The Planning Commission has final decision making authority for Special Exceptions. Any person desiring to appeal a special exception to the Board of County Commissioners will need a record of the proceedings and may need to ensure that a verbatim record of the proceedings is made which includes the testimony and evidence upon which the appeal is based. All other decisions by the Planning commission are in the form of a recommendation to the Board of County Commissioners, and are therefore not appeal able. Appeals of special exceptions are limited to the testimony and evidence in the record, which means that new testimony and evidence outside the record cannot be considered during the appeal proceeding.
