Public Comment is the section when individuals can comment on matters that the Board has before it for consideration. Everyone is limited to three minutes for such comments. A timer will sound at two minutes to indicate that you have one minute remaining. The

Consent section contains numerous routine matters that require the approval of the County Commission but do not require discussion. Prior to voting on the Consent portion of the agenda a County Commissioner, the County Administrator, or the County Attorney may request an item be removed from the Consent portion for discussion, correction, or withdrawal. All remaining items on Consent are approved by the County Commission with a single motion and vote. The **Regular** section consists of items for approval by the County Commission that require discussion, motions, and votes on an item-by-item basis. Beginning at 1:30 p.m., the final section of the agenda is **Public Hearings**, which are advertised items, including rezonings, land use amendments, ordinance adoptions and revisions. Comments by the public are allowed on each item.

Any person desiring to appeal any decision made by the Planning Commission or Board of County Commissioners with respect to any matter considered at any meeting or hearing will need a record of the proceedings and may need to ensure that a verbatim record of the proceedings is made which includes the testimony and evidence upon which the appeal is to be based. For this meeting, persons may obtain a verbatim record of the proceeding by contacting the Clerk and Comptroller's office, East Pasco Government Center, 14326 6th Street, Suite 201, Dade City, Florida 33523-3414; or at (352)521-4345.
