. The Construction Manager shall call to the COUNTY's and the Design Professional's attention any defects in the design, drawings and specifications or other documents of which it is aware.

8.3 Review Reports: If applicable, within twenty-one (21) days after receiving the documents produced by the Design Professional, the Construction Manager shall perform a specific review thereof, focused upon factors of a nature encompassed in Paragraph above and on factors set out in Paragraphs 8.4 and 8.5 below. Within the same twenty one (21) day period, the Construction Manager shall submit to the COUNTY, with copies to the Design Professional, a written report covering suggestions or recommendations previously submitted, additional suggestions or recommendations as the Construction Manager may deem appropriate, and all actions taken by the Design Professional with respect to same, any comments the Construction Manager may deem to be appropriate with respect to separating the Work into separate subcontracts, alternative materials, and any other appropriate or required comments.

AS APPLICABLE, AT THE TIME THE GMP IS MUTUALLY ESTABLISHED, EXCEPT ONLY AS TO SPECIFIC MATTERS AS MAY BE IDENTIFIED IN THE GMP TASK ORDER AMENDMENT, THE CONSTRUCTION MANAGER SHALL BE DEEMED TO HAVE WARRANTED TO THE COUNTY, WITHOUT ASSUMING ANY ARCHITECTURAL OR ENGINEERING RESPONSIBILITY, THAT THE CONSTRUCTION DOCUMENTS ARE CONSISTENT WITH EACH OTHER, PRACTICAL, FEASIBLE AND CONSTRUCTABLE. FURTHER, THE CONSTRUCTION MANAGER SHALL BE DEEMED TO HAVE WARRANTED TO THE COUNTY THAT THE WORK DESCRIBED IN THE CONSTRUCTION DOCUMENTS FOR THE VARIOUS BIDDING PACKAGES IS CONSTRUCTABLE WITHIN THE TASK ORDER TIME.

8.4 Long Lead Procurement: If applicable, the Construction Manager shall review the Project design for the purpose of identifying long lead procurement items (machinery, equipment, materials and supplies) and consult with Design Professional concerning same. When each item is identified, the Construction Manager shall notify the subcontractors, the COUNTY and the Design Professional of the required procurement and schedule. Such information shall be

included in the bid documents and made a part of all affected subcontracts. The Construction Manager shall keep itself informed of the progress of the respective subcontractors or suppliers, manufacturing or fabricating such items, and advise the COUNTY and Design Professional of any problems or possible delays in delivery. As part of the Pre-Construction Phase, the Construction Manager shall also identify material or equipment which can be purchased directly by the COUNTY as a tax-exempt sale as a cost saving measure.

8.5 Interfacing: If applicable, the Construction Manager shall take such measures as are appropriate to ensure that all construction requirements will be covered in the separate procurement of long lead items, the separate construction subcontractors and the general conditions items without duplication or overlap and sequenced to maintain completion of all Work on schedule. Particular attention shall be given to provide that each bid package clearly identifies the Work included in that particular separate subcontract, its schedule for start and completion and its relationship with the other separate subcontractors.

8.6 Without assuming any design responsibilities of the Design Professional, the Construction Manager shall include in the reports required above under this Section 8, comments on overlap with any other separate subcontracts, omissions, lack of correlation between drawings, and any other deficiencies noted, in order that the Design Professional may arrange for necessary corrections.

9 CONSTRUCTION PHASE SERVICES.

Construction Manager shall provide the following services in addition to any other Construction Phase Services required by the terms of this Task Order:

9.1 The Construction Manager shall arrange for all job-site facilities as required by the COUNTY and necessary to enable the Construction Manager and Design Professional to perform their respective duties and to accommodate any representatives of the COUNTY which the COUNTY may choose to have present on the job, the description of such facilities to be finalized prior to the establishment of the GMP.

9.1.1 Tangible personal property, otherwise referred to as job- site facilities, include, but are not limited to such things as trailers, toilets, typewriters, computers. and any other equipment necessary to carry on the Work.

9.1.2 For all such job-site facilities purchased, which may become the property of the COUNTY at the conclusion of the Work, the Construction Manager shall maintain ownership responsibilities of such facilities until final acceptance of the Work.

9.2 The Construction Manager is responsible for proper care and maintenance of all equipment while in its control. The Construction Manager's administration of the Work shall include the following:

9.2.1 Maintain a log of daily activities, including manpower records, weather, delays, major decisions, etc.

9.2.2 Maintain a roster of companies on the Project with names and telephone numbers of

key personnel.

9.2.3 Establish and enforce job rules governing parking, clean-up, use of facilities and worker discipline.

9.2.4 Provide labor relations management for a harmonious, productive Project.

9.2.5 The Construction Manager also shall provide job site administration functions during construction to assure proper documentation, including but not limited to the following:

9.2.6 Job Meetings:
Conduct a preconstruction conference with each subcontractor after award of the subcontract and prior to the start of its portion of the Work. Hold weekly progress and coordination meetings, or more frequently if required by Work progress, to provide for the timely completion of the Work. In addition, Construction Manager shall arrange and conduct regular monthly Project status meetings with the Design Professional and the COUNTY.

9.2.7 Construction Manager shall use the job site meetings as a tool for the preplanning of Work and enforcing schedules, and for establishing procedures, responsibilities, and identification of authority for all parties to clearly understand. During these meetings, Construction Manager shall identify the party or parties responsible for following up on any problems, delay items or questions, and Construction Manager shall note the action to be taken by such party or parties. Construction Manager shall revisit each pending item at each subsequent meeting until resolution is achieved. Construction Manager shall attempt to obtain from all present any problems or delaying event known to them for appropriate attention and resolution.

9.2.8 Shop Drawing Submittals: Provide staff to coordinate the review and processing of shop drawings and substitution request supplied by the subcontractor with the Design Professional. Maintain a complete log of all submittals of shop drawings, noting the dates of first submittal and subsequent reviews, re-submittals, and approvals. The Design Professional will review and approve shop drawings and substitution request for substantial conformance with the design concept of the project.

9.2.9 Material and Equipment Expediting: Provide staff to closely monitor material and equipment deliveries, check and follow-up on supplier commitments for all subcontractors and maintain a material and equipment expediting log.

9.2.10 Payments to Subcontractors: Develop and implement a procedure for the review, processing and payment of applications by subcontractors for progress and final payments.

9.2.11 Document Interpretation: Refer all questions for interpretation of the Task Order Documents to the Design Professional in writing.

9.2.12 Reports and Project Site Documents: Record the progress of the Work. Submit written progress reports to the COUNTY and the Design Professional, including

information on subcontractors' Work, and the percentage of completion. Keep a daily log available to the COUNTY, the Design Professional, and any permitting authority inspectors.

9.2.13 Subcontractors Progress: Prepare periodic punch lists for subcontractors' work including unsatisfactory or incomplete items and schedules for their completion.

9.2.14 Substantial Completion: Pursuant to the provisions of Paragraph 23.1 of these General Terms and Conditions, ascertain when the Work or designated portions thereof are ready for the Design Professional's Substantial Completion inspections. From the punch lists of incomplete or unsatisfactory items prepared by Construction Manager and reviewed and supplemented by Design Professional, prepare a schedule for their completion indicating completion dates for the COUNTY's review.

9.2.15 Final Completion: Monitor the subcontractors' performance on the completion of the Work and provide notice to the COUNTY and Design Professional when the Work is ready for final inspection. Secure, review and certify compliance with the Task Order Documents, then transmit to the COUNTY, through the Design Professional, all required guarantees, warranties, affidavits, releases, bonds, waivers, manuals, record drawings, and maintenance books.

9.2.16 Start-Up: With the COUNTY's personnel, direct the check-out of utilities, operations, systems and equipment for readiness and assist in their initial start-up and testing by the subcontractors.

9.2.17 Record Drawings: Pursuant to the terms of Paragraph 10.2 hereafter, the Construction Manager shall monitor the progress of its own forces and its subcontractors on marked up field prints which shall be developed by Construction Manager into the final record drawings.

9.3 The Construction Manager shall maintain at the Project site, originals or copies of, on a current basis, all Project files and records, including, but not limited to, the following administrative records:

9.3.1 Subcontracts and Purchase Orders
9.3.2 Subcontractor Licenses
9.3.3 Shop Drawing Submittal/Approval Logs
9.3.4 Equipment Purchase/Delivery Logs
9.3.5 Contract Drawings and Specifications with Addenda
9.3.6 Warranties and Guarantees
9.3.7 Cost Accounting Records
9.3.8 Labor Costs
9.3.9 Material Costs
9.3.10 Equipment Costs
9.3.11 Cost Proposal Request
9.3.12 Payment Request Records
9.3.13 Meeting Minutes

9.3.14 Lab Test Reports
9.3.15 Insurance Certificates and Bonds
9.3.16 Cost-Estimates
9.3.17 Bulletin Quotations
9.3.18 Contract Changes
9.3.19 Permits
9.3.20 Material Purchase Delivery Logs
9.3.21 Technical Standards
9.3.22 Design Handbooks
9.3.23 "As-Built" Marked Prints
9.3.24 Operating & Maintenance Instruction
9.3.25 Daily Progress Reports
9.3.26 Monthly Progress Reports
9.3.27 Correspondence Files
9.3.28 Transmittal Records
9.3.29 Inspection Reports
9.3.30 Subcontractor Selection Information
9.3.31 Subcontractor Negotiations
9.3.32 Punch Lists
9.3.33 PMIS Schedule and Updates
9.3.34 Suspense (Tickler) Files of Outstanding Requirements
9.3.35 Policy and Procedure Manual

The Project files and records shall be available at all times to the COUNTY and Design Professional or their designees for reference, review, or copying.

9.4 The Construction Manager shall provide the following services with respect to the Work, to facilitate the smooth, successful and timely occupancy of the Project by COUNTY:

9.4.1 The Construction Manager shall provide consultation and project management to facilitate COUNTY's occupancy of the Project and provide transitional services to place the Work "online" in such conditions as will satisfy the COUNTY's operations requirements. The services include the Construction Manager's coordination of the delivery of the COUNTY supplied furniture, fixtures and equipment for the Project.

9.4.2 The Construction Manager shall catalog operational and maintenance requirements of equipment to be operated by maintenance personnel and convey these to the COUNTY in such a manner as to promote their usability. The Construction Manager shall provide the COUNTY's operations and maintenance personnel with operations and maintenance training with respect to the equipment and systems being provided as part of the Work. This training may be videotaped by the COUNTY for subsequent presentation to the COUNTY's operations and maintenance personnel.

9.4.3 The Construction Manager shall secure required guarantees and warranties and shall assemble and deliver same to the COUNTY in the manner required by the COUNTY.

9.4.4 Construction Manager shall be responsible for material and equipment shipment, handling, inspection, storage, and protection (including any required maintenance) during the execution of the Work within each Phase, until each Partial Substantial Completion is reached, respectively.

10. DAILY REPORTS, RECORD TASK ORDER DOCUMENTS, AND MEETINGS.

Construction Manager shall prepare, maintain, and submit to Design Professional and the COUNTY, for their review and approval, the various logs, reports, and schedules set forth in Exhibit B to the Task Order. The Construction Manager's complete performance of its obligation to prepare, maintain and submit those logs, reports, and schedules is a condition precedent to the COUNTY's obligation hereunder to make payments of the Construction Manager's Fee to Construction Manager. These logs, reports and schedules shall not constitute nor take the place of any notice required to be given by Construction Manager to the COUNTY or Design Professional pursuant to the Task Order Documents.

10.1 Construction Manager shall maintain in a safe place at the Project site one record copy and one permit set of the Task Order Documents, including, but not limited to, all drawings, specifications, addenda, amendments, Change Orders, Construction Change Directive and Field Orders, as well as all written interpretations and clarifications issued by Design Professional, in good order and annotated to show all changes made during construction. The record Task Order Documents shall be updated by Construction Manager throughout the prosecution of the Work to accurately reflect all field changes that are made to adapt the Work to field conditions, changes resulting from Change Orders, Construction Change Directive and Field Orders, and all concealed and buried installations of piping, conduit and utility services. Construction Manager shall certify the accuracy of the updated record Task Order Documents. As a condition precedent to the COUNTY's obligation to pay the Construction Manager's Fee, Construction Manager shall provide evidence, satisfactory to the COUNTY and Design Professional, that Construction Manager is fulfilling its obligation to update the record Task Order Documents. All buried and concealed items, within the Project site, shall be accurately located on the record Task Order Documents as to depth and in relationship to not less than two (2) permanent features. The record Task Order Documents shall be clean, and all changes, corrections and dimensions shall be given in a neat and legible manner in red. The record Task Order Documents, together with all approved samples and a counterpart of all approved shop drawings shall be available to the COUNTY and Design Professional for reference. Upon completion of the Work and as a condition precedent to Construction Manager's entitlement to final payment, the record Task Order Documents, samples and shop drawings shall be delivered to Design Professional by Construction Manager for the COUNTY.

10.2 Construction Manager shall advise the COUNTY, its representatives, and Design Professional of their requested or required participation in any meeting or inspection giving each at least one calendar week's written notice unless such notice is made impossible by conditions beyond the Construction Manager's fault and control, in which case at least 48 hours' prior written notice must be given.

11. TASK ORDER TIME AND TIME EXTENSIONS.

11.1 Construction Manager shall diligently pursue the completion of the Work and coordinate the Work being done on the Project by its subcontractors and materialmen, as well as coordinating its Work with all work of others at the Project site, so that its Work or the work of others shall not be delayed or impaired by any act or omission by Construction Manager or anyone for whom the Construction Manager is liable. Unless expressly noted otherwise in the Task Order Documents, the Construction Manager shall be solely responsible for all construction means, methods, techniques, sequences, and procedures, as well as coordination of all portions of the Work under the Task Order Documents, and the coordination of the COUNTY's suppliers and contractors as set forth in Section 15 herein.

11.2 Should the Construction Manager be obstructed or delayed in the prosecution of or completion of the Work as a result of unforeseeable causes beyond the control of Construction Manager, and not due to its fault or neglect, including but not restricted to acts of God or of the public enemy, acts of government, fires, floods, epidemics, pandemics, quarantine regulation, strikes, lockouts, utility work being performed within the project limits by local government agencies, or by, unusually severe weather conditions by comparison with the ten-year Pasco County, Florida, average not reasonably anticipatable, Construction Manager shall be entitled to an extension of time only provided that it shall notify the COUNTY and the Design Professional in writing within seven (7) calendar days after the commencement of such delay, stating the cause or causes thereof, or be deemed to have waived any right which the Construction Manager may have had to request a time extension.

11.3 If the Construction Manager encounters on the Project site any materials reasonably believed by the Construction Manager to be petroleum or petroleum-related products or other hazardous or toxic substances which have not been rendered harmless, the Construction Manager immediately shall (i) stop Work in the area affected and (ii) report the condition to the COUNTY in writing. If the Work is so stopped and hazardous material is found, the Work in the affected area shall not thereafter be resumed except by Change Order. Any such Change Order shall include, but not be limited to, an adjustment to the Task Order Time as appropriate. If no hazardous material is found after the Work is stopped, no Change Order is required to resume the Work in the affected area. Further, if the hazardous material was generated or caused by the Construction Manager or any of its employees, agents, subcontractors, or material suppliers, no Change Order will be required for an adjustment in the Task Order Time and Construction Manager shall indemnify and defend the COUNTY and hold the COUNTY harmless for any costs incurred by the COUNTY with respect to such hazardous material.

11.4 No interruption, interference, inefficiency, suspension or delay in the commencement or progress of the Work from any cause whatever, including those for which the COUNTY and Design Professional may be responsible, in whole or in part, shall relieve Construction Manager of its duty to perform or give rise to any right to damages or additional compensation from the COUNTY. Construction Manager expressly acknowledges and agrees that it shall receive no damages for concurrent delays. Construction Manager's sole remedy, if any, against the COUNTY for any concurrent delays will be the right to seek an extension to the Task Order Time. Notwithstanding the foregoing, if the Work is delayed

due to the fault or neglect of the COUNTY or anyone for whom the COUNTY is liable, including Design Professional, for a cumulative period of more than thirty (30) days over the life of the Project, Construction Manager shall be entitled to its reasonably direct costs associated with said delay as well as an extension of the Task Order Time from the COUNTY. In no event shall either party be liable whether in contract, warranty, tort (including negligence or strict liability) or otherwise for any acceleration (unless otherwise directed in writing by COUNTY), soft costs, lost profits, special, indirect, incidental, or consequential damages of any kind or nature whatsoever.

12. CHANGES IN THE WORK.

12.1 The COUNTY shall have the right at any time during the progress of the Work to increase or decrease the Work. Promptly after being notified of a change, but in no event more than fourteen (14) days after its receipt of such notification (unless the COUNTY has agreed in writing to a longer period of time), the Construction Manager shall submit an itemized estimate of any cost or time increases or savings it foresees as a result of the change. Except in an emergency endangering life or property, or for minor changes ordered by the COUNTY or the Design Professional, no addition or changes to the Work shall be made except upon written order of the COUNTY, and the COUNTY shall not be liable to the Construction Manager for any increased compensation or adjustment to the Task Order Time without such written order. No officer, employee, or agent of the COUNTY is authorized to direct any extra or changed work orally.

12.2 Change Order, in the form attached as Exhibit H to this Task Order, shall be prepared by the Construction Manager, reviewed by the Design Professional if requested by the COUNTY and the COUNTY, and executed promptly by the parties after an agreement is reached between the Construction Manager and the COUNTY concerning the requested changes. The Construction Manager shall promptly perform changes authorized by duly executed Change Orders. The Task Order Amount and Task Order Time shall be adjusted in the Change Order in the manner as the COUNTY and the Construction Manager shall mutually agree.

12.3 If the COUNTY and the Construction Manager are unable to agree on a Change Order for the requested change, the Construction Manager shall, nevertheless, promptly perform the change as directed by the COUNTY in a written Construction Change Directive. In that event, the Task Order Amount and Task Order Time shall be adjusted as directed by the COUNTY. If the Construction Manager disagrees with the COUNTY's adjustment determination, Construction Manager must make a claim pursuant to Section 14 of these General Conditions or else be deemed to have waived any claim it might otherwise have had on that matter.

12.4 In the event a requested change is approved by the COUNTY which results in either an increase or decrease to the Task Order Amount, a Change Order shall be issued which increases or decreases the GMP by the amount of Construction Manager's actual and reasonable direct Cost of the Work. The Construction Manager shall be entitled to receive an increase in the amount of fifteen percent (15%) of the change in the Cost of the Work for compensation for General Conditions (which includes insurance and bond cost), and additional Task Order Time when the Scope of Work is increased or extended in accordance with the Change Order process. The Construction Manager's compensation for General

Conditions and Task Order Time shall be reduced when the Scope of Work is decreased in accordance with the Change Order process so as to result in an actual reduction of General Conditions costs. The Construction Manager shall provide written documentation justifying a change in compensation and time to the COUNTY within thirty (30) days of the occurrence of the event, giving rise to such request.

12.5 The COUNTY shall have the right to conduct an audit of Construction Manager's books and records, as well as those of its subcontractors and suppliers, to verify the accuracy of Construction Manager's claim with respect to Construction Manager's costs associated with any Change Order or Construction Change Directive.

12.6 With the concurrence of the COUNTY, Design Professional may direct Construction Manager to make nonmaterial changes to the Work, so long as such changes do not require or result in any adjustment to the Task Order Amount, Task Order Time, or Project quality, and are generally within the scope of the Work. All such changes must be evidenced by a written order from Design Professional to Construction Manager, with a copy to the COUNTY. Construction Manager shall comply with all such orders.

12.7 The Construction Manager shall have a Direct Purchase program in place that the COUNTY can utilize at its convenience during the duration of the Project. In the event COUNTY elects to make any purchases of materials directly (Direct Purchases) which currently reside within the GMP, the parties shall execute a Change Order deducting said amount, plus any applicable sales tax paid by COUNTY from the GMP, but hereby expressly agree that in no way shall said Change Order result in any decrease of Construction Manager's Fee or General Conditions Costs.

13. CHANGED CONDITIONS

13.1 Notwithstanding anything in the Task Order Documents to the contrary, if conditions are encountered at the Project site which are (i) subsurface or otherwise concealed physical conditions which differ materially from those indicated in the Task Order Documents or (ii) unknown physical conditions of an unusual nature, which differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Task Order Documents, and which reasonably should not have been discovered by the Construction Manager as part of its scope of site investigative services required pursuant to the terms of the Task Order Documents, then the Construction Manager shall provide the COUNTY with prompt written notice thereof before conditions are disturbed and in no event later than seven (7) calendar days after first observance of such conditions. the COUNTY and the Design Professional shall promptly investigate such conditions and, if they differ materially and cause an increase or decrease in the Construction Manager's cost of, or time required for, performance of any part of the Work, the COUNTY will acknowledge and agree to an equitable adjustment to the Task Order Amount or Task Order Time, or both, for such Work. If the COUNTY determines that the conditions at the site are not materially different from those indicated in the Task Order Document or not of an unusual nature or should have been discovered by the Construction Manager as part of its investigative services, and that no change in the terms of the Task Order is justified, the COUNTY shall so notify Construction Manager in writing, stating its reasons. Claims by

Construction Manager in opposition to such determination by the COUNTY must be made within seven (7) calendar days after Construction Manager's receipt of the COUNTY's written determination notice. If the COUNTY and Construction Manager cannot agree on an adjustment to the Task Order Amount or Task Order Time, the parties shall comply with the dispute resolution procedure set forth in the Task Order Documents.

14. CLAIMS AND DISPUTES.

14.1 The term "Claim" as used herein shall mean any and all demands made by one party hereunder against the other party, whether such demand be for money, time or the assertion of any right or obligation that arises out of the Task Order Documents.

14.2 Initial notice of Claims by Construction Manager shall be made in writing to the COUNTY within seven (7) calendar days after the first day of the event giving rise to such Claim or else Construction Manager shall be deemed to have waived the Claim. Written supporting data shall be submitted to the COUNTY within thirty (30) calendar days after the occurrence of the event, unless the COUNTY grants additional time in writing, or else Construction Manager shall be deemed to have waived the Claim. All Claims shall be priced in accordance with the provisions of Paragraph 12.4 hereof.

14.3 Construction Manager shall proceed diligently with its performance as directed by the COUNTY, regardless of any pending Claim, unless otherwise agreed to by the COUNTY in writing. The COUNTY shall continue to make payments in accordance with the Task Order Documents during the pendency of any Claim.

14.4 Prior to the initiation of any action or proceeding permitted by this Task Order to resolve disputes between the parties, the parties shall make a good faith effort to resolve any such disputes by negotiation between representatives with decision-making power. As a condition precedent to the initiation by the Construction Manager of any claim against the County through administrative proceedings or in arbitration, or to the filing of any action in law or equity against the County, the Construction Manager shall, at least sixty (60) days in advance thereof, provide Notice to the County of its intent to pursue said claim, and for a period not less than fifteen (15) days during the first (45) days following the date of the Notice, deliver to the at the Office of the County Attorney in New Port Richey, Florida, for inspection and copying, the original books and records in the possession or control of the Construction Manager which may be related, directly or indirectly to the claim or action, regardless of whether the COUNTY has affirmatively and expressly requested the same. The COUNTY reserves the right to request additional documentation relating to the claim or action based on its review of the books or records produced. In lieu of delivering the original books and records, the Construction Manager may, at its own expense, deliver to said Office of the County Attorney complete and legible photocopies of all such original books and records within thirty (30) days of the date of the Notice, however, nothing herein shall be construed to curtail the rights of the County to, *inter alia,* inspection and copying under the Public Records Law provision of this Task Order.

14.5 Failing resolution, and prior to the commencement of depositions in any litigation between the parties with respect to the Project, the parties shall attempt to resolve the dispute through

mediation before an agreed-upon Circuit Court Mediator certified by the State of Florida. The costs of the mediation shall be equally divided between the COUNTY and the Construction Manager. Should either party fail to submit to mediation as required hereunder, the other party may request a court of law to order mediation under Florida Statutes Section 44.102.

14.6 This Task Order shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. Any litigation between the COUNTY and Construction Manager (which term for the purposes of this subparagraph shall include the Construction Manager's surety), whether arising out of any Claim or arising out of the Task Order or any breach thereof, shall be brought, maintained and pursued only in the appropriate State courts of the State of Florida; and the COUNTY and the Construction Manager each hereby waive and renounce any and all rights and options which they, or either of them, have or might have to bring or maintain any such litigation or action in the Federal Court system of the United States or in any United States Federal District Court. Venue of any such litigation between the COUNTY and Construction Manager shall lie and be only in the appropriate State courts of the State of Florida's Sixth Judicial Circuit in and for Pasco County, Florida (West Pasco Judicial Center) and the United States District Court in and for the Middle District of Florida- Tampa Division (Federal court matters). Construction Manager consents and submits to the jurisdiction of any such court and agrees to accept service of process from the State of Florida in any matter to be submitted to any such court.

14.7 Subject to the provisions of section 768.28, Florida Statutes, and unless otherwise specifically enumerated herein or mutually agreed to through a Change Order or Modification, except in the case of Fraud, Gross Negligence, or Willful Misconduct, and as set forth in Section 11.4 of Exhibit A of the Task Order, neither party shall be liable to the other for any consequential, special, or incidental damages, including damages for loss of use, lost profits, or loss of expected gains, however caused, known or unknown, anticipated or unanticipated.

This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination. Nothing contained in this article shall be deemed to preclude assessment of liquidated damages, when applicable, in accordance with the requirements of the Master Agreement or Task Order.

15. OTHER WORK.

15.1 The COUNTY may perform other work related to the Project at the site by the COUNTY's own forces, have other work performed by a utility authorized by the COUNTY or let other direct contracts. If the fact that such other work is to be performed is not noted in the Task Order Documents, written notice thereof will be given to Construction Manager prior to starting any such other work. If Construction Manager believes that such performance will involve additional expense to Construction Manager or require additional time, Construction Manager shall send written notice of that fact to the COUNTY and Design Professional within seven (7) calendar days of being notified of the other work. If Construction Manager fails to send the above required seven (7) calendar days' notice, Construction Manager will be deemed to have waived any rights it otherwise may have had to seek an extension to the Task Order Time or adjustment to the Task Order Amount.

15.2 Construction Manager shall afford each utility the COUNTY authorizes and other contractor who is a party to such a direct contract with the COUNTY (or the COUNTY, if the COUNTY is performing the additional work with the COUNTY's employees) proper and safe access to the site and a reasonable opportunity for the introduction and storage of materials and equipment and the execution of such work and shall properly connect and coordinate its Work with theirs. Construction Manager shall be responsible for all damage to the work of others caused by the performance of its Work. Further, Construction Manager shall not in any way cut or alter the work of others without first receiving the written consent of that other person and the COUNTY.

15.3 If any part of Construction Manager's Work depends for proper execution or results upon the work of any other contractor or utility owner (or the COUNTY), Construction Manager shall inspect and promptly report to the COUNTY in writing any delays, defects or deficiencies in such work that render it unavailable or unsuitable for such proper execution and results. Such report must be made within seven (7) calendar days of the time Construction Manager first became aware of the delay, defect or deficiency or by the scheduled commencement of Construction Manager's dependent Work, whichever occurs first. Construction Manager's failure to report within the allotted time will constitute an acceptance of the other work as fit and proper for integration with Construction Manager's Work.

16. INSURANCE.

16.1 During the term of this Task Order, Construction Manager shall provide, pay for, and maintain, with companies satisfactory to the COUNTY, the types of insurance described herein. All insurance shall be from responsible companies duly authorized to do business in the State of Florida. Simultaneously with the execution and delivery of this Task Order, by Construction Manager, Construction Manager has delivered to the COUNTY properly executed Certificates of Insurance (on the modified ACCORD form attached as Exhibit M to the Agreement) evidencing the fact that Construction Manager has acquired and put in place the insurance coverages and limits required hereunder. In addition, certified, true and exact copies of all insurance policies required may be reviewed by the COUNTY, on a timely basis, if requested by the COUNTY. These Certificates and policies shall contain provisions that thirty (30) calendar days written notice shall be given the COUNTY of any cancellation, or intent not to renew. Construction Manager shall also notify the COUNTY, in a like manner, within two (2) calendar days after receipt, of any notices of expiration, cancellation, non-renewal or material change in coverages or limits received by Construction Manager from its insurer, and nothing contained herein shall relieve Construction Manager of this requirement to provide notice. In the event of a reduction in the aggregate limit of any policy to be provided by it hereunder, Construction Manager shall immediately take steps to have the aggregate limit reinstated to the full extent permitted under such policy. All insurance coverages of Construction Manager shall be primary to any insurance or self-insurance program carried by the COUNTY.

16.2 All insurance policies required by this Task Order, shall include the following provisions and conditions by endorsement to the policies:

16.2.1 The term "County Commissioners of Pasco County Florida" shall include the

Board of County Commissioners of Pasco County, a political subdivision of the State of Florida and all Authorities, Boards, Bureaus, Commissions, Divisions, Departments and offices thereof and individual members and employees thereof in their official capacity, and/or while acting on behalf of Pasco County.

16.2.2 All insurance policies, other than the Professional Liability policy and the Workers Compensation policy, provided by Construction Manager to meet the requirements of the Master Agreement and this Task Order shall name the County Commissioners of Pasco County, Florida, as that name is defined in subparagraph 16.2.1, above, as an additional insured as to the operations of Construction Manager under the Task Order Documents and shall contain a severability of interests provision. Such policies shall also list the COUNTY as a certificate holder.

16.2.3 Companies issuing the insurance policy or policies shall have no recourse against the COUNTY for payment of premiums or assessments for any deductibles which all are at the sole responsibility and risk of Construction Manager.

16.2.4 All insurance coverages of Construction Manager shall be primary to any insurance or self-insurance program carried by the COUNTY applicable to this Task Order, and the "Other Insurance" provisions of any policies obtained by Construction Manager shall not apply to any insurance or self-insurance program carried by the COUNTY applicable to this Task Order, provided the COUNTY has modified their coverage on an excess basis.

16.2.5 The Certificates of Insurance, which are to be provided pursuant to paragraph 16.1 above, must identify the Master Agreement and this Task Order, and be on the form attached as Exhibit M.

16.2.6 All insurance policies shall be fully performable in Pasco County, Florida, and shall be construed in accordance with the laws of the State of Florida.

16.2.7 All insurance policies to be provided by Construction Manager pursuant to the terms hereof must expressly state that the insurance company will accept service of process in Pasco County, Florida and that the exclusive venue for any action concerning any matter under those policies shall be in the appropriate state court situated in Pasco County, Florida or the United States District Court in and for the Middle District of Florida - Tampa Division for a federal claim.

16.3 The acceptance by the COUNTY of any Certificate of Insurance pursuant to the terms of the Master Agreement and this Task Order evidencing the insurance coverages and limits required hereunder does not constitute approval or agreement by the COUNTY that the insurance requirements have been met or that the insurance policies shown on the Certificates of Insurance are in compliance with the requirements of the Master Agreement and this Task Order.

16.4 Before starting and until completion of all Services required hereunder, Construction Manager shall procure and maintain insurance of the types and to the limits specified in Exhibit E, "Insurance Coverage," which is attached hereto and made a part hereof Construction Manager shall require each of its subconsultants and subcontractors to procure and maintain, until the completion of that subconsultant's or subcontractor's work or services, insurance of the types and to the limits specified in Exhibit E, unless such insurance

requirement for the subconsultant or subcontractor is expressly waived in writing by the COUNTY.

16.5 If any insurance provided pursuant to the Master Agreement and/or this Task Order expires prior to the completion of the Services required hereunder, renewal Certificates of Insurance and, if requested by the COUNTY, certified, true copies of the renewal binders, may be viewed by the COUNTY prior to the date of expiration.

16.6 Should at any time Construction Manager not maintain the insurance coverages required in this Task Order, the COUNTY may, with thirty (30) days written notice, cancel the Task Order and any Work Authorizations issued pursuant to the Task Order or at its sole discretion shall be authorized to purchase such coverages and charge Construction Manager for such coverages purchased. If Construction Manager fails to reimburse the COUNTY for such costs within thirty (30) calendar days after demand, the COUNTY has the right to offset these costs from any amount due Construction Manager under this Task Order. The COUNTY shall be under no obligation to purchase such insurance, nor shall it be responsible for the coverages purchased or the insurance company/companies used. The decision of the COUNTY to purchase such insurance coverages shall in no way be construed to be a waiver of its rights under this Task Order.

16.7 All insurance companies from whom Construction Manager obtains the insurance policies required hereunder must meet the following minimum requirements:

16.7.1 The insurance company must be duly licensed and authorized by the Florida Office of Insurance Regulation to transact the appropriate insurance business in the State of Florida.

16.7.2 The insurance company must have been in such insurance business continuously for not less than five (5) years immediately prior to the date of execution of this Task Order.

16.7.3 The insurance company must have an A. M. Best policyholder rating of either "A+", "A", or "A-".

16.7.4 The insurance company must have a current A. M. Best financial rating of "Class VI" or higher.

16.8 Builder's Risk Insurance, on all risk completed value form, shall be provided by the Construction Manager (unless the COUNTY at its sole discretion provides coverage) on the Project in an amount to be approved by the COUNTY not to exceed the Task Order Agreement, with the COUNTY, Construction Manager and Design Professional as named insureds and including the interest of the subcontractors and sub- subcontractors as their interest may appear. The COUNTY, at its discretion, may require that the perils of earthquakes, sinkholes and floods be added to the Builder's Risk policy. If added, the amount of coverage may be less than the Task Order Agreement. Any deductibles under the Builder's Risk policy shall be the sole responsibility of the Construction Manager (or the COUNTY if they provide such coverage) and shall be adjusted with the COUNTY with the cooperation of the Construction Manager with the claim check made payable to the COUNTY for its own interest and the interest of the Construction Manager and all other

insured parties. Subrogation rights of the insurance company against the COUNTY, Construction
Manager, and all subcontractors and sub-subcontractors, and any other parties may be insured under the Builder's Risk coverage, shall be waived by the insurance company. In the event of a loss covered by the Builder's Risk policy, the GMP shall be increased by the amount of the policy payment, unless the COUNTY retains a third party to rebuild the damaged work.

17. WAIVER OF SUBROGATION.

17.1 The Construction Manager agrees to waive all rights of subrogation against the COUNTY and the Design Professional, and the board members, directors, officers, agents, employees, subconsultants and subcontractors of any of them, for damages or injuries caused by perils covered by any insurance maintained by a party hereunder. Unless prohibited by law, Construction Manager, the COUNTY, and the board members, directors, officers, agents, employees, subconsultants and subcontractors of any of them hereby waive all rights of subrogation against each other, for damages or injuries caused by perils covered by any insurance maintained by a party hereunder. The waivers provided hereunder shall be effective as to any individual or entity, even if such individual or entity (a) would otherwise have a duty of indemnification, contractual or otherwise, (b) did not pay the insurance premium, directly or indirectly, and (c) whether or not such individual or entity has an insurable interest in the property damaged.

If any policies of insurance referred to in this Section require an endorsement to provide any waiver of subrogation referenced above, the owners of such policies will cause them to be so endorsed.

18. INDEMNIFICATION.

18.1 In return for consideration, the receipt of which is acknowledged, in accordance with the applicable provisions of Chapter 725, Florida Statutes, the Construction Manager shall defend, indemnify, and hold harmless the COUNTY and its officers and employees from any and all liabilities, claims, damages, penalties, demands, judgments, actions, proceedings, losses or costs, including, but not limited to, reasonable attorneys' fees (at trial and on appeal), whether resulting from any claimed breach of this Task Order by Construction Manager or from personal injury, property damage, direct or consequential damages, or economic loss, to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of Construction Manager or anyone employed or utilized by the Construction Manager in the performance of this Task Order.

19. CLEANUP AND PROTECTIONS.

19.1 Construction Manager agrees to keep the Project site clean at all times free of debris, rubbish and waste materials arising out of the Work. If Construction Manager fails to keep the Project site clean, the COUNTY has the right, after providing a twenty-four (24) hour written notice, to perform any required clean up and to back charge the Construction Manager for the costs of such clean up. At the completion of the Work, Construction Manager shall remove all

debris, rubbish and waste materials from and about the Project site, as well as all tools, appliances, construction equipment and machinery and surface materials, and shall leave the Project site clean and ready for occupancy by the COUNTY.

19.2 Any existing surface or subsurface improvements, including, but not limited to, pavements, curbs, sidewalks, pipes, utilities, footings, structures, trees and shrubbery, not indicated in the Task Order Documents to be removed or altered, shall be protected by Construction Manager from damage during the prosecution of the Work. Any such improvements so damaged shall be restored by Construction Manager to condition at least equal to that existing at the time of Construction Manager's commencement of the Work.

20. ASSIGNMENT.

20.1 Construction Manager shall not assign this Task Order or any part thereof, without the prior consent in writing of the COUNTY. If Construction Manager does, with approval, assign this Task Order or any part thereof, it shall require that its assignee be bound to it and to assume toward Construction Manager all of the obligations and responsibilities that Construction Manager has assumed toward the COUNTY. Any assignment of the Task Order without the prior approval of the COUNTY shall be considered unenforceable and will constitute a material breach of the Task Order that may result in the termination of the Task Order. The COUNTY may require bonding, other security, certified financial statements and tax returns from any proposed assignee and the execution of an assignment/ assumption agreement in a form satisfactory to the County Attorney as a condition precedent to considering approval of an assignment.

21. PERMITS, LICENSES AND TAXES.

21.1 All permits and licenses necessary for the prosecution of the Work shall be procured and paid for by Construction Manager. Permits and licenses to be acquired by Construction Manager with the assistance of Design Professional include, but are not limited to, building, site, and utility permits, as well as all Health Department and environmental permits required for the construction or relocation of Pasco County water and/or sanitary sewer lines and facilities, to the extent such water and/or sewer work is included in this Task Order. If Construction Manager performs any Work without obtaining, or contrary to, such permits or licenses, Construction Manager shall bear all costs arising therefrom. All costs incurred by Construction Manager with respect to performing its obligations under this Paragraph 21.1 shall be considered a direct cost item and shall be considered reimbursable as Cost of the Work as provided for in the Task Order. The COUNTY shall fully cooperate with the Construction Manager where necessary.

21.2 Construction Manager shall pay all sales, consumer, use and other similar taxes associated with the Work or portions thereof, which are applicable during the performance of the Work. Additionally, Construction Manager shall comply with and fully implement the sales tax savings program with respect to the Work.

22. TERMINATION FOR DEFAULT.

22.1 Construction Manager shall be considered in material default of the Task Order and such default shall be considered cause for COUNTY to terminate the Task Order, in whole or in part, as further set forth in this Article if, after written notice to Construction Manager and reasonable opportunity to cure or commence to cure, Construction Manager: (1) fails to begin the Work under the Task Order Documents within the time specified herein; or (2) fails to properly and timely perform the Work as directed by the COUNTY or the Design Professional or as provided for in the approved Master Project Schedule; or (3) performs the Work not in conformance with the Task Order Documents or refuses to remove materials or to correct or replace such Work as may be rejected as unacceptable or unsuitable; or (4) discontinues the prosecution of the Work contrary to the requirements of the Task Order; or (5) fails to resume Work which has been suspended within a reasonable time after being notified to do so; or (6) becomes insolvent or is declared bankrupt, or commits any act of bankruptcy; or (7) allows any final judgment to stand against it unsatisfied for more than ten (10) days; or (8) makes an assignment for the benefit of creditors; (9) fails to obey any applicable codes, laws, ordinances, rules or regulations with respect to the Work; or (10) fails to promptly pay its subcontractors and suppliers after COUNTY has properly and timely paid Construction Manager; or (11) materially breaches any other provision of the Task Order Documents.

22.2 If the COUNTY determines that Construction Manager is in default under this Task Order, the COUNTY shall notify Construction Manager in writing of Construction Manager's default(s). If the COUNTY determines that Construction Manager has not begun cure of the default(s) within five (5) working days following receipt by Construction Manager of said written notice, then the COUNTY, at its option, without releasing or waiving its rights and remedies against Construction Manager's sureties and without prejudice to any other right or remedy it may be entitled to hereunder or by law, may terminate Construction Manager's right to proceed under the Task Order, in whole or in part, and take possession of all or any portion of the Work and any materials, tools, equipment, and appliances of Construction Manager, take assignments of any of Construction Manager's subcontracts and purchase orders that the COUNTY may designate, and complete all or any portion of Construction Manager's Work by whatever means, method or agency which the COUNTY, in its sole discretion, may choose. In making either the initial determination that Construction Manager is in default under this Task Order or the subsequent determination that Construction Manager has failed to satisfactorily cure its default, the COUNTY may rely solely upon the Design Professional's certification to the COUNTY that in the Design Professional's opinion the Construction Manager is in default or has failed to satisfactorily cure its default.

22.3 If the COUNTY deems any of the foregoing remedies necessary, Construction Manager agrees that it shall not be entitled to receive any further payments hereunder until after the Work is completed. All monies expended and all of the costs, losses, damages and extra expenses, including all management, administrative and other overhead and other direct and indirect expenses (including Design Professional and attorneys' fees) or damages incurred by the COUNTY incident to such completion, shall be deducted from the unpaid balance of the Task Order Amount, and if such expenditures exceed the unpaid balance of the Task Order Amount, Construction Manager agrees to pay promptly to the COUNTY on

demand the full amount of such excess, including costs of collection, attorney's fees (including appeals) and interest thereon at the maximum legal rate of interest until paid. If the unpaid balance of the Task Order Amount exceeds all such costs, expenditures and damages incurred by the COUNTY to complete the Work, Construction Manager shall not be entitled to any portion of such excess, except for the unpaid portion of the Construction Manager's Fee earned and the Cost of Work incurred prior to Construction Manager's right to continue performance under this Task Order being terminated. Any amounts to be paid to the COUNTY by Construction Manager pursuant to this Paragraph 22.3 shall be certified by Design Professional, upon application, and this obligation for payment shall survive termination of the Task Order.

22.4 The liability of Construction Manager hereunder shall extend to and include the full amount of any and all sums paid, expenses and losses incurred, damages sustained, and obligations assumed by COUNTY in good faith under the belief that such payments or assumptions were necessary or required, in completing the Work and providing labor, materials, equipment, supplies, and other items or re-letting the Work, and in settlement, discharge or compromise of any claims, demands, suits, and judgments pertaining to or arising out of the Work hereunder. Further, in the event COUNTY has exercised its right to terminate due to Construction Manager's default, Construction Manager shall be prohibited from bidding or otherwise seeking additional work from COUNTY in accordance with COUNTY's then current debarment policy.

22.5 If, after notice of termination of Construction Manager's right to proceed pursuant to this Section, it is determined for any reason that Construction Manager was not in default, or that its default was excusable, or that COUNTY is not entitled to the remedies against Construction Manager provided herein, then such termination shall be deemed a termination for the COUNTY's convenience and Construction Manager's remedies against the COUNTY shall be the same as and limited to those afforded Construction Manager under Paragraph 23.1 below. However, the prohibition from bidding or otherwise seeking additional work from the COUNTY in Section 22.4 above shall not be applicable in the event a Termination for Cause is converted to a Termination for Convenience.

23. TERMINATION FOR CONVENIENCE AND RIGHT OF SUSPENSION.

The COUNTY shall have the right to terminate this Task Order without cause upon fourteen (14) calendar days' written notice to Construction Manager. In the event of such termination for convenience, Construction Manager's recovery against the COUNTY shall be limited to that portion of the Task Order Amount earned through the date of termination, together with any retainage withheld and reasonable termination expenses incurred, but Construction Manager shall not be entitled to any other or further recovery against the COUNTY, including, but not limited to, damages or any anticipated profit on portions of the Work not performed. The COUNTY shall have the right to suspend all or any portions of the Work upon giving Construction Manager fourteen (14) calendar days' prior written notice of such suspension. If all or any portion of the Work is so suspended, Construction Manager shall be entitled to reasonable costs, expenses and time extension associated with the suspension. If the ordered suspension exceeds ninety (90) calendar days, Construction Manager shall have the right to terminate the Task Order in which case Construction Manager shall be entitled to recovery as set forth above in Section 22.1 with respect to that portion of the Work which is subject to the ordered suspension.

24. COMPLETION.

24.1 If the Project will consist of a number of Phases, it is anticipated that the term "Partial Substantial Completion" for purposes of this Task Order will be the date of Partial Certificate of Completion (PCO) per Phase issued in full or in part by the authority having jurisdiction. If the CO is delayed for any reason beyond the control of the Construction Manager, then the date of Substantial Completion will be the stage in the progress of the Work when the Work or designated portion thereof (Phase) is sufficiently complete in accordance with the Task Order Documents so that the COUNTY can occupy or utilize any part of the Work for its intended use.

24.2 When the entire Work (or any portion/Phase thereof designated in writing by the COUNTY) is ready for its intended use, the Construction Manager shall notify the COUNTY and the Design Professional in writing that the entire Work (or such designated portion/Phase) is substantially complete and said written notice from the Construction Manager shall include a proposed punch list of all items of Work to be completed or corrected by Construction Manager. Within a reasonable time thereafter, the COUNTY, the Construction Manager and Design Professional shall inspect the Work (or designated portion thereof) to determine the status of completion. If the COUNTY and Design Professional do not consider the Work (or designated portion) substantially complete, Design Professional shall notify Construction Manager in writing giving the reasons, therefore. In such cases, Construction Manager shall pay the costs of all additional Partial Substantial Completion inspections. If the COUNTY and Design Professional consider the Work (or designated portion) substantially complete, Design Professional shall prepare and deliver to Construction Manager a Certificate of Substantial Completion (or Certificate of Partial Substantial Completion) which shall fix the date Substantial Completion for the entire Work (or designated portion thereof) is actually achieved by Construction Manager and include a final punchlist of items to be completed or corrected by Construction Manager before final payment. Failure to include an item on the final punch list does not waive the COUNTY's right to demand completion of the item pursuant to the Task Order Documents prior to or after final payment. Notwithstanding the foregoing, the COUNTY and Design Professional will use their best efforts to develop an initial complete and accurate punch list. The COUNTY shall have the right to exclude Construction Manager from the Work and Project site (or designated portion thereof) after the date of Substantial Completion (or Partial Substantial Completion), but the COUNTY shall allow Construction Manager reasonable access to complete or correct items on the final punch list.

24.3 When Construction Manager believes it has fully performed all of the Work, including all punch list items, Construction Manager shall deliver to the COUNTY a written affidavit from Construction Manager certifying that all Work has been completed in accordance with the requirements of the Task Order Documents. That written affidavit shall be delivered to the COUNTY by Construction Manager at the same time it submits its final Application for Payment. After receipt of such affidavit, the final Application for Payment and all other documents required for Project close-out, Design Professional and the COUNTY shall promptly inspect the Work to determine if all of the Work has been completed and is ready for final acceptance by the COUNTY. If the COUNTY and Design Professional determine Construction Manager has completed the entire Work, Design Professional shall promptly

issue a final Certificate for Payment, stating that, to the best of its knowledge, information and belief, and on the basis of its observations and inspections: (i) all of the Work has been completed in accordance with the requirements of the Task Order Documents; (ii) the final balance due Construction Manager, as noted in the final Certificate for Payment, is due and payable; and (iii) all conditions precedent to Construction Manager's entitlement to final payment have been satisfied. For purposes of securing final payment (including retainage), Construction Manager shall timely thereafter submit: (1) the final Release and Affidavit in the form attached to the Task Order as Exhibit F, (2) consent of surety to final payment, and (3) if required by the COUNTY, other data establishing payment or satisfaction of all obligations, such as receipts, releases and waivers of liens, arising out of the Task Order Documents, to the extent and in such form as may be designated by the COUNTY. The COUNTY reserves the right to inspect the Work and make an independent determination as to the Work's acceptability, even though Design Professional may have issued its recommendations. Until the Construction Manager completes all of its contractual obligations, with the exception of the Warranty period, neither the final payment nor any retainage shall become due and payable.

25. WARRANTY

The Construction Manager warrants to the COUNTY that all materials and equipment furnished under this Task Order will be new unless otherwise specified and that all of the Work will be of good quality, free from faults and defects and in conformance with the Task Order Documents. All equipment and materials not conforming to these requirements, including substitutions not properly approved and authorized, may be considered defective. Construction Manager shall obtain and assign to the COUNTY all express warranties given to Construction Manager by any subcontractors or by any materialmen supplying materials, equipment or fixtures to be incorporated into the Project. Construction Manager expressly warrants to the COUNTY that all materials and equipment to be incorporated into the Work shall be new unless otherwise specified. Further, Construction Manager expressly warrants to the COUNTY that all Work shall be of good quality, free from all defects and in conformance with the Task Order Documents.

Construction Manager further warrants to the COUNTY that all materials and equipment furnished under the Task Order Documents shall be applied, installed, connected, erected, used, cleaned and conditioned in accordance with the instructions of the applicable manufacturers, fabricators, suppliers or processors except as otherwise provided for in the Task Order Documents. Further, any special warranty to be provided will be in such form as is acceptable to the COUNTY and shall not include any exclusions, exceptions or modifications except to the extent approved by the COUNTY in its sole discretion. In addition to all other rights and remedies available to the COUNTY at law or in equity, including any implied warranties the COUNTY may be entitled to as a matter of law, Construction Manager expressly warrants to the COUNTY that it shall promptly correct, upon receipt of written notice from the COUNTY, any portion of the Work subject to a Partial Certificate of Completion which is found to be defective or otherwise not in conformance with the requirements of the Task Order Documents until final acceptance of the Project is achieved.

In the event that any defective or non-conforming work is deemed by the COUNTY in its sole discretion to present an immediate threat to safety or security, the COUNTY shall be entitled to correct and fix such defective or non-conforming portions of the Work, and Construction Manager shall reimburse the COUNTY for all costs and expenses incurred by the COUNTY in performing such Work. This obligation to correct defective or nonconforming Work shall run for a period of

one year (or such longer period of time as may otherwise be specified in the Task Order Documents) commencing from the date the date a Partial Certificate of Completion for each Phase is achieved, except for all such systems, materials or equipment that are operationally interconnected with, overlap or are required for the completion of another Phase or final Substantial Completion of the Project, in which instance the warrant shall begin for those items on the final Completion Date for the Project. With respect to the correction of any defective or nonconforming Work, Construction Manager shall be liable for all damage to any part of the Work itself and to any adjacent property which is caused by such corrective work. Contingency Funds may be utilized to correct such damage provided that damage was not caused by gross negligence on the part of the Construction Manager. Construction Manager shall conduct, jointly with the COUNTY and Design Professional, a warranty inspection at six (6) months and eleven (11) months after the date Substantial Completion of the entire Project is achieved. Construction Manager's warranty excludes remedy for damage or defect caused by the COUNTY's abuse, modifications not performed by Construction Manager, improper or insufficient maintenance by the COUNTY (unless such maintenance was performed in accordance with the directions from Construction Manager), improper operation by the COUNTY (unless such operations were performed in accordance with the directions from Construction Manager), or normal wear and tear under normal usage.

The COUNTY reserves the right, if it discovers an error in the partial or final estimates, or if it discovers that the Construction Manager performed defective work or used defective materials, after the final payment has been made, to claim and recover from the Task Order or his surety, or both, by process of law, such sums as may be sufficient to correct the error or make good the defects in the work and materials. Construction Manager shall retain all records pertaining to the project for a period of five years from the date of the COUNTY's final acceptance of the project. Upon request, Construction Manager shall make all such records available to the COUNTY or its representative. For the purpose of this Article, records include all books of account, supporting documents, and papers that the COUNTY deems necessary to ensure compliance with the Task Order provisions.

26. TESTS AND INSPECTIONS.

a. The COUNTY, Design Professional, their respective representatives, agents and employees, and governmental agencies with jurisdiction over the Project shall have access at all times to the Work, whether the Work is being performed on or off of the Project site, for their observation, inspection and testing. Construction Manager shall provide proper, safe conditions for such access. Construction Manager shall provide Design Professional with timely prior written notice (at least 48 hours) of the readiness of the Work for all required inspections, tests or approvals.

b. If the Task Order Documents or any codes, laws, ordinances, rules or regulations of any public authority having jurisdiction over the Project requires any portion of the Work to be specifically inspected, tested or approved, Construction Manager shall assume full responsibility, therefore, pay all costs in connection therewith and furnish Design Professional the required certificates of inspection, testing or approval. All inspections, tests or approvals shall be performed in a manner and by organizations acceptable to the COUNTY and Design Professional. Cost of these inspections shall be included in Cost of Work.

c. If any Work that is to be inspected, tested or approved pursuant to the Task Order Documents is covered without such inspection, testing or approval having been satisfactorily obtained by

Construction Manager and without obtaining the written concurrence from The COUNTY or Design Professional, such Work must, if requested by the COUNTY or Design Professional, be uncovered for observation. Such uncovering shall be at Construction Manager's expense unless Construction Manager has given the COUNTY or Design Professional 48 hours' written notice of Construction Manager's intention to cover the same and has requested written concurrence by the COUNTY or Design Professional and the COUNTY or Design Professional has not acted with reasonable promptness to respond to such notice and request. If any Work is covered contrary to written directions from the COUNTY or Design Professional, such Work must, if requested by the COUNTY or Design Professional, be uncovered for the COUNTY or Design Professional's observation and be replaced at Construction Manager's sole expense.

d. The COUNTY shall charge to Construction Manager and may deduct from any payments due Construction Manager all engineering and inspection expenses incurred by COUNTY in connection with any overtime work unless such overtime work was expressly requested by the Construction Manager. Such overtime work consisting of any work during the construction period beyond the regular eight (8) hour day and for any work performed on Saturday, Sunday, or holidays, and as COUNTY and Construction Manager recognize that time is of the essence for this Task Order, substantial overtime work is anticipated on this Project. Neither observations by Design Professional or COUNTY, nor inspections, tests or approvals by others shall relieve Construction Manager from Construction Manager's obligations to perform the Work in accordance with the Task Order Documents.

e. Construction Manager is responsible, without reimbursement from the COUNTY, for re-inspection fees and costs; to the extent such re-inspections are due to negligence of Construction Manager.

27. DEFECTIVE WORK

27.1 Work not conforming to the requirements of the Task Order Documents shall be deemed defective Work. If required by the COUNTY or Design Professional, Construction Manager shall as directed, either correct all defective Work, whether or not fabricated, installed or completed, or, if the defective Work has been rejected by the COUNTY or Design Professional, remove it from the site and replace it with non-defective Work. In the event the Work is deemed defective, for any reason other than the negligence of the Construction Manager, or its subcontractors; then the Construction Manager shall be entitled to use the Contingency to remove the Work and replace it with non-defective Work.

27.2 If the COUNTY or Design Professional consider it necessary or advisable that covered Work be observed by Design Professional or inspected or tested by others, Construction Manager, at Design Professional's or the COUNTY's request, shall uncover, expose, or otherwise make available for observation, inspection or tests as the COUNTY or Design Professional may require, that portion of the Work in question, furnishing all necessary labor, material and equipment. If it is found that such Work is defective, Construction Manager shall bear all direct, indirect, and consequential costs of such uncovering, exposure, observation, inspection and testing and of satisfactory reconstruction (including, but not limited to, fees and charges of engineers, architects, attorneys and other professionals), and the COUNTY shall be entitled to an appropriate decrease in the Task Order Amount. If, however, such Work is not found to be defective, Construction Manager shall be allowed an increase in the Task Order Amount and/or

an extension to the Task Order Time, directly attributable to such uncovering, exposure, observation, inspection, testing and reconstruction.

27.3 The COUNTY shall have the right to order Construction Manager to stop all or any portion of the Work if at any time the COUNTY reasonably determines that Construction Manager's performance of the Work is not in compliance with the requirements of the Task Order Documents. Such noncompliance shall include, but is not limited to, Construction Manager's failure to provide adequate labor, materials, or equipment to satisfactorily maintain the various Project schedules. This right to stop the Work shall be exercised, if at all, solely for the COUNTY's benefit and nothing herein shall be construed as obligating the COUNTY to exercise this right for the benefit of Construction Manager or any other person.

27.4 Should the COUNTY determine, at its sole opinion, it is in the COUNTY's best interest to accept defective Work, the COUNTY may do so. Construction Manager shall bear all direct, indirect, and consequential costs attributable to the COUNTY's evaluation of and determination to accept defective Work. If such determination is rendered prior to final payment, a Change Order shall be executed evidencing such acceptance of such defective Work, incorporating the necessary revisions in the Task Order Documents and reflecting an appropriate decrease in the Task Order Amount. If the COUNTY accepts such defective Work after final payment, Construction Manager shall promptly pay the COUNTY an appropriate amount determined by the COUNTY to adequately compensate the COUNTY for its acceptance of the defective Work. If Construction Manager fails, within a reasonable time after the written notice from COUNTY or Design Professional, to correct defective Work or to remove and replace rejected defective Work as required by COUNTY or Design Professional, or if Construction Manager fails to perform the Work in accordance with the Task Order Documents, or if Construction Manager fails to comply with any of the provisions of the Task Order Documents, COUNTY may, after seven (7) calendar days' written notice to Construction Manager, correct and remedy any such deficiency, to the extent necessary to complete corrective and remedial action, COUNTY may exclude Construction Manager from any or all of the Project site, take possession of all or any part of the Work, and suspend Construction Manager's services related thereto, take possession of Construction Manager's tools, appliances, construction equipment and machinery at the Project site and incorporate in the Work all materials and equipment stored at the Project site or for which COUNTY has paid Construction Manager but which are stored elsewhere. Construction Manager shall allow

COUNTY, Design Professional, and their respective representatives, agents, and employees such access to the Project site as may be necessary to enable COUNTY to exercise the rights and remedies under this Paragraph. All direct, indirect, and consequential costs of COUNTY (up to a cumulative maximum amount less than or equal to the Construction Manager's Fee) in exercising such rights and remedies shall be charged against Construction Manager, and a Change Order or a Construction Change Directive shall be issued, incorporating the necessary revisions to the Task Order Documents, including an appropriate decrease to the Task Order Amount. Such direct, indirect, and consequential costs shall include, but not be limited to, fees and charges of engineers, architects, attorneys and other professionals, all court and arbitration costs and all costs of repair and replacement of work of others destroyed or damaged by correction, removal, or replacement of Construction Manager's defective Work. Construction Manager shall not be allowed an extension of the Task Order Time because of any delay in performance of the Work attributable to the exercise by the COUNTY of the COUNTY's rights and remedies hereunder.

27.5 Nothing in Section 27, Defective Work, shall limit the COUNTY's access to the Construction Manager's Bond or Insurance.

28. SUPERVISION AND CONSTRUCTION MANAGER'S REPRESENTATIVE.

28.1 Construction Manager is responsible for supervising, coordinating, and performing the Work with such care and skill as would be provided by a contractor with extensive and special expertise in the type of work required under the Task Order Documents. Construction Manager is responsible for completing the Work so that it complies accurately and completely with the requirements of the Task Order Documents. Construction Manager shall keep on the Work at all times during its progress a competent resident representative who shall not be replaced without prior written notice to the COUNTY and Design Professional except under extraordinary circumstances. The representative, who will be known as Construction Manager's Project Executive under the Master Agreement's terms, shall have authority to act on behalf of Construction Manager. All communications given to the representative shall be as binding as if given to Construction Manager. The COUNTY shall have the right to direct Construction Manager to remove and replace its Project Executive or any other employee of Construction Manager or any employee of any subcontractor from this Project, with or without cause.

The Construction Manager shall maintain sufficient off-site support staff, and competent full-time staff at the Project site authorized to act on behalf of the Construction Manager to coordinate, inspect and provide general direction of the Work and progress of the subcontractors. Construction Manager shall provide no less than those personnel during the respective phases of construction that are set forth in Exhibit J to the Agreement. The Construction Manager shall not change any of those persons identified in Exhibit J unless mutually agreed to in writing by the COUNTY and Construction Manager. In such cases, the COUNTY shall have the right to approve the replacement personnel.

28.2 The Construction Manager shall establish and maintain lines of authority for its personnel and shall provide this information to the COUNTY and all other affected parties, such as the code inspectors of any permitting authority, the subcontractors, and the Design Professional. The COUNTY and Design Professional may attend meetings between the Construction Manager and its subcontractors; however, such attendance is optional and shall not diminish either the authority or responsibility of the Construction Manager to administer the subcontracts.

28.3 The Construction Manager shall be responsible to the COUNTY for the acts and omissions of its employees and agents and its subcontractors, their agents and employees, and all other persons performing any of the Work or supplying materials under a contract to the Construction Manager. The Construction Manager shall develop and maintain a program, acceptable to the COUNTY and Design Professional, to assure quality control of the Work. The Construction Manager shall supervise the Work of all subcontractors, providing instructions to each when their portion of the Work does not conform to the requirements of the Task Order Documents and Construction Manager shall continue to exert its influence and control over each subcontractor to ensure that corrections are made in a timely manner so as to not affect the efficient progress of the Work. Should a disagreement occur between the

Construction Manager and the Design Professional over the acceptability of the Work, the COUNTY, in its sole discretion, shall have the right to determine the acceptability.

28.4 Any person who the Construction Manager employs on this Project, including any subcontractor Construction Manager employs and its employees, must satisfactorily and successfully pass a criminal background check, in the COUNTY's sole discretion. The COUNTY may make written request to Construction Manager for the prompt removal and replacement of any personnel employed or retained by the Construction Manager, or any Sub-Consultants or Subcontractors, or any personnel of any such Sub-Consultants or Subcontractors engaged by the Construction Manager to provide and perform services or Work pursuant to the requirements of this Task Order. The Construction Manager shall respond to the COUNTY within fourteen (14) calendar days of receipt of such request with either the removal and replacement of such personnel or written justification as to why that may not occur. The County shall make the final determination as to the removal of unsatisfactory personnel. Such decision shall not be construed as directing the Construction Manager to terminate any employee's employment with the Construction Manager.

29. PROTECTION OF WORK.

29.1 Construction Manager shall fully protect the Work and adjacent property from loss or damage caused by the Construction Manager or its subcontractors until Substantial Completion is achieved. If Construction Manager or anyone for whom Construction Manager is legally liable is responsible for any loss or damage to the Work, or other work or materials of the COUNTY or the COUNTY's separate contractors, Construction Manager shall be charged with the same, and any monies necessary to replace such loss or damage shall be deducted from any amounts due to the Construction Manager.

29.2 The Construction Manager shall ascertain what temporary enclosures, if any, of building areas, including existing facilities, should be provided for and may be provided as a practical matter, in order to assure orderly progress of the Work and to protect and secure the Work and existing facilities, in periods when extreme weather conditions are likely to be experienced.

29.3 Construction Manager shall not permit any unsafe loading of any structure at the Project site, nor shall Construction Manager subject any part of the Work or adjacent property to any forces that will endanger it. Construction Manager shall not disturb any benchmark established by the COUNTY with respect to the Project. If Construction Manager, or its subcontractors, agents or anyone for whom Construction Manager is legally liable, disturbs the COUNTY's benchmarks, Construction Manager shall immediately notify the COUNTY and Design Professional. The COUNTY shall have the benchmarks reestablished and Construction Manager shall be liable for all costs incurred by the COUNTY associated therewith.

30 EMERGENCIES.

Construction Manager shall take immediate action to prevent injury to any person or damage to any property (including the Work and any adjacent property) which otherwise might arise from

an emergency event at the Project site. If conditions are such that it is safe to return to the Project site, Construction Manager shall give the COUNTY and Design Professional written notice within forty-eight (48) hours after the occurrence of the emergency, if Construction Manager believes that any significant changes in the Work or variations from the Task Order Documents have been caused thereby. If the COUNTY determines that a change in the Task Order Documents is required because of the action taken in response to an emergency, a Change Order shall be issued to document the consequences of the changes or variations. If Construction Manager fails to provide the forty-eight (48) hour written notice noted above, Construction Manager shall be deemed to have waived any right it otherwise may have had to seek an adjustment to the Task Order Amount or an extension to the Task Order Time. Construction Manager is obligated to promptly report in writing to the COUNTY all accidents relating to the Work that result in any personal injury or property damage.

31 USE OF PREMISES.

31.1 At all times during the performance of the Work, Construction Manager shall keep all of its operations (including, but not limited to, the use and storage of all equipment and materials), within the Project site or such other areas as may be permitted by the Task Order Documents. Construction Manager shall not use the Project site in any manner that is unreasonably burdensome or otherwise inconsistent with COUNTY's interest. Construction Manager is responsible for any damage to any such area, or to the owner or occupant thereof, or any areas contiguous thereto, resulting from the performance of the Work.

31.2 Except as required by the Task Order Documents or otherwise required in order for Construction Manager to satisfy its safety and security obligations under the Task Order Documents, Construction Manager shall not erect or install, nor shall it permit any of its subcontractors, suppliers, subconsultants or any other party for whom it is legally responsible to erect or install, any signage upon the Project site or any other property of the COUNTY, unless such signage has been expressly approved in writing by the COUNTY, which approval may be withheld by the COUNTY in its sole discretion.

31.3 Construction Manager acknowledges that Work may be performed at a particular Project site where the COUNTY simultaneously is conducting and continuing its operations upon the same site. In such event, Construction Manager shall coordinate its Work so as to cause no unreasonable interference with or disruption to the COUNTY's operations. In the event COUNTY's separate contractors cause delay or damage to Construction Manager's Work and/or schedule, the Construction Manager shall be entitled to seek all direct costs associated therewith as well as an appropriate extension of the Task Order Time upon written notice to COUNTY within seven (7) days of said events giving rise to said claims. The COUNTY may take early occupancy of all or any portions of the Work, at the COUNTY's election, by designating in writing to Construction Manager the specific portions of the Work to be occupied and the date such occupancy shall commence. If any such specific early occupancy was not expressly identified at the time the GMP was established and such early occupancy negatively impacts Construction Manager's cost or time of performance, Construction Manager shall be entitled to an equitable adjustment to the Task Order Amount and the Task Order Time, all in accordance with the other terms and conditions of the Task Order Documents.

32 SAFETY.

32.1 As between the COUNTY and Construction Manager, the Construction Manager is responsible for the safety and protection of all persons and property on or about the Project site as invitees or participating in the performance of the Work under this Agreement. Further, it is Construction Manager's responsibility to protect from damage or loss all material and equipment to be incorporated into the Work which may be stored off the Project site. Construction Manager shall develop and implement, in accordance with the requirements of the Task Order Documents (including any the COUNTY requirements or regulations), a safety plan for the Work.

32.2 Construction Manager shall comply with all applicable codes, laws, ordinances, rules and regulations of the COUNTY and any public body having jurisdiction over the Work, including all of their safety codes, laws, ordinances, rules and regulations. Construction Manager shall notify the COUNTYs of adjacent property and of any underground structures or improvements and utility the COUNTYs when prosecution of the Work may affect them, and shall cooperate with them in the protection, removal, relocation or replacement of their property. Construction Manager's duties and responsibilities for the safety and protection of the Work shall continue until such time as the Work is completed and final acceptance of same by the COUNTY has occurred.

32.3 At all times during the performance of the Work at the Project site, Construction Manager shall have designated and located on a full-time basis at the Project site, a qualified individual whose responsibility shall be to monitor and enforce Construction Manager's safety program at the Project site. Construction Manager hereby designates its superintendent as that safety representative. Construction Manager may designate by written notice to the COUNTY another individual, reasonably acceptable to the COUNTY, who shall be Construction Manager's safety representative at the Project site.

32.4 Alcohol, drugs, and all illegal substances are strictly prohibited on any COUNTY property. All employees of Construction Manager, as well as those of all subcontractors and those of any other person or entity for whom Construction Manager is legally liable (collectively referred to herein as "Employees"), shall not possess or be under the influence of any such substances while on any COUNTY property. Further, Employees shall not bring on to any COUNTY property any gun, rifle or other firearm, or explosives of any kind.

32.5 Construction Manager acknowledges that the Work may be progressing on a Project site which is located upon or adjacent to an existing COUNTY facility. In such event, Construction Manager shall comply with the following:

32.5.1 All the COUNTY facilities are smoke free, and smoking is strictly prohibited on the Project site as well;

32.5.2 As requested and when required by the COUNTY, all Employees shall be provided an identification badge by Construction Manager. Such identification badge must be prominently displayed on the outside of the Employees' clothing at all times. All Employees working at the Project site must log in and out with the Construction

Manager each day;

35.5.3 Construction Manager shall strictly limit its operations to the designated work areas and shall not permit any Employees to enter any other portions of the COUNTY's property without the COUNTY's expressed prior written consent;

32.5.4 All Employees are prohibited from distributing any papers or other materials upon the COUNTY's property, and are strictly prohibited from using any of the COUNTY's telephones or other office equipment;

32.5.5 All Employees shall at all times comply with the OSHA regulations with respect to dress and conduct at the Project site. Further, all Employees shall comply with the dress, conduct, and facility regulations issued by the COUNTY's officials onsite, as said regulations may be changed from time to time;

32.5.6 All Employees shall enter and leave the COUNTY's facilities only through the ingress and egress points identified in the site utilization plan approved by the COUNTY or as otherwise designated, from time to time, by the COUNTY in writing;

32.5.7 When requested, Construction Manager shall cooperate with any ongoing COUNTY investigation involving personal injury, economic loss, or damage to COUNTY's facilities or personal property therein;

32.5.8 The Employees may not solicit, distribute, or sell products while on the COUNTY's property. Friends, family members or other visitors of the Employees are not permitted on the COUNTY's property; and

32.5.9 At all times, Construction Manager shall adhere to the COUNTY's safety and security regulations and shall comply with all security requirements at the COUNTY's facilities, as said regulations and requirements may be modified or changed by the COUNTY from time to time.

33. PROJECT MEETINGS.

Prior to the commencement of Work, Construction Manager shall attend a preconstruction conference with the COUNTY and Design Professional and others as appropriate to discuss the Master Project Schedule, procedures for handling shop drawings and other submittals, and for processing Applications for payment, and to establish a working understanding among the parties as to the Work. During the prosecution of the Work, Construction Manager shall attend any and all meetings convened by the COUNTY or Design Professional with respect to the Project, when directed to do so by the COUNTY or Design Professional. Construction Manager shall have its subcontractors and suppliers attend all such meetings (including the preconstruction conference) as may be directed by the COUNTY or Design Professional.

34. MATERIAL SAFETY DATA SHEET.

34.1 If any chemicals, materials, or products containing toxic substances, as defined by Chapter 442, Florida Statutes or any local, state or federal statutes or regulations, are contained in the

products used on site or incorporated into the construction by the Construction Manager or any of its subcontractors, the Construction Manager shall provide to the Design Professional and the COUNTY a Material Safety Data Sheet at the time of each delivery or prior to each new use of such product.

35. AUDITING RIGHTS.

35.1 Construction Manager shall keep all records and supporting documentation which concern or relate to the Work hereunder for a minimum of five (5) years from the date of termination of this Task Order or the date the Project is completed, whichever is later or such longer period of time as may be required by law. Construction Manager shall require all of its subcontractors to likewise retain all of their Project records and supporting documentation. The COUNTY, and any duly authorized agents or representatives of the COUNTY, shall be provided access to all such records and supporting documentation at any and all times during normal business hours upon request by the COUNTY. Further, the COUNTY, and any duly authorized agents or representatives of the COUNTY, shall have the right to audit, inspect and copy all of Construction Manager's and any subcontractor's Project records and documentation as often as they deem necessary and Construction Manager shall cooperate in any audit, inspection, or copying of the documents. This access, inspection, copying and auditing rights shall survive the termination of this Task Order.

35.2 For purposes of this section, the Construction Manager's record shall be defined to include, but not be limited to accounting records, payroll time sheets, certified payrolls, 1099's, written policies and procedures, computer records, disks and software, videos, photographs, subcontract files (including proposals of successful and unsuccessful bidders), originals estimates, estimating worksheets, correspondence, change order files (including documentation covering negotiated settlements), and any other supporting evidence necessary to substantiate charges related to this Task Order (all the foregoing hereinafter referred to as "records") to adequately permit evaluation and verification of any invoices, payments or claims submitted by the Construction Manager or any of his payees pursuant to the execution of the Task Order. Such records subject to examination shall also include, but not be limited to, those records necessary to evaluate and verify direct and indirect costs (including overhead allocations) as they may apply to costs associated with this Task Order. Items negotiated as lump sum shall not be subject to the audit provisions of this Article.

35.3 If at any time, the COUNTY conducts such an audit of Construction Manager's records and documentation and finds that Construction Manager overcharged COUNTY, Construction Manager shall pay to the COUNTY the Overcharged Amount which is defined as the total aggregate overcharged amount together with interest thereon (such interest to be established at the rate of 12% annum). If the Overcharged Amount is equal to or greater than $10,000.00, Construction Manager shall pay to the COUNTY the Overcharged Amount and the Audit Amount which is defined as the total aggregate of the COUNTY's reasonable audit costs incurred as a result of its audit of Construction Manager. The COUNTY may recover the Overcharged Amount and the Audit Amount, as applicable, from any amount due or owing Construction Manager with regard to the Project or under any other agreement between Construction Manager and the COUNTY. If such amounts owed Construction Manager are

insufficient to cover the Overcharged Amount and Audit Amount, as applicable, then Construction Manager hereby acknowledges and agrees that it shall pay such remaining amounts to the COUNTY within thirty (30) business days of its receipt of the COUNTY's invoice for such remaining amounts. In no event shall the Overcharged Amount or the Audit Amount be deemed a reimbursable Cost of the Work.

This Article 35, including all access, inspection, copying, auditing, reimbursement, and repayment rights, shall survive the termination of this Task Order.

36 COMPLIANCE WITH LAWS.

36.1 Construction Manager agrees to comply, at its own expense, with all federal, state, and local laws, codes, statutes, ordinances, rules, administrative orders, regulations, and requirements applicable to the performance of the construction of the Project, including but not limited to, those dealing with safety (including, but not limited to, the Trench Safety Act, Chapter 553, Florida Statutes). If Construction Manager observes that the Task Order Documents are at variance therewith, it shall promptly notify the COUNTY and Design Professional in writing.

To the extent any law, rule, regulation, code, statute, or ordinance requires the inclusion of certain terms in this Task Order in order for this Task Order to be enforceable, such terms shall be deemed included in this Task Order. Notwithstanding anything in the Task Order Documents to the contrary, it is understood and agreed that in the event of a change in any applicable laws, ordinances, rules or regulations subsequent to the date the GMP Amendment has been executed that increases the Construction Manager's time or cost of performance of the Work, Construction Manager is entitled to a Change Order for such increases, except to the extent Construction Manager knew or should have known of such changes prior to the date of the GMP Amendment.

36.2 Scrutinized Companies - A company is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with the COUNTY for goods or services of:

a) Any amount if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to section 215.4725, Florida Statutes, or is engaged in a boycott of Israel; or

b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:

1) Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to section 215.473, Florida Statutes; or

2) Is engaged in business operations in Cuba or Syria.

By signing this Task Order, the Construction Manager certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Construction Manager agrees to notify the COUNTY if placement on any of the aforementioned lists occurs or if the Construction Manager is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The COUNTY may terminate the Master Agreement and/or this Task Order if the Construction Manager's certification above is found to be false; it has been placed on the Scrutinized Companies

that Boycott Israel List or is engaged in a boycott of Israel; it has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List; or it has been engaged in business operations in Cuba or Syria. In addition to possible termination of the Master Agreement and/or this Task Order based on the above grounds, the COUNTY will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

37 SUBCONTRACTS.

37.1 The Construction Manager shall review the design and shall determine how it desires to divide the sequence of construction activities. Construction Manager will determine the breakdown for award of subcontracts, based on the current Project Schedule, and shall supply a copy of that breakdown and composition to the COUNTY and Design Professional for their review and approval. Construction Manager shall take into consideration such factors as natural and practical lines of severability, sequencing effectiveness, access and availability constraints, total time for completion, construction market conditions, availability of labor and materials, community relations, and any other factors pertinent to saving time and costs.

37.2 A subcontractor is any person or entity who is performing, furnishing, supplying, or providing any portion of the Work pursuant to a contract with Construction Manager. Construction Manager shall be solely responsible for and have control over the subcontractors. Construction Manager shall negotiate all Change Orders, Construction Change Directive, Field Orders and Request for Proposals, with all affected subcontractors and shall review the costs of those proposals and advise the COUNTY and Design Professional of their validity and reasonableness, acting in the COUNTY's best interest, prior to requesting approval of each Change Order from the COUNTY.

37.3 When Construction Manager submits its Guaranteed Maximum Price (GMP) proposal to the COUNTY, Construction Manager also shall submit to the COUNTY a list of the names, addresses, licensing information, and phone numbers of the subcontractors that Construction Manager intends to use for each portion of the Work, as well as identify in writing those portions of the Work it intends to perform with its own employees. The list identifying each subcontractor cannot be modified, changed, or amended without prior written approval from the COUNTY. Any and all work to be self-performed by Construction Manager must be approved in writing by the COUNTY in its sole discretion prior to commencement of such work. Construction Manager shall periodically update that subcontractor list, so that it remains current and accurate throughout the entire performance of the Work. Construction Manager shall not enter into a subcontract with any subcontractor, if the COUNTY reasonably objects to that subcontractor. Construction Manager shall not be required to contract with anyone it reasonably objects to. As part of the Project document file to be maintained by Construction Manager at the Project site, Construction Manager shall keep on file a copy of the license for every subcontractor and sub-subcontractor performing any portion of the Work, as well as maintain a log of all such licenses. All subcontracts between Construction Manager and its subcontractors shall be in writing and are subject to COUNTY's approval.

Further, all subcontracts shall (1) require each subcontractor to be bound to Construction Manager to the same extent Construction Manager is bound to COUNTY by the terms of the

Task Order Documents, as those terms may apply to the portion of the Work to be performed by the subcontractor, (2) provide for the assignment of the subcontracts from Construction Manager to COUNTY at the election of COUNTY upon termination of Construction Manager, (3) provide that COUNTY will be an additional indemnified party of the subcontract, (4) provide that COUNTY will be an additional insured on all insurance policies required to be provided by the subcontractor except workman's' compensation, (5) assign all warranties directly to COUNTY, (6) identify the COUNTY as an intended third-party beneficiary of the subcontract, and (7) incorporate Exhibit E into all of its subcontracts (and require similar incorporation into all sub- subcontracts). Construction Manager shall make available to each proposed subcontractor, prior to the execution of the subcontract, copies of the Task Order Documents to which the subcontractor will be bound by this paragraph and shall identify to the subcontractor any terms and conditions of the proposed subcontract which may be at variance with the Task Order Documents. Each subcontractor shall similarly make copies of such documents available to its sub-subcontractors.

37.4 The subcontractor must agree to provide field (on-site) supervision through a named superintendent for each trade (e.g., drainage, grading, roadway, utilities, pavement markings, traffic signals, pressure grout and seawall) included in the subcontract. In addition, the subcontractor shall assign and name a qualified employee for scheduling direction for its work. The supervisory employees of the subcontractor (including field superintendent, foreman and schedulers at all levels) must have been employed in a supervisory (leadership) capacity of substantially equivalent level on a similar project for at least two years within the last five years. The subcontractor shall include a resume of experience for each employee identified by it to supervise and schedule its work.

37.5 Unless otherwise expressly agreed to by the COUNTY in writing, all subcontracts shall provide for the following:

37.5.1 LIMITATION OF REMEDIES -NO DAMAGES FOR DELAY. The rights and obligations of the subcontractors shall be the same as the rights and obligations of the Construction Manager under Section 11.4.

37.5.2 Any claims by a subcontractor for delay or additional cost must be submitted to Construction Manager within the time and in the manner in which the Construction Manager must submit such claims to the COUNTY; failure to comply with such conditions for giving notice and submitting claims shall result in the waiver of such claims.

38 SOLICITATION OF SUBCONTRACTORS.

Construction Manager accepts the relationship of trust and confidence established by this Task Order. Construction Manager covenants with COUNTY to utilize Construction Manager's best skill, efforts, and judgment in furthering the interest of the COUNTY; to furnish efficient business administration and supervision; and to perform the Work in the best way and the most expeditious and economical manner, consistent with the interests of the COUNTY, and with the Task Order terms and conditions.

39 **SECURING AGREEMENT.**

The Construction Manager warrants that the Construction Manager has not employed or retained any company or person, other than a bona fide employee working solely for Construction Manager, to solicit or secure this Contract (or Task Order) and that Construction Manager has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Construction Manager, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Task Order. At the time this Contract (or Task Order) is executed. Construction Manager shall sign and deliver to the COUNTY the Truth-in-Negotiation Certificate attached hereto and made a part hereof as Exhibit L.

The Construction Manager's compensation shall be adjusted to exclude any sums by which the COUNTY determines the compensation was increased due to inaccurate, incomplete, or non- current wage rates, or other factual unit costs.

40 **PUBLIC ENTITY CRIMES.**

By its execution of this Task Order, Construction Manager acknowledges that it has been informed by the COUNTY and is in compliance with the terms of Section 287.133(2)(a), Florida Statutes, which reads as follows:

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

41 **EQUAL EMPLOYMENT OPPORTUNITY/NON-DISCRIMINATION**

In performing all services to be provided hereunder, the Construction Manager shall not discriminate against any employee or applicant for employment because of race, color, religion, sex or national origin. The Construction Manager shall take affirmative action to ensure that applicants for employment are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. Such actions shall include, but not be limited to, the following: (i) employment, upgrading, demotion or transfer; (ii) recruitment or recruitment advertising; (iii) layoff or termination; (iv) rates of pay or other forms of compensation; and (v) selection for training, including apprenticeship. The Construction Manager shall post in conspicuous places, available to all employees and applicants for employment, notices setting forth the terms of this Equal Employment Opportunity Non- Discrimination Clause and stating that all qualified candidates will receive consideration for employment without regard to race, color, religion, sex or national origin.

The County adheres to subsection 287.134(2)(a), Florida Statutes, and will not transact business with entities or affiliates placed on the discriminatory vendor list maintained by the Florida Department of Management Services. By accepting this Task Order, Construction Manager certifies that is not on the discriminatory vendor list. Violation of this provision by Construction Manager is grounds for termination of this Task Order by the County. The Construction Manager agrees to include this

provision in all contracts issued as a result of this Task Order.

END OF GENERAL TERMS AND CONDITIONS

EXHIBIT B - SUPPLEMENTAL TERMS AND CONDITIONS

The following Supplemental Terms and Conditions hereby amend, modify, and supersede in the event of a conflict the terms of the Task Order and the General Terms and Conditions attached thereto as Exhibit A.

A **Construction Manager** shall provide the COUNTY, its representatives, and the Design Professional with two copies each of a Policy and Procedure Manual developed and updated in accordance with the following requirements:

1. Upon execution of the Task Order, the Construction Manager shall develop a draft of the comprehensive Policy and Procedure Manual describing the services to be provided by the Construction Manager per the Task Order Documents. This shall provide a plan for the control, direction, coordination, and evaluation of the Work performed throughout the Project; the Project organization including identification of key personnel, responsibilities of the Construction Manager, the COUNTY, and Design Professional; Workflow diagrams; and strategy for bidding and subcontracting the Work. The COUNTY shall have the right to review the Policy and Procedure Manual and to approve its content and format. The Policy and Procedure Manual may be updated as necessary throughout the Pre-Construction and Construction Phases, but substantive changes will not be made without the COUNTY's prior written concurrence. In developing the Policy and Procedure Manual, the Construction Manager shall coordinate and consult with the COUNTY and the Design Professional. The initial manual shall be submitted to the COUNTY for approval.

2 Contents of Policy and Procedure Manual: The Policy and Procedure Manual shall describe in detail the procedures for executing the Work and the organizations participating. The Policy and Procedure Manual shall include, as a minimum, the following sections:

2.1 Project Definition: The known characteristics of the Project and sub- projects shall be described in general terms which will provide the participants a basic understanding of the Project and sub-projects.

2.2 Project Goals: The schedule, budget, physical, technical, and other objectives for the Project shall be defined.

2.3 Project Strategy: A narrative description of the Project delivery methods which shall be utilized to accomplish the Project goals.

2.4 Project Work Plan: A matrix display of the Work to be performed by the Construction Manager, as well as the services and items to be furnished by the Design Professional and the COUNTY during each phase of the Project.

2.5 Project Organization: A summary organization chart showing the interrelationships between the COUNTY, the Construction Manager and the Design Professional, and other supporting organizations and permitting review agencies. Detailed charts, one each for the Construction Manager and Design Professional, showing organizational elements participating in the Project shall be included.

2.6 Responsibility Performance Chart: A detailed matrix showing the specific responsibilities and interrelationships of the COUNTY, the Design Professional, and Construction Manager. The Responsibility Performance Chart shall indicate major responsibility, and minor responsibility, for each specific task required to deliver the Project. The Construction Manager shall develop a similar chart for the personnel within its own organization who are assigned to the Project, as well as for the Design Professional's and the COUNTY's personnel assigned to the Project from data supplied by them.

2.7 Flow Diagrams: These charts shall display the flow of information and the decision process for the review and approval of shop drawings and submittals, progress, and change orders.

2.8 Direct Purchase Procedures: The Construction Manager will have a Direct Purchase Program in place. The Construction Manager will provide written procedures as to how materials or goods will be identified for direct purchase by the COUNTY and the process to be followed to allow for the COUNTY's direct purchase of and payment for such items (including credit towards the GMP for the sales tax savings incurred) and for the Construction Manager's acceptance of the items and use for the Project.

2.9 Written Procedure: The Construction Manager will provide written procedures for communications and coordination required between the Construction Manager, Design Professional, and the COUNTY throughout the Project. Procedures shall cover such items as correspondence, minutes, reports, inspections, team meetings, technical reviews, design reviews, and other necessary communications.

2.10 Emergency Contact List: A complete list of the names, company affiliation, and emergency contact phone numbers (both day and night) for all key Project personnel from the COUNTY, Construction Manager, and Design Professional, as well as from all subcontractors, subconsultants and suppliers of any of them. This list shall be continuously updated by Construction Manager throughout the Project duration, with Construction Manager distributing a copy of all updates to the COUNTY and Design Professional.

3. This Policy and Procedure Manual shall be completed and submitted to the Design Professional and the COUNTY for their review and the COUNTY's approval as a condition precedent to payment by the COUNTY to Construction Manager for any services provided in the Construction Phase under this Task Order.

4. This Policy and Procedure Manual is merely an amplification and clarification of this Task Order. Any conflicts between the Policy and Procedure Manual and this Task Order shall be governed by the latter.

5 As its Project Management Information System ("PMIS"), Construction Manager shall provide and use Procore, or other comparable project tracking software acceptable to and approved by the COUNTY, which system shall be in place for both the Pre-Construction Phase and Construction Phase services to be provided by Construction Manager pursuant to this Task Order.

1. General:

1.1 Commencing immediately after the Notice to Proceed is issued to Construction Manager by

the COUNTY, the Construction Manager shall implement and shall utilize throughout the life of this Task Order all subsystems of the PMIS.

1.2 The reports, documents, and data to be provided shall represent an accurate assessment of the current status of the Project and of the Work remaining to be accomplished and it shall provide a sound basis for identifying variances and problems and for making management decisions.

1.3 If requested by the COUNTY, the Construction Manager shall conduct a comprehensive workshop in Pasco County, Florida, for participants designated by the COUNTY and additional seminars as required by the COUNTY to provide instruction with respect to the PMIS. This workshop and the seminars shall facilitate each participant's and the COUNTY's representatives' use and understanding of the PMIS.

1.4 The PMIS shall be described in terms of the following major subsystems:

Narrative Reporting
Schedule Control
Cost Control and Estimating
Project Accounting
Accounting and Payment
Action Reports

1.5 The above reports shall be submitted at least on a monthly basis and shall accompany each monthly Application for Payment.

2 Narrative Reporting Subsystem.

2.1. The Construction Manager shall prepare written reports as described hereunder. All reports shall be in 8 1/2" x 11" format.

2.2. The Narrative Reporting Subsystem shall include the following reports:

2.2.1. A Monthly Executive Summary which provides an overview of current issues and pending decisions, future developments and expected achievements, and any problems or delays, including code violations found by any permitting authority.

2.2.2. A Monthly Cost Narrative describing the current construction cost estimate status of the Project.

2.2.3. A Monthly Scheduling Narrative summarizing the current status of the overall Master Project Schedule and an explanation of all variances from the plan. This report shall include an analysis of the various Project sub schedules, a description of the critical path, and other analyses as necessary to compare planned performance with actual performance.

2.2.4. A Monthly Accounting Narrative describing the current cost and payment status for the entire Project. This report shall relate current encumbrances and expenditures to

the budget allocations. An explanation for all variances shall be provided.

2.2.5. A Monthly Construction Progress Report during the Construction Phase summarizing the Work of the various subcontractors. This report shall include information from the weekly job site meetings as applicable such as general conditions, long lead supplies, current deliveries, safety and labor relations, programs, permits, construction problems and recommendations, and plans for the succeeding month.

2.2.6. A Daily Construction Diary during the Construction Phase describing events and conditions on the site.

2.3. The Reports outlined in subparagraphs 2.2.1 through 2.2.6 above shall be bound with applicable computer schedule reports and submitted monthly during Design and Construction Phases and shall be current through the end of the preceding month. Copies shall be delivered to the COUNTY and the Design Professional. A bound copy of the complete diary shall be submitted to the COUNTY at the conclusion of the Project.

3. Schedule Control Subsystem.

3.1. Construction Schedule: The Construction Manager shall prepare and submit to the COUNTY and Design Professional, for their review and approval, a Construction Schedule. This schedule shall conform to the format outlined in Paragraph 3.3 below. The approved Construction Schedule shall be attached to the GMP Task Order Amendment. The Construction Schedule shall be integrated into the Master Project Schedule.

3.1.1. Following development and approval of the Construction Schedule as aforesaid, the Construction Manager shall, at the end of each calendar month occurring thereafter during the period of time required to finally complete the Project, or at such earlier intervals as circumstances may require, update and/or revise the Construction Schedule which shall be submitted to the COUNTY in duplicate. No additional compensation will be due the Construction Manager for making such updates. Failure of the Construction Manager to update, revise, and submit the Construction Schedule as aforesaid shall be sufficient grounds for the COUNTY to find the Construction Manager in substantial default hereunder and that sufficient cause exists to terminate the Task Order or to withhold payment to the Construction Manager until a schedule or schedule update acceptable to the COUNTY is submitted.

3.2 The Construction Manager shall prepare and incorporate into the schedule database, at the required intervals, the following schedules:

3.2.1. Subcontractor Construction Schedules (Subnetworks): Upon the award of each subcontract, the Construction Manager shall jointly with the subcontractor, develop a schedule taking into account the Work schedule of the other subcontractors. The subcontractor's construction schedule shall include as many activities as necessary to make the schedule an effective tool for construction planning and for monitoring the performance of the subcontractor. The subcontractor's construction schedule also shall show pertinent activities for material purchase orders, manpower supply, shop drawing schedules and material delivery schedules.

3.2.2 Occupancy Schedule: The Construction Manager shall jointly develop with the Design Professional and the COUNTY a detailed plan, inclusive of punch lists, final inspections, maintenance training and turn-over procedures, to be used for ensuring accomplishment of a smooth and phased transition from construction to COUNTY occupancy. The Occupancy Schedule shall be produced and updated monthly from its inception through final COUNTY occupancy and shall be integrated into the Master Project Schedule.

3.3 Schedule Format: The Construction Schedule shall be planned and recorded with a Critical Path Method (CPM) schedule in the form of an activity-on-node diagram. All activity-on- node diagrams shall include the Activity Identification, Activity Description, and the type of relationship between activities, including any lead or lag time, as well as being cost loaded. Further, the Construction Schedule shall incorporate and be based upon the Project milestone dates set forth in Exhibit I to the Task Order.

3.3.1 No activity shall have a duration greater than fifteen (15) workdays or less than one (1) workday except by prior approval of the COUNTY. If requested by the COUNTY or Design Professional, the Construction Manager shall furnish any information needed to justify the reasonableness of activity durations. Such information shall include, but not be limited to, estimated activity manpower, anticipated quantities, and production rates.

3.3.2 Procurement shall be identified with at least two (2) activities: fabrication and delivery. Construction Manager shall insure that all Work activities that require a submittal are preceded by the appropriate submittal and approval activities.

3.3.3 Only contractual constraints shall be shown in the schedule logic. No other restraints are allowed unless approved in writing by the COUNTY or Design Professional. This disallowance of constraints includes the use of any mandatory start or finish dates selected by Construction Manager.

3.3.4 Activities shall be identified by codes to reflect the responsible party for the accomplishment of each activity (only one party per activity), the Phase/Stage of the Project for each activity, and the Area/Location of each activity.

3.3.5 The construction time for the Work, or any milestone, shall not exceed the specified Task Order Time. Logic or activity durations shall be revised in the event that any milestone or Task Order completion date is exceeded in the schedule.

3.3.6 Float is defined as the amount of time between when an activity "can start" (the early start) and when an activity "must start" (the late start). It is understood by the COUNTY and the Construction Manager that float is a shared commodity, not for the exclusive use or financial benefit of either party. Either party has the full use of the float until it is depleted.

The CPM schedules must be compatible with Microsoft Project, or other compatible program agreed upon by the Parties at the outset of the Project. It is the Construction Manager's responsibility to ascertain the software compatibility with the COUNTY or Design Professional.

3.3.7 Initial Schedule Submittal Requirements:

3.3.7.1. Predecessor/Successor Sort
3.3.7.2. Total Float/Early Start Sort
3.3.7.3. Responsibility/Early Start Sort
3.3.7.4. Area/Early Start Sort
3.3.7.5. Logic Diagram: Produce diagram with not more than 100 activities per ANSI D (24-inch x 36-inch) size sheet. Ensure each sheet includes title, match data or diagram correlation, and key to identify all components used in the diagram.
3.3.7.6. Narrative discussing general approach to completion of the Work.
3.3.7.7. Diskette in Primavera .XER(P35.0) format.

3.3.8 Schedule Update Requirements: The Construction Manager shall update the schedules monthly to show actual, current progress. The schedule updates shall be submitted within seven (7) calendar days of the data dates. The updates shall include:

3.3.8.1. Dates of activities' actual starts and completions.
3.3.8.2. Percent of Work remaining for activities started but not completed as of the update date.
3.3.8.3. Narrative report including a listing of monthly progress, the activities that define the critical path and any changes to the path of critical activities from the previous update, sources of delay, any potential problems, requested logic changes, and Work planned for the next month.
3.3.8.4. Predecessor/Successor Sort
3.3.8.5. Total Float/Early Start Sort
3.3.8.6. Responsibility/Early Start Sort
3.3.8.7. Area/Early Start Sort
3.3.8.8. Detailed listing of requested logic changes.
3.3.8.9. Updated logic diagram as required by the COUNTY. At a minimum, the COUNTY shall require a final logic diagram at the end of the Work showing the planned and actual starts and completions.
3.3.8.10. A bar chart comparison of the updated schedule to the initial schedule. This diagram shall show actual and planned performance dates for all completed activities.
3.3.8.11. All update information shall be an accurate representation of the actual Work progress.

3.4. Recovery Schedule: If the initial schedule or any current updates fail to reflect the Work's actual plan or method of operation, or a contractual milestone date is more than fifteen (15) calendar days behind, the COUNTY may require that a recovery schedule for completion of the remaining Work be submitted. The Recovery Schedule must be submitted within seven (7) calendar days of the COUNTY's request. The Recovery Schedule shall describe in detail the Construction Manager's plan to complete the remaining Work by the required Task Order milestone date. The Recovery Schedule submitted shall meet the same requirements as the original Construction Schedule. The narrative submitted with the Recovery Schedule should describe in detail all changes that have been made to meet the Task Order milestone dates.

3.5 Change Orders: When a Change Order is proposed, the Construction Manager must identify all logical changes as a result of the Change Order. The Construction Manager shall include, as part of each Change Order proposal, a sketch showing all schedule logical revisions, duration changes, and the relationships to other activities in the approved Construction Schedule. This sketch shall be known as the fragnet for the change. Upon acceptance of the fragnet, the Construction Manager will revise the Construction Schedule or current update. The logic changes required by the Change Order will be considered incidental to the Construction Manager's work. No separate payment will be made.

4. Cost Control Subsystem: The operation of this subsystem shall provide sufficient timely cost data and detail to permit the Construction Manager to control and adjust the Project requirements, needs, materials, equipment and systems by building and site elements so that the Work will be completed at a cost which, together with the Construction Manager's Fee, will not exceed the GMP. Requirements of this subsystem include submissions at the following phases of the Project:

4.1. Pre-Construction Phase Estimates, if applicable; and

4.2. Establishment of the GMP.

5. Project Accounting Subsystem: This subsystem shall enable the Construction Manager to plan effectively and the COUNTY to monitor and control the funds available for the Project, cash flow, costs, Change Orders, Construction Change Directives, payments, and other major financial factors by comparison of budget, estimate, total commitment, amounts invoiced, and amounts payable, and also enable the COUNTY to stay informed as to the overall Project status. All reports to be generated as part of this subsystem shall be consistent with the Project Funding Schedule (if any). This subsystem will be produced and updated monthly and includes the following reports:

5.1. A Costs Status Report representing the budget, estimate, and base commitment (awarded subcontracts and purchase orders) for any given subcontract or budget line item. It shall show approved Change Orders and Construction Change Directive for each subcontract which when added to the base commitment will become the total commitment. Pending Change Orders also will be shown to produce the total estimated probable cost to complete the Work.

5.2 A Payment Status Report showing the value in place (both current and cumulative), the amount invoiced (both current and cumulative), and the balance remaining. A summary of this report shall accompany each pay request.

5.3. A Detailed Status Report showing the complete activity history of each item in the Project accounting structure and includes an earned value graph. It shall include the budget, estimate, and base commitment figures for each subcontract. It shall give the Change Order history, including Change Order numbers, description, proposed and approved dollar amounts. It also shall show all pending or rejected Change Orders.

5.4. A Cash Flow Diagram showing the projected accumulation of cash payments against the Project. Cash flow projections shall be generated for anticipated monthly payments as well as cumulative payments.

5.5. A Job Ledger shall be maintained as necessary to supplement the operation of the Project

accounting subsystem. The job ledger will be used to provide construction cost accountability for general conditions work, on-site reimbursable expenses, and costs requiring accounting needs.

END OF SUPPLEMENTAL TERMS AND CONDITIONS

EXHIBIT C - FORM OF PAYMENT BOND
PUBLIC PAYMENT BOND

BOND NO._____

PAYMENT BOND

I. KNOW ALL PERSONS BY THESE PRESENTS: That _____, as Principal, whose address is _____, and _____, as Surety, whose address is _____, are held and firmly bound unto the Board of County Commissioners, Pasco County, Florida, as Obligee in the sum of $ _____, for the payment whereof we bind ourselves, our heirs, executors, personal representatives, successors and assigns, jointly and severally, firmly by these presents.

II. WHEREAS, the Principal has entered into a contract (more specifically, a task order) with Obligee, dated the _____ day of _____, 20_____, **(This date will be filled in by Board Records on the date of task order award)** for _____; in accordance with drawings and specifications, which task order is by reference made a part hereof, and is hereinafter referred to as the Task Order.

III. A. NOW THEREFORE, THE CONDITION OF THIS BOND IS THAT IF THE PRINCIPAL:

1. Shall promptly make payments to all claimants as defined in section 255.05(1), Florida Statutes, supplying the Principal with labor, materials, or supplies, as used directly or indirectly by the Principal in the prosecution of the work provided for in the Task Order; and

2. Shall pay the Obligee for all losses, damages, expenses, costs, and attorney's fees, including those resulting from appellate proceedings, that the Obligee sustains because of a default by the Principal in contravention to the Task Order in regard to payment for such labor, materials, or supplies furnished to the Principal; then this Bond is void; otherwise, this Bond remains in full force and effect.

B. BE IT FURTHER KNOWN:

1. Any changes in or under the Task Order and compliance or noncompliance with any formalities connected with the said Task Order or alterations which may be made in the terms of the said Task Order, or in the work to be done under it, or the giving by the Obligee of any extension of time for the performance of the said Task Order, or any other forbearance on the part of the Obligee or Principal to the other, shall not in any way release the Principal and the Surety, or either or any of them, their heirs, their personal representatives, their successors or their assigns from liability hereunder, notice to the Surety of any such changes, alterations, extensions or forbearance being hereby waived.

2. Certain claimants seeking the protection of this Bond must timely comply with the strict requirements set forth in section 255.05, Florida Statutes, and as otherwise provided by law.

3. As concerns payment for labor, materials and supplies, as affects certain claimants, no legal action shall be instituted against the Principal or Surety on this Bond after one (1) year from the performance of labor or the completion of delivery of the materials or supplies as is specifically mandated pursuant to section 255.05, Florida Statutes.

EXHIBIT D - FORM OF PERFORMANCE BOND
PUBLIC CONSTRUCTION BOND

BOND NO._____

PUBLIC CONSTRUCTION BOND

BY THIS BOND, We _____, as Principal and _____, a corporation, as Surety, are bound to Board of County Commissioners, Pasco County, Florida, herein called Owner, in the sum of $ _____, for payment of which we bind ourselves, our heirs, personal representatives, successors, and assigns, jointly and severally.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the task order dated _____, **(This date is to be filled in by Board Records on the date of task order award)** between Principal and Owner for construction of _____, (hereinafter the "Task Order"), the Task Order being made a part of this bond by reference, at the times and in the manner prescribed in the Task Order; and

2. Promptly makes payment to all claimants, as defined in Section 255.05(1), Florida Statutes, supplying Principal with labor, materials or supplies used directly or indirectly by Principal in the prosecution of the work provided for in the task order; and

3. Pays Owner all losses, damages, expenses, costs, and attorney's fees, including appellate proceedings, that Owner sustains because of a default by Principal under the Task Order; and

4. Performs the guarantee of all work and materials furnished under the Task Order for the time specified in the task order, then this bond is void; otherwise, it remains in full force.

Any action instituted by a claimant under this bond for payment must be in accordance with the notice and time limitation provisions in Section 255.05(2), Florida Statutes.

Any changes in or under the Task Order documents (including extension of time, alternatives or additions to the terms of the Task Order or specifications referred to within), and compliance or noncompliance with any formalities connected with the Task Order or the changes does not affect Surety's obligation under this bond, and it does hereby waive notice of any such changes, extension of time, alterations or additions to the terms of the Task Order or to work or to the specifications.

EXHIBIT E - INSURANCE REQUIREMENTS

The amounts and types of insurance shall conform to the minimum requirements listed below with the use of Insurance Services Office (ISO) or ACCORD forms and endorsements or broader where applicable. All self-insured retentions or deductibles will be Construction Manager's sole responsibility.

l Workers' Compensation and Employer's Liability Insurance shall be maintained by Construction Manager during the term of the Master Agreement and this Task Order for all employees engaged in the work under the Master Agreement and this Task Order, in accordance with the laws of the State of Florida. The amount of such insurance shall not be less than:

Workers' Compensation - Florida Statutory Requirements Employer's Liability -

Bodily Injury by Accident	$1,000,000 .00	each accident
Bodily Injury by Disease	$1,000,000 .00	each employee
Bodily Injury by Disease .	$1,000,000 .00	policy limit

The insurance company shall waive claims rights against the COUNTY.

Commercial General Liability Insurance, written on an "occurrence" basis, shall be maintained by Construction Manager. Coverage, as provided by 1986 (or later) ISO commercial general liability form, shall include, but not be limited to, Bodily Injury, Contractual for this Task Order, Independent Contractors, Premises Operations, Explosion, Collapses and Underground, Broad Form Property Damage, Personal Injury and Fire Legal Liability Coverages. ISO Endorsement CG 22 79 or CG 22 80 (Limited Exclusion - Contractor's - Professional Liability) also must be provided. Completed Operations coverage must be maintained by Construction Manager for not less than five (5) years following completion and acceptance by the COUNTY of the Work performed by Construction Manager at each Project Site assigned to it. Limits of coverage shall not be less than the following for Bodily Injury, including Death, Property Damage and Personal Injury Combined Single Limits:

General Aggregate	$3,000,000.00
Products - Completed Operations Aggregate	$3,000,000.00
Personal and Advertising Injury	$1,000,000.00
Each Occurrence	$1,000,000.00
Fire Damage (Any One Fire)	$50,000.00
Medical Expenses per person	$5,000.00
Contract Specific Project Aggregate Limits	$ same as above

The aggregate limits shall be separately applicable to this Task Order through the use of an endorsement approved by the COUNTY. Applicable deductibles or self-insured retention shall be the sole responsibility of Construction Manager.

I. Automobile Liability Insurance shall be maintained by Construction Manager as to ownership, maintenance, and use, including loading and unloading, of all owned, non-owned, leased or hired vehicles with limits of not less than:

$1,000,000.00 Combined Single Limit each accident for Bodily Injury, including Death & Property Damage Liability; $3,000,000.00 Aggregate

II. Umbrella Liability Insurance or Excess Liability Insurance shall not be less than $5,000,000.00 each occurrence and aggregate. Coverage shall be excess of the US L&H, Maritime, Employers Liability, Commercial General Liability and Automobile Liability coverages required herein and shall include all coverages on a "following form" basis. Coverage shall drop down as primary on the exhaustion of any aggregate limit. The aggregate limits shall apply separately to this Task Order, and the specific task order aggregate limits shall be evidenced by the use of an endorsement approved by the COUNTY. If Umbrella policy does not cover any mandated coverage, then that coverage must have its own limits to meet this requirement.

III. Pollution and Professional Legal Liability Insurance shall be $5,000,000.00 each claim and annual aggregate including contractual liability covering environmental claims for bodily injury and property damage defined as physical injury to or destruction of tangible property damage coverage including the resulting loss of use of damaged property thereof or of tangible property that has not been physically injured, cleanup costs, and defense, including costs and expenses incurred in the investigation, defense, or settlement of claims as well as for professional and pollution arising out of covered operations performed by the Construction Manager or it Subcontractors or others who may be liable described under the scope of services of this Task Order. This coverage will include Professional Liability arising out of Construction Manager's direct or vicarious liability for operations performed on this Project.

EXHIBIT F - RELEASE AND AFFIDAVIT FOR PROGRESS PAYMENT

STATE OF FLORIDA)
ss
COUNTY OF)

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

(1) In accordance with the Task Order Documents and in consideration of $_____paid, Wharton-Smith, Inc ("Construction Manager") releases and waives for itself and its subcontractors, materialmen, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against The Board of County Commissioners of Pasco County, Florida, a body corporate existing under the laws of the State of Florida ("the COUNTY") relating in any way to the performance of the Task Order No. FM26-003 between Construction Manager and the COUNTY, dated _____, 20_____, for the period from _____to _____.

(2) Construction Manager certifies for itself and its subcontractors, materialmen, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which the COUNTY might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(3) Construction Manager agrees to indemnify, defend, and save harmless the COUNTY from all demands or suits, actions, claims of liens or other charges filed or asserted against the COUNTY arising out of the performance by Construction Manager of the Work covered by this Release and Affidavit.

(4) Construction Manager certifies that it has paid all its subcontractors and materialmen in full all amounts owed them from any previous payments received by Construction Manager from the COUNTY and has not withheld any such amounts. In the event Construction Manager withholds any unpaid amounts due to its subcontractors and/or materialmen in breach of its respective Subcontract from the payment it receives from the COUNTY with respect to the Application for Payment referenced in paragraph 5 below, Construction Manager agrees to immediately refund all such unpaid amounts to the COUNTY.

(5) This Release and Affidavit is given in connection with Construction Manager's [monthly/final] Application for Payment No. _____.

EXHIBIT F

RELEASE AND AFFIDAVIT FOR FINAL PAYMENT

STATE OF }
}ss
COUNTY OF }

Before me, the undersigned authority, personally appeared _____, who after being duly sworn, deposes and says:

In accordance with the Task Order Documents and in consideration of $_____paid,_____("Construction Manager") releases and waives for itself and its subcontractors, materialmen, successors and assigns, all claims demands, damages, costs and expenses, whether in contract or in tort, against The Board of County Commissioners of Pasco County, Florida, a body corporate existing under the laws of the State of Florida ("the COUNTY") relating in any way to the performance of the Task Order No. FM26-003 between Construction Manager and the COUNTY, dated_____, 20____, for the period from _____ to_____.

(1) Construction Manager certifies for itself and its subcontractors, materialmen, successors and assigns, that all charges for labor, materials, supplies, lands, licenses and other expenses for which the COUNTY might be sued or for which a lien or a demand against any payment bond might be filed, have been fully satisfied and paid.

(2) Construction Manager agrees to indemnify, defend, and save harmless the COUNTY from all demands or suits, actions, claims of liens or other charges filed or asserted against the COUNTY arising out of the performance by Construction Manager of the Work covered by this Release and Affidavit.

(3) Construction Manager certifies that it has paid all its subcontractors and materialmen in full all amounts owed them from any previous payments received by Construction Manager from the COUNTY and has not withheld any such amounts, except for those subcontractors and materialmen due payment as part of this final Payment Application as identified on the list attached hereto as Exhibit A. In the event Construction Manager withholds any unpaid amounts due to its subcontractors and/or materialmen in breach of its respective Subcontract from the final payment it receives from the COUNTY with respect to the Application for Payment referenced in paragraph 5 below, the Construction Manager agrees to fully indemnify the COUNTY for any claims or actions filed by the Construction Manager's subcontractors and/or materialmen related to the Project or in the alternative, upon the COUNTY's written request, immediately refund all such unpaid amounts to the COUNTY.

EXHIBIT M – CERTIFICATE OF INSURANCE FORM

PLEASE READ CAREFULLY

PASCO COUNTY, FLORIDA

CERTIFICATE OF INSURANCE EXPLANATION

Pasco County, Florida (County) requires the use of its Certificate of Insurance as evidence that the insurance requirements of the Master Agreement and Task Order have been complied with and will continue to be complied with as long as the Task Order is in force. The County must rely on this certificate as proof of compliance with the insurance requirements agreed upon. The County must be advised of cancellation or non-renewal of the insurance coverages required or reduction in the coverages provided in compliance with the Master Agreement and Task Order as shown in the Certificate of Insurance. Thirty-day written notice of cancellation, non-renewal, or reduction in coverages must be provided to the County so that the County can take proper action to protect itself.

Many Certificates of Insurance are received by the County, and many contain wording to the effect that the certificate is issued as a matter of information only and **confers no rights upon the certificate holder.** A common example of this unacceptable language is: should any of the above-described policies be cancelled before the expiration date thereof, the issuing company will **endeavor** to mail X days' written notice to the named certificate holder, **but failure to mail such notice shall impose no obligation or liability of any kind upon the company.**

The County must have the **right** of notice of cancellation, non-renewal, and reduction of coverage as this is part of the insurance requirements of the Master Agreement and Task Order entered into and to be relied upon by the County as evidenced through its Certificate of Insurance.

The requirement that the authorized representative signing the Certificate of Insurance attach his agent's license for the insurance company or companies, or other acknowledgment by the insurance company or companies shown in the certificate, is to show proof to the County that the person signing the certificate is legally authorized by the insurance company to so obligate them, as referred to in the certificate.

The County must have positive evidence in the form of its Certificate of Insurance that the insurance requirements of the Master Agreement and Task Order entered into have been met and will continue to be met, without interruption, during the term of the Master Agreement and Task Order entered into unless thirty days written notice is given to it.

No activity shall begin until the County Insurance Certificate is received and approved. Your cooperation in providing the County with acceptable evidence of insurance requirements compliance, as agreed to in the agreement, will prevent confusion and delay in allowing the subject matter of this Task Order to be accomplished.

EXHIBIT N – Required Federal Forms (Post-Award)

BUY AMERICA REQUIREMENTS

FOR PROCUREMENT OF STEEL, IRON, AND MANUFACTURED PRODUCTS (INCLUDING ROLLING STOCK) OVER $150,000

If this contract (or task order) or purchase order is valued in excess of $150,000 and involves the procurement of steel, iron, or manufactured products, the bidder or offeror hereby certifies that it:

☒ Will meet the requirements of 49 USC 5323(j)(1) and the applicable regulations in 49 CFR part 661.5.

☐ Cannot meet the requirements of 49 USC 5323(j)(1) and 49 CFR part 661.5, but it may qualify for an exception pursuant to 49 USC 5323(j)(2)(A), 5323(j)(2)(B), or USC 5323(j)(2)(D), and 49 CFR part 661.7.

If this contract (or task order) or purchase order is valued in excess of $150,000 and involves the procurement of buses, other rolling stock and associated equipment, the bidder or offeror hereby certifies that it:

☐ Will comply with the requirements of 49 USC 5323(j)(2)(C) and the regulations at 49 CFR part 661.11.

☐ Cannot comply with the requirements of 49 USC 5323(j)(2)(C) and 49 CFR part 661.11, but it may qualify for an exception pursuant to 49 USC 5323(j)(2)(A), 5323(j)(2)(B), or USC 5323(j)(2)(D), and 49 CFR part 661.7.

Note: This Buy America certification must be submitted to Pasco County, if applicable, with all bids or offers on FTA-funded contracts involving construction or the acquisition of goods or rolling stock, except those subject to a general waiver. General waivers are listed in 49 CFR 661.7, and include final assembly in the United States for microcomputer equipment, software, and small purchases (currently less than $150,000) made with capital, operating or planning funds.

LOBBYING

For contracts over
$100,000

31 U.S.C. 1352, 2 C.F.R. § 200.450
2 CFR Part 200 Appendix II (J), 49 CFR Part 20

The undersigned certifies, to the best of his or her knowledge and belief, that:

A. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

B. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

C. The undersigned shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS FOR FEDERAL AID CONTRACTS

(Compliance with 2 CFR Parts 180 and 1200)

It is certified that neither the below identified firm nor its principals are presently suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Instructions for Certification

Instructions for Certification - Lower Tier Participants:

(Applicable to all subcontracts, purchase orders and other lower tier transactions requiring prior Federal approval or estimated to cost $25,000 or more - 2 CFR Parts 180 and 1200)

a. By signing and submitting this proposal, the prospective lower tier is providing the certification set out below.

b. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department, or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

c. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous by reason of changed circumstances.

d. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "response," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Orders 12549, at Subpart C of OMB 2 C.F.R. Part 180 and 3000.332. You may contact the department or agency to which this response is being submitted for assistance in obtaining a copy of those regulations.

e. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

f. The prospective lower tier participant further agrees by submitting this proposal that it will

include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions exceeding the $25,000 threshold.

g. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any lower tier prospective participants, each participant may, but is not required to, check the System for Award Management (SAM) database.

h. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

i. Except for transactions authorized under paragraph e of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

CERTIFICATION FORM BEGINS ON NEXT PAGE

Certification Regarding Debarment, Suspension,
Ineligibility and Voluntary Exclusion
Lower Tier Covered Transactions

The following statement is made in accordance with the Privacy Act of 1974 (5 U.S.C. § 552(a), as amended). This certification is required by the regulations implementing Executive Orders 12549, Debarment and Suspension, and OMB 2 C.F.R. Part 180, Participants' responsibilities. The regulations were amended and published on August 31, 2005, in 70 Fed. Reg. 51865-51880.

[READ INSTRUCTIONS ON PREVIOUS PAGE BEFORE COMPLETING CERTIFICATION]

1. The prospective lower tier participant certifies, by submission of this response, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal or State department or agency;

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this response.

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)

Contractors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING – REQUIRED FOR CONTRACTS OVER $100,000
Certification for Contracts, Grants, Loans, and Cooperative Agreements

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Wharton-Smith, Inc., certifies or affirms the truthfulness and

accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

Re: Preconstruction Services: Zephyrhills Transfer Station

Dear Molly,

Wharton-Smith, Inc. is pleased to submit our proposal for the preconstruction services for the **Zephyrhills Transfer Station** project. Within the enclosed documents, you will first find a narrative detailing our scope of work as it pertains to the preconstruction phase of the project. This narrative provides an outline of the services we intend to provide in conjunction with the design team during the early stages of the project to ultimately bring it to the point of construction.

The proposed cost for these services is **$38,173.00 plus a $2,500 multi-project discount.**
The revised proposed cost for these services is *$35,673.00.*

Additionally, we have attached a fee spreadsheet summarizing the associated project costs necessary to support the preconstruction efforts. The spreadsheet details and includes all the Construction Manager related administration costs during the development of the project-program, coordination efforts in developing the design, and all costs ultimately necessary to provide the Guaranteed Maximum Price.

Our entire team is excited about the opportunity to demonstrate our exceptional preconstruction and construction related talents to you and your colleagues. We look forward to being considered as your Construction Management team and business partner for this venture and are fully committed to making the project a success in every way. We appreciate the opportunity and are eager to commence management services soon.

Sincerely,

Johnny Santos

Johnny Santos
Director of Operations
Wharton-Smith, Inc.

Wharton-Smith, Inc. Commercial Preconstruction

Overview - **Zephyrhills**

In today's market with unprecedented cost escalation and extended material delivery lead times, it is important to "Design to Budget." The Preconstruction process engages the owner, designers, construction manager and trade partners to ensure all parties are developing a project that meets the owner's program, budget, and schedule. The whole Preconstruction process is open book and transparent to ensure the success of your project.

Wharton-Smith employs 21 Preconstruction professionals in 6 offices throughout the southeast. Many of the projects we deliver are under the Construction Manager at Risk form of delivery, whereby we provide Preconstruction services during the design development stage to ensure the project is "Designed to Budget." The following is a sample of the typical Preconstruction services we provide during the design development of a planned project to ensure it is a success.

CONSTRUCTION DOCUMENT PHASE / GUARANTEED MAXIMUM PRICE GMP

When the design reaches the Construction document stage and is ready to be bid to our subcontracting partners, we will commence our GMP bidding procedures. Wharton-Smith, Inc. will begin bidding procedures by coordinating with the Owner's Project Representative to determine the date, time and place of bid opening, and any scheduled subcontractor pre-bid meetings and/or pre-bid walkthroughs.

An ITB, Instructions to Bidder's will be provided to subcontractors so they understand the requirements of the project. These instructions will include any specific owner requirements, project logistics, an outline schedule, major trade scopes of work, a sample subcontract, safety, and quality requirements.

Wharton-Smith, Inc. will utilize www.constructconnect.com, our online plan room, to directly solicit selected prequalified subcontractors, by emailing Invitations to Bid including information on how to access the bidding documents. Wharton-Smith, Inc. will work with your Project Representative to develop the bidder's list and include all subcontractors and material suppliers that you would like to invite.

The Owner's Project Representative is welcome to be present at the time of the bid opening and shall witness the receipt and tabulation of all bids. Wharton-Smith, Inc. will provide the Owner's Project Representative with the final bid tabulation from bid day.

All information regarding solicited subcontractors and responses received, including the identification of the responses found to be from the lowest, responsible, responsive bidder, will be summarized in the Subcontractor Bidder Report in the GMP. We will coordinate with the major low responsive subcontractors to ensure they have complete scope and fully understand the project.

The GMP, Guaranteed Maximum Price document will include the Summary of Costs, a detailed analysis of all the subtrades scopes and pricing, copies of all the subcontractor's bids, a breakdown of the General Conditions and General Requirements. Also included will be the project schedule, Assumptions and Qualifications, and a listing of all the project documents.

By following this process, we have ensured the success of hundreds of projects. "Design to Budget" is how we start the Design Development process and how we finish with the Guaranteed Maximum Price.

Re: Preconstruction Services: Zephyrhills Transfer Station

Dear Molly,

Wharton-Smith, Inc. is pleased to submit our proposal for the preconstruction services for the **Zephyrhills Transfer Station** project. Within the enclosed documents, you will first find a narrative detailing our scope of work as it pertains to the preconstruction phase of the project. This narrative provides an outline of the services we intend to provide in conjunction with the design team during the early stages of the project to ultimately bring it to the point of construction.

The proposed cost for these services is **$38,173.00 plus a $2,500 multi-project discount.**
The revised proposed cost for these services is *$35,673.00.*

Additionally, we have attached a fee spreadsheet summarizing the associated project costs necessary to support the preconstruction efforts. The spreadsheet details and includes all the Construction Manager related administration costs during the development of the project-program, coordination efforts in developing the design, and all costs ultimately necessary to provide the Guaranteed Maximum Price.

Our entire team is excited about the opportunity to demonstrate our exceptional preconstruction and construction related talents to you and your colleagues. We look forward to being considered as your Construction Management team and business partner for this venture and are fully committed to making the project a success in every way. We appreciate the opportunity and are eager to commence management services soon.

Sincerely,

Johnny Santos

Johnny Santos
Director of Operations
Wharton-Smith, Inc.

Wharton-Smith, Inc. Commercial Preconstruction

Overview - **Zephyrhills**

In today's market with unprecedented cost escalation and extended material delivery lead times, it is important to "Design to Budget." The Preconstruction process engages the owner, designers, construction manager and trade partners to ensure all parties are developing a project that meets the owner's program, budget, and schedule. The whole Preconstruction process is open book and transparent to ensure the success of your project.

Wharton-Smith employs 21 Preconstruction professionals in 6 offices throughout the southeast. Many of the projects we deliver are under the Construction Manager at Risk form of delivery, whereby we provide Preconstruction services during the design development stage to ensure the project is "Designed to Budget." The following is a sample of the typical Preconstruction services we provide during the design development of a planned project to ensure it is a success.

CONSTRUCTION DOCUMENT PHASE / GUARANTEED MAXIMUM PRICE GMP

When the design reaches the Construction document stage and is ready to be bid to our subcontracting partners, we will commence our GMP bidding procedures. Wharton-Smith, Inc. will begin bidding procedures by coordinating with the Owner's Project Representative to determine the date, time and place of bid opening, and any scheduled subcontractor pre-bid meetings and/or pre-bid walkthroughs.

An ITB, Instructions to Bidder's will be provided to subcontractors so they understand the requirements of the project. These instructions will include any specific owner requirements, project logistics, an outline schedule, major trade scopes of work, a sample subcontract, safety, and quality requirements.

Wharton-Smith, Inc. will utilize www.constructconnect.com, our online plan room, to directly solicit selected prequalified subcontractors, by emailing Invitations to Bid including information on how to access the bidding documents. Wharton-Smith, Inc. will work with your Project Representative to develop the bidder's list and include all subcontractors and material suppliers that you would like to invite.

The Owner's Project Representative is welcome to be present at the time of the bid opening and shall witness the receipt and tabulation of all bids. Wharton-Smith, Inc. will provide the Owner's Project Representative with the final bid tabulation from bid day.

All information regarding solicited subcontractors and responses received, including the identification of the responses found to be from the lowest, responsible, responsive bidder, will be summarized in the Subcontractor Bidder Report in the GMP. We will coordinate with the major low responsive subcontractors to ensure they have complete scope and fully understand the project.

The GMP, Guaranteed Maximum Price document will include the Summary of Costs, a detailed analysis of all the subtrades scopes and pricing, copies of all the subcontractor's bids, a breakdown of the General Conditions and General Requirements. Also included will be the project schedule, Assumptions and Qualifications, and a listing of all the project documents.

By following this process, we have ensured the success of hundreds of projects. "Design to Budget" is how we start the Design Development process and how we finish with the Guaranteed Maximum Price.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 3 **FILE NO.:** FAC26-0123 **DATE:** 6/16/2026

SUBJECT: Agreement for Sale and Purchase of Property – SR 40, LLC – Amazon Drive, New Port Richey – $62,000.00

REFERENCES: Not Applicable

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Approve the Agreement for Sale and Purchase of Property for the acquisition of 1.14 acres of real property from SR 40, LLC, authorize the Chairman to sign the Agreement, and direct Board Records to distribute as set forth under the Distribution section below.

Direct the Clerk and Comptroller's Office to wire transfer the amount of $62,000.00, plus all closing costs chargeable to the County, to the closing agent upon written instructions from the Real Property Division in accordance with the terms and conditions of the Agreement.

Delegate to the County Administrator or designee the full authority to act on behalf of the County for any purpose described in the Agreement, including the authority to provide any necessary notices or to exercise the County's right to terminate the Agreement, extend the closing date, approve a closing agent, authorize closing costs, approve or revise legal descriptions, and execute any necessary closing documents.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

Upon request by the Transportation Engineering Department to acquire this vacant 1.14 acre parcel, the Real Property Division inquired of the property owner, the possibility of purchasing the subject parcel as a volunteer acquisition. The subject parcel is identified as Pasco County Property Appraiser Parcel ID No. 13-26-16-0000-00100-0110 ("the Property"). The acquisition of this parcel will complete the connection of Amazon Drive with Anaconda Drive.

The property owner has agreed to sell the Property to the County for a purchase price of $62,000.00.

The Transportation Engineering Department and the Real Property Division recommend approval.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $62,000.00 and closing costs is budgeted and available for FY 2026 in the Mobility Fees West ROW Fund, Transportation Engineering Department, Project Number 26028.

DISTRIBUTION:

Board Records to distribute as set forth below:

1. Retain the original agreement.
2. Electronically to:
    a. Chris Scherer, SR40, LLC at chris@schererdevelopment.com
    b. Joann Ravida, Real Property Professional III, at jravida@pascocountyfl.net
    c. Heather Wolff, Manager, Real Property at hwolff@pascocountyfl.net
    d. Panos Kontses, Interim Director, Transportation Engineering Department at pkontses@pascocountyfl.net

ATTACHMENT(S):

1. FAC26-0123 Agreement for Sale and Purchase of Property
2. FAC26-0123 Location Map

AGREEMENT FOR SALE AND PURCHASE OF PROPERTY
(Amazon Drive – Vacant Land)

THIS AGREEMENT is by and between PASCO COUNTY, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners, the governing body thereof, hereinafter referred to as "Buyer," and SR 40 LLC, hereinafter referred to as "Seller."

W I T N E S S E T H:

THE TOTAL PURCHASE PRICE is Sixty-Two Thousand and 00/100 dollars ($62,000.00), payable by Buyer to Seller, subject to the following terms and conditions:

1. Seller agrees to sell and convey to Buyer, and Buyer agrees to purchase the property currently identified by Pasco County Property Appraiser Parcel ID Number 13-26-16-0000-00100-0110, and further described in Exhibit "A", attached hereto and incorporated herein (hereinafter "the Property"). The approximate size of the property is 1.14 acres.

2. The contract shall be closed and, subject to the satisfaction of all conditions precedent to Seller's performance, the deed and possession of the Property shall be transferred to Buyer within thirty (30) days of execution of this Agreement by Buyer, unless extended by mutual agreement, in writing, by both Buyer and Seller.

3. Seller hereby warrants Seller is the owner of the Property.

4. Upon execution of this Agreement by Seller, Seller's offer may not be revoked or rescinded until presented for formal consideration and voted on by the Pasco County Board of County Commissioners, on or before June 16, 2026. In the event that this Agreement is not approved by the Pasco County Board of County Commissioners by said date, Seller may terminate this Agreement by providing written notice to Buyer.

5. Seller agrees to convey title to the Property to Buyer by special warranty deed, free and clear of all encumbrances, leases, liens, mortgages, covenants, conditions or restrictions not acceptable to Buyer, in Buyer's sole discretion.

6. In the event that the Property is subject to any assessments of any kind, by an association of any kind, closing shall be subject to the Property being released by the association from the obligation to pay assessments.

7. Seller shall pay all ad valorem taxes, prorated ad valorem taxes, solid waste or other special assessments, street light assessment, if applicable, and tangible personal property taxes applicable, accruing up to and inclusive of the date of closing. If ad valorem taxes, for the year in which closing occurs, are not known, then taxes for the prior year shall be used for the purposes of the required prorations for the Property. The prorations at closing shall be final and there shall be no post-closing adjustment to same between Buyer and Seller.

8. Buyer shall pay for a title insurance commitment issued by a Florida licensed title insurance company, agreeing to issue to Buyer, upon recording of the Deed, an owner's policy of title insurance in the amount of the purchase price, and, after Closing, an owner's policy of title insurance, insuring Buyer's title to the Property, subject only to liens, encumbrances, exceptions, or qualifications which shall be discharged by Seller at or before closing. Title insurance shall be issued through a closing agent selected by the Buyer.

9. Buyer shall, prior to closing, notify Seller, in writing, of any objections Buyer has to the title commitment. Seller shall have a period of sixty (60) days after notification thereof within which to cure defects in the title, and the sale shall be closed within thirty (30) days after notice of such curing to Buyer. In the event Seller is unsuccessful in curing such defects within the required time, or in the event that Seller elects not to cure any such defects, Buyer shall have the option of either accepting title as is, or terminating this Agreement without penalty, and thereupon, Buyer and Seller shall be released, as to one another, without further obligations under this Agreement. Title insurance shall be issued through a closing agent approved by Buyer.

10. Prior to closing, the Property may be surveyed by Buyer, at Buyer's sole expense. If the survey shows any encroachments on the Property, or that any improvements located on the Property encroach onto other lands, written notice thereof will be given to Seller by Buyer within thirty (30) days from Buyer's receipt of the survey, and Seller will have the same time to remove such encroachments as allowed under this Agreement for the curing of defects in title. If Seller fails to remove or cure said encroachments within said time, or in the event that Seller elects not to cure any such

SELLER'S INITIALS

defects in the survey that are timely objected to by Buyer, Buyer, at its option, may terminate this Agreement and all rights and liabilities arising hereunder, or Buyer may close on the sale, in the same manner as if no such defect had been found. At Closing, the Seller shall deliver (a) the special warranty Deed, duly executed in form for recordation; (b) an owner's affidavit running to the benefit of the Title Company and the Title Agent, in a form sufficient and acceptable to the Title Company so as to allow it to eliminate the standard owner's exceptions, other than survey exceptions, including the parties' in possession, mechanic's lien, and gap exceptions from the commitment and title insurance policy, and otherwise reasonably acceptable to the Title Company the Title Agent, and the Buyer; (c) if Seller is a corporation or other business entity, a non-foreign affidavit which complies with the requirements of Internal Revenue Code Section 1445, to relieve Buyer from withholding any income or capital gains taxes on the Purchase Price; (d) if Seller is a trust or business entity, a proper disclosure of persons having a beneficial interest in the selling entity when real property is conveyed to a public agency, in compliance with section 286.23, Florida Statutes, if applicable; and (d) an executed closing statement. Seller agrees to indemnify and hold Buyer harmless, for all fees and costs, including any attorney's fees, incurred by Buyer as a result of any misrepresentations, omissions or errors in Seller's affidavit(s). The indemnification provision in this subsection shall survive Closing and any termination of this Agreement.

11. Seller agrees to pay documentary stamps on the instrument of conveyance. Buyer agrees to pay for the recording of the conveyance document.

12. Seller shall, at Closing, deliver occupancy and possession of the Property to Buyer free of tenants, occupants and future tenancies. Also, at Closing, Seller shall have removed all personal items and trash from the Property.

13. Buyer and Seller represent and warrant to one another that neither has used the services of, or for any other reason owes compensation to, a licensed real estate broker in connection with this transaction, and Buyer will not be liable to Seller or to Seller's broker, agents or representatives for any commissions, costs, or fees arising from this transaction. The warranties of the Parties in this subsection shall survive Closing and any termination of this Agreement for a period not to exceed 12 months.

SELLER'S INITIALS

14. Buyer shall wire transfer the total amount of the purchase price, plus closing costs to be paid by Buyer (survey and recording), to the closing agent. The closing agent will disburse the net proceeds of the purchase price to Seller, after disbursing all closing costs chargeable to Seller. Buyer's survey, title insurance, closing agent costs, cost of recording the deed and Buyer's attorney's fees are the only costs chargeable to Buyer. Seller is responsible for documentary stamps on the instrument of conveyance, any past due ad valorem and non-ad valorem taxes and current year pro-rated taxes.

15. This purchase was not under the threat of eminent domain. The purchase price is the full and final payment to which Seller may be entitled for the Property described herein. There shall be no payment for attorneys' fees or experts' fees or costs.

16. This contract shall be binding upon the parties hereto, their heirs, personal representatives, successors, and assigns insofar as the context hereof will permit.

17. This Agreement embodies the complete and entire agreement between the parties regarding this transaction, and supersedes all prior negotiations, agreements, and understandings relating thereto. This Agreement may not be modified except by written agreement of both Seller and Buyer.

18. Any notice to be given or to be served upon any party hereto in connection with this Agreement must be in writing and sent via e-mail to all recipients listed below. In addition to notice via e-mail, a copy of any e-mail notice may also be given by certified mail, hand delivery, or overnight receipt delivery service. Notices shall be deemed to have been given and received (a) when sent, when delivery is by e-mail, (b) three (3) days after a certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail; or (c) when delivered to and received by the party to whom it is addressed or such party's agent or representative if given by hand delivery or overnight delivery service. Notices shall be given to the Parties at the following addresses:

19. No delay or omission in the exercise of any right or remedy accruing to Seller or Buyer upon any breach under this Agreement shall impair such right or remedy or be construed as a waiver of any other breach occurring before or after such breach.

20. This Agreement shall be construed under and in accordance with the laws of the State of Florida and venue for its enforcement shall be in Pasco County, Florida.

21. This Agreement may be executed in two or more counterparts, all of which together shall constitute one and the same instrument. There may be duplicate originals of this Agreement, only one of which need be produced as evidence of the terms hereof.

22. If any date described herein falls on a Saturday, Sunday or government holiday that date shall be automatically extended to the next day that is not a Saturday, Sunday or government holiday.

23. Time is of the essence for this Agreement.

24. Seller and Buyer each knowingly, voluntarily and intentionally waive any right each may have to a trial by jury of any claim, demand, action or cause of action, in connection with, or in any way related to, this Agreement.

AGENDA MEMORANDUM

COMMISSION DISTRICT: 1 **FILE NO.:** FAC26-0130 **DATE:** 6/16/2026

SUBJECT: Accept Deed and Adopt Resolution Cancelling Taxes – Epperson Town Center Master Association, Inc. – Epperson Ranch Town Center Tract R-1 – Curley Road, Wesley Chapel – No Funding Required

REFERENCES: TED24-0285

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Andrew Baxter, Facilities Management Director

RECOMMENDED BOARD ACTION:

Accept the deed and adopt the Resolution Cancelling Taxes, authorize the Chairman to sign the resolution, and direct Board Records to record the deed and distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

The Real Property Division has received a deed from Epperson Town Center Master Association, Inc., conveying the following parcel to Pasco County for additional public rights-of-way for Curley Road, Wesley Chapel, as a condition of plat approval.

Grantor's Name	Parcel Identification Number	Parcel Size
Epperson Town Center Master Association, Inc.	35-25-20-0230-49900-0R10	.58 Acres (M.O.L.)

In order to cancel the taxes on the acquired property, the Board of County Commissioners must adopt the attached resolution prepared by the Real Property Division.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding is not required for this action.

DISTRIBUTION:

Board Records to distribute as set forth below:

1. Record and retain the original deed and retain the original, executed resolution.
2. One certified copy of the resolution and a copy of the recorded deed to the Property Appraiser's Office, Dade City, for action.
3. One certified copy of the resolution and a copy of the recorded deed to the Tax Collector's Office, Dade City, for action.
4. Electronically to:
   a. Daniel Fagan, Pasco County Property Appraiser's Office - dfagan@pascopa.com
   b. Michele Musser, Pasco County Tax Collector's Office - mmusser@pascotaxes.com

c. Lynn Stover, Pasco County Clerk of Court - lstover@pascoclerk.com, to update the Capital Asset Register.

BY THE BOARD OF COUNTY COMMISSIONERS **RESOLUTION NO._____**

A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF PASCO COUNTY, FLORIDA, CANCELLING TAXES ON CERTAIN PROPERTY ACQUIRED BY PASCO COUNTY FOR THE USE AND BENEFIT OF THE CITIZENS OF PASCO COUNTY; DECLARING SUCH PROPERTY EXEMPT FROM TAXATION.

WHEREAS, Section 196.28, Florida Statutes, authorizes the Board of County Commissioners of each County in the State to cancel and discharge any and all liens for taxes, either delinquent or current, on property held or owned by the County for public use; and

WHEREAS, the property described in Exhibit "A", attached hereto and incorporated herein by reference, was acquired by Pasco County from Epperson Town Center Master Association, Inc., and,

WHEREAS, the aforementioned property was acquired by Pasco County for additional Right of Way, for the use and benefit of the citizens of Pasco County.

WHEREAS, the use of such property by the Board of County Commissioners of Pasco County constitutes a valid public purpose.

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Pasco County, Florida, in regular session duly assembled that:

1. THE WHEREAS CLAUSES set forth above are incorporated herein by reference and made a part of this resolution.

2. The liens for all taxes on the property described in Exhibit “A,” to the extent of the County's prorated share as of the date of acquisition of the same by the County, are hereby cancelled and discharged.

3. From May 5, 2026 henceforth, said property shall remain exempt from ad valorem taxation for as long as the same shall continue to be used for public purposes.

4. This resolution shall become effective immediately upon adoption.

BE IT FURTHER RESOLVED that a certified copy of this Resolution be forwarded to the Pasco County Tax Collector and the Pasco County Property Appraiser for their action in accordance with said Resolution.

DONE AND RESOLVED with a quorum present and voting this _____ day of_____, 2026.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** IT26-0030 **DATE:** 6/16/2026

SUBJECT: Purchase Authority and Delegation of Authority - Various Vendors - FY 2026 for Computer Purchases and Funding

REFERENCES: Not Applicable.

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Todd Bayley, Information Technology CIO

RECOMMENDED BOARD ACTION:

Approve the purchase of as-needed computer, hardware, and maintenance purchases with various vendors (included in Attachment A), pursuant to Sections 2-102 (a) and (b), 2-103, and 2-104 of the Purchasing Ordinance, to be purchased by the Pasco County Information Technology Department in the Not to Exceed (NTE) amount of $500,000 for the remainder of Fiscal Year (FY) 2026.

Delegate authority to the Purchasing Director to approve individual purchase methods and to add or delete vendors from Attachment A as needed within the NTE limit stated above.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

In June 2026 the Information Technology Department was notified by the current, contract computer and hardware vendor that pricing in the contract was no longer valid due to changes in availability of raw materials and hardware. As a result, the County will need to utilize various purchasing methods to complete individual purchases from a variety of vendors for the remainder of Fiscal Year 2026. These methods will be in accordance with Sections 2-102(a) and (b), 2-103, and 2-104 of the Purchasing Ordinance and may include quotes, exempt purchases, sole sources, piggybacks and cooperatives.

As set forth in the Purchasing Ordinance, the Purchasing Director and Chief Information Officer, when a cybersecurity purchase is to be made, will evaluate each intended expenditure for appropriateness of the purchasing method. Purchase approval limits $100,000.00 for the Purchasing Director and $250,000.00 for the County Administrator will remain as set out in the Purchasing Ordinance.

The Information Technology Department, with concurrence from the Purchasing Department, finds It is in the County's best interest to utilize various vendors for the purchase of computers, hardware and maintenance in the NTE amount of $500,000.00 for FY 26 and delegate authority to the Purchasing Director to approve individual purchases methods and add vendors to Attachment A.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $500,000.00 is budgeted and available for FY 2026 within various department budgets.

DISTRIBUTION:
Not applicable.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** OMB26-0058 **DATE:** 6/16/2026

SUBJECT: Budget Amendment - Funding for House Bill 1-D - Pasco County Supervisor of Elections - Mailing of New Voter ID Cards for Congressional Redistricting - $120,000.00

REFERENCES: Letter from Supervisor of Elections Dated May 26, 2026

AGENDA SECTION: Consent Agenda

THRU: Erik Breitenbach, Assistant County Administrator

FROM: Amielee Farrell, Budget Director

RECOMMENDED BOARD ACTION:
Approve Budget Amendment, Journal No. 2026 08 3290, in the amount of $120,000.00.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:
On April 29, 2026, the Florida State Legislature passed House Bill 1-D (HB 1D) establishing the State's congressional districts. On May 4, 2026, HB 1D was subsequently signed by the Governor. As a result, approximately 105,000 voters in Pasco County will experience a change in their congressional district.

On May 26, 2026, the Board of County Commissioners received a letter from the Pasco County Supervisor of Elections stating that his office will need an additional $120,000.00 to mail new Voter ID cards to the voters affected by HB 1D.

Budget Amendment, Journal No. 2026 08 3290, will transfer $120,000.00 from General Fund Reserves to provide funding to the Supervisor of Elections for costs associated with HB 1D.

FISCAL IMPACT/COST/REVENUE STATEMENT:
Upon approval of Budget Amendment, Journal No. 2026 08 3290, funding in the amount of $120,000.00 will be budgeted and available in the General Fund, Supervisor of Elections budget.

DISTRIBUTION:
Not applicable.

May 26, 2026

Honorable Jack Mariano, Chairman
and Members of the Board of County Commissioners
Pasco County Historic Courthouse
37918 Meridian A venue
Dade City, FL 33525

Chairman Mariano and Commissioners,

Please consider this as an official request for a budget amendment in the current fiscal year in the amount of $120,000.00 to fund the mailing of Voter ID cards to voters affected by HB 1D Congressional Redistricting.

The Legislature passed HB 1-D on April 29, 2026, to establish the state's congressional districts, and the Governor signed the plan into law on May 4, 2026. As a result, approximately 105,000 voters will experience a change in their congressional district. My office has an obligation to notify all impacted voters of these changes.

Thank you in advance for your consideration in this matter and please let me know if you have any questions.

Regards,

Brian Corley, MPA MFCEP
Supervisor of Elections
Pasco County

XC: Mike Carballa, County Administrator
Erik Breitenbach, Assistant County Administrator

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** PIFBA26-0058 **DATE:** 6/16/2026

SUBJECT: Exempt Purchase – Badger Meter, Inc. – Badger Meter Utility Products – $9,146,855.00

REFERENCES: PIFBA25-0055

AGENDA SECTION: Consent Agenda

THRU: Branford Adumuah, Assistant County Administrator

FROM: Joshua Wood, Public Infrastructure Fiscal and Business Administration Director

RECOMMENDED BOARD ACTION:

Approve the exempt purchase with Badger Meter, Inc. (Badger Meter) pursuant to Section 2-103(b)(1)g of the Purchasing Ordinance, for Badger Meter utility products on an as-needed basis, in the Not to Exceed (NTE) amount of $9,146,855.00 for Fiscal Year (FY) 2026. Authorize the Chairman to sign one original of the Quote provided and one original of the Negotiated Terms and Conditions provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

Badger Meter is the sole manufacturer and distributor of Badger Meter utility products in the State of Florida. All of the County's residential and commercial utility meters and reading equipment are Badger Meter products. To maintain standardization, the County seeks to purchase the Badger Meter products listed in the attached quote on an as-needed basis. Specifically, these products will be used as part of a countywide meter-change-out program and in new construction projects.

These purchases will be governed by the Negotiated Terms and Conditions between the County and Badger Meter (attached), which have been negotiated to govern purchases from Badger Meter for three years from the date that the Chairman executes them.

The Warehouse Services Division of the Public Infrastructure Fiscal and Business Administration (PIFBA) Department, with concurrence from the Purchasing Department, finds it is in the County’s best interest to utilize Badger Meter for the purchase of Badger Meter utility products in the NTE amount of $9,146,855.00 for FY 2026.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $9,146,855.00 is budgeted and available for FY 2026 in the Water & Wastewater Unit Fund, Warehouse Services Division inventory. Following the placement of any order under this contract by a County Department, a journal entry will be posted to the budget of that Department when the materials from that order are received by the Warehouse Services Division of the PIFBA Department.

DISTRIBUTION:

Board Records to distribute as set forth below:
1. Retain One Original
2. Electronic Distribution to:
   a. Jeff Christy, Account Manager, Badger Meter, Inc. – JChristy@badgermeter.com
   b. Christopher Perkins, Administrative Services Manager, PIFBA – cperkins@pascocountyfl.net

ATTACHMENT(S):
1. PIFBA26-0058 Quote (One Original)
2. PIFBA26-0058 Negotiated Terms and Conditions (One Original)
3. PIFBA26-0058 Certification of Signature Authority
4. PIFBA26-0058 Exception Form
5. PIFBA26-0058 Human Trafficking Affidavit
6. PIFBA26-0058 Division of Corporations - Sunbiz

Notes and Assumptions

To expedite the order entry process, please ensure the following is noted on your purchase order: billing address, shipping address, purchase order number, quantity, price, payment terms, quotation number, and the vendor is listed as Badger Meter, Inc.

Please send all purchase orders to the contact that prepared this quotation for you.

Actual lead time to be provided at time of order.

Badger Meter provides certification files to help manage meter and endpoint inventory and to maintain meter accuracy data. The standard method of delivery for this format is via electronic mail. Any deviations from our standard format, or any custom file formats, will be considered on a time and material basis.

Due to continuous improvements and redesign of Badger Meter products and technology solutions, Badger Meter reserves the right to provide our newest product solutions as an alternative to the proposed products provided they are in conformance with the requirements of the specifications and do not exceed the prices quoted.

Thank you for your business!

Negotiated Badger Meter Terms and Conditions of Sale

Date: March 10, 2026

These Negotiated Terms and Conditions of Sale ("Terms and Conditions") are made and entered into by and between Pasco County, Florida, a political subdivision of the State of Florida, acting by and through its Board of County Commissioners (hereinafter "Buyer") and Badger Meter, Inc., a Wisconsin corporation registered to do business in the State of Florida. These Terms and Conditions shall govern all purchases between Buyer and Badger Meter, Inc. for the Term (defined herein) unless otherwise specified in a signed writing by a duly authorized representative of Buyer and a duly authorized representative of Badger Meter, Inc.

1. Definitions. Consistent with the above, "Buyer" means the party purchasing goods or services (i.e., Pasco County, Florida, acting by and through its Board of County Commissioners) pursuant to these Negotiated Badger Meter Terms and Conditions of Sale ("Terms and Conditions"). "Badger Meter" means Badger Meter, Inc., a Wisconsin corporation and all its subsidiaries. "Goods" means Badger Meter goods, software, services, and advisory services sold or otherwise provided pursuant to these Terms and Conditions. "Term" means three years from the date that these Terms and Conditions are signed by Buyer.

2. Controlling Provisions.

Generally. These Terms and Conditions shall govern all purchases for Goods and services by Buyer from Badger Meter during the Term

unless otherwise specified in a signed writing by a duly authorized representative of Buyer and a duly authorized representative of Badger Meter. Accordingly, for any given offer by Badger Meter to Buyer to purchase Goods or services during the Term, unless otherwise stated in a signed writing by a duly authorized representative of Buyer and a duly authorized representative of Badger Meter, this document; the Additional Terms and Conditions for BEACON®, RADAR®, and TELOG® REMOTE MONITORING between the parties, which is attached hereto as Exhibit "A" and made part hereof; and, as applicable, the provisions in Badger Meter's quotation, proposal, price list, acknowledgment and invoice, and Badger Meter's Limited Warranties described in Section 12, form the "Agreement" for the given offer and purchase. Accordingly, this document may refer to a specific offer (e.g., "this" offer or "the" offer) and a specific Agreement (e.g., "the" Agreement or "this" Agreement), which shall be understood to mean, respectively, a prevailing offer made by Badger Meter to Buyer, and these Terms and Conditions along with any quotation, proposal, price list, acknowledgment and invoice provided by Badger Meter to Buyer in connection with the offer. Buyer's acceptance of an offer by Badger Meter to purchase Goods or services is limited to the terms, covenants and conditions contained in the offer. Badger Meter hereby objects to and rejects any additional, different or varying terms proposed by Buyer, regardless of whether or when Buyer submitted its purchase order or such terms, unless such terms are required to comply with applicable law and Badger Meter is provide at least thirty (30) days' prior written notice of such change of term with an opportunity to terminate the Agreement by written notice to Buyer if Badger Meter is unable to accommodate such change.

Such proposal of additional, different or varying terms by Buyer shall not operate as a rejection of Badger Meter's offer, and Badger Meter's offer shall be deemed accepted without such additional, different or varying terms, unless such terms are required to comply with applicable law and Badger Meter was provided the written notification and opportunity to terminate as stated above.

Fulfillment of Buyer's order does not constitute acceptance of Buyer's terms and conditions and does not serve to modify any Agreement.

Notwithstanding any provision to the contrary, in the event of a conflict between these Terms and Conditions and any quotation, proposal, price list, acknowledgment or invoice, these Terms and Conditions shall control. Notwithstanding any term to the contrary, Buyer and Badger Meter expressly acknowledge and agree that Buyer reserves the right to reject terms in any quotation, proposal, price list, acknowledgment or invoice not set forth in these Terms and Conditions.

THIS AGREEMENT CONSTITUTES THE FINAL EXPRESSION OF THE AGREEMENT BETWEEN BADGER METER AND BUYER REGARDING THE GOODS AND IT IS A COMPLETE AND EXCLUSIVE STATEMENT OF THAT AGREEMENT. ANY TERMS, CONDITIONS, NEGOTIATIONS OR UNDERSTANDINGS WHICH ARE NOT CONTAINED IN THIS AGREEMENT SHALL HAVE NO FORCE OF EFFECT UNLESS MADE IN WRITING AND SIGNED BY BUYER AND AN AUTHORIZED OFFICER OF BADGER METER.

Badger Meter's sales representatives do not have authority to change this Agreement. Badger Meter reserves the right to correct clerical errors in its

documents. It is the express wish of the parties that this document and any related documents be drafted in English. Il est la volonté expresse des parties que ce document et tous les documents s'y rattachant soient rédigés en anglais.

3. Acceptance. Buyer shall be deemed to have made an unqualified acceptance of this offer and the Agreement, insofar as the requirements of Section 2-110 of the Buyer's Purchasing Ordinance have been satisfied, on the earliest of the following to occur: (a) Badger Meter's receipt of a copy of this Agreement (or any document incorporating this Agreement) signed by Buyer, (b) Buyer's order of Goods after receiving notice of this Agreement, (c) Buyer's payment of any amounts due under this Agreement, (d) Buyer's delivery to Badger Meter of any material to be furnished by Buyer, (e) Badger Meter's delivery of the Goods following Buyer's order, (f) Buyer's failure to notify Badger Meter to the contrary within ten (10) days of receipt of this Agreement, or (g) any other event constituting acceptance under applicable law.

4. Storage. If the Goods are not shipped within fifteen (15) days after notification to Buyer that they are ready for shipping, for any reason other than Badger Meter's negligence, willful misconduct, breach of this Agreement, and/or fault, including without limitation Buyer's failure to give shipping instructions, Badger Meter may store such Goods, at Buyer's risk, in a warehouse or yard located on Badger Meter's premises, and Badger Meter may at its sole discretion charge Buyer and Buyer shall pay all reasonable handling, transportation and storage costs actually incurred at the prevailing commercial rates upon submission of invoices on the stored Goods.

5. Prices. Unless stated otherwise in a governing quotation or tender,

prices are stated and payable in U.S. dollars or Euros FCA Badger Meter's Facility (pursuant to Incoterms 2020 of the International Chamber of Commerce, as amended or restated from time to time ["Incoterms"]). All prices are subject to change, before Buyer expresses a written intent to accept the prices or accepts the prices, based on Badger Meter's selling prices in effect as of the date of shipment. Badger Meter reserves the right, upon ten days' written notice to Buyer, to revise selling prices to adjust for changes in laws, such as changes to taxes, tariffs, fees, trade penalties, or any and all other government required duties on goods or services. Notwithstanding any provision to the contrary, quoted prices are firm for acceptance, via an order, within the effective dates provided in the quote, shipping within sixty (60) days past the expiration of the quote. Prices quotes for blanket orders are subject to review and change insofar as, and after, the Buyer consents to such price changes in a signed writing. Written quotations are void unless accepted within the effective dates listed on the quotation and are subject to earlier change upon written notice from Badger Meter. Other Badger Meter publications are maintained as sources of information and are not quotations or offers to sell.

6. Taxes. The BUYER is tax exempt, and as such, shall not be responsible for the payment of any taxes, duties, or penalties. The Buyer shall provide evidence of such tax exemption upon written request from Badger Meter within seven (7) days of such request.

7. Title and Risk of Loss. All Goods are shipped F.O.B. Destination.

8. Payment Terms. Buyer shall pay all invoices within forty-five (45) days of the invoice date. Badger Meter reserves the right to establish

credit limits for Buyer and may require full or partial payment prior to shipment of any Goods or commencement of any services provided. All payments shall be made via payment methods allowed by Badger Meter according to instructions provided by Badger Meter. For Buyers outside the U.S., Badger Meter may require cash in advance or a Letter of Credit for payment or security in a form acceptable to Badger Meter. If Buyer does not pay Badger Meter any amount due under this Agreement or any other Agreement when such amount is due or if Buyer defaults in the performance of this Agreement, Badger Meter may, to the extent permitted under Chapter 218, Part VII, Florida Statutes, the Local Government Prompt Payment Act, without incurring liability to Buyer and without prejudice to Badger Meter's other lawful remedies (a) terminate Badger Meter's obligations under this Agreement, (b) declare immediately and due payable all Buyer's obligations to Badger Meter, (c) change credit terms with respect to any further work or deliveries, (d) suspend or discontinue any further work or deliveries and/or (e) repossess the Goods. Any invoices which Buyer does not pay within the time provided in this Agreement shall bear interest at the lower of (i) one and a half percent (1.5%) per month up to a maximum of eighteen percent (18%) per year; **or (ii) the highest rate permitted by applicable law**. Buyer shall not set off amounts due to Badger Meter against claims against Badger Meter.

9. Packaging. Badger Meter reserves the right to select the manner in which Goods are packaged. Special requirements for packing will be subject to extra charges.

10. Delivery. Shipping dates and completion dates quoted by Badger Meter are made in good faith but are not guaranteed; Badger

Meter reserves the right to extend shipping dates as it deems necessary in its sole discretion, without incurring liability to Buyer and to make delivery in installments. Time for delivery shall not be of the essence. In the absence of shipping instructions from Buyer, Badger Meter will use its discretion as to the selection of shipping services and routings. Installation of Goods is the responsibility of the Buyer unless otherwise agreed in writing. Buyer is responsible for following all applicable installation instructions, guides, or other documentation. Badger Meter is not responsible or liable for product that is installed or maintained improperly.

Badger Meter ships all products FOB – Factory within the United States (unless otherwise agreed to in writing, upon receipt of shipment, Buyer must inspect the goods for damage, shortage, or non- conformance. Buyer will make note of damage on the carrier's delivery receipt. Claims for shortages or other errors must be made in writing to Badger Meter within seven (7) weekdays after receipt of shipment and claims for concealed damage must be made to Badger Meter within fifteen (15) weekdays after receipt of shipment. Failure to give such notice shall constitute unqualified acceptance and a waiver of all such claims by Buyer. When the Buyer's carrier and account are used for transit, the Buyer shall be responsible for any claims made for visible and concealed damage and/or loss of partial or complete shipment.

11. Force Majeure. Badger Meter shall not be liable or responsible to Buyer, nor be deemed to have defaulted or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement when and to the extent such failure or delay is caused by or results from acts or circumstances beyond the reasonable control of

Badger Meter including, without limitation, acts of God, terrorism, pandemic, global supply chain disruptions, acts of Buyer, embargo, fire, accident, strike, slow-down, war, riot, delay in transportation, delayed delivery by suppliers, or inability to obtain necessary labor and materials. In the event of any such delay, the date of delivery shall be extended for a period equal to the time lost by reason of the delay. The Buyer shall not be liable or responsible to Badger Meter, nor be deemed to have defaulted or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement when and to the extent such failure or delay is caused by or results from acts or circumstances beyond the reasonable control of the Buyer including, without limitation, acts of God, terrorism, pandemic, global supply chain disruptions, acts of Badger Meter, embargo, fire, accident, strike, slow-down, war, riot, delay in transportation, delayed delivery by suppliers, or inability to obtain necessary labor and materials. In the event of any such delay, the date of payment shall be extended for a period equal to the time lost by reason of the delay.

12. Orders; Changes and Cancellations. Buyer's orders or mutually agreed change orders shall be subject to all provisions of this Agreement, whether or not the order or change order so states. No order shall be binding upon Badger Meter until received and accepted by Badger Meter in its sole discretion. Minimum order value is $200 U.S.D. or EUR 200. Orders submitted to Badger Meter may not be cancelled or amended, or deliveries deferred, by Buyer except with Badger Meter's prior written consent, and then only upon such terms as shall be acceptable to Badger Meter on a product by product basis. In the event of cancellation of an order by Buyer when Badger Meter has already incurred actual, direct costs for said order, Buyer shall pay

Badger Meter's actual, direct costs of Buyer's cancellation. Neither Buyer's acceptance of this offer nor any conduct by Badger Meter (including but not limited to shipment of Goods) will oblige Badger Meter to sell to Buyer any quantity of Goods in excess of the quantity that Buyer has committed to purchase from Badger Meter at the time of such acceptance or conduct. Due to continuous efforts to improve and redesign of our products and technology solutions, Badger Meter reserves the right to provide our newest product solutions as an alternative to the quoted or ordered Goods, provided they are in conformance with the requirements of any agreed specifications and do not exceed the prices quoted.

13. Limited Warranties.

Generally. Unless otherwise agreed in a writing signed by an authorized officer of Badger Meter, provided by Badger Meter in a written product-specific warranty, or passed through by Badger Meter from the original equipment manufacturer, Badger Meter warrants the Goods (excluding services) supplied hereunder to be free from significant defects in material and workmanship under normal use and service for a period of 18 months from the date of shipment or 12 months from the date of installation, whichever period shall be longer ("the Warranty Period"). This warranty applies only to the original purchaser of the Goods and does not apply to Goods that are the subject of negligence, accident, or damage by circumstances beyond Badger Meter's control, or improper operation, maintenance, storage, installation or use. This warranty does not apply to Goods or component parts that were not manufactured by Badger Meter and not covered by a Badger Meter or original equipment manufacturers written

warranty, all of which are sold **"AS IS"** and without warranty by Badger Meter. This warranty applies only to covered defects that are discovered during the Warranty Period, as well as defects that could not have been reasonably discovered during the Warranty Period. Buyer's failure to provide Badger Meter with written notice of any alleged defect within ten (10) weekdays after its discovery constitutes a waiver of the remedies specified herein. If Badger Meter receives timely notice, and if the Goods are verified by Badger Meter, in their reasonable discretion, to have a warranted defect, Badger Meter will, at its own discretion, expense and within a reasonable period of time, either (1) repair, correct or cure the warranted defect(s), or (2) replace the specific Goods at issue, or (3) give Buyer a refund of the price it paid for the Goods, prorated where appropriate to adjust for the value of any conforming Goods or services accepted and retained by Buyer. Any parts of Goods repaired or replaced under warranty are warranted only for the balance of the Warranty Period on the original part that was repaired or replaced. These remedies shall be Buyer's exclusive remedies (and the sole and exclusive liability of Badger Meter) for any defects or deficiencies relating to or arising out of Goods sold or services performed. All repairs are made on a DDP/Warranty basis (pursuant to Incoterms).

THE WARRANTIES IN THIS SECTION ARE THE ONLY WARRANTIES GIVEN WITH RESPECT TO GOODS SOLD OR OTHERWISE PROVIDED BY BADGER METER. BADGER METER EXPRESSLY DISCLAIMS ANY AND ALL OTHER REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED OR OTHERWISE, INCLUDING WITHOUT LIMITATION, WARRANTIES AS TO FITNESS FOR A PARTICULAR PURPOSE,

MERCHANTABILITY, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE.

Where Badger Meter provides recommendations to Buyer to address or mitigate issues identified by the Buyer, Buyer acknowledges that Badger Meter will not have access to the full operational aspects and attributes of the Buyer's network. Badger Meter is not a certified consultant and does not provide consulting services unless specifically contracted. All Goods are selected by the Customer and Badger Meter's recommendations do not constitute a requirement for purchase. Badger Meter does not warrant that its product recommendations are an adequate solution for any identified or unidentified Customer issues.

Please note that Badger Meter's warranties for Syrinix branded products do not cover failures, interruptions, and damages resulting directly or indirectly from Acts of God, war, terrorism, civil, disobedience, theft, extreme weather, floods, storms, lightning, tornado, hurricane, fire, combustion, explosion, landslip, volcano and earthquake, extreme temperature, external electrical irregularity including surge and failure, acoustic interference, and third party service provider interruptions.

Buyer's Obligations. Buyer must satisfy the following obligations in order to be eligible for coverage by the applicable warranty. Prior to using or permitting use of the Goods, Buyer shall determine the suitability of the Goods for the intended use and Buyer assumes all risk and liability whatsoever in connection therewith. Buyer agrees that Badger Meter has no post–sale duty to warn any party other than Buyer about any

matter or, if such duty exists, Badger Meter satisfies that duty by providing any required warnings only to Buyer. Buyer assumes all post–sale duty to warn its customers. Buyer agrees to test and evaluate Goods promptly upon receipt to ensure compliance with all specifications, quality requirements and other requirements of Buyer's application. Badger Meter does not guaranty the accuracy of information given and recommendations made as to suitability of Goods for Buyer's application or operating conditions. Nothing shall be construed to imply the nonexistence of any relevant patents or to constitute a permission, inducement or recommendation to practice any invention covered by any patent without authority from the patent owner.

14. Intellectual Property. No Intellectual Property (as defined below) is assigned to Buyer hereunder. Badger Meter shall own or continue to own all Intellectual Property used or created in the course of performing this Agreement. Buyer agrees not to reverse engineer any Goods purchased or provided hereunder. This includes the reverse engineering of software, source code, or other proprietary elements that Badger Meter provides to Buyer. "**Intellectual Property**" means patents and patent applications, inventions, developments and discoveries, whether or not patentable or copyrightable, trademarks, service marks, trade dress, copyrights, trade secrets, designs, drawings, specifications, database rights, rights in and to confidential information and know-how, and any rights analogous to the same anywhere in the world and existing at any time in the Goods or arising out of or relative to the design or manufacture of the Goods or the provision of services, and all other Intellectual Property and proprietary rights.

Any use of Badger Meter's or its affiliates' or suppliers' trademarks in

advertisements or promotion must be preapproved in writing by Badger Meter.
Buyer shall inform Badger Meter promptly of any potential or actual infringement of any of Badger Meter's or its affiliates' or suppliers' Intellectual Property and shall provide all information possessed by Buyer and required by Badger Meter, at Badger Meter's expense, in connection with any such infringement.

For Syrinix branded products that require transmission of data, the Buyer agrees to the transmission of information relating to the product and product data during the installation, commissioning and operation of the product and to the analysis and provision of product data, including web-based, server- based and bespoke communication and analytical methodologies, nationally and internationally. The Buyer shall own all product data provided from the product. Each and every Buyer and its consumers and/or employees hereby grants to Badger Meter a non-exclusive, irrevocable, transferable, royalty free license to store, analyse, copy, edit, record and otherwise use all product data for such purposes, including, without limitation, research, administration and commercial, as Syrinix, in its sole discretion, considers appropriate. This license shall survive the termination of this agreement, however arising, including, without limitation, termination due to Badger Meter's default. To the extent applicable, any use of product data is also subject to the Google Maps/Google Earth Additional Terms of Service (including the Google Privacy Policy)
(see https://maps.google.com/help/terms_maps.html).

15. Compliance with Laws. Buyer agrees to familiarize itself with and comply with all laws and regulations now or hereafter in effect and

applicable to the purchase, transport, use, supply, storage, sale, offer for sale, lease and/or disposal of the Goods ("Laws") including, without limitation, to the extent applicable, the S. Foreign Corrupt Practices Act and all other anti-bribery laws, all U.S. anti-boycott laws, and the U.S. Export Administration Act and all regulations thereunder.
If Buyer or its affiliates, agents or representatives engages a freight forwarder or similar service provider, Buyer shall provide Badger Meter with copies of freight forwarder (or similar) records regarding Goods exports promptly upon request.

Buyer shall promptly notify Badger Meter in writing if Buyer receives notice of or otherwise has reason to believe that a violation of any applicable trade laws has occurred or is likely to occur.

Buyer acknowledges that certain Goods may have restrictions on who can purchase, transport, use, supply, store, sell, offer for sale, lease and/or dispose of ("Actions") the Goods and on how and where such Actions may take place. Buyer agrees to be responsible for determining who may take such Actions and how and where such Actions may take place after Badger Meter's delivery hereunder, and further agrees to ensure that its customers comply with such requirements.

By accepting this Agreement, Buyer confirms that:

- Buyer understands that Goods provided by Badger Meter are subject to U.S. export control laws and regulations, including, without limitation, the International Traffic in Arms Regulation (ITAR) or the Export Administration Regulations;
- Buyer will comply with all applicable U.S., EU, and UN laws and

regulations and any other laws, regulations, or orders of similar effect enforced any other applicable jurisdiction whenever we export, re-export, or transfer Product(s) acquired from Badger Meter, insofar as it does not infringe any applicable anti-boycott rule, and acknowledges that the controlling laws and regulations may be amended from time to time;

- Buyer acknowledges that U.S. law prohibits the sale, transfer, export, re-export, or participation in any export transaction involving Badger Meter's Goods with individuals or companies listed in the United Nations Financial Sanctions List, Consolidated List of Persons, Groups, and Entities Subject to EU Financial Sanctions, U.S. Department of Commerce's Denied Persons List, Entity List, or Unverified List; the U.S. Department of State Nonproliferation Sanctions, AECA Debarred List; U.S. Department of Treasury's Specially Designated Nationals, Foreign Sanctions Evaders List, Sectoral Sanctions Identifications (SSI) List, Palestinian Legislative Council (PLC) List, The List of Foreign Financial Institutions Subject to Part 561 List, and Blocked Persons Lists; and any additional lists added by the U.S. Government. Buyer will not transfer, export, or re-export, directly or indirectly to any party identified on a restricted party list published by the
  U.S. government, European Union, or any other government, or to any party otherwise prohibited under any applicable law from receiving Badger Meter Goods;
- Buyer will not use, sell, transfer, export or re-export Badger Meter Goods for use in any activity related to the development, production, use, stockpiling, maintenance, or proliferation of weapons of mass destruction, including, without limitation, uses related to nuclear, chemical or biological weapons (i.e. the nuclear, chemical or

biological materials/substances themselves could be used in weapons and/or the weapon delivery systems for those materials/substances) ("Weapons"), and that Buyer will not transfer, divert, export, or re-export, directly or indirectly, Goods, including any products developed or manufactured using Badger Meter's Goods, to any party engaged in any such activity. nor use such Goods in any facilities that are engaged in activities related to such This restriction also includes, but is not limited to:
    - nuclear explosive activities, safeguarded and unsafeguarded nuclear activities
    - rocket systems or unmanned air vehicles
    - maritime nuclear propulsion;
- If Buyer is subsequently engaged in the use, development, production, transfer, export or re-export of any Badger Meter Goods, Buyer acknowledges that it may be subject to and responsible for the export licensing requirements of the U.S. government or any other government;
- Buyer acknowledges that it may receive Goods from Badger Meter exported under a written authorization from the U.S. government or any other government and acknowledge that it may be subject to and responsible for conditions subject to this written authorization and/or be subject to and responsible for the re-export licensing requirements applicable to the U.S. government's or any other government's written authorization;
- Buyer will comply with all applicable laws and regulations whenever Buyer transfers, exports, or re-export Goods obtained from Badger Meter, and Buyer acknowledges that the controlling laws and regulations may be amended from time to time; and
- Buyer will provide Badger Meter with information regarding end-

user, end-use, and country of ultimate destination if purchasing Badger Meter Goods for anything other than stock

Buyer acknowledges that Badger Meter shall file all export formalities related to all export sales from the U.S. including exports where Buyer designates the freight forwarder, unless Buyer is otherwise instructed or notified by Badger Meter in writing from the Global Logistics Department. Export formalities include, but are not limited to, preparing and filing the electronic export information ("EEI"), and obtaining any necessary export licenses.

Badger Meter shall ensure the goods are properly documented, cleared for export, and meet all requirements for lawful exportation. Buyer, or their freight forwarder, shall provide any necessary information or documentation requested by Badger Meter to facilitate the export process, including, but not limited to, supplying the export EEI information, the onboard billing of lading/airway bill and notification of any split shipments, destination, consignee or ultimate consignee changes.

Buyer acknowledges the export transactions from the U.S. that are routed export transactions (RET) as defined in the U.S. Export Administration Regulations, 15 C.F.R. § 772.1 and the Federal Trade Regulations, 15 C.F.R. § 30.1(c) will only be transacted under EXW Badger Meter's Facility U.S. (Incoterms 2020). Buyer, as the foreign party, shall be considered the Foreign Principal Party in Interest ("FPPI") for these transactions, and as the FPPI authorizes their U.S. agent to facilitate the export of items from the U.S. on the Buyer's

behalf and prepare and file the EEI. Buyer shall comply with 15 C.F.R. § 30.3(e)(2) and 758.1(h)(1)(i) by supplying their U.S. agent with a power of attorney or other form of written authorization and shall provide a copy to Badger Meter at time the order is placed. Buyer shall also instruct their U.S. agent to provide Badger Meter a copy of the EEI transaction and the onboard bill of lading/airwaybill. Badger Meter will provide all EEI data elements to Buyer's U.S. agent as required under 15 C.F.R. § 30.3(e)(1) to complete the EEI filing.

16. Customer Validation. Badger Meter reserves the right to determine OEM qualifications of any and all buyers to request end customer invoicing in situations where project pricing may have been granted by the factory. Badger Meter reserves the right to determine market definition of any and all buyers and to employ third-party sources, including SIC codes, and/or information about the application or products purchased to determine market definition.

17. Nuclear Disclaimer. The Goods are not intended for use in connection with any nuclear facility or activity unless covered by a specific quotation where the conditions of such usage will be If the Goods are used in a nuclear facility or activity without a supporting quotation, Badger Meter disclaims all liability for any damage, injury or contamination and Buyer shall indemnify and hold Badger Meter, its shareholders, directors, officers, agents, employees, successors, assigns and customers, whether direct or indirect, harmless from and against any and all Losses (as defined in Section 17) which they, any of them, may sustain or incur, whether as a result of breach of contract, warranty, tort (including negligence), strict liability or other theories of law, by reason of such use. The foregoing shall not be deemed to imply

or impose liability on Badger Meter where the Goods are used in a nuclear facility or activity with a supporting quotation; all limitations and exclusions in this Agreement and in Badger Meter's Limited Warranty shall apply.

18. Limitation of Liability.

Cap on Liability. Either party's aggregate liability in any and all claims and causes of action arising under, out of or in relation to this Agreement, its negotiation, performance, breach or termination (collectively "Causes of Action") shall not exceed the total amount paid by Buyer to Badger Meter under this Agreement, whether the Causes of Action are in tort including, without limitation, negligence or strict liability, in contract, under statute or otherwise.

Limitation and Exclusion of Damages. AS A SEPARATE AND INDEPENDENT LIMITATION ON LIABILITY, BADGER METER'S LIABILITY AND BUYER'S LIABILITY SHALL BE LIMITED TO DIRECT DAMAGES. NEITHER BADGER METER NOR BUYER SHALL BE LIABLE FOR: (I) ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES, DIRECT OR INDIRECT LOST PROFITS OR REVENUES OR DIMINUTION IN VALUE, SHUTDOWN OR SLOWDOWN COSTS, OR LOSSES RELATING TO COLLATERAL CONTRACTS, ARISING OUT OF OR RELATING TO ANY BREACH OF THIS AGREEMENT, WHETHER OR NOT THE POSSIBILITY OF SUCH DAMAGES HAS BEEN DISCLOSED IN ADVANCE BY BUYER OR COULD HAVE BEEN REASONABLY FORESEEN, REGARDLESS OF THE LEGAL OR EQUITABLE THEORY (CONTRACT, TORT OR OTHERWISE)

UPON WHICH THE CLAIM IS BASED, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE; (II) ANY IN/OUT COSTS; (III) ANY MANUAL METER READING COSTS AND EXPENSES NOR (IV) ANY COSTS AND EXPENSES TO REMOVE PRODUCT FOR WARRANTY ANALYSIS, OR RE-INSTALLATION COSTS AND EXPENSES; "IN/OUT COSTS" MEANS ANY COSTS OR EXPENSES INCURRED BY BUYER IN TRANSPORTING GOOD BETWEEN ITS WAREHOUSE AND ITS END USER'S PREMISES. "END USER" MEANS ANY END USER OF THE WATER OR GAS THAT PAYS BUYER FOR THE CONSUMPTION OF WATER OR GAS, AS APPLICABLE.

Limitations Unconditional. The limitations on liability set forth in this Agreement are fundamental inducements to Badger Meter entering into this Agreement. They apply unconditionally and in all respects. They are to be interpreted broadly so as to give Badger Meter the maximum protection permitted under law.

The limitations on liability set forth in this Agreement are fundamental inducements to the Buyer entering into this Agreement. They apply unconditionally and in all respects. They are to be interpreted broadly so as to give the Buyer the maximum protection permitted under law.

Limit on Actions. To the maximum extent permitted by law, no Cause of Action may be instituted by one party against the other more than twelve (12) months after the Cause of Action first arose. In the calculation of any damages in any Cause of Action, no damages incurred more than twelve (12) months prior to the filing of the Cause of

Action shall be recoverable. Notwithstanding any provision to the contrary, the parties' do not limit their liability for property damage or personal injury.

19. Confidentiality.

Generally. Buyer acknowledges that all Badger Meter Confidential Information (as defined below) which may be disclosed to it by Badger Meter or its affiliates or suppliers shall at all times, during and after expiration or termination of this Agreement for any reason, remain Badger Meter's exclusive property, and Buyer shall not acquire any proprietary interest whatsoever therein. Buyer shall (and shall cause its employees and contractors to) keep all Badger Meter Confidential Information strictly confidential and shall not disclose it to any third party or use it, except to the extent reasonably required to perform this Agreement or as required under applicable law, court order or regulation. As used herein "Badger Meter Confidential Information" means any and all non-public information of Badger Meter, including without limitation all non-public data, specifications, equipment and product information, prototypes, drawings, technical information, engineering drawings, forecasts, sales data, "know-how", designs, computer programs, processes, inventions, current and future (unreleased) products and technology, and confidential business information such as cost data, profit margins, sales strategies, supplier information, procurement requirements, employee information, customer preference or needs, customer data and employee capabilities which are not available to the public, unpublished U.S. and foreign patent applications, invention disclosure forms, all technical information about products or services, pricing information, marketing

and marketing plans, Goods performance, Goods architecture and design, other business and financial information, software, third party information Badger Meter is required to keep confidential, any materials derived from or based upon Badger Meter Confidential Information, and all trade secrets. Badger Meter Confidential Information may be transmitted orally, in writing, electronically or otherwise observed by Buyer. Notwithstanding the foregoing, "Badger Meter Confidential Information" shall not include:

(i) any information that is in the public domain other than due to Buyer's breach of this Agreement; (ii) any information Buyer can demonstrate by documentary evidence was in the possession of the Buyer without restriction prior to disclosure by Badger Meter; or (iii) information made publicly available by Buyer to, as Buyer deems necessary, comply with Florida law or judicial order; provided; however, Badger Meter is, to the extent legally permitted, (a)provided written notice as soon as practicable prior to disclosure of any public records request for records that may be foreseeably deemed confidential by Badger Meter; and (b) provided the opportunity to assert any legally sound exceptions to disclosure, if available. If Badger Meter provides any records to Buyer that it deems confidential, Badger Meter shall clearly label such documents as "CONFIDENTIAL," provide an explanation as to why such records are exempt from public records along with all citation(s) to Florida Statutes supporting the exemption(s), and provide an unredacted and redacted version of such records to Buyer; such records shall not be disclosed to the extent they are legally exempt from disclosure. For purposes of this section, "records" includes all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, and other material. Upon

expiration or termination of this Agreement for any reason, and otherwise upon Badger Meter's request, Buyer shall, within fifteen (15) days surrender to Badger Meter all plans, drawings, specifications, sketches, literature, samples, documents and other tangible objects and copies thereof relating to Badger Meter Confidential Information and all of Badger Meter's or its affiliates' or suppliers' property. Nothing in this Agreement shall be construed to limit or negate the common or statutory law of torts or trade secrets where it provides Badger Meter, its affiliates or suppliers with broader protection than that provided herein.

Notwithstanding any provision to the contrary, Badger Meter shall comply with public records laws, and specifically, shall: (1) keep and maintain public records required by the Buyer to provide the services and goods purchased; (2) upon request from the Buyer's custodian of public records, provide the Buyer with a copy of requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided under Chapter 119, Florida Statutes, or as otherwise provided by law; (3) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if Badger Meter does not transfer the records to the Buyer; and, (4) upon completion of the Agreement, transfer at no cost to the Buyer all public records in possession of Badger Meter, or keep and maintain public records required by the Buyer to provide the services and goods. If Badger Meter transfers all public records to the Buyer upon completion of the Agreement, Badger Meter must destroy all duplicate public records that are exempt or confidential and exempt from public records disclosure

requirements. If Badger Meter keeps and maintains public records upon completion of the Agreement, Badger Meter shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the Buyer, upon request from the Buyer's custodian of public records, in a format that is compatible with the information technology systems of the Buyer.

IF BADGER METER HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO BADGER METER'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT (727) 847-8147, PRR@MYPASCO.NET, OR 7536 STATE STREET, NEW PORT RICHEY, FL 34654.

Under Florida law, failure to provide the public records to the Buyer within a reasonable time may implicate penalties under section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for termination of this Agreement. This section shall survive the expiration or termination of this Agreement.

Engineering Data. All engineering data, design information and engineering and shop drawings used in the completion of Buyer's order are and shall remain Badger Meter's property. Buyer shall not copy, distribute or communicate to any third party such data without Badger Meter's prior written permission. However, Buyer shall distribute appropriate product data regarding operation, safety and maintenance to the end user.

Personal Information Safeguards. This Section will apply unless superseded by a prior agreement. Under this Agreement, Badger Meter will not receive, or have access to, use or store Personal Information (as defined below), unless otherwise notified by Buyer with written notice that such information is pertinent to the transaction. If however, Badger Meter receives, or has access to, uses or stores Personal Information under this Agreement, then this will apply (in addition to Section 18 [Confidentiality]).

"Data Protection Law" means: (a) the Directive 95/46/EC of the European Parliament and of the Council of 24 October 1995 (as updated); (b) any other applicable data privacy legislation or regulation; and (c) Badger Meter's privacy policy (available here.)

"Personal Information" means any information relating to an identified natural person or a directly or indirectly identifiable natural person.

To the extent Badger Meter receives, or has access to, uses or stores Personal Information under this Agreement, Badger Meter will:

- immediately notify Buyer in writing;
- implement and maintain administrative, physical, and technical safeguards ("Safeguards") that meet or exceed relevant industry standards and that protect the security and privacy of Personal Information. Badger Meter will not permit access to Personal Information except to those who need to know it in order to perform under this Agreement, and will ensure that any third party accessing Personal Information protects it with Safeguards at least as strong as Badger Meter's Safeguards;

- upon Buyer's instruction and in accordance with Badger Meter's electric record retention policy, delete such Personal Information immediately or return it to Buyer in a secure manner and delete all remaining copies of Personal Information after such return and provide documentation of the deletion to Buyer;
- not use the Personal Information for any other purpose than compliance with its' obligations under this Agreement; and
- if Badger Meter has reason to believe that Personal Information is reasonably likely to have been accessed for an unauthorized purpose or by unauthorized persons (a "Breach"): (a) promptly notify Buyer in writing (b) reasonably assist Buyer in investigating and remedying any Incident and any related inquiry or claim; and (c) provide Buyer with reasonable assurance that Badger Meter has corrected all circumstances under Badger Meter's control that led to the Incident.

20. Returns. No Goods may be returned for credit or repair without a Returned Material Authorization (RMA) issued by Badger Meter. Badger Meter reserves the right to reject return if Buyer does not get prior authorization and RMA. Authorized return shipments must be returned in original packaging and in good condition to Badger Meter's designated receiving point, must be accompanied by a packing slip, including Badger Meter's RMA number, and must have transportation charges prepaid. NO RETURNS ACCEPTED WITHOUT PRIOR BADGER METER AUTHORIZATION EVIDENCED BY A VISIBLE RMA NUMBER ON THE OUTSIDE OF THE PACKAGE. If returned Goods are severely damaged in shipping, based on poor packing, they may not be eligible for credit. Correspondence concerning all returned Goods must be addressed to the appropriate Badger Meter office and party. Badger Meter reserves the right to deduct an service charge to cover actual, direct costs incurred for inspection, testing and handling from any credit, plus freight, insurance, packing, import and export costs. Unused or uninstalled product

returns received prior to 90 days after invoice date are eligible to be credited back to the customer with Badger Meter approval. Only current versions of other products are eligible to be credited back to the customer. Badger Meter reserves the right to charge a restocking fee.

21. Assignment. This Agreement may not be assigned by either party without the written consent of the other (which consent shall not be unreasonably withheld). However, consent will not be required for assignment of rights and obligations to a third party as a result of a merger or acquisition, or sale of all or substantially all of Badger Meter's assets to such third party, provided the assignee agrees in writing to be bound by the terms and conditions set forth in the Agreement, and provided such third party is a U.S.-based entity or maintains a registered agent and a certification of authority to do business in Florida; or Badger Meter may assign all or any of its rights and obligations to an affiliate of Badger Meter, provided Badger Meter remains liable for the said affiliate's compliance with the terms and conditions set forth in this Agreement.

22. Governing Law and Dispute Resolution. This Agreement and all disputes hereunder shall be governed by, resolved and construed under the internal laws of the State of Florida without regard to rules relating to conflict of laws. Neither this Agreement nor sales hereunder shall be governed by the provisions of the United Nations Convention on Contracts for the International Sale of Goods. Upon expiration or termination of this Agreement for any reason, Badger Meter shall have all of the rights and remedies provided by law, including, without limitation, the rights of a secured party under Chapter 409, Wisconsin Statutes or any successor statute or similar statute in the jurisdiction

where Buyer is located or stores the Goods.

VENUE FOR ANY SUIT OR ACTION RELATING TO OR ARISING OUT OF ANY GOODS PURCHASED FROM OR SERVICES PERFORMED BY BADGER METER SHALL LIE EXCLUSIVELY IN THE WEST PASCO JUDICIAL CENTER IN NEW PORT RICHEY, FLORIDA (FOR STATE CLAIMS) AND THE MIDDLE DISTRICT COURT OF FLORIDA – TAMPA DIVISION (FOR FEDERAL CLAIMS)Buyer, AND BUYER AND BADGER METER CONSENT TO THE JURISDICTION OF SUCH COURTS AND AGREES TO APPEAR IN ANY SUCH ACTION UPON WRITTEN NOTICE THEREOF.

23. Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

24. Non-Waiver. Failure or delay of either party to exercise a right or power under this Agreement shall not operate as a waiver thereof, nor shall any single or partial exercise of a right or power preclude any other future exercise thereof.

25. Government Contracts. If the provision of Goods by Badger Meter under accepted orders is subject to mandatory provisions of U.S. law concerning contracts or subcontracts with or for the benefit of the U.S. or any state or other national government, Buyer shall so notify Badger Meter in advance of order acceptance specifying the mandatory

provisions of U.S, state or other national government law which apply.

26. Cumulative Remedies. Each party's rights and remedies under the Agreement are cumulative and in addition to all other rights and remedies available to the party at law or in equity.

26. Relationship of Parties. Buyer and Badger Meter are independent contractors, and nothing herein shall be construed to create a partnership, joint venture, agency or employment relationship Neither party has nor will have any power to bind the other, or to assume or create any obligation or responsibility, express or implied, on behalf of the other party.

27. Scrutinized Companies. A company is ineligible to, and may not, bid on, submit a proposal for, or enter into or renew a contract with the Buyer for goods or services of:

(a) Any amount if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company is on the Scrutinized Companies that Boycott Israel List, created pursuant to s. 215.4725, or is engaged in a boycott of Israel; or

(b) One million dollars or more if, at the time of bidding on, submitting a proposal for, or entering into or renewing such contract, the company:

1. Is on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List, created pursuant to s. 215.473; or
2. Is engaged in business operations in Cuba or Syria.

By signing this Agreement, Badger Meter certifies that it is not participating in a boycott of Israel, is not on any of the aforementioned lists, and it does not have business operations in Cuba or Syria. The Buyer agrees to notify the Buyer if placement on any of the aforementioned lists occurs or if Badger Meter is engaged in a boycott of Israel or has business operations in Cuba or Syria.

The Buyer may terminate this Agreement if Badger Meter certification above is found to be false; has been placed on the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel; has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Terrorism Sectors List; or has been engaged in business operations in Cuba or Syria. In addition to possible termination of this Agreement based on the above grounds, the Buyer will comply with section 287.135, Florida Statutes, regarding submittal of a false certification.

28. Discriminatory Vendor List. Pursuant to Section 287.135, Florida Statutes, by accepting this Agreement, Badger Meter certifies that: (1) it is not on the Scrutinized Companies that Boycott Israel List, created pursuant to Section 215.4725, Florida Statutes; (2) it is not participating in a boycott of Israel; (3) it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in Iran Terrorism Sectors List, created pursuant to Section 215.473, Florida Statutes; and (4) it is not engaged in business operations in Cuba or Syria.

The Buyer reserves the right to terminate this Agreement if it finds that: (1) any of the above certifications are false; (2) Badger Meter has been placed on the Scrutinized Companies that Boycott Israel List; (3) Badger Meter is engaged in a boycott of Israel; (4) Badger Meter has been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in Iran Terrorism Sectors List; or (5) Badger Meter is engaged in business operations in Cuba or Syria. Notwithstanding the foregoing, the parties are aware of the Eleventh Circuit Court's decision in Odebrecht Constr. v. Sec'y, Fla. DOT, 715 F.3d 1268 (11th Cir. 2013), and agree that the provisions of sections 287.135(1)-(5), Florida Statutes, pertaining to a company engaged in business operations in Cuba or Syria shall not apply to this Agreement, unless and until the Eleventh Circuit Court's decision in that case is overturned.

29. TRUTH-IN-NEGOTIATIONS/PUBLIC ENTITY CRIMES.
Badger Meter certifies that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current at the time of contracting. The original contract price, and any additions thereto, shall be adjusted to exclude any significant sums by which the Buyer determines the contract price was increased due to inaccurate, incomplete, or non-current wage rates and other factual unit costs. The Buyer may exercise its rights under this "certification" within one (1) year following final payment.

Pursuant to subsections 287.133(2) and (3), Florida Statutes, a person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid,

proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in section 287.017, Florida Statutes, for Category Two, for a period of 36 months following the date of being placed on the convicted vendor list. Badger Meter agrees to include this provision in all contracts it issues as a result of this Agreement.

30. PROHIBITION AGAINST CONTINGENCY FEES. In accordance with the provisions of section 287.055, Florida Statutes, Badger Meter warrants that it has not employed or retained any company or person, other than a bona fide employee working solely for Badger Meter to solicit or secure this Agreement and that Badger Meter has not paid or agreed to pay any person, company, corporation, individual or firm, other than a bona fide employee working solely for Badger Meter, any fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or violation of this provision, the Buyer shall have the right to terminate this Agreement without liability, and at its discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

31. E-VERIFY. A contractor or consultant entering into a contract

with a public entity (such as the Buyer) is required to be registered with the U.S. Department of Homeland Security's E-Verify System and to utilize it to verify the work authorization status of all newly hired employees throughout the term of the contract. The contractor or consultant shall also be required to obtain and retain affidavits from all subcontractors or subconsultants utilized during the contract verifying that they do not employ, contract with, or subcontract with any unauthorized aliens as that term is defined in 8 U.S.C.S. 1324a(h)(3). The failure to comply with this requirement constitutes grounds for termination of the contract and for such other penalties as provided under section 448.095, Florida Statutes.

If a public employer has terminated a contract with a contractor for failure to comply with the requirements of the paragraph above, the contractor may not be awarded a public contract for at least one year after the date on which the contract was terminated.

The Buyer reserves the right to request verification of compliance from its consultants and contractors during the term of its contract with the Buyer and for a period of up to five (5) years thereafter. Should a Buyer-retained consultant, contractor, and/or its subconsultants be found to be non-compliant with E-Verify as part of a federal audit or other inquiry, the consultant, contractor and/or its subconsultant(s) will be solely responsible for the payment of any fines or costs imposed upon the county as a result of such non-compliance. Compliance with this section is mandatory for all projects.

32. TELECOMMUNICATIONS. Badger Meter certifies that the goods or services sold to the Buyer are not covered telecommunications equipment under 2 Code of Federal Regulations § 200.216.

33. RECORDS. Badger Meter shall keep and maintain its accounting records and supporting documentation related to the services, work, information, expenses, costs, invoices and materials provided and/or performed pursuant to the requirements of this Agreement for a minimum of five (5) years from the date of termination or expiration of this Agreement. The Buyer, its authorized agents, and any representatives of federal and state agencies funding the Agreement ("Agencies") shall, with reasonable prior notice, have the right to audit, inspect and copy all such accounting records and supporting documentation as often as they deem reasonably necessary during the Term of the Agreement and during the five (5)-year period after the date of final payment or termination hereof. Any auditing, inspections or copying of Badger Meter's accounting records and supporting documentation performed by the Buyer or Agencies shall be conducted during normal business hours upon reasonable prior notice to Badger Meter and shall be at the sole expense of the Buyer or the Agencies.

Badger Meter specifically acknowledges that if state funding is utilized for the Agreement, Badger Meter will agree to cooperate with any audit initiated by the Office of the Auditor General of the State of Florida or any successor office. Such cooperation includes any investigation, audit, inspection, review, or hearing pursuant to

Section 20.055(5), Florida Statutes.

[SIGNATURES ON NEXT PAGE]

IN WITNESS WHEREOF, the parties hereto, by their duly authorized representative, have executed these Negotiated Badger Meter Terms and Conditions of Sale effective as of the last date set forth below.

Additional Terms and Conditions for BEACON®, RADAR®, and TELOG® REMOTE MONITORING

The Negotiated Badger Meter Terms and Conditions of Sale agreed to by and between Pasco County, Florida ("you" or the "County") and Badger Meter, Inc. dated March 10, 2026 (the "Negotiated Terms and Conditions") are incorporated herein and made part hereof by reference. These Additional Terms and Conditions supplement the Negotiated Terms and Conditions with respect to the use of the (i) BEACON Software as a Service (SaaS) solution; (ii) RADAR Pressure Management Data Platform; and (iii) Telog Remote Monitoring software.

BEACON SaaS Solution

The use of the BEACON SaaS solution is subject to the Badger Meter BEACON AMA Managed Solution General Agreement, as it was last modified on April 17, 2014, located here: https://www.beaconama.net/agreement

RADAR Pressure Management Data Platform and Telog Remote Monitoring Platform Terms of Use

Welcome. Badger Meter, Inc. ("**Badger Meter**", "**we**" or "**us**") owns and operates RADAR® and TELOG® Remote Monitoring metering analytics solutions (the "**Solutions**"), and the corresponding websites including https://radar.syrinix.com/login and https://app.telogdhs.net/ (the "**Websites**"). Together, the Solutions and the Websites are the "**Platforms**." These terms and conditions (the "**Terms of Use**") govern your access to and use of the Platforms and any content, functionality and services offered on or through the Platforms.

Please read these Terms of Use carefully. By accessing or using the Platforms, you agree that you are entering into a binding agreement with us. If you do not agree to these Terms of Use, you must not access or use the Platforms.

Use of the Platforms

Eligibility Requirements. The Platforms are offered and available to users who are 18 years of age or the applicable age of majority. By using the Platforms, you agree that you are of legal age to form a binding contract with Badger Meter. You also represent that you will follow all local, state, federal, or any other statutes applicable to your use of the Platforms. If you do not meet all of these requirements, you must not access or use the Platforms.

Changes to the Terms of Use. We may revise and update these Terms of Use from time to time in our sole discretion. We encourage you to review them regularly. All changes to these Terms of Use are effective immediately when we post them. By continuing to use the Platforms, you agree that you accept those changes unless written notice is provided to Badger Meter within thirty (30) days of the changes being posted.

We will endeavor to notify you of material changes by posting a notice on the Platforms or by another means of communication.

Privacy Policy. We collect Personal Information when you use the Platforms. Please review our Platform Privacy Policy available at https://beaconama.net/privacy for more information about how we use, collect, and disclose Personal Information. Notwithstanding any term to the contrary, Badger Meter will notify the County of any breach of Personal Information within forty-eight (48) hours of confirming a breach that impacts the County has occurred.

Accurate Information. To access the Platforms or some of the resources they offer, you may be asked to provide certain information about yourself such as your name and email address. You agree to provide correct, current and complete information and not to impersonate a third party.

Errors. While we try to provide the Platforms without error, we cannot guarantee that the Platforms are complete, current, or error-free or that your access to the Platforms will be uninterrupted, timely, or secure. If we discover errors, we will make reasonable efforts to correct those errors.

Outages. We try to keep the Platforms up and running and available to you. However, the Platforms may be unavailable for a variety of reasons. You agree that we are not responsible for any damages or losses caused by any outages, delays, or other failures of the Platforms.

Mobile Application Updates. Where applicable, you may be required to update the Mobile App to continue using it. You acknowledge that we may update the Platforms, including the Mobile App, without requiring any additional consent or action from you.

Accounts

User Accounts. To use certain features of the Platforms, you may be required to register for a user account or use an existing account ("**Account**"). You acknowledge that your Account is personal to you and agree not to provide any other person with access to the Platforms or portions thereof and not to share your user name, password or other security information.

Protecting Your Account. We recommend using a strong, unique password to protect your Account and changing that password on a regular basis. You agree to notify us immediately of any unauthorized access to or use of your user name or password or any other breach of security. You also agree to ensure that you exit from your account at the end of each session. You should use particular caution when accessing your account from a public or shared computer so that others are not able to view or record your password or other Personal Information.

We have the right to disable any user name, password or other identifier, whether chosen by you or provided by us, at any time in our sole discretion for any or no reason, including if, in our opinion, you have violated any provision of these Terms of Use.

Closing your Account. If you no longer wish to use the Platforms, you may have the right to delete your Account at any time. You may delete your Account by requesting for deletion through each respective application or by contacting your account representative or techsupport@badgermeter.com.

Suspension or Termination of Your Account. We may suspend or terminate your Account or use of the Platforms for breach of these Terms of Use, with or without notifying you beforehand. In such a case, your ability to access and use the Platforms is immediately terminated. We shall not be liable to you or any third party for any termination or suspension of your ability to access or use the Platforms. We may also take appropriate legal action, including without limitation, referral to law enforcement, for any illegal or unauthorized use of the Platform.

Intellectual Property

Ownership of the Platforms. Badger Meter or its licensors own the Platforms and their entire contents, features and functionality (including but not limited to all information, software, text, displays, images, video and audio, and the design, selection and arrangement thereof). The Platforms are protected by United States and international copyright, trademark, patent, trade secret and other intellectual property or proprietary rights laws. Any unauthorized use of any

trademarks, trade dress, copyrighted materials, or any other intellectual property belonging to Badger Meter or any third party is strictly prohibited and may be prosecuted to the fullest extent of the law.

Right to use the Platforms. Subject to your compliance with these Terms of Use, we grant you a limited, non exclusive, revocable, non transferable, non sublicensable right and license to install and use the Platforms. All rights not expressly granted to you in these Terms of Use are reserved and retained by Badger Meter, or our licensors, suppliers, rights holders, or other content providers.

Use of Marks. The Badger Meter logo and all related names, logos, product and service names, designs and slogans ("**Marks**") are registered trademarks and service marks of Badger Meter or its affiliates or licensors. You do not have the right to use any Marks except as expressly agreed to in writing by Badger Meter. In addition, the Platforms may contain third-party marks and third-party copyrighted materials, which are the property of their respective owners. Nothing in these Terms of Use grants to you any rights in or to those third-party marks or materials without such third-party's consent.

PROHIBITED USES AND CONDUCT

You agree not to:

- Use the Platforms in any way that violates any applicable federal, state, local or international law or regulation (including, without limitation, any laws regarding the export of data or software to and from the US or other countries);
- Engage in any other conduct that restricts or inhibits anyone's use or enjoyment of the Platforms, including their ability to engage in real time activities through the Platforms, or which may harm Badger Meter or users of the Platforms or expose them to liability;
- Reproduce, distribute, modify, create derivative works of, publicly display, publicly perform, republish, download, store or transmit any of the material on our Platforms, except as otherwise permitted under these Terms of Use;
- Use the Platforms in any manner that could disable, overburden, damage, or impair it;
- Use any robot, spider or other automatic device, process or means to access the Platforms for any purpose, including monitoring or copying any of the data or materials on the Platforms;
- Use any manual process to monitor or copy any of the data or materials on the Platforms or for any other unauthorized purpose without our prior written consent;
- Interfere with the proper working of the Platforms;
- Provide or introduce any viruses, trojan horses, worms, logic bombs or other material which is malicious or harmful;
- Attempt to gain unauthorized access to, interfere with, damage or disrupt any parts of the Platforms, the servers on which the Platforms are stored, or any server, computer or database connected to the Platforms; and
- Attack the Platforms via a denial-of-service attack or a distributed denial-of-service attack.

Third Party Links

The Platforms may contain links to other websites and resources provided by third parties. These third-party links are provided for your convenience only. Badger Meter has no control over the contents of those websites or resources and accepts no responsibility for them or for any loss or damage that may arise from your use of them. If you decide to access any of the third-party websites linked on the Platforms, you do so entirely at your own risk and subject to the terms and

conditions of those websites.

Export Controls
The Platforms may be subject to export control laws, including the US Export Control Reform Act and its associated regulations. You may not directly or indirectly, export, re-export, or release the Platforms to, or make the Platforms accessible from, any country, jurisdiction or person to which export, re-export, or release is prohibited by applicable law.

US Government Rights
Each of the Platforms are a "commercial product" as that term is defined at 48 C.F.R. 2.101, consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212. Accordingly, if you are an agency of the US Government or any contractor, you only receive those rights with respect to the Platforms as are granted to all other end users under license, in accordance with (a) 48 C.F.R. §227.7201 through 48 C.F.R. §227.7204, with respect to the Department of Defense and their contractors, or (b) 48 C.F.R. §12.212, with respect to all other US Government licensees and their contractors.

Class Action Waiver.
You agree that you may bring claims against Badger Meter only in your individual capacity and not as a plaintiff or class member in any purported class, representative or collective proceeding. If the foregoing class action waiver is deemed invalid or unenforceable, you and Badger Meter each agree not to seek, and waive any right, to or otherwise resolve any dispute through class or collective claims.

Text Messages and Push Notifications
Badger Meter may offer you the ability to receive notifications connected to your use of the Platforms via push notifications or text message, subject to your consent. If you provide us with your phone number and consent, we will send you text notifications in connection with your use of the Platforms via a third party service. You can opt out of receiving further text messages at any time by replying "STOP" to any text message you receive from us. Additionally, you can turn off push notifications by changing the settings on your mobile device.

Disclaimer of Warranties
YOUR USE OF THE PLATFORMS IS AT YOUR OWN RISK. THE PLATFORMS, PLATFORM CONTENT AND ANY SERVICES OBTAINED THROUGH THE PLATFORMS ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. BADGER METER EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND RELATED TO THE PLATFORMS, WHETHER EXPRESS OR IMPLIED, STATUTORY OR OTHERWISE, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NON INFRINGEMENT, TO THE FULLEST EXTENT PERMISSIBLE BY LAW.

Neither Badger Meter nor any person associated with Badger Meter makes any warranty or representation regarding the completeness, security, reliability, quality, timeliness, accuracy or availability of the Platforms or any errors or omissions in the Platforms. Badger Meter makes no warranty or representation that the Platforms will be uninterrupted or error-free, the Platforms are free of viruses or other harmful components, the Platforms or the services obtained through the Platforms will otherwise meet your needs or expectations, and that defects in the Platforms will be corrected.

Badger Meter will not be liable for any loss or damage caused by a distributed denial-of-service attack, viruses or other technologically harmful material that may infect your computer equipment, computer programs, data or other proprietary material due to your use of the Platforms, unless Badger Meter is at fault for such loss or damage.

These exclusions and limitations will not apply if prohibited by applicable law.

Limitations on Liability

CONSEQUENTIAL DAMAGES EXCLUSION. BADGER METER WILL NOT BE LIABLE TO YOU OR ANY THIRD PARTY FOR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, INCIDENTAL, EXEMPLARY, OR PUNITIVE DAMAGES ARISING FROM OR RELATED TO (A) YOUR USE OF THE PLATFORMS; (B) YOUR INABILITY TO ACCESS OR USE THE PLATFORMS; (C) THE RESULTS OF YOUR USE OF THE PLATFORMS; (D) A DATA SECURITY OR PRIVACY INCIDENT RELATED TO YOUR USE OF THE PLATFORMS; (E) LOST, CORRUPTED, OR COMPROMISED DATA RELATED TO YOUR ACCOUNT OR THE PLATFORMS; (F) UNAUTHORIZED ACCESS TO OR USE OF YOUR ACCOUNT OR THE PLATFORMS; OR (G) ANY TOTAL OR PARTIAL PERFORMANCE FAILURE OR MALFUNCTION OF THE PLATFORM. THIS LIMITATION OF LIABILITY AND CONSEQUENTIAL DAMAGES EXCLUSION WILL APPLY WHETHER YOUR CLAIM IS BASED UPON A BREACH OF CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, PRODUCTS LIABILITY, OR ANY OTHER LEGAL THEORY AND WHETHER OR NOT SUCH DAMAGES ARE FORESEEABLE OR WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

CAP ON DAMAGES. IN NO EVENT WILL BADGER METER BE LIABLE TO YOU FOR ANY CLAIMS ARISING FROM OR RELATED TO YOUR USE OF THE PLATFORMS IN AN AMOUNT GREATER THAN THE AMOUNT PAID BY THE COUNTY TO BADGER METER FOR USE OF THE PLATFORMS.

Any cause of action or claim either party has against the other, arising out of or relating to these terms of use or the Platforms, must be commenced within one (1) year after the cause of action accrues, otherwise, such cause of action or claim is permanently barred. The foregoing does not affect any liability which cannot be excluded or limited under applicable law.

Indemnification

Subject to the provisions of section 768.28, Florida Statutes,, you agree to defend, indemnify and hold harmless Badger Meter, its affiliates, licensors and service providers, and its and their respective officers, directors, employees, contractors, agents, licensors, suppliers, successors and assigns from and against any claims, liabilities, damages, judgments, awards, losses, costs, expenses or fees (including reasonable attorneys' fees) arising out of or relating to your gross negligence or willful misconduct. This indemnification provision does not apply to Badger Meter's intentional conduct.

Badger Meter shall indemnify, defend and hold harmless the County or its officers, directors, agents and employees ("County's Indemnified Parties") from and against any and all third party claims, demands, proceedings, suits and actions, including any related liabilities, obligations, losses, damages, fines, judgments, settlements, expenses (including attorneys' and accountants' fees and disbursements) and costs (each, a "Claim" and collectively, "Claims"), incurred by, borne by or asserted against the County's Indemnified Parties to the extent such Claims in any way relate to any actual or alleged infringement or misappropriation of any third party's intellectual property rights by any of the licensed software, provided County shall: (a) inform Badger Meter in writing within 5 business days of any such Claims regarding or involving Badger Meter's intellectual property; (b) give Badger Meter sole control of the defense and settlement of the Claims; (c) provide Badger Meter with all available information and assistance relating to the Claims and cooperates with Badger Meter and its counsel; (d) not compromise or settle such Claims, other than with Badger Meter's written approval; (e) not be in material breach of any agreement with Badger Meter. Notwithstanding the foregoing, Badger Meter's obligations in the section shall not apply where: (i) the product or software is used in combination with equipment, software or other products not supplied, required or recommended by Badger Meter; (ii) the

Badger Meter's product underwent an unauthorized modification by the County (including by its employees, contractors, affiliates, or another third party); or (iii) Badger Meter's product or software is used other than permitted by these Terms of Use.

Governing Law and Jurisdiction
All matters relating to the Platforms and these Terms of Use and any dispute or claim arising therefrom or related thereto (in each case, including non-contractual disputes or claims), shall be governed by and construed in accordance with the internal laws of the State of Florida without giving effect to any choice or conflict of law provision or rule (whether of the State of Wisconsin or any other jurisdiction).

Any legal suit, action or proceeding arising out of, or related to, these Terms of Use or the Platforms shall be instituted exclusively in the West Pasco Judicial Center in New Port Richey, Florida (for state claims) or the Middle District Court of Florida – Tampa Division (for federal claims).

Waiver and Severability
No waiver by Badger Meter of any term or condition set forth in these Terms of Use shall be deemed a further or continuing waiver of such term or condition or a waiver of any other term or condition, and any failure of either party to assert a right or provision under these Terms of Use shall not constitute a waiver of such right or provision.

If any provision of these Terms of Use is held by a court or other tribunal of competent jurisdiction to be invalid, illegal or unenforceable for any reason, such provision shall be eliminated or limited to the minimum extent such that the remaining provisions of the Terms of Use will continue in full force and effect.

Entire Agreement
The Terms of Use constitute the sole and entire agreement between you and Badger Meter with respect to your individual use of the Platforms and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to the Platforms.

Assignment
Except as expressly permitted under these Terms of Use, you may not assign, transfer, delegate, or sublicense any or all rights or obligations under these Terms of Use may not be assigned by either party without the written consent of the other (which consent shall not be unreasonably withheld). However, consent will not be required for assignment of rights and obligations to a third party as a result of a merger or acquisition, or sale of all or substantially all of Badger Meter's assets to such third party, provided the assignee agrees in writing to be bound by these Terms of Use, and provided such third party is a U.S.-based entity or maintains a registered agent and a certification of authority to do business in Florida; or Badger Meter may assign all or any of its rights and obligations to an affiliate of Badger Meter, provided Badger Meter remains liable for the said affiliate's compliance with these Terms of Use.

Describe the JUSTIFICATION for the selected EXCEPTION:

Badger is the sole manufacturer and distributor of badger meter utility products for the State of Florida. Badger meters and reading equipment are currently the standardized equipment used throughout Pasco County for all residential and commercial utility meters and utility usage reading equipment. This exempt purchase is for badger meter utility products to be utilized for the county-wide meter change out program as well as installation in new construction projects. The included quotes are the prices the County will pay for each piece of specified equipment which will be purchased in such quantities as needed for the change out program and installation in new construction projects during FY 2025.

Florida Department of State, Division of Corporations

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** PW26-0013 **DATE:** 6/16/2026

SUBJECT: First Amendment to Solicitation No. IFB-KM-24-015 – Cardinal Landscaping Services of Tampa, Inc. – As Needed Landscape Maintenance Services – $1,000,000.00

REFERENCES: IFB-KM-24-015, PW24-0073

AGENDA SECTION: Consent Agenda

THRU: Branford Adumuah, Assistant County Administrator

FROM: Jason Mickel, Public Works Director

RECOMMENDED BOARD ACTION:

Approve the First Amendment to solicitation no. IFB-KM-24-015 for As Needed Landscape Maintenance Services (Agreement) with Cardinal Landscaping Services of Tampa, Inc. (Cardinal), in the additional annual Not to Exceed (NTE) amount of $500,000.00 for Fiscal Year (FY) 2026; and $500,000.00 for FY 2027, contingent upon future appropriation of funds, resulting in the new cumulative NTE amount of $9,467,350.00 for the initial term of the contract expiring on September 30, 2027. Authorize the Chairman to execute the two originals of the First Amendment, provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On August 21, 2024, the Board of County Commissioners (BCC) approved the award of solicitation no. IFB-KM-24-015, for landscape maintenance services on an as-needed basis to Cardinal in the annual NTE amount of $2,685,000.00 for FY 2025; $2,803,500.00 for FY 2026; and $2,978,850.00 for FY 2027, resulting in the cumulative NTE amount of $8,467,350.00 for the three-year term of the contract beginning on October 1, 2024, and continuing through September 30, 2027. Delegation of Authority was granted to the County Administrator the discretion to approve each of the two one-year renewal options on the same terms and conditions in the NTE amount of $3,211,735.00 for FY 2028; and $3,502,909.00 for FY 2029, pending budget approval for a total NTE contract amount of up to $15,181,994.00 (PW24-0073).

The Public Works Department uses the Agreement to maintain rights of way and continuously assumes new rights-of-way, adding landscape maintenance responsibilities throughout the county. The Public Works Department has identified the need for additional funding for the Agreement to meet the level of service demands.

The Public Works Department, with concurrence from the Purchasing Department, requests approval for additional purchasing authority in the NTE amount of $1,000,000.00, resulting in the new cumulative NTE amount of $9,467,350.00 for the three-year term of the contract expiring on September 30, 2027.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $500,000.00 is budgeted and available for FY 2026 in the County Transportation Trust Fund and Stormwater Management Fund, Public Works

Department. Funding in the amount of $500,000.00 will be budgeted for FY 2027, contingent upon BCC approval of the FY 2027 budget.

DISTRIBUTION:

Board Records to distribute as set forth below:
1. Retain One Original
2. Mail One Original to:

Mr. Michael C. Mantei, President

FIRST AMENDMENT TO AGREEMENT BETWEEN PASCO COUNTY AND CARDINAL LANDSCAPING SERVICES OF TAMPA, INC. FOR THE AS NEEDED LANDSCAPE MAINTENANCE SERVICES FOR PUBLIC INFRASTRUCTURE

THIS FIRST AMENDMENT ("Amendment") is made and entered into by and between the Pasco County, by and through its Board of County Commissioners, hereinafter referred to as COUNTY, and Cardinal Landscaping Services of Tampa, Inc., whose business address is 817 E. Okaloosa Avenue, Tampa, Florida 33604, hereinafter referred to as the CONTRACTOR.

WHEREAS, the COUNTY awarded solicitation no. IFB-KM-24-015 for "As Needed Landscape Maintenance" Services for Public Infrastructure to the CONTRACTOR, and subsequently entered into an agreement made effective on September 17, 2024 (the "Agreement"); and

WHEREAS, Section 5.1 of the Agreement provides for a cumulative NTE amount of $8,467,350.00 for the initial three-year term of the Agreement; and

WHEREAS, the COUNTY is requesting the CONTRACTOR provide additional Work under the same terms and conditions requiring a new cumulative NTE amount of $9,467,350.00 for the initial term of the Agreement, and

WHEREAS, the CONTRACTOR is agreeable to continuing to provide the services as specified under the terms of this Agreement

NOW, THEREFORE, the COUNTY and the CONTRACTOR, in consideration of the mutual covenants and provisions contained herein, the sufficiency of which are hereby acknowledged, agree as follows:

1. The statements contained in the recitation of facts set forth above are true and correct and are hereby incorporated in and made a part of this Amendment to the Agreement.

2. The COUNTY and CONTRACTOR agree to include and incorporate herein the additional locations and schedules attached hereto as Exhibit "A" and made a part hereof.

3. In light of the additional locations added as Work, paragraph 5.1 of the Agreement is modified to read:

   The Owner shall pay the Contractor for completion of the Work in current funds and in accordance with the Contract Documents for the initial three years of this Agreement, subject to the Not to Exceed ("NTE") amount of **$9,467,350.00.** Provided,

however, $500,000.00 of said amount is subject to appropriations by the County for Fiscal Year 2027. The County Administrator shall have the discretion to approve up to two one-year renewal options on the same terms and conditions as the original Agreement, as may be amended, in the NTE amounts of $3,211,735.00 for FY 2028; and $3,502,909.00 for FY 2029, pending budget approval for those years, for a total NTE contract amount of up to $16,181,994.00

4. The terms, covenants, and conditions set forth in the Agreement, except as modified by this Amendment, are approved, ratified, and confirmed in their entirety. The Agreement shall remain in full force and effect until its expiration or termination.

[SIGNATURES FOLLOW ON THE NEXT PAGE]

IN WITNESS WHEREOF, the parties, hereto have executed this Amendment to the Agreement, effective as of the last day and year entered below.

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: All **FILE NO.:** PW24-0073 **DATE:** 8/21/2024

SUBJECT: Award of Bid No. IFB-KM-24-015 – Cardinal Landscaping Services of Tampa, Inc. – As Needed Landscape Maintenance Services (Public Infrastructure Branch) – Multi-Year Award - $8,467,350.00

REFERENCES: IFB-KM-24-015

AGENDA SECTION: Consent Agenda

THRU: Branford Adumuah, Assistant County Administrator

FROM: Jason Mickel, Public Works Director

RECOMMENDED BOARD ACTION:

Approve the Award of Bid No. IFB-KM-24-015 to the lowest, responsive, and responsible bidder, Cardinal Landscaping Services of Tampa, Inc. (Cardinal), for as needed landscape maintenance services (the Public Infrastructure Branch) in the annual Not to Exceed (NTE) amount of $2,685,000.00 for Fiscal Year (FY) 2025; $2,803,500.00 for FY 2026; and $2,978,850.00 for FY 2027, resulting in the cumulative NTE amount of $8,467,350.00 for the three-year term of the contract beginning on October 1, 2024, and continuing through September 30, 2027. Delegate to the County Administrator the discretion to approve each of the two one-year renewal options on the same terms and conditions as the original agreement in the NTE amount of $3,211,735.00 for FY 2028; and $3,502,909.00 for FY 2029, pending budget approval for a total NTE contract amount of up to $15,181,994.00. Authorize the Chairman to execute the two originals of the Agreement provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On March 14, 2024, at the request of the Public Works Department, the Purchasing Department solicited an Invitation for Bid (IFB) for as needed landscape maintenance services (the Public Infrastructure Branch). The specifications were prepared by the Public Works Department. All provisions of the Purchasing Ordinance have been met.

On April 16, 2024, all bids were publicly opened. Four hundred and ninety-seven vendors received automatic email notices. Fifty-seven vendors downloaded the solicitation. Two responses were received, neither of which were from Pasco County. A summary of the document takers list for this solicitation is attached.

The Public Works and Utilities Operations & Maintenance (O&M) Departments use this contract to supplement landscape maintenance activities in County rights-of-ways and at County facilities.

The Public Works Department, with concurrence from the Purchasing Department, requests award to Cardinal, for a cumulative NTE amount of $8,467,350.00 for the contract period beginning on October 1, 2024, and continuing through September 30, 2027, with two optional annual renewals, pending budget approval for a total five-year contract amount of up to $15,181,994.00.

FISCAL IMPACT/COST/REVENUE STATEMENT:

Funding in the amount of $2,000,000.00 will be budgeted for FY 2025, $2,050,000.00 for FY 2026, and $2,150,000.00 for FY 2027 in the County Transportation Trust Fund, Public Works Department, contingent upon approval from the Board of County Commissioners (BCC) of the various budgets. Funding in the amount of $2,300,000.00 will be requested for FY 2028; and $2,500,000.00 will be requested for FY 2029, contingent upon annual renewals and BCC approval of these budgets.

Funding in the amount of $685,000.00 will be budgeted for FY 2025, $753,500.00 will be budgeted for FY 2026, and $828,850.00 for FY 2027 in the Water and Wastewater Unit Fund, Utilities O&M Department, contingent upon approval from the BCC of the various budgets. Funding in the amount of $911,735.00 will be requested for FY 2028; and $1,002,909.00 will be requested for FY 2029, contingent upon annual renewals and approval from the BCC of these budgets.

Invitation for Bid

For

AS NEEDED LANDSCAPE MAINTENANCE SERVICES (PUBLIC INFRASTRUCTURE)

March 14, 2024

Solicitation Number:	**IFB-KM-24-015**
Due Date:	**April 16, 2024**
Time Due:	**1:30 p.m., ET**

TENTATIVE TIMELINE

March 14, 2024	Release IFB to the marketplace
April 1, 2024	Deadline for written questions, 1:30 p.m., ET
April 9, 2024	Response to questions to be posted to Bonfire
April 16, 2024	IFB due online Bonfire by 1:30 p.m., ET

ADVERTISEMENT FOR INVITATION FOR BID

The Pasco County Board of County Commissioners invites vendors to submit a bid to provide landscape and ground maintenance services (Public Infrastructure) at various facilities and properties located throughout Pasco County (The County), as per the listed specifications.

In using this method for solicitation, we are requesting your best effort in seeking the lowest cost for our requirements. To be entitled to consideration, online submission shall be presented in accordance with the instructions of this solicitation and within the timeframe specified. It shall be the responsibility of the selected offeror to meet all specifications and guidelines set forth herein. Each bid shall be opened and read publicly. The Pasco County Board of County Commissioners (hereinafter, "Pasco County" or "County"), at its discretion, determines the criteria and process whereby bids are evaluated and awarded. No damages shall be recoverable by any challenger as a result of these determinations or decisions by the County.

If you are unable to download these documents, experiencing any technical issues, or have questions about how to submit, please reach out to support@gobonfire.com.

All questions or requests for clarification must be sent via Bonfire under Message - Opportunity Q&A: https://pascocountyfl.bonfirehub.com.

All addendums related to this solicitation will be posted on Bonfire website at https://pascocountyfl.bonfirehub.com. It is the bidder's responsibility to check the Bonfire website for any addendums, responses to bidder questions, or other communications related to this solicitation.

Bids shall be submitted online at https://pascocountyfl.bonfirehub.com. The Pasco County Purchasing Department will only accept bids submitted online. **Bid submissions are due no later than 1:30 p.m., ET, April 16,2024, and will be opened at 2:00 p.m., ET (same day) as noted above.**

Pasco County will ***only*** accept online submissions for this bid. Bids can be submitted online at: https://pascocountyfl.bonfirehub.com. Bids submitted after the bid close date will not be accepted. Note: Any bid submitted in any other format (email, paper, fax, mail, etc.) will not be accepted for any reason.

Solicitations will be publicly opened in accordance with the public notice.

Public Openings are held each Tuesday at 2:00 p.m., ET. A public opening of responses will be conducted at the posted Public Opening following the submission deadline. In the event of a County Holiday or unforeseen delay, responses shall remain sealed until the next public meeting. Firms will be able to attend the public opening virtually, see the following instructions:

Tabulations shall be available thirty (30) days after opening on the Pasco County website at: https://www.pascocountyfl.net/480/Do-Business-with-Us
or upon notice of intended action, whichever is sooner.

PASCO COUNTY BOARD OF COUNTY COMMISSIONERS

Carrie C. Roberts, NIGP-CPP, C.P.M., CPPO

Purchasing Director

IMPORTANT! — PLEASE READ CAREFULLY BEFORE SUBMITTING BID

GENERAL PROVISIONS

These general terms and conditions apply in like force to this solicitation and to any contract resulting therefrom.

COMMUNICATIONS DURING SOLICITATION AND LOBBYING PROHIBITION

Communicating with or lobbying of evaluation committee members, county government employees, or elected officials (including County Commissioners) regarding requests for proposals, requests for qualifications, bids, or contracts by the Bidders or any member of the Bidder's staff, an agent of the Bidder, or any person employed by any legal entity affiliated with or representing an organization that is responding to the requests for proposal, requests for qualification, bid or contract outside a publicly noticed meeting specifically called to address this particular solicitation is strictly prohibited. Nothing herein shall prohibit a prospective Proposer from contacting the Purchasing Director, or Purchasing staff identified in the solicitation, to address concerns or grievances or receive clarification about a particular procurement. In addition, nothing herein shall prohibit a Proposer that has been shortlisted in the Notice of Intent to Award from engaging in contract negotiations with the County staff designated to negotiate the contract.

For purposes of this provision lobbying activities shall include, but not be limited to, influencing or attempting to influence action or non-action in connection with any requests for proposals, requests for statements of qualifications, invitations for bids, related processes or contracts through direct or indirect oral or written communication or an attempt to obtain goodwill of persons and/or entities specified in this provision. Such actions may cause any proposal, statement of qualification, bid, contract or any other response to be rejected.

The prohibition on communication with County Persons (including County Commissioners) by Proposers and their representatives regarding a procurement in which they have a pecuniary interest begins upon issuance of the solicitation and ends upon final award, when the protest is finally resolved, or when the procurement process is otherwise concluded, whichever occurs later. This prohibition does not apply to communication on other matters in which a Proposer may have an interest outside of the solicitation.

AMERICANS WITH DISABILITIES ACT

Pasco County does not discriminate upon the basis of any individual's disability status. This non-discrimination policy involves every aspect of the County's functions including one's access to, participation, employment, or treatment in its programs or activities. Anyone requiring reasonable accommodation to the solicitation documents or for the public meetings related to any solicitation should contact the Purchasing staff member named on the solicitation summary at least twenty- four (24) hours in advance of the meeting. Requests for accommodation may also be directed to the Human Resources Department, Internal Services Building, 7536 State Street, New Port Richey, FL 34654 at (727) 847-8030 or at (727) 847-8949 if you are hearing impaired. Please be advised that if you contact the County by email, your email address will become a public record and may be subject to disclosure under the Florida Public Records Act.

ACCEPTANCE/REJECTION/MODIFICATION TO BID

The County may (1) amend or modify this request, (2) revise requirements of this request, (3) require supplemental statements or information from any firm, (4) accept or reject any or all bids, (5) extend the deadline for submission of bids, (6) waive non-material defects, and (7) cancel this request, in whole or in part, if the County deems it in its best interest to do so (8) may negotiate with a non-Bidder in the event no bids are received. The County may exercise the foregoing rights at any time without notice and without liability to any offering firm or any other party for their expenses incurred in the preparation of bid or otherwise.

ACKNOWLEDGMENT OF ADDENDUM

Bidders shall acknowledge receipt of any addendum to the solicitation by identifying the addendum number in the space provided for this purpose on the bid form, by letter, or by returning a copy of the issued amendment with the submitted bid. The acknowledgment should be received by Pasco County by the time and at the place specified for the receipt of bids. Failure to acknowledge an issued addendum may result in bid rejection and disqualification.

ALTERNATIVE BIDS

The Bidder WILL NOT be allowed to offer more than one (1) price (for the goods or services specified). If a Bidder submits more than one (1) price on any item (or service), ALL prices will be rejected for that item.

ANTITRUST

By entering into a contract, the Bidder conveys, sells, assigns, and transfers to Pasco County all rights, titles, and interest it may now have or hereafter acquire under the antitrust laws of the United States and the State of Florida that relate to the particular goods or services purchased or acquired by Pasco County under the said contract.

APPLICABLE LAW

The resulting contract shall be governed in all respects by the laws of the State of Florida, and any litigation with respect thereto shall be brought in the courts of Pasco County, Florida. The Bidder shall comply with all applicable Federal, State, and local laws and regulations. Lack of knowledge by the Bidder will in no way be a cause for relief from responsibility.

ASSIGNMENT

The successful Bidder(s) shall not assign, transfer, convey, sublet, or otherwise dispose of any award or any or all of its rights, title, or interest therein, or delegate the duties hereunder without the prior written consent of Pasco County.

AWARD

Consideration for award will be by proximity to specifications given, costs, time of delivery, and other factors deemed by the County to be appropriate. All purchases, leases, or contracts that are based on competitive bids will be awarded to the lowest, responsive, and responsible Bidder. Complete and accurate responses to all items are necessary for the complete and fair evaluation of bids. Total-cost or life-cycle-costing, which includes the identification of identifiable costs associated with acquisition, installation, maintenance, and operation of the Bidder's offered equipment may be used to determine the lowest Bidder. Such analysis may be based upon the Bidder's proposal data and other data which is gathered by the County. Additional factors that may be considered include the expected life of equipment, output, maintenance, consumption

costs, disposal value, warranty, complexity of operation, required training, and other factors that may contribute to the overall cost of ownership. In determining the responsibility of Bidders, past performance, references, documented experience, financial capability, and other reasonable factors may be considered. Pasco County reserves the right to award by item, group of items, lowest total, or whatever manner is deemed to be in the County's best interest. The County reserves the right to award to a single or multiple Bidder is found to be in the County's best interest.

BID ACCEPTANCE PERIOD

The Bidder agrees that if this offer is accepted within ninety (90) calendar days from the bid opening date, the Bidder will furnish to Pasco County and all items from which prices are offered in this bid solicitation at the price(s) so offered, delivered to the designated point(s), within the time period specified, and at the terms and conditions so stipulated in this solicitation document. Any bid for which the Bidder specifies a shorter acceptance period may be rejected.

BID CLARIFICATIONS

If any party contemplating the submission of a bid on this invitation is in doubt as to the true meaning of any part of the plans, specifications, or other documents, they should submit a written request for an interpretation via the County's electronic solicitation system. Questions or requests for interpretations shall clearly state, in detail, the basis for such question(s) or request(s) including a reference to the specific paragraph or language in the solicitation. Modifications to solicitations will be made only by properly issued written addenda. All such addenda shall become part of the solicitation and resulting contract documents. Pasco County shall only be responsible for explanations or interpretations that are issued by written addendum. No oral interpretations will be made as to the meaning of specifications or any other contract documents. Failure to comply with this provision will result in the Bidder waiving his/her right to dispute the bid specification.

BIDDER CERTIFICATION

The Bidder agrees that submission of a signed bid form is certification that the Bidder will accept an award made to it as a result of the submission.

BIDDER INVESTIGATIONS

Before submitting a bid, each Bidder shall make all investigations and examinations necessary to ascertain all site conditions, specifications, delivery requirements and performance requirements affecting the full performance of the contract and to verify any representations made by Pasco County upon which the Bidder will rely. If the Bidder receives an award as a result of its bid submission, failure to have made such investigations and examinations will in no way relieve the Bidder from its obligation to comply in every detail with all provisions and requirements of the contract documents, nor will a plea of ignorance of such conditions and requirements be accepted as a basis for any claim whatsoever by the Bidder for additional compensation.

BID ENVELOPES

If the County has indicated in the Advertisement for Bids that a hard copy of the bid will be accepted, envelopes containing bids must be sealed and marked in the lower left-hand corner with the solicitation number, solicitation name, and the date and hour of opening of bids. Failure to do so may cause bid not to be considered. Express Company or Express Mail envelopes

containing a sealed bid shall also be sealed and should be clearly marked with the solicitation number, solicitation name, and date and hour of opening of bids. Failure to clearly mark envelopes may delay delivery and render the response late. PLEASE NOTE: Unless otherwise noted in the Advertisement for Bids, all submissions MUST be made electronically through the County's electronic solicitation system.

BID FORM SUBMISSION

Bids must be uploaded into via the County's electronic solicitation system unless otherwise indicated in the Advertisement for Bids. All forms must be printed, completed signed (if noted) and submitted in the County's electronic solicitation system. Bids concerning separate bid invitations must not be combined on the same electronic submission form or placed in the same envelope (if allowable under the specific solicitation). Bids submitted in violation of this provision shall not be considered. All bids must be signed, in ink, in order to be considered. Erasures are not acceptable on bids; if necessary to make a change, strike out or draw a line through incorrect item and type the correction above, and initial the correction in ink. If the Bidder is a firm or corporation, the Bidder must show the title of the individual executing the bid, and if the individual is not an officer of the firm or corporation, the Bidder must submit proof that the individual has the authority to obligate the firm or corporation. BIDS MAY NOT BE ALTERED OR AMENDED AFTER THE BID CLOSING.

BUSINESS NAME REQUIREMENT

The Bidder must provide on the Bid Form, Bidder/Certification Form, and if awarded, on all remittance of invoices for payment, the business name that is provided on their W9 Form. Additionally, if there is a name change and/or EIN number that is changed at any time, the vendor must immediately notify the Purchasing Department as to the change and provide all supporting documentation.

BID RECEIPT AND OPENING

Pasco County will receive sealed bid proposals until date and time indicated on bid cover via the County's electronic solicitation system unless otherwise noticed in the Advertisement for Bids. The system will not allow for bids to be received after the bid opening date and time. It is the responsibility of the Bidder to ensure that bids are submitted online by the designated opening time. FAXED, EMAILED OR HARD COPY BIDS WILL NOT BE ACCEPTED AND SHALL NOT BE CONSIDERED FOR EVALUATION OR AWARD unless otherwise noted in the Advertisement for Bids. In accordance with Section 119.071, Florida Statutes, sealed bids, proposals, or replies received by an agency pursuant to a competitive solicitation are exempt from public inspection until such time as the agency provides notice of an intended decision or until thirty (30) days after opening the bids, proposals, or replies, whichever is earlier.

Failure to print, complete and upload all forms required to be included with any bid will result in the Bidder being deemed nonresponsive and will result in rejection of the bid.

BID WITHDRAWAL

Bids may not be changed after the bid closing time.

To withdraw a bid that includes a clerical error after bid opening, the Bidder must give notice in writing to the Pasco County Purchasing Department of claim or right to withdraw a bid. Within

two (2) business days after the bid opening, the Bidder requesting withdrawal must provide to Pasco County all original work papers, documents, and other materials used in the preparation of the bid. A Bidder may also withdraw a bid prior to the time set for the opening of bids by simply making a request in writing to Pasco County; no explanation is required. No Bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work for the person to whom the contract is awarded or otherwise benefit from the contract. No partial withdrawals of a bid are permitted after the time and date set for the bid opening; only complete withdrawals are permitted. The decision to allow or disallow bid withdrawal remains solely with Pasco County.

BRAND NAMES

Any catalog, brand name, or manufacturer's reference used in the specifications is intended to be descriptive and not restrictive and is used only to indicate type and quality desired. Any article, equipment, or material, which shall conform to the standards and excellence, so established, and is of equal merit, strength, durability, and appearance to perform the desired function, is deemed eligible for offer as a substitute. The qualifications of the offering shall be judged as to their conformance with these specifications. Any equipment offered other than herein specified shall be subject to a competitive demonstration and evaluation by Pasco County. The determination as to whether any alternate product or service is or is not equal shall be made by Pasco County, and such determination(s) shall be final and binding upon all Bidders.

CANCELLATION

Pasco County reserves the right to cancel a resulting contract, without cause, by giving thirty (30) days' prior written notice to the Bidder of the intention to cancel, or with cause if at any time the Bidder fails to fulfill or abide by any of the terms or conditions specified. Failure of the Bidder to comply with any of the provisions of a resulting contract shall be considered a material breach of contract and shall be cause for immediate termination of the contract at the sole discretion of Pasco County. In addition to all other legal remedies available to Pasco County, Pasco County reserves the right to cancel and obtain from another source, any services which have not been provided within the required period of time or, if no such time is stated, within a reasonable period of time from the date of order or request, as determined by Pasco County.

CERTIFICATION OF INDEPENDENT PRICE DETERMINATION

The Bidder certifies that the prices submitted in response to the solicitation have been arrived at independently and without—for the purpose of restricting competition—any consultation, communication, or agreement with any other Bidder or competitor relating to those prices, the intention to submit a bid, or the methods or factors used to calculate the prices bid.

CHANGE IN SCOPE OF WORK

Pasco County may order changes in the work consisting of additions, deletions, or other revisions within the general scope of the contract. No claims may be made by the Bidder that the scope of the project or of the Bidder's services has been changed, requiring changes to the amount of compensation to the Bidder or other adjustments to the contract, unless such changes or adjustments have been made by written amendment to the contract or purchase order signed by Purchasing Director. If the Bidder believes that any particular work is not within the scope of the project, is a material change, or will otherwise require more compensation to the Bidder, the Bidder must immediately notify Pasco County in writing of this belief. If Pasco County believes

that the particular work is within the scope of the contract as written, the Bidder will be ordered to and shall continue with the work as changed and at the cost stated for the work within the scope.

COLLUSION AMONG BIDDERS

Each Bidder, by submitting a bid, certifies that it is not a party to any collusive action or any action that may be in violation of the Sherman Antitrust Act. Any or all bids shall be rejected if there is any reason for believing that collusion exists among the Bidders. Pasco County may or may not, at its discretion, accept future bids for the same work from participants in such collusion. More than one (1) bid from an individual, firm, partnership, cooperation, or association under the same or different names may be rejected. Reasonable grounds for believing that a Bidder has interest in more than one (1) bid for the work being bid may result in rejection of all bids in which the Bidder is believed to have interest. Nothing in this clause shall preclude a firm acting as a subcontractor to be included as a subcontractor for two (2) or more primary contractors submitting a bid for the work.

CONFLICT OF INTEREST

The Bidder, by submission of its bid, certifies that to the best of his/her knowledge or belief, no elected/appointed official or employee of Pasco County is financially interested, directly or indirectly, in the offer of goods or services specified in this invitation.

DEBARMENT

By submitting a bid, the Bidder certifies that it is not currently debarred from submitting bids for contracts issued by any political subdivision or agency of the Federal Government of the United States, an agency of the State of Florida, or an agency within the Tampa Bay-Clearwater-St. Petersburg Metropolitan Statistical Area (MSA) and that it is not an agent of a person or entity that is currently debarred from submitting bids for contracts issued by any agency noted herein. The Bidder also certifies that the components used in the production of the commodities offered herein are not supplies by a vendor who currently is debarred from submitting bids for contracts issued by any political subdivision or agency of the Federal Government of the United States, an agency of the State of Florida, or an agency within the Tampa Bay-Clearwater-St. Petersburg Metropolitan Statistical Area (MSA).

E-VERIFY REQUIREMENT

A CONTRACTOR OR CONSULTANT ENTERING INTO A CONTRACT WITH A PUBLIC ENTITY (SUCH AS THE COUNTY) IS REQUIRED TO BE REGISTERED WITH THE U.S. DEPT. OF HOMELAND SECURITY'S E-VERIFY SYSTEM AND TO UTILIZE IT TO VERIFY THE WORK AUTHORIZATION STATUS OF ALL NEWLY HIRED EMPLOYEES THROUGHOUT THE TERM OF THE CONTRACT. THE CONTRACTOR OR CONSULTANT SHALL ALSO BE REQUIRED TO OBTAIN AND RETAIN AFFIDAVITS FROM ALL SUBCONTRACTORS OR SUBCONSULTANTS UTILIZED DURING THE CONTRACT VERIFYING THAT THEY DO NOT EMPLOY, CONTRACT WITH, OR SUBCONTRACT WITH ANY UNAUTHORIZED ALIENS AS THAT TERM IS DEFINED IN 8 U.S.C.s. 1342a(h)(3). THE FAILURE TO COMPLY WITH THIS REQUIREMENT CONSTITUTES GROUNDS FOR TERMINATION OF THE CONTRACT AND FOR SUCH OTHER PENALTIES AS PROVIDED UNDER SECTION 448.095, FLA. STAT.

If a public employer has terminated a contract with a contractor for failure to comply with the requirements of the paragraph above, the contractor may not be awarded a public contract for at

least ONE year after the date on which the contract was terminated.

THE COUNTY RESERVES THE RIGHT TO REQUEST VERIFICATION OF COMPLIANCE FROM ITS CONSULTANTS AND CONTRACTORS DURING THE TERM OF ITS CONTRACT WITH THE COUNTY AND FOR A PERIOD OF UP TO FIVE (5) YEARS THEREAFTER. SHOULD A COUNTY RETAINED CONSULTANT, CONTRACTOR AND/OR ITS SUBCONSULTANT'S BE FOUND TO BE NON-COMPLIANT WITH E-VERIFY AS PART OF A FEDERAL AUDIT OR OTHER INQUIRY, THE CONSULTANT, CONTRACTOR AND/OR ITS SUBCONSULTANT(S) WILL BE SOLELY RESPONSIBLE FOR THE PAYMENT OF ANY FINES OR COSTS IMPOSED UPON THE COUNTY AS A RESULT OF SUCH NON- COMPLIANCE. COMPLIANCE WITH THIS SECTION IS MANDATORY FOR ALL PROJECTS.

ERRORS IN EXTENSIONS

If a written Bid Form is required, the BIDDER should initial erasures or corrections in any Bid Form in ink. The COUNTY shall reject any Bid Form with such erasures or corrections where County staff concludes it cannot determine with certainty the accuracy or intent of said Bid Form, as corrected. In the case of unit price contracts, if an error is committed in the extension of an item, the unit price as shown in the Bid Form will govern. If the unit price and the extension price are at variance, the unit price shall prevail. Unit prices will be utilized to adjust the total compensation due the successful BIDDER based on actual quantities encountered. No negotiation of these unit prices after contract award will be allowed. Significant changes in quantities, including total deletions, are possible. Therefore, each BIDDER shall proportionately distribute overhead and profit across the unit prices.

ETHICS IN PUBLIC PROCUREMENT

The contract upon award shall incorporate by reference, but shall not be limited to, the provisions of law contained in Chapter 112, Florida Statutes. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases or real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, Florida Statutes, for CATEGORY TWO for a period of thirty-six (36) months from the date of being placed on the convicted vendor list. The Bidder certifies that its bid was made without collusion or fraud; that it has not offered or received any kickbacks or inducements from any other Bidder, supplier, manufacturer, or subcontractor in connection with this bid; and that it has not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services, or anything of value.

EXCEPTIONS

Bidders taking exception to any part or section of the solicitation shall indicate such exceptions on the bid form or appendix. Failure to indicate any exception will be interpreted as the Bidder's intent to comply fully with the minimum requirements as written. Conditional or qualified bids, unless such exception(s) are deemed non-material by the County (in it's sole discretion), shall be subject to rejection in whole or in part.

EXPENSES INCURRED IN PREPARING BID
Pasco County accepts no responsibility for any expense incurred by the Bidder in the preparation and presentation of a bid. Such expenses shall be borne exclusively by the Bidder.

FAILURE TO DELIVER
In the event of failure of the Bidder to deliver the goods and services in accordance with the contract terms and conditions, Pasco County may procure the goods and services from other sources and hold the Bidder responsible for any resulting additional costs. A failure to deliver will result in immediate termination of a resulting contract, and immediate disqualification and debarment from submitting bids to Pasco County for a maximum of five (5) years. These remedies shall be in addition to any other remedies that Pasco County may have available.

FAILURE TO ENFORCE
Failure by Pasco County at any time to enforce the provisions of the contract shall not be construed as a waiver of any such provisions. Such failure to enforce shall not affect the validity of the contract or any part thereof or the right of Pasco County to enforce any provision at any time in accordance with its terms.

FAIR LABOR STANDARDS
By submission of a bid, the Bidder certifies that the contractor(s) and/or subcontractor(s) providing product(s) or service(s) shall, in the execution or performance of such a contract, maintain fair labor standards as defined in applicable State and Federal regulations.

FORCE MAJEURE
The Bidder shall not be held responsible for failure to perform the duties and responsibilities imposed by the contract due to legal strikes, fires, riots, rebellions, government actions, and acts of God beyond the control of the Bidder, unless otherwise specified in the contract. If government actions include the imposition of tariffs that directly affect the materials or equipment to be provided by the Bidder under the solicitation, the Bidder must submit certification from its supplier that the materials required were acquired by the Bidder after the tariffs went into effect and that the Bidder now has to pay additional costs for the materials or equipment. The County has the discretion to approve an increase in price based on the information supplied or to terminate the contract.

IDENTICAL BIDS
Identical bids or bids which otherwise appear suspicious will be reported to the County Attorney for investigation.

INDEMNIFICATION
In consideration of the sum of Fifteen and 00/100 Dollars ($15.00), the receipt and sufficiency of which is acknowledged by the contractor to be included and paid for in the contract price, the contractor shall indemnify, defend, and hold harmless Pasco County and its agents and employees from and against all liabilities, claims, damages, losses, and expenses, including attorneys' fees, arising out of or resulting from the performance of the work, provided that any such liability, claim, damage, loss, or expense: 1) is attributable to bodily injury, sickness, disease

or death, or to injury to or destruction of tangible property (other than the work itself), including the loss of use resulting therefrom; and 2) is caused in whole or in part by any negligent act or omission of the Bidder and subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, except for those caused by the negligent act or omission of Pasco County.

In any and all claims against Pasco County or any of its agents or employees by any employee of the contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph shall not be limited in any way as to the amount or type of damages, compensation, or benefits payable by or for the contractor or any subcontractor under Workers' Compensation Acts, disability benefit acts, or other employee benefit acts.

INDEPENDENT CONTRACTOR

The Bidder shall be legally considered an independent contractor and neither the Bidder nor its employees shall, under any circumstances, be considered servants or agents of Pasco County; and Pasco County shall be at no time legally responsible for any negligence or other wrongdoing by the Bidder, its servants, or agents. Pasco County shall not withhold from the Bidder any Federal or State unemployment taxes, Federal or State income taxes, Social Security tax, or any other amounts for benefits to the Bidder. Further, Pasco County shall not provide to the Bidder any insurance coverage or other benefits, including workers' compensation, normally provided by Pasco County for its employees.

INFORMALITIES AND IRREGULARITIES

Pasco County has the right to waive minor defects or variations of a bid from the exact requirements of the specifications that do not affect the price, quality, quantity, delivery, or performance time of the services being procured. If insufficient information is submitted by a Bidder with the bid for Pasco County to properly evaluate the bid, Pasco County has the right to require such additional information as it may deem necessary after the time set for receipt of bids, provided that the information requested does not change the price, quality, quantity, delivery, or performance time of the services being procured. Pasco County reserves the right to reject any or all bids in whole or in part; to award by any item, group(s) of items, total bid, or accept the bid that is most advantageous and in the best interest of Pasco County.

LAW COMPLIANCE

Each party will comply with all applicable Federal, State and local laws, rules, regulations, and guidelines related to performance under this agreement. In particular, the contractor/vendor/named party verifies and affirms that it is in compliance with 8 U.S.C., Sec. 1324, prohibiting the employment either directly or by contract, subcontract, or exchange of unauthorized aliens in the United States. The County will consider the employment of unauthorized aliens by any contractor/vendor/named party, during the term of the agreement, a violation of the Immigration and Nationality Act. Such violation shall be cause for unilateral cancellation of this agreement by the County.

LIMITATION OF COST

The Bidder agrees to perform the work specified and complete all obligations under the contract within the stated amounts.

NON-APPROPRIATION

All funds for payment by Pasco County under this contract are subject to the availability of an annual appropriation for this purpose by Pasco County. In the event of non-appropriation of funds by Pasco County for the services provided under the contract, Pasco County will terminate the contract, without termination charge or other liability, on the last day of the then- current fiscal year or when the appropriation made for the then-current year for the services covered by this contract is spent, whichever event occurs first. If at any time funds are not appropriated for the continuance of this contract, cancellation shall be accepted by the Bidder on thirty (30) days' prior written notice, but failure to give such notice shall be of no effect, and Pasco County shall not be obligated under this contract beyond the date of termination.

NON-DISCRIMINATION

During the performance of this Agreement, the BIDDER herein assures the COUNTY that said BIDDER is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and The Florida Civil Rights Act of 1992 in that the BIDDER does not on the grounds of race, color, national origin, religion, sex, age, handicap or marital status, discriminate in any form or manner against the employees of the BIDDER or its applicants for employment. The BIDDER understands and agrees that this Agreement is conditioned upon the veracity of this Statement of Assurance. Furthermore, the BIDDER herein assures the COUNTY that said BIDDER shall comply with Title VI of the Civil Rights Act of 1964 when any Federal grant is involved. Other applicable Federal and State laws, executive orders and regulations prohibiting the type of discrimination as hereinabove delineated are included by this reference thereto. This Statement of Assurance shall be interpreted to include Vietnam Era Veterans and Disabled Veterans within its protective range of applicability.

OFFICIAL DOCUMENTS

Pasco County is not responsible for expenses incurred prior to award. Pasco County officially distributes solicitation documents through an electronic solicitation system as noted on our web page at https://www.pascocountyfl.net/480/Do-Business-with-Us. Solicitation documents MUST be downloaded at NO COST using this system. Copies of solicitation documents obtained from other sources are not considered official and should not be relied upon. Pasco County is not responsible for solicitation documents obtained from sources other than the site listed at the link above. Only vendors who properly register and obtain solicitation documents directly from the system listed at the link above will receive addenda and other important information if issued. Vendors are responsible for acquiring knowledge of changes, modifications, or additions to official solicitation documents. Vendors who submit responses and later claim they did not receive complete documents or had no knowledge of any change, modifications, or additions made to the official solicitation documents shall still be bound by the solicitation, including any changes, modifications, or additions to the official solicitation documents. IF YOU OBTAINED A SOLICITATION DOCUMENT FROM A SOURCE OTHER THAN THE SITE LISTED AT THE LINK ABOVE, IT IS REQUIRED THAT YOU REGISTER AS A VENDOR AND DOWNLOAD THE OFFICIAL DOCUMENT AT THE WEBSITED LISTED AT THE LINK ABOVE AT NO COST.

ORAL STATEMENTS

No oral statement of any person shall modify or otherwise affect the terms, conditions, or specifications stated in this contract. All modifications to the contract or purchase order must be made in writing by Pasco County.

PATENTS AND ROYALTIES

The Bidder covenants to save, defend, keep harmless, and indemnify Pasco County and all of its officers, departments, agencies, agents, and employees from and against all claims, loss, damage, injury, fines, penalties, and cost—including court costs and attorney's fees, charges, liability, and exposure, however caused—for or on account of any copyright or patented or unpatented invention, process, or article manufactured or used in the performance of the contract, including its use by Pasco County. If the Bidder uses any design, device, or materials covered by patent or copyright, it is mutually agreed and understood without exception that the contract price includes all royalties or costs arising from the use of such design, device, or materials in any way in the work.

PAYMENT PROCEDURES

The Pasco County Board of County Commissioners will process payments in a timely manner and in accordance with Chapter 218, Part VII, Florida Statutes, (The Local Government Prompt Payment Act).

Several payment options are available to the successful Bidder upon receipt of a correct invoice:

- Check may be mailed to the remit address on the invoice. The check is sent to the Post Office the day after Board of County Commissioners approval.

- Check may be picked up in Dade City. The vendor must pick up the check the day after Board of County Commissioners approval. The successful Bidder or contractor must call (352) 521-4599 for detailed instructions.

- Payment may be wire-transferred to the vendor's bank account. The vendor must call (352) 521-4599 for detailed instructions.

PAYMENT TERMS AND DISCOUNTS

Unless otherwise indicated in the bid documents or required by state law, payment terms will be net forty-five (45) days. Terms not consistent with this provision are not acceptable and may be cause for rejection. Pasco County will pay the vendor within forty-five (45) days after the receipt of a correct invoice for the specified work or goods received. Unless otherwise indicated in the bid documents, only one (1) lump-sum payment will be made.

Discounts for prompt payment requiring payment by Pasco County within a stipulated number of days will be interpreted as applying within the stipulated number of calendar days after the date of receipt by Pasco County of a correct invoice describing reasonable work allocable to the contract or after the date of acceptance of work/goods that meets contract requirements, whichever event occurs later. Discounts for payment in less than forty-five (45) days will not be considered during evaluation for award but may be taken if applicable after award.

PUBLIC INFORMATION

After the County provides notice of an intended decision or thirty (30) days after opening the bids, proposal, or replies, whichever is earlier, any and all information contained therein, is considered public and may be reviewed by any person interested in doing so as provided under Florida Law.

All materials submitted in response to this solicitation ultimately become public record and shall be subject to inspection and copying as provided under Florida's public records laws. Unrestricted disclosure of proprietary information places it in the public domain. Only submittal information clearly identified with the words "Confidential Disclosure" and placed in a separate envelope marked as such shall be considered to qualify as Trade Secret Data. Any material to be treated as Trade Secret Data must include a justification for the request. The request will be reviewed and either approved or denied by the County. If denied, the Bidder shall have the opportunity to withdraw the entire Proposal or to remove the confidential or proprietary restrictions. Neither cost nor pricing information nor the total Proposal shall be considered confidential or proprietary. Any costs to preserve the Trade Secret data designation shall be the responsibility of the Bidder.

PUBLISHED PRODUCT SPECIFICATIONS

The Bidder should submit a copy of the manufacturer's published and advertised specifications, including warranty information, for the product(s) being offered, if applicable. Failure to provide these specifications may be cause for bid rejection. If the County is unable to verify compliance with the specifications, the response may be rejected. The County's inability to verify responsiveness may result in a determination of non-responsiveness and rejection.

PURCHASE ORDER REQUIREMENT

Purchases of Pasco County are authorized only if a signed purchase order issued in advance of the transaction, showing that the ordering agency has sufficient funds available to pay for the service. Vendors providing services without a signed purchase order do so at their own risk. Pasco County will not be liable for payment for any services provided under the contract unless a valid purchase order has been issued to the vendor.

QUALIFICATIONS OF BIDDERS

The Bidder may be required, before the award of any contract, to show to the complete satisfaction of Pasco County that it has the necessary facilities, ability, and financial resources to provide the service specified therein in a satisfactory manner. The Bidder may also be required to give a past history and references in order to satisfy Pasco County in regard to the Bidder's qualifications. Pasco County may make reasonable investigations deemed necessary and proper to determine the ability of the Bidder to perform the work, and the Bidder shall furnish to Pasco County all information for this purpose that may be requested. Pasco County reserves the right to reject any bid if the evidence submitted by, or investigation of, the Bidder fails to satisfy Pasco County that the Bidder is properly qualified to carry out the obligations of the contract and to complete the work described therein. Evaluation of the Bidder's qualifications shall include:

- The ability, capacity, skill, and financial resources to perform the work or provide the service required.
- The ability of the Bidder to perform the work or provide the service promptly or within the time specified, without delay or interference.
- The character, integrity, reputation, judgment, experience, and efficiency of the Bidder.
- The quality of performance of previous contracts or services.

QUALITY OF GOODS

All goods shall be new, in first class condition, and of the manufacturer's latest design of the model presently in production. All materials, supplies, and equipment furnished, or services performed under the terms of this purchase order or contractual agreement shall comply with the requirements and standards specified in the Williams-Steiger Occupational Safety and Health Act of 1970 (Public Law 91-596), as well as other applicable Federal, State, and local codes. Equipment and materials furnished by the Bidder having serious defects, corrosion, or scratches which tend to present an "other than new" appearance shall be promptly replaced or such defects promptly corrected by the Bidder at no cost to Pasco County. Any existing Material Safety Data Sheets (MSDS) for the products, materials, supplies, or equipment being bid must be submitted with the bid. No product containing asbestos, lead paint or polychlorinated biphenyl (PCB) in any form will be considered for award by Pasco County.

RECOVERY OF MONEY

Whenever, under the contract, any sum of money shall be recoverable from or payable by the Bidder to Pasco County, the same amount may be deducted from any sum due the Bidder under the contract or under any other contract between the Bidder and Pasco County. The rights of Pasco County are in addition and without prejudice to any other right Pasco County may have to claim the amount of any loss or damage suffered by Pasco County on account of the acts or omissions of the Bidder.

RIGHT TO AUDIT

The Bidder shall maintain such financial records and other records as they relate to the purchase of goods and/or services by Pasco County from the subject vendor. The Bidder shall retain these records for a period of three (3) years after final payment, or until they are audited by Pasco County, whichever event occurs first. These records shall be made available during the term of the contract and the subsequent three (3) year period for examination, transcription, and audit by Pasco County, its designees, or other authorized bodies.

RISK OF LOSS

Pasco County shall be relieved from all risks of loss or damage to goods during periods of transportation, manufacture, and the entire time the goods are in the possession of Pasco County prior to acceptance by Pasco County. At such time, the risk of loss or damage for goods shall pass to Pasco County. The Bidder shall not be responsible for damage to the goods occasioned by negligence of Pasco County or its employees.

TABULATIONS

Solicitation results (tabulations) will not be given over the telephone or via fax.

TAXES

All bids shall be submitted exclusive of direct Federal, State, and local taxes; however, if the Bidder believes certain taxes are properly payable, he/she may list such taxes separately in each case directly below the respective item bid price. Prices quoted must be in units specified and shall not include the cost of any such taxes, including those on any material, supplies, or equipment used or installed in the work. Pasco County does not pay Federal Excise and Sales Taxes on direct purchases of tangible personal property. See Exemption Number on face of the resulting purchase order. This exemption does not apply to purchases of tangible personal

property made by contractors who use the tangible personal property in the performance of contracts for improvement of County-owned real property. Please refer to Chapter 192, Florida Statutes.

UNSATISFACTORY WORK

If, at any time during the contract term, the service performed or work done by the Bidder is considered by Pasco County to create a condition that threatens the health, safety, or welfare of the community, the Bidder shall, on being notified by Pasco County, immediately correct such deficient service or work. In the event the Bidder fails, after notice, to correct the deficient service or work immediately, Pasco County shall have the right to order the correction of the deficiency by separate contract or with its own resources at the expense of the Bidder. Notwithstanding the above, Pasco County reserves the right to cancel a resulting contract, without cause, by giving thirty (30) days' prior written notice to the Bidder of the intention to cancel.

VENDORS LIST

Bidders must visit https://www.pascocountyfl.net/480/Do-Business-with-Us and follow the link provided to the County's electronic solicitation system to register as a vendor. Once registered, Bidders will have the ability to view and download solicitations for Pasco County as well as other participating government agencies in North America.

WARRANTIES

The Bidder agrees that the supplies and services furnished under this award shall be covered by the most favorable commercial warranties the Bidder gives to any customer for comparable quantities of such supplies or services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the County by any other provision of this award.

END OF GENERAL PROVISIONS

SPECIAL PROVISIONS

In addition to the General Provisions of this solicitation, these Special Provisions, along with the specifications that follow, apply in like force to this solicitation and to any subsequent contract resulting therefrom.

AUDIT COOPERATION REQUIREMENT FOR STATE FUNDED PROJECTS
In those instances where state funding is involved, the selected Bidder, and its subconsultant(s) must agree to cooperate with the inspector general in any investigation, audit, inspection, review, or hearing pursuant Section 20.055 (5), Florida Statutes. By submitting a bid to this solicitation, the Bidder certifies that they understand and will comply with this subsection.

State Funds Involved: N (Y if applicable, N if not applicable)

CONTRACTOR'S PUBLIC RECORDS REQUIREMENTS
The CONTRACTOR shall comply with the requirements of Florida's Public Records Act, Chapter 119, Florida Statutes. To the extent required by Section 119.0701, Florida Statutes, CONTRACTOR shall (a) keep and maintain public records required by the COUNTY to perform the service under the Agreement; (b) upon request from the COUNTY's custodian of public records provide the COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided for under Florida's Public Records law; (c) ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if CONTRACTOR does not transfer the records to the COUNTY; and (d) upon completion of the contract, transfer, at no cost to the COUNTY, all public records in possession of CONTRACTOR. Upon transfer, CONTRACTOR shall destroy any duplicate public records that are exempt or confidential and exempt from public records requirements. All records stored electronically must be provided to the COUNTY in a format that is compatible with the information technology systems of the COUNTY. All documentation produced as part of this Agreement will become the property of the COUNTY. This paragraph shall survive the expiration or termination of this Agreement.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT 727-834-3611 EXT. 1067, FJACKSON@PASCOCOUNTYFL.NET, AND 4454 GRAND BLVD., NEW PORT RICHEY, FL 34652.

Under Florida law, a Contractor who fails to provide the public records to the COUNTY within a reasonable time may be subject to penalties under Section 119.10, Florida Statutes, and such non-compliance will constitute a breach of the Agreement and may serve as grounds for

termination of this Agreement.

LOCAL PREFERENCE

Under Sec. 2-111(a)(1) of Pasco County's Purchasing Ordinance, a business qualifies as "Local Business" if it meets the following requirements and is: a) a vendor, supplier, or contractor who does business in Pasco County by providing goods, services, or construction; and b) maintains a physical business address located within the jurisdictional limits of Pasco County in an area zoned for the conduct of such business; and c) the vendor, supplier or contractor operates or performs business on a daily basis at said location; and d) has so operated or performed business at that location for at least twelve (12) months prior to the Bid or Proposal opening date; and (e) includes a copy of their local business tax receipt with their Bid or Proposal. Post office boxes shall not be used for the purpose of establishing said physical address. The justification for the application of a local preference to a particular Bidder, along with a copy of the Bidder's local business tax receipt, must be included as part of any Bid submitted.

In bidding for, or letting contracts or procurement of goods, services or construction, as described herein, the Board of County Commissioners (BOARD) may give a preference to Local Businesses in making purchases (unless otherwise precluded by the ordinance, state or federal law) as described below:

(i) When written quotations or sealed bids are received that do not exceed $1,000,000.00, and the lowest price is offered by a vendor that is not a Local Business, and the next lowest price is offered by a Local Business, and is within 10% of the lowest price offered, then the Local Business shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the Local Business will be awarded the quotation or bid if the Local Business is otherwise fully qualified and meets all requirements of the solicitation.

(ii) When sealed bids are received that are greater than $1,000,000.00, and the lowest price is offered by a business that is not a Local Business, and the next lowest price is offered by a Local Business, and is within 5% of the lowest price offered, then the Local Business shall be given the opportunity to match the lowest price offered, and if agreement to match the lowest price is reached, the Local Business will be awarded the quotation or bid if the Local Business is otherwise fully qualified and meets all County requirements.

(iii) The total quote or bid price shall include not only the base bid price, but also all alterations to the base bid price resulting from alternates which were both part of the bid and that will be actually purchased or awarded by the BOARD.

If two or more identical quotations or bids are received at the time the written quotations or sealed bids are opened, the award shall be made to the responsive, responsible "Local Business" as defined herein.

The preference established in this section does not prohibit the right of the BOARD to compare quality or fitness for use of supplies, materials, equipment and services proposed for purchase and compare qualifications, character, responsibility and fitness of all persons, firms, or corporations submitting bids or proposals nor prohibit the BOARD from giving any other preference permitted by law in addition to the preference authorized in this section.

This local preference provision is not applicable to those solicitations involving the use of either State or Federal funds as indicated below:

State Funds Involved: N (Y if applicable, N if not applicable)

CONTRACT TERM

The contract period **will begin on October 1, 2024 and continue for three years through September 30, 2027**, subject to the Price Escalation terms described elsewhere herein, unless canceled in writing by Pasco County. The County reserves the right to extend the contract, under the same prices, terms and conditions as in the original contract approved by Pasco County for two additional one-year periods, as found to be in the best interest of the County. All contracts are subject to the appropriation of funds by Pasco County.

COPYRIGHT

The contractor shall irrevocably transfer, assign, set over, and convey to Pasco County all rights, title, and interest, including the sole exclusive and complete copyright interest, in any and all copyrightable works created pursuant to the contract. The contractor further agrees to execute such documents as Pasco County may request to affect such transfer or assignment. Further, the contractor agrees that the rights granted to Pasco County by this paragraph are irrevocable. The contractor's remedy in the event of termination of or dispute over any agreement entered into as a result of this Invitation for Bid shall not include any right to rescind, terminate, or otherwise revoke or invalidate in any way the rights conferred pursuant to the provisions of this paragraph. Similarly, no termination of any agreement entered into as result of this Invitation for Bid shall have the effect of rescinding, termination, or otherwise invalidating the rights acquired pursuant to the provisions of this paragraph.

COST REIMBURSEMENT

Unless an alternative cost methodology is specified herein, the contractor agrees that payment by Pasco County to the contractor for materials used in the performance of any work under the contract on a cost plus a percentage of cost basis is specifically prohibited. The cost of all materials provided in the performance of the work is to be reimbursed to the contractor in the following manner: Pasco County shall reimburse the contractor, on completion and acceptance of each assigned job, only for those materials, equipment parts, supplies, rentals, services, etc., actually used in the performance of the work that are supported by invoices issued by the suppliers of the contractor describing the quantity and cost of the materials purchased. No surcharges shall be added to the suppliers' invoices or included in the contractor's invoice submitted to Pasco County that would increase the dollar mount indicated on the suppliers'

invoices for the materials purchased for the assigned job. All incidental costs, including allowances for profit and tools of the trade, must be included in the contract hourly labor rates.

ECONOMIC PRICE ADJUSTMENT

Any reference in the solicitation to *economic price adjustment* or *price escalation* shall be considered to mean price decreases as well as increases, unless otherwise stipulated.

Bids will be evaluated on the basis of the prices bid without consideration of the allowable escalation. If a bidder increased the ceiling stipulated in the Invitation for Bid or places limits on the provisions of the Invitation for Bid that allow prices to drop in accordance with the movement of the escalator, the bid will be rejected as nonresponsive.

If a bidder deletes the price escalation clause from its bid, the bid will be rejected as non-responsive. If a bidder lowers the ceiling stipulated in the Invitation for Bid, the bid will be evaluated at the base price in the same manner as those bids that do not reduce the stipulated ceiling. If the bidder offering a lower ceiling ultimately receives the award, that ceiling will be incorporated into the contract documents.

PRICE ADJUSTMENTS BASED ON THE CONSUMER PRICE INDEX (CPI)

Unit prices in contracts that are longer than twelve (12) months and include provisions for price adjustments based on movement in the Consumer Price Index (CPI) may be adjusted bi-annually. The unit prices may be adjusted based on the movement of the of the U.S. Department of Labor's Consumer Price Index for All Urban Consumers (CPI-U) (1982-84=100), as posted at http://www.bls.gov/cpi/. The baseline index will be the month and year in which the contract began. The adjustments will not be cumulative and will be computed using the original contract unit prices. Adjustments may be requested no earlier than 180 days after the contract start date. Adjustments shall be computed using the latest CPI-U that is published and available on the date the County receives the adjustment request in writing. The unit price(s) changed as a result of these adjustments shall become effective on the first (1st) day of the next month, provided the request is submitted at least fifteen (15) days prior. If later than fifteen (15) days prior, the adjustment will become effective on the first (1st) day of the following month. Adjustments may be requested every 180 days thereafter for the term of the contract. Adjustments will not be retroactive or prorated. The County reserves the right to also request adjustments, following the first adjustment and at the same interval, especially if the CPI decreases and it is deemed to be in the County's best interest.

INSURANCE REQUIREMENTS

The insurance required must be written by an insurer authorized to do business in the State of Florida and also have an "A" policyholder's rating and a financial rating of at least Class VIII in accordance with the most current *Best's Key Rating Guide*. Prior to the time the contractor is entitled to commence any part of the project, work, or services under this contract, the contractor shall procure, pay for, and maintain at least the following insurance coverages and limits. Policies of insurance required by the contract shall be primary insurance and non-contributory with respect to the County, its officials, agents, or employees. The said insurance

shall be evidenced by delivery to Pasco County of 1) Certificates of Insurance executed by the insurers listing coverages and limits, expiration dates and terms of policies and all endorsements whether or not required by Pasco County and listing all carriers issuing the said policies; and 2) upon request, a certified copy of each policy, including all endorsements. The insurance requirements shall remain in effect throughout the term of this contract.

1. Workers' Compensation in at least the limits as required by law; Employers' Liability Insurance of not less than One Hundred Thousand and 00/100 Dollars ($100,000.00) for each accident. The contractor agrees to waive its right of subrogation as part of this coverage.

2. Comprehensive General Liability Insurance including, but not limited to, Independent, Contractor, Contractual, Premises/Operations, Products/Completed Operation and Personal Injury covering the liability assumed under indemnification provisions of this contract, with limits of liability for personal injury and/or bodily injury, including death, of not less than Two Million and 00/100 Dollars ($2,000,000.00), each occurrence; and property damage of not less than One Million and 00/100 Dollars ($1,000,000.00), each occurrence. (Combined single limits of not less than Two Million and 00/100 Dollars [$2,000,000.00], each occurrence, will be acceptable unless otherwise stated.) Coverage shall be on an "occurrence" basis, and the policy shall include Broad Form Property Damage coverage and Fire Legal Liability of not less than Fifty Thousand and 00/100 Dollars ($50,000.00) per occurrence, unless otherwise stated by exception herein.

3. Comprehensive Automobile and Truck liability covering owned, hired, and nonowned vehicles with combined single limits of not less than One Million and 00/100 Dollars ($1,000,000.00), each occurrence. Coverage shall be on an "occurrence" basis, such insurance to include coverage for loading and unloading hazards.

Each insurance policy shall include the following conditions by endorsement to the policy:

1. Each policy shall require that thirty (30) days prior to expiration, cancellation, nonrenewal, or any material change in coverages or limits, a notice thereof shall be given to Pasco County by certified mail to: Pasco County Risk Management Department, 7536 State Street, Suite 111, New Port Richey, Florida 34654. The contractor shall also notify Pasco County, in a like manner, within twenty-four (24) hours after receipt, of any notices of expiration, cancellation, nonrenewal, or material change in coverage received by the said contractor from its insurer; and nothing contained herein shall absolve the contractor of this requirement to provide notice.

2. Companies issuing the insurance policy, or policies, shall have no recourse against Pasco County for payment of premiums or assessments for any deductibles that all are at the sole responsibility and risk of the contractor.

3. The term "County" or "Pasco County" shall include all Authorities, Boards, Bureaus, Commissions, Divisions, Departments, and Offices of County and individual members, employees thereof in their official capacities, and/or while acting on behalf of Pasco County.

4. Pasco County shall be endorsed to the required policy or policies as an additional insured, with the exception of Worker's Compensation and Professional Liability, if applicable.

5. Pasco County shall also be listed as a certificate holder.

6. The policy clause "Other Insurance" shall not apply to any insurance coverage currently held by Pasco County to any such future coverage, or to Pasco County's self-insured retentions of whatever nature.

MOTOR VEHICLE INDUSTRY LICENSING

The contractor shall comply with Chapter 320, Florida Statutes. Failure to comply may result in a determination of no responsibility on the basis that the bidder is not qualified to legally contract with Pasco County and may further cause such noncompliant offers to be rejected.

REPORT STANDARDS

Reports or written material prepared by the contractor in response to the requirements of this contract shall be thoroughly researched for accuracy of content, shall be grammatically correct and not contain spelling errors, shall be submitted in a format approved in advance by the Purchasing Department, and shall be submitted in draft form for advance review and comment by the Purchasing Department. The cost of correcting grammatical errors, correcting report data, or other revisions required to bring the report or written material into compliance with the contract requirements shall be borne by the contractor.

REQUIREMENTS CONTRACT

During the period of the contract, the contractor shall provide all the services described in the contract. The contractor understands and agrees this is a requirements contract and Pasco County shall have no obligation to the contractor if no services are required. Any quantities that are included in the scope of work reflect the current expectations of Pasco County for the period of the contract. The amount is only an estimate, and the contractor understands and agrees Pasco County is under no obligation to the contractor to buy any amount of the services as a result of having provided this estimate or of having any typical or measurable requirement in the past. The contractor further understands and agrees Pasco County may require services in an amount less than or in excess of the estimated annual contract amount, and the quantity actually used, whether in excess of the estimate or less than the estimate, shall not give rise to any claim for compensation other than the total of the unit prices in the contract for the quantity actually used.

SALES TAX
Pasco County, as a governmental entity, is exempt from sales tax under Florida Law. A copy of the County's tax-exempt certificate or number will be provided at the time a purchase order is issued.

TRAFFIC CONTROL
The contractor shall conduct its operations in a manner that will not interrupt pedestrian or vehicle traffic except as approved by Pasco County. The work area shall be confined to the smallest area possible to allow maximum use of the street or sidewalk and to reduce any hazard to traffic or pedestrians to a minimum. At all times, the contractor shall use workers and traffic control signs and devices necessary to comply with all applicable Federal, State, and local laws, rules, and regulations. In addition to signs and devices, when the street is obstructed to any extent by contract operations, special workers equipped with flags shall be designated by the contractor to direct vehicle and pedestrian traffic. The workers so designated shall not be assigned to any other duties while engaged in directing traffic. All personnel, signs, barricades, and any other items or devices necessary for the maintenance of traffic and safety shall be provided by the contractor. No separate payment shall be made by Pasco County for this work. All cost of this work is included by the contractor as part of the contract price. The plan for traffic control shall be as directed by Pasco County. A Right-of-Way Use Permit shall be obtained from Pasco County prior to the commencement of any work in such a right-of-way. The cost for securing such permits shall be included in the Bid.

TRANSPORTATION AND PACKING
Prices quoted shall be net, including transportation and delivery charges fully prepaid by the seller, f.o.b. **throughout Pasco County, FL**. No additional charges will be allowed for packing, packages, or partial delivery costs. By submitting their bids, all bidders certify and warrant that the price offered for f.o.b. destination includes only the actual freight rate costs at the lowest and best rate and is based upon actual weight of the goods to be shipped. Standard commercial packaging, packing, and shipping containers shall be used, except as otherwise specified herein.

VENDOR'S EQUIPMENT
Responding vendors must submit a list of owned equipment and major tools, and a list of current employees and respective skill level or discipline. Pasco County, at its sole discretion, reserves the right to award this work to vendors who are able to demonstrate current ownership and possession of the equipment, tools, and personnel deemed reasonably sufficient to perform the specified work at the lowest possible cost.

It is Pasco County's intent to award this work to a vendor at the lowest possible cost, while securing sufficient quality of services. Preference may be given to those vendors who own and possess the necessary tools, equipment, and services to minimize reimbursement costs associated with rentals and purchases from third parties.

AS SPECIFIED
All items delivered must meet the specifications herein. Items delivered not as specified will be returned at no expense by the County. The County may return, for full credit, any unused items received which fail to meet the County's performance standards. Replacement items meeting specifications must be submitted within a reasonable time after rejection of the non-conforming items.

QUANTITIES
The Pasco County Board of County Commissioners shall not be required to purchase any minimum or maximum quantities during the term of any award resulting from this specification.

ADDITION/DELETION
The Pasco County Board of County Commissioners reserves the right to add or delete any item from this bid or resulting award when deemed to be in the best interest of the Board.

END OF SPECIAL PROVISIONS

SPECIFICATIONS

AS NEEDED LANDSCAPE MAINTENANCE SERVICES (PUBLIC INFRASTRUCTURE)

1. INTRODUCTION

1.1 The purpose of this solicitation is to award a contract for landscape and grounds maintenance services (Public Infrastructure) at various facilities and properties located throughout Pasco County (The County).

2. MINIMUM QUALIFICATIONS

2.1 Vendor Qualifications

2.1.1 Vendor must have been in business for landscaping and grounds maintenance services for a minimum of three (3) years.

2.1.2 Vendor must have held at least two (2) contracts similar in size and nature.

2.2 The County reserves the right to request information necessary to determine the ability of the Vendor(s) to perform the work, to include references.

3. MINIMUM REQUIREMENTS

3.1 Vendor is responsible for the visual appearance of the grounds as well as the health and condition of the following, including but not limited to:

- Ground cover
- Lawn
- Turf

3.2 The locations will include, but are not limited to:

- Arterial Collector Roads
- Medians
- Stormwater Ponds
- Stormwater Ditches
- Rights of Way
- Municipal Service Benefit Unit (MSBU) And Municipal Service Taxing Unit (MSTU)

3.3 The County reserves the right to award this contract to multiple vendors.

3.4 The County reserves the right to vary the frequency of service throughout the term of this contract.

3.5 The County reserves the right to add and delete site locations (**Attachment A – County Locations**) throughout the term of this contract.

3.6 Vendors must provide Safety Data Sheets (SDS) for all chemicals used on all Pasco County properties.

3.7 Vendors must comply with all landscaping practices, equipment and materials and accepted industry and Occupational Safety and Health Administration (OSHA) safety standards, including "right-to-know" (hazard communication regulations) as well as applicable local, State, and federal regulations and statutes relating to the use of pesticides, fertilizers, run-off, or watering restrictions throughout the term of this contract.

3.8 Vendors are responsible for all costs associated with obtaining and maintaining all certificates and licenses issued by the Florida Department of Agriculture and Consumer Services for all pesticides, herbicides, or fertilizer applicator to be used in conjunction with this contract.

3.9 Pricing must include all labor, tools, materials, equipment needed to complete all services, and insurance costs to complete required landscape services as described herein.

4. SCOPE OF SERVICES (**Attachment A – COUNTY LOCATIONS**)

4.1 Landscape maintenance services will include, but not limited to:

- Mowing
- Trimming
- Edging of turf and lawn areas
- Maintenance of ground covers

4.2 Ground maintenance services will include, but not be limited to:

- Application of fertilizers, herbicides, and pesticides
- Watering
- Weeding
- Dead heading
- Replacement planting (Prior approval needed by the County Representative (PCR). Any costs associated with additional services must be agreed on by the PCR and the vendors in writing before such service is rendered.
- Loose trash removal
- Disposal of leaves

4.3 The County may require the Vendor(s) to perform additional, unscheduled services at County sites over and above the estimated frequencies listed in this solicitation.

4.3.1 Such additional services will be performed at the prices quoted on the Vendor's submitted Bid Form.

4.3.2 Additional work identified outside the scope of the resulting contract must be authorized in advance and in writing by the County.

4.3.3 The Vendor(s) will provide pricing to the County for the additional work when the work is identified.

4.3.4 No work will begin until authorized by the County and a County Purchase Order number is provided.

4.4 The vendor is responsible for all costs and labor needed to promptly remove all landscape debris and material from the County sites upon completion of work.

4.5 The vendors must accomplish all work during the County's normal working hours, between 8:00 a. m. and 5:00 p. m., Monday – Friday, excluding County holidays.

4.5.1 Work outside these hours must be coordinated with the specific County's Department POC prior to the start of work.

4.6 The principal PCR for each County Department responsible for landscape maintenance will be identified at the start of the contract.

4.7 Vendor(s) must provide the County with a weekly mowing schedule at the start of each week.

5. TRAFFIC CONTROL

5.1 The vendors must provide all personnel, signs, barricades, and any other items or devices necessary for the maintenance of traffic and safety, at no additional cost to the County.

5.2 The vendors must conduct operations in a manner that will not interrupt pedestrian or vehicle traffic, except with prior approval by the County.

5.3 The work area must be confined to the smallest area possible to allow maximum use of the street or sidewalk and to reduce any hazard to traffic or pedestrians to a minimum.

5.4 The vendors must use workers and traffic control signs and devices necessary to comply with all applicable Federal, State, and local laws, rules, and regulations, at all times.

5.5 Maintenance of Traffic (MOT)

5.5.1 All MOT work shall be in accordance with FDOT Standard Plans Index 102.

5.5.2 When the street is obstructed to any extent by contract operations, special workers equipped with flags shall be designated by the vendors to direct vehicle and pedestrian traffic, in addition to any necessary signs and devices.

5.5.3 Workers assigned to this task will not perform any other duties while engaged in directing traffic.

6. SERVICE CATEGORIES

6.1 Turf and Rights of Way Areas:

Services will consist of, but not be limited to:

- Turf mowing
- Blowing
- Trash pickup
- Fertilizing
- Weed control
- Edging
- Line trimming
- Pavement weed control in turf and lawn areas
- Rough mowing/bush hog mowing

6.2 Stormwater ponds and ditches:

Services will consist of, but not be limited to the following:

- Mowing
- Slope mowing
- Fertilization
- Insect control
- Edge trimming
- Line trimming
- Slope trimming
- Blowing
- Pavement weed control

7. PERFORMANCE REQUIREMENTS (ARTERIAL AND COLLECTOR ROADS, TURF, RIGHTS OF WAY, MSBU, MSTU, STORMWATER PONDS AND DITCHES)

7.1 Mowing, Edging and Trimming:

7.1.1 Mowing height will be according to grass type and variety (see Table 1).

7.1.2 Vendor(s) may leave clippings on the lawn if no readily visible clumps remain on the grass surface thirty-six (36) hours after mowing

- Vendors must distribute large clumps of clippings by mechanical blowing or by collection and removal.
- In the case of fungal disease outbreaks, vendors must collect clippings until the disease is undetectable.

Table 1: Mowing Height Recommendation: The heights listed are the suggested lengths of the grass blade after mowing. The depth of thatch (if it exists) should not be included in this measurement.

Type Turf Grass	Mowing Height
Bahia Grass and St. Augustine Grass varieties (Raleigh, Floratam, Floralawn, Bitterblue, Floratine, FX 10)	3.5 - 4.0"
Semi-dwarf St. Augustine varieties (Seville, Del Mar, Jade, Palmetto)	1.5 - 2.5"

Bermuda Grass (Hybrids)	.75 - 1.5"
Bermuda Grass (Common)	1.5"
Centipede Grass	1.5 - 2.0"
Zoysia Grass	1.0 - 3.0"

7.1.3 Vendor(s) will edge tree rings and plant beds and all building, sidewalks, driveways, parking lots, and other surfaced areas bordered by grass with every mowing. All edging gaps shall be crisp with no gaps greater than three eights of an inch (3/8”).

7.1.4 Turf around sprinkler heads will be trimmed to not interfere with or intercept water output.

7.1.5 Mowing and trimming of lawn areas around isolated trees and shrubs require a minimum distance of 2-foot diameter to avoid bark injury from mowers and filament line trimmers and to reduce root competition from grass.

7.1.6 Vendor(s) will clean all clippings from sidewalks, curbs, and roadways immediately after mowing and/or edging.

7.1.7 All hard surface edging gaps shall be free of clippings and excess dirt.

7.1.8 Vendors must not sweep, blow, or otherwise dispose of clippings in sewer drains or in plant beds or mulched areas.

7.1.9 The County expects all grass to be uniform with no splotches.

7.2 Rough Mowing/Bush Hog Mowing:

7.2.1 Vendor(s) will bush hog/mow locations as listed herein.

7.2.2 All grass areas will be bush hog/mowed as often as necessary to meet seasonal requirements directed by temperature and weather conditions.

7.2.3 Grass should be bush hog/mowed at a mowing height of not less than three inches (3”).

7.2.4 All grass clippings should be left on the grass to recycle nutrients and reduce the amount of solid waste generated on site.

7.3 Weed Control:

7.3.1 Vendors are responsible for weed control of all landscape beds during each visit.

7.3.2 Beds are to be kept weed free by chemical, manual or mechanical means for plant health and aesthetics.

7.3.3 Vendors are responsible for pavement weed control.

7.3.4 The County may request additional weed control services at any location, at no additional cost to the County

7.3.5 The Vendor(s) must provide a detailed invasive species maintenance/control plan, upon request.

7.4 Pest Control:

7.4.1 The vendors are responsible for inspecting lawn areas during each visit for indications of pest problems and advise the County POC of such problems.

7.4.2 Upon identification of a specific problem requiring treatment, the vendors must apply pesticides as needed and only in affected spots, using the least toxic, effective pesticide possible.

7.4.3 No pesticide (including weed and feed formulations) will be applied to turf areas without the express approval of the County POC.

- Vendors are responsible for keeping records on pests identified and treatment(s) rendered for control.

7.4.4 Pesticide applications must be made in accordance with the rules and regulations governing use of pesticides in Florida.

7.4.5 Vendors must post alerts and notify pesticide-sensitive persons (if applicable) of the pesticide application at no additional cost to the County.

7.4.6 Vendors must practice Integrated Pest Management (IPM) to control insects, diseases, and weeds on and around perennials, ground covers, shrubs, vines, and trees.

- This must include frequent monitoring and spot treatment as necessary using the least toxic methods.

7.4.7 Upon County approval, herbicides may be employed for heavy weed infestations.

7.5 Fertilization:

7.5.1 Vendor(s) will fertilize turf areas as per the maintenance specifications, Tables 2 through 6.

7.5.2 Complete fertilizers must be granular in composition and contain 30% to 50% or more of the nitrogen in a slow or controlled-release form.

7.5.3 Fertilizer must also contain magnesium and micro-nutrients (examples: manganese, iron, zinc, copper, etc.)
7.5.3.1 Iron must be in the sulfate, sucrate, or chelated form

7.5.4 The ratio of nitrogen to potash will approximate 1:1 or 2:1 for complete fertilizer formulations (examples: 15-5-15, 16-4-8, 15-0-15, 12-2-14, 14-3-14).
7.5.4.1 Nitrogen fertilization is based on desired growth rate and type of turf grass being grown.

7.5.4.2 Phosphorus fertilization rate is based on the analysis of a lawn soil sample and the recommendations obtained from said lawn soil sample.

7.5.5 Fertilizer will be swept off walks and drives onto lawns or beds.

7.5.6 After fertilization, a minimum of one quarter (1/4) inch of water will be applied by the Vendors.

7.5.7 All applications of pesticides and fertilizations must be performed when wind drift is negligible.

7.5.8 No fertilization will be allowed in summer as per local water regulations.

7.5.9 Vendors will provide the County with a fertilizer information sheet for approval, prior to application.

8. STAFFING REQUIREMENTS

8.1 Cost overruns are to be absorbed by the Vendor(s) when additional personnel or equipment are required to meet requirements of the resulting contract

8.2 The term "on-site supervisor" will be a person designated to be at the work site, and act as the Vendor's Point of Contact (POC) for the County.

8.3 Phone numbers for the on-site supervisor will be provided to the County. Upon execution of the contract. Vendor is responsible for updating the County immediately if this information changes.

8.4 Personnel shall wear appropriate uniforms and always carry photo identification while performing services under this contract.

8.5 Personnel will be courteous and professional, and supervisors will always be responsible for employee conduct while performing services under this contract.

9. INSPECTION PROGRAM

9.1 Vendors are responsible for establishing an inspection program to assure the requirements, intent and standards of the Contract are met.

9.2 This program must be submitted to the POC prior to the start of work. The County reserves the right to approve or reject the proposed program.

9.3 The program must include, but not be limited to:

- Weekly inspection schedules
- Checklist for each area covered by this contract

9.4 Vendors and the County will jointly develop inspection forms.

9.5 The County will conduct weekly spot inspections of all areas covered by this contract.

9.6 Damages or hazardous conditions observed which affect the appearance, condition or safety of the grounds will be noted during inspections.

9.7 Any identified deficiencies will be incorporated in the weekly inspection reports provided to the County by the vendors.

10. WARRANTY AND DAMAGES

10.1 Vendors are responsible for all damage or personal injury resulting from its operations, including, but not limited to:

- Damage to plants
- Turf
- Irrigation systems
- Buildings
- Structures

10.2 Any damage or personal injury will be reported immediately to the POC.

10.3 Plants and turf must be maintained in a healthy condition.

10.4 Newly installed material must be warranted for at least one (1) year.

10.5 Damage discovered during the course of work will be reported to the POC on the day the damage is discovered.

10.6 The vendors must complete warranty and damage repair within five (5) working days of discovery or occurrence, whichever is applicable.

10.7 Should the vendor fail to perform damage repair or warranty work as scheduled, and to a standard acceptable by the County, the County will procure services from another vendor. These costs will be the responsibility of the vendor.

10.8 Vendor will be responsible for any costs (from neglect damage or personal injury) determined to be caused by the vendor.

10.9 Current copies of licenses and training certifications shall be provided at the County's request at any time during the contract period.

10.10 Personnel must wear appropriate uniforms, carry photo identification, and always present a neat and professional image.

11. WORK OUTSIDE SCOPE OF WORK

11.1 Additional work identified outside the scope of this contract must be authorized in advance and in writing by the County.

11.2 The vendors must provide a price for any additional work identified prior to commencement.

11.3 No work will begin until a County Purchase Order or Encumbered Contract number is provided.

OFFEROR INFORMATION/CERTIFICATION FORM

This form MUST BE:

- **INCLUDED DOWLOADED, COMPLETED AND UPLOADED INTO BONFIRE WITH OFFEROR'S SUBMISSION**

- **FULLY executed with original authorized signature and TWO witness signatures**

1. "We offer to sell/provide Pasco County, Florida, the above item(s) and/or service(s) at the price(s) stated, in accordance with the terms and conditions contained herein. In addition, the item(s) and/or service(s) offered above meet all specifications contained herein or attached, unless otherwise stipulated by exception. This offer to sell/provide is firm for ninety (90) days."

MUST BE SIGNED BY THE PRESIDENT OF THE CORPORATION, OR A MEMBER OF A MEMBER-MANAGED LIMITED LIABILITY COMPANY, OR THE MANAGER OF A MANAGER-MANAGED LIMITED LIABILITY COMPANY; OR INCLUDE WRITTEN PROOF THAT THE INDIVIDUAL SIGNING HAS THE AUTHORITY TO OBLIGATE THE FIRM.

OFFEROR MUST BE REGISTERED ON SUNBIZ (http://www.sunbiz.org/index.html), FLORIDA DEPARTMENT OF STATE DIVISION OF CORPORATIONS.

2. Legal Name of Offeror. Indicate if the Offeror is a Corporation, Joint Venture, Partnership, etc.:

_____

(This name must match the name on your current W9 Form. The W9 will be requested at the time of award.)

3. Name/title of contact person for the Offeror:_____

4. Business and mailing address:_____(If claiming Local Vendor Preference, a valid Local Business Tax Receipt must be provided at the time the response is submitted in order to qualify for such consideration)

5. Primary business and mailing address (if different): _____

6. Telephone number: (_)_____Fax: (__)_____

   Email Address: _____

The above-named Offeror affirms and declares:

A. That the Offeror understands all requirements of this request and states that as a serious Offeror they will comply with all the stipulations included in this request.

B. That the Offeror is of lawful age and that no other person, firm or corporation has any interest in this Proposal or in the contract proposed to be entered into except as expressly stated below:

C. That this proposal is made without any understanding, agreement, or connection with any other person, firm or corporation making a proposal for the same purpose, and is in all respects fair and without collusion or fraud except as expressly stated below:

D. That the Offeror is not in arrears to the Pasco County Board of County Commissioners upon debt or contract and is not a defaulter, as surety or otherwise, upon any obligation to the Pasco County Board of County Commissioners except as expressly stated below:

E. That the Offeror is in compliance with Section 448.095(2), Florida Statutes, requiring Contractor and its Subcontractors to register with and utilize the U.S. Department of Homeland Security's E-Verify program to verify the work authorization status of all newly hired employees and acknowledges that it will be required to maintain such compliance throughout the term of any Contract entered between the parties. The Offeror also confirms that no public employer has terminated a contract with the Offeror for failure to comply with Section 448.095(2), Florida Statutes, within the 12 months preceding the date this Certification Form is signed by the Offeror.

F. That no officer or employee or person whose salary is payable in whole or in part from the County is, will be or become interested, directly, or indirectly, surety or otherwise in this response; in the performance of the resulting contract; in the purchase of supplies, materials, equipment, work and/or labor to which they relate; or in any portion of the profits thereof.

G. That the Offeror has received and carefully examined all Addenda issued prior to uploading its Response and its Response will be in accordance with all Addenda prior to Response Opening.

H. That by submitting a response, the Offeror certifies that it is not currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the State of Florida and that it is not an agent of a person or entity that is currently debarred from submitting proposals for contracts issued by any subdivision or agency of the State of Florida.

I. That pursuant to Section 287.087, Florida Statutes, Offerors understands that they <u>may</u> certify in their response that they have implemented a drug free workplace program. If two or more responses are deemed equal, preference will be given in the award process to the Offeror who has furnished such certification with their response.

J. If claiming Local Vendor Preference, the Offeror certifies that they satisfy each of the following criteria at the time of their submission of a response to the solicitation necessary to qualify as a "Local Business": a) a vendor, supplier, or contractor who does business in Pasco County by providing goods, services, or construction; and b) maintains a physical business address located within the jurisdictional limits of Pasco County in an area zoned for the conduct of such business; and c) which the vendor, supplier or contractor operates or performs business on a daily basis; and d) has for at least twelve (12) months prior to the bid or proposal opening date;

and (e) a copy of their local business tax receipt or qualifies as a business in a neighboring county as listed in the County's Purchasing Ordinance. Post office boxes shall not be used for the purpose of establishing said physical address.

Please put an "X" in the applicable box or mark N/A
_____Local Business located in Pasco County
_____Business located within Hillsborough, Pinellas, Polk, or Hernando County

This local preference provision is not applicable to those solicitations involving the use of either State or Federal funds as indicated below:

State/Federal Funds Involved: N (Y if applicable, N if not applicable)

Note: If claiming Local Vendor Preference, a valid Local Business Tax Receipt must be provided at the time the response is submitted in order to qualify for such consideration.

K. By signing this Certification, I represent that I am of lawful age and have the authority to bind the Offeror for contract purposes. **If someone other than the President of the corporation, or a member of a member-managed limited liability company, or the manager of a manager managed limited liability company, then one of the following must be submitted with this Certification**:

1. If Offeror is a corporation (includes incorporated or company, or abbreviations thereof, in its name), and if other than the President of the corporation is signing this Certification, then one of the following must be submitted with this Certification:

   a. a current corporate resolution naming the officer or person signing this Certificate as authorized to sign contracts on behalf of the company or,

   b. a copy of the Board of Directors' resolution or meeting minutes designating the officer or person signing this Certificate as authorized to sign contracts for the corporation, certified by the secretary of the corporation.

2. If Offeror is a limited liability company, then the following must be submitted with this Certification: a copy of the Operating Agreement of the limited liability company showing that that person signing this Certificate is authorized to sign contracts for the limited liability company.

L. Attached to this response is a copy of the Certificate of Status from the Florida Secretary of State, Division of Corporations, which can be downloaded from https://dos.myflorida.com/sunbiz/search/.

M. Exceptions to any Contract Provisions and Miscellaneous Declarations (attach additional sheets, if necessary):

SAMPLE AGREEMENT

THIS AGREEMENT is entered by and between **PASCO COUNTY, FLORIDA,** by and through its Board of County Commissioners (hereinafter called "Owner") and _____ _____ (hereinafter called "Contractor").

WITNESSETH:

WHEREAS, Owner desires to retain Contractor to provide _____ _____**;** and

WHEREAS, Owner has selected Contractor in accordance with competitive bidding procedures; and

WHEREAS, Contractor agrees to serve as Owner's Contractor for _____ _____**,** based upon the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises set forth hereinabove, and of the mutual promises hereinafter set forth, the sufficiency and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

ARTICLE 1 - WORK

Contractor will _____

ARTICLE 2 – OWNER'S REPRESENTATIVE

The Project is administered by:

Public Infrastructure
Pasco County Utilities Department

Who is to act as Owner's representative, assume all duties and responsibilities, and have the rights and authority assigned to Owner's representative in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE 3 - CONTRACT TIME

3.1 Except as otherwise specified herein, **the Agreement shall remain in full force and effect from _____,**

SAMPLE

subject to the Price Escalation terms described elsewhere herein, unless cancelled in writing by Pasco County. The County reserves the right to extend the contract, under the same prices, terms and conditions as in the original contract approved by Pasco County for two additional one-year periods, as found to be in the best interest of the County. All contracts are subject to the appropriation of funds by Pasco County.

3.2 Liquidated Damages. The Contractor agrees that should the Contractor fail to complete the work as specified in any work as directed by the County, the Contractor shall pay the Owner for delay and loss of use, and not as a penalty but as liquidated damages, the sum of One Hundred Dollars and 00/100 ($100.00) for each calendar day after the date of completion. Default days will be counted in calendar days, excluding Sundays and legal holidays.

ARTICLE 4 - CONTRACT PRICE

4.1 The Owner shall pay the Contractor for completion of the Work in current funds and in accordance with the Contract Documents subject to the Not to Exceed annual amount of $_____, provided however, the Owner may increase this amount via unilateral Change Order.

4.2 All incidental costs, including allowances for profit and tools of the trade, must be included in the Contract bid prices.

ARTICLE 5 - CONFLICTS

5.1 To the extent there is a conflict regarding indemnification and contract term between the Instructions to bidders and this Agreement, the provisions of this Agreement will control.

ARTICLE 6 - TERMINATION OF AGREEMENT

6.1 In return for good and valuable consideration in the amount of $100.00, the receipt of which is acknowledged by the Contractor, Owner may terminate or cancel this Agreement at its discretion and termination will be effective, with cause immediately or without cause after 30 days, after written notice has been provided to the Contractor.

6.2 Following termination, Owner shall make a settlement with the Contractor upon a pro rata basis as determined by Owner, which will fix the value of the Services performed by the Contractor prior to the termination or cancellation of this Agreement.

ARTICLE 7 - CONTRACTOR'S REPRESENTATIONS

In order to induce Owner to enter into this Agreement, Contractor makes the following representations:

SAMPLE

7.1 Contractor has familiarized itself with the nature and extent of the Contract Documents, Work, site, locality, and all local conditions and Laws and Regulations that in any manner may affect cost, progress, performance, or furnishing of the Work.

7.2 Contractor understands the estimate of quantities of the various items of work and materials, if set forth in the Proposal Form, is approximate only and is given solely to be used as a uniform basis for the comparison of Proposals. The quantities actually required to complete the work may be less or more than so estimated, and, if awarded a contract for the work specified, the Contractor agrees that he will not make any claim for damages or for loss of profits or for an extension of time because of a difference between the quantities of the various classes of work assumed for comparison of Proposals and quantities of work actually performed. The Owner further reserves the right to vary the quantities in any amount.

ARTICLE 8 - CONTRACT DOCUMENTS

The Contract Documents, which comprise the entire Agreement between Owner and Contractor concerning the Work, consist of the following:

8.1 This Agreement.

8.2 Invitation to Bid.

8.3 Instructions to Bidders.

8.4 Conditions of Contract.

8.5 Proposal and Bid Forms.

8.6 Insurance Certificates.

8.7 Contract Forms

8.8 Specifications.

8.9 Exhibits.

8.10 Addenda numbers ____ to ___ inclusive.

8.11 Documents submitted by Contractor prior to Notice of Award (Pages _____ to _____ inclusive).

SAMPLE

8.12 The following, which may be delivered or issued after the Effective Date of the Agreement and are not attached hereto: All written WORK ORDERS or authorizations; all written amendments; and all other documents amending, modifying, or supplementing the Contract Documents.

There are no Contract Documents other than those listed above in this Article 8. The Contract Documents may only be amended, modified, or supplemented as provided in the Conditions of Contract section of the Contract Documents.

ARTICLE 9 - SUBCONTRACTORS

The Contractor shall not sublet, assign, or transfer any Goods and/or Services specifically set forth under this Agreement without the prior written consent of Owner. All persons used by the Contractor for fulfilling the requirements of this Agreement must be employees of the Contractor.

ARTICLE 10 – INDEMNIFICATION

10.1 The CONTRACTOR shall indemnify and hold harmless the COUNTY and the employees and agents of the COUNTY from, and against, all liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, arising out of, or resulting from, the performance of the Work, provided that any such liability, claim, suit, demand, damage, loss, or expense: (a) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom; and (b) to the extent caused by an act or omission of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable.

10.2 In any and all claims against the COUNTY, or against any of the agents or employees of the COUNTY, by any employee of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph will not be limited in any way as to the amount or type of damages, compensation, or benefits payable by or for the CONTRACTOR or any SUBCONTRACTOR under workmen's compensation acts, disability benefit acts, or other employee benefit acts.

10.3 The CONTRACTOR shall indemnify and hold harmless the COUNTY and anyone directly or indirectly employed by the COUNTY from and against all claims, suits, demands, damages, losses, and expenses including, but not limited to, attorneys' fees, arising out of any infringement of patent rights, copyrights, trademarks, trade dress, or other intellectual property rights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

SAMPLE

10.4 The CONTRACTOR shall, at the option of the COUNTY, underwrite on an interim basis all expenses associated with the legal defense of the COUNTY, pending the outcome of any litigation through appeal, with respect to any liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, for which the CONTRACTOR may be liable to the COUNTY, in whole or in part, pursuant to 10.1 – 10.3 above, irrespective of whether said liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, may ultimately be found by a court of law to have been caused, in whole or in part, by the negligence or other fault of the COUNTY. In discharging this duty to the COUNTY, the CONTRACTOR shall strictly account to the COUNTY on a monthly basis for all expenditures so incurred. Upon the conclusion of any litigation through appeal, to the extent that the CONTRACTOR has been found less than fully liable for any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, the COUNTY shall reimburse the CONTRACTOR for that portion of the reasonable costs of underwriting the legal defense of the COUNTY.

10.5 With respect to, and in consideration for, the indemnification provided herein by the CONTRACTOR, as well as the duty of the CONTRACTOR, at the option of the COUNTY, to underwrite the legal defense of the COUNTY pending the outcome of any litigation through appeal, the COUNTY agrees to pay to the CONTRACTOR, as separate consideration, the sum of $100.00, the sufficiency and receipt of which is hereby acknowledged.

10.6 Notwithstanding any language to the contrary which may be contained herein, the ultimate duty of the CONTRACTOR to indemnify and hold the COUNTY harmless under this Article will be limited to the extent that any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, are caused by the negligence, recklessness, or intentional wrongful misconduct of the indemnifying party and persons employed or utilized by the indemnifying party in the performance of the construction contract.

ARTICLE 11 - MISCELLANEOUS

11.1 Contractor shall provide Goods and/or perform all Services under this Agreement as an independent contractor. Contractor will not be considered an agent of Owner nor will Contractor's subcontractors, suppliers, experts, or other persons, or organizations retained or utilized by the Contractor be considered agents of Owner.

11.2 No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without written consent of the party sought to be bound; and specifically but without limitation moneys that may become due and moneys

SAMPLE

that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

11.3 Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, legal representatives in respect of all covenants, agreements, and obligations contained in the Contract Documents.

11.4 The Contractor hereby guarantees all work performed in accordance with the terms of the Contract with Owner against defects due to faulty workmanship or materials for a period of 365 days from the date of service. During the period of the guarantee, the Contractor agrees to make all repairs necessitated by reason of faulty workmanship or materials at no cost to the owner, subject to the following additional conditions.

11.4.1 This guarantee is in addition to factory warranties covering certain equipment where applicable under contract.

11.4.2 Nothing herein contained will serve to modify or limit the obligations of the Contractor to faithfully fulfill and complete its obligations under the Contract.

11.4.3 Specifically excluded from this guarantee is maintenance of equipment or repair of any damage caused by normal wear and tear, fire, windstorm, or other casualties.

11.5 The Agreement will be governed by and construed under the laws of the State of Florida.

11.6 Venue for any action arising under this Agreement will lie in Pasco County, Florida at the West Pasco Judicial Center.

11.7 During the performance of this Agreement, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and The Florida Civil Rights Act of 1992 in that the CONTRACTOR does not on the grounds of race, color, national origin, religion, sex, age, handicap or marital status, discriminate in any form or manner against the employees of the CONTRACTOR or its applicants for employment. The CONTRACTOR understands and agrees that this Agreement is conditioned upon the veracity of this Statement of Assurance. Furthermore, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR shall comply with Title VI of the Civil Rights Act of 1964 when any Federal grant is involved. Other applicable Federal and State laws, executive orders and regulations prohibiting the type of discrimination as hereinabove delineated are included by this reference thereto. This Statement of Assurance

SAMPLE

shall be interpreted to include Vietnam Era Veterans and Disabled Veterans within its protective range of applicability.

11.8 Any notices or other writings permitted or required to be delivered as described and required under the provisions of this Agreement must be delivered by sending the notice by Certified Mail, Return Receipt Requested, and addressed as follows:

If to Owner:
Pasco County Utilities
19420 Central Boulevard
Land O' Lakes, FL 34637

Attention: Branford Adumuah
Assistant County Administrator, Public Infrastructure

If to the Contractor:

_____

_____

_____

Attention: _____

ARTICLE 12 – LAW COMPLIANCE

Each party will comply will all applicable Federal, State and Local laws, rules, regulations and guidelines, related to performance under this Agreement. In particular, the Contractor verifies and affirms that it is in compliance with 8 USC Sec. 1324 prohibiting the employment either directly or by contract, subcontract or exchange of unauthorized aliens in the United States. The County will consider the employment of unauthorized aliens by any Contractor during the term of the Agreement a violation of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of this Agreement by the County.

OFFEROR INFORMATION/CERTIFICATION FORM

This form MUST BE:

- **INCLUDED DOWLOADED, COMPLETED AND UPLOADED INTO BONFIRE WITH OFFEROR'S SUBMISSION**
- **FULLY executed with original authorized signature and TWO witness signatures**

1. "We offer to sell/provide Pasco County, Florida, the above item(s) and/or service(s) at the price(s) stated, in accordance with the terms and conditions contained herein. In addition, the item(s) and/or service(s) offered above meet all specifications contained herein or attached, unless otherwise stipulated by exception. This offer to sell/provide is firm for ninety (90) days."

MUST BE SIGNED BY THE PRESIDENT OF THE CORPORATION, OR A MEMBER OF A MEMBER-MANAGED LIMITED LIABILITY COMPANY, OR THE MANAGER OF A MANAGER-MANAGED LIMITED LIABILITY COMPANY; OR INCLUDE WRITTEN PROOF THAT THE INDIVIDUAL SIGNING HAS THE AUTHORITY TO OBLIGATE THE FIRM.

OFFEROR MUST BE REGISTERED ON SUNBIZ (http://www.sunbiz.org/index.html), FLORIDA DEPARTMENT OF STATE DIVISION OF CORPORATIONS.

2. Legal Name of Offeror. Indicate if the Offeror is a Corporation, Joint Venture, Partnership, etc.:
   Cardinal Landscaping Services of Tampa, Inc.
   (This name must match the name on your current W9 Form. The W9 will be requested at the time of award.)

3. Name/title of contact person for the Offeror: Michael C. Mantei - President

4. Business and mailing address: 817 E. Okaloosa Ave Tampa FL 33604 (If claiming Local Vendor Preference, a valid Local Business Tax Receipt must be provided at the time the response is submitted in order to qualify for such consideration)

5. Primary business and mailing address (if different): Same

6. Telephone number: (813) 915 9696 Fax: (813) 915-9695

   Email Address: mcmantei@yahoo.com

The above-named Offeror affirms and declares:

A. That the Offeror understands all requirements of this request and states that as a serious Offeror they will comply with all the stipulations included in this request.

B. That the Offeror is of lawful age and that no other person, firm or corporation has any interest in this Proposal or in the contract proposed to be entered into except as expressly stated below:

C. That this proposal is made without any understanding, agreement, or connection with any other person, firm or corporation making a proposal for the same purpose, and is in all respects fair and without collusion or fraud except as expressly stated below:

D. That the Offeror is not in arrears to the Pasco County Board of County Commissioners upon debt or contract and is not a defaulter, as surety or otherwise, upon any obligation to the Pasco County Board of County Commissioners except as expressly stated below:

E. That the Offeror is in compliance with Section 448.095(2), Florida Statutes, requiring Contractor and its Subcontractors to register with and utilize the U.S. Department of Homeland Security's E-Verify program to verify the work authorization status of all newly hired employees and acknowledges that it will be required to maintain such compliance throughout the term of any Contract entered between the parties. The Offeror also confirms that no public employer has terminated a contract with the Offeror for failure to comply with Section 448.095(2), Florida Statutes, within the 12 months preceding the date this Certification Form is signed by the Offeror.

F. That no officer or employee or person whose salary is payable in whole or in part from the County is, will be or become interested, directly, or indirectly, surety or otherwise in this response; in the performance of the resulting contract; in the purchase of supplies, materials, equipment, work and/or labor to which they relate; or in any portion of the profits thereof.

G. That the Offeror has received and carefully examined all Addenda issued prior to uploading its Response and its Response will be in accordance with all Addenda prior to Response Opening.

H. That by submitting a response, the Offeror certifies that it is not currently debarred from submitting proposals for contracts issued by any political subdivision or agency of the State of Florida and that it is not an agent of a person or entity that is currently debarred from submitting proposals for contracts issued by any subdivision or agency of the State of Florida.

I. That pursuant to Section 287.087, Florida Statutes, Offerors understands that they may certify in their response that they have implemented a drug free workplace program. If two or more responses are deemed equal, preference will be given in the award process to the Offeror who has furnished such certification with their response.

J. If claiming Local Vendor Preference, the Offeror certifies that they satisfy each of the following criteria at the time of their submission of a response to the solicitation necessary to qualify as a "Local Business": a) a vendor, supplier, or contractor who does business in Pasco County by providing goods, services, or construction; and b) maintains a physical business address located within the jurisdictional limits of Pasco County in an area zoned for the conduct of such business; and c) which the vendor, supplier or contractor operates or performs business on a daily basis; and d) has for at least twelve (12) months prior to the bid or proposal opening date;

and (e) a copy of their local business tax receipt or qualifies as a business in a neighboring county as listed in the County's Purchasing Ordinance. Post office boxes shall not be used for the purpose of establishing said physical address.

Please put an "X" in the applicable box or mark N/A

_____Local Business located in Pasco County

__X__Business located within Hillsborough, Pinellas, Polk, or Hernando County

This local preference provision is not applicable to those solicitations involving the use of either State or Federal funds as indicated below:

State/Federal Funds Involved: N (Y if applicable, N if not applicable)

Note: If claiming Local Vendor Preference, a valid Local Business Tax Receipt must be provided at the time the response is submitted in order to qualify for such consideration.

K. By signing this Certification, I represent that I am of lawful age and have the authority to bind the Offeror for contract purposes. **If someone other than the President of the corporation, or a member of a member-managed limited liability company, or the manager of a manager managed limited liability company, then one of the following must be submitted with this Certification:**

1. If Offeror is a corporation (includes incorporated or company, or abbreviations thereof, in its name), and if other than the President of the corporation is signing this Certification, then one of the following must be submitted with this Certification:

   a. a current corporate resolution naming the officer or person signing this Certificate as authorized to sign contracts on behalf of the company or,

   b. a copy of the Board of Directors' resolution or meeting minutes designating the officer or person signing this Certificate as authorized to sign contracts for the corporation, certified by the secretary of the corporation.

2. If Offeror is a limited liability company, then the following must be submitted with this Certification: a copy of the Operating Agreement of the limited liability company showing that that person signing this Certificate is authorized to sign contracts for the limited liability company.

L. Attached to this response is a copy of the Certificate of Status from the Florida Secretary of State, Division of Corporations, which can be downloaded from https://dos.myflorida.com/sunbiz/search/.

M. Exceptions to any Contract Provisions and Miscellaneous Declarations (attach additional sheets, if necessary):

NONE

Florida Department of State, Division of Corporations

AGREEMENT

THIS AGREEMENT is entered by and between **PASCO COUNTY, FLORIDA,** by and through its Board of County Commissioners (hereinafter called "Owner," "Pasco County," or "County") and **Cardinal Landscaping Services of Tampa, Inc.**, (hereinafter called "Contractor").

WITNESSETH:

WHEREAS, Owner desires to retain Contractor to provide **As Needed Landscape Maintenance Services for Public Infrastructure**; and

WHEREAS, Owner has selected Contractor in accordance with competitive bidding procedures; and

WHEREAS, Contractor agrees to serve as Owner's Contractor for **As Needed Landscape Maintenance Services for Public Infrastructure**, based upon the terms and conditions set forth in this Agreement.

NOW, THEREFORE, in consideration of the premises set forth hereinabove, and of the mutual promises hereinafter set forth, the sufficiency and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

ARTICLE 1 – RECITALS

The recitations in the Whereas clauses above are incorporated herein by reference and made a part hereof. Capitalized terms in this Agreement, not otherwise defined, shall have the meaning as in the Solicitation.

ARTICLE 2 - WORK

Contractor will provide **As Needed Landscape Maintenance Services for Public Infrastructure**, as set forth in the Solicitation and listed specifications.

ARTICLE 3 – OWNER'S REPRESENTATIVE

The Project is administered by:

Public Infrastructure
Pasco County Utilities Department

Who is to act as Owner's representative, assume all duties and responsibilities, and have the rights and

authority assigned to Owner's representative in the Contract Documents in connection with completion of the Work in accordance with the Contract Documents.

ARTICLE 4 - CONTRACT TIME

4.1 Except as otherwise specified herein, **the Agreement shall remain in full force and effect from October 1, 2024, and continue for three years through September 30, 2027**, subject to the Price Escalation terms described in Article 5.3 below, unless cancelled in writing by Pasco County. The County reserves the right to extend the contract, under the same prices, terms, and conditions as in the original contract approved by Pasco County for two additional one-year periods, as found to be in the best interest of the County. All contracts are subject to the appropriation of funds by Pasco County.

4.2 Liquidated Damages. The Contractor agrees that should the Contractor fail to complete the work as specified and as directed in the Work Order(s), the Contractor shall pay the Owner for delay and loss of use, and not as a penalty but as liquidated damages, the sum of One Hundred Dollars and 00/100 ($100.00) for each calendar day after the date of completion listed in the Work Order. Default days will be counted in calendar days, excluding Sundays and holidays observed by the County.

ARTICLE 5 - CONTRACT PRICE

5.1 The Owner shall pay the Contractor for completion of the Work in current funds and in accordance with the Contract Documents subject to the Not to Exceed amount of **$8,467,350.00**, provided however, the Owner may increase this amount via unilateral Change Order. The County Administrator shall have the discretion to approve up to two one-year renewal options on the same terms and conditions as the original agreement in the NTE amount of $3,211,735.00 for FY 2028; and $3,502,909.00 for FY 2029, pending budget approval, for a total NTE contract amount of up to $15,181,994.00.

5.2 All incidental costs, including allowances for profit and tools of the trade, must be included in the Contract bid prices.

5.3 Price Escalation Terms: Pursuant to the "Price Adjustments Based on the Consumer Price Index (CPI)" terms of the Special Conditions incorporated herein, the Contractor may request that the County adjust prices based on the Consumer Price Index (CPI).

ARTICLE 6 - CONFLICTS

6.1 To the extent there is a conflict regarding indemnification and contract term between the Solicitation and this Agreement, the provisions of this Agreement will control.

ARTICLE 7 - TERMINATION OF AGREEMENT

7.1 In return for good and valuable consideration in the amount of $100.00, the receipt of which is acknowledged by the Contractor, Owner may terminate or cancel this Agreement at its discretion and termination will be effective, with cause immediately or without cause after 30 days, after written notice has been provided to the Contractor.

7.2 Following termination, Owner shall pay the Contractor upon a pro rata basis as determined by Owner, which will fix the value of the Services performed by the Contractor prior to the termination or cancellation of this Agreement.

ARTICLE 8 - CONTRACTOR'S REPRESENTATIONS

In order to induce Owner to enter into this Agreement, Contractor makes the following representations:

8.1 Contractor has familiarized itself with the nature and extent of the Contract Documents, Work, site, locality, and all local conditions and laws and regulations that in any manner may affect cost, progress, performance, or furnishing of the Work.

8.2 Contractor understands the estimate of quantities of the various items of work and materials, if set forth in the Proposal Form, is approximate only and is given solely to be used as a uniform basis for the comparison of Proposals. The quantities actually required to complete the work may be less or more than so estimated, and, if awarded a contract for the work specified, the Contractor agrees that it will not make any claim for damages or for loss of profits or for an extension of time because of a difference between the quantities of the various classes of work assumed for comparison of Proposals and quantities of work actually performed. The Owner further reserves the right to vary the quantities in any amount.

ARTICLE 9 - CONTRACT DOCUMENTS

The Contract Documents, which comprise the entire agreement between Owner and Contractor concerning the Work and are incorporated into this Agreement, consist of the following:

9.1 This Agreement.

9.2 Invitation to Bid.

9.3 General and Special Conditions of Contract.

9.4 Proposal and Bid Forms.

9.5 Insurance Certificates.

9.6 Contract Forms.

9.7 Specifications.

9.8 Exhibits.

9.9 Addenda numbers **1** to **1** inclusive.

9.10 Documents submitted by Contractor prior to Notice of Award (Bid Form, Offeror Form, Sunbiz).

9.11 Human Trafficking Affidavit.

9.12 The following, which may be delivered or issued after the Effective Date of the Agreement and are not attached hereto: All written WORK ORDERS or authorizations; all written amendments; and all other documents amending, modifying, or supplementing the Contract Documents.

There are no Contract Documents other than those listed above in this Article 8. The Contract Documents may only be amended, modified, or supplemented as provided in the Conditions of Contract section of the Contract Documents.

ARTICLE 10 - SUBCONTRACTORS

The Contractor shall not sublet, assign, or transfer any Goods and/or Services specifically set forth under this Agreement without the prior written consent of Owner. All persons used by the Contractor for fulfilling the requirements of this Agreement must be employees of the Contractor.

ARTICLE 11 – INDEMNIFICATION

11.1 The CONTRACTOR shall indemnify and hold harmless the COUNTY and the employees and agents of the COUNTY from, and against, all liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, arising out of, or resulting from, the performance of the Work, provided that any such liability, claim, suit,

demand, damage, loss, or expense: (a) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property (other than the Work itself), including the loss of use resulting therefrom; and (b) to the extent caused by an act or omission of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable.

11.2 In any and all claims against the COUNTY, or against any of the agents or employees of the COUNTY, by any employee of the CONTRACTOR, any SUBCONTRACTOR, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, the indemnification obligation under the previous paragraph will not be limited in any way as to the amount or type of damages, compensation, or benefits payable by or for the CONTRACTOR or any SUBCONTRACTOR under workmen's compensation acts, disability benefit acts, or other employee benefit acts.

11.3 The CONTRACTOR shall indemnify and hold harmless the COUNTY and anyone directly or indirectly employed by the COUNTY from and against all claims, suits, demands, damages, losses, and expenses including, but not limited to, attorneys' fees, arising out of any infringement of patent rights, copyrights, trademarks, trade dress, or other intellectual property rights held by others, and shall defend all such claims in connection with any alleged infringement of such rights.

11.4 The CONTRACTOR shall, at the option of the COUNTY, underwrite on an interim basis all expenses associated with the legal defense of the COUNTY, pending the outcome of any litigation through appeal, with respect to any liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, for which the CONTRACTOR may be liable to the COUNTY, in whole or in part, pursuant to 10.1 – 10.3 above, irrespective of whether said liabilities, claims, suits, demands, damages, losses, and expenses, including, but not limited to, attorneys' fees, may ultimately be found by a court of law to have been caused, in whole or in part, by the negligence or other fault of the COUNTY. In discharging this duty to the COUNTY, the CONTRACTOR shall strictly account to the COUNTY on a monthly basis for all expenditures so incurred. Upon the conclusion of any litigation through appeal, to the extent that the CONTRACTOR has been found less than fully liable for any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, the COUNTY shall reimburse the CONTRACTOR for that portion of the reasonable costs of underwriting the legal defense of the COUNTY.

11.5 With respect to, and in consideration for, the indemnification provided herein by the CONTRACTOR, as well as the duty of the CONTRACTOR, at the option of the COUNTY, to underwrite the legal defense of the COUNTY pending the outcome of any litigation through appeal, the COUNTY agrees to pay to the CONTRACTOR, as separate consideration, the sum of $100.00, the sufficiency and receipt of which is hereby

acknowledged.

11.6 Notwithstanding any language to the contrary which may be contained herein, the ultimate duty of the CONTRACTOR to indemnify and hold the COUNTY harmless under this Article will be limited to the extent that any liabilities, damages, losses and costs, including, but not limited to, reasonable attorneys' fees, are caused by the negligence, recklessness, or intentional wrongful misconduct of the indemnifying party and persons employed or utilized by the indemnifying party in the performance of the construction contract.

ARTICLE 12 - MISCELLANEOUS

12.1 Contractor shall provide Goods and/or perform all Services under this Agreement as an independent contractor. Contractor will not be considered an agent of Owner nor will Contractor's subcontractors, suppliers, experts, or other persons, or organizations retained or utilized by the Contractor be considered agents of Owner.

12.2 No assignment by a party hereto of any rights under or interests in the Contract Documents will be binding on another party hereto without written consent of the party sought to be bound; and specifically but without limitation moneys that may become due and moneys that are due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

12.3 Owner and Contractor each binds itself, its partners, successors, assigns, and legal representatives to the other party hereto, its partners, successors, assigns, legal representatives in respect of all covenants, agreements, and obligations contained in the Contract Documents.

12.4 The Contractor hereby guarantees all work performed in accordance with the terms of this Agreement with Owner against defects due to faulty workmanship or materials for a period of 365 days from the date of service. During the period of the guarantee, the Contractor agrees to make all repairs necessitated by reason of faulty workmanship or materials at no cost to the Owner, subject to the following additional conditions.

12.4.1 This guarantee is in addition to factory warranties covering certain equipment where applicable under contract.

12.4.2 Nothing herein contained will serve to modify or limit the obligations of the Contractor to faithfully fulfill and complete its obligations under this Agreement.

12.4.3 Specifically excluded from this guarantee is maintenance of equipment or repair of any damage caused by normal wear and tear, fire, windstorm, or other casualties.

12.5 The Agreement will be governed by and construed under the laws of the State of Florida.

12.6 Venue for any state court dispute arising under this Agreement shall be at the West Pasco Judicial Center in Pasco County, Florida. Venue for any federal court dispute arising under this Agreement shall be at the United States Court in the Middle District of Florida – Tampa Division. **The parties waive their right to a jury trial.**

12.7 During the performance of this Agreement, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR is in compliance with Title VII of the 1964 Civil Rights Act, as amended, and The Florida Civil Rights Act of 1992 in that the CONTRACTOR does not on the grounds of race, color, national origin, religion, sex, age, handicap or marital status, discriminate in any form or manner against the employees of the CONTRACTOR or its applicants for employment. The CONTRACTOR understands and agrees that this Agreement is conditioned upon the veracity of this Statement of Assurance. Furthermore, the CONTRACTOR herein assures the COUNTY that said CONTRACTOR shall comply with Title VI of the Civil Rights Act of 1964 when any Federal grant is involved. Other applicable Federal and State laws, executive orders and regulations prohibiting the type of discrimination as hereinabove delineated are included by this reference thereto. This Statement of Assurance shall be interpreted to include Vietnam Era Veterans and Disabled Veterans within its protective range of applicability.

12.8 Any notices or other writings permitted or required to be delivered as described and required under the provisions of this Agreement must be delivered by sending the notice by Certified Mail, Return Receipt Requested, and addressed as follows:

If to Owner:
Pasco County Utilities
19420 Central Boulevard
Land O' Lakes, FL 34637
Attention: Branford Adumuah
Assistant County Administrator, Public Infrastructure

If to the Contractor:
Cardinal Landscaping Services of Tampa, Inc.
817 E. Okaloosa Avenue
Tampa, FL 33604
Attention: Michael C. Mantei, President

ARTICLE 13 – LAW COMPLIANCE

13.1 Each party will comply will all applicable Federal, State and Local laws, rules, regulations and guidelines, related to performance under this Agreement. In particular, the Contractor verifies and affirms that it is in compliance with 8 USC Sec. 1324 prohibiting the employment either directly or by contract, subcontract or exchange of unauthorized aliens in the United States. The County will consider the employment of unauthorized aliens by any Contractor during the term of the Agreement a violation of the Immigration and Nationality Act. Such violation will be cause for unilateral cancellation of this Agreement by the County.

13.2 Countries of Concern. As required by section 286.101, Florida Statutes , for contracts of $100,000.00 or more, contractors shall disclose to the Owner any current or prior interest of, any contract with, or any grant or gift received from a foreign country of concern if such interest, contract, or grant or gift has a value of $50,000 or more and such interest existed at any time or such contract or grant or gift was received or in force at any time during the previous 5 years ("Item"). "Foreign country of concern" means the People's Republic of China, the Russian Federation, the Islamic Republic of Iran, the Democratic People's Republic of Korea, the Republic of Cuba, the Venezuelan regime of Nicolás Maduro, or the Syrian Arab Republic, including any agency of or any other entity under significant control of such foreign country of concern. Contractor, by executing this Agreement, affirms that it has not received an Item from a foreign country of concern.

THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their duly qualified representatives and become effective on the date noted below.

Florida Department of State, Division of Corporations

BOARD OF COUNTY COMMISSIONERS
AGENDA MEMORANDUM

COMMISSION DISTRICT: 5 **FILE NO.:** PW26-0053 **DATE:** 6/16/2026

SUBJECT: Amendment 1 to Standard Grant Agreement No. LPA0361 – Florida Department of Environmental Protection – Extend Grant and Schedules Green Key Neighborhood Drainage Improvements (LPA0361) (SW-1088) – $2,000,000.00 (Grant Funding)

REFERENCES: PW23-0059

AGENDA SECTION: Consent Agenda

THRU: Branford Adumuah, Assistant County Administrator

FROM: Jason Mickel, Public Works Director

RECOMMENDED BOARD ACTION:

Approve Amendment 1 to Standard Grant Agreement No. LPA0361 (Agreement) between the Florida Department of Environmental Protection (FDEP) and Pasco County extending the term of the Agreement until December 31, 2028. Authorize the Chairman to execute the four originals provided, and direct Board Records to distribute as set forth under the Distribution section below.

BACKGROUND SUMMARY/ALTERNATIVE ANALYSIS:

On April 4, 2023, the Board of County Commissioners (BCC) approved the Agreement with FDEP for a funding amount of $2,000,000.00 for the construction of the Green Key Neighborhood Drainage Improvements (Project) (PW23-0059). The project area is located in the Lower Coastal Watershed, .01 miles north of Green Key Road, .01 miles south of Snug Harbor Road, .30 miles west of U.S. Highway 19, and 1.43 miles east of Green Key Beach.

The Project is a critical initiative aimed at mitigating persistent flooding issues that have affected residents in the Green Key Estates Neighborhood. Through a series of targeted drainage and roadway enhancements, the Project seeks to improve stormwater management, protect property, and enhance the overall quality of life for those living in the area. The engineering and design phase for these improvements has been successfully completed. At present, the project is in the construction procurement stage, where contracts for necessary construction and implementation services are being solicited and reviewed.

The Agreement, which governs the terms and funding for this Project, is set to expire on December 31, 2027. This extension will provide a necessary buffer to complete all project phases, including construction, oversight, and final inspections, without risking a lapse in grant coverage or compliance with state requirements. If approved, the new expiration date will be December 31, 2028.

Amendment 1 also makes changes to Attachment 1 Section 8, Attachment 3, Attachment 5, and Exhibit A. These amendments are to bring the current boilerplate and current documents used by FDEP.

The Public Works Department requests approval of Amendment 1 to the Agreement

extending the term of the Agreement to December 31, 2028.

DESCRIPTION (TIME)	START DATE	END DATE
Original Agreement	April 17, 2023	December 31, 2027
Amendment No. 1 to Agreement	January 1, 2028	December 31, 2028

FISCAL IMPACT/COST/REVENUE STATEMENT:
Funding is not required for this action.

DISTRIBUTION:
Board Records to distribute as set forth below:
1. Retain One Original
2. Mail Three Originals signed by the Board of County Commissioners (with two to be returned upon signing by FDEP) to:

Sarah Prieto, Environmental Manager
Florida Department of Environmental Protection
3900 Commonwealth Blvd.
Tallahassee, FL 32399

AMENDMENT NO. 1
TO AGREEMENT NO. LPA0361
BETWEEN
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
AND
PASCO COUNTY

This Amendment to Agreement No. LPA0361 (Agreement) is made by and between the Department of Environmental Protection (Department), an agency of the State of Florida, and Pasco County (Grantee), on the date last signed below.

WHEREAS, the Department entered into the Agreement with the Grantee for Pasco County Green Key Drainage Improvements (Project), effective April 17, 2023; and,

WHEREAS, the Grantee has requested an extension of the Agreement due to design changes; and,

WHEREAS, other changes to the Agreement are necessary; and,

WHEREAS, the parties have agreed to amend the Agreement as set forth herein.

NOW THEREFORE, the parties agree as follows:

1. Section 3. of the Standard Grant Agreement is hereby revised to change the Date of Expiration to December 31, 2028. The Department and the Grantee shall continue to perform their respective duties during this extension period pursuant to the same terms and conditions provided in the Agreement.

2. The following is hereby added to Attachment 1 in Section 8:

   State Funds Documentation. Pursuant to section 216.1366, F.S., if Contractor meets the definition of a non-profit organization under section 215.97(2)(m), F.S., Contractor must provide the Department with documentation that indicates the amount of state funds:

   i. Allocated to be used during the full term of the contract or agreement for remuneration to any member of the board of directors or an officer of Contractor.
   ii. Allocated under each payment by the public agency to be used for remuneration of any member of the board of directors or an officer of the Contractor.

   The documentation must indicate the amounts and recipients of the remuneration. Such information must be posted on the State's contract tracking system and maintained pursuant to section 215.985, F.S., and must be posted on the Contractor's website, if Contractor maintains a website.

3. Attachment 3, Grant Work Plan, is hereby deleted in its entirety and replaced with Attachment 3-1, Revised Grant Work Plan, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 3 shall hereinafter refer to Attachment 3-1, Revised Grant Work Plan.

4. Attachment 5, Special Audit Requirements, is hereby deleted in its entirety and replaced with Attachment 5-1, Revised Special Audit Requirements, as attached to this Amendment and hereby incorporated into the Agreement. All references in the Agreement to Attachment 5 shall hereinafter refer to Attachment 5-1, Revised Special Audit Requirements.

5. Exhibit A, Progress Report Form, is hereby deleted in its entirety and replaced with Exhibit A-1, attached hereto and made a part of the Agreement. All references in the Agreement to Exhibit A shall hereinafter refer to Exhibit A-1.

6. All other terms and conditions of the Agreement remain in effect. If and to the extent that any inconsistency may appear between the Agreement and this Amendment, the provisions of this Amendment shall control.

The parties agree to the terms and conditions of this Amendment and have duly authorized their respective representatives to sign it on the dates indicated below.

ATTACHMENT 3-1
REVISED GRANT WORK PLAN

PROJECT TITLE: Pasco County Green Key Drainage Improvements

PROJECT LOCATION: The Project will be located in the City of New Port Richey within Pasco County; Lat/Long (28.2549, -82.7330). See Figure 1 for a location map and site plan.

PROJECT BACKGROUND: The Green Key neighborhood is located west of US-19 and north of Green Key Boulevard. The neighborhood is in the Lower Coastal Watershed and its elevation ranges from approximately 6 feet to approximately 2.5 feet. Due to its low-lying topography, the neighborhood experiences regular flooding, especially during high tides and storm surges.

Pasco Board of County Commissioners (Grantee) proposes to perform drainage improvements to reduce localized flooding in the Green Key neighborhood. The primary goal of this project is to reduce structural and roadway flooding in an area of medium-density residential land uses, protecting resources such as housing, transportation, emergency services, and commerce.

PROJECT DESCRIPTION: The Grantee will make bilateral conveyance improvements, from the Green Key neighborhood to both the upper and lower lobes of Oyster Creek, and roadway elevation by approximately nine inches, to directly reduce roadway flooding susceptibility. The grant funding will result in a completed project.

TASKS: All documentation should be submitted electronically unless otherwise indicated and should be submitted prior to the expiration of the grant agreement.

Task 1: Design and Permitting

Deliverables: The Grantee will complete the design of the drainage improvements and roadway elevations for the Green Key Neighborhood and obtain all necessary permits for construction of the project.

Documentation: The Grantee will submit: 1) a signed acceptance of the completed work to date, as provided in the Grantee's Certification of Payment Request; and 2) a summary of design activities to date, indicating the percentage of design completion for the time period covered in the payment request. For the final documentation, the Grantee will also submit a copy of the design completed with the funding provided for this task and a list of all required permits identifying issue dates and issuing authorities.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, a payment request may be processed.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

REMAINDER OF PAGE INTENTIONALLY LEFT BLANK

Task 2: Construction

Deliverables: The Grantee will construct Pasco County Green Key Drainage Improvements in accordance with the final design.

Documentation: The Grantee will submit a signed summary of activities completed for the period of work covered in the payment request, using the format provided by the Department's Grant Manager. Upon request by the Department's Grant Manager, the Grantee will provide additional supporting documentation relating to this task.

Performance Standard: The Department's Grant Manager will review the documentation to verify that the deliverables have been completed as described above. Upon review and written acceptance by the Department's Grant Manager, a payment request may be processed.

Payment Request Schedule: The Grantee may submit a payment request for cost reimbursement no more frequently than monthly.

PROJECT TIMELINE & BUDGET DETAIL: The tasks must be completed by the corresponding task end date. Cost reimbursable grant funding must not exceed the budget amounts as indicated below.

For payment requests that include Contractual Services, the Grantee shall provide documentation of the procurement process, as consistent with Attachment 1, Section 9.c.

Task No.	Task Title	Budget Category	Grant Amount	Task Start Date	Task End Date
1	Design and Permitting	Contractual Services	$100,000	07/01/2022	06/30/2027
2	Construction	Contractual Services	$1,900,000	07/01/2022	06/30/2028
		Total:	$2,000,000		

Note that, per Section 8 of Attachment 1 of the Agreement, authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of the Department if the Legislature reduces or eliminates appropriations. Extending the contract end date carries the risk that funds for this project may become unavailable in the future. This should be a consideration for the Grantee with this and future requests for extension.

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION
Revised Special Audit Requirements
(State and Federal Financial Assistance)

Attachment 5-1

The administration of resources awarded by the Department of Environmental Protection *(which may be referred to as the "Department", "DEP", "FDEP" or "Grantor", or other name in the agreement*) to the recipient *(which may be referred to as the "Recipient", "Grantee" or other name in the agreement)* may be subject to audits and/or monitoring by the Department of Environmental Protection, as described in this attachment.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and Section 215.97, F.S., as revised (see "AUDITS" below), monitoring procedures may include, but not be limited to, on-site visits by DEP Department staff, limited scope audits as defined by 2 CFR 200.425, or other procedures. By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR §200.330

1. A recipient that expends $1,000,000 or more in Federal awards in its fiscal year, must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F. EXHIBIT 1 to this Attachment indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of Environmental Protection. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR Part 200.514 will meet the requirements of this part.

2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.

3. A recipient that expends less than $1,000,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F-Audit Requirements. If the recipient expends less than $1,000,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F-Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from non-federal entities).

4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at https://sam.gov/content/assistance-listings.

PART II: STATE FUNDED

This part is applicable if the recipient is a nonstate entity as defined by Section 215.97(1)(n), Florida Statutes.

1. In the event that the recipient expends a total amount of state financial assistance equal to or in excess of $750,000 in any fiscal year of such recipient (for fiscal years ending June 30, 2017, and thereafter), the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, F.S.; Rule Chapter 69I-5, F.A.C., State Financial Assistance; and the current Rules of the Auditor General. EXHIBIT 1 to this form lists the state financial assistance awarded through the Department of Environmental Protection by this agreement. In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.

2. In connection with the audit requirements addressed in Part II, paragraph 1; the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), Florida Statutes. This includes submission of a financial reporting package as defined by Section 215.97(2), Florida Statutes, and the current Rules of the Auditor General.

3. If the recipient expends less than $750,000 in state financial assistance in its fiscal year (for fiscal year ending June 30, 2017, and thereafter), an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than $750,000 in state financial assistance in its fiscal year, and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-state entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

4. For information regarding the Florida Catalog of State Financial Assistance (CSFA), a recipient should access the Florida Single Audit Act website located at https://apps.fldfs.com/fsaa for assistance. In addition to the above websites, the following websites may be accessed for information: Legislature's Website at http://www.leg.state.fl.us/Welcome/index.cfm, State of Florida's website at http://www.myflorida.com/, Department of Financial Services' Website at https://www.myfloridacfo.com/ and the Auditor General's Website at http://www.myflorida.com/audgen/.

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(8), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes. In such an event, the State awarding agency must arrange for funding the full cost of such additional audits.)

PART IV: REPORT SUBMISSION

1. Copies of reporting packages for audits conducted in accordance with 2 CFR Part 200, Subpart F-Audit Requirements, and required by PART I of this form shall be submitted, when required by 2 CFR 200.512, by or on behalf of the recipient directly to the Federal Audit Clearinghouse (FAC) as provided in 2 CFR 200.36 and 200.512

   A. The Federal Audit Clearinghouse designated in 2 CFR §200.501(a) (the number of copies required by 2 CFR §200.501(a) should be submitted to the Federal Audit Clearinghouse), at the following address:

By Mail:

Federal Audit Clearinghouse
Bureau of the Census
1201 East 10th Street
Jeffersonville, IN 47132

Submissions of the Single Audit reporting package for fiscal periods ending on or after January 1, 2008, must be submitted using the Federal Clearinghouse's Internet Data Entry System which can be found at http://harvester.census.gov/facweb/

2. Copies of financial reporting packages required by PART II of this Attachment shall be submitted by or on behalf of the recipient directly to each of the following:

A. The Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:

B. The Auditor General's Office at the following address:

Auditor General
Local Government Audits/342
Claude Pepper Building, Room 401
111 West Madison Street
Tallahassee, Florida 32399-1450

The Auditor General's website (http://flauditor.gov/) provides instructions for filing an electronic copy of a financial reporting package.

3. Copies of reports or management letters required by PART III of this Attachment shall be submitted by or on behalf of the recipient directly to the Department of Environmental Protection at one of the following addresses:

By Mail:
Audit Director
Florida Department of Environmental Protection
Office of Inspector General, MS 40
3900 Commonwealth Boulevard
Tallahassee, Florida 32399-3000

Electronically:
FDEPSingleAudit@dep.state.fl.us

4. Any reports, management letters, or other information required to be submitted to the Department of Environmental Protection pursuant to this Agreement shall be submitted timely in accordance with 2 CFR 200.512, section 215.97, F.S., and the current Rules of the Auditor General, as applicable.

5. Recipients, when submitting financial reporting packages to the Department of Environmental Protection for audits done in accordance with 2 CFR 200, Subpart F-Audit Requirements, or the current Rules of the Auditor

General, should indicate the date and time the reporting package was delivered to the recipient and any correspondence accompanying the reporting package.

PART V: RECORD RETENTION

The recipient shall retain sufficient records demonstrating its compliance with the terms of the award and this Agreement for a period of **five (5)** years from the date the audit report is issued, and shall allow the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General access to such records upon request. The recipient shall ensure that audit working papers are made available to the Department of Environmental Protection, or its designee, Chief Financial Officer, or Auditor General upon request for a period of **three (3)** years from the date the audit report is issued, unless extended in writing by the Department of Environmental Protection.
